## GOVERNOR'S ITEM VETO MESSAGE

[SENATE FILE 563](#)

June 1, 2023

The Honorable Paul Pate  
Secretary of State of Iowa  
State Capitol  
Des Moines, Iowa 50319

Dear Mr. Secretary,

I hereby transmit [Senate File 563](#), an Act relating to the judicial branch, including appropriations to the judicial branch, apportionment of district associate judges, video recordings, noncontract attorney appointment, and contracting authority.

When individuals charged with a crime are without the financial means to hire their own legal counsel, the government is required to provide them with an attorney. The State Public Defender ("SPD") has primary responsibility to provide such representation. If a conflict arises or the SPD lacks the necessary resources, then a private attorney with a contract with the SPD is appointed. When both the SPD or private contract attorneys cannot provide representation, judges can appoint a private attorney in the area, or as the Code provides, a "noncontract attorney."

Section 8 of [Senate File 563](#) would require a noncontract attorney's consent before being appointed to represent an indigent individual. Proponents of this legislation argue that representing indigents will cause financial burdens not seen in other licensed professions. But the constitutional right to counsel cannot be so easily subverted. All attorneys owe a duty to the legal profession to accept such an appointment if needed. And of course, this change creates the possibility that if no attorneys consent, indigent individuals will be left without legal representation. *That* possibility would truly bring about the crisis forewarned by some.

Attorneys should be encouraged to contract with the SPD, and I am proud to approve an hourly rate increase for those attorneys in [Senate File 562](#). I also applaud the efforts of our voluntary bar association to recruit attorneys to contract with the SPD. If successful, those efforts would eliminate the need for Section 8 of [Senate File 563](#), as noncontract attorneys are only appointed as a last resort.

For these reasons, I respectfully disapprove [Senate File 563](#) in part, only as specified above, in accordance with Article III, Section 16 of the Iowa Constitution of the State of Iowa. The remainder of [Senate File 563](#) not disapproved as stated herein is approved on this date.

Sincerely,

Kim Reynolds  
Governor of Iowa

## GOVERNOR'S VETO MESSAGE

[SENATE FILE 388](#)

June 1, 2023

The Honorable Paul Pate  
Secretary of State of Iowa  
State Capitol  
Des Moines, Iowa 50319

Dear Mr. Secretary,

I hereby transmit [Senate File 388](#), an Act relating to conflicts between federal funding and the office of the chief information officer.

The Office of Chief Information Officer (OCIO) is responsible for coordinating and improving broadband services across Iowa. The State continues to make significant investment toward high-speed broadband availability, but the OCIO has also leveraged federal funds to expand access to unserved or underserved areas of rural Iowa. The OCIO currently has the flexibility to navigate this regulatory environment through its authority to set ambitious state standards, such as a high upload–download speed, and its ability to temporarily waive those standards if federal funding requires a lower standard.

[Senate File 388](#) forfeits that flexibility and authority, instead requiring the OCIO to use the often-lower standards defined by the federal government. [Senate File 388](#) also limits the OCIO's role to those areas expressly delegated by the federal government.

I recognize that [Senate File 388](#) passed both chambers unanimously with an understanding that the bill does not significantly change the status quo—for now. But looking forward, the State of Iowa should not be tethered to a federal standard when I am confident our state can chart its own course. For these reasons, I respectfully disapprove of [Senate File 388](#) in its entirety and it is vetoed in whole.

Sincerely,

Kim Reynolds  
Governor of Iowa
