[Senate Joint Resolution 9](#), a joint resolution proposing an amendment to the Constitution of the State of Iowa relating to the qualifications of electors.

BE IT RESOLVED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

Section 1. The following amendment to the Constitution of the State of Iowa is proposed:

Section 1 of Article II of the Constitution of the State of Iowa, as amended by the amendment of 1970, is repealed and the following adopted in lieu thereof:

Section 1. Electors. Only a citizen of the United States of the age of eighteen years, who shall have been a resident of this state for such period of time as shall be provided by law and of the county in which the citizen claims the citizen's vote for such period of time as shall be provided by law, shall be entitled to vote at all elections which are authorized by law. However, for purposes of a primary election, a United States citizen must be at least eighteen years of age as of the next general election following the primary election. The required periods of residence shall not exceed six months in this state and sixty days in the county.

Sec. 2. REFERRAL AND PUBLICATION. The foregoing proposed amendment to the Constitution of the State of Iowa is referred to the general assembly to be chosen at the next general election for members of the general assembly, and shall be published as provided by law for three months previous to the date of that election.

EXPLANATION

The inclusion of this explanation does not constitute agreement with the explanation's substance by the members of the general assembly.

This joint resolution proposes an amendment to the Constitution of the State of Iowa relating to the qualification of electors. The joint resolution reduces the voting age in the Constitution of the State of Iowa from 21 years of age to 18 years of age, except that a person who will be 18 years of age by the next general election shall be permitted to vote in a primary election. Eighteen years of age is the current voting age for every election in the United States due to the adoption of the 26th Amendment to the United States Constitution.

The resolution, if adopted, would be published and then referred to the next general assembly (90th) for adoption, before being submitted to the electorate for ratification.

Holt of Crawford moved that the joint resolution be read a last time now and placed upon its adoption and the joint resolution was read a last time.
