7 of new and ongoing research and development

8 initiatives in the core platform areas into commercial
9 opportunities.
10 e. Actively participate in advisory groups
11 dedicated to the areas of bioscience advanced
12 manufacturing, and information solutions.
13 Sec. ____ NEW SECTION. 262B.22 TECHNOLOGY AND
14 COMMERCIALIZATION RESOURCE ORGANIZATION.
15 1. The general assembly finds and declares that
16 the public good requires that Iowa successfully
17 participate and compete in the emerging world economy.
18 A technology and commercialization resource
19 organization is established to formulate and implement
20 plans and programs for the core platform areas and to
21 facilitate their commercial application within the
22 state.
23 2. The technology and commercialization resource
24 organization shall receive recommendations for
25 research projects which have commercialization
26 potential from institutions of higher learning under
27 the control of the state board of regents. In
28 cooperation with commercialization experts in the
29 private sector, the organization shall analyze
30 research project submissions and make recommendations
31 regarding which projects should receive funding and
32 how much funding such projects should receive. The
33 recommendations of the organization shall be forwarded
34 to the state board of regents. The state board of
35 regents shall review the recommendations and may
36 approve, deny, or modify the recommendations. If the
37 state board of regents modifies a recommendation, the
38 modified recommendation shall be returned to the
39 technology and commercialization resource organization
40 for consideration and for recommendation. The state
41 board of regents may award financial assistance to
