IOWA STATE LAW LIBRARY
State House
Des Moines, Iowa 50319
PREFACE

The Iowa Administrative Bulletin is published biweekly in pamphlet form pursuant to Iowa Code chapters 2B and 17A and contains Notices of Intended Action on rules, Filed and Filed Emergency rules by state agencies.

It also contains Proclamations and Executive Orders of the Governor which are general and permanent in nature; Economic Impact Statements to proposed rules and filed emergency rules; Objections filed by Administrative Rules Review Committee, Governor or the Attorney General; and Delay by the Committee of the effective date of filed rules; Regulatory Flexibility Analyses and Agenda for monthly Administrative Rules Review Committee meetings. Other “materials deemed fitting and proper by the Administrative Rules Review Committee” include summaries of Public Hearings, Attorney General Opinions and Supreme Court Decisions.

The Bulletin may also contain Public Funds Interest Rates [12C.6]; Workers’ Compensation Rate Filings [515A.6(7)]; Usury [535.2(3)“a”]; Agricultural Credit Corporation Maximum Loan Rates [535.12]; and Regional Banking—Notice of Application and Hearing [524.1905(2)].

PLEASE NOTE: *Italics* indicate new material added to existing rules; strike through letters indicate deleted material.

**Please Note:**

Rules will not be accepted after 12 o'clock noon on the Friday filing deadline days unless prior approval has been received from the Administrative Rules Coordinator's office.

If the filing deadline falls on a legal holiday, submissions made on the following Monday will be accepted.
PUBLICATION PROCEDURES

TO: Administrative Rules Coordinators and Text Processors of State Agencies
FROM: Kathleen K. Bates, Iowa Administrative Code Editor
SUBJECT: Publication of Rules in Iowa Administrative Bulletin

The Administrative Code Division uses Interleaf 6 to publish the Iowa Administrative Bulletin and can import documents directly from most other word processing systems, including Microsoft Word, Word for Windows (Word 7 or earlier), and WordPerfect.

1. To facilitate the processing of rule-making documents, we request a 3.5” High Density (not Double Density) IBM PC-compatible diskette of the rule making. Please indicate on each diskette the following information: agency name, file name, format used for exporting, and chapter(s) amended. Diskettes may be delivered to the Administrative Code Division, 1st Floor, Lucas State Office Building or included with the documents submitted to the Governor’s Administrative Rules Coordinator.

2. Alternatively, if you have Internet E-mail access, you may send your document as an attachment to an E-mail message, addressed to both of the following:
   bcarr@legis.state.ia.us
   kbates@legis.state.ia.us

Please note that changes made prior to publication of the rule-making documents are reflected on the hard copy returned to agencies by the Governor’s office, but not on the diskettes; diskettes are returned unchanged.

Your cooperation helps us print the Bulletin more quickly and cost-effectively than was previously possible and is greatly appreciated.

IOWA ADMINISTRATIVE RULES and IOWA COURT RULES on CD-ROM
1999 WINTER EDITION

Containing:
- Iowa Administrative Code (updated through December 1999)
- Iowa Administrative Bulletins (July 1999 through December 1999)
- Iowa Court Rules (updated through December 1999)

For free brochures and order forms contact:
Legislative Service Bureau
Attn: Ms. Stephanie Cox
State Capitol
Des Moines, Iowa 50319
Telephone: (515)281-3566 Fax: (515)281-8027
lsbinfo@staff.legis.state.ia.us

The Administrative Rules Review Committee will hold its regular, statutory meeting on Tuesday, May 9, 2000, at 9 a.m. in the Reagan Conference Room (Room 19), State Capitol, Des Moines, Iowa. The following rules will be reviewed:

**NOTE:** See also Supplemental Agenda to be published in the May 3, 2000, Iowa Administrative Bulletin.

441 IAC 79.1(1)“a”(1)
(Subparagraph)

The Iowa Administrative Bulletin shall be cited as IAB (volume), (number), (publication date), (page number), (ARC number).

IAB Vol. XII, No. 23 (5/16/90) p. 2050, ARC 872A
Due to reorganization of state government by 1986 Iowa Acts, chapter 1245, it was necessary to revise the agency identification numbering system, i.e., the bracketed number following the agency name.

“Umbrella” agencies and elected officials are set out below at the left-hand margin in CAPITAL letters. Divisions (boards, commissions, etc.) are indented and set out in lowercase type under their statutory “umbrellas.” Other autonomous agencies which were not included in the original reorganization legislation as “umbrella” agencies are included alphabetically in small capitals at the left-hand margin, e.g., BEEF INDUSTRY COUNCIL, IOWA[101].

The following list will be updated as changes occur:

**AGRICULTURE AND LAND STEWARDSHIP DEPARTMENT[21]**

- Agricultural Development Authority[25]
- Soil Conservation Division[27]

**ATTORNEY GENERAL[61]**

**AUDITOR OF STATE[81]**

**BEEF INDUSTRY COUNCIL, IOWA[101]**

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1) "ighthouse." Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 234.6, the Department of Human Services proposes to amend Chapter 234, "Commodity Distribution Programs," appearing in the Iowa Administrative Code.

This amendment increases the income eligibility guidelines for the Emergency Food Assistance Program.

Income eligibility guidelines for the Emergency Food Assistance Program in Iowa are based on the income guidelines for the reduced price meals in the National School Lunch Program. These guidelines are set at 185 percent of the federal poverty guidelines and are normally revised effective July 1 of each year. Revised federal poverty guidelines have been received by the Department.

This amendment does not provide for waiver in specified situations because it confers a benefit by allowing the Department of Human Services to serve more needy individuals under the Emergency Food Assistance Program.

Consideration will be given to all written data, views, and arguments thereto received by the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, Des Moines, Iowa 50319-0114, on or before May 10, 2000.

This amendment is intended to implement Iowa Code section 234.12.

The following amendment is proposed.

Amend subrule 73.4(3), paragraph "d," subparagraph (2), as follows:

(2) Income eligible status. The gross income according to family size is no more than the following amounts:

<table>
<thead>
<tr>
<th>Household Size</th>
<th>Yearly Income</th>
<th>Monthly Income</th>
<th>Weekly Income</th>

</tbody>
</table>

The average private pay cost increased from $2,673 per month to $2,933. The average charge to a private pay resident of nursing facility care increased from $2,723 to $2,758.

The average charge for hospital-based skilled care increased from $8,013 per month to $9,836. The average charge for non-hospital-based skilled care increased from $4,097 to
$4,523. The average charges for ICF/MR and psychiatric medical institution for children care remained the same. The average statewide charge to a resident of a mental health institute decreased from $11,924 per month to $9,962.

These amendments do not provide for waivers in specified situations because everyone should be subject to the same amounts set by these amendments. Individuals may request a waiver under the Department's general rule on exceptions at rule 441—1.8(217).

Consideration will be given to all written data, views, and arguments thereto received by the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, Des Moines, Iowa 50319-0114, on or before May 10, 2000.

These amendments are intended to implement Iowa Code section 249A.4.

The following amendments are proposed:

ITEM 1. Amend subrule 75.23(3) as follows:

75.23(3) Period of ineligibility. The number of months of ineligibility shall be equal to the total cumulative uncompensated value of all assets transferred by the individual (or the individual's spouse) on or after the look-back date specified in 75.23(2), divided by the statewide average private pay rate for nursing facility services at the time of application. The average statewide cost to a private pay resident shall be determined by the department and updated annually for nursing facilities. For the period from July 1, 1999 to June 30, 2000, this average statewide cost shall be $2,673 $96.43 per day.

ITEM 2. Amend subrule 75.24(3), paragraph "b," as follows:

b. A trust established for the benefit of an individual if the trust is composed only of pension, social security, and other income to the individual (and accumulated income of the individual's spouse) on or after the look-back date specified in 75.23(2), divided by the statewide average private pay rate for nursing facility services at the time of application. The average statewide cost to a private pay resident shall be determined by the department and updated annually for nursing facilities. For the period from July 1, 1999 to June 30, 2000, this average statewide cost shall be $2,673 $2,933 per month or $87.27 $96.43 per day.

ITEM 3. Amend subrule 79.1(2) by deleting the provider category "genetic consultation clinics."

ITEM 5. Amend subrule 80.2(2) by rescinding and reserving paragraph "y."

ITEM 6. Amend subrule 88.48(1), paragraph "e," as follows:

e. Clinic (rural health clinic, federally qualified health center, maternal health center, ambulatory surgical center, genetic consultation center, birthing center).
Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(14). Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 249A.4, the Department of Human Services proposes to amend Chapter 78, “Amount, Duration and Scope of Medical and Remedial Services,” appearing in the Iowa Administrative Code. This amendment allows physicians to perform limited oral evaluations and topical fluoride treatments for the purpose of identifying, preventing, and treating childhood dental caries (tooth decay).

The Iowa Chapter of the American Academy of Pediatrics petitioned the Department to allow physicians to bill and be paid for the services of oral health screening for children 0 to 3 years of age and fluoride application for children at high risk for early childhood dental caries. The petition indicated that it was the Chapter’s belief that access to a dental professional for children at high risk for early childhood dental caries is problematic, and the proposed service is within the scope of practice for primary health care providers.

The petition also indicated that health, nutritional and developmental guidance is already standard in discussions in the primary care physician’s office, as is dental hygiene, as recommended by early and periodic screening, diagnosis, and treatment guidelines. The petition further indicated the belief that these opportunities for health care promotion should not be missed.

The Department is placing this proposed change under notice and scheduling public hearings to allow for comment.

This amendment does not provide for waiver in specified situations because it confers a benefit by providing for coverage of these services by physicians.

Consideration will be given to all written data, views, and arguments thereto received by the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, Des Moines, Iowa 50319-0114, on or before May 10, 2000.

Oral presentations may be made by persons appearing at the following meetings. Written comments will also be accepted at these times.

Any persons who intend to attend a public hearing and have special requirements such as hearing or vision impairments should contact the Office of Policy Analysis at (515) 281-8440 and advise of special needs.

This amendment is intended to implement Iowa Code section 249A.4.

The following amendment is proposed.

Amend rule 441—78.1(249A) by adopting the following new subrule:

78.1(24) Payment shall be made for limited oral evaluations and topical fluoride treatments, as defined by the Current Dental Terminology, Third Edition (CDT-3), for the purpose of identifying and preventing tooth decay, when rendered by physicians acting within the scope of their practice, licensure, and other applicable state law.
Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation heron as provided in Iowa Code section 17A.4(1)(b).

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 249A.4, the Department of Human Services proposes to amend Chapter 78, “Amount, Duration and Scope of Medical and Remedial Services,” appearing in the Iowa Administrative Code.

This amendment revises Medicaid payment policy to allow chiropractors to be reimbursed for X-rays they are currently required to have in the patient’s file. Current policy does not allow them to be reimbursed for the X-rays.

The Iowa Chiropractic Society has requested action by the Department, relative to a January 1, 2000, change in the Medicare program. The Medicare change eliminated the requirement that an X-ray be done to demonstrate the presence of a subluxation of the spine. Current Medicaid policy requires that an X-ray demonstrating the subluxation of the spine be in the patient’s medical records.

Current Iowa Medicaid chiropractic services policy states that “[p]ayment will be made for the same chiropractic procedures payable” under the Medicare program. The Department has interpreted this to mean Iowa Medicaid shall reimburse chiropractors for the same services payable under Medicare. The Department has further interpreted this policy to not extend to following Medicaid policy regarding documentation requirements. Therefore, the Department believes Medicare’s new policy eliminating the X-ray requirement is not binding upon the Department, relative to the Medicaid program.

The Department has determined that this requirement should not be eliminated for the Medicaid program. Instead, the Department believes that this requirement should be retained, but that chiropractors should be reimbursed at the current physician fee schedule rate for selected X-ray procedures. Payable X-ray procedure codes shall be limited to those Current Procedural Terminology (CPT) procedure codes that are appropriate to determine the presence of a subluxation of the spine. Criteria used to determine payable X-ray CPT codes may include, but would not be limited to, the X-ray CPT codes for which major commercial payors reimburse chiropractors.

The Department believes it is important to retain a valid subluxation documentation function. Retention of the X-ray requirement will ensure that only claims for covered services are paid, i.e., demonstrated cases of subluxation of the spine. Without the X-ray requirement, it is anticipated that there would be an increase in both the use of chiropractic services and expenditures therefor. This conclusion is based on a determination by the Health Care Financing Administration’s Office of the Inspector General that there will be an increase in Medicare use of, and expenditures for, chiropractic services over the next three federal fiscal years, with the elimination of the Medicare X-ray requirement.

The Department believes that providing reimbursement to chiropractors for X-rays is reasonable for the following reasons:

- Chiropractors already perform in-office X-rays and are reimbursed for X-rays by other payors.
- Based on the current requirement that an X-ray be done, the Medicaid program is already paying a physician or outpatient hospital claim for an X-ray. Paying a chiropractor for an X-ray would mean that these other claims would not be occurring.
- From the chiropractic perspective, it is reasonable to conclude that chiropractors will want to have an objective subluxation documentation tool to protect them in any post-payment audit process.

This amendment does not provide for waiver in specified situations because it confers a benefit by providing for coverage of these services by chiropractors.

Consideration will be given to all written data, views, and arguments thereto received by the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, Des Moines, Iowa 50319-0114, on or before May 10, 2000.

This amendment is intended to implement Iowa Code section 249A.4.

The following amendment is proposed.

Amend subrule 78.8(3) as follows:

78.8(3) Documenting X-ray. An X-ray must document the primary regions of subluxation being treated by CMT.

a. The documenting X-ray must be taken at a time reasonably proximate to the initiation of CMT. An X-ray is considered to be reasonably proximate if it was taken no more than 12 months prior to or 3 months following the initiation of CMT. X-rays need not be repeated unless there is a new condition and no payment shall be made for subsequent X-rays absent a new condition, consistent with paragraph “c” of this subrule. No X-ray is required for pregnant women and for children aged 18 and under.

b. The X-ray films shall be labeled with the patient’s name and date the X-rays were taken and shall be marked right or left. The X-ray shall be made available to the department or its duly authorized representative when requested. A written and dated X-ray report, including interpretation and diagnosis, shall be present in the patient’s clinical record.

c. Chiropractors shall be reimbursed for documenting X-rays at the physician fee schedule rate. Payable X-rays shall be limited to those Current Procedural Terminology (CPT) procedure codes that are appropriate to determine the presence of a subluxation of the spine. Criteria used to determine payable X-ray CPT codes may include, but are not limited to, the X-ray CPT codes for which major commercial payors reimburse chiropractors. The Iowa Medicaid fiscal agent shall publish in the Chiropractic Services Provider Manual the current list of payable X-ray CPT codes. Consistent with CPT, chiropractors may bill the professional, technical, or professional and technical components for X-rays, as appropriate. Payment for documenting X-rays shall be further limited to one per condition, consistent with the provisions of paragraph “a” of this subrule. A claim for a documenting X-ray related to the onset of a new condition is only payable if the X-ray is reasonably proximate to the initiation of CMT for the new condition, as defined in paragraph “a” of this subrule. A chiropractor is also authorized to order a documenting X-ray whether or not the chiropractor owns or possesses X-ray equipment in the chiropractor’s office.
X-rays so ordered shall be payable to the X-ray provider, consistent with the provisions in this paragraph.

INSPECTIONS AND APPEALS DEPARTMENT[481]

Notice of Termination

The Notice proposed to delete language from subrule 71.6(2) that permitted the withholding of unemployment compensation as a method used for the collection of food stamp overpayments.

The Department is terminating the rule making commenced in ARC 9611A maintaining unemployment compensation withholding as a means of overpayment recovery.

MEDICAL EXAMINERS BOARD[653]

Notice of Termination and Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1).”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.4(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code sections 147.76 and 272C.3, the Board of Medical Examiners hereby terminates the rule making initiated by its Notice of Intended Action published in the Iowa Administrative Bulletin on January 26, 2000, as ARC 9618A, amending Chapter 13, “Standards of Practice and Professional Ethics,” Iowa Administrative Code; and hereby gives Notice of Intended Action to amend Chapter 13, “Standards of Practice and Professional Ethics,” Iowa Administrative Code.

The Board of Medical Examiners approved the Notice of Termination and the proposed amendment during a meeting held via telephone conference call on March 28, 2000. The Board of Pharmacy Examiners approved the amendment during a meeting held via telephone conference call on March 28, 2000.

The proposed rule permits physicians to prescribe via written protocol adult immunizations for administration to patients by an authorized pharmacist. Finally, the rule describes the supervisory relationship between a prescribing physician and an administering pharmacist.

A rule pertaining to the administration of immunizations by pharmacists has also been proposed by the Board of Pharmacy Examiners and is published herein as ARC 9790A.

Any interested person may present written comments, data, views, and arguments on this proposed amendment not later than 4 p.m. on May 9, 2000. Such written materials should be sent to Ann E. Mowery, Executive Director, Board of Medical Examiners, 400 S.W. Eighth Street, Suite C, Des Moines, Iowa 50309-4686.

There will be a public hearing held jointly by the two boards on May 9, 2000, at 1 p.m. in the shared conference room of the Board of Medical Examiners and the Board of Pharmacy Examiners at 400 S.W. Eighth Street, Suite C or E, Des Moines, Iowa. Interested persons may present their views either orally or in writing.

This rule is intended to implement Iowa Code sections 147.76 and 272C.3.

The following amendment is proposed.

Amend 653—Chapter 13 by adopting the following new rule:

653—13.3(147) Supervision of pharmacists who administer adult immunizations. A physician may prescribe via written protocol adult immunizations for influenza and pneumococcal vaccines for administration by an authorized pharmacist if the physician meets these requirements for supervising the pharmacist.

13.3(1) Definitions.

a. “Authorized pharmacist” means an Iowa-licensed pharmacist who has documented that the pharmacist has successfully completed an educational program meeting the training standards on vaccine administration as provided by an American Council on Pharmaceutical Education (ACPE)-approved provider of continuing pharmaceutical education that:

(1) Requires documentation by the pharmacist of current certification in the American Heart Association or the Red Cross Basic Cardiac Life Support Protocol for health care providers;

(2) Is an evidence-based course that includes study material and hands-on training and techniques for administering vaccines, requires testing with a passing score, complies with current Centers for Disease Control and Prevention guidelines, and provides instruction and experiential training in the following content areas:

1. Standards for immunization practices;

2. Basic immunology and vaccine protection;

3. Vaccine-preventable diseases;

4. Recommended immunization schedules;

5. Vaccine storage and management;

6. Informed consent;

7. Physiology and techniques for vaccine administration;

8. Pre- and post-vaccine assessment and counseling;

9. Immunization record management; and

10. Management of adverse events, including identification, appropriate response, documentation, and reporting.

b. “Vaccine” means a specially prepared antigen which, upon administration to a person, will result in immunity and, specifically for the purposes of this rule, shall mean influenza and pneumococcal vaccines.
MEDICAL EXAMINERS BOARD[653](cont'd)

c. "Written protocol" means a physician's order for one or more patients that contains, at a minimum, the following:
(1) A statement identifying the individual physician authorized to prescribe drugs and responsible for the delegation of administration of adult immunizations for influenza and pneumococcus;
(2) A statement identifying the individual authorized pharmacists;
(3) A statement that forbids an authorized pharmacist from delegating the administration of adult immunizations to anyone other than another authorized pharmacist or a registered nurse;
(4) A statement identifying the vaccines that may be administered by an authorized pharmacist, the dosages, and the route of administration;
(5) A statement identifying the activities an authorized pharmacist shall follow in the course of administering adult immunizations, including:
   1. Procedures for determining if a patient is eligible to receive the vaccine;
   2. Procedures for determining the appropriate scheduling and frequency of drug administration in accordance with applicable guidelines;
   3. Procedures for record keeping and long-term record storage including batch or identification numbers;
   4. Procedures to follow in case of life-threatening reactions; and
   5. Procedures for the pharmacist and patient to follow in case of reactions following administration.
(6) A statement that describes how the authorized pharmacist shall report the administration of adult immunizations, within 30 days, to the physician issuing the written protocols and to the patient's primary care physician, if one has been designated by the patient. In case of serious complications, the authorized pharmacist shall notify the physicians within 24 hours and submit a VAERS report to the bureau of immunizations, Iowa department of public health. (VAERS is the Vaccine Advisory Event Reporting System.) A serious complication is one that requires further medical or therapeutic intervention to effectively protect the patient from further risk, morbidity, or mortality.

13.3(2) Supervision. A physician who prescribes adult immunizations to an authorized pharmacist for administration shall adequately supervise that pharmacist. Physician supervision shall be considered adequate if the delegating physician:
   a. Ensures that the authorized pharmacist is prepared as described in subrule 13.3(1), paragraph "a";
   b. Provides a written protocol that is updated at least annually;
   c. Is available through direct telecommunication for consultation, assistance, and direction, or provides physician backup to provide these services when the physician supervisor is not available;
   d. Is an Iowa-licensed physician who has a working relationship with an authorized pharmacist within the physician's local provider service area.

13.3(3) Administration of other adult immunizations by pharmacists. A physician may prescribe, for an individual patient by prescription or medication order, other adult immunizations to be administered by an authorized pharmacist.

This rule is intended to implement Iowa Code sections 147.76 and 272C.3.
training standards on vaccine administration as provided by an American Council on Pharmaceutical Education (ACPE)-approved provider of continuing pharmaceutical education that:

(1) Requires documentation by the pharmacist of current certification in the American Heart Association or the Red Cross Basic Cardiac Life Support Protocol for health care providers;

(2) Is an evidence-based course that includes study material and hands-on training and techniques for administering vaccines, requires testing with a passing score, complies with current Centers for Disease Control and Prevention guidelines, and provides instruction and experiential training in the following content areas:

1. Standards for immunization practices;
2. Basic immunology and vaccine protection;
3. Vaccine-preventable diseases;
4. Recommended immunization schedules;
5. Vaccine storage and management;
6. Informed consent;
7. Physiology and techniques for vaccine administration;
8. Pre- and post-vaccine assessment and counseling;
9. Immunization record management; and
10. Management of adverse events, including identification, appropriate response, documentation, and reporting.

b. "Vaccine" means a specially prepared antigen which, upon administration to a person, will result in immunity and, specifically for the purposes of this rule, shall mean influenza and pneumococcal vaccines.

c. "Written protocol" means a physician's order for one or more patients that contains, at a minimum, the following:

(1) A statement identifying the individual physician authorized to prescribe drugs and responsible for the delegation of administration of adult immunizations for influenza and pneumococcus;

(2) A statement identifying the individual authorized pharmacists;

(3) A statement that forbids an authorized pharmacist from delegating the administration of adult immunizations to anyone other than another authorized pharmacist or a registered nurse;

(4) A statement identifying the vaccines that may be administered by an authorized pharmacist, the dosages, and the route of administration;

(5) A statement identifying the activities an authorized pharmacist shall follow in the course of administering adult immunizations, including:
   1. Procedures for determining if a patient is eligible to receive the vaccine;
   2. Procedures for determining the appropriate scheduling and frequency of drug administration in accordance with applicable guidelines;
   3. Procedures for record keeping and long-term record storage including batch or identification numbers;
   4. Procedures to follow in case of life-threatening reactions; and
   5. Procedures for the pharmacist and patient to follow in case of reactions following administration.

(6) A statement that describes how the authorized pharmacist shall report the administration of adult immunizations, within 30 days, to the physician issuing the written protocols and to the patient's primary care physician if one has been designated by the patient. In case of serious complications, the authorized pharmacist shall notify the physicians within 24 hours and submit a VAERS report to the bureau of immunizations, Iowa department of public health.

(VAERS is the Vaccine Advisory Event Reporting System.) A serious complication is one that requires further medical or therapeutic intervention to effectively protect the patient from further risk, morbidity, or mortality.

8.33(2) Supervision. A physician who prescribes adult immunizations to an authorized pharmacist for administration shall adequately supervise that pharmacist. Physician supervision shall be considered adequate if the delegating physician:

a. Ensures that the authorized pharmacist is prepared as described in subrule 8.33(1), paragraph "a";

b. Provides a written protocol that is updated at least annually;

c. Is available through direct telecommunication for consultation, assistance, and direction, or otherwise provides physician backup to provide these services when the physician supervisor is not available;

d. Is an Iowa-licensed physician who has a working relationship with an authorized pharmacist within the physician's local provider service area.

8.33(3) Administration of other adult immunizations by pharmacists. A physician may prescribe, for an individual patient by prescription or medication order, other adult immunizations to be administered by an authorized pharmacist.

This rule is intended to implement Iowa Code sections 147.76, 155A.3, 155A.4, and 272C.3.

ARC 9785A

SECRETARY OF STATE[721]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)"b." Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 44.17 permits candidates of nonparty political organizations to file nominations by petition, limiting each organization to one candidate for each partisan office. However, there is no guidance provided regarding what to do if nomination petitions are received from more than one candidate from the same nonparty political organization for the same office, or if a nomination petition is received from a nonparty political organization candidate for an office for which the same organization has also nominated a candidate by convention.

Proposed rule 21.201(44) provides a method for determining which nomination to accept if a convention nomination and one or more nomination petitions are received, or if more than one nomination petition is received, or if more than one convention nomination is received from candidates seeking the same office and claiming affiliation with the same nonparty political organization. The proposed solution is to accept the convention nominee if only one is received; if not, the names of all candidates from the same nonparty political organization seeking the same office will be placed into a receptacle. The state or county commissioner, as appropriate, or a designee will then draw from the receptacle...
the name of the person who will be designated as the organization's candidate. All other candidates will be placed on the ballot as candidates nominated by petition.

Any interested person may make written suggestions or comments on the proposed rule on or before Tuesday, May 9, 2000. Written comments should be sent to the Elections Division, Office of the Secretary of State, Second Floor, Hoover State Office Building, Des Moines, Iowa 50319-0138; fax (515)242-3932. Anyone who wishes to comment orally may telephone the Elections Division at (515)281-5823 or visit the office on the second floor of the Hoover Building.

There will be a public hearing on Tuesday, May 9, 2000, at 1:30 p.m. at the Office of the Secretary of State, Second Floor, Hoover State Office Building. Persons may comment orally or in writing. All who speak at the hearing will be asked to give their names and addresses for the record and to confine their remarks to the subject of the proposed rule.

This proposed rule is intended to implement Iowa Code section 44.17. The following new rule is proposed.

721—21.201(44) Competing nominations by nonparty political organizations.

21.201(1) Nominations by convention and by petitions. If one or more nomination petitions are received from nonparty political organization candidates for an office for which the same organization has also nominated one candidate by convention, the candidate nominated by convention shall be considered the nominee of the organization. The names of the other candidates shall appear on the ballot as candidates “nominated by petition.”

21.201(2) Multiple nomination petitions. If nomination petitions are received from more than one candidate from the same nonparty political organization for the same office and the organization has not nominated a candidate for the office by convention, the name of each of these candidates shall be written on a separate piece of paper, all of which shall be as nearly uniform in size and material as possible and placed in a receptacle so that the names cannot be seen. In the presence of witnesses, the state commissioner of elections or the county commissioner, as appropriate, or a designee of the state or county commissioner, shall publicly draw one of the names; and that person shall be declared to be the nominee of the nonparty political organization. The names of the other candidates shall appear on the ballot as candidates “nominated by petition.” A copy of the written record of the result of the drawing shall be kept with the nomination petition of each affected candidate.

21.201(3) Multiple nomination certificates. If more than one nomination certificate is received for the same office from groups with the same nonparty political organization name, the name of each of these candidates shall be written on a separate piece of paper, all of which shall be as nearly uniform in size and material as possible and placed in a receptacle so that the names cannot be seen. In the presence of witnesses, the state commissioner of elections or the county commissioner, as appropriate, or a designee of the state or county commissioner, shall publicly draw one of the names; and that person shall be declared to be the nominee of the nonparty political organization. The names of the other candidates, including any candidate who filed nomination petitions, shall appear on the ballot as candidates “nominated by petition.” A copy of the written record of the result of the drawing shall be kept with the nomination certificate of each affected candidate.

This rule is intended to implement Iowa Code section 44.17.

Pursuant to the authority of Iowa Code sections 307.10 and 307.12, the Department of Transportation hereby gives Notice of Intended Action to amend Chapter 520, “Regulations Applicable to Carriers,” Iowa Administrative Code. Iowa Code section 321.449 requires the Department to adopt rules consistent with the Federal Motor Carrier Safety Regulations promulgated under United States Code, Title 49, and found in 49 Code of Federal Regulations (CFR), Parts 390 to 399. Iowa Code section 321.450 requires the Department to adopt rules consistent with the Federal Hazardous Materials Regulations promulgated under United States Code, Title 49, and found in 49 CFR Parts 107, 171 to 173, 177, 178 and 180. To ensure the consistency required by statute, the Department annually adopts the specified parts of 49 CFR as adopted by the United States Department of Transportation.

Commercial vehicles transporting goods in interstate commerce are subject to the Federal Motor Carrier Safety Regulations on the effective dates specified in the Federal Register. Commercial vehicles transporting hazardous materials in interstate commerce or transporting certain hazardous materials intrastate are subject to the Federal Hazardous Materials Regulations on the effective dates specified in the Federal Register. The adoption of the federal regulations by the Department will extend the enforcement of the regulations to commercial vehicles operated intrastate unless exempted by statute.

Proposed federal regulations are published in the Federal Register to allow a period for public comment, and, after adoption, the final regulations are again published in the Federal Register. Each year a revised edition of 49 CFR is published incorporating all of the final regulations adopted during the year. Although revised editions of 49 CFR are usually dated October or November, the publication is not actually available in Iowa for several months after that date. The amendments to the Federal Motor Carrier Safety Regulations and Federal Hazardous Materials Regulations that have become final and effective since the 1998 edition of the CFR are listed in the information below. The parts affected are followed by Federal Register (FR) citations.

Amendments to the Federal Motor Carrier Safety Regulations and Federal Hazardous Materials Regulations

Parts 107, 171, 172, 173, 177, 178 and 180 (FR Volume 63, No. 190, Page 52884, 10-1-98)

This final rule makes editorial corrections and clarifications to the hazardous materials regulations.

Part 171 (FR Volume 63, No. 209, Page 57929, 10-7-98)

This final rule will provide for harmonization with the United Nations’ recommendations, International Maritime Dangerous Goods (IMDG) Code and International Civil Aviation Organization’s (ICAO) technical instructions. This final rule amends a requirement for the use of ICAO’s technical instructions for the safe transport of dangerous goods by air. This rule updates references in the hazardous materi-
This interim final rule provides a limited exception until October 1, 2001, for requirements to place the new poison inhalation hazard or poison gas labels on packages that are intended for transportation in international commerce. The exception applies only to Division 2.3 materials and Division 6.1 liquids in Hazard Zone A or B. Until that time, the existing poison gas and poison labels will be acceptable. Part 171 (FR Volume 64, No. 185, Page 51719, 9-24-99) In this correction, the September 16, 1999, interim final rule is revised to provide for the transportation of packages containing poison inhalation hazard materials between the United States and Canada in conformance with the transportation of dangerous goods labeling requirements. Parts 107, 171, 172, 173 and 178 (FR Volume 64, No. 186, Page 51912, 9-27-99) This final rule corrects editorial errors and makes minor regulatory changes in the hazardous materials regulations. The other amendments to this chapter are due to the following:

- The Code of Federal Regulations is available from the state law library.
- 1999 Iowa Acts, chapter 96, section 34, numbered the paragraphs in Iowa Code section 321.449.
- 1998 Iowa Acts, chapter 1178, section 5, eliminated the motor carrier safety regulation exemption relating to hazardous materials which are clearly labeled.
- Public Law 106-159 established the Federal Motor Carrier Safety Administration.

Proposed rule 761—520.8(321) identifies Iowa’s planting and harvesting seasons when the hours of service exemptions apply to drivers transporting agricultural commodities or farm supplies for agricultural purposes in Iowa. Various portions of the federal regulations and Iowa statutes allow some exceptions when the exceptions will not adversely impact the safe transportation of commodities on the nation’s highways. Granting additional exceptions for drivers and the motor carrier industry in Iowa would adversely impact the safety of the traveling public in Iowa.

Any person or agency may submit written comments concerning these proposed amendments or may submit a written request to make an oral presentation. The comments or request shall:

1. Include the name, address, and telephone number of the person or agency authoring the comments or request.
2. Reference the number and title of the proposed amendment, as given in this Notice, that is the subject of the comments or request.
3. Indicate the general content of a requested oral presentation.
4. Be addressed to the Department of Transportation, Director’s Staff Division, 800 Lincoln Way, Ames, Iowa 50010; fax (515)239-1639; Internet E-mail address tgeoerge@max.state.ia.us.
5. Be received by the Director’s Staff Division no later than May 9, 2000.

A meeting to hear requested oral presentations is scheduled for May 11, 2000, at 1 p.m. in the conference room of the Motor Vehicle Division, which is located on the upper level of Park Fair Mall, 100 Euclid Avenue, Des Moines. The meeting will be canceled without further notice if no oral presentation is requested.

The proposed amendments may have an impact on small business. A request for a regulatory analysis pursuant to Iowa Code Supplement section 17A.4A must be received by the Director’s Staff Division at the address listed in this No-
TRANSPORTATION DEPARTMENT [761] (cont’d)

Notice no later than 32 days after publication of this Notice in the Iowa Administrative Bulletin.

These amendments are intended to implement Iowa Code chapter 321.

Proposed rule-making actions:

ITEM 1. Amend subrule 520.1(1), paragraphs “a,” “b” and “d,” as follows:

d. Record-keeping requirements as used in Iowa Code Supplement section 321.449(6), unnumbered paragraph 8, means the hours of service requirements in 49 CFR Part 395.

“Driver age qualifications” as used in Iowa Code Supplement section 321.449(2), unnumbered paragraph 2, means the age qualifications in 49 CFR 391.11(b)(1).

“Rules adopted under this section concerning physical and medical qualifications” as used in Iowa Code Supplement section 321.449(5), unnumbered paragraphs 5, 6 and 7, and Iowa Code section 321.450, unnumbered paragraph 2, means the regulations in 49 CFR 391.11(b)(6) and 49 CFR Part 391, Subpart E.

“Rules adopted under this section for a driver of a commercial vehicle” as used in Iowa Code Supplement section 321.449(4), unnumbered paragraph 4, means the regulations in 49 CFR Parts 391 and 395.

ITEM 2. Amend rule 761—520.2(321) by amending the following definitions:

“Any requirements which impose any restrictions upon a person” as used in Iowa Code Supplement section 321.449(6), unnumbered paragraph 8, means the requirements in 49 CFR Parts 391, 394 and 395.

“Driver age qualifications” as used in Iowa Code Supplement section 321.449(2), unnumbered paragraph 2, means the age qualifications in 49 CFR 391.11(b)(1).

“Rules adopted under this section concerning physical and medical qualifications” as used in Iowa Code Supplement section 321.449(5), unnumbered paragraphs 5, 6 and 7, and Iowa Code section 321.450, unnumbered paragraph 2, means the regulations in 49 CFR 391.11(b)(6) and 49 CFR Part 391, Subpart E.

“Rules adopted under this section for a driver of a commercial vehicle” as used in Iowa Code Supplement section 321.449(4), unnumbered paragraph 4, means the regulations in 49 CFR Parts 391 and 395.

ITEM 3. Amend paragraph 520.3(1)“d,” as follows:

d. Motor vehicles registered for a gross weight of five tons or less when used by retail dealers or their employees to deliver hazardous materials, fertilizers, petroleum products and pesticides to farm customers provided the hazardous materials which are transported are clearly labeled.

ITEM 4. Amend subrule 520.4(1) as follows:

520.4(1) Pursuant to Iowa Code section 321.450, unnumbered paragraph 3, “retail dealers of fertilizers, petroleum products, and pesticides and their employees while delivering fertilizers, petroleum products and pesticides to farm customers within a 100-mile 100-air-mile radius of their retail place of business” are exempt from 49 CFR 177.804; and, pursuant to Iowa Code Supplement section 321.449(4), unnumbered paragraph 4, they are exempt from 49 CFR Parts 391 and 395. However, pursuant to Iowa Code section 321.449, the retail dealers and their employees under the specified conditions are subject to the regulations in 49 CFR Parts 390, 392, 393, 394, 396 and 397.

ITEM 5. Amend subrule 520.6(1) as follows:

520.6(1) A person shall not operate a commercial vehicle or transport hazardous material in violation of an out-of-service order issued by an Iowa peace officer. An out-of-service order for noncompliance shall be issued when either the vehicle operator is not qualified to operate the vehicle or the vehicle is unsafe to be operated until necessary repairs are made. The out-of-service order shall be consistent with the North American Uniform Out-of-Service Criteria issued by the Federal Highway Administration, Office of Motor Carrier Safety Regulations, Federal Motor Carrier Safety Administration.

ITEM 6. Amend rule 761—520.7(321) introductory paragraph, as follows:

761—520.7(321) Driver’s statement. A “driver” as used in Iowa Code Supplement section 321.449(3), unnumbered paragraph 5, and Iowa Code section 321.450, unnumbered paragraph 2, shall carry at all times a notarized statement of employment. The statement shall include the following:

ITEM 7. Amend 761—Chapter 520 by adopting the following new rule:

761—520.8(321) Agricultural operations. The provisions of 49 CFR Part 395.3 shall not apply to drivers transporting agricultural commodities or farm supplies for agricultural purposes in Iowa if such transportation:

1. Is limited to an area within a 100-air-mile radius from the source of the commodities or the distribution point from the farm supplies, and

2. Is conducted only during the time frames of March 15 through June 30 and October 4 through December 14.

This rule is intended to implement Iowa Code sections 321.449 and 321.450.

ARC 9778A

TRANSPORTATION DEPARTMENT [761]

Notice of Intended Action

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code sections 307.10 and 307.12, the Department of Transportation hereby gives Notice of Intended Action to adopt Chapter 911, “School Transportation Services Provided by Regional Transit Systems,” Iowa Administrative Code.

Iowa Code Supplement section 321.377 requires the DOT to develop rules governing the provision of school transportation services by regional transit systems. The DOT developed the proposed rules in consultation with the Department of Education.

These rules establish standards for any school transportation services provided by Iowa’s regional transit systems. Specific requirements are set in the areas of driver qualifications, vehicles and equipment, maintenance practices, and operating policies.

A waiver provision is not included in these rules because flexibility is provided by establishing a later compliance date for certain requirements which are expected to be more diffi-
TRANSPORTATION DEPARTMENT[761] (cont’d)
cult to meet. Issuing other waivers would be inappropriate for safety-related rules of this nature.

Any person or agency may submit written comments concerning these proposed rules or may submit a written request to make an oral presentation. The comments or request shall:

1. Include the name, address, and telephone number of the person or agency authoring the comments or request.
2. Reference the number and title of the proposed rule, as given in this Notice, that is the subject of the comments or request.
3. Indicate the general content of a requested oral presentation.
4. Be addressed to the Department of Transportation, Director’s Staff Division, 800 Lincoln Way, Ames, Iowa 50010; fax (515)239-1639; Internet E-mail address tgeorge@max.state.ia.us.
5. Be received by the Director’s Staff Division no later than May 9, 2000.

A meeting to hear requested oral presentations is scheduled for Thursday, May 11, 2000, at 9:30 a.m. in the conference room of the Motor Vehicle Division, which is located on the upper level of Park Fair Mall, 100 Euclid Avenue, Des Moines, Iowa.

The meeting will be canceled without further notice if no oral presentation is requested.

These rules are intended to implement Iowa Code sections 321.189, 321.343, 321.376 and 324A.1 and Iowa Code Supplement sections 321.1 and 321.377.

The proposed rules may cause political subdivisions or their contractors to incur additional combined annual expenditures in excess of $100,000. Pursuant to Iowa Code section 25B.6, a fiscal impact statement accompanies this Notice:

Fiscal Impact Statement
School Transportation Services
Provided by Regional Transit Systems

The proposed rules regulating the transportation of students by regional transit systems will impact the transit systems on both the capital and operating sides of the systems’ budgets. A portion of the capital costs may be covered by federal transit funds, but the remainder of the cost increases will largely be passed along to the schools and other institutions contracting for services. On the capital side, some existing 15 passenger vans may have to be replaced. In addition, any new regional transit buses purchased will need to incorporate a rear emergency exit door, which has not previously been required. On the operating side, regional transit systems will be required to put drivers assigned to student transportation contracts through additional training/licensing. Regional transit systems may also have to upgrade some of the safety equipment carried on the buses (first aid and body fluid cleanup kits and fire extinguishers). The regional transit systems will also have higher per mile operating costs for the larger and heavier vehicles.

It is estimated that regional transit systems may be using 10 to 15 vans for student transportation statewide. In some cases, individual transit systems may be able to substitute a bus that would comply with these rules by shifting vehicle assignments within their fleet. If not, the transit systems will either need to stop assisting the local school systems or purchase compliant buses to replace the vans. If a van is currently scheduled for replacement, the additional cost to upgrade to a compliant small bus will be approximately $25,000. This estimate is based on standard programming guidance used by the department of transportation. If a van must be replaced ahead of schedule, the net cost is estimated to be approximately $40,000. Estimating that 12 vans may need to be replaced, with nine replaced early and three replaced on schedule, it is anticipated that replacements would result in one-time additional costs of $435,000.

About 40 small buses are purchased by regional transit systems in a typical year. All of these buses are already purchased in compliance with the Federal Motor Vehicle Safety Standards cited in these rules. However, about 80 percent meet the emergency exit requirements using window exits rather than the rear door specified in the proposed rules. The annual cost to equip the rest of the new vehicles with rear emergency exit doors is estimated to be only about $200 more per bus, for an additional annual cost of $6,400.

Statewide, there are approximately 120 regional transit systems providing student transportation services, plus another 60 who are potential substitutes. Currently, all drivers go through their regional transit system’s driver training program. Under the new rules, the regional transit systems will also be required to have each driver complete school bus operator training and obtain a school bus operator’s permit. It is estimated that the cost of such additional training is approximately $40 per driver for tuition, and $128 per driver in labor costs (based on four 3-hour sessions of training, plus an hour of travel for each session, and an $8 per hour average wage). The initial additional cost for training would come to $30,240. Each year thereafter, any new drivers would have to complete the 12-hour initial training, while veterans would only need a 3-hour refresher, which has a tuition cost of $15 and $32 for labor (including travel time). Assuming a turnover rate of 20 percent, the ongoing cost of the additional training would be $12,816.

Most transit systems already equip their vehicles with the safety equipment specified in these rules. It is estimated that the initial cost of equipping any deficient vehicles will be less than $5,000 statewide.

The 12 vans to be upgraded to small buses in order to be in compliance with these rules will cost about $0.04/mile more in fuel costs. Based on average vehicle utilization of 20,000 miles/year, this will increase operating costs by $800 per vehicle each year or $9,600 statewide.

Regional transit systems already conduct inspections of their vehicles. It is anticipated that the additional cost of meeting the self-inspection and record keeping is nominal. The cost to pull vehicles out of service for Department of Education inspections during working hours is expected to be more significant. It will involve either canceling services for client agencies during these times or employing additional drivers to exchange backup vehicles with regular service vehicles so that the service vehicles can be brought in during the scheduled inspection periods. At this time, it is unclear exactly how each system will address this issue and, therefore, what the cost impact will be.

Total estimated impacts are as follows:

<table>

Proposed rule-making action:
The following new chapter is proposed.

CHAPTER 911

SCHOOL TRANSPORTATION SERVICES PROVIDED
BY REGIONAL TRANSIT SYSTEMS

761—911.1(321) Purpose and information.

911.1(1) Purpose. This chapter establishes standards for
school transportation services provided by Iowa’s regional
transit systems under contract with local schools.

911.1(2) Information. Information and forms may be ob­tained from the Department of Transportation, Office of
Public Transit, 100 East Euclid Avenue, Suite 7, Des
Moines, Iowa 50313; telephone (515) 237-3302.

761—911.2(321,324A) Definitions. For the purpose of
these rules, the following definitions apply:

"Bus" means a motor vehicle, excluding a trailer, de­
signated to carry more than ten persons.

"Contract" means a written agreement between a public
or nonpublic school or other group and a regional transit
system which defines the terms and conditions under which
school transportation service is to be provided. It shall not
include the relationship between a regional transit system
and an individual fare-paying passenger in either fixed route
or demand response service.

"Multipurpose vehicle" means a motor vehicle designed
to carry not more than ten persons, and constructed either
on a truck chassis or with special features for occasional off­
road operation, as defined in Iowa Code section 321.1.

"Regional transit system" means a regional transit system
designated under Iowa Code section 324A.1 and all subcon­
tracted providers to the designated regional transit system. It
does not mean an urban transit system designated under that
section.

"School bus" means a bus that complies with all federal
motor vehicle safety standards applicable to a school bus.

"School transportation service" means transit service pro­
vided under contract to a public or nonpublic school or other
group, including day care centers, to transport students to or
from schools or school-sponsored activities.

"Student" means a person attending a public or nonpublic
school, grades pre-kindergarten through high school.

"Vehicle" means an automobile, multipurpose vehicle,
bus or school bus as defined in this rule.

761—911.3(321) Services to students as part of the gener­
al public. All services provided by regional transit systems
must be open to the public. This chapter shall not be
construed to restrict the use of these services by any individu­
al fare-paying passenger, in either fixed route or demand re­
sponse service.

761—911.4(321) Contracts for nonexclusive school trans­
portation. As common carriers in urban transportation
service, regional transit systems may contract with schools,
day care providers, after-school program providers, or others
to provide nonexclusive school transportation service that
meets the requirements of this chapter. Exclusive service
contracts are prohibited.

761—911.5(321) Adoption of federal regulations.

911.5(1) Code of Federal Regulations. The department of
transportation adopts the following portions of the October
1, 1999, Code of Federal Regulations, which are referenced
throughout this chapter:

a. 49 CFR Part 38, Americans with Disabilities Act Ac­
   cessibility Specifications for Transportation Vehicles.

b. 49 CFR Part 571, Federal Motor Vehicle Safety Stan­
cards.

c. 49 CFR Part 653, Prevention of Prohibited Drug Use
   in Transit Operations.

d. 49 CFR Part 654, Prevention of Alcohol Misuse in
   Transit Operations.

911.5(2) Obtaining copies of regulations. Copies of these
regulations are available from the state law library.

761—911.6(321) Driver standards. The following stan­
dards apply to regional transit system drivers assigned to pro­
vide school transportation service:

911.6(1) FTA drug and alcohol testing. Each driver is
subject to the following testing for drug and alcohol usage as
required by the Federal Transit Administration in 49 CFR
Parts 653 and 654, including:

a. Preemployment testing.

b. Reasonable suspicion testing.

c. Postaccident testing.

d. Random testing.

e. Return to duty testing.

f. Follow-up testing.

911.6(2) Training. Each new driver must, within the first
six months of assignment and at least every 24 months there­
after, complete a course of instruction approved by the de­
partment of education, in accordance with Iowa Code sec­
tion 321.376.

911.6(3) Driving record check. The regional transit sys­
tem must review the driving record of each driver prior to
employment and on an annual basis.

911.6(4) Criminal record check. The regional transit sys­
tem must conduct a criminal records review of each driver
prior to employment and on an annual basis. This review
verifies that the driver has no history of child abuse or other
criminal activity.

911.6(5) Driver licensing. Each driver must be licensed
appropriately for the size and type of vehicle used as pro­
vided in Iowa Code section 321.189. A Class A, B or C com­
mercial driver’s license with passenger endorsement may be
required. If a commercial driver’s license is not required, a
Class D (chauffeur) license with passenger endorsement is
required.

911.6(6) School bus operator’s permit. Each driver who
transports students must have a school bus operator’s permit
issued by the department of education in accordance with
Iowa Code section 321.376.

761—911.7(321) Vehicle standards. The following stan­
dards apply to regional transit system vehicles assigned to pro­
vide school transportation service:

911.7(1) Vehicle construction.

a. Each vehicle must be constructed in compliance with
the federal motor vehicle safety standards for that type of
vehicle as set forth in 49 CFR Part 571. The capacity rating
of automobiles and multipurpose vehicles shall not be modified
or altered in any way except by the original manufacturer.

b. On or after July 1, 2001, each bus in use must also
comply with the following federal motor vehicle safety stan­
dards:

(1) Standard No. 217, Bus Emergency Exits and Window
Retention and Release. Buses purchased after January 1,
2000, shall incorporate a rear emergency exit door in meet­
ing this standard.
TRANSPORTATION DEPARTMENT[761](cont’d)

(2) Standard No. 220, School Bus Rollover Protection.
(3) Standard No. 221, School Bus Body Joint Strength.
(4) Standard No. 301, Fuel System Integrity.

911.7(2) Passenger restraint/protection. Each automobile, multipurpose vehicle or school bus must provide passenger restraint/protection devices as required for that type of vehicle in the federal motor vehicle safety standards. Each bus must meet the standards listed in either “a” to “d” below or “e” below:

b. Standard No. 208, Occupant Crash Protection.
d. Standard No. 210, Seat Belt Assembly Anchorages.
e. Standard No. 222, School Bus Passenger Seating and Crash Protection.

911.7(3) Accessibility for persons with disabilities. Each vehicle used for students with disabilities must comply with all applicable provisions of 49 CFR Part 38.

911.7(4) Signage. A vehicle must not be signed as a school bus.

911.7(5) Department of education inspection. Every vehicle must be inspected twice annually by the department of education school bus inspectors and officers of the Iowa state patrol to determine if the vehicle meets all vehicle standards set forth in this chapter.

The department of education will notify each regional transit system of the dates and locations of scheduled inspections. Inspections must be documented on a form prescribed jointly by the departments of transportation and education.

761—911.8(321) Maintenance. Regional transit system vehicles assigned to provide school transportation service must be maintained in a safe and operable condition. The following maintenance practices apply:

911.8(1) FTA drug and alcohol testing of mechanics. All personnel providing maintenance services on regional transit system vehicles are subject to drug and alcohol testing as required by the Federal Transit Administration in 49 CFR Parts 653 and 654.

911.8(2) Daily pretrip vehicle inspections. Drivers of these vehicles must perform daily pretrip vehicle inspections using a form prescribed by the department of transportation. Regional transit systems must retain daily pretrip vehicle inspection reports and documentation of follow-up maintenance for one year.

911.8(3) Annual vehicle inspection. Maintenance personnel must annually inspect each vehicle using a form prescribed by the department of transportation. Regional transit systems must retain annual inspection forms for one year.

761—911.9(321) Safety equipment. Regional transit system vehicles assigned to provide school transportation service must carry the following safety equipment:

911.9(1) Communication equipment. Each vehicle must be equipped with a two-way radio or cellular phone capable of emergency communication between the vehicle and the regional transit system’s base of operations.

911.9(2) First aid/body fluids cleanup kit(s). Each vehicle must be equipped with a first aid kit of sufficient size and content for the capacity of the vehicle and, in addition, be equipped with a body fluid cleanup kit. These may be provided as separate kits or combined into one kit. The contents of the kit(s) must be contained in one or more moisture-proof and dust-proof containers mounted in an accessible location within the driver’s compartment and must be removable from the vehicle in an emergency.

911.9(3) Fire extinguisher. Each bus or school bus must be equipped with a minimum 5-pound capacity, dry chemical fire extinguisher. Each automobile and multipurpose vehicle must be equipped with an extinguisher of at least 2.5-pound capacity. Extinguishers must have a 2A-10BC rating.

761—911.10(321) Operating policies. School transportation services provided by regional transit systems must be designed to maximize the safety of student riders and must, at a minimum, meet the following standards:

911.10(1) Passenger loading/unloading. Unless prohibited by law, students transported in vehicles other than school buses must be loaded and unloaded on the same side of the street as their residence or other origin or destination. Students may be released only to the custody of a designated school official, parent or guardian, employee of the department of human services, or law enforcement official, unless other arrangements are made in advance.

911.10(2) Student passenger behavior and discipline policy. Each contract for school transportation service must include a policy relating to behavior of students while they ride in vehicles. The regional transit system or school must provide instruction to all drivers assigned to school transportation service relative to the content and application of the policy. If a student is removed from a vehicle for one or more policy violations, the student may be released only to the custody of a school official, parent or guardian, employee of the department of human services or a law enforcement officer. In all cases, the school must be notified immediately of any such disciplinary action, and a written report must be filed with the school describing the circumstances resulting in the removal.

911.10(3) Standing prohibited. Under no circumstances shall a student be permitted or required to stand while a vehicle is in motion. Every student must be provided an appropriate seat at all times.

911.10(4) Stops at rail crossings. Every driver must make a complete stop before crossing the tracks of any railroad crossing, in accordance with Iowa Code section 321.343. In the case of a bus or school bus, the driver must open the service entrance door, look and listen for approaching trains and proceed to cross the tracks only when the driver can do so safely. No stop is needed where the crossing is posted with an exempt sign.

911.10(5) Accident reporting. If a driver is involved in a collision or other incident causing or having a potential to cause injuries to students, the regional transit system must immediately notify the school of the incident. The regional transit system must file all accident reports required by law. In addition, the regional transit system must complete a school bus accident report on a form prescribed by the department of education and submit it to the school or the department of education.

911.10(6) Passenger instruction/evacuation drills. Each school must provide students assigned to school transportation service with school bus passenger safety instruction and emergency evacuation drills at least twice each school year. These evacuation drills must involve a vehicle of the same type used to provide the school transportation service.

911.10(7) Special training for drivers carrying students with disabilities. Each school contracting for school transportation services for a student with one or more disabilities must provide the regional transit system with information on any special needs of the student and, if necessary, provide the assigned driver with appropriate information and training on
how to appropriately respond to the needs of the student during transit and in the event of an emergency.

These rules are intended to implement Iowa Code sections 321.189, 321.343, 321.376 and 324A.1 and Iowa Code Supplement sections 321.1 and 321.377.

NOTICE—PUBLIC FUNDS INTEREST RATES

In compliance with Iowa Code chapter 74A and section 12C.6, the committee composed of Treasurer of State Michael L. Fitzgerald, Superintendent of Credit Unions James E. Forney, Superintendent of Banking Holmes Foster, and Auditor of State Richard D. Johnson have established today the following rates of interest for public obligations and special assessments. The usury rate for April is 8.50%.

INTEREST RATES FOR PUBLIC OBLIGATIONS AND ASSESSMENTS

74A.2 Unpaid Warrants .................. Maximum 6.0%
74A.4 Special Assessments .......... Maximum 9.0%

RECOMMENDED for 74A.3 and 74A.7: A rate equal to 75% of the Federal Reserve monthly published indices for U.S. Government securities of comparable maturities.

The rate of interest has been determined by a committee of the state of Iowa to be the minimum interest rate that shall be paid on public funds deposited in approved financial institutions. To be eligible to accept deposits of public funds of the state of Iowa, a financial institution shall demonstrate a commitment to serve the needs of the local community in which it is chartered to do business. These needs include credit services as well as deposit services. All such financial institutions are required to provide the committee with a written description of their commitment to provide credit services in the community. This statement is available for examination by citizens.

New official state interest rates, effective April 11, 2000, setting the minimums that may be paid by Iowa depositories on public funds are listed below.

<table>
<thead>
<tr>
<th>TIME DEPOSITS</th>
<th>MINIMUM</th>
</tr>
</thead>
<tbody>
<tr>
<td>7-30 days</td>
<td>Minimum 5.20%</td>
</tr>
<tr>
<td>31-89 days</td>
<td>Minimum 5.40%</td>
</tr>
<tr>
<td>90-179 days</td>
<td>Minimum 5.70%</td>
</tr>
<tr>
<td>180-364 days</td>
<td>Minimum 5.90%</td>
</tr>
<tr>
<td>One year</td>
<td>Minimum 5.90%</td>
</tr>
<tr>
<td>Two years or more</td>
<td>Minimum 6.10%</td>
</tr>
</tbody>
</table>

These are minimum rates only. The one year and less are four-tenths of a percent below average rates. Public body treasurers and their depositories may negotiate a higher rate according to money market rates and conditions.

Inquiries may be sent to Michael L. Fitzgerald, Treasurer of State, State Capitol, Des Moines, Iowa 50319.
Pursuant to the authority of Iowa Code section 231.44, the Department of Elder Affairs hereby amends Chapter 9, "Care Review Committees," Iowa Administrative Code.

These amendments incorporate the "resident advocate" name change as passed by the 1999 Legislature in Iowa Code Supplement section 135C.11(2); propose a streamlining of reporting procedures for resident advocate volunteers; redefine duties of Area Agencies on Aging; address the reconfiguration of the program in facilities for persons with mental retardation and mental illness; and correct Iowa Code citations.

Notice of Intended Action was published in the Iowa Administrative Bulletin on February 23, 2000, as ARC 9696A. A public hearing was held on March 14, 2000. Written comments from one nursing home association were received and addressed. These amendments are identical to those published under Notice of Intended Action.

These amendments are intended to implement Iowa Code section 231.44. These amendments will become effective May 24, 2000. The following amendments are adopted.

Amend 321—Chapter 9 as follows:

CHAPTER 9
CARE REVIEW RESIDENT ADVOCATE COMMITTEES

321—9.1(249D 231) Care review Resident advocate committees established.

9.1(1) Committee for each licensed facility. A care review resident advocate committee shall be established for each licensed health care facility as defined in Iowa Code section 135C.1, in accordance with Iowa Code section 135C.25 and chapter 249D 231, and shall operate within the scope of these rules.

9.1(2) Committee membership. The committee shall consist of at least three members or a number sufficient to maintain a ratio of at least 1 member to 15 residents with the maximum size not to exceed 12 members. The ratio shall be waived by the department if the committee demonstrates the ability to carry out the functions outlined in these rules with fewer members.

9.1(3) Committee member residence. Members shall reside within the service area of the facility.

321—9.2(249D 231) Application for committee membership. Any individual may apply to the department for membership. AAAs and other organizations are encouraged to recommend names of potential volunteers for care review resident advocate committee membership to the department.

9.2(1) Application forms. Application forms may be obtained from any AAA, or the department address in rule 321—2.1(249D 231), or other organizations designated by the department.

9.2(2) Submission of forms. Each applicant shall complete and submit an application for membership to the department address in rule 321—2.1(249D 231).

9.2(3) Membership restriction. Applications for membership on care review resident advocate committees will not be accepted unless if the applicant has an ownership interest in a facility; or is employed by the facility or a competing facility; or has been employed by the facility within the past three years; or is related to an employee, board member, or licensee of the facility; or is a public employee involved with the sponsoring or placement of residents in the facility; or is an administrator of a long-term care facility; or is a professional consultant to the facility. Relatives shall be defined as any one of the following: father, mother, son, daughter, brother, sister, aunt, uncle, first cousin, nephew, niece, wife, husband, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepparent, stepbrother, stepsister, half sister, half brother, grandparent or grandchild.

9.2(4) Waiver of membership restriction. The waiver of membership restriction for relatives in subrule 9.2(3) may be reviewed and approved by the commission executive director and granted, if it can be documented to the department that efforts have been made individually or jointly by the care review resident advocate committee, AAA, or the department to contact and recruit alternative applicants.

9.2(5) Committee membership for facilities for mentally ill, mentally retarded, or developmentally disabled. Applications for care review resident advocate committee membership for any facility caring primarily for persons who are mentally ill, mentally retarded, or developmentally disabled shall be accepted only after consultation with the director of the division of mental health, mental retardation and developmental disabilities of the Iowa department of human services. The applications shall be considered acceptable if the director of the division of mental health, mental retardation and developmental disabilities of the Iowa department of human services institutes no disqualifying action within ten days of notification of the proposed appointments.

321—9.3(249D 231) Appointment to care review resident advocate committees.

9.3(1) Notification. Members of the care review resident advocate committee shall be appointed from individuals whose application applications for membership have been accepted according to this rule. Appointments shall be made by letter within 45 days of notification of a vacancy receipt of applications by the executive director or designee. Appropriate AAAs and facilities shall be notified of the appointments.

9.3(2) Traits or skills. Appointment of care review resident advocate committee members may be made from accepted applicants who may, but are not required to, possess a combination of the following traits or skills: knowledge of the long-term care system; understanding of the aging process; training in the human services field; experience in complaint identification, processing, and documentation; a commitment to the welfare and rights of residents; and understanding of the types and needs of clients served by the facility.

9.3(3) Preference. Preference for membership on care review resident advocate committees may be given to applicants with backgrounds and expertise that differ from existing members of the same committee.

321—9.4(249D 231) Cancellation of appointments to care review resident advocate committees.

9.4(1) Reasons for cancellation. A care review resident advocate committee member's appointment may be canceled by the executive director for any of the following reasons: falsification of information on the application for membership form, acting as a member without appointment,
attending less than one-half of the meetings convened each year by the care review resident advocate committee chairperson, voluntary resignation, and actions which are found by the executive director to violate these rules or the intent of the resident’s advocate ombudsman program.

9.4(2) Filing an objection. A facility administrator who objects to the membership of the care review resident advocate committee for that facility may file an objection with the executive director. The objection shall be considered and investigated as a confidential complaint.

9.4(3) Notification of cancellation. The executive director shall notify, in writing, the remaining committee members, the appropriate AAAs, and the facility of the cancellation of care review resident advocate committee members’ appointments.

321—9.5(249D 231) Request for reconsideration of appointment or cancellation of appointment.

9.5(1) Timeline. Time of request. A request for reconsideration of the decision of the executive director concerning the appointment or cancellation of the appointment of a care review resident advocate committee member may be made in writing to the department within 30 days of the written notice of the executive director’s decision appointment or cancellation.

9.5(2) Timeline. Time for response. The executive director shall consider the request and notify the requesting party of the director’s decision regarding the request within 30 days of receiving written notice of the request.

321—9.6(249D 231) Care review Resident advocate committee structure and meetings.

9.6(1) Structure. Every committee shall have a chairperson and secretary selected by the membership. The chairperson shall coordinate the activities of the committee. The secretary shall record minutes of each meeting and prepare reports as necessary.

9.6(2) Meetings. The committee shall meet at least quarterly and on other occasions as required to accomplish its responsibilities. The chairperson shall notify all members of the time and place of each meeting.

a. The administrator or staff of the facility shall not attend committee meetings except upon request of the committee.

b. Confidential information shall not be discussed during meetings when members of the general public are present.

c. The secretary shall submit written minutes to the administrator and to the department at the conclusion of each meeting.

9.6(3) Meeting resident advocate coordinator. If the facility is a nursing facility or residential care facility, the committee shall establish a schedule for at least one private interview annually with each resident in the facility.

9.6(4) Complainant. The committee shall have access to the facility to observe residents at different times of the day. Committee members shall notify the staff person in charge of the facility that they are in the facility.

9.7(2) Committee access and assistance. The committee shall have access to the facility and private access to the residents.

9.8(2) Assistance to the committee. The committee may request information, advice, and counsel from the facility administrator, medical or health professionals or specialists, AAAs, the department or from other state and local agencies.

a. The physician’s certification of care shall be made available to the committee by the administrator of the facility.

b. Physicians who have patients residing in the facility shall have the responsibility of assisting the committee upon request.

c. Upon contacting anyone on behalf of residents in the performance of duties, the care review resident advocate committee member shall clearly identify oneself as a care review resident advocate committee member who is a volunteer advocate and shall clearly state the purpose and justification for this contact.

9.9(1) Restriction on access. Care review Resident advocate committee members shall not have access to the following unless access is granted by the resident or resident’s responsible party:

a. Medical, financial or personal records of the residents;

b. Records of the social services department of the facility.

9.9(2) Nondisclosure of information. The committee shall not disclose information concerning the residents or the operation of the facility in a manner that will identify individuals or the facility, except to the resident’s advocate/ombudsman program or as requested in proceedings involving the investigation of a facility by the department of inspections and appeals.

321—9.10(249D 231) Committee procedures.

9.10(1) Resident reviews. To evaluate the degree of satisfaction that residents have with the quality of life experienced in the facility in which they reside, the following procedures shall be used:

a. Resident reviews shall be recorded, including responses to questions asked of residents or their representatives.

b. The committee shall establish a schedule for at least one private interview annually with each resident in the facility.

9.10(2) Review visits. Committee members shall make some visits without prior notice to the facility to observe residents at different times of the day. Committee members shall notify the staff person in charge of the facility that they are in the facility.

9.10(3) Review reports. The report of each resident review shall be discussed with the committee as appropriate and provided to the administrator of the facility following the private interview of the resident. Reports shall be retained by the facility committee chairperson for a period of at least two years. The report shall be available to the department of inspections and appeals and department of elder affairs, upon request.

9.10(4) Complaints and grievances during reviews. Complaints and grievances identified by the resident during resident reviews shall be handled according to subrule 9.11(2) and shall not be recorded with resident reviews.

321—9.11(249D 231) Committee response to complaints and grievances.
9.11(1) General rule. Throughout the investigation of all complaints and grievances, the committee shall maintain objectivity and act as advocates for residents without being adversaries of the facility.

a. The dignity and privacy of residents will be maintained by all persons involved in a complaint or grievance investigation.

b. The committee may receive and investigate complaints or grievances regarding the rights and welfare of residents of a facility using the procedures appropriate to the source of the complaint, either from an individual or the department of inspections and appeals.

c. The committee shall solicit the input of the complainant or resident regarding the complainant’s or resident’s wishes on action to be pursued by the committee.

d. The purpose of the committee response to complaints or grievances is to seek the mutually satisfactory resolution of problems and prevent unnecessary recourse to such regulatory action against a facility. This purpose shall not, however, prevent such regulatory action when necessary to protect or achieve the rights of residents.

9.11(2) Action upon receipt of a complaint or grievance.

Upon receipt of a complaint or grievance, the committee will contact the facility administrator to discuss the allegations, only if the contact does not violate confidentiality, and shall forward a copy of the complaint or grievance to the resident’s advocate/ombudsman.

a. Information which may identify the complainant or resident shall be confidential unless the complainant or resident has given written permission to the care review resident advocate/ombudsman committee for the disclosure of the identity.

b. A committee member will investigate or forward the complaint or grievance to the resident’s advocate/ombudsman within seven calendar days of receipt or forward the complaint or grievance to the resident’s advocate/ombudsman. Life- or health-threatening complaints will be forwarded within 72 hours.

c. The investigating care review resident advocate committee shall make an unannounced visit to the facility, and upon arrival at the facility, may notify the staff person in charge of the facility that the member is in the facility.

d. The committee member investigating the complaint or grievance will, to the extent possible, ascertain the facts of the situation by talking with residents, staff, and others who might have information regarding the matter under investigation and through personal observations of conditions and activities in the facility.

e. The committee shall attempt to resolve the situation to the mutual satisfaction of the facility administrator and the complainant.

f. If, after 14 days, a resolution has not been reached, the committee shall file a written report with may contact the resident’s advocate/ombudsman program for follow-up action as appropriate. The report shall document all attempts of resolution pursued by the committee. The resident’s advocate/ombudsman program shall forward a copy of the report to the department of inspections and appeals.

9.12(1) Referral process. Complaints or grievances received or initiated by the department of inspections and appeals may be referred for investigation to the care review resident advocate committee by transmittal to the resident’s advocate/ombudsman program at the department, address in 321—subrule 2.1(2).

9.12(2) Confidentiality. Information that may identify the complainant or resident shall be confidential.

9.12(3) Notification. The resident’s advocate/ombudsman program will provide adequate information within three days to a member of the appropriate care review resident advocate committee. Written notification will be provided within seven days.

9.12(4) Investigation. A committee member will investigate the complaint or grievance in accordance with rule 9.11(231).

9.13(1) General rule. Throughout the investigation of all complaints and grievances, the committee shall maintain objectivity and act as advocates for residents without being adversaries of the facility.

a. The dignity and privacy of residents will be maintained by all persons involved in a complaint or grievance investigation.

b. The committee may receive and investigate complaints or grievances regarding the rights and welfare of residents of a facility using the procedures appropriate to the source of the complaint, either from an individual or the department of inspections and appeals.

c. The committee shall solicit the input of the complainant or resident regarding the complainant’s or resident’s wishes on action to be pursued by the committee.

d. The purpose of the committee response to complaints or grievances is to seek the mutually satisfactory resolution of problems and prevent unnecessary recourse to such regulatory action against a facility. This purpose shall not, however, prevent such regulatory action when necessary to protect or achieve the rights of residents.

9.13(2) Action upon receipt of a complaint or grievance.

Upon receipt of a complaint or grievance, the committee will contact the facility administrator to discuss the allegations, only if the contact does not violate confidentiality, and shall forward a copy of the complaint or grievance to the resident’s advocate/ombudsman/program.

a. Information which may identify the complainant or resident shall be confidential unless the complainant or resident has given written permission to the care review resident advocate/ombudsman program in nursing facilities and residential care facilities.

b. A committee member will investigate or forward the complaint or grievance to the resident’s advocate/ombudsman within seven calendar days of receipt or forward the complaint or grievance to the resident’s advocate/ombudsman. Life- or health-threatening complaints will be forwarded within 72 hours.

c. The investigating care review resident advocate committee shall make an unannounced visit to the facility, and upon arrival at the facility, may notify the staff person in charge of the facility that the member is in the facility.

d. The committee member investigating the complaint or grievance will, to the extent possible, ascertain the facts of the situation by talking with residents, staff, and others who might have information regarding the matter under investigation and through personal observations of conditions and activities in the facility.

e. The committee shall attempt to resolve the situation to the mutual satisfaction of the facility administrator and the complainant.

f. If, after 14 days, a resolution has not been reached, the committee shall file a written report with may contact the resident’s advocate/ombudsman program for follow-up action as appropriate. The report shall document all attempts of resolution pursued by the committee. The resident’s advocate/ombudsman program shall forward a copy of the report to the department of inspections and appeals.

g. The committee will inform the complainant of any action taken in response to the complaint or grievance within 20 days of receipt members are responsible for keeping the complainants informed of progress of the complaint.
INSPECTIONS AND APPEALS DEPARTMENT[481]

Adopted and Filed

Pursuant to the authority of Iowa Code section 135C.14, the Department of Inspections and Appeals amends Chapter 51, “Hospitals,” Iowa Administrative Code.

This amendment updates reference sources guiding hospitals in the development of policies and procedures for obstetric and neonatal services.

Notice of Intended Action was published in the Iowa Administrative Bulletin on February 9, 2000, as ARC 9655A. No public comment was received on this amendment. The adopted amendment is identical to the amendment published under Notice.

The Hospital Licensing Board approved the adoption of this amendment on February 24, 2000. The Board of Health approved the adoption of the amendment on March 8, 2000.

This amendment will become effective May 24, 2000.

This amendment is not subject to waiver because hospital rules are considered minimum standards.

This amendment is intended to implement Iowa Code section 135B.7.

The following amendment is adopted.

Amend subrule 51.32(2) as follows:

51.32(2) Written policies and procedures shall be implemented governing obstetric and neonatal services that are consistent with the needs of the patient and resources of the hospital. Policies and procedures shall be developed in consultation with and with the approval of the hospital’s medical staff. At a minimum, the policies and procedures shall provide for:
a. to g. No change.

REVENUE AND FINANCE DEPARTMENT[701]

Adopted and Filed

Pursuant to the authority of Iowa Code sections 421.17(19) and 422.68, the Department of Revenue and Finance hereby amends Chapter 13, “Permits,” and Chapter 46, “Withholding,” Iowa Administrative Code.

Notice of Intended Action was published in IAB Volume XXII, Number 17, page 1325, on February 23, 2000, as ARC...
These amendments are identical to those published under Notice of Intended Action.

Item 1 amends rule 701—13.2(422) to provide for an electronic signature when an application for a sales tax permit is electronically submitted.

Item 2 amends subrule 46.3(1), first unnumbered paragraph, by striking the requirement that the responsible parties sign the application for an Iowa withholding agent's identification number.

Rule 13.2(422) in Item 1 is a discretionary rule and is subject to the Uniform Waiver Rule found in Executive Order Number 11.

The amendments will become effective May 24, 2000, after filing with the Administrative Rules Coordinator and publication in the Iowa Administrative Bulletin.

These amendments are intended to implement Iowa Code section 421.17.

The following amendments are adopted.

ITEM 1. Amend rule 701—13.2(422) as follows:

**701—13.2(422) Application for permit.** An application for a permanent permit shall be made upon a form provided by the department, and the applicant shall furnish all information requested on such form.

An application for a permit for a business operating under a trade name shall state the trade name, as well as the individual owner's name, in the case of a sole ownership by an individual, or the trade name and the name of all partners, in the case of a partnership.

The application shall be signed by the owner, in the case of an individual business; by a partner, in the case of a partnership, although all partners' names shall appear on the application; and by the president, vice president, treasurer or other principal officer of a corporation or association, unless written authorization is given by the officers for another person to sign the application.

For electronically transmitted applications, the application form shall state that in lieu of a person's handwritten signature, the E-mail address will constitute a valid signature.

The application shall state the date when the applicant will begin selling tangible personal property or taxable services at retail in Iowa from the location for which the application is made.

This rule is intended to implement Iowa Code sections 421.17(15) and 422.53.

ITEM 2. Amend subrule 46.3(1), first unnumbered paragraph, as follows:

Where When initial payment of wages subject to Iowa withholding tax occurs late in the calendar quarter, or before the employer's or payer's federal employer's identification number is assigned by the Internal Revenue Service, the application for Iowa withholding agent's identification number shall be forwarded along with the first quarterly withholding return. The responsible party(ies) shall be listed on the application and the application shall be signed by each of the responsible party(ies) so listed.

[Filed 3/30/00, effective 5/24/00]

---

Pursuant to the authority of Iowa Code sections 421.14 and 422.68, the Department of Revenue and Finance hereby amends Chapter 150, "Offset of Debts Owed State Agencies," Iowa Administrative Code.

Notice of Intended Action was published in IAB Volume XXII, Number 17, page 1326, on February 23, 2000, as ARC 9698A.

This amendment adopts a new division within Chapter 150 entitled "Federal Offset for Iowa Income Tax Obligations." This new division provides that effective for refunds payable beginning January 1, 2000, the Internal Revenue Service may offset an overpayment of federal tax against an Iowa income tax obligation of a resident of Iowa. This new division provides for the procedures by which such offsets may be performed for the state of Iowa. This amendment implements the Internal Revenue Service Restructuring and Reforms Act of 1998, Pub. L. 105-206, 112 Stat. 685, 779 (1998).

This amendment is not identical to that published under Notice of Intended Action. The term "income surtax" has been inserted in the definition of "state income tax obligation" or "Iowa income tax obligation."

This amendment will become effective May 24, 2000, after filing with the Administrative Rules Coordinator and publication in the Iowa Administrative Bulletin.

The following amendment is adopted.

Amend 701—Chapter 150 by adopting a new division as follows:

**FEDERAL OFFSET FOR IOWA INCOME TAX OBLIGATIONS**

**701—150.17(421,PL105-206) Purpose and general application of offset of a federal tax overpayment to collect an Iowa income tax obligation.** Effective for refunds of overpayments to the Internal Revenue Service (IRS) that are payable beginning January 1, 2000, the IRS may offset, in whole or in part, an amount of federal refund payable to an Iowa resident by the amount of any past due legally enforceable Iowa income tax obligation owed by such taxpayer. The purpose of this rule is to establish a procedure to identify taxpayers that owe Iowa income tax liabilities and to establish a procedure for requesting the offset of the taxpayer's federal tax overpayment to collect a past due legally enforceable Iowa income tax obligation.

**150.17(1) Definitions.** The following definitions are applicable to the federal offset program:

"Assessment" means the determination of a past due tax obligation and includes self-assessments. An assessment includes the Iowa income tax, interest, penalties, fees or other charges associated with the past due legally enforceable Iowa income tax obligation.

"Department," "state of Iowa," "Iowa" or "the state" means the Iowa department of revenue and finance.

"Director" means the director of the Iowa department of revenue and finance.
"Overpayment" means a federal tax refund due and owing to a person or persons.

"Past due legally enforceable Iowa income tax obligation" means a debt which resulted from a judgment rendered by a court of competent jurisdiction which has determined an amount of state income tax to be due and which is no longer subject to judicial review. In addition, this term also includes a debt which resulted from a state income tax which has been assessed but not collected, the time for redetermination which has expired, and which has not been delinquent for more than ten years.

"Resident of Iowa" means any person with a federal overpayment for the year in which Iowa seeks offset and such person has an Iowa address listed on that person's federal return for the tax period of overpayment.

"Secretary" means the Secretary of the Treasury for the federal government.

"State income tax obligation" or "Iowa income tax obligation" is intended to cover all Iowa income taxes. This term includes all local income taxes administered by the Iowa department of revenue and finance or determined to be a "state income tax" under Iowa law. Such taxes may include, but are not limited to, individual income tax, income surtax, fiduciary income tax, withholding tax, or corporate income tax, and penalties, interest, fines, judgments, or court costs relating to such tax obligations.

"Tax refund offset" means withholding or reducing, in whole or in part, a federal tax refund payment by an amount necessary to satisfy a past due legally enforceable state income tax obligation owed by the payee (taxpayer) of the tax refund payment. This rule only involves the offset of tax refund payments under 26 U.S.C. 6402(e); it does not cover the offset of federal payments other than tax refund payments for the collection of past due legally enforceable state income tax obligations.

"Tax refund payment" means the amount to be refunded to a taxpayer by the federal government after the Internal Revenue Service (IRS) has applied the taxpayer's overpayment to the taxpayer's past due tax liabilities in accordance with 26 U.S.C. 6402(a) and 26 CFR 6402-3(a)(6)(i).

150.17 Procedure after submission of evidence. Upon timely receipt of evidence by the department from the taxpayer as set forth in 150.17(2)a(3), the department has 60 days to review the evidence and notify the taxpayer whether the evidence submitted is sufficient to terminate the intended offset. If the department determines that the evidence is sufficient, the procedure to initiate the federal offset shall be terminated for that obligation and the taxpayer's record of Iowa income tax obligation for that particular obligation shall be adjusted accordingly. However, if the department determines that the evidence is insufficient to show that the amount or amounts at issue are not, in whole or in part, a past due and legally enforceable income tax obligation, the department must notify the taxpayer within 60 days of receiving the evidence from the taxpayer.

The contest of an offset under this rule is subject to judicial review under Iowa Code section 17A.19 as "other agency action."

In cases in which a taxpayer claims immunity from state taxation due to being an enrolled member of an Indian tribe who lives on that member's reservation and derives all of that member's income from that reservation, Iowa must consider such claims de novo on the merits, unless such claims have been previously adjudicated by a court of competent jurisdiction.

150.17 Notice by Iowa to the Secretary to request federal offset. Iowa must notify the Secretary of an Iowa income tax obligation in the manner prescribed by the Secretary.

150.17 Erroneous payments to Iowa. If Iowa receives a notice from the Secretary that an erroneous payment has been made to Iowa under this rule, Iowa must promptly pay to the Secretary, in accordance with such rules and regulations as the Secretary may prescribe, an amount equal to the amount of the erroneous payment (without regard to whether any other amounts payable to Iowa under this rule have been
paid to Iowa). In the alternative, Iowa may return the erroneous payment directly to the taxpayer. If this latter alternative is used by Iowa, then Iowa must notify the Secretary of the erroneous offset being paid to the taxpayer, and the taxpayer's records will be adjusted accordingly.

150.17(6) Correcting and updating notice to the Secretary. Iowa must notify the Secretary of any deletion or decrease in the amount of past due legally enforceable Iowa income tax obligation referred to the Secretary for collection by offset under this rule. Iowa may also notify the Secretary of any increases in the amount or amounts referred to the Secretary for collection by offset under this rule provided that Iowa has complied with the requirements of this rule with regard to such amount or amounts.

EDITOR'S NOTE: For replacement pages for IAC, see IAC Supplement 4/19/00.
WHEREAS, the economy and social fabric of this state are inextricably linked to food production and food production-related activities; and

WHEREAS, food production accounts for more than twenty-five percent of the state's gross annual product; and

WHEREAS, the expansion of global markets for agricultural products have failed to keep pace with increased agricultural productivity in recent years, leading to a reduction in the amount of income earned by local producers; and

WHEREAS, unacceptable numbers of people from across the state and around the world do not have reliable access to Iowa's abundant food supply; and

WHEREAS, the State of Iowa contains some of the most productive farmland found around the world, and the potential to feed hungry people and generate sustainable income for local producers is virtually unlimited; and

WHEREAS, this administration is confident that the State of Iowa can become a world leader in the new economy by creating an efficient food production infrastructure that links producers, processors, distributors, and marketers to vibrant and sustainable world markets; and

WHEREAS, the development of these linkages will enable this state to establish itself as the Food Capital of the World by creating new opportunities to increase profitability for Iowa producers through product diversification, local processing, enhanced distribution, and direct marketing; and

WHEREAS, it is imperative for policy-makers to develop a common working knowledge of Iowa's overall food production system by collecting and analyzing information about the state's food production infrastructure, including consumer patterns, in an effort to improve food policy-related decisions; and

WHEREAS, a state food production policy that is designed to produce a safe, nutritious, and adequate food supply stock for world consumption, must also balance economic, environmental, and social considerations that are important to the people of this state.

* Reproduced as submitted
NOW, THEREFORE, I, Thomas J. Vilsack, Governor of the State of Iowa, by the power vested in me by the laws of the constitution of the State of Iowa do hereby order the creation of the IOWA FOOD POLICY COUNCIL.

I. Purpose. The Iowa Food Policy Council shall advise this office on all aspects of the food production system in Iowa. The Council’s advice shall include, but should not be limited to, a discussion of the following items:

1. the state’s baseline agricultural production output (this assessment shall include data on: the amount of food produced annually in this state; the amount of food that is purchased and consumed by state residents; and the extent to which the food produced in Iowa is processed, distributed and marketed by local individuals and businesses);

2. barriers that limit the access of local businesses to production, distribution and consumer markets both inside and outside of the state. This assessment should include, but shall not be limited to, an examination of the manner in which state and local policies may impede the ability of local individuals and businesses to engage in food production, processing, distribution, and marketing activities;

3. barriers that limit the access of hungry consumers to available food stocks;

4. innovative local food system activities, including an assessment of the state’s capacity to replicate these activities across Iowa;

5. strategies to expand training and assistance programs for local individuals and businesses, including methods that will link actors at each stage of the local food production infrastructure together in a working system;

6. strategies to improve the participation of state and local governments in the development of a growing local food production infrastructure; and

7. strategies to link consumers to a growing local food production infrastructure.

II. Organization. The Council will be composed of 15-20 members appointed by the governor. Representatives from the Iowa Department of Agriculture and Land Stewardship, the Iowa Department of Economic Development, and Iowa’s health and human services agencies shall be appointed to serve as ex-officio members on the Council. The Council’s voting membership shall consist of representatives from the following areas of the state’s local food production system:

1. local producers also engaged in direct marketing;
2. local food processors;
3. local food distributors;
4. local food retailers;
5. cooperative extension representatives;
6. urban agriculture and education representatives;
7. agricultural policy and legal experts; and
8. hunger prevention and food security experts.

The Council will receive administrative support from the Agricultural Law Center at Drake University. All research, policy development, and publication activities will be coordinated by the Council through Drake University. Funding to support the Council’s activities will be received by the Council through private donations, state and federal grant assistance, and institutional support from Drake University.
III. **Activities.** The Council shall convene in April, 2000. The Council shall review the following research reports for background information in preparation for this initiative:

1. A report entitled “Making the Connections,” conducted by Agricultural Law Center at Drake University. This study identifies a series of innovative food production and marketing activities currently underway across the state.

2. A report entitled “Examining Iowa’s Food System,” conducted by the Iowa State University Cooperative Extension under the institution’s Value-Added Agriculture Initiative. This study examines the current status of the state’s baseline food production system.

The Council shall submit a final report outlining its findings and recommendations to the Governor’s Office for review no later than April 30, 2001. The Council shall be dissolved after the final report has been submitted, unless an application to continue its activities has been approved by the governor before April 30, 2001.

IN TESTIMONY WHEREOF, I have hereunto subscribed my name and caused the Great Seal of Iowa to be affixed. Done in Des Moines, Iowa this 31st day of March in the year our Lord Two Thousand.

[Signature]
Governor

Thomas J. Vilsack
Governor

A1TEST:

Chester J. Culver
Secretary of State
