GOVERNOR'S SIGNING MESSAGE

[HOUSE FILE 2458](#)

May 27, 2016

The Honorable Paul Pate
Secretary of State of Iowa
State Capitol Building
LOCAL

Dear Mr. Secretary:

I hereby transmit:

[House File 2458](#), an Act relating to appropriations to the justice system, and including effective date provisions.

As to section 6, subsection 1 of this Act, the Governor supports the mission of the drug courts operated by the various judicial district departments of correctional services. However, the Governor is disappointed that the General Assembly did not specifically appropriate any funding resources for the drug courts for the next fiscal year beginning July 1, 2016, and ending June 30, 2017. The Governor urges the General Assembly to examine the funding model for these drug courts during the next legislative session.

The above House File is hereby approved this date.

Sincerely,

Terry E. Branstad
Governor

GOVERNOR'S ITEM VETO MESSAGES

[HOUSE FILE 2454](#)

May 27, 2016

The Honorable Paul Pate
Secretary of State of Iowa
State Capitol
LOCAL

Dear Mr. Secretary:

I hereby transmit [House File 2454](#), an Act relating to and making appropriations involving state government entities involved with agriculture, natural resources, and environmental protection, and including effective date provisions.

[House File 2454](#) is approved on this date with the following exception, of which I hereby disapprove. I am unable to approve of the item designated as Section 24 of this Act in its entirety. This item requires the Iowa Department of Natural Resources (DNR) to conduct a study on the feasibility of installing electronic card reader systems and imposing user fees at state parks. This section is unnecessary because there is nothing that currently prevents the DNR from studying the feasibility of using electronic card reader systems at state parks. However, I do not support charging Iowans a user fee to enjoy our state parks. In the 1980s, the State of Iowa charged state park user fees and found that Iowans greatly disliked them. We should not be conducting studies on state park user fees when history already tells us that such fees would be unpopular with, and rejected by, the people of this State.

For the above reasons, I respectfully disapprove the above-designated item in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in [House File 2454](#) are hereby approved as of this date.

Sincerely,

TERRY E. BRANSTAD
Governor

[HOUSE FILE 2459](#)

May 27, 2016

The Honorable Paul Pate
Secretary of State of Iowa
State Capitol
LOCAL

Dear Mr. Secretary:

I hereby transmit [House File 2459](#), an Act relating to state and local finances by making appropriations, providing for legal and regulatory responsibilities, concerning taxation, providing penalties, providing for other properly related matters, and including effective date and retroactive and other applicability provisions.

[House File 2459](#) is approved on this date with the following exceptions, which I hereby disapprove.

I am unable to approve the item designated as Section 9, in its entirety. This item states that it is legislative intent that executive branch agencies make use of an existing master contract to develop a statewide time and attendance system with the idea that it would generate savings. While I always encourage state agencies to look for ways to save money, unfortunately going about it this way is not appropriate. State agencies were not appropriated additional funds for this system, it would require the state to add to the already multiple systems for payroll, and the master contract does not have the full range of functionality provided by the current systems. Also, for transparency, if the State would choose to take such a system statewide, the contract would have to rebid to cover the increased scope of the system.

I am unable to approve the item designated as Section 12, subsections 2 and 3, in its entirety. This item requires Iowans who perform natural hair braiding to take an annual course and be subject to discipline and inspection by the Department of Public Health; these requirements are unnecessary. Licensing and regulations should only be mandated when necessary to serve public health or safety. Natural hair braiding does not require government mandates, regulations, or licensing. Subsection 1 of Section 12 exempts the profession of natural hair braiding from the 2,100 hours of training needed under current Iowa law for a cosmetology license and effectively ends licensing for natural hair braiding.

Since taking office in 2011, my administration has been committed to job creation and increasing family incomes. An occupational license is governmental permission to work in a particular field. According to *License to Work*, a study by the Institute for Justice, in the 1950s only one in twenty individuals needed the government's permission to pursue their chosen profession. However today, the number is almost one in three. Occupational licenses decrease incomes for working Iowans and increase costs for consumers. I have vetoed legislation mandating licensing for four new professions, signed Executive Order 71 requiring State agencies to issue a Job Impact Statement to minimize the negative impact rules and regulations have on jobs, and signed Executive Order 80 allowing for stakeholder input and involvement prior to the development and formulation of rules and regulations. While this legislation now ends licensing requirements for natural hair braiding, I look forward to continuing to work with the legislature to find other common sense solutions in reducing unnecessary regulatory burdens and licensing fees on hardworking Iowans.

I am unable to approve the item designated as Section 14, in its entirety. This item sunsets Iowa's online learning program on July 1, 2018. Students enrolled in the online learning program may be targets of bullying, medically fragile, or individuals who struggle in the traditional classroom setting. I have met with students enrolled in online learning programs and their parents and they informed me that these online learning programs are very helpful and it would create significant fear and anxiety if the online learning program was to end. There should be a variety of options available to students, including online learning, in order to ensure their academic success.

For the above reasons, I respectfully disapprove the designated items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in [House File 2459](#) are hereby approved as of this date.

Sincerely,

TERRY E. BRANSTAD
Governor

[HOUSE FILE 2460](#)

May 27, 2016

The Honorable Paul Pate
Secretary of State of Iowa
State Capitol
LOCAL

Dear Mr. Secretary:

I hereby transmit [House File 2460](#), an Act relating to appropriations for health and human services and veterans and including other related provisions and appropriations, and including effective date and retroactive and other applicability provisions.

[House File 2460](#) passed both the Senate and House. It is concerning to me that more than \$15 million of one-time revenue is being used to fund the Department of Human Services. The budget I proposed in January 2016 funded ongoing expenses with ongoing revenue. It is my hope to work with the legislature next year to provide much needed budget predictability and stability for Iowa taxpayers who make these programs possible.

This legislation requires an individual enrolling in school in 7th or 12th grade in Iowa to be immunized against meningococcal disease. I have met with families who lost loved ones and medical experts and I am convinced this will save lives in Iowa. This immunization is covered by insurance. Also, there is an exception for individuals to opt out of the immunization for medical reasons or religious beliefs.

I am committed to making Iowa the healthiest state in the nation. This year, Iowa transitioned to a modernized Medicaid program that will improve patient health outcomes and fit individual needs. Last year in [Senate File 505](#), I signed every Medicaid Modernization oversight item into law. I was proud to do so because our Medicaid patients deserve an outcome-focused, accountable Medicaid program. We now have nearly 1,000 measurable results tracking the health outcomes of Medicaid patients. Something our old Medicaid program never did. Today, I am proud to sign every additional Medicaid Modernization oversight item contained in [House File 2460](#). I appreciate that the legislature agreed in a bipartisan manner that we need a modernized Medicaid program focused on health outcomes to improve the lives of our most vulnerable Iowans. By signing into law every Medicaid Modernization oversight item, Iowa's Medicaid program will be one of the most transparent, outcome-focused, and accountable programs in the country.

[House File 2460](#) is approved on this date with the following exceptions, which I hereby disapprove.

I am unable to approve the designated portion of the item designated as Section 10, amending 2015 Iowa Acts, chapter 137, section 132, by inserting subsection 23. This item restricts the Department of Human Services from implementing certain cost containment strategies. The Department must have the tools and flexibility to effectively manage a program so critically important to so many vulnerable Iowans.

Such a restriction on the management and oversight authority of the Department of Human Services is inappropriate.

I am unable to approve the designated portion of the item designated as Section 10, amending 2015 Iowa Acts, chapter 137, section 132, by inserting subsection 24. This item requires the Department of Human Services to report on cost containment strategies. The Department of Human Services, Department of Management and the Legislative Services Agency meet on a monthly basis to determine projections for the Medical Assistance appropriation. Information relating to cost containment strategies is shared during these meetings. While I strongly support transparency efforts that publicly disclose how departments spend their resources, this information is already available within the State's accounting and budgeting systems.

I am unable to approve the item designated portion of the item designated as Section 27, amending the 2015 Iowa Acts, chapter 137, section 149, by inserting subsection 11A, subparagraph b. Iowa has modernized its administration of Medicaid by partnering with specialized, patient-centered health care plans. This bipartisan initiative was implemented on April 1, 2016. The provider reimbursement rate floors issued by the Department of Human Services already include protections for providers and their reimbursement. Therefore, restrictions in this item are redundant and unnecessary.

I am unable to approve the item designated as Section 54, in its entirety. This item limits the Department of Human Services review of all alternative assessment methodologies for the hospital health care access assessment.

I am unable to approve the item designated as Division XVII, in its entirety. This item prevents the Iowa Department of Public Health and the Trauma Systems Advisory Council to be able to effectively carry out its regulatory obligation to the patients of Iowa's trauma system.

For the above reasons, I respectfully disapprove the designated items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in [House File 2460](#) are hereby approved as of this date.

Sincerely,

TERRY E. BRANSTAD
Governor

[SENATE FILE 2314](#)

May 27, 2016

The Honorable Paul Pate
Secretary of State of Iowa
State Capitol
LOCAL

Dear Mr. Secretary:

I hereby transmit [Senate File 2314](#), an Act relating to and making appropriations to certain state departments, agencies, funds, and certain other entities, providing for regulatory authority and other properly related matters, and including effective date and retroactive applicability provisions.

This legislation fails to appropriate sufficient funds for the State's utility bills. The failure to provide funds for utilities, a necessary expense for all state agencies, is bad budgeting and a practice that must be changed.

[Senate File 2314](#) is approved on this date with the following exception, which I hereby disapprove.

I am unable to approve of the item designated as Section 17, in its entirety. This item is redundant and unnecessary because it creates new annual reports, establishes an interim study committee, and limits the use of certain fees collected by the Department of Administrative Services (DAS). Numerous reports are already produced and made available by DAS regarding the methodologies and the impact of established rates on state agencies. Iowa code and administrative rules establish the customer council and the process used for the development of rates charged for the internal services provided by the department. The customer council includes representatives from all three branches of government. This item also prohibits increases in rates for programs, including those administered by third party providers. DAS does not set the rates for programs administered by third party providers and DAS does not have an independent source of revenue to absorb any increase. DAS simply passes the costs through to state agencies based on the utilization of such services as: workers' compensation, unemployment compensation, Family Medical Leave Act, the health care and dependent care pre-tax programs, and other services critical to the day-to-day business of the State.

For the above reasons, I respectfully disapprove the designated item in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in [Senate File 2314](#) are hereby approved as of this date.

Sincerely,

TERRY E. BRANSTAD
Governor

SENATE FILE 2323

May 27, 2016

The Honorable Paul Pate
Secretary of State of Iowa
State Capitol
LOCAL

Dear Mr. Secretary:

I hereby transmit [Senate File 2323](#), an Act relating to the funding of, the operation of, and appropriation of moneys to the College Student Aid Commission, the Department for the Blind, the Department of Education, and the State Board of Regents, providing for related matters, and including effective and applicable date provisions.

[Senate File 2323](#) is approved on this date with the following exceptions, of which I hereby disapprove.

I am unable to approve the items designated as Section 18, and Section 19, subsection 5, in their entirety. These items unduly delay Iowa's transition to a new statewide academic assessment system. The Iowa Department of Education can best serve students by moving forward immediately to prepare for the implementation of the new assessment system on July 1, 2017. School administrators and teachers are eager for a new assessment system that is closely aligned with Iowa's high state academic standards. By providing better information about students' academic progress, the new assessment system will improve instruction. A well-aligned assessment is a key step toward providing a globally competitive education.

For the foregoing reasons, I respectfully disapprove the above-designated items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in [Senate File 2323](#) are hereby approved as of this date.

Sincerely,

TERRY E. BRANSTAD
Governor
