2. The authority shall be self-sustaining and self-funded. Moneys in the general fund of the state shall not be used or obligated to pay the expenses of the authority or prizes of the lottery, and no claim for the payment of an expense of the lottery or prizes of the lottery may be made against any moneys other than moneys credited to the authority operating account.

3. The state of Iowa offset program, as provided in section 8A.504, shall be available to the authority to facilitate receipt of funds owed to the authority.

For future amendment to subsection 3 effective upon the later of January 1, 2021, or the effective date of rules adopted by the department of revenue to implement 2020 Acts, ch 1064, see 2020 Acts, ch 1064, §8, 28; 2020 Acts, ch 1118, §73, 74

99G.39 Allocation, appropriation, transfer, and reporting of funds.

1. Upon receipt of any revenue, the chief executive officer shall deposit the moneys in the lottery fund created pursuant to section 99G.40. At least fifty percent of the projected annual revenue accruing from the sale of tickets or shares shall be allocated for payment of prizes to the holders of winning tickets. After the payment of prizes, the expenses of conducting the lottery shall be deducted from the authority’s revenue prior to disbursement. Expenses for advertising production and media purchases shall not exceed four percent of the authority’s gross revenue for the year.

2. The director of the department of management shall not include lottery revenues in the director's fiscal year revenue estimates.

3. Two million five hundred thousand dollars in lottery revenues shall be transferred each fiscal year to the veterans trust fund established pursuant to section 35A.13 prior to deposit of the lottery revenues in the general fund pursuant to section 99G.40. However, if the balance of the veterans trust fund is fifty million dollars or more, the moneys shall be appropriated to the department of revenue for distribution to county directors of veteran affairs, with fifty percent of the moneys to be distributed equally to each county and fifty percent of the moneys to be distributed to each county based upon the population of veterans in the county, so long as the moneys distributed to a county do not supplant moneys appropriated by that county for the county director of veteran affairs.

4. One hundred thousand dollars in lottery revenues shall be transferred each fiscal year to the public safety survivor benefits fund established pursuant to section 80.47 prior to deposit of the lottery revenues in the general fund pursuant to section 99G.40.

5. *a.* Notwithstanding subsection 1, if gaming revenues under sections 99D.17 and 99F.11 are insufficient in a fiscal year to meet the total amount of such revenues directed to be deposited in the vision Iowa fund during the fiscal year pursuant to section 8.57, subsection 5, paragraph "e", the difference shall be paid from lottery revenues prior to deposit of the lottery revenues in the general fund, transfer of lottery revenues to the veterans trust fund as provided in subsection 3, and the transfer of lottery revenues to the public safety survivor benefits fund as provided in subsection 4. If lottery revenues are insufficient during the fiscal year to pay the difference, the remaining difference shall be paid from lottery revenues prior to deposit of lottery revenues in the general fund, the transfer of lottery revenues to the veterans trust fund as provided in subsection 3, and the transfer of lottery revenues to the public safety survivor benefits fund as provided in subsection 4 in subsequent fiscal years as such revenues become available.

b. The treasurer of state shall, each quarter, prepare an estimate of the gaming revenues and lottery revenues that will become available during the remainder of the appropriate fiscal year for the purposes described in paragraph "a". The department of management and the department of revenue shall take appropriate actions to provide that the amount of gaming revenues and lottery revenues that will be available during the remainder of the appropriate fiscal year is sufficient to cover any anticipated deficiencies.

99G.40 Audits and reports — lottery fund.

1. To ensure the financial integrity of the lottery, the authority shall do all of the following:

a. Submit quarterly and annual reports to the governor, state auditor, and the general assembly disclosing the total lottery revenues, prize disbursements, and other expenses of the authority during the reporting period. The fourth quarter report shall be included in the annual report made pursuant to this section. The annual report shall include a complete statement of lottery revenues, prize disbursements, and other expenses, and recommendations for changes in the law that the chief executive officer deems necessary or desirable. The annual report shall be submitted within one hundred twenty days after the close of the fiscal year. The chief executive officer shall report immediately to the governor, the treasurer of state, and the general assembly any matters that require immediate changes in the law in order to prevent abuses or evasions of this chapter or rules adopted or to rectify undesirable conditions in connection with the administration or operation of the lottery.

b. Maintain weekly or more frequent records of lottery transactions, including the distribution of tickets or shares to retailers, revenues received, claims for prizes, prizes paid, prizes forfeited, and other financial transactions of the authority.

c. The authority shall deposit in the lottery fund created in subsection 2 any moneys received by retailers from the sale of tickets or shares less the amount of any compensation due the retailers. The chief executive officer may require licensees to file with the authority

reports of receipts and transactions in the sale of tickets or shares. The reports shall be in the form and contain the information the chief executive officer requires.

2. A lottery fund is created in the office of the treasurer of state and shall exist as the recipient fund for authority receipts. The fund consists of all revenues received from the sale of lottery tickets or shares and all other moneys lawfully credited or transferred to the fund. The chief executive officer shall certify quarterly that portion of the fund that has been transferred to the general fund of the state under this chapter and shall cause that portion to be transferred to the general fund of the state. However, upon the request of the chief executive officer and subject to the approval by the treasurer of state, an amount sufficient to cover the foreseeable administrative expenses of the lottery for a period of twenty-one days may be retained from the lottery fund. Prior to the quarterly transfer to the general fund of the state, the chief executive officer may direct that lottery revenue shall be deposited in the lottery fund and in interest-bearing accounts designated by the treasurer of state. Interest or earnings paid on the deposits or investments is considered lottery revenue and shall be transferred to the general fund of the state in the same manner as other lottery revenue.

3. The chief executive officer shall certify before the last day of the month following each quarter that portion of the lottery fund resulting from the previous quarter's sales to be transferred to the general fund of the state.

4. For informational purposes only, the chief executive officer shall submit to the department of management by October 1 of each year a proposed operating budget for the authority for the succeeding fiscal year. This budget proposal shall also be accompanied by an estimate of the net proceeds to be deposited into the general fund during the succeeding fiscal year. This budget shall be on forms prescribed by the department of management. A copy of the information required to be submitted to the department of management pursuant to this subsection shall be submitted to the general assembly's standing committees on government oversight and the legislative services agency by October 1 of each year.

5. The authority shall adopt the same fiscal year as that used by state government and shall be audited annually by the auditor of state or a certified public accounting firm appointed by the auditor. The auditor of state or a designee conducting an audit under this chapter shall have access and authority to examine any and all records of licensees necessary to determine compliance with this chapter and the rules adopted pursuant to this chapter. The cost of audits and examinations conducted by the auditor of state or a designee shall be paid for by the authority.

99G.41 Prize offsets — garnishments.

1. Any claimant agency may submit to the authority a list of the names of all persons indebted to such claimant agency or to persons on whose behalf the claimant agency is acting. The full amount of the debt shall be collectible from any lottery winnings due the debtor without regard to limitations on the amounts that may be collectible in increments through garnishment or other proceedings. Such list shall constitute a valid lien upon and claim of lien against the lottery winnings of any debtor named in such list. The list shall contain the names of the debtors, their social security numbers if available, and any other information that assists the authority in identifying the debtors named in the list.

2. The authority is authorized and directed to withhold any winnings paid out directly by the authority subject to the lien created by this section and send notice to the winner. However, if the winner appears and claims winnings in person, the authority shall notify the winner at that time by hand delivery of such action. The authority shall pay the funds over to the agency administering the offset program.

3. Notwithstanding the provisions of section 99G.34 which prohibit disclosure by the authority of certain portions of the contents of prize winner records or information, and notwithstanding any other confidentiality statute, the authority may provide to a claimant agency all information necessary to accomplish and effectuate the intent of this section.

4. The information obtained by a claimant agency from the authority in accordance with

this section shall retain its confidentiality and shall only be used by a claimant agency in the pursuit of its debt collection duties and practices. Any employee or prior employee of any claimant agency who unlawfully discloses any such information for any other purpose, except as otherwise specifically authorized by law, shall be subject to the same penalties specified by law for unauthorized disclosure of confidential information by an agent or employee of the authority.

5. Except as otherwise provided in this chapter, attachments, garnishments, or executions authorized and issued pursuant to law shall be withheld if timely served upon the authority.

6. The provisions of this section shall only apply to prizes paid directly by the authority and shall not apply to any retailers authorized by the board to pay prizes of up to six hundred dollars after deducting the price of the ticket or share.

SUBCHAPTER II

ARSON INSPECTION WARRANTS

SUBCHAPTER I

GENERAL PROVISIONS

100.1 Fire marshal.

The chief officer of the division of state fire marshal in the department of public safety shall be known as the state fire marshal. The fire marshal's duties shall be as follows:

1. To enforce all laws of the state relating to the suppression of arson, and to apprehend those persons suspected of arson;
2. To investigate into the cause, origin, and circumstances of fires;
3. To promote fire safety and reduction of loss by fire through educational methods;
4. To enforce all laws, and the rules and regulations of the Iowa department of public safety, concerned with:
 - a. The prevention of fires;

b. The storage, transportation, handling, and use of flammable liquids, combustibles, fireworks, and explosives;

c. The storage, transportation, handling, and use of liquid petroleum gas;

d. The electric wiring and heating, and adequate means of exit in case of fire, from churches, schools, hotels, theaters, amphitheatres, asylums, hospitals, health care facilities as defined in section 135C.1, college buildings, lodge halls, public meeting places, and all other structures in which persons congregate from time to time, whether publicly or privately owned;

5. To promulgate fire safety rules. The state fire marshal shall have exclusive right to promulgate fire safety rules as they apply to enforcement or inspection requirements by the state fire marshal, but the rules shall be promulgated pursuant to chapter 17A. Wherever by any statute the fire marshal or the department of public safety is authorized or required to promulgate, proclaim, or amend rules and minimum standards regarding fire hazards or fire safety or protection in any establishment, building, or structure, the rules and standards shall promote and enforce fire safety, fire protection, and the elimination of fire hazards as the rules may relate to the use, occupancy, and construction of the buildings, establishments, or structures. The word “*construction*” shall include but is not limited to electrical wiring, plumbing, heating, lighting, ventilation, construction materials, entrances and exits, and all other physical conditions of the building which may affect fire hazards, safety, or protection. The rules and minimum standards shall be in substantial compliance except as otherwise specifically provided in this chapter, with the standards of the national fire protection association relating to fire safety as published in the national fire codes.

6. To adopt rules designating a fee to be assessed to each building, structure, or facility for which a fire safety inspection or plan review by the state fire marshal is required by law. The fee designated by rule shall be set in an amount that is reasonably related to the costs of conducting the applicable inspection or plan review. The fees collected by the state fire marshal shall be deposited in the general fund of the state.

7. To administer the fire extinguishing system contractor, alarm system contractor, and alarm system installer certification program established in chapter 100C.

8. To order the suspension of the use of consumer fireworks, display fireworks, or novelties, as described in section 727.2, if the fire marshal determines that the use of such devices would constitute a threat to public safety.

[S13, §2468-a, -m; C24, 27, 31, 35, 39, §1619; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.1; 81 Acts, ch 46, §1]

Referred to in §101C.2, 237.3

100.2 Duties of fire officials.

The chief of the fire department or the chief’s designee of every city or township in which a fire department is established or the chief of the fire department or the chief’s designee responding to every township fire where there is a contract for fire protection in effect shall investigate into the cause, origin and circumstances of every fire occurring in the city or township by which property has been destroyed or damaged or which results in bodily injury to a person, and determine whether the fire was the result of natural causes, negligence or design. The state fire marshal may assist in the investigation or may direct the investigation if the fire marshal finds it necessary.

[S13, §2468-d, -e; C24, 27, 31, 35, 39, §1624; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.2]

84 Acts, ch 1095, §1

Referred to in §100.3, 100.4

100.3 Reports of fires and emergency responses.

When death, serious bodily injury, or property damage in excess of two hundred thousand dollars has occurred as a result of a fire, or if arson is suspected, the fire official required

by section 100.2 to make fire investigations, shall notify the state fire marshal's division immediately. For all other fires causing an estimated damage of fifty dollars or more or emergency responses by the fire service, the fire official required by section 100.2 to investigate shall file a report with the fire marshal's division within ten days following the end of the month. The report shall indicate all fire incidents occurring which have an estimated damage of fifty dollars or more and state for each incident the name of the owners and occupants of the property at the time of the fire, the value of the property, the estimated total loss to the property, the origin of the fire as determined by investigation, and other facts, statistics, and circumstances concerning the fire incident. The report on each emergency response shall include the nature of the incident and other facts, statistics and circumstances concerning the emergency response.

[S13, §2468-e; C24, 27, 31, 35, 39, §1625; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.3]

84 Acts, ch 1095, §2; 86 Acts, ch 1018, §1

Referred to in §100.4, 100.5

100.4 Penalty for nonreporting.

The failure or refusal of a fire official to make an investigation or report required by sections 100.2 and 100.3 is a simple misdemeanor.

[S13, §2468-e; C24, 27, 31, 35, 39, §1626; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.4]

84 Acts, ch 1095, §3

100.5 Reports — when public records.

1. Reports required by section 100.3 shall be kept on file for public inspection in the fire marshal's office. In those circumstances where disclosure of particular facts in the reports would plainly and seriously jeopardize an investigation of criminal activity, the portions of the reports pertaining to the facts are classified as peace officers' investigative reports and subject to section 22.7.

2. Reports and records on investigations made by the state fire marshal's office are the same as peace officers' investigative reports and subject to section 22.7.

[S13, §2468-f; C24, 27, 31, 35, 39, §1627; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.5; 81 Acts, ch 47, §1]

Arson investigation disclosures; see chapter 100A

100.6 Testimony under oath.

The fire marshal or the fire marshal's designated subordinate shall, when in the fire marshal's or subordinate's opinion further investigation is necessary, take or cause to be taken the testimony under oath of all persons supposed to have knowledge of any facts, or to have means of knowledge in relation to the matter in which an examination is herein required to be made, and shall cause the same to be reduced to writing.

[S13, §2468-g; C24, 27, 31, 35, 39, §1628; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.6]

100.7 Oaths — attendance of witnesses.

The fire marshal and the fire marshal's designated subordinates shall each have power in any county in the state to administer an oath and compel the attendance of witnesses before them, or either of them, to testify in relation to any matter which is by the provisions of this chapter a subject of inquiry and investigation, and may require the production of any books, papers, or documents necessary for such investigation.

[S13, §2468-h; C24, 27, 31, 35, 39, §1629; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.7]

100.8 Refusal to testify or produce books.

Any witness who refuses to be sworn, except as otherwise provided by law, or who disobeys any lawful order of said fire marshal, or the fire marshal's designated subordinates, or who

fails to produce any books, papers, or documents touching any matter under examination, shall be guilty of a simple misdemeanor.

[S13, §2468-h; C24, 27, 31, 35, 39, §1630; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.8]

100.9 Crimes in connection with fires.

If the fire marshal shall be of the opinion that there is evidence sufficient to charge any person with the crime of arson, or with attempt to commit the crime of arson, or of conspiracy to defraud, or criminal conduct in connection with such fire, the fire marshal shall cause such person to be arrested and charged with the offense, or either of them, and shall furnish to the proper county attorney all such evidence, together with the names of witnesses and all of the information obtained, including a copy of all matter and testimony taken in the case.

[S13, §2468-g; C24, 27, 31, 35, 39, §1631; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.9]

100.10 Authority to enter and inspect.

The state fire marshal, and the fire marshal's designated subordinates, in the performance of their duties, shall have authority to enter any building or premises and to examine the same and the contents thereof.

[S13, §2468-i; C24, 27, 31, 35, 39, §1632; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.10]

100.11 Fire escapes.

It shall be the duty of the fire marshal to enforce all laws relating to fire escapes.

[C39, §1632.1; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.11]

100.12 Authority for inspection — orders.

The chief of a fire department or an authorized subordinate who is trained in fire prevention safety standards may enter a building or premises at a reasonable hour to examine the building or premises and its contents. The examining official shall order the correction of a condition which is in violation of this chapter, a rule adopted under this chapter, or a city or county fire safety ordinance. The order shall be in writing or, if the danger is imminent, orally followed by a written order. The examining official shall enforce the order in accordance with the applicable law or ordinance. At the request of the examining official the state fire marshal may assist in an enforcement action.

[C31, 35, §1632-c1; C39, §1632.2; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.12; 82 Acts, ch 1157, §1]

84 Acts, ch 1095, §5

100.13 Violations — orders.

1. If a person has violated or is violating a provision of this chapter or a rule adopted pursuant to this chapter, the state fire marshal, the chief of any fire department, or the fire prevention officer of a fire department organized under chapter 400 may issue an order directing the person to desist in the practice which constitutes the violation and to take corrective action as necessary to ensure that the violation will cease. The order shall be in writing and shall specify a reasonable time by which the person shall comply with the order. The person to whom the order is issued may appeal the order as provided in chapter 17A. On appeal, the administrative law judge may affirm, modify, or vacate the order. Judicial review may be sought in accordance with chapter 17A.

2. Notwithstanding any other provision of law to the contrary, if the state fire marshal determines that an emergency exists respecting any matter affecting or likely to affect the public safety, the fire marshal may issue any order necessary to terminate the emergency without notice or hearing. An emergency order is binding and effective immediately, until or

unless the order is modified, vacated, or stayed at an administrative hearing or by a district court.

[S13, §2468-j; C24, 27, 31, 35, 39, §1633; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.13; 82 Acts, ch 1157, §2]

94 Acts, ch 1078, §1

Referred to in §100.14

100.14 Legal proceedings — penalties — injunctive relief.

At the request of the state fire marshal, the county attorney shall institute any legal proceedings on behalf of the state necessary to obtain compliance or enforce the penalty provisions of this chapter or rules or orders adopted or issued pursuant to this chapter, including, but not limited to, a legal action for injunctive relief. The county attorney or any other attorney acting on behalf of the chief of a fire department or a fire prevention officer may institute legal proceedings, including, but not limited to, a legal action for injunctive relief, to obtain compliance or enforce the penalty provisions or orders issued pursuant to section 100.13.

[C24, 27, 31, 35, 39, §1634; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §100.14]

Referred to in §100.16

100.15 Hearing on review. Repealed by 94 Acts, ch 1078, §9.

100.16 Judicial review — court costs.

1. Judicial review of actions of the fire marshal may be sought in accordance with the terms of the Iowa administrative procedure Act pursuant to chapter 17A. If legal proceedings have been instituted pursuant to section 100.14, all related issues which could otherwise be raised in a proceeding for judicial review shall be raised in the legal proceedings instituted pursuant to section 100.14.

2. Upon judicial review of the fire marshal's action, if the court affirms the agency action, the court shall tax all court costs of the review proceeding against the appellant. However, if the court reverses, revokes, or annuls the fire marshal's action, the court shall tax all court costs of the review proceeding against the agency. If the fire marshal's action is modified or the matter is remanded to the agency for further proceedings, the court shall apportion the court costs within the discretion of the court.

100.18 Smoke detectors.

1. As used in this section:

a. "*Carbon monoxide alarm*" means a device which detects carbon monoxide and which incorporates an alarm-sounding unit operated from a power supply either in the unit or obtained at the point of installation.

b. "*Dormitory*" means a residential building or portion of a building at an educational institution which houses students in rooms not individually equipped with cooking facilities.

c. "*Fuel*" means coal, kerosene, oil, fuel gases, or other petroleum products or hydrocarbon products such as wood that emit carbon monoxide as a by-product of combustion.

d. "*Multiple-unit residential building*" means a residential building, an apartment house, or a portion of a building or an apartment house with two or more units, hotel, motel, dormitory, or rooming house.

e. "*Smoke detector*" means a device which detects visible or invisible particles of combustion and which incorporates control equipment and an alarm-sounding unit operated from a power supply either in the unit or obtained at the point of installation.

2. a. Except as provided in subsection 4, multiple-unit residential buildings and

single-family dwellings the construction of which is begun on or after July 1, 1991, shall include the installation of smoke detectors in compliance with the rules established by the state fire marshal under subsection 5.

b. The rules shall require the installation of smoke detectors in existing single-family rental units and multiple-unit residential buildings. Existing single-family dwelling units shall be equipped with approved smoke detectors. A person who files for a homestead credit pursuant to chapter 425 shall certify that the single-family dwelling unit for which the credit is filed has a smoke detector installed in compliance with this section, or that one will be installed within thirty days of the date the filing for the credit is made. The state fire marshal shall adopt rules and establish appropriate procedures to administer this subsection.

c. An owner or an owner's agent of a multiple-unit residential building or single-family dwelling shall supply light-emitting smoke detectors, upon request, for a tenant who is deaf or hard of hearing.

3. a. Multiple-unit residential buildings and single-family dwellings, the construction of which is begun on or after July 1, 2018, and that have a fuel-fired heater or appliance, a fireplace, or an attached garage, shall include the installation of carbon monoxide alarms in compliance with the rules established by the state fire marshal under subsection 5.

b. The rules shall require the installation of carbon monoxide alarms in existing single-family rental units and multiple-unit residential buildings that have a fuel-fired heater or appliance, a fireplace, or an attached garage. Existing single-family dwellings that have a fuel-fired heater or appliance, a fireplace, or an attached garage shall be equipped with approved carbon monoxide alarms. For purposes of this paragraph, "*approved carbon monoxide alarm*" means a carbon monoxide alarm that meets the standards established by the underwriters' laboratories or is approved by the state fire marshal as established by rule under subsection 5. A person who files for a homestead credit pursuant to chapter 425 shall certify that the single-family dwelling for which the credit is filed and that has a fuel-fired heater or appliance, a fireplace, or an attached garage, has carbon monoxide alarms installed in compliance with this section, or that such alarms will be installed within thirty days of the date the filing for the credit is made. The state fire marshal shall adopt rules and establish appropriate procedures to administer this subsection.

c. An owner of a multiple-unit residential building or a single-family rental unit that has a fuel-fired heater or appliance, a fireplace, or an attached garage, or an owner's agent, shall supply light-emitting carbon monoxide alarms, upon request, for a tenant who is deaf or hard of hearing.

d. The owner of a building requiring the installation of carbon monoxide alarms under this subsection shall install a carbon monoxide alarm in a location as specified by rules established by the state fire marshal under subsection 5, taking into account the number and location of all fuel sources in the building.

4. This section does not require the following:

a. The installation of smoke detectors in multiple-unit residential buildings which, on July 1, 1981, are equipped with heat detection devices or a sprinkler system with alarms approved by the state fire marshal.

b. The installation of smoke detectors in hotels, motels, and dormitories equipped with an automatic smoke detection system approved by the state fire marshal.

5. The state fire marshal shall enforce the requirements of subsections 2 and 3 and may implement a program of inspections to monitor compliance with the provisions of those subsections. Upon inspection, the state fire marshal shall issue a written notice to the owner or manager of a multiple-unit residential building or single-family rental unit informing the owner or manager of compliance or noncompliance with this section. The state fire marshal may contract with any political subdivision without fee assessed to either the state fire marshal or the political subdivision, for the performance of the inspection and notification responsibilities. The inspections authorized under this section are limited to the placement, repair, and operability of smoke detectors and carbon monoxide alarms. Any broader inspection authority is not derived from this section. The state fire marshal shall adopt rules under chapter 17A as necessary to enforce this section including rules concerning the placement of smoke detectors and carbon monoxide alarms and the use of acceptable

smoke detectors and carbon monoxide alarms. The smoke detectors and carbon monoxide alarms shall display a label or other identification issued by an approved testing agency or another label specifically approved by the state fire marshal.

6. The inspection of a building or notification of compliance or noncompliance under this section is not the basis for a legal cause of action against the political subdivision, state fire marshal, the fire marshal's subordinates, chiefs of local fire departments, building inspectors, or other fire, building, or safety officials due to a failure to discover a latent defect in the course of the inspection.

7. If a smoke detector or carbon monoxide alarm is found to be inoperable, the owner or manager of the multiple-unit residential building or single-family rental unit shall correct the situation within thirty days after written notification to the owner or manager by the tenant, guest, roomer, state fire marshal, fire marshal's subordinates, chiefs of local fire departments, building inspectors, or other fire, building, or safety officials. If the owner or manager of a multiple-unit residential building or single-family rental unit fails to correct the situation within the thirty days the tenant, guest, or roomer may cause the smoke detector or carbon monoxide alarm to be repaired or purchase and install a smoke detector or carbon monoxide alarm required under this section and may deduct the repair cost or purchase price from the next rental payment or payments made by the tenant, guest, or roomer. However, a lessor or owner may require a lessee, tenant, guest, or roomer who has a residency of longer than thirty days to provide the battery for a battery operated smoke detector or carbon monoxide alarm.

8. No person may render inoperable a smoke detector or carbon monoxide alarm which is required to be installed by this section by tampering.

9. A person who violates a provision of this section or a rule adopted pursuant to this section is guilty of a simple misdemeanor.

Subsection 3, paragraph c amended

100.19 Consumer fireworks seller licensing — penalty — fund.

1. As used in this section:

a. "APA 87-1" means the American pyrotechnics association standard 87-1, as published in December 2001.

b. "*Community group*" means a nonprofit entity that is open for membership to the general public which is exempt from federal income taxation pursuant to section 501(c)(3) of the Internal Revenue Code or a fraternal benefit society, as that term is defined in section 512B.3.

c. "*First-class consumer fireworks*" means the following consumer fireworks, as described in APA 87-1, chapter 3:

(1) Aerial shell kits and reloadable tubes.

(2) Chasers.

(3) Helicopter and aerial spinners.

(4) Firecrackers.

(5) Mine and shell devices.

(6) Missile-type rockets.

(7) Roman candles.

(8) Sky rockets and bottle rockets.

(9) Multiple tube devices under this paragraph "c" that are manufactured in accordance with APA 87-1, section 3.5.

d. "*Retailer*" means as defined in section 423.1.

e. "*Second-class consumer fireworks*" means the following consumer fireworks, as described in APA 87-1, chapter 3:

(1) Cone fountains.

(2) Cylindrical fountains.

(3) Flitter sparklers.

(4) Ground and hand-held sparkling devices, including multiple tube ground and hand-held sparkling devices that are manufactured in accordance with APA 87-1, section 3.5.

(5) Ground spinners.

(6) Illuminating torches.

(7) Toy smoke devices that are not classified as novelties pursuant to APA 87-1, section 3.2.

(8) Wheels.

(9) Wire or dipped sparklers that are not classified as novelties pursuant to APA 87-1, section 3.2.

2. *a.* The state fire marshal shall establish a consumer fireworks seller license. An application for a consumer fireworks seller license shall be made on a form provided by the state fire marshal. The state fire marshal shall adopt rules consistent with this section establishing minimum requirements for a retailer or community group to be issued a consumer fireworks seller license.

b. A person shall possess a consumer fireworks seller license under this section in order to sell consumer fireworks.

3. *a.* The state fire marshal shall establish a fee schedule for consumer fireworks seller licenses as follows:

(1) For a retailer at a permanent building who devotes fifty percent or more of the retailer's retail floor space to the sale or display of first-class consumer fireworks, an annual fee of one thousand dollars.

(2) For a retailer at a temporary structure who devotes fifty percent or more of the retailer's retail floor space to the sale or display of first-class consumer fireworks, an annual fee of five hundred dollars.

(3) For a retailer who devotes less than fifty percent of the retailer's retail floor space to the sale or display of first-class consumer fireworks, an annual fee of four hundred dollars.

(4) For a community group that offers for sale, exposes for sale, or sells first-class consumer fireworks, an annual fee of four hundred dollars.

(5) For a retailer or community group that offers for sale, exposes for sale, or sells second-class consumer fireworks, but not first-class consumer fireworks, an annual fee of one hundred dollars.

b. A license issued to a retailer or community group pursuant to paragraph "a", subparagraph (1), (2), (3), or (4), shall allow the licensee to sell both first-class consumer fireworks and second-class consumer fireworks.

4. The state fire marshal shall adopt rules to:

a. Require that any retailer or community group offering for sale at retail any consumer fireworks, as described in APA 87-1, chapter 3, shall do so in accordance with the national fire protection association standard 1124, published in the code for the manufacture, transportation, storage, and retail sales of fireworks and pyrotechnic articles, 2006 edition.

b. Require that a retailer or community group to be issued a license pursuant to this section provide proof of and maintain commercial general liability insurance with minimum per occurrence coverage of at least one million dollars and aggregate coverage of at least two million dollars.

c. Permit a retailer or community group issued a license pursuant to this section to sell consumer fireworks, as described in APA 87-1, chapter 3, at the following locations as specified:

(1) At a permanent building that meets the requirements of paragraph "a", between June 1 and July 8 and between December 10 and January 3 each year, all dates inclusive.

(2) At a temporary structure that meets the requirements of paragraph "a" between June 13 and July 8 each year, both dates inclusive.

5. A retailer or community group shall not transfer consumer fireworks, as described in APA 87-1, chapter 3, to a person who is under eighteen years of age.

6. *a.* The state fire marshal shall adopt rules to provide that a person's consumer fireworks seller license may be revoked for the intentional violation of this section. The proceedings for revocation shall be held before the division of the state fire marshal, which may revoke the license or licenses involved as provided in paragraph "b".

b. (1) If, upon the hearing of the order to show cause, the division of the state fire marshal finds that the licensee intentionally violated this section, then the license or licenses under which the licensed retailer or community group sells first-class consumer fireworks or second-class consumer fireworks, shall be revoked.

(2) Judicial review of actions of the division of the state fire marshal may be sought in accordance with the terms of the Iowa administrative procedure Act, chapter 17A. If the licensee has not filed a petition for judicial review in district court, revocation shall date from the thirty-first day following the date of the order of the division of the state fire marshal. If the licensee has filed a petition for judicial review, revocation shall date from the thirty-first day following entry of the order of the district court, if action by the district court is adverse to the licensee.

(3) A new license shall not be issued to a person whose license has been revoked, or to the business in control of the premises on which the violation occurred if it is established that the owner of the business had actual knowledge of the violation resulting in the license revocation, for the period of one year following the date of revocation.

7. a. A consumer fireworks fee fund is created in the state treasury under the control of the state fire marshal. Notwithstanding section 12C.7, interest or earnings on moneys in the consumer fireworks fee fund shall be credited to the consumer fireworks fee fund. Moneys in the fund are appropriated to the state fire marshal to be used to fulfill the responsibilities of the state fire marshal for the administration and enforcement of this section and section 100.19A and to provide grants pursuant to paragraph “b”. The fund shall include the fees collected by the state fire marshal under the fee schedule established pursuant to subsection 3 and the fees collected by the state fire marshal under section 100.19A for wholesaler registration.

b. The state fire marshal shall establish a local fire protection and emergency medical service providers grant program to provide grants to local fire protection service providers and local emergency medical service providers to establish or provide fireworks safety education programming to members of the public. The state fire marshal may also provide grants to local fire protection service providers and local emergency medical service providers for the purchase of necessary enforcement, protection, or emergency response equipment related to the sale and use of consumer fireworks in this state.

8. The state fire marshal shall adopt rules for the administration of this section.

9. A person who violates a provision of this section or a rule adopted pursuant to this section is guilty of a simple misdemeanor.

100.26 Time for compliance with order — penalty.

If a petition of review has not been filed or the court on review has affirmed or modified an order for the removal, destruction, or repair of a building, or the removal of any of its contents, or the change of any of its conditions, the owner, lessee, or occupant shall comply with the order within thirty days after the delivery of the order or a copy of the order to the person, either personally or by certified letter to the last known address, or by service upon the person's appointed agent. Failure of the owner, lessee, or occupant to comply with the order shall subject the owner, lessee, or occupant to a penalty of ten dollars for each day of failure or neglect after the expiration of the period. The penalty shall be recovered in the name of the state and paid into the treasury of the political subdivision which issues the order or the treasurer of state if the order is issued by the state. If the owner, lessee, or occupant cannot reasonably comply with the order within thirty days and a good faith effort at compliance has been made within thirty days, the owner, lessee, or occupant shall not be subject to a penalty under this section. However, the penalty may be imposed on the person upon a failure to continue the good faith compliance with the order.

100.31 Fire and tornado drills in schools — warning systems — inspections.

1. It shall be the duty of the state fire marshal and the fire marshal's designated subordinates to require all private and public school officials and teachers to conduct not less than four fire drills and not less than four tornado drills in all school buildings during each school year when school is in session; and to require the officials and teachers of all schools to keep all doors and exits of their respective rooms and buildings unlocked when occupied during school hours or when such areas are being used by the public at other times. Not less than two drills of each type shall be conducted between July 1 and December 31 of each year and not less than two drills of each type shall be conducted between January 1 and June 30 of each year.

2. Every school building with two or more classrooms shall have a warning system for fires of a type approved by the underwriters' laboratories and by the state fire marshal. The warning system shall be used only for fire drills or as a warning for emergency. Schools may modify the fire warning system for use as a tornado warning system or shall install a separate tornado warning system. Every school building shall also be equipped with portable

fire extinguishers, with the type, size and number in accordance with national fire protection association standards and approved by the state fire marshal.

3. The state fire marshal or the fire marshal's deputies shall cause each public or private school, college or university to be inspected at least once every two years to determine whether each school meets the fire safety standards of this Code and is free from other fire hazards. Provided, however, that cities which employ fire department inspectors shall cause such inspections to be made.

100.35 Rules of marshal — penalties.

1. The fire marshal shall adopt, and may amend rules under chapter 17A, which include standards relating to exits and exit lights, fire escapes, fire protection, fire safety and the elimination of fire hazards, in and for churches, schools, hotels, theaters, amphitheatres, hospitals, health care facilities as defined in section 135C.1, boarding homes or housing, rest homes, dormitories, college buildings, lodge halls, club rooms, public meeting places, places of amusement, apartment buildings, food establishments as defined in section 137F.1, and all other buildings or structures in which persons congregate from time to time, whether publicly or privately owned. Violation of a rule adopted by the fire marshal is a simple misdemeanor. However, upon proof that the fire marshal gave written notice to the defendant of the violation, and proof that the violation constituted a clear and present danger to life, and proof that the defendant failed to eliminate the condition giving rise to the violation within thirty days after receipt of notice from the fire marshal, the penalty is that provided by law for a serious misdemeanor. Each day of the continuing violation of a rule after conviction of a violation of the rule is a separate offense. A conviction is subject to appeal as in other criminal cases.

2. Rules by the fire marshal affecting the construction of new buildings, additions to buildings or rehabilitation of existing buildings and related to fire protection, shall be substantially in accord with the provisions of the nationally recognized building and related codes adopted as the state building code pursuant to section 103A.7 or with codes adopted by a local subdivision which are in substantial accord with the codes comprising the state building code.

3. The rules adopted by the state fire marshal under this section shall provide standards for fire resistance of cellulose insulation sold or used in this state, whether for public or private use. The rules shall provide for approval of the cellulose insulation by at least one nationally recognized independent testing laboratory.

1. All buildings approved for construction after July 1, 1998, that exceed four stories in height, or seventy-five feet above grade, shall require the installation of an approved automatic fire extinguishing system designed and installed in conformity with rules promulgated by the state fire marshal pursuant to this chapter.

2. The requirements of this section shall not apply to the following:

a. Any noncombustible elevator storage structure or any noncombustible plant building with noncombustible contents.

b. Any combustible elevator storage structure that is equipped with an approved drypipe, nonautomatic sprinkler and automatic alarm system.

c. Buildings in existence or under construction on August 15, 1975. However, if subsequent to that date any building is enlarged or altered beyond the height limitations applicable to new buildings, such building in its entirety shall be subject to all the provisions of this section.

d. Any open parking garage structure which is in compliance with rules adopted by the state fire marshal.

3. Plans and installation of systems shall be approved by the state fire marshal, a designee of the state fire marshal, or local authorities having jurisdiction. Except where local fire protection regulations are more stringent, the provisions of this section shall be applicable to all buildings, whether privately or publicly owned. The definition of terms shall be in conformity, insofar as possible, with definitions found in the state building code adopted pursuant to section 103A.7.

4. Any person violating the provisions of this section is guilty of a misdemeanor and shall, upon conviction, be subject to a fine not to exceed one hundred dollars or by imprisonment in the county jail for not more than thirty days, or be subject to both such fine and imprisonment.

100.40 Marshal may prohibit open burning on request.

1. The state fire marshal, during periods of extremely dry conditions or under other conditions when the state fire marshal finds open burning constitutes a danger to life or property, may prohibit open burning in an area of the state at the request of the chief of a local fire department, a city council or a board of supervisors and when an investigation supports the need for the prohibition. The state fire marshal shall implement the prohibition by issuing a proclamation to persons in the affected area. The chief of a local fire department, the city council or the board of supervisors that requested the prohibition may rescind the proclamation after notifying the state fire marshal of the intent to do so, when the chief, city council or board of supervisors finds that the conditions responsible for the issuance of the proclamation no longer exist.

2. Violation of a prohibition issued under this section is a simple misdemeanor.

3. A proclamation issued by the state fire marshal pursuant to this section shall not prohibit a supervised, controlled burn for which a permit has been issued by the fire chief of the fire district where the burn will take place, the use of outdoor fireplaces, barbecue grills, properly supervised landfills, or the burning of trash in incinerators or trash burners made

of metal, concrete, masonry, or heavy one-inch wire mesh, with no openings greater than one square inch.

SUBCHAPTER II

ARSON INSPECTION WARRANTS

100.51 Application for warrant.

If consent to inspect property damaged or destroyed by fire to determine the cause, origin and circumstances of the fire or to inspect property subject to rules adopted under section 100.35 has been refused to the official authorized to make the inspection, the state fire marshal, a state arson investigator or official authorized to make such an inspection may apply to the district court for a special inspection warrant for authority to conduct the inspection.

[81 Acts, ch 47, §3]

100.52 Grounds for issuance.

1. The judicial officer shall review the application and may take sworn testimony or receive affidavits to supplement the application.

2. If the judicial officer is satisfied that there are legal grounds under the circumstances specified in the application and any supplementary testimony taken sufficient to justify the issuance of an inspection warrant, an inspection warrant shall be issued.

[81 Acts, ch 47, §4]
2019 Acts, ch 59, §41

100.53 Warrant requirements.

Each inspection warrant issued under this chapter shall:

1. State the grounds for its issuance.
2. Be directed to the applicant or some other designated person authorized to conduct the inspection.
3. Command the person to whom it is directed to inspect the area, premises, building or conveyance identified for the purpose specified and, if appropriate, direct the seizure of property specified.
4. Identify the item or type of property, if any, to be seized.
5. Direct that it be served, if appropriate, during normal business hours and designate the magistrate to whom it shall be returned.

[81 Acts, ch 47, §5]

100.54 Execution of warrant.

1. A warrant issued under this chapter must be executed and returned within ten days from the date of issuance unless, upon the showing of a need for additional time, the court so instructs otherwise in the warrant. A copy of the warrant shall be delivered to a person in charge of the premises being inspected or, if no one is present, a copy of the warrant shall be posted upon the premises. If property is seized pursuant to a warrant, the person executing the warrant shall give to the person from whom the property is seized, or the person in charge of the premises from which the property is seized, a receipt for the property seized or shall

leave the copy and receipt at the place from which the property is seized. The return of the warrant shall be made promptly and accompanied by a written inventory of property seized. The inventory shall be made in the presence of the person executing the warrant and of the person from whose possession or premises the property was seized, if they are present, or in the presence of at least one credible person other than the person executing the warrant.

2. A copy of the return, the inventory and any receipts issued shall be promptly filed with the clerk of the district court for the county in which the inspection is made.

STATE FIRE PROTECTION SERVICES

100B.1 State fire service and emergency response council.

1. The state fire service and emergency response council is established in the division of state fire marshal of the department of public safety.

a. The council shall consist of eleven voting members and one ex officio, nonvoting member. Voting members of the state fire service and emergency response council shall be appointed by the governor.

(1) The governor shall appoint voting members of the council from a list of nominees submitted by each of the following organizations:

- (a) Two members from a list submitted by the Iowa firefighters association.
- (b) Two members from a list submitted by the Iowa fire chiefs' association.
- (c) Two members from a list submitted by the Iowa professional fire fighters.
- (d) Two members from a list submitted by the Iowa association of professional fire chiefs.
- (e) One member from a list submitted by the Iowa emergency medical services association.

(2) A person nominated for inclusion in the voting membership on the council is not required to be a member of the organization that nominates the person.

(3) The tenth and eleventh voting members of the council shall be members of the general public appointed by the governor.

(4) The labor commissioner, or the labor commissioner's designee, shall be a nonvoting, ex officio member of the council.

b. Members of the council shall hold office commencing July 1, 2000, for four years and until their successors are appointed, except that three initial appointees shall be appointed for two years, four initial appointees for three years, and four initial appointees for four years.

c. The fire marshal or the fire marshal's designee shall attend each meeting of the council.

2. Each voting member of the council shall receive per diem compensation at the rate as specified in section 7E.6 for each day spent in the performance of the member's duties. All members of the council shall receive actual and necessary expenses incurred in the performance of their duties.

3. Six voting members of the council shall constitute a quorum. For the purpose of conducting business, a majority vote of the council shall be required. The council shall elect a chairperson from its members. The council shall meet at the call of the chairperson, or the state fire marshal, or when any six members of the council file a written request with the chairperson for a meeting.

4. If a voting member of the council is absent for fifty or more percent of council meetings during any twelve-month period, the other council members by their unanimous vote may declare the member's position on the council vacant. A vacancy in the membership of the council shall be filled by appointment of the governor for the balance of the unexpired term.

100B.2 Duties.

The state fire service and emergency response council shall:

1. Advise and confer with the state fire marshal in matters relating to fire protection services including, but not limited to, training.

2. Cooperate with and assist agencies concerning fire emergency services matters and may, at the request of the state fire marshal or the chairperson of the council, hold public hearings for the purpose of seeking resolution of, or making recommendations on, fire services issues.

3. Develop, in consultation with the state fire marshal, the policies of the fire service training bureau of the division of state fire marshal.

4. Develop and submit to the state fire marshal for adoption rules establishing minimum training standards for fire service training that will be applicable statewide, periodically review these standards, and offer rules as deemed appropriate.

5. Provide recommendations to the state fire marshal that will facilitate the delivery of basic level fire fighter training at the local level.

6. Provide recommendations to the state fire marshal for a fee schedule for training and consultation services as necessary for the administration of this chapter.

7. Prepare annual performance reviews of training administrators for submittal to the state fire marshal.

8. Hear testimony from the labor commissioner, or the labor commissioner's designee, on inspections and investigations involving occupational safety and health standards for fire fighters and conducted by the office of the labor commissioner.

2000 Acts, ch 1117, §9

100B.3 Training agreements.

1. The state fire marshal shall enter into written agreements with other public agencies that have established regional emergency response training centers under section 100B.22 to provide training in conjunction with training provided by the fire service training bureau. Moneys appropriated shall not be distributed by the department of public safety to a regional training center until such an agreement has been entered into with the regional training center.

2. The state fire marshal may enter into written agreements with other educational institutions to assist in research conducted by the bureau.

2000 Acts, ch 1117, §10; 2006 Acts, ch 1179, §40, 67; 2019 Acts, ch 24, §104

100B.4 Fees — retention — use — fund.

1. Fees assessed pursuant to this chapter shall be retained by the division of state fire marshal and such repayments received shall be used exclusively to offset the cost of fire service training. Fees charged by regional emergency response training centers for fire service training programs as described in section 100B.6 shall not be greater than the fee schedule established by rule by the state fire marshal.

2. Notwithstanding section 8.33, repayment receipts collected by the division of state fire marshal for the fire service training bureau that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

3. A fire service training revolving fund is created in the state treasury under the control of the department of public safety. The fund shall consist of fees assessed pursuant to this section, and deposited into the fire service training revolving fund. All moneys in the fund are appropriated to the department of public safety for purposes of fire service training and shall

be under the control of the state fire marshal. Notwithstanding section 8.33, moneys in the fund that remain unencumbered or unobligated at the close of a fiscal year shall not revert but shall remain available for expenditures for the purposes designated until the close of the succeeding fiscal year. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys in the fund shall be credited to the fund.

100B.5 Budget.

The state fire marshal and the state fire service and emergency response council shall prepare an annual budget for the council and the fire service training bureau. The budget shall be transmitted to the commissioner of public safety for inclusion in that department's budget.

2000 Acts, ch 1117, §12

100B.6 Fire service training bureau.

1. The state fire service and emergency response council shall assist in operation of a fire service training bureau for instructing the general public and fire protection personnel throughout the state, providing service to public and private fire departments in the state, conducting research in the methods of maintaining and improving fire education consistent with the needs of Iowa communities, and performing any other functions assigned to the bureau by the state fire marshal in consultation with the state fire service and emergency response council.

2. Enrollment and attendance in fire service training bureau programs may include persons engaged with a unit of government or a public or private fire department in the state, including volunteer, trainee, or employed fire fighters.

3. Programs conducted by the fire service training bureau shall include at a minimum instruction in the subjects necessary for the certification of persons in accordance with a nationally recognized fire fighter qualification system as approved by the state fire service and emergency response council. At the direction of the state fire marshal in consultation with the state fire service and emergency response council, the fire service training bureau may develop and conduct programs which extend beyond the programs directly related to such system.

2000 Acts, ch 1117, §13

Referred to in §100B.4, 100B.22

100B.7 Administrator — appointment — duties.

1. The administrator of the fire service training bureau shall be appointed by the commissioner of public safety, subject to the approval of the state fire service and emergency response council.

2. The state fire marshal shall direct the administrator to:

- a. Provide direct oversight to the operations of the fire service training bureau.
- b. Manage the budget of the fire service training bureau consistent with budgeting methods as may be required by the department of public safety or the state of Iowa.
- c. Advise, confer, and consult with the state fire service and emergency response council in developing rules establishing minimum standards for fire service training.
- d. Advise, confer, and consult regularly with the state fire service and emergency response council to seek input and recommendations on all facets of fire service training programs in Iowa.
- e. Maintain a statewide system to provide basic level fire fighter training at the local level.
- f. Distribute instructional and educational materials to support the fire training and education programs offered by the department of public safety.
- g. Recruit and train qualified instructors for the training program.
- h. Maintain training records as directed by the state fire marshal and necessary to accomplish the purposes of training programs.
- i. Establish, with the approval of the state fire service and emergency response council,

a fee schedule for training services that will ensure quality training at the most reasonable price.

j. Offer programs of education and instruction approved by the state fire service and emergency response council and conducted by qualified staff and faculty.

k. Plan and coordinate fire schools and other short courses of instruction on a statewide, regional, and local level, utilizing existing educational institutions, programs, and facilities as provided in sections 100B.22 and 100B.24.

l. Prepare for the state fire marshal and the state fire service and emergency response council an annual report of activities that include a summary of classes taught, budget, and staff activities. The annual report shall include a report of the activities of each regional emergency response training center established under section 100B.22.

m. Provide supervision and management to the fire service training bureau staff consistent with the methods of the department of public safety and as assigned by the state fire marshal.

n. Consult with the state fire service and emergency response council in preparing an annual legislative and budgetary agenda that will address items necessary to accomplish the provisions of this chapter, and submit this agenda to the state fire marshal in a format and time frame consistent with departmental policy.

o. Develop mechanisms by which fire fighters and others may earn college credits and degrees in fire-related disciplines.

p. Develop instructional and educational materials to support the fire training and education programs offered by the council.

q. Develop and offer other programs and services consistent with the general purposes of the council.

100B.14 Volunteer job protection.

1. This section shall be known as the “*Volunteer Emergency Services Providers Job Protection Act*”.

2. For the purposes of this section, “*volunteer emergency services provider*” means a volunteer fire fighter as defined in section 85.61, a reserve peace officer as defined in section 80D.1A, an emergency medical care provider as defined in section 147A.1, or other personnel having voluntary emergency service duties and who are not paid full-time by the entity for which the services are performed in the local service area, in a mutual aid agreement area, or in a governor-declared state of disaster emergency area.

3. A public or private employer shall not terminate the employment of an employee for joining a volunteer emergency services unit or organization, including but not limited to any municipal, rural, or subscription fire department.

4. If an employee has provided the employee’s public or private employer with written notification that the employee is a volunteer emergency services provider, the employer shall not terminate the employment of a volunteer emergency services provider who, because the employee was fulfilling the employee’s duties as a volunteer emergency services provider, is absent from or late to work.

5. An employer may deduct from an employee’s regular pay an amount of regular pay for the time that an employee who is a volunteer emergency services provider is absent from work while performing duties as a volunteer emergency services provider.

6. An employer may request that an employee who is a volunteer emergency services

provider and who is absent from or late to work while responding to an emergency provide the employer with a written statement from the supervisor or acting supervisor of the volunteer emergency services unit or organization stating that the employee responded to an emergency and stating the date and time of the emergency.

7. An employee who is a volunteer emergency services provider and who may be absent from or late to work while performing duties as a volunteer emergency services provider shall notify the employer as soon as possible that the employee may be absent or late.

8. An employer shall determine whether an employee may leave work to respond to an emergency as part of the employee's volunteer emergency services provider duties.

9. An employee whose employment is terminated in violation of this section may bring a civil action against the employer. The employee may seek reinstatement to the employee's former position, payment of back wages, reinstatement of fringe benefits, and, where seniority rights are granted, reinstatement of seniority rights. If the employee prevails in such an action, the employee shall be entitled to an award of reasonable attorney fees and the costs of the action. An employee must commence such an action within one year after the date of termination of the employee's employment.

100B.22 Regional emergency response training centers.

1. *a.* Regional emergency response training centers shall be established to provide training to fire fighters and other emergency responders. The lead public agency for the training centers shall be the following community colleges for the following merged areas:

(1) Northeast Iowa community college for merged area I in partnership with the Dubuque county firemen's association and to provide advanced training in agricultural emergency response as such advanced training is funded by the department of homeland security and emergency management.

(2) North Iowa area community college for merged area II in partnership with the Mason City fire department.

(3) Iowa lakes community college for merged area III and northwest Iowa community college for merged area IV.

(4) Iowa central community college for merged area V and to provide advanced training

in homeland security as such advanced training is funded by the department of homeland security and emergency management.

(5) Hawkeye community college for merged area VII in partnership with the Waterloo regional hazardous materials training center and to provide advanced training in hazardous materials emergency response as such advanced training is funded by the department of homeland security and emergency management.

(6) Eastern Iowa community college for merged area IX in partnership with the city of Davenport fire department.

(7) Kirkwood community college for merged area X in partnership with the city of Coralville fire department and the Iowa City fire department and to provide advanced training in agricultural terrorism response and mass casualty and fatality response as such advanced training is funded by the department of homeland security and emergency management.

(8) Des Moines area community college for merged area XI and Iowa valley community college for merged area VI and to provide advanced training in operations integration in compliance with the national incident management system as such advanced training is funded by the department of homeland security and emergency management.

(9) Western Iowa technical community college for merged area XII in partnership with the Sioux City fire department and to provide advanced training in emergency responder communications as such advanced training is funded by the department of homeland security and emergency management.

(10) Iowa western community college for merged areas XIII and XIV in partnership with southwestern community college and the Council Bluffs fire department.

(11) Southeastern Iowa community college for merged areas XV and XVI in partnership with Indian hills community college and the city of Fort Madison fire department.

b. The public agencies named in paragraph "a", shall, in conjunction with the bureau, coordinate fire service training programs as described in section 100B.6 at each training center.

2. a. A lead public agency listed in subsection 1, paragraph "a", shall submit an application to the bureau in order to be eligible to receive a state appropriation for the agency's training center. The bureau shall prescribe the form of the application and, on or before August 15, 2006, shall provide such application to each lead public agency.

b. An applicant lead public agency shall indicate on the application the location of the proposed training center. An applicant shall also include on the application the location of any existing facilities required in section 100B.23 and located in the training region. The application shall be accompanied by letters from public agencies and private businesses in the merged area stating an intent to participate in, and provide for financial support for, establishment and activities of the training center.

c. By January 10 of each year, the bureau shall submit to the general assembly a list of applications received and the action taken by the bureau on each application. The bureau shall, upon request, provide the applications and supporting documentation submitted by each applicant.

3. a. In selecting a location for a proposed training center, an applicant lead public agency shall consider, and address in the application, all of the following:

(1) The availability and proximity of quality classroom space with adequate audio-visual support.

(2) The availability and adequate supply from area emergency response service entities of equipment which supports training.

(3) A site where limited, safe open burning would not be challenged or prohibited due to environmental issues or community concerns.

(4) Proximity to a medical facility.

(5) The availability of water mains, roadway, drainage, electrical service, and reasonably flat terrain.

(6) Accessibility to area fire departments.

b. The application shall include letters of support for the recommended site from emergency response entities in the region.

4. Applications must be submitted to the bureau by September 15, 2006, in order for a training center to be eligible to receive state funds in the fiscal year beginning July 1, 2006, if funds are appropriated to that training center for that fiscal year. The bureau shall review and approve an application and, if approved, distribute funds appropriated for that training center within thirty days of receiving the application from the applicant. State funds that have been appropriated for use by a specified training center shall be distributed to that training center as soon as possible after the bureau approves such training center's application.

5. The application shall list the training facilities to be required in order for a training center to provide training to fire fighters and other emergency responders. If a lead agency or a partner of a lead agency already owns or utilizes a required training facility, that facility shall not be duplicated when constructing the required training facilities listed on the application.

6. The state fire marshal may adopt administrative rules under section 17A.4, subsection 3, and section 17A.5, subsection 2, paragraph "b", to administer this section.

2006 Acts, ch 1179, §44, 67; 2007 Acts, ch 219, §33; 2008 Acts, ch 1031, §31, 32, 102; 2013 Acts, ch 29, §44

Referred to in §100B.3, 100B.7, 100B.21, 100B.23

100B.23 Training center facilities — advanced training — inspections.

1. Each training center is required to have the facilities listed on the application in section 100B.22. In addition, each training center assigned an area of advanced training as specified in section 100B.22 is required to have facilities to support instruction in its area of advanced training. These facilities shall include facilities and structures to support full-scale training exercises in such area of advanced training as recommended or required by any applicable state or national training facility standards.

2. The bureau shall inspect the facilities of each training center to ensure compliance with the requirements of this section.

2006 Acts, ch 1179, §45, 67

Referred to in §100B.22

100B.24 Training provided.

1. Training centers shall provide fire service training in accordance with curriculum approved by the bureau. The bureau, in cooperation with the public agencies operating the training centers, shall provide the necessary training materials, curriculum, training aids, and training schedule.

2. Training centers may provide emergency response service training in addition to fire service training. A training center shall offer joint training exercises to emergency responders. The bureau shall work in conjunction with those state agencies charged with developing training standards for emergency response service training to develop a curriculum and standards for emergency response service training provided by a training center.

3. A training center shall offer training to any emergency responder who applies for training at the training center regardless of the emergency responder's place of residence or employment.

2006 Acts, ch 1179, §46, 67

Referred to in §100B.7

100B.25 Agreements for training and financial assistance — authority.

A public agency operating a training center may enter into agreements under chapter 28E to provide emergency response service training to emergency responders. The agreements may provide for financial contributions from participating public agencies, private fire departments, and emergency response service entities and may provide for in-kind contributions of land, equipment, and personnel from such public agencies, private fire departments, and other entities providing emergency response services.

PROVIDER DEATH BENEFIT

100B.31 Volunteer emergency services provider death benefit — eligibility.

1. There is appropriated annually from the general fund of the state to the department of administrative services an amount sufficient to pay death benefit claims under this section. The director of the department of administrative services shall issue warrants for payment of death benefit claims approved for payment by the department of public safety under subsection 2.

2. *a.* If the department of public safety determines, upon the receipt of evidence and proof from the fire chief or supervising officer, that the death of a volunteer emergency services provider was the direct and proximate result of a traumatic personal injury incurred in the line of duty as a volunteer, a line of duty death benefit in an amount of one hundred thousand dollars shall be paid in a lump sum to the volunteer emergency services provider's beneficiary. A line of duty death benefit payable under this subsection shall be in addition to any other death benefit payable to the volunteer emergency services provider.

b. A line of duty death benefit shall not be payable under this subsection if any of the following applies:

(1) (a) The death resulted from stress, strain, occupational illness, or a chronic, progressive, or congenital illness, including but not limited to a disease of the heart, lungs, or respiratory system, unless a traumatic personal injury was a substantial contributing factor to the volunteer emergency services provider's death.

(b) However, if the death was the direct and proximate result of a heart attack or stroke, the volunteer emergency services provider shall be presumed to have died as a result of a traumatic personal injury if the provider engaged in a nonroutine stressful or strenuous physical activity within the scope of the provider's duties and the death resulted while engaging in that activity, while still on duty after engaging in that activity, or not later than twenty-four hours after engaging in that activity, and the presumption is not overcome by competent medical evidence to the contrary. For purposes of this subparagraph division, "*nonroutine stressful or strenuous physical activity*" includes but is not limited to nonroutine stressful or strenuous physical law enforcement, fire suppression, rescue, hazardous material response, emergency medical services, prison security, disaster relief, emergency response, and training exercise activities. "*Nonroutine stressful or strenuous physical activity*" does not include activities of a clerical, administrative, or nonmanual nature.

(2) The death was caused by the intentional misconduct of the volunteer emergency services provider or by such provider's intent to cause the provider's own death.

(3) The volunteer emergency services provider was voluntarily intoxicated at the time of death.

(4) The volunteer emergency services provider was performing the provider's duties in a grossly negligent manner at the time of death.

(5) A beneficiary who would otherwise be entitled to a benefit under this subsection was, through the beneficiary's actions, a substantial contributing factor to the volunteer emergency services provider's death.

3. For purposes of this section, "*volunteer emergency services provider*" means any of the following:

a. A volunteer fire fighter as defined in section 85.61.

b. A person performing the functions of an emergency medical care provider as defined in section 147A.1 who was not paid full-time by the entity for which such services were being performed at the time the incident giving rise to the death occurred.

c. A reserve peace officer as defined in section 80D.1A.

100B.41 Donation of fire fighting, emergency medical response, and law enforcement equipment.

A fire department, emergency medical services provider, or law enforcement agency may donate used vehicles or equipment to an organization that provides fire response or emergency medical services, or to a law enforcement agency. An entity making a good faith donation of equipment pursuant to this section shall be immune from civil liability from any claim arising from the performance, failure to perform, nature, age, condition, or packaging of any vehicle or equipment used in fire fighting, emergency medical response, or law enforcement.

CHAPTER 100C

FIRE EXTINGUISHING AND ALARM SYSTEMS CONTRACTORS AND INSTALLERS

Referred to in §100.1, 100D.1, 103.14, 105.11

100C.1	Definitions.	100C.9	Deposit and use of moneys collected.
100C.2	Certification — employees.	100C.10	Fire extinguishing system contractors and alarm systems advisory board.
100C.3	Application — information to be provided.	100C.11	Alarm systems — fees or fines — limitations.
100C.4	Insurance.	100C.12	Collection of fees.
100C.5	Suspension and revocation.		
100C.6	Applicability.		
100C.7	Administration — rules.		
100C.8	Penalties.		

100C.1 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Alarm system*” means a system or portion of a combination system that consists of components and circuits arranged to monitor and annunciate the status of a fire alarm, security alarm, or nurse call or supervisory signal-initiating devices and to initiate the appropriate response to those signals, but does not mean any such security system or portion of a combination system installed in a prison, jail, or detention facility owned by the state, a political subdivision of the state, the department of human services, or the Iowa veterans home.

2. “*Alarm system contractor*” means a person engaging in or representing that the person is engaging in the business of layout, installation, repair, alteration, addition, maintenance, or maintenance inspection of alarm systems in this state.

3. “*Alarm system installer*” means a person engaged in the layout, installation, repair, alteration, addition, or maintenance of alarm systems as an employee of an alarm system contractor, or as an employee of any employer other than an alarm system contractor in a building or facility owned or occupied by such employer.

4. “*Automatic dry-chemical extinguishing system*” means a system supplying a powder composed of small particles, usually of sodium bicarbonate, potassium bicarbonate, urea-potassium-based bicarbonate, potassium chloride, or monoammonium phosphate, with added particulate material supplemented by special treatment to provide resistance to packing, resistance to moisture absorption, and the proper flow capabilities.

5. “*Automatic fire extinguishing system*” means a system of devices and equipment that automatically detects a fire and discharges an approved fire extinguishing agent onto or in the area of a fire and includes automatic sprinkler systems, carbon dioxide extinguishing systems, deluge systems, automatic dry-chemical extinguishing systems, foam extinguishing

systems, and halogenated extinguishing systems, or other equivalent fire extinguishing technologies recognized by the fire extinguishing system contractors advisory board.

6. “*Automatic sprinkler system*” means an integrated fire protection sprinkler system usually activated by heat from a fire designed in accordance with fire protection engineering standards and includes a suitable water supply. The portion of the system above the ground is a network of specially sized or hydraulically designed piping installed in a structure or area, generally overhead, and to which automatic sprinklers are connected in a systematic pattern.

7. “*Carbon dioxide extinguishing system*” means a system supplying carbon dioxide from a pressurized vessel through fixed pipes and nozzles and includes a manual or automatic actuating mechanism.

8. “*Deluge system*” means a sprinkler system employing open sprinklers attached to a piping system connected to a water supply through a valve that is opened by the operation of a detection system installed in the same area as the sprinklers.

9. “*False alarm*” means the activation of an alarm system when a situation requiring emergency response does not actually exist. For purposes of this chapter, “*false alarm*” does not include the activation of an alarm system as a result of weather conditions.

10. “*Fire extinguishing system contractor*” means a person engaging in or representing oneself to the public as engaging in the activity or business of layout, installation, repair, alteration, addition, maintenance, or maintenance inspection of automatic fire extinguishing systems in this state.

11. “*Foam extinguishing system*” means a special system discharging foam made from concentrates, either mechanically or chemically, over the area to be protected.

12. “*Halogenated extinguishing system*” means a fire extinguishing system using one or more atoms of an element from the halogen chemical series of fluorine, chlorine, bromine, and iodine.

13. “*Maintenance inspection*” means periodic inspection and certification completed by a fire extinguishing system contractor. For purposes of this chapter, “*maintenance inspection*” does not include an inspection completed by a local building official, fire inspector, or insurance inspector, when acting in an official capacity.

14. “*Responsible managing employee*” means one of the following:

a. An owner, partner, officer, or manager employed full-time by a fire extinguishing system contractor who is certified by the national institute for certification in engineering technologies at a level three in fire protection technology, automatic sprinkler system layout, or another certification in automatic sprinkler system layout recognized by rules adopted by the fire marshal pursuant to section 100C.7 or who meets any other criteria established by rule.

b. An owner, partner, officer, or manager employed full-time by an alarm system contractor who is certified by the national institute for certification in engineering technologies in fire alarm systems or security systems at a level established by the fire marshal by rule or who meets any other criteria established by rule under this chapter. The rules may provide for separate endorsements for fire alarm systems, security alarm systems, and nurse call systems and may require separate qualifications for each.

2004 Acts, ch 1125, §2, 17; 2007 Acts, ch 197, §2, 3, 50; 2008 Acts, ch 1092, §1 – 3, 32; 2009 Acts, ch 41, §31; 2020 Acts, ch 1121, §86, 90

Referred to in §100D.1

NEW subsection 9 and former subsections 9 – 13 renumbered as 10 – 14

100C.2 Certification — employees.

1. A person shall not act as a fire extinguishing system contractor without first obtaining a fire extinguishing system contractor’s certificate pursuant to this chapter.

2. A person shall not act as an alarm system contractor without first obtaining an alarm system contractor’s certificate pursuant to this chapter. A person shall not act as an alarm system installer without first obtaining an alarm system contractor’s or alarm system installer’s certificate pursuant to this chapter.

3. a. A responsible managing employee may act as a responsible managing employee

for only one fire extinguishing system contractor at a time. The responsible managing employee shall not be designated as the responsible managing employee for more than two fire extinguishing system contractors in any twelve-month period.

b. A responsible managing employee may act as a responsible managing employee for only one alarm system contractor at a time. The responsible managing employee shall not be designated as the responsible managing employee for more than two alarm system contractors in any twelve-month period.

c. A responsible managing employee may serve as the responsible managing employee for a fire extinguishing system contractor and an alarm system contractor at the same time, provided that the fire extinguishing system contractor and the alarm system contractor are the same business, and that the person designated as the responsible managing employee meets the responsible managing employee criteria established for each certification.

4. a. An employee of a certified fire extinguishing system contractor working under the direction of a responsible managing employee is not required to obtain and maintain an individual fire extinguishing system contractor's certificate.

b. An employee or subcontractor of a certified alarm system contractor who is an alarm system installer, and who is not licensed pursuant to chapter 103 shall obtain and maintain certification as an alarm system installer and shall meet and maintain qualifications established by the state fire marshal by rule.

2004 Acts, ch 1125, §3, 17; 2007 Acts, ch 197, §4, 50; 2008 Acts, ch 1092, §4, 32

100C.3 Application — information to be provided.

1. A fire extinguishing system contractor, an alarm system contractor, or an alarm system installer shall apply for a certificate on a form prescribed by the state fire marshal. The application shall be accompanied by a fee in an amount prescribed by rule pursuant to section 100C.7 and shall include all of the following information, as applicable:

a. The name, address, and telephone number of the contractor or installer and, in the case of an installer, the name and certification number of the contractor by whom the installer is employed, including all legal and fictitious names.

b. Proof of insurance coverage required by section 100C.4.

c. The name and qualifications of the person designated as the contractor's responsible managing employee and of persons designated as alternate responsible managing employees.

d. Any other information deemed necessary by the state fire marshal.

2. An applicant for certification as an alarm system contractor or an alarm system installer shall be subject to a national criminal history check through the federal bureau of investigation. The applicant shall provide fingerprints to the department of public safety for submission through the state criminal history repository to the federal bureau of investigation. Fees for the national criminal history check shall be paid by the applicant or the applicant's employer. The results of a criminal history check conducted pursuant to this subsection shall be considered a confidential record under chapter 22.

3. Upon receipt of a completed application and prescribed fees, if the contractor or installer meets all requirements established by this chapter, the state fire marshal shall issue a certificate to the contractor or installer within thirty days.

4. Certificates shall expire and be renewed as established by rule pursuant to section 100C.7.

5. Any change in the information provided in the application shall be promptly reported to the state fire marshal. When the employment of a responsible managing employee is terminated, the contractor shall notify the state fire marshal within thirty days after termination.

2004 Acts, ch 1125, §4, 17; 2007 Acts, ch 197, §5, 50; 2008 Acts, ch 1076, §1, 4; 2009 Acts, ch 133, §26

100C.4 Insurance.

1. A fire extinguishing system contractor shall maintain general and complete operations liability insurance for the layout, installation, repair, alteration, addition, maintenance, and

inspection of automatic fire extinguishing systems in an amount determined by the state fire marshal by rule.

2. An alarm system contractor shall maintain general and complete operations liability insurance for the layout, installation, repair, alteration, addition, maintenance, and inspection of alarm systems in an amount determined by the state fire marshal by rule.

2004 Acts, ch 1125, §5, 17; 2007 Acts, ch 197, §6, 50

Referred to in §100C.3

100C.5 Suspension and revocation.

1. The state fire marshal shall suspend or revoke the certificate of any contractor or installer who fails to maintain compliance with the conditions necessary to obtain a certificate. A certificate may also be suspended or revoked if any of the following occur:

a. The employment or relationship of a responsible managing employee with a contractor is terminated, unless the contractor has included a qualified alternate on the application or an application designating a new responsible managing employee is filed with the state fire marshal within six months after the termination.

b. The contractor or installer fails to comply with any provision of this chapter.

c. The contractor or installer fails to comply with any other applicable codes and ordinances.

2. If a certificate is suspended pursuant to this section, the certificate shall not be reinstated until the condition or conditions which led to the suspension have been corrected.

3. The state fire marshal shall adopt rules pursuant to section 100C.7 for the acceptance and processing of complaints against certificate holders, for procedures to suspend and revoke certificates, and for appeals of decisions to suspend or revoke certificates.

2004 Acts, ch 1125, §6, 17; 2007 Acts, ch 197, §7, 50

100C.6 Applicability.

This chapter shall not be construed to do any of the following:

1. Relieve any person from payment of any local permit or building fee, except as provided in section 100C.11.

2. Limit the power of the state or a political subdivision of the state to regulate the quality and character of work performed by contractors or installers through a system of fees, permits, and inspections designed to ensure compliance with, and aid in the administration of, state and local building codes or to enforce other local laws for the protection of the public health and safety.

3. Apply to a person licensed as an engineer pursuant to chapter 542B who provides consultation or develops plans or other work concerning the installation or design of fire protection systems.

4. Relieve any person engaged in fire protection system installation, maintenance, repair, service, or inspection as provided in section 100D.1 from obtaining a fire protection system installer and maintenance worker license as required pursuant to chapter 100D.

2004 Acts, ch 1125, §7, 17; 2007 Acts, ch 197, §8, 50; 2008 Acts, ch 1092, §5, 32; 2008 Acts, ch 1094, §1, 18; 2008 Acts, ch 1191, §123; 2009 Acts, ch 41, §175, 264; 2010 Acts, ch 1037, §1; 2011 Acts, ch 34, §27; 2020 Acts, ch 1121, §87, 90

Subsection 1 amended

100C.7 Administration — rules.

The state fire marshal shall administer this chapter and, after consultation with the fire extinguishing system contractors and alarm systems advisory board, shall adopt rules pursuant to chapter 17A necessary for the administration and enforcement of this chapter.

2004 Acts, ch 1125, §8; 2007 Acts, ch 197, §9, 50

Referred to in §100C.1, 100C.3, 100C.5, 100D.1

100C.8 Penalties.

1. A person who violates any provision of this chapter is guilty of a simple misdemeanor.

2. The state fire marshal may impose a civil penalty of up to five hundred dollars on any person who violates any provision of this chapter for each day a violation continues. The

state fire marshal may adopt rules necessary to enforce and collect any penalties imposed pursuant to this chapter.

2004 Acts, ch 1125, §9, 17

100C.9 Deposit and use of moneys collected.

1. All fees assessed pursuant to this chapter shall be retained as repayment receipts by the division of state fire marshal in the department of public safety and such fees received shall be used exclusively to offset the costs of administering this chapter.

2. Notwithstanding section 8.33, fees collected by the division of state fire marshal that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated in succeeding fiscal years.

2004 Acts, ch 1125, §10, 17; 2005 Acts, ch 35, §26; 2010 Acts, ch 1014, §2

100C.10 Fire extinguishing system contractors and alarm systems advisory board.

1. A fire extinguishing system contractors and alarm systems advisory board is established in the division of state fire marshal of the department of public safety and shall advise the division on matters pertaining to the application and certification of contractors and installers pursuant to this chapter.

2. The board shall consist of eleven voting members appointed by the commissioner of public safety as follows:

a. Two full-time fire officials of incorporated municipalities or counties.

b. One full-time building official of an incorporated municipality or county.

c. Three fire extinguishing system contractors, certified pursuant to this chapter, of which at least one shall be a water-based fire sprinkler contractor.

d. Three alarm system contractors, certified pursuant to this chapter, at least one of whom shall have experience with fire alarm systems, at least one of whom shall have experience with security alarm systems, and at least one of whom shall have experience with nurse call systems.

e. One professional engineer or architect licensed in the state.

f. One representative of the general public.

3. The state fire marshal, or the state fire marshal's designee, and the chairperson of the electrical examining board created in section 103.2 shall be nonvoting ex officio members of the board.

4. The commissioner shall initially appoint two members for two-year terms, two members for four-year terms, and three members for six-year terms. Following the expiration of the terms of initially appointed members, each term thereafter shall be for a period of six years. No member shall serve more than two consecutive terms. If a position on the board becomes vacant prior to the expiration of a member's term, the member appointed to the vacancy shall serve the balance of the unexpired term.

5. Six voting members of the advisory board shall constitute a quorum. A majority vote of the board shall be required to conduct business.

2004 Acts, ch 1125, §11; 2005 Acts, ch 35, §27; 2007 Acts, ch 126, §20; 2007 Acts, ch 197, §10, 50; 2008 Acts, ch 1031, §33; 2008 Acts, ch 1092, §6, 32; 2017 Acts, ch 131, §1

Referred to in §100D.5

100C.11 Alarm systems — fees or fines — limitations.

A political subdivision shall not adopt or enforce an ordinance, resolution, rule, or other measure requiring an alarm system contractor to pay a fee or fine associated with any of the following:

1. False alarms.

2. Emergency response to false alarms.

3. Permits associated with placing or keeping an alarm system in service, not including any installation permits required by the political subdivision's building code.

2020 Acts, ch 1121, §88, 90

Referred to in §100C.6

100C.12 Collection of fees.

1. If, prior to June 30, 2020, an alarm system contractor charged its customers an amount equal to the costs the political subdivision of the state imposed on the alarm system contractor for permits associated with placing or keeping an alarm in service, as shown on a separate line item on the customer’s invoice, the alarm system contractor may continue to collect from its customers such fees until December 31, 2020. The alarm system contractor shall pay to the political subdivision of the state or its designee the fees collected under this section in accordance with the instructions of the political subdivision or the political subdivision’s designee.

2. Fees collected by an alarm system contractor under this section shall not be subject to audit by a political subdivision or the political subdivision’s designee.

100D.1 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Apprentice fire protection system installer and maintenance worker*” means a person who is registered in an apprenticeship program approved by the United States department of labor who is engaged in learning the fire protection system industry trade under the direct supervision of a responsible managing employee of a certified fire extinguishing system contractor or licensed fire protection system installer and maintenance worker other than a trainee.

2. “*Department*” means the department of public safety.

3. “*Division*” means division of the state fire marshal in the department.

4. “*Fire extinguishing system contractor*” means a person or persons who are engaging in or representing themselves to the public as engaging in the activity or business of layout, installation, repair, service, alteration, addition, testing, maintenance, or maintenance inspection of automatic fire extinguishing systems in this state, as defined in section 100C.1, and who is certified pursuant to chapter 100C.

5. “*Fire protection system*” means a sprinkler system, standpipe system, hose system, special hazard system, dry system, foam system, or any water-based fire protection system, whether engineered or preengineered and whether manual or automatically activated, used for fire protection purposes which may include an integrated system of underground and overhead piping and which may be connected to a water source.

6. “*Fire protection system installation*” means to set up or establish for use in an indicated space a fire protection system.

7. “*Fire protection system maintenance*” means to provide repairs, including all inspections and tests, required to keep a fire protection system and its component parts in

an operative condition at all times, and the replacement of the system or its component parts when they become undependable or inoperable.

8. “*Fire protection system installer and maintenance worker*” means a person who, having the necessary qualifications, training, experience, and technical knowledge, conducts fire protection system installation and maintenance, and who is licensed by the department to install or maintain the types of fire protection systems endorsed on the license.

9. “*Preengineered fire protection system*” means a fire protection system that has a predetermined flow rate, nozzle pressure, and quantity of extinguishing agent.

10. “*Responsible managing employee*” means an owner, partner, officer, or manager employed full-time by a fire extinguishing system contractor who is certified by the national institute for certification in engineering technologies at a level three in fire protection technology, automatic sprinkler system layout, or another certification in automatic sprinkler system layout recognized by rules adopted by the fire marshal pursuant to section 100C.7 or who meets any other criteria established by rule.

11. “*Routine maintenance*” means the repair or replacement of existing fire protection system components of the same size and type for which no changes in configuration are made, including the replacement of sprinkler heads or nozzles and the temporary disabling and subsequent restarting of a system as necessary to perform such routine maintenance. “*Routine maintenance*” does not include any new installation or the expansion or extension of any existing fire protection system.

12. “*Trainee*” means a person who is engaged in learning the fire protection system industry trade under the direct supervision of a responsible managing employee of a certified fire extinguishing system contractor or licensed fire protection system installer and maintenance worker and who is not registered with the United States department of labor.

2008 Acts, ch 1094, §2, 18; 2009 Acts, ch 91, §1 – 3; 2010 Acts, ch 1037, §2, 3; 2010 Acts, ch 1061, §18; 2011 Acts, ch 65, §1, 3

Referred to in §100C.6

100D.2 License required.

1. On or after January 1, 2010, a person shall not perform fire protection system installations or fire protection system maintenance without holding a current, valid fire protection system installer and maintenance worker license issued pursuant to this chapter, with appropriate endorsements for that type of system, with the following exceptions:

a. An employee of a fire extinguishing system contractor working as an apprentice fire protection system installer and maintenance worker performing fire protection system installation or maintenance under the direct supervision of an on-site responsible managing employee or licensed fire protection system installer and maintenance worker is not required to hold a current, valid fire protection system installer and maintenance worker license.

b. A person who demolishes fire protection system components is not subject to the provisions of this chapter when the work involves a complete sprinkler system. A person is not required to be licensed in order to demolish part of a system or a partial system, provided that the system is taken out of service. If a system is restored to service after having been taken out of service, the restoration work must be performed by a person licensed pursuant to this chapter or a responsible managing employee.

c. A person who is a responsible managing employee of a fire extinguishing system contractor is not required to hold a current, valid fire protection system installer and maintenance worker license in order to perform fire protection system installations or maintenance.

d. A trainee who works at all times under the direct supervision of a licensed fire protection system installer and maintenance worker, other than an unclassified person, may be licensed to work on special hazard fire protection systems but shall not be licensed to perform installation or maintenance on a preengineered fire protection system or on an engineered water-based fire protection system. A trainee license may be renewed once and a person may work as a trainee for a maximum of four years.

2. A licensed fire protection system installer and maintenance worker must be present at all locations and at all times when fire protection system installation work is being

performed. At least one licensed fire protection system installer and maintenance worker must be present for every three apprentice fire protection system installers and maintenance workers or trainees performing work related to fire protection system installation.

3. Licenses are not transferable. The lending, selling, giving, or assigning of any license or the obtaining of a license for any other person shall be grounds for revocation.

4. Licenses shall be issued for a two-year period, and may be renewed as established by the state fire marshal by rule.

5. On and after January 1, 2010, a governmental subdivision shall not issue a license to a person installing a fire protection system and shall not prohibit a person installing fire protection systems and licensed pursuant to this chapter from performing services for which that person is licensed pursuant to this chapter or enforce any licensing provisions promulgated by the governmental subdivision against a person licensed pursuant to this chapter.

2008 Acts, ch 1094, §3, 18; 2009 Acts, ch 91, §4 – 7; 2010 Acts, ch 1037, §4, 5

100D.3 Fire protection system installer and maintenance worker license.

1. The state fire marshal shall issue a fire protection system installer and maintenance worker license to an applicant who meets all of the following requirements:

a. Has completed a fire protection apprenticeship program approved by the United States department of labor, or has completed two years of full-time employment or the equivalent thereof as a trainee.

b. Is employed by a fire extinguishing system contractor. However, an applicant whose work on extinguishing systems will be restricted to systems on property owned or controlled by the applicant's employer may obtain a license if the employer is not a certified contractor.

c. Has received a passing score on the national inspection, testing, and certification star fire sprinkler mastery exam or on an equivalent exam from a nationally recognized third-party testing agency that is approved by the state fire marshal, or is certified at level one by the national institute for certification in engineering technologies and as specified by rule by the state fire marshal, or is certified by another entity approved by the fire marshal.

2. The state fire marshal shall issue a fire protection system installer and maintenance worker license with endorsements restricted to preengineered fire protection systems to an applicant who does not meet the requirements of subsection 1 but does meet the following requirements:

a. To be endorsed as a preengineered kitchen fire extinguishing system installer, has successfully completed training and an examination verified by a preengineered system manufacturer, an agent of a preengineered system manufacturer, or an organization that is approved by the state fire marshal.

b. To be endorsed as a preengineered kitchen fire extinguishing system maintenance worker, has successfully completed training by the worker's employer or the system's manufacturer and has passed a written or online examination for preengineered kitchen fire extinguishing system maintenance that is approved by the state fire marshal.

c. To be endorsed as a preengineered industrial fire extinguishing system installer, possesses a training and examination certification from a preengineered system manufacturer, an agent of a preengineered system manufacturer, or an organization that is approved by the state fire marshal.

d. To be endorsed as a preengineered industrial fire extinguishing system maintenance worker, has been trained by the worker's employer and has passed a written or online examination for preengineered industrial fire extinguishing system maintenance that is approved by the state fire marshal.

3. The holder of a fire protection system installer and maintenance worker license shall be responsible for license fees, renewal fees, and continuing education hours.

4. The license of a fire protection system installer and maintenance worker licensee who ceases to be employed by a fire extinguishing system contractor shall continue to be valid until it would otherwise expire, but the licensee shall not perform work requiring licensure under this chapter until the licensee is again employed by a fire extinguishing system contractor. If the licensee becomes employed by a fire extinguishing system contractor other than the

contractor which employed the licensee at the time the license was issued, the licensee shall notify the fire marshal and shall apply for an amendment to the license. The fire marshal may establish by rule a fee for amending a license. This subsection shall not extend the time period during which a license is valid. This subsection does not apply to a licensee whose work on extinguishing systems is restricted to systems on property owned or controlled by the licensee's employer.

5. The fire marshal, by rule, may restrict the scope of work authorized by a license with appropriate endorsements.

100D.4 Insurance and surety bond requirements.

1. An applicant for a fire protection system installer and maintenance worker license or renewal of an active license shall provide evidence of a public liability insurance policy and surety bond in an amount determined sufficient by the fire marshal by rule.

2. If the applicant is engaged in fire protection system installer and maintenance worker work individually through a business conducted as a sole proprietorship, the applicant shall personally obtain the insurance and surety bond required by this section. If the applicant is engaged in the fire protection system installer and maintenance worker business as an employee or owner of a legal entity, then the insurance and surety bond required by this section shall be obtained by the entity and shall cover all fire protection system installer and maintenance worker work performed by the entity.

3. The insurance and surety bond shall be written by an entity licensed to do business in this state and each licensee shall maintain on file with the department a certificate evidencing the insurance providing that the insurance or surety bond shall not be canceled without the entity first giving fifteen days written notice to the fire marshal.

100D.5 Administration — rules — suspension and revocation.

The state fire marshal shall do all of the following:

1. After consultation with the fire extinguishing system contractors and alarm systems advisory board established pursuant to section 100C.10, adopt rules pursuant to chapter 17A necessary for the administration and enforcement of this chapter.

2. Revoke, suspend, or refuse any license granted pursuant to this chapter when the licensee fails or refuses to pay an examination, license, or renewal fee required by law or when the licensee is guilty of any of the following acts or omissions:

a. Fraud in procuring a license.

b. Professional incompetence.

c. Knowingly making misleading, deceptive, untrue, or fraudulent representations in the practice of the licensee's profession or engaging in unethical conduct or practice harmful or detrimental to the public. Proof of actual injury need not be established.

d. Habitual intoxication or addiction to the use of drugs.

e. Conviction of a felony related to the profession or occupation of the licensee. A copy or the record of conviction or plea of guilty shall be conclusive evidence.

f. Fraud in representation as to skill or ability.

g. Use of untruthful or improbable statements in advertisements.

h. Willful or repeated violations of the provisions of this chapter.

3. Adopt rules for continuing education requirements, which shall include, at a minimum, completion of sixteen credit hours of instruction per licensure period relating to updates in fire protection system installation and maintenance.

4. Adopt rules regarding license application forms, examination procedures, and license application and renewal fees.

5. Adopt rules specifying a violation reporting procedure.

100D.6 Penalties.

The state fire marshal may impose a civil penalty of up to five hundred dollars on any person who violates any provision of this chapter for each day a violation continues. The state fire marshal may adopt rules necessary to enforce and collect any penalties imposed pursuant to this chapter.

2008 Acts, ch 1094, §7, 18

100D.7 Deposit and use of moneys collected.

1. The state fire marshal shall set the license fees and renewal fees for all licenses issued pursuant to this chapter, by rule, based upon the actual costs of licensing.

2. All fees assessed pursuant to this chapter shall be retained as repayment receipts by the division of state fire marshal in the department of public safety and such fees received shall be used exclusively to offset the costs of administering this chapter.

3. Notwithstanding section 8.33, fees collected by the division of state fire marshal that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

2008 Acts, ch 1094, §8, 18

100D.8 Provisional licensure.

1. An applicant for licensure under this chapter as a fire protection system installer and maintenance worker who possesses a minimum of four years of experience as an apprentice fire protection system installer and maintenance worker and who has not successfully passed the licensure examination or achieved certification as required pursuant to section 100D.3 by January 1, 2010, shall be issued a license as a fire protection system installer and maintenance worker for a period ending no later than December 31, 2010. A provisional license shall be granted upon presentation of satisfactory evidence to the fire marshal demonstrating experience and competency in conducting fire protection system installations and fire protection system maintenance according to criteria to be determined by the fire marshal in rule.

2. An applicant issued a provisional license pursuant to this section shall pass the licensure examination or achieve certification on or before December 31, 2010, in order to remain licensed as a fire protection system installer and maintenance worker. A provisional license fee shall be established by the fire marshal by rule. No provisional licenses shall be issued after July 1, 2010.

2008 Acts, ch 1094, §9, 18; 2009 Acts, ch 91, §11; 2010 Acts, ch 1037, §9

100D.9 Transition provisions.

1. An applicant for licensure under this chapter, who is employed as a fire protection system installer and maintenance worker as of July 1, 2008, shall be issued a license upon presentation of satisfactory evidence to the department of at least eight thousand five hundred hours of experience as a fire protection system installer and maintenance worker and one of the following:

a. Presentation of a certificate of completion of a four-year or five-year protection system apprenticeship program, approved by the United States department of labor.

b. A passing score on the national inspection, testing and certification star fire sprinkler mastery exam or an equivalent exam from a nationally recognized third-party testing agency that is approved by the state fire marshal.

c. Certification by the national institute for certification in engineering technologies, or another entity as specified by rule by the state fire marshal.

2. After July 31, 2012, a person licensed pursuant to this section shall renew or obtain a license pursuant to section 100D.3.

2008 Acts, ch 1094, §10, 18; 2009 Acts, ch 91, §12, 13; 2010 Acts, ch 1037, §10

100D.10 Reciprocal licenses.

To the extent that another state provides for the licensing of fire protection system installers and maintenance workers or similar action, the state fire marshal may issue a fire protection system installer and maintenance worker license, without examination, to a nonresident fire protection system installer and maintenance worker who has been licensed by such other state for at least three years provided such other state grants the same reciprocal licensing privileges to residents of Iowa who have obtained a fire protection system installer and maintenance worker license upon payment by the applicant of the required fee and upon furnishing proof that the qualifications of the applicant are equal to the qualifications of holders of similar licenses in this state.

2008 Acts, ch 1094, §11, 18; 2010 Acts, ch 1037, §11

100D.11 Applicability.

1. The provisions of this chapter shall not be construed to apply to a person licensed as an engineer pursuant to chapter 542B who provides consultation or develops plans or other work concerning the installation or design of fire protection systems.

2. The provisions of this chapter shall not be construed to apply to a person only performing routine maintenance.

3. The provisions of this chapter shall not be construed to apply to a person licensed as a plumber pursuant to chapter 105 who is working within the scope of the person's license.

100D.12 Local licensing provisions.

On and after August 1, 2009, a governmental subdivision shall not prohibit a person licensed pursuant to this chapter from performing services for which that person is licensed pursuant to this chapter or enforce any additional licensing provisions promulgated by the governmental subdivision against a person licensed pursuant to this chapter.

2008 Acts, ch 1094, §13, 18

100D.13 Temporary licenses.

1. The state fire marshal may issue a temporary fire protection system installer and maintenance worker license to a person, providing that all of the following conditions are met:

a. The person is currently licensed or certified to perform work as a fire protection system installer and maintenance worker in another state.

b. The person meets any additional criteria for a temporary license established by the state fire marshal by rule.

c. The person provides all information required by the state fire marshal.

d. The person has paid the fee for a temporary license, which fee shall be established by the state fire marshal by rule.

e. The person intends to perform work as a fire protection system installer and maintenance worker only in areas of this state which are covered by a disaster emergency declaration issued by the governor pursuant to section 29C.6.

2. A temporary license issued pursuant to this section shall be valid for ninety days. The state fire marshal may establish criteria and procedures for the extension of such licenses for additional periods, which in no event shall exceed ninety days.

3. A temporary license shall be valid only in areas of the state which are subject to a disaster emergency declaration issued by the governor pursuant to section 29C.6 at the time at which the license is issued, which become subject to such a declaration during the time the license is valid, or which were subject to such a declaration issued within the six months preceding the issuance of the license.

SUBCHAPTER I

GENERAL PROVISIONS

101.1 Rules by fire marshal — definitions.

1. The state fire marshal is hereby empowered and directed to formulate and adopt and from time to time amend or revise and to promulgate, in conformity with and subject to the conditions set forth in this chapter, reasonable rules for the safe transportation, storage, handling, and use of combustible liquids, flammable liquids, liquefied petroleum gases, and liquefied natural gases.

2. For purposes of this chapter:

a. “*Combustible liquid*” means any liquid that has a closed-cup flash point greater than or equal to 100 degrees Fahrenheit.

b. “*Flammable liquid*” means a liquid with a closed-cup flash point below 100 degrees Fahrenheit and a Reid vapor pressure not exceeding forty p.s.i. absolute, 2026.6 mm Hg, at 100 degrees Fahrenheit.

c. “*Liquefied petroleum gas*” means material composed predominantly of any of the following hydrocarbons, or mixtures of the same: Propane, propylene, butanes (normal butane or isobutane) and butylenes.

d. “*Liquefied natural gas*” means a fuel in the liquid state composed predominantly of methane and which may contain minor quantities of ethane, propane, nitrogen, or other components normally found in natural gas.

e. “*Petroleum*” means petroleum as defined in section 455B.471.

[C35, §1655-g1, -g2, -g4; C39, §1655.1, 1655.2, 1655.4; C46, 50, 54, §101.1, 101.2; C58, 62, 66, 71, 73, 75, 77, 79, 81, §101.1]

2010 Acts, ch 1014, §3; 2011 Acts, ch 34, §28

101.2 Scope of rules.

Except as otherwise provided in this chapter, the rules shall be in substantial compliance with the standards of the national fire protection association relating to flammable and combustible liquids, liquefied petroleum gases, and liquefied natural gases.

[C35, §1655-g2; C39, §1655.2; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §101.2]
98 Acts, ch 1008, §2; 2011 Acts, ch 34, §29

101.3 Separate rules for liquids and gas.

The rules covering combustible and flammable liquids shall be formulated and promulgated separately from those covering liquefied petroleum gas and from those covering liquefied natural gases.

[C58, 62, 66, 71, 73, 75, 77, 79, 81, §101.3]
2010 Acts, ch 1014, §4; 2011 Acts, ch 34, §30

101.4 Nonconforming use.

The rules shall make reasonable provision under which facilities in service prior to the effective date of the regulations and not in strict conformity therewith may be continued in service unless the nonconformity is such as to constitute a distinct hazard to life or adjoining property; and for guidance in enforcement may delineate these types of nonconformity that should be considered distinctly hazardous, those that should not be considered distinctly hazardous and those the need for elimination of which should be evaluated in the light of local factors. As to any rule the need for compliance with which is conditioned on local factors, the rules shall provide, as a condition precedent to evaluation or issuance of a compliance order, for reasonable notice to the proprietor of the facility affected of intention to evaluate the need and of the time and place at which the proprietor may appear and offer evidence thereon.

[C35, §1655-g3; C39, §1655.3; C46, 50, 54, §101.3; C58, 62, 66, 71, 73, 75, 77, 79, 81, §101.4]

101.5 Rules.

The rules shall be promulgated pursuant to chapter 17A.

[C58, 62, 66, 71, 73, 75, 77, 79, 81, §101.5]
2004 Acts, ch 1125, §12; 2010 Acts, ch 1014, §5

101.5A Shared public petroleum storage facilities.

The state fire marshal shall permit by rule the shared ownership, operation, or cooperative use of a publicly owned petroleum storage or dispensing facility by more than one public agency or political subdivision in order to maximize the opportunity for cooperation, to avoid unnecessary duplication of facilities posing both an environmental and fire hazard, and to minimize the cost of providing public services. Shared or cooperative use is not a violation of chapter 23A, even if one public agency or political subdivision compensates another public agency or political subdivision for the use or for petroleum dispensed. A publicly owned petroleum storage facility subject to this section may use aboveground or underground storage tanks, or a combination of both.

90 Acts, ch 1113, §1

101.6 Ordinances by municipalities.

Rules promulgated pursuant to this chapter shall have uniform force and effect throughout the state and no municipality or political subdivision shall enact or enforce any ordinance or regulation inconsistent or not in keeping with the statewide rules. Provided that nothing in this chapter shall in any way impair the power of any municipality when authorized by other law to regulate the use of land by comprehensive zoning or to control the construction of buildings and structures under building codes or restricted fire district regulations. Provided, further, that the size, weight and cargo carried by vehicles used in the transportation or delivery of flammable liquids or liquefied petroleum gas shall be governed by the uniform provisions of the motor vehicle and highway traffic laws of this state and local ordinances therein authorized.

[C58, 62, 66, 71, 73, 75, 77, 79, 81, §101.6]

101.7 Penalty.

Any person, firm or corporation violating any of the rules promulgated under this chapter shall be deemed guilty of a simple misdemeanor. Each day of the continuing violation of such rules after conviction shall be considered a separate offense. Appeals may be taken from such convictions as in other criminal cases.

[C35, §1655-g3, -g4; C39, §1655.3, 1655.4; C46, 50, 54, §101.2, 101.4; C58, 62, 66, 71, 73, 75, 77, 79, 81, §101.7]

101.8 Assistance by local officials.

The chief fire prevention officer of every city or village having an established fire prevention department, the chief of the fire department of every other city or village in which a fire department is established, the mayor of every city in which no fire department exists, the township clerk of every township outside the limits of any city or village and all other local officials upon whom fire prevention duties are imposed by law shall assist the state fire marshal in the enforcement of the rules.

[C58, 62, 66, 71, 73, 75, 77, 79, 81, §101.8]

101.9 Repairs ordered by fire marshal.

If the state fire marshal has reasonable grounds for believing after conducting tests that a leak exists in a flammable or combustible liquid storage tank or in the distribution system of a flammable or combustible liquid storage tank the state fire marshal shall issue a written order to the owner or lessee of the storage tank or distribution system requiring the storage tank and distribution system be emptied and removed or repaired immediately upon receipt of the written order.

[C79, 81, §101.9]

101.10 Assistance of department of natural resources.

If the state fire marshal has reasonable grounds for believing that a leak constitutes a hazardous condition which threatens the public health and safety, the fire marshal may request the assistance of the department of natural resources, and upon such request the department of natural resources is empowered to eliminate the hazardous condition as provided in chapter 455B, division IV, part 4, the provisions of section 455B.390, subsection 3, to the contrary notwithstanding.

[C79, 81, §101.10; 82 Acts, ch 1199, §92, 96]

101.11 Use in vehicle — marking — dispensing prohibition — penalty.

1. A vehicle which carries liquefied petroleum gas fuel or natural gas, as a fuel source for the vehicle, in a concealed area, including but not limited to trunks or compartments located in or under the vehicle, shall display on the left rear and right front bumpers of the vehicle a standard abbreviation or symbol, approved by the department of public safety, which indicates liquefied petroleum gas fuel or natural gas is a fuel source for the vehicle.

2. The owner of the vehicle which is fueled by natural gas or liquefied petroleum gas shall be responsible for the placement of the approved abbreviation or symbol on the vehicle.

3. A person shall not dispense liquefied petroleum gas fuel or natural gas into a tank in a concealed area of a vehicle unless the vehicle complies with subsection 1.

4. A person who violates this section is guilty of a simple misdemeanor.

84 Acts, ch 1095, §9

101.12 Aboveground tanks authorized.

1. An aboveground flammable or combustible liquid storage tank may be installed at a retail motor vehicle fuel outlet, subject to rules adopted by the state fire marshal.

2. Rules adopted by the state fire marshal pursuant to this section shall be in substantial compliance with the applicable standards of the national fire protection association.

3. The installation of an aboveground flammable or combustible liquid storage tank at a

retail motor vehicle fuel outlet shall also be subject to approval by the governing body of the local governmental subdivision which has jurisdiction over the fuel outlet.

89 Acts, ch 131, §3; 90 Acts, ch 1235, §1; 98 Acts, ch 1008, §3; 2010 Acts, ch 1014, §6

101.13 Liquefied petroleum gas containers.

1. If a liquefied petroleum gas container designed to hold more than twenty pounds of liquefied petroleum gas has the name, mark, initials, or other identifying device of the owner in plainly legible characters on the surface of the container, a person other than the owner or a person authorized by the owner shall not do any of the following:

a. Fill or refill the container with liquefied petroleum gas or any other gas or compound except when the owner is unable to supply liquefied petroleum gas to a person to whom the owner is leasing or furnishing the container and to whom the owner ordinarily supplies the liquefied petroleum gas, in which case the owner shall authorize the refilling of the container by another person designated by the owner.

b. Buy, sell, offer for sale, give, take, loan, deliver or permit to be delivered, or otherwise use the container.

c. Deface, remove, conceal, or change the name, mark, initials, or other identifying device of the owner.

d. Place the name, mark, initials, or other identifying device indicating ownership by any person other than the owner on the container.

2. A person who violates this section is guilty of a simple misdemeanor. Each violation of this section shall constitute a separate offense.

93 Acts, ch 138, §1

101.14 Action for damages — evidence — user conduct.

1. In any action or claim seeking damages for personal injuries or damage to property arising out of injuries or loss due to defects in a liquefied petroleum gas system, or arising out of the condition of any portion of that system, the negligence or other fault of the customer, owner, or other person in possession of or making use of that system relating to the installation, modification, maintenance, or repair of the system or damage incurred to the system shall be admissible in evidence and considered by the finder of fact if such conduct was a cause in fact of the accident or condition leading to the injuries or damages.

2. For purposes of this section, “*liquefied petroleum gas system*” means any container designed to hold liquefied petroleum gas and attached valves, regulators, piping, appliances, controls on appliances, and venting of appliances.

2004 Acts, ch 1126, §1

101.15 through 101.20 Reserved.

SUBCHAPTER II

ABOVEGROUND FLAMMABLE OR COMBUSTIBLE LIQUID STORAGE TANKS

101.21 Definitions.

As used in this subchapter unless the context otherwise requires:

1. “*Aboveground flammable or combustible liquid storage tank*” means one or a combination of tanks, including connecting pipes connected to the tanks which are used to contain an accumulation of flammable or combustible liquid and the volume of which, including the volume of the underground pipes, is more than ninety percent above the surface of the ground. “*Aboveground flammable or combustible liquid storage tank*” does not include any of the following:

a. An aboveground tank which meets any of the following criteria:

(1) Has one thousand one hundred gallons or less capacity.

(2) Stores flammable liquids on a farm located outside the limits of a city, if the aboveground tank has two thousand gallons or less capacity.

(3) Stores combustible liquids on a farm located outside the limits of a city, if the aboveground tank has five thousand gallons or less capacity.

b. A tank used for storing heating oil for consumptive use on the premises where stored.

c. An underground storage tank as defined by section 455B.471.

d. A flow-through process tank, or a tank containing a regulated substance, other than motor fuel used for transportation purposes, for use as part of a manufacturing process, system, or facility.

2. a. “*Farm*” means land and associated improvements used to produce agricultural commodities, if at least one thousand dollars is annually generated from the sale of the agricultural commodities.

b. As used in paragraph “a”, “*commodities*” means crops as defined in section 202.1 or animals as defined in section 459.102.

3. “*Operator*” means a person in control of, or having responsibility for, the daily operation of an aboveground flammable or combustible liquid storage tank.

4. “*Owner*” means:

a. In the case of an aboveground flammable or combustible liquid storage tank in use on or after July 1, 1989, a person who owns the aboveground flammable or combustible liquid storage tank used for the storage, use, or dispensing of flammable or combustible liquid.

b. In the case of an aboveground flammable or combustible liquid storage tank in use before July 1, 1989, but no longer in use on or after that date, a person who owned the tank immediately before the discontinuation of its use.

5. “*Release*” means spilling, leaking, emitting, discharging, escaping, leaching, or disposing from an aboveground flammable or combustible liquid storage tank into groundwater, surface water, or subsurface soils.

6. “*State fire marshal*” means the state fire marshal or the state fire marshal’s designee.

7. “*Tank site*” means a tank or grouping of tanks within close proximity of each other located on a facility for the purpose of storing flammable or combustible liquid.

89 Acts, ch 131, §4; 90 Acts, ch 1235, §2; 2006 Acts, ch 1142, §83; 2010 Acts, ch 1014, §7; 2011 Acts, ch 34, §31; 2013 Acts, ch 127, §8, 9; 2014 Acts, ch 1092, §24; 2016 Acts, ch 1011, §121

101.22 Report of existing and new tanks — registration fee — tag — penalty.

1. Except as provided in subsection 2, the owner or operator of an aboveground flammable or combustible liquid storage tank existing on July 1, 2010, shall notify the state fire marshal in writing by October 1, 2010, of the existence of each tank and specify the age, size, type, location, and uses of the tank.

2. The owner of an aboveground flammable or combustible liquid storage tank taken out of operation on or before July 1, 2010, shall notify the state fire marshal in writing by October 1, 2010, of the existence of the tank unless the owner knows the tank has been removed from the site. The notice shall specify, to the extent known to the owner, the date the tank was taken out of operation, the age of the tank on the date taken out of operation, the size, type, and location of the tank, and the type and quantity of substances left stored in the tank on the date that it was taken out of operation.

3. An owner or operator who brings into use an aboveground flammable or combustible liquid storage tank after July 1, 2010, shall notify the state fire marshal in writing within thirty days of the existence of the tank and specify the age, size, type, location, and uses of the tank.

4. The registration notice of the owner or operator to the state fire marshal under subsections 1 through 3 shall be accompanied by an annual fee of twenty dollars for each tank included in the notice. All moneys collected shall be retained by the department of public safety and are appropriated for the use of the state fire marshal. The annual renewal fee applies to all owners or operators who file a registration notice with the state fire marshal pursuant to subsections 1 through 3.

5. A person who sells or constructs a tank intended to be used as an aboveground storage tank shall notify the purchaser of the tank in writing of the notification requirements of this section applicable to the purchaser.

6. An owner or operator shall register an aboveground flammable or combustible liquid storage tank pursuant to subsections 1 through 4.

7. *a.* The state fire marshal shall furnish the owner or operator of an aboveground flammable or combustible liquid storage tank with a registration tag for each aboveground flammable or combustible liquid storage tank registered with the state fire marshal.

b. The owner or operator shall affix the tag to the fill pipe of each registered aboveground flammable or combustible liquid storage tank.

8. A late registration penalty of twenty-five dollars is imposed in addition to the registration fee for a tank registered after the required date.

89 Acts, ch 131, §5; 90 Acts, ch 1235, §3; 2000 Acts, ch 1224, §23; 2002 Acts, ch 1119, §127; 2008 Acts, ch 1032, §191; 2010 Acts, ch 1014, §8; 2011 Acts, ch 34, §32; 2013 Acts, ch 127, §10
Referred to in §101.22A

101.22A Exemption.

An aboveground flammable or combustible liquid storage tank which is subject to regulation or registration under either the federal department of transportation or state department of transportation, or both, is exempt from the registration requirements of section 101.22.

90 Acts, ch 1235, §4; 2010 Acts, ch 1014, §9

101.23 State fire marshal reporting rules.

The state fire marshal shall adopt rules pursuant to chapter 17A relating to reporting requirements necessary to enable the state fire marshal to maintain an accurate inventory of aboveground flammable or combustible liquid storage tanks.

89 Acts, ch 131, §6; 90 Acts, ch 1235, §5; 2010 Acts, ch 1014, §10

101.24 Duties and powers of the state fire marshal.

The state fire marshal shall:

1. Inspect and investigate the facilities and records of owners and operators of aboveground flammable or combustible liquid storage tanks with a capacity of fifteen thousand or more gallons, as necessary to determine compliance with this subchapter and the rules adopted pursuant to this subchapter. An inspection or investigation shall be conducted subject to subsection 4. For purposes of developing a rule, maintaining an accurate inventory, or enforcing this subchapter, the department may:

a. Enter at reasonable times an establishment or other place where an aboveground storage tank is located.

b. Inspect and obtain samples from any person of flammable or combustible liquid or another regulated substance and conduct monitoring or testing of the tanks, associated equipment, contents, or surrounding soils, air, surface water, and groundwater. Each inspection shall be commenced and completed with reasonable promptness.

(1) If the state fire marshal obtains a sample, prior to leaving the premises, the fire marshal shall give the owner, operator, or agent in charge a receipt describing the sample obtained and if requested a portion of each sample equal in volume or weight to the portion retained. If the sample is analyzed, a copy of the results of the analysis shall be furnished promptly to the owner, operator, or agent in charge.

(2) Documents or information obtained from a person under this subsection shall be available to the public except as provided in this subparagraph. Upon a showing satisfactory to the state fire marshal by a person that public disclosure of documents or information, or a particular part of the documents or information to which the state fire marshal has access under this subsection would divulge commercial or financial information entitled to protection as a trade secret, the state fire marshal shall consider the documents or information or the particular portion of the documents or information confidential. However, the documents or information may be disclosed to officers, employees, or authorized representatives of the United States charged with implementing the federal Solid Waste Disposal Act, to employees of the state of Iowa or of other states when the document or

information is relevant to the discharge of their official duties, and when relevant in a proceeding under the federal Solid Waste Disposal Act or this subchapter.

2. Maintain an accurate inventory of aboveground flammable or combustible liquid storage tanks.

3. Take any action allowed by law which, in the state fire marshal's judgment, is necessary to enforce or secure compliance with this subchapter or any rule adopted pursuant to this subchapter.

4. Conduct investigations of complaints received directly, referred by other agencies, or other investigations deemed necessary. While conducting an investigation, the state fire marshal may enter at any reasonable time in and upon any private or public property to investigate any actual or possible violation of this subchapter or the rules or standards adopted under this subchapter. However, the owner or person in charge shall be notified.

a. If the owner or operator of any property refuses admittance, or if prior to such refusal the state fire marshal demonstrates the necessity for a warrant, the state fire marshal may make application under oath or affirmation to the district court of the county in which the property is located for the issuance of a search warrant.

b. In the application the state fire marshal shall state that an inspection of the premises is mandated by the laws of this state or that a search of certain premises, areas, or things designated in the application may result in evidence tending to reveal the existence of violations of public health, safety, or welfare requirements imposed by statutes, rules, or ordinances established by the state or a political subdivision of the state. The application shall describe the area, premises, or thing to be searched, give the date of the last inspection if known, give the date and time of the proposed inspection, declare the need for such inspection, recite that notice of the desire to make an inspection has been given to affected persons and that admission was refused if that be the fact, and state that the inspection has no purpose other than to carry out the purpose of the statute, rule, or ordinance pursuant to which inspection is to be made. If an item of property is sought by the state fire marshal it shall be identified in the application.

c. If the court is satisfied from the examination of the applicant, and of other witnesses, if any, and of the allegations of the application of the existence of the grounds of the application, or that there is probable cause to believe in their existence, the court may issue a search warrant.

d. In making inspections and searches pursuant to the authority of this subchapter, the state fire marshal must execute the warrant as follows:

(1) Within ten days after its date.

(2) In a reasonable manner, and any property seized shall be treated in accordance with the provisions of chapters 808 and 809.

(3) Subject to any restrictions imposed by the statute, rule or ordinance pursuant to which inspection is made.

101.25 Violations — orders.

1. If substantial evidence exists that a person has violated or is violating a provision of this subchapter or a rule adopted under this subchapter the state fire marshal may issue an order directing the person to desist in the practice which constitutes the violation, and to take corrective action as necessary to ensure that the violation will cease, and may impose appropriate administrative penalties pursuant to section 101.26. The person to whom the order is issued may appeal the order as provided in chapter 17A. On appeal, the administrative law judge may affirm, modify, or vacate the order of the state fire marshal.

2. However, if it is determined by the state fire marshal that an emergency exists respecting any matter affecting or likely to affect the public health, the fire marshal may issue any order necessary to terminate the emergency without notice and without hearing. The order is binding and effective immediately and until the order is modified or vacated at an administrative hearing or by a district court.

3. The state fire marshal may request the attorney general to institute legal proceedings pursuant to section 101.26.

Referred to in §101.26

101.26 Penalties — burden of proof.

1. A person who violates this subchapter or a rule adopted or order issued pursuant to this subchapter is subject to a civil penalty not to exceed one hundred dollars for each day during which the violation continues, up to a maximum of one thousand dollars; however, if the tank is registered within thirty days after the state fire marshal issues a cease and desist order pursuant to section 101.25, subsection 1, the civil penalty under this section shall not accrue. The civil penalty is an alternative to a criminal penalty provided under this subchapter.

2. A person who knowingly fails to notify or makes a false statement, representation, or certification in a record, report, or other document filed or required to be maintained under this subchapter, or violates an order issued under this subchapter, is guilty of an aggravated misdemeanor.

3. The attorney general, at the request of the state fire marshal, shall institute any legal proceedings, including an action for an injunction, necessary to enforce the penalty provisions of this subchapter or to obtain compliance with the provisions of this subchapter or rules adopted or order pursuant to this subchapter. In any action, previous findings of fact of the state fire marshal after notice and hearing are conclusive if supported by substantial evidence in the record when the record is viewed as a whole.

4. In all proceedings with respect to an alleged violation of this subchapter or a rule adopted or order issued by the state fire marshal pursuant to this subchapter, the burden of proof is upon the state fire marshal.

5. If the attorney general has instituted legal proceedings in accordance with this section, all related issues which could otherwise be raised by the alleged violator in a proceeding for judicial review under section 101.27 shall be raised in the legal proceedings instituted in accordance with this section.

101.27 Judicial review.

Except as provided in section 101.26, subsection 5, judicial review of an order or other action of the state fire marshal may be sought in accordance with chapter 17A. Notwithstanding chapter 17A, the Iowa administrative procedure Act, petitions for judicial review may be filed in the district court of the county in which the alleged offense was committed or the final order was entered.

101A.1 Definitions.

As used in this chapter:

1. "*Blasting agent*" means any material or mixture consisting of a fuel and oxidizer, intended for blasting but not otherwise classified as an explosive, in which none of the finished products as mixed and packaged for use or shipment can be detonated by means of a number eight test blasting cap when unconfined.

2. "*Commercial license*" or "*license*" means a license issued by the state fire marshal pursuant to this chapter.

3. "*Explosive*" means any chemical compound, mixture or device, the primary or common purpose of which is to function by explosion with substantially instantaneous release of gas and heat, unless such compound, mixture, or device is otherwise specifically classified by the United States department of transportation. The term "*explosive*" includes all materials which are classified as a class 1, division 1.1, 1.2, 1.3, or 1.4 explosive by the United States department of transportation, under 49 C.F.R. §173.50, and all materials classified as explosive materials under 18 U.S.C. §841, and includes, but is not limited to, dynamite, black powder, pellet powders, initiating explosives, blasting caps, electric blasting caps, safety fuse, fuse lighters, fuse igniters, squibs, cordeau detonative fuse, instantaneous fuse, igniter cord, igniters, smokeless propellant, cartridges for propellant-actuated power devices, cartridges for industrial guns, and overpressure devices, but does not include "*consumer fireworks*", "*display fireworks*", or "*novelties*" as those terms are defined in section 727.2 or ammunition or small arms primers manufactured for use in shotguns, rifles, and pistols. Commercial explosives are those explosives which are intended to be used in commercial or industrial operations.

4. "*Explosive materials*" means explosives or blasting agents.

5. "*Import*" and "*importation*" means transfer into the state of Iowa.

6. "*Licensee*" means a person holding a commercial license issued by the state fire marshal pursuant to this chapter.

7. "*Magazine*" means any building or structure, other than an explosives manufacturing building, approved by the state fire marshal or the fire marshal's designated agent for the storage of explosive materials.

8. "*Overpressure device*" means any device constructed of a container or improvised container which is filled with a mixture of chemicals or sublimating materials or gases that generate an expanding gas, which is designed or constructed to cause the container to break, fracture, or rupture in a violent manner capable of causing death, serious injury, or property damage.

9. "*Permittee*" means a person holding a user's permit issued pursuant to this chapter.

10. "*Person*" means any individual, corporation, partnership, or association.

11. "*User's permit*" or "*permit*" means a permit issued by a county sheriff or chief of police of a city of ten thousand or more population, pursuant to this chapter.

2008 Acts, ch 1147, §1, 2; 2017 Acts, ch 115, §5, 12

101A.2 Commercial license — how issued — violation.

1. The state fire marshal shall issue commercial licenses for the manufacture, importation, distribution, sale, and commercial use of explosives to persons who, in the state fire marshal's discretion are of good character and sound judgment, and have sufficient knowledge of the use, handling, and storage of explosive materials to protect the public safety. Licenses shall be issued for a period of three years, but may be issued for shorter periods, and may be revoked or suspended by the state fire marshal for any of the following reasons:

a. Falsification of information submitted in the application for a license.

b. Proof that the licensee has violated any provisions of this chapter or any rules prescribed by the state fire marshal pursuant to the provisions of this chapter.

c. The results of a national criminal history check conducted pursuant to subsection 3.

2. Licenses shall be issued by the state fire marshal upon payment of a fee of sixty dollars, valid for a period of three calendar years, commencing on January 1 of the first year and terminating on December 31 of the third year. However, an initial license may be issued during a calendar year for the number of months remaining in such calendar year and the following two years, computed to the first day of the month when the application for the license is approved. The license fee shall be charged on a pro rata basis for the number of months remaining in the period of issue. Applications for renewal of licenses shall be submitted within thirty days prior to the license expiration date and shall be accompanied by payment of the prescribed fee.

3. Prior to the issuance of a license pursuant to this chapter, an applicant shall be subject to a national criminal history check through the federal bureau of investigation. The applicant shall provide fingerprints to the department of public safety for submission through the state criminal history repository to the federal bureau of investigation. Upon application for renewal of a license, the national criminal history check shall be repeated to determine the occurrence of criminal violations occurring during the previous period of licensure. Fees for the national criminal history check shall be paid by the applicant or the applicant's employer. The results of a criminal history check conducted pursuant to this subsection shall be considered a confidential record under chapter 22.

4. Except as permitted in section 101A.3 and sections 101A.9 through 101A.11, it shall be unlawful for any person to willfully manufacture, import, store, detonate, sell, or otherwise transfer any explosive materials unless such person is the holder of a valid license issued pursuant to this section.

5. Commercial dealers having a federal firearms license shall be exempt from the requirement or the commercial license requirement of this chapter for importation, distribution, sale, transportation, storage, and possession of smokeless powder propellants or black sporting powder propellants provided that such dealer must conform and comply to rules, or ordinances of federal, state, or city authorities having jurisdiction of such powder.

101A.3 User's permit — how issued — violation.

1. User's permits to purchase, possess, transport, store, and detonate explosive materials shall be issued by the sheriff of the county or the chief of police of a city of ten thousand population or more where the possession and detonation will occur. If the possession and detonation are to occur in more than one county or city, then such permits must be issued by the sheriff or chief of police of each of such counties or cities, except in counties and cities in which the explosives are possessed for the sole purpose of transporting them through such counties and cities. A permit shall not be issued unless the sheriff or chief of police having jurisdiction is satisfied that possession and detonation of explosive materials is necessary to the applicant's business or to improve the applicant's property. Permits shall be issued only to persons who, in the discretion of the sheriff or chief of police, are of good character and sound judgment, and have sufficient knowledge of the use and handling of explosive materials to protect the public safety. Applicants shall be subject to the criminal history check provisions

of section 101A.2, subsection 3. The state fire marshal shall prescribe, have printed, and distribute permit application forms to all local permit issuing authorities.

2. The user's permit shall state the quantity of explosive materials which the permittee may purchase, the amount the permittee may have in possession at any one time, the amount the permittee may detonate at any one time, and the period of time during which the purchase, possession, and detonation of explosive materials is authorized. The permit shall also specify the place where detonation may occur, the location and description of the place where the explosive materials will be stored, if such be the case, and shall contain such other information as may be required under the rules and regulations of the state fire marshal. The permit shall not authorize purchase, possession, and detonation of a quantity of explosive materials in excess of that which is necessary in the pursuit of the applicant's business or the improvement of the permittee's property, nor shall such purchase, possession, and detonation be authorized for a period longer than is necessary for the specified purpose. In no event shall the permit be valid for more than thirty days from date of issuance but it may be renewed upon proper showing of necessity.

3. The user's permit may be revoked for any of the reasons specified in section 101A.2, subsection 1, for suspension or revocation of a commercial license.

4. It shall be unlawful for a person to willfully purchase, possess, transport, store, or detonate explosive materials unless such person is the holder of a valid permit issued pursuant to this section or a valid license issued pursuant to section 101A.2.

5. The sheriff or the chief of police shall charge a fee of three dollars for each permit issued. The money collected from permit fees shall be deposited in the county treasury or the general fund of the city.

101A.4 Refusal to grant license or permit — appeal.

1. Judicial review of the action of the state fire marshal may be sought in accordance with the terms of the Iowa administrative procedure Act, chapter 17A.

2. A person who is refused issuance of a user's permit by a local permit issuing authority may appeal the authority's decision to the county board of supervisors or the city council of the county or city where the permit is sought, and de novo to the district court.

101A.5 Rules.

The state fire marshal shall adopt rules pursuant to chapter 17A pertaining to the manufacture, transportation, storage, possession, and use of explosive materials. Rules adopted by the state fire marshal shall be compatible with, but not limited to, the national fire protection association's pamphlet number 495 and federal rules pertaining to commerce, possession, storage, and use of explosive materials. Such rules shall:

1. Prescribe reasonable standards for the safe transportation and handling of explosive materials so as to prevent accidental fires and explosions and prevent theft and unlawful or unauthorized possession of explosive materials.

2. Prescribe procedures and methods of inventory so as to assure accurate records of all explosive materials manufactured or imported into the state and records of the disposition of such explosive materials, including records of the identity of persons to whom sales and transfers are made, and the time and place of any loss or destruction of explosive materials which might occur.

3. Prescribe reasonable standards for the safe storage of explosive materials as may be necessary to prevent accidental fires and explosions and prevent thefts and unlawful or unauthorized possession of explosive materials.

4. Require such reports from licensees, permittees, sheriffs, and chiefs of police as may be necessary for the state fire marshal to discharge the fire marshal's duties pursuant to this chapter.

5. Prescribe the form and content of license and permit applications.

6. Conduct such inspections of licensees and permittees as may be necessary to enforce the provisions of this chapter.

101A.6 Notice of storage required.

A licensee shall notify the sheriff of the county and the local police authority of any city in which explosive materials will be stored, and shall also notify such authorities when the storage is terminated.

[C73, 75, 77, 79, 81, §101A.6]

Referred to in §101A.14

101A.7 Inspection of storage facility.

1. The licensee's or permittee's explosives storage facility shall be inspected at least once a year by a representative of the state fire marshal's office, except that the state fire marshal may, at those mining operations licensed and regulated by the United States department of labor, accept an approved inspection report issued by the United States department of labor, mine safety and health administration, for the twelve-month period following the issuance of the report. The state fire marshal shall notify the appropriate city or county governing board of licenses to be issued in their respective jurisdictions pursuant to this chapter. The notification shall contain the name of the applicant to be licensed, the location of the facilities to be used in storing explosives, the types and quantities of explosive materials to be stored, and other information deemed necessary by either the governing boards or the state fire marshal. The facility may be examined at other times by the sheriff of the county where the facility is located or by the local police authority if the facility is located within a city of over ten thousand population and if the sheriff or city council considers it necessary.

2. If the state fire marshal finds the facility to be improperly secured, the licensee or permittee shall immediately correct the improper security and, if not so corrected, the state fire marshal shall immediately confiscate the stored explosives. Explosives may be confiscated by the county sheriff or local police authority only if a situation that is discovered during an examination by those authorities is deemed to present an immediate danger. If the explosives are confiscated by the county sheriff or local police authority, they shall be delivered to the state fire marshal. The state fire marshal shall hold confiscated explosives for a period of thirty days under proper security unless the period of holding is shortened pursuant to this section.

3. If the licensee or permittee corrects the improper security within the thirty-day period, the explosives shall be returned to the licensee or permittee after correction and after the licensee or permittee has paid to the state an amount equal to the expense incurred by the state in storing the explosives during the period of confiscation. The amount of expense shall be determined by the state fire marshal.

4. If the improper security is not corrected during the thirty-day period, the state fire marshal shall dispose of the explosives and the license or permit shall be canceled. A canceled license or permit shall not be reissued for a period of two years from the date of cancellation.

This chapter shall not apply to the possession or use of twenty-five pounds or less of smokeless powder, or five pounds or less of black sporting powder, provided that:

1. Smokeless powder is intended for handloading or reloading of ammunition for small arms with bores equivalent to ten gauge or less.
2. Black sporting powder is intended for handloading or reloading ammunition for small arms with bores equivalent to ten gauge or less, loading black ammunition, loading cap and ball revolvers, loading muzzle loading arms, or loading muzzle loading cannon.
3. All such powder is for private use and not for commercial resale, and in the case of black sporting powder or smokeless powder the sharing with or disposition to another person is permitted if otherwise lawful.
4. The storage, use, and handling of smokeless and black powder conforms to rules or ordinances of authorities having jurisdiction for fire prevention and suppression purposes in the area of such storage, use, and handling.

[C73, 75, 77, 79, 81, §101A.12]

101A.13 Local ordinances.

Nothing in this chapter shall limit the authority of cities to impose additional regulations governing the storage, handling, use, and transportation of explosive materials within their respective corporate limits, however, such regulations shall be at least as stringent as and not

inconsistent with the provisions of this chapter and the rules promulgated pursuant to this chapter.

[C73, 75, 77, 79, 81, §101A.13]

101A.14 Criminal penalties.

1. Any person who violates the provisions of section 101A.2, subsection 4, or section 101A.3, subsection 4, commits a public offense and, upon conviction, shall be guilty of a class “C” felony.

2. Any person who violates the provisions of section 101A.6, 101A.8 or 101A.9 or any of the rules adopted by the state fire marshal pursuant to the provisions of this chapter, commits a simple misdemeanor.

CHAPTER 101B

CIGARETTE FIRE SAFETY STANDARDS

Referred to in §453A.6

This chapter ceases to apply if federal fire safety standards preempting this chapter are enacted subsequent to January 1, 2009; see §101B.10

101B.1	Short title.	101B.6	Notification of certification.
101B.2	Definitions.	101B.7	Marking of cigarette packaging.
101B.3	General requirements — administration.	101B.8	Penalties — enforcement.
101B.4	Test method — performance standard — test reports.	101B.9	Cigarette fire safety standard fund. Repealed by 2013 Acts, ch 139, §44.
101B.5	Certification.	101B.10	Applicability — preemption.

101B.1 Short title.

This chapter shall be known and may be cited as the “*Cigarette Fire Safety Standards Act*”. 2007 Acts, ch 166, §1

101B.2 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Agent*” means a distributor as defined in section 453A.1 authorized by the department of revenue to purchase and affix stamps pursuant to section 453A.10.
2. “*Cigarette*” means cigarette as defined in section 453A.1.
3. “*Department*” means the department of public safety.
4. “*Manufacturer*” means any of the following:
 - a. An entity that manufactures or otherwise produces cigarettes or causes cigarettes to be manufactured or produced, anywhere, which cigarettes the manufacturer intends to be sold in this state, including cigarettes intended to be sold in the United States through an importer.
 - b. The first purchaser of cigarettes anywhere, that intends to resell in the United States, cigarettes manufactured or produced anywhere, that the original manufacturer did not intend to be sold in the United States.
 - c. An entity that becomes a successor of an entity described in paragraph “a” or “b”.
5. “*Quality control and quality assurance program*” means the laboratory procedures implemented to ensure that operator bias, systematic and nonsystematic methodological errors, and equipment-related problems do not affect the results of the repeatability testing, and which program ensures that the testing repeatability remains within the required repeatability values specified in section 101B.4.
6. “*Repeatability*” means the range of values within which the repeat results of cigarette test trials from a single laboratory will fall ninety-five percent of the time.

7. “Retailer” means retailer as defined in section 453A.1.

8. “Sale” means any transfer of title or possession, exchange or barter, in any manner or by any means or any agreement. In addition to cash and credit sales, the giving of cigarettes as a sample, prize, or gift or the exchanging of cigarettes for any consideration other than money is considered a sale.

9. “Sell” means to sell, or to offer or agree to sell.

10. “Wholesaler” means wholesaler as defined in section 453A.1.

2007 Acts, ch 166, §2

101B.3 General requirements — administration.

1. Beginning January 1, 2009, cigarettes shall not be sold or offered for sale to any person in this state unless:

a. The cigarettes have been tested in accordance with the test method prescribed in section 101B.4.

b. The cigarettes meet the performance standard specified in section 101B.4.

c. A written certification has been filed by the manufacturer with the department and in accordance with section 101B.5.

d. The cigarettes have been marked in accordance with section 101B.7.

2. This chapter shall not be construed to prohibit a wholesaler or retailer from selling the wholesaler’s or retailer’s inventory of cigarettes existing prior to January 1, 2009, provided that the wholesaler or retailer is able to establish both of the following:

a. Tax stamps were affixed to the cigarettes on inventory pursuant to section 453A.10 before January 1, 2009.

b. The inventory of cigarettes was purchased before January 1, 2009, in comparable quantity to the amount of inventory of cigarettes purchased during the same period of the prior year.

3. This chapter shall not be construed to prohibit any person from selling or offering for sale cigarettes that have not been certified by the manufacturer in accordance with section 101B.5 if the cigarettes are or will be stamped for sale in another state or are packaged for sale outside the United States.

4. The department of public safety shall administer this chapter and may adopt rules pursuant to chapter 17A to administer this chapter. This chapter shall be implemented in accordance with the implementation and substance of the New York fire safety standards for cigarettes.

2007 Acts, ch 166, §3

Referred to in §101B.8

101B.4 Test method — performance standard — test reports.

1. a. Testing of cigarettes shall be conducted in accordance with ASTM (American society for testing and materials) international standard E2187-04, standard test method for measuring the ignition strength of cigarettes.

b. The department may adopt a subsequent ASTM international standard test method for measuring the ignition strength of cigarettes upon a finding that the subsequent method does not result in a change in the percentage of full-length burns exhibited by any tested cigarette when compared to the percentage of full-length burns the same cigarette would exhibit when tested in accordance with ASTM international standard E2187-04 and the performance standard in this section.

2. Testing shall be conducted on ten layers of filter paper.

3. The performance standard shall require that no more than twenty-five percent of the cigarettes tested in a test trial shall exhibit full-length burns.

4. Forty replicate tests shall comprise a complete test trial for each cigarette tested.

5. The performance standard required by this section shall only be applied to a complete test trial.

6. a. Testing shall be conducted by a laboratory that has been accredited pursuant to international organization for standardization/international electrotechnical commission standard 17025 or other comparable accreditation standard required by the department.

b. Laboratories conducting testing in accordance with this section shall implement a quality control and quality assurance program that includes a procedure that will determine the repeatability of the testing results. The testing repeatability shall be no greater than nineteen one-hundredths.

7. This section shall not require additional testing if cigarettes are tested consistent with this chapter for any other purpose.

8. Each cigarette listed in a certification submitted in accordance with section 101B.5 that uses lowered permeability bands in the cigarette paper to achieve compliance with the performance standard pursuant to this section shall have at least two nominally identical bands on the paper surrounding the tobacco column. At least one complete band shall be located at least fifteen millimeters from the lighting end of the cigarette. For cigarettes on which the bands are positioned by design, there shall be at least two bands fully located at least fifteen millimeters from the lighting end and either ten millimeters from the filter end of the tobacco column, or ten millimeters from the labeled end of the tobacco column for nonfiltered cigarettes.

9. a. The manufacturer of a cigarette that the department determines cannot be tested in accordance with the test method prescribed in this section shall propose a test method and performance standard for the cigarette to the department. Upon approval of the proposed test method and a determination by the department that the performance standard proposed by the manufacturer is equivalent to the performance standard prescribed in this section, the manufacturer may employ the test method and performance standard to certify the cigarette in accordance with section 101B.5.

b. If the department determines that another state has enacted reduced cigarette ignition propensity standards that include a test method and performance standard that are the same as those contained in this chapter and the department finds that the officials responsible for implementing those requirements have approved the proposed alternative test method and performance standard for a particular cigarette proposed by a manufacturer as meeting the fire safety standards of that state's law or regulation under a legal provision comparable to this subsection, the department shall authorize that manufacturer to employ the alternative test method and performance standard to certify that cigarette for sale in this state, unless the department demonstrates a reasonable basis why the alternative test should not be accepted under this chapter. All other applicable requirements of this chapter shall apply to the manufacturer.

10. A manufacturer shall maintain copies of the reports of all tests conducted on all cigarettes offered for sale for a period of three years and shall make copies of the reports available to the department and the office of the attorney general upon written request.

11. Testing performed or sponsored by the department to determine a cigarette's compliance with the performance standard required by this section shall be conducted in accordance with this section.

2007 Acts, ch 166, §4; 2008 Acts, ch 1032, §18

Referred to in §101B.2, 101B.3, 101B.5, 101B.8

101B.5 Certification.

1. Each manufacturer shall submit a written certification to the department attesting to all of the following:

a. Each cigarette listed in the certification has been tested in accordance with section 101B.4.

b. Each cigarette listed in the certification meets the performance standard pursuant to section 101B.4.

2. Each cigarette listed in the certification shall be described with the following information:

a. The brand or trade name on the package.

b. The style of cigarette, such as light or ultra light.

c. The length of the cigarette in millimeters.

d. The circumference of the cigarette in millimeters.

e. The flavor of the cigarette, such as menthol or chocolate, if applicable.

- f. Whether the cigarette is filtered or nonfiltered.
 - g. The type of cigarette package, such as soft pack or box.
 - h. The marking approved in accordance with section 101B.7.
 - i. The name, address, and telephone number of the laboratory, if different than the manufacturer, that conducted the test.
 - j. The date the testing was performed.
3. Each cigarette certified under this section shall be recertified every three years.
 4. The manufacturer shall, upon request, make a copy of the written certification available to the office of the attorney general and the department of revenue for purposes of ensuring compliance with this chapter.
 5. For each cigarette listed in a certification, a manufacturer shall pay a fee of one hundred dollars to the department. The department shall deposit all fees received pursuant to this subsection with the treasurer of state for credit to the general fund of the state.
 6. If a manufacturer has certified a cigarette pursuant to this section, and makes any change to the cigarette thereafter that is likely to alter the cigarette's compliance with the reduced cigarette ignition propensity standards mandated by this chapter, prior to the cigarette being sold or offered for sale in this state, the manufacturer shall retest the cigarette in accordance with the testing standards specified in section 101B.4 and shall maintain records of the retesting as required pursuant to section 101B.4. Any altered cigarette that does not meet the performance standard specified in section 101B.4 shall not be sold in this state.

2007 Acts, ch 166, §5; 2013 Acts, ch 139, §41

Referred to in §101B.3, 101B.4, 101B.6, 101B.7, 101B.8

101B.6 Notification of certification.

1. A manufacturer certifying cigarettes in accordance with section 101B.5 shall provide a copy of the certification to all wholesalers and agents to whom the manufacturer sells cigarettes, and shall also provide sufficient copies of an illustration of the cigarette packaging marking used by the manufacturer in accordance with section 101B.7 for each retailer to whom the wholesalers or agents sell cigarettes.

2. A wholesaler or agent shall provide a copy of the cigarette packaging markings received from a manufacturer to all retailers to whom the wholesaler or agent sells cigarettes. A wholesaler, agent, or retailer shall permit the state fire marshal, department of revenue, or the office of the attorney general to inspect markings of cigarette packaging marked in accordance with section 101B.7.

2007 Acts, ch 166, §6

101B.7 Marking of cigarette packaging.

1. Cigarettes that have been certified by a manufacturer in accordance with section 101B.5 shall be marked to indicate compliance with the requirements of this chapter. The marking shall be in eight point type or larger and consist of one of the following:

a. Modification of the product's universal product code to include a visible mark printed at or around the area of the universal product code. The mark may consist of an alphanumeric or symbolic character or characters permanently stamped, engraved, embossed, or printed in conjunction with the universal product code.

b. Any visible alphanumeric or symbolic character or combination of alphanumeric or symbolic characters permanently stamped, engraved, or embossed upon the cigarette package or cellophane wrap.

c. Printed, stamped, engraved, or embossed text that indicates that the cigarettes meet the standards of this chapter.

2. A manufacturer shall use only one marking, and shall apply the marking uniformly for all packages including but not limited to packs, cartons, and cases and to brands marketed by that manufacturer.

3. The manufacturer shall notify the department of the marking selected.

4. Prior to the certification of any cigarette, a manufacturer shall present its proposed marking to the department for approval. Upon receipt of the request, the department shall

approve or disapprove the marking offered. A marking in use and approved for the sale of cigarettes in the state of New York shall be deemed approved. A proposed marking shall be deemed approved if the department fails to act within ten business days of receiving a request for approval.

5. A manufacturer shall not modify its approved marking until the modification has been approved by the department in accordance with this section.

2007 Acts, ch 166, §7

Referred to in §101B.3, 101B.5, 101B.6, 101B.8

101B.8 Penalties — enforcement.

1. A manufacturer, wholesaler, agent, or other person who knowingly sells cigarettes at wholesale in violation of section 101B.3 is subject to the following:

a. For a first offense, a civil penalty not to exceed five thousand dollars for each sale of the cigarettes.

b. For each subsequent offense, a civil penalty not to exceed ten thousand dollars for each sale of the cigarettes, provided that the total penalty assessed against any such person shall not exceed fifty thousand dollars in any thirty-day period.

2. A retailer who knowingly sells cigarettes in violation of section 101B.3, is subject to the following:

a. For a first offense, a civil penalty not to exceed five hundred dollars for each sale or offer for sale of the cigarettes, and for each subsequent offense a civil penalty not to exceed two thousand dollars for each sale or offer for sale of the cigarettes, provided that the total number of cigarettes sold or offered for sale in such sale does not exceed one thousand cigarettes.

b. For a first offense, a civil penalty not to exceed one thousand dollars for each sale or offer for sale of the cigarettes, and for each subsequent offense a civil penalty not to exceed five thousand dollars for each sale or offer for sale of the cigarettes, provided that the total number of cigarettes sold or offered for sale in such sale exceeds one thousand cigarettes, and provided that the penalty against the retailer does not exceed twenty-five thousand dollars in any thirty-day period.

3. A manufacturer who fails to maintain test reports or who fails to make copies of the reports available to the department or the office of the attorney general within sixty days of receiving a written request pursuant to section 101B.4, is subject to a civil penalty not to exceed ten thousand dollars for each day beyond the sixtieth day that the manufacturer fails to provide the test reports.

4. In addition to any penalty prescribed by law, any corporation, partnership, sole proprietorship, limited partnership, or association engaged in the manufacture of cigarettes that knowingly makes a false certification pursuant to section 101B.5 is subject to the following:

a. For a first offense, a civil penalty of at least twenty-five thousand dollars.

b. For a second or subsequent offense, a civil penalty not to exceed one hundred thousand dollars for each false certification.

5. Any person violating any other provision of this chapter is subject to the following:

a. For a first offense, a civil penalty not to exceed one thousand dollars.

b. For a second or subsequent offense, a civil penalty not to exceed five thousand dollars for each violation.

6. Any cigarettes that have been sold or offered for sale that do not comply with the performance standard required pursuant to section 101B.4 shall be subject to forfeiture. However, prior to the destruction of any cigarettes forfeited, the holder of the trademark rights in the cigarette brand shall be permitted to inspect the cigarettes.

7. In addition to any other remedy provided by law, the department of public safety or the office of the attorney general may file an action in district court for a violation of this chapter, including petitioning for injunctive relief or to recover any costs or damages suffered by the state because of a violation of this chapter, including enforcement costs relating to the specific violation and attorney fees. Each violation of the chapter or of rules adopted under this chapter constitutes a separate civil violation for which the department of public safety or the office of the attorney general may seek relief.

8. The department of revenue in the regular course of conducting inspections of a wholesaler, agent, or retailer may inspect cigarettes in the possession or control of the wholesaler, agent, or retailer or on the premises of any wholesaler, agent, or retailer to determine if the cigarettes are marked as required pursuant to section 101B.7. If the cigarettes are not marked as required, the department of revenue shall notify the department of public safety.

9. To enforce the provisions of this chapter, the department of public safety and the office of the attorney general may examine the books, papers, invoices, and other records of any person in possession, control, or occupancy of any premises where cigarettes are placed, sold, or offered for sale, including the stock of cigarettes on the premises.

10. The department shall deposit any moneys received from civil penalties assessed pursuant to this section with the treasurer of state for credit to the general fund of the state.

101B.9 Cigarette fire safety standard fund. Repealed by 2013 Acts, ch 139, §44.

101B.10 Applicability — preemption.

1. This chapter shall cease to be applicable if federal fire safety standards for cigarettes that preempt this chapter are enacted and take effect subsequent to January 1, 2009, and the state fire marshal shall notify the secretary of state and the Code editor if such federal fire safety standards for cigarettes are enacted.

2. Notwithstanding any law to the contrary, political subdivisions shall not adopt or enforce any ordinance, rule, or regulation that conflicts with any provision of this chapter, or with any policy of the state expressed by this chapter, whether the policy is expressed by inclusion of or exclusion from this chapter.

CHAPTER 101C

IOWA PROPANE EDUCATION AND RESEARCH COUNCIL

101C.1	Short title.	101C.8	Pricing.
101C.2	Definitions.	101C.9	Relation to other programs.
101C.3	Iowa propane education and research council established.	101C.10	Bond.
101C.4	Funding — assessments.	101C.11	Report.
101C.5	Referendum for termination of council.	101C.12	Not a state agency.
101C.6	Compliance.	101C.13	Penalty.
101C.7	Lobbying restrictions.	101C.14	Future repeal. Repealed by 2013 Acts, ch 101, §3.

101C.1 Short title.

This chapter shall be known as and may be cited as the “*Iowa Propane Education and Research Act*”.

2007 Acts, ch 182, §1, 15

101C.2 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Council*” means the Iowa propane education and research council established pursuant to section 101C.3.

2. “*Education*” means any activity designed to provide information regarding propane, propane equipment, mechanical and technical practices, and uses of propane to consumers and members of the propane industry.

3. “*Energy star certification*” means meeting energy efficiency standards and guidelines pursuant to the energy star program developed and jointly administered by the United States environmental protection agency and United States department of energy.

4. “*Fire marshal*” means the state fire marshal as provided in section 100.1.
 5. “*Odorized propane*” means propane to which an odorant has been added.
 6. “*Propane*” means a hydrocarbon with a chemical composition that is predominately C₃H₈, whether recovered from natural gas or crude oil, and includes liquefied petroleum gases and mixtures.
 7. “*Propane industry*” means those persons involved in the production, transportation, and sale of propane, and in the manufacture and distribution of propane utilization equipment.
 8. “*Propane industry trade association*” means an organization exempt from tax under section 501(c)(3) or 501(c)(6) of the Internal Revenue Code, that represents the propane industry.
 9. “*Qualified propane industry organization*” means the Iowa propane gas association or any other similarly constituted industry trade association that represents at least thirty-five percent of the total volume of odorized propane sold at retail in this state.
 10. “*Research*” means any type of study, investigation, program, or other activity designed to advance the image, desirability, usage, marketability, efficiency, or safety of propane or to further the development of information related to such activities.
 11. “*Retail propane dispenser*” means a person who sells odorized propane to the ultimate consumer but is not engaged primarily in the business of such sales.
 12. “*Retail propane marketer*” means a person engaged primarily in the sale of odorized propane to the ultimate consumer or to a retail propane dispenser.
 13. “*Weatherization*” means activities designed to promote or enhance energy efficiency in a residence or other building including but not limited to the installation of attic, wall, foundation, crawlspace, water heater, and pipe insulation; air sealing including caulking and weather-stripping of windows and doors; the installation of windows and doors that qualify for energy star certification; the performance of home energy audits; programmable thermostat installation; and carbon monoxide and radon inspection and detection system installation.
- 2007 Acts, ch 182, §2, 15; 2009 Acts, ch 141, §1, 2

101C.3 Iowa propane education and research council established.

1. The Iowa propane education and research council is established. The council shall consist of ten voting members, nine of whom represent retail propane marketers and one of whom shall be the administrator of the division of community action agencies of the department of human rights. Members of the council other than the administrator shall be appointed by the fire marshal from a list of nominees submitted by qualified propane industry organizations by December 15 of each year. A vacancy in the unfinished term of a council member shall be filled for the remainder of the term in the same manner as the original appointment was made. Other than the administrator, council members shall be full-time employees or owners of a propane industry business or representatives of an agricultural cooperative actively engaged in the propane industry. An employee of a qualified propane industry organization shall not serve as a member of the council. An officer of the board of directors of a qualified propane industry organization or propane industry trade association shall not serve concurrently as a member of the council. The fire marshal or a designee may serve as an ex officio, nonvoting member of the council.
2. In nominating members of the council, qualified propane industry organizations shall give due consideration to nominating council members who are representative of the propane industry, including representation of all of the following:
 - a. Interstate and intrastate retail propane marketers.
 - b. Large and small retail propane marketers, including agricultural cooperatives.
 - c. Diverse geographic regions of the state.
3. The following persons shall be ex officio, nonvoting members of the council designated for three-year terms as follows:
 - a. A professional fire fighter designated by the Iowa professional fire fighters association.
 - b. A volunteer fire fighter designated by the Iowa firefighters association.
 - c. An experienced plumber involved in plumbing training programs designated by the Iowa state building and construction trades council.

d. A heating, ventilation, and air conditioning professional involved in heating, ventilation, and air conditioning training programs designated by the Iowa state building and construction trades council.

e. A community college instructor with experience in conducting fire safety programs designated by the Iowa association of community college presidents.

f. A representative of a property and casualty insurance company with experience in insuring sellers of propane gas designated by the Iowa insurance institute.

4. A council member shall not receive compensation for the council member's service and shall not be reimbursed for expenses relating to the council member's service. A member of the council shall not be a salaried employee of the council or of any organization or agency which receives funds from the council.

5. A council member shall serve a term of three years.

6. Initial appointments to the council shall be for terms of one, two, and three years that are staggered to provide for the future appointment of at least two members each year.

7. The voting members of the council shall select a chairperson and other officers as necessary from the voting members and shall adopt rules and bylaws for the conduct of business and the implementation of this chapter. The council may establish committees and subcommittees comprised of members of the council and may establish advisory committees comprised of persons other than council members. The council shall establish procedures for the solicitation of propane industry comments and recommendations regarding any significant plans, programs, or projects to be funded by the council.

8. a. The council shall develop programs and projects and enter into agreements for administering such programs and projects as provided in this chapter, including programs to enhance consumer and employee safety and training, provide for research and development of clean and efficient propane utilization equipment, inform and educate the public about safety and other issues associated with the use of propane, and develop programs and projects that provide assistance to persons who are eligible for the low-income home energy assistance program. The programs and projects shall be developed to attain equitable geographic distribution of their benefits to the fullest extent practicable. The costs of the programs and projects shall be paid with funds collected pursuant to section 101C.4. The council shall coordinate its programs and projects with propane industry trade associations and others as the council deems appropriate to provide efficient delivery of services and to avoid unnecessary duplication of activities. Issues concerning propane that are related to research and development, safety, education, and training shall be given priority by the council in the development of programs and projects.

b. The council may develop energy efficiency programs dedicated to weatherization, acquisition and installation of energy-efficient customer appliances that qualify for energy star certification, installation of low-flow faucets and showerheads, and energy efficiency education. The council may by rule establish quality standards in relation to weatherization and appliance installation.

9. At the beginning of each fiscal year, the council shall prepare a budget plan for the next fiscal year, including the probable cost of all programs, projects, and contracts to be undertaken. The council shall submit the proposed budget to the fire marshal for review and comment. The fire marshal may recommend appropriate programs, projects, and activities to be undertaken by the council.

10. The council shall keep minutes, books, and records that clearly reflect all of the acts and transactions of the council which are public records open to public inspection. The books and records shall indicate the geographic areas where benefits were conferred by each individual program or project in detail sufficient to reflect the degree to which each program or project attained equitable geographic distribution of its benefits. The books of the council shall be audited by a certified public accountant at least once each fiscal year and at such other times as the council may designate. The cost of the audit shall be paid by the council. Copies of the audit shall be provided to all council members, all qualified propane industry organizations, and to other members of the propane industry upon request. In addition, a copy of the audit and a report detailing the programs and projects conducted by the council and containing information reflecting the degree to which equitable geographic distribution

of the benefits of each program or project was attained shall be submitted each fiscal year to the chief clerk of the house of representatives and the secretary of the senate.

11. The council is subject to the open meetings requirements of chapter 21.

12. The council shall promulgate administrative rules pursuant to chapter 17A which shall have the same force and effect as if adopted by a state agency. Initial rules shall be promulgated on an emergency basis.

13. The council shall also perform the functions required of a state organization under the federal Propane Education and Research Act of 1996, be the repository of funds received under that Act, and separately account for those funds. The council shall coordinate the operation of the program with the federal council as contemplated by 15 U.S.C. §6405.

2007 Acts, ch 182, §3, 15; 2008 Acts, ch 1032, §93, 202; 2009 Acts, ch 141, §3; 2011 Acts, ch 25, §15; 2013 Acts, ch 101, §1, 2

Referred to in §101C.2, 101C.11

101C.4 Funding — assessments.

1. The council and its activities shall be funded by an annual assessment. Upon establishment of the council and each year thereafter the annual assessment shall be made at a rate of one-tenth of one cent on each gallon of odorized propane sold.

2. The owner of odorized propane at the time of odorization or at the time of import shall calculate the amount of the assessment based on the volume of odorized propane sold for use in this state. The assessment, when made, shall be listed as a separate line item on the bill of sale for the odorized propane and titled "Iowa propane education and research assessment". Assessments shall be collected by the owner from purchasers of the odorized propane and shall be paid by the owner to the council on a monthly basis by the twenty-fifth day of the month following the month the assessment was collected. If payment is not made to the council by the due date as required by this subsection, an interest penalty of one percent of any amount unpaid shall be imposed against the owner for each month or fraction of a month after the due date, until final payment is made.

3. Notwithstanding subsection 2, the council may establish an alternative means of collecting such assessments if the council determines that another method would be more efficient or effective and may establish an alternative late payment charge or interest penalty to be imposed on a person who fails to timely pay any amount due under this chapter to the council.

4. Pending the disbursement of assessments collected, the council shall invest moneys collected through assessments and any other moneys received by the council in any of the following:

- a. Obligations of the United States or any agency of the United States.
- b. General obligations of any state or political subdivision of any state.
- c. Any interest-bearing account or certificate of deposit of a bank that is a member of the federal reserve system.
- d. Obligations that are fully guaranteed as to principal and interest by the United States.

2007 Acts, ch 182, §4, 15

Referred to in §101C.3, 101C.8

101C.5 Referendum for termination of council.

On the council's own initiative or on petition to the council by retail propane marketers representing thirty-five percent of the volume of odorized propane sold in this state, the council shall, at its own expense, arrange for a referendum to be conducted by an independent auditing firm agreed upon by the retail propane marketers, to determine whether the council should be terminated or suspended. Voting rights in the referendum shall be based on the volume of odorized propane sold in this state by each retail propane marketer during the previous calendar year. Each retail propane marketer voting in the referendum shall certify to the independent auditing firm the volume of odorized propane sold by that person as represented by that person's vote. Upon the approval of those retail propane marketers representing more than one-half of the total volume of odorized propane

sold in this state, the council shall be terminated or suspended and the general assembly shall consider the repeal of this chapter during its next regular session.

2007 Acts, ch 182, §5, 15

101C.6 Compliance.

The district court is vested with the jurisdiction specifically to enforce this chapter and to prevent or restrain any person from violating this chapter. A successful action for compliance brought under this section may also require payment by the defendant of the costs incurred by the council in bringing the action.

2007 Acts, ch 182, §6, 15

101C.7 Lobbying restrictions.

Moneys collected by the council shall not be used in any manner for influencing legislation or elections, except that the council may recommend changes in this chapter or other statutes that would further the purposes of this chapter to the general assembly.

2007 Acts, ch 182, §7, 15

101C.8 Pricing.

In all cases, the price of propane shall be determined by market forces. Consistent with antitrust laws, the council shall not take any action regarding, and this chapter shall not be interpreted as establishing, an agreement to pass along to consumers the cost of the assessment provided for in section 101C.4.

2007 Acts, ch 182, §8, 15

101C.9 Relation to other programs.

This chapter shall not be construed to preempt or supersede any other program relating to propane education and research organized and operated under the laws of this state. This chapter shall be administered and construed as complementary to the federal Propane Education and Research Act of 1996, 15 U.S.C. §6401 et seq.

2007 Acts, ch 182, §9, 15

101C.10 Bond.

Any person occupying a position of trust under any provision of this chapter shall provide a bond in an amount required by the council. The costs of obtaining the bond shall be paid out of council funds.

2007 Acts, ch 182, §10, 15

101C.11 Report.

The council shall prepare and submit an annual report to the fire marshal and the auditor of state summarizing the activities of the council conducted pursuant to this chapter. The report shall show all income, expenses, and other relevant information concerning assessments collected and expended under this chapter. The report shall also include a summary of energy efficiency programs as specified in section 101C.3, subsection 8, if developed by the council.

2007 Acts, ch 182, §11, 15; 2009 Acts, ch 141, §4

101C.12 Not a state agency.

The Iowa propane education and research council is not a state agency.

2007 Acts, ch 182, §12, 15

101C.13 Penalty.

A person who willfully violates the provisions of this chapter or willfully renders or furnishes a false or fraudulent report, statement, or record required by the fire marshal pursuant to this chapter is guilty of a simple misdemeanor.

2007 Acts, ch 182, §13, 15

101C.14 Future repeal. Repealed by 2013 Acts, ch 101, §3.

CHAPTER 102

FIRE SCENES — AUTHORITY

Referred to in §28E.31

102.1	Definition.	102.4	Traffic control.
102.2	Authority at fires.	102.5	Penalty.
102.3	Authority to barricade.		

102.1 Definition.

As used in this chapter, “*fire department*” means the fire department of a city, township, or benefited fire district.

89 Acts, ch 132, §1

102.2 Authority at fires.

A fire chief or other authorized officer of a fire department, in charge of a fire scene which involves the protection of life or property, may direct an operation as necessary to extinguish or control a fire, perform a rescue operation, investigate the existence of a suspected or reported fire, gas leak, or other hazardous condition, or take any other action as deemed necessary in the reasonable performance of the department’s duties. In exercising this power, a fire chief may prohibit an individual, vehicle, or vessel from approaching a fire scene and may remove from the scene any object, vehicle, vessel, or individual that may impede or interfere with the operations of the fire department.

89 Acts, ch 132, §2

Referred to in §102.5

102.3 Authority to barricade.

The fire chief or other authorized officer of the fire department in charge of a fire scene may place or erect ropes, guards, barricades, or other obstructions across a street, alley, right-of-way, or private property near the location of the fire or emergency so as to prevent accidents or interference with the fire fighting efforts of the fire department, to control the scene until any required investigation is complete, or to preserve evidence related to the fire or other emergency.

89 Acts, ch 132, §3

Referred to in §102.5

102.4 Traffic control.

Notwithstanding a contrary provision of this chapter, if a peace officer is on the scene, the peace officer is in charge of traffic control and a peace officer shall not be prohibited from performing the duties of a peace officer at the fire scene.

89 Acts, ch 132, §4

102.5 Penalty.

A person who disobeys an order of a fire chief, other officer of a fire department, or peace officer assisting the fire department which is issued pursuant to section 102.2 or 102.3, is guilty of a simple misdemeanor.

89 Acts, ch 132, §5

103.1 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Apprentice electrician*” means any person who, as such person’s principal occupation, is engaged in learning and assisting in the installation, alteration, and repair of electrical wiring, apparatus, and equipment as an employee of a person licensed under this chapter, and who is licensed by the board and is progressing toward completion of an apprenticeship training program registered by the office of apprenticeship of the United States department of labor. For purposes of this chapter, persons who are not engaged in the installation, alteration, or repair of electrical wiring, apparatus, and equipment, either inside or outside buildings, shall not be considered apprentice electricians.
2. “*Board*” means the electrical examining board created under section 103.2.

3. “*Class A journeyman electrician*” means a person having the necessary qualifications, training, experience, and technical knowledge to wire for or install electrical wiring, apparatus, and equipment and to supervise apprentice electricians and who is licensed by the board.

4. “*Class A master electrician*” means a person having the necessary qualifications, training, experience, and technical knowledge to properly plan, lay out, and supervise the installation of electrical wiring, apparatus, and equipment for light, heat, power, and other purposes and who is licensed by the board.

5. “*Class B journeyman electrician*” means a person having the necessary qualifications, training, experience, and technical knowledge to wire for or install electrical wiring, apparatus, and equipment who meets and is subject to the restrictions of section 103.12.

6. “*Class B master electrician*” means a person having the necessary qualifications, training, experience, and technical knowledge to properly plan, lay out, and supervise the installation of electrical wiring, apparatus, and equipment who meets and is subject to the restrictions of section 103.10.

7. “*Electrical contractor*” means a person affiliated with an electrical contracting firm or business who is, or who employs a person who is, licensed by the board as either a class A or class B master electrician and who is also registered with the state of Iowa as a contractor pursuant to chapter 91C.

8. “*Farm*” means land, buildings and structures used for agricultural purposes including but not limited to the storage, handling, and drying of grain and the care, feeding, and housing of livestock.

9. “*Industrial installation*” means an installation intended for use in the manufacture or processing of products involving systematic labor or habitual employment and includes installations in which agricultural or other products are habitually or customarily processed or stored for others, either by buying or reselling on a fee basis.

10. “*Inspector*” means a person certified as an electrical inspector upon such reasonable conditions as may be adopted by the board. The board may permit more than one class of electrical inspector.

11. “*New electrical installation*” means the installation of electrical wiring, apparatus, and equipment for light, heat, power, and other purposes.

12. “*Public use building or facility*” means any building or facility designated for public use, including all property owned and occupied or designated for use by the state of Iowa.

13. “*Residential electrician*” means a person having the necessary qualifications, training, experience, and technical knowledge to perform a residential installation.

14. “*Residential installation*” means the wiring for or installation of electrical wiring, apparatus, and equipment in a residence consisting of no more than four living units within the same building.

15. “*Residential master electrician*” means a person having the necessary qualifications, training, experience, and technical knowledge to properly plan, lay out, and supervise the performance of a residential installation.

16. “*Routine maintenance*” means the repair or replacement of existing electrical apparatus or equipment, including but not limited to wires, cables, switches, receptacles, outlets, fuses, circuit breakers, and fixtures, of the same size and type for which no changes in wiring are made, but does not include any new electrical installation or the expansion or extension of any circuit.

17. “*Special electrician*” means a person having the necessary qualifications, training, and experience in wiring or installing special classes of electrical wiring, apparatus, equipment, or installations which shall include irrigation system wiring, disconnecting and reconnecting of existing air conditioning and refrigeration, and sign installation and who is licensed by the board.

18. “*Unclassified person*” means any person, other than an apprentice electrician or other person licensed under this chapter, who, as such person’s principal occupation, is engaged in learning and assisting in the installation, alteration, and repair of electrical wiring, apparatus, and equipment as an employee of a person licensed under this chapter, and who is licensed by the board as an unclassified person. For purposes of this chapter, persons who

are not engaged in the installation, alteration, or repair of electrical wiring, apparatus, and equipment, either inside or outside buildings, shall not be considered unclassified persons.

103.1A Term “commercial” applied.

As used in this chapter:

1. “*Commercial*” refers to a use, installation, structure, or premises associated with a place of business where goods, wares, services, or merchandise is stored or offered for sale on a wholesale or retail basis.

2. “*Commercial*” refers to a residence only if the residence is regularly open to the public as a place of business as provided in subsection 1.

3. “*Commercial*” does not refer to a use, installation, structure, or premises associated with any of the following:

- a. A farm.
- b. An industrial installation.

2017 Acts, ch 10, §1

103.2 Electrical examining board created.

1. An electrical examining board is created within the division of state fire marshal of the department of public safety. The board shall consist of eleven voting members appointed by the governor and subject to senate confirmation, all of whom shall be residents of this state.

2. The members shall be as follows:

a. Two members shall be journeyman electricians, one a member of an electrical workers union covered under a collective bargaining agreement and one not a member of a union.

b. Two members shall be master electricians or electrical contractors, one of whom is a contractor signed to a collective bargaining agreement or a master electrician covered under a collective bargaining agreement and one of whom is a contractor not signed to a collective bargaining agreement or a master electrician who is not a member of a union.

c. One member shall be an electrical inspector.

d. Two members, one a union member covered under a collective bargaining agreement and one who is not a member of a union, each of whom shall not be a member of any of the groups described in paragraphs “a” through “c”, and shall represent the general public.

e. One member shall be the state fire marshal or a representative of the state fire marshal’s office.

f. One member shall be a local building official employed by a political subdivision to perform electrical inspections for that political subdivision.

g. One member shall represent a public utility.

h. One member shall be an engineer licensed pursuant to chapter 542B with a background in electrical engineering.

3. The public members of the board shall be allowed to participate in administrative, clerical, or ministerial functions incident to giving a licensure examination, but shall not determine the content of the examination or determine the correctness of the answers. Professional associations or societies composed of licensed electricians may recommend to the governor the names of potential board members whose profession is representative of that association or society. However, the governor is not bound by the recommendations. A board member shall not be required to be a member of any professional electrician association or society.

103.3 Terms of office — expenses — counsel.

1. Appointments to the board, other than the state fire marshal or a representative of the state fire marshal’s office, shall be for three-year staggered terms and shall commence and end as provided by section 69.19. The most recently appointed state fire marshal, or a representative of the state fire marshal’s office, shall be appointed to the board on an ongoing

basis. Vacancies shall be filled for the unexpired term by appointment of the governor and shall be subject to senate confirmation. Members shall serve no more than three terms or nine years, whichever is least.

2. Members of the board are entitled to receive all actual expenses incurred in the discharge of their duties within the limits of funds appropriated to the board. Each member of the board may also be eligible to receive compensation as provided in section 7E.6.

3. The board shall be entitled to the counsel and services of the attorney general. The board may compel the attendance of witnesses, pay witness fees and mileage, take testimony and proofs, and administer oaths concerning any matter within its jurisdiction.

2007 Acts, ch 197, §13, 50

Confirmation, see §2.32

103.4 Organization of the board.

The board shall elect annually from its members a chairperson and a vice chairperson, and shall hire and provide staff to assist the board in administering this chapter. An executive secretary designated by the board shall report to the state fire marshal for purposes of routine board administrative functions, and shall report directly to the board for purposes of execution of board policy such as application of licensing criteria and processing of applications. The board shall hold at least one meeting quarterly at the location of the board's principal office, and meetings shall be called at other times by the chairperson or four members of the board. At any meeting of the board, a majority of members constitutes a quorum.

2007 Acts, ch 197, §14, 50

103.5 Official seal — bylaws.

The board shall adopt and have an official seal which shall be affixed to all certificates of licensure granted.

2007 Acts, ch 197, §15, 50

103.6 Powers and duties.

1. The board shall:

a. Adopt rules pursuant to chapter 17A and in doing so shall be governed by the minimum standards set forth in the most current publication of the national electrical code issued and adopted by the national fire protection association, and amendments to the code, which code and amendments shall be filed in the offices of the state law library and the board and shall be a public record. The board shall adopt rules reflecting updates to the code and amendments to the code. The board shall promulgate and adopt rules establishing wiring standards that protect public safety and health and property and that apply to all electrical wiring which is installed subject to this chapter.

b. Revoke, suspend, or refuse to renew any license granted pursuant to this chapter when the licensee does any of the following:

(1) Fails or refuses to pay any examination, license, or renewal fee required by law.

(2) Is an electrical contractor and fails or refuses to provide and keep in force a public liability insurance policy and surety bond as required by the board.

(3) Violates any political subdivision's inspection ordinances.

c. Adopt rules for continuing education requirements for each classification of licensure established pursuant to this chapter, and adopt all rules, not inconsistent with the law, necessary for the proper performance of the duties of the board.

d. Provide for the amount and collection of fees for inspection and other services.

2. The board may, in its discretion, revoke, suspend, or refuse to renew any license granted pursuant to this chapter when the licensee violates any provision of the national electrical

code as adopted pursuant to subsection 1, this chapter, or any rule adopted pursuant to this chapter.

103.7 Electrician and installer licensing and inspection fund.

An electrician and installer licensing and inspection fund is created in the state treasury as a separate fund under the control of the board. All licensing, examination, renewal, and inspection fees shall be deposited into the fund and retained by and for the use of the board. Expenditures from the fund shall be approved by the sole authority of the board in consultation with the state fire marshal. Amounts deposited into the fund shall be considered repayment receipts as defined in section 8.2. Notwithstanding section 8.33, any balance in the fund on June 30 of each fiscal year shall not revert to the general fund of the state, but shall remain available for the purposes of this chapter in subsequent fiscal years. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the fund shall be credited to the fund.

2007 Acts, ch 197, §17, 50

103.8 Activities where license required — exceptions.

1. No person, except a person licensed as an electrical contractor, shall engage in the business of providing new electrical installations or any other electrical services regulated under this chapter.

2. Except as provided in sections 103.13 and 103.14, no person shall, for another, plan, lay out, or supervise the installation of wiring, apparatus, or equipment for electrical light, heat, power, and other purposes unless the person is licensed by the board as an electrical contractor, a class A master electrician, or a class B master electrician.

103.10 Class A master electrician license — qualifications — class B master electrician license.

1. An applicant for a class A master electrician license shall have at least one year's experience, acceptable to the board, as a licensed class A or class B journeyman electrician.

2. In addition, an applicant shall meet examination criteria based upon the most recent national electrical code adopted pursuant to section 103.6 and upon electrical theory, as determined by the board.

3. a. An applicant who can provide proof acceptable to the board that the applicant has been working in the electrical business and involved in planning for, laying out, supervising, and installing electrical wiring, apparatus, or equipment for light, heat, and power since January 1, 1998, and for a total of at least sixteen thousand hours, of which at least eight thousand hours shall have been accumulated since January 1, 1998, may be granted a class B master electrician license without taking an examination. An applicant who is issued a class B master electrician license pursuant to this section shall not be authorized to plan, lay out, or supervise the installation of electrical wiring, apparatus, and equipment in a political

subdivision which, prior to or after January 1, 2008, establishes licensing standards which preclude such work by class B master electricians in the political subdivision. The board shall adopt rules establishing procedures relating to the restriction of a class B master electrician license pursuant to this subsection.

b. A class B master electrician may become licensed as a class A master electrician upon successful passage of the examination prescribed in subsection 2.

4. A person licensed to plan, lay out, or supervise the installation of electrical wiring, apparatus, or equipment for light, heat, power, and other purposes and supervise apprentice electricians by a political subdivision preceding January 1, 2008, pursuant to a supervised written examination, and who is currently engaged in the electrical contracting industry, shall be issued an applicable statewide license corresponding to that licensure as a class A master electrician or electrical contractor. The board shall adopt by rule certain criteria for city examination standards satisfactory to fulfill this requirement.

5. The board may reject an application for licensure under this section from an applicant who would be subject to suspension, revocation, or reprimand pursuant to section 103.35.

103.10A Inactive master electrician license.

The board may by rule create an inactive master electrician license and establish a fee for such a license. An applicant for an inactive master electrician license shall, at a minimum, meet the requirements of this chapter and requirements established by the board by rule for licensure as a class A master electrician or a class B master electrician. A person licensed as an inactive master electrician shall not be authorized to act as a master electrician, but shall be authorized to apply for a class A master electrician license or a class B master electrician license at a future date subject to conditions and under procedures established by the board by rule. The conditions and procedures shall include but not be limited to completion of the required number of contact hours of continuing education courses specified in section 103.18, and paying the applicable license fee specified in section 103.19 for a class A master electrician license or class B master electrician license.

103.12 Class A journeyman electrician license qualifications — class B journeyman electrician license.

1. An applicant for a class A journeyman electrician license shall have successfully completed an apprenticeship training program registered by the office of apprenticeship of the United States department of labor in accordance with the standards established by that department or shall have received training or experience for a period of time and under conditions as established by the board by rule.

2. In addition, an applicant shall meet examination criteria based upon the most recent national electrical code adopted pursuant to section 103.6 and upon electrical theory, as determined by the board.

3. *a.* An applicant who can provide proof acceptable to the board that the applicant has been employed as a journeyman electrician since January 1, 1998, and for a total of at least sixteen thousand hours, of which at least eight thousand hours shall have been accumulated since January 1, 1998, may be granted a class B journeyman electrician license without taking an examination. An applicant who is issued a class B journeyman electrician license pursuant to this section shall not be authorized to wire for or install electrical wiring, apparatus, and equipment in a political subdivision which, prior to or after January 1, 2008, establishes licensing standards which preclude such work by class B journeyman electricians in the political subdivision. The board shall adopt rules establishing procedures relating to the restriction of a class B journeyman electrician license pursuant to this subsection.

b. A class B journeyman electrician may become licensed as a class A journeyman electrician upon successful passage of the examination prescribed in subsection 2.

4. A person licensed to wire for or install electrical wiring, apparatus, or equipment or supervise an apprentice electrician by a political subdivision preceding January 1, 2008, pursuant to a supervised written examination, and who is currently engaged in the electrical contracting industry with at least four years' experience, shall be issued an applicable statewide license corresponding to that licensure as a class A journeyman electrician or a class B journeyman electrician. The board shall adopt by rule certain criteria for city examination standards satisfactory to fulfill this requirement.

5. The board may reject an application for licensure under this section from an applicant who would be subject to suspension, revocation, or reprimand pursuant to section 103.35.

103.12A Residential electrician and residential master electrician license — qualifications.

1. The board may by rule provide for the issuance of a residential electrician license, and may by rule provide for the issuance of a residential master electrician license.

a. A residential electrician license or residential master electrician license, if established by the board, shall be issued to applicants who meet qualifications determined by the board, and shall be valid for the performance of residential installations, subject to limitations or restrictions established by the board.

b. A person who, on or after July 1, 2009, holds a special electrician license authorizing residential electrical installation, granted pursuant to section 103.13, shall be eligible for conversion of that special license to either a residential electrician license or a residential master electrician license, if established by the board, in accordance with requirements and procedures established by the board.

2. A person licensed by the board as a class A journeyman electrician or a class B journeyman electrician, or as a class A master electrician or a class B master electrician, shall not be required to hold a residential electrician or residential master electrician license to perform any type of residential installation authorized for a person licensed pursuant to this section.

3. The board may reject an application for licensure under this section from an applicant who would be subject to suspension, revocation, or reprimand pursuant to section 103.35.

103.13 Special electrician license — qualifications.

1. The board shall by rule provide for the issuance of special electrician licenses authorizing the licensee to engage in a limited class or classes of electrical work, which class or classes shall be specified on the license. Each licensee shall have experience, acceptable to the board, in each such limited class of work for which the person is licensed.

2. Notwithstanding section 103.8, a person who holds a special electrician license is not

required to obtain an electrical contractor license to engage in the business of providing new electrical installations or any other electrical services if such installations or services fall within the limited class of special electrical work for which the person holds the special electrician license.

3. The board may reject an application for licensure under this section from an applicant who would be subject to suspension, revocation, or reprimand pursuant to section 103.35.

103.14 Alarm installations.

A person who is not licensed pursuant to this chapter may plan, lay out, or install electrical wiring, apparatus, and equipment for components of alarm systems that operate at seventy volt/amps (VA) or less, only if the person is certified to conduct such work pursuant to chapter 100C. Installations of alarm systems that operate at seventy volt/amps (VA) or less are subject to inspection by state inspectors as provided in section 103.31, except that reports of such inspections, if the installation being inspected was performed by a person certified pursuant to chapter 100C, shall be submitted to the state fire marshal and any action taken on a report of an inspection of an installation performed by a person certified pursuant to chapter 100C shall be taken by or at the direction of the state fire marshal, unless the installation has been found to exceed the authority granted to the certificate holder pursuant to chapter 100C and therefore to be in violation of this chapter.

103.15 Apprentice electrician — unclassified person.

1. A person shall be licensed by the board and pay a licensing fee to work as an apprentice electrician while participating in an apprenticeship training program registered by the office of apprenticeship of the United States department of labor in accordance with the standards established by that department. An apprenticeship shall be limited to six years from the date of licensure, unless extended by the board upon a finding that a hardship existed which prevented completion of the apprenticeship program. Such licensure shall entitle the licensee to act as an apprentice to an electrical contractor, a class A master electrician, a class B master electrician, a class A journeyman electrician, or a class B journeyman electrician as provided in subsection 3.

2. *a.* A person shall be licensed as an unclassified person by the board to perform electrical work if the work is performed under the personal supervision of a person actually licensed to perform such work and the licensed and unclassified persons are employed by the same employer. A person shall not be employed continuously for more than one hundred days as an unclassified person without having obtained a current license from the board. For the purposes of determining whether a person has been “employed continuously” for more than one hundred days under this subsection, employment shall include any days not worked due to illness, holidays, weekend days, and other absences that do not constitute separation from or termination of employment. Any period of employment as a nonlicensed unclassified person shall not be credited to any applicable experiential requirement of an apprenticeship training program registered by the office of apprenticeship of the United States department of labor.

b. Licensed persons shall not permit unclassified persons to perform electrical work except under the personal supervision of a person actually licensed to perform such work. Unclassified persons shall not supervise the performance of electrical work or make assignments of electrical work to unclassified persons. Any person employing unclassified persons performing electrical work shall maintain records establishing compliance with this section, which shall designate all unclassified persons performing electrical work.

3. Apprentice electricians and unclassified persons shall do no electrical wiring except under the direct personal on-the-job supervision and control and in the immediate presence

of a licensee as specified in section 103.11. Such supervision shall include both on-the-job training and related classroom training as approved by the board. The licensee may employ or supervise apprentice electricians and unclassified persons at a ratio not to exceed three apprentice electricians and unclassified persons to one licensee, except that such ratio and the other requirements of this section shall not apply to apprenticeship classroom training.

4. For purposes of this section, “*the direct personal on-the-job supervision and control and in the immediate presence of a licensee*” shall mean the licensee and the apprentice electrician or unclassified person shall be working at the same project location but shall not require that the licensee and apprentice electrician or unclassified person be within sight of one another at all times.

5. An apprentice electrician shall not install, alter, or repair electrical equipment except as provided in this section, and the licensee employing or supervising an apprentice electrician shall not authorize or permit such actions by the apprentice electrician.

6. The board may reject an application for licensure under this section from an applicant who would be subject to suspension, revocation, or reprimand pursuant to section 103.35.

103.16 License examinations.

1. Examinations for licensure shall be offered as often as deemed necessary by the board, but no less than one time per quarter. The scope of the examinations and the methods of procedure shall be prescribed by the board. The examinations given by the board shall be the Experior assessment examination, or a successor examination approved by the board, or an examination prepared by a third-party testing service which is substantially equivalent to the Experior assessment examination, or a successor examination approved by the board.

2. An examination may be given by representatives of the board. As soon as practicable after the close of each examination, a report shall be filed in the office of the secretary of the board by the board. The report shall show the action of the board upon each application and the secretary of the board shall notify each applicant of the result of the applicant’s examination. Applicants who fail the examination once shall be allowed to take the examination at the next scheduled time. Thereafter, the applicant shall be allowed to take the examination at the discretion of the board. An applicant who has failed the examination may request, in writing, information from the board concerning the applicant’s examination grade and subject areas or questions which the applicant failed to answer correctly, except that if the board administers a uniform, standardized examination, the board shall only be required to provide the examination grade and such other information concerning the applicant’s examination results which are available to the board.

2007 Acts, ch 197, §26, 50; 2008 Acts, ch 1092, §21, 32

103.17 Disclosure of confidential information — criminal penalty.

1. A member of the board shall not disclose information relating to the following:

a. Criminal history or prior misconduct of an applicant.

b. Information relating to the contents of an examination.

c. Information relating to examination results other than a final score except for information about the results of an examination given to the person who took the examination.

2. A member of the board who willfully communicates or seeks to communicate such information, and any person who willfully requests, obtains, or seeks to obtain such information, is guilty of a simple misdemeanor.

2007 Acts, ch 197, §27, 50

103.18 License renewal — continuing education.

In order to renew a class A master electrician, class B master electrician, class A journeyman electrician, or class B journeyman electrician license issued pursuant to this

chapter, the licensee shall be required to complete eighteen contact hours of continuing education courses approved by the board during the three-year period for which a license is granted. The contact hours shall include a minimum of six contact hours studying the national electrical code described in section 103.6, and the remaining contact hours may include study of electrical circuit theory, blueprint reading, transformer and motor theory, electrical circuits and devices, control systems, programmable controllers, and microcomputers or any other study of electrical-related material that is approved by the board. Any additional hours studying the national electrical code shall be acceptable. For purposes of this section, “*contact hour*” means fifty minutes of classroom attendance at an approved course under a qualified instructor approved by the board.

2007 Acts, ch 197, §28, 50

Referred to in §103.10A

103.19 Licenses — expiration — application — fees.

1. Licenses issued pursuant to this chapter shall expire every three years, with the exception of licenses for apprentice electricians and unclassified persons, which shall expire on an annual basis. All license applications shall include the applicant’s social security number, which shall be maintained as a confidential record and shall be redacted prior to public release of an application or other record containing such social security number. The board shall establish the fees to be payable for license issuance and renewal in amounts not to exceed the following:

a. For each year of the three-year license period for issuance and renewal:

(1) Electrical contractor, one hundred twenty-five dollars.

(2) Class A master electrician, class B master electrician, residential master electrician, one hundred twenty-five dollars.

(3) Class A journeyman electrician, class B journeyman electrician, residential electrician, or special electrician, twenty-five dollars.

b. For apprentice electricians or unclassified persons, twenty dollars.

2. The holder of an expired license may renew the license for a period of three months from the date of expiration upon payment of the license fee plus ten percent of the renewal fee for each month or portion thereof past the expiration date. All holders of licenses expired for more than three months shall apply for a new license.

3. If the board determines that all licenses shall expire on the same date every three years for licenses specified in subsection 1, paragraph “a”, the license fees shall be prorated by month. The board shall determine an individual’s license fee based on the number of months that the individual’s license will be in effect after being issued and prior to expiration.

2007 Acts, ch 197, §29, 50; 2008 Acts, ch 1092, §22, 32; 2009 Acts, ch 39, §5, 6

Referred to in §103.10A

103.20 Licensee status — employment — death.

1. Individuals performing electrical work in a capacity for which licensure is required pursuant to this chapter shall be employed by the authority or company obtaining a permit for the performance of such work, and shall possess a valid license issued by the board.

2. Upon the death of an electrical contractor, a class A master electrician, or a class B master electrician, the board may permit a representative to carry on the business of the decedent for a period not to exceed six months for the purpose of completing work under contract to comply with this chapter. Such representative shall furnish all public liability and property damage insurance required by the board.

2007 Acts, ch 197, §30, 50

103.21 Licenses without examination — reciprocity with other states.

To the extent that any other state which provides for the licensing of electricians provides for similar action, the board may grant licenses, without examination, of the same grade and class to an electrician who has been licensed by such other state for at least one year, upon payment by the applicant of the required fee, and upon the board being furnished with proof

that the qualifications of the applicant are equal to the qualifications of holders of similar licenses in this state.

2007 Acts, ch 197, §31, 50

103.22 Chapter inapplicability.

The provisions of this chapter shall not:

1. Apply to a person licensed as an engineer pursuant to chapter 542B, licensed as an architect pursuant to chapter 544A, licensed as a landscape architect pursuant to chapter 544B, licensed as a manufactured or mobile home retailer or certified as a manufactured or mobile home installer pursuant to chapter 103A, or designated as lighting certified by the national council on qualifications for the lighting professions who is providing consultations and developing plans concerning electrical installations and who is exclusively engaged in the practice of the person's profession.

2. Require employees of municipal utilities, electric membership or cooperative associations, investor-owned utilities, rural water associations or districts, railroads, telecommunications companies, franchised cable television operators, farms, or commercial or industrial companies performing manufacturing, installation, and repair work for such employer to hold licenses while acting within the scope of their employment. An employee of a farm does not include a person who is employed for the primary purpose of installing a new electrical installation.

3. Require firms or individuals working under contract to municipal utilities, electric membership or cooperative associations, or investor-owned utilities to hold licenses while performing work for utilities which is within the scope of the public service obligations of a utility.

4. Require any person doing work for which a license would otherwise be required under this chapter to hold a license issued under this chapter if the person is the holder of a valid license issued by any political subdivision, so long as the person makes electrical installations only within the jurisdictional limits of such political subdivision and such license issued by the political subdivision is based upon requirements that are substantially equivalent to the licensing requirements of this chapter.

5. Apply to the installation, maintenance, repair, or alteration of vertical transportation or passenger conveyors, elevators, moving walks, dumbwaiters, stagelifts, manlifts, or appurtenances thereto beyond the terminals of the controllers. The licensing of elevator contractors or constructors shall not be considered a part of the licensing requirements of this chapter.

6. Require a license of any person who engages any electrical appliance where approved electrical supply is already installed.

7. Prohibit an owner of property from performing work on the owner's principal residence, if such residence is an existing dwelling rather than new construction and is not an apartment that is attached to any other apartment or building, as those terms are defined in section 499B.2, and is not larger than a single-family dwelling, or require such owner to be licensed under this chapter. In order to qualify for inapplicability pursuant to this subsection, a residence shall qualify for the homestead tax exemption.

8. Require that any person be a member of a labor union in order to be licensed.

9. Apply to a person who is qualified pursuant to administrative rules relating to the storage and handling of liquefied petroleum gases while engaged in installing, servicing, testing, replacing, or maintaining propane gas utilization equipment, or gas piping systems of which the equipment is a part, and related or connected accessory systems or equipment necessary to the operation of the equipment.

10. Apply to a person who meets the requirements for a well contractor pursuant to administrative rules while engaged in installing, servicing, testing, replacing, or maintaining a well or well equipment, or piping systems of which the equipment is a part, and related or connected accessory systems or equipment necessary to the operation of the equipment.

11. Apply to a person performing alarm system installations pursuant to section 103.14 or to a person who is engaged in the design, installation, erection, repair, maintenance, or alteration of class two or class three remote control, signaling, or power-limited circuits,

optical fiber cables or other cabling, or communications circuits, including raceways, as defined in the national electrical code for voice, video, audio, and data signals in commercial or residential premises.

12. Require any person, including an employee of the state or any political subdivision of the state, performing routine maintenance to be licensed under this chapter.

13. Apply to a person otherwise licensed pursuant to this chapter who is engaged in the wiring or installation of electrical wiring, apparatus, or equipment while presenting a course of instruction relating to home construction technology, or a similar course of instruction, offered to students by a community college established under chapter 260C, an institution under the control of the state board of regents, or a school corporation. A student enrolled in such a course of instruction shall not be considered an apprentice electrician or unclassified person, and supervision ratios as provided in section 103.15, subsection 3, shall not be applicable. The board shall by rule establish inspection procedures in the event that the home constructed pursuant to the course is intended for eventual occupation as a residence.

14. Prohibit a person from performing work on an emergency basis as determined by the board.

15. Apply to a person performing any installation on a farm, if the person is associated with the farm as a holder of a legal or equitable interest, a relative or employee of the holder, or an operator or manager of the farm. The provisions of this chapter do not require such person to be licensed. In addition, a permit is not required for an installation on a farm, and an installation on a farm is not required to be inspected. In order for a farm building to qualify under this subsection, the farm building must not be regularly open to the public as a place of business for the retail sale of goods, wares, services, or merchandise.

103.23 Electrical installations — subject to inspection.

The inspection and enforcement provisions of this chapter shall apply to the following:

1. All new electrical installations for commercial or industrial applications, including installations both inside and outside of buildings, and for public use buildings and facilities and any installation at the request of the property owner.

2. All new electrical installations for residential applications in excess of single-family residential applications, including an apartment that is attached to any other apartment or building, as those terms are defined in section 499B.2.

3. All new electrical installations for single-family residential applications requiring new electrical service equipment.

4. Existing electrical installations observed during inspection which constitute an electrical hazard. Existing installations shall not be deemed to constitute an electrical hazard if the wiring when originally installed was installed in accordance with the electrical code in force at the time of installation and has been maintained in that condition.

2007 Acts, ch 197, §33, 50; 2008 Acts, ch 1032, §94, 202; 2008 Acts, ch 1092, §25, 32

Referred to in §103.30

103.24 State inspection — inapplicability in certain political subdivisions — electrical inspectors — certificate of qualification.

1. The board shall establish by rule standards for the certification and decertification of electrical inspectors appointed by the state or a political subdivision to enforce this chapter or any applicable resolution or ordinance within the inspector's jurisdiction, and for certified electrical inspector continuing education requirements.

a. On and after January 1, 2009, a person appointed to act as an electrical inspector for the state shall obtain an inspector's certificate of qualification within one year of such appointment and shall maintain the certificate thereafter for the duration of the inspector's service as an electrical inspector.

b. On and after January 1, 2014, a person appointed to act as an electrical inspector for a political subdivision shall obtain an inspector's certificate of qualification within one year

of such appointment and shall maintain the certificate thereafter for the duration of the inspector's service as an electrical inspector.

2. State inspection shall not apply within the jurisdiction of any political subdivision which, pursuant to section 103.29, provides by resolution or ordinance standards of electrical wiring and its installation that are not less stringent than those prescribed by the board or by this chapter and which further provides by resolution or ordinance for the inspection of electrical installations within the limits of such subdivision by a certified electrical inspector. A copy of the certificate of each electrical inspector shall be provided to the board by the political subdivision issuing the certificate.

3. State inspection shall not apply to routine maintenance.

2007 Acts, ch 197, §34, 50; 2008 Acts, ch 1032, §95, 202; 2008 Acts, ch 1092, §26, 32

Referred to in §103.30

103.25 Request for inspection — fees.

1. At or before commencement of any installation required to be inspected by the board, the licensee or property owner making such installation shall submit to the state fire marshal's office a request for inspection. The board shall prescribe the methods by which the request may be submitted, which may include electronic submission or through a form prescribed by the board that can be submitted either through the mail or by a fax transmission. The board shall also prescribe methods by which inspection fees can be paid, which may include electronic methods of payment. If the board or the state fire marshal's office becomes aware that a person has failed to file a necessary request for inspection, the board shall send a written notification by certified mail that the request must be filed within fourteen days. Any person filing a late request for inspection shall pay a delinquency fee in an amount to be determined by the board. A person who fails to file a late request within fourteen days from receipt of the notification shall be subject to a civil penalty to be determined by the board by rule.

2. Notwithstanding subsection 1, the board may by rule provide for the issuance of a single permit to a licensee to request multiple inspections. The permit authorizes the licensee to perform new electrical installations specified in the permit. The board shall prescribe the methods by which the request for multiple inspections may be submitted, which may include electronic submission or through a form prescribed by the board that can be submitted either through the mail or by a fax transmission. The board shall also prescribe methods by which inspection fees can be paid, which may include electronic methods of payment. The board may perform inspections of each new electrical installation or any portion of the total number of new electrical installations made under each permit. The board shall establish fees for such permits, which shall not exceed the total inspection fees that would be required if each new electrical installation performed under the request for multiple inspections had been performed under individual requests for inspections as provided in subsection 1.

2007 Acts, ch 197, §35, 50; 2008 Acts, ch 1032, §96, 202; 2008 Acts, ch 1092, §27, 32; 2009 Acts, ch 39, §8; 2011 Acts, ch 34, §33

Referred to in §103.31

103.26 Condemnation — disconnection — opportunity to correct noncompliance.

If the inspector finds that any installation or portion of an installation is not in compliance with accepted standards of construction for health safety and property safety, based upon minimum standards set forth in the local electrical code or the national electrical code adopted by the board pursuant to section 103.6, the inspector shall by written order condemn the installation or noncomplying portion or order service to such installation disconnected and shall send a copy of such order to the board, the state fire marshal, and the electrical utility supplying power involved. If the installation or the noncomplying portion is such as to seriously and proximately endanger human health or property, the order of the inspector when approved by the inspector's supervisor shall require immediate condemnation and disconnection by the applicant. In all other cases, the order of the inspector shall establish a reasonable period of time for the installation to be brought into compliance with accepted

standards of construction for health safety and property safety prior to the effective date established in such order for condemnation or disconnection.

2007 Acts, ch 197, §36, 50; 2008 Acts, ch 1032, §97, 202; 2008 Acts, ch 1092, §28, 32
Referred to in §103.31

103.27 Condemnation or disconnection order — service.

1. A copy of each condemnation or disconnection order shall be served personally or by regular mail upon the property owner at the property owner's last known address, the licensee making the installation, and such other persons as the board by rule may direct.

2. The electrical utility supplying power shall be served with a copy of any order which requires immediate disconnection or prohibits energizing an installation.

2007 Acts, ch 197, §37, 50

103.28 Certificate of safe operation — dismissal of condemnation or disconnection order.

1. No electrical installation subject to inspection under this chapter shall be newly connected or reconnected for use until the electrical inspector has filed with the electrical utility supplying power a certificate stating that the electrical inspector has approved such energization.

2. If the electrical inspector determines that an electrical installation subject to inspection by the board is not in compliance with accepted standards of construction for health safety and property safety, based upon minimum standards adopted by the board pursuant to this chapter, the inspector shall issue a correction order. A correction order made pursuant to this section shall be served personally or by United States mail only upon the licensee making the installation. The correction order shall order the licensee to make the installation comply with the standards, noting specifically what changes are required. The order shall specify a date, not more than seventeen calendar days from the date of the order, when a new inspection shall be made. When the installation is brought into compliance to the satisfaction of the inspector, the inspector shall file with the electrical utility supplying power a certificate stating that the electrical inspector has approved energization.

3. An electrical utility supplier may refuse service without liability for such refusal until the provisions of this section have been met.

2007 Acts, ch 197, §38, 50; 2008 Acts, ch 1032, §98, 202

103.29 Political subdivisions — inspections — authority of political subdivisions.

1. A political subdivision performing electrical inspections prior to December 31, 2007, shall continue to perform such inspections. After December 31, 2013, a political subdivision may choose to discontinue performing its own inspections and permit the board to have jurisdiction over inspections in the political subdivision. If a political subdivision seeks to discontinue its own inspections prior to December 31, 2013, the political subdivision shall petition the board. On or after January 1, 2014, if a unanimous vote of the board finds that a political subdivision's inspections are inadequate by reason of misfeasance, malfeasance, or nonfeasance, the board may suspend or revoke the political subdivision's authority to perform its own inspections, subject to appeal according to the procedure set forth in section 103.34 and judicial review pursuant to section 17A.19. A political subdivision not performing electrical inspections prior to December 31, 2007, may make provision for inspection of electrical installations within its jurisdiction, in which case it shall keep on file with the board copies of its current inspection ordinances or resolutions and electrical codes.

2. A political subdivision performing electrical inspections pursuant to subsection 1 prior to December 31, 2007, may maintain a different supervision ratio than the ratio of three apprentice electricians and unclassified persons to one licensee specified in section 103.15, subsection 3, but may not exceed that ratio. A political subdivision which begins performing electrical inspections after December 31, 2007, shall maintain the specified three-to-one ratio unless the board approves a petition by the political subdivision for a lower ratio. A political subdivision which discontinues performing electrical inspections and permits the board to have jurisdiction over inspections shall maintain the specified three-to-one supervision ratio,

and may not petition for a lower ratio unless the political subdivision subsequently resumes performing electrical inspections.

3. A political subdivision that performs electrical inspections may set appropriate permit fees to pay for such inspections. A political subdivision shall not require any person holding a license from the board to pay any license fee or take any examination if the person holds a current license issued by the board which is of a classification equal to or greater than the classification needed to do the work proposed. Any such political subdivision may provide a requirement that each person doing electrical work within the jurisdiction of such political subdivision have on file with the political subdivision a copy of the current license issued by the board or such other evidence of such license as may be provided by the board.

4. A political subdivision is authorized to determine what work may be performed by a class B licensee within the jurisdictional limits of the political subdivision, provided, however, that a political subdivision shall not prohibit a class B licensee from performing any type of work that the licensee was authorized to perform within the political subdivision under the authority of a license validly issued or recognized by the political subdivision on December 31, 2007.

5. A political subdivision that performs electrical inspections shall act as the authority having jurisdiction for electrical inspections and for amending the national electrical code adopted by the board pursuant to section 103.6 for work performed within the jurisdictional limits of the political subdivision, provided those inspections and amendments conform to the requirements of this chapter. Any action by a political subdivision with respect to amendments to the national electrical code shall be filed with the board prior to enforcement by the political subdivision, and shall not be less stringent than the minimum standards established by the board by rule.

6. A political subdivision may grant a variance or interpret the national electrical code in a manner which deviates from a standard interpretation on an exception basis for a one-time installation or planned installation so long as such a variance or interpretation does not present an electrical hazard or danger to life or property.

7. A county shall not perform electrical inspections on a farm or farm residence.

2007 Acts, ch 197, §39, 50; 2008 Acts, ch 1092, §29, 32; 2009 Acts, ch 39, §9; 2009 Acts, ch 179, §116

Referred to in §103.24

103.30 Inspections not required.

1. Nothing in this chapter shall be construed to require the work of employees of municipal utilities, railroads, electric membership or cooperative associations, investor-owned utilities, rural water associations or districts, or telecommunications systems to be inspected while the employees are acting within the scope of their employment.

2. The board may by rule exempt specified types of new electrical installations from the state electrical inspection requirements under section 103.23, provided that a political subdivision conducting inspections pursuant to section 103.24 shall not be prohibited from requiring inspection of any new electrical installation exempt by rule from state inspection pursuant to this subsection.

2007 Acts, ch 197, §40, 50; 2008 Acts, ch 1076, §3; 2009 Acts, ch 39, §10; 2009 Acts, ch 133, §28

103.31 State inspection procedures.

1. An inspection shall be made within three business days of the submission of a request for an inspection as provided in section 103.25. When necessary, circuits may be energized by the authorized installer prior to inspection but the installation shall remain subject to condemnation and disconnection and subject to any appropriate restrictions or limitations as determined by the board.

2. Where wiring is to be concealed, the inspector must be notified within a reasonable time to complete rough-in inspections prior to concealment, exclusive of Saturdays, Sundays, and holidays. If wiring is concealed before rough-in inspections without adequate notice having

been given to the inspector, the person responsible for having enclosed the wiring shall be responsible for all costs resulting from uncovering and replacing the cover material.

3. State inspection procedures and policies shall be established by the board. The state fire marshal, or the state fire marshal's designee, shall enforce the procedures and policies, and enforce the provisions of the national electrical code adopted by the board.

4. Except when an inspection reveals that an installation or portion of an installation is not in compliance with accepted standards of construction for health safety and property safety, based upon minimum standards set forth in the local electrical code or the national electrical code adopted by the board pursuant to section 103.6, such that an order of condemnation or disconnection is warranted pursuant to section 103.26, an inspector shall not add to, modify, or amend a construction plan as originally approved by the state fire marshal or the state building code commissioner in the course of conducting an inspection.

5. Management and supervision of inspectors, including hiring decisions, disciplinary action, promotions, and work schedules are the responsibility of the state fire marshal acting in accordance with applicable law and pursuant to any applicable collective bargaining agreement. The state fire marshal and the board shall jointly determine work territories, regions, or districts for inspectors and continuing education and ongoing training requirements applicable to inspectors. An inspector subject to disciplinary action pursuant to this subsection shall be entitled to an appeal according to the procedure set forth in section 103.34 and judicial review pursuant to section 17A.19.

6. The board shall establish an internet-based licensure verification database for access by a state or local inspector for verification of licensee status. The database shall include the name of every person licensed under this chapter and a corresponding licensure number. Inspectors shall be authorized to request the name and license number of any person working at a job site subject to inspection for verification of licensee status. Licensees under this chapter shall be required to carry a copy of their current license and photo identification at all times when employed on a job site for compliance with this subsection.

2007 Acts, ch 197, §41, 50; 2008 Acts, ch 1032, §99, 202; 2008 Acts, ch 1092, §30, 32; 2013 Acts, ch 90, §257

Referred to in §103.14

103.32 State inspection fees.

1. All state electrical inspection fees shall be due and payable to the board at or before commencement of the installation and shall be forwarded with the request for inspection. Inspection fees provided in this section shall not apply within the jurisdiction of any political subdivision if the political subdivision has adopted an ordinance or resolution pursuant to this chapter.

2. The board shall establish the fees for inspections in amounts not to exceed:

a. For each separate inspection of an installation, replacement, alteration, or repair, twenty-five dollars.

b. For services, change of services, temporary services, additions, alterations, or repairs on either primary or secondary services as follows:

(1) Zero to one hundred ampere capacity, twenty-five dollars plus five dollars per branch circuit or feeder.

(2) One hundred one to two hundred ampere capacity, thirty-five dollars plus five dollars per branch circuit or feeder.

(3) For each additional one hundred ampere capacity or fraction thereof, twenty dollars plus five dollars per branch circuit or feeder.

c. For field irrigation system inspections, sixty dollars for each unit inspected.

d. For the first reinspection required as a result of a correction order, fifty dollars; a second reinspection required as a result of noncompliance with the same correction order, seventy-five dollars; and subsequent reinspections associated with the same correction order, one hundred dollars for each reinspection.

3. When an inspection is requested by a property owner, the minimum fee shall be thirty dollars plus five dollars per branch circuit or feeder. The fee for fire and accident inspections

shall be computed at the rate of forty-seven dollars per hour, and mileage and other expenses shall be reimbursed as provided by the office of the state fire marshal.

4. For installations requiring more than six months in the process of construction and in excess of three hundred dollars total inspection fees, the persons responsible for the installation may, after a minimum filing fee of one hundred dollars, pay a prorated fee for each month and submit it with an order for payment initiated by the electrical inspector.

5. A state electrical inspection fee shall not be assessed for an event benefiting a nonprofit association representing volunteer service providers. An electrical inspection fee shall not be assessed by a political subdivision for an annual event benefiting a nonprofit association representing volunteer service providers.

2007 Acts, ch 197, §42, 50; 2008 Acts, ch 1032, §100, 202; 2009 Acts, ch 179, §117

103.33 Condemnation or disconnection orders — appeals — disposition of orders pending appeal.

1. Any person aggrieved by a condemnation or disconnection order issued by the state fire marshal's office may appeal from the order by filing a written notice of appeal with the board within ten days after the date the order was served upon the property owner or within ten days after the order was filed with the board, whichever is later.

2. Upon receipt of the notice of appeal from a condemnation or disconnection order because the electrical installation is proximately dangerous to health or property, the order appealed from shall not be stayed unless countermanded by the board.

3. Upon receipt of notice of appeal from a condemnation or disconnection order because the electrical installation is not in compliance with accepted standards of construction for health safety and property safety, except as provided in subsection 2, the order appealed from shall be stayed until final decision of the board and the board shall notify the property owner and the electrical contractor, class A master electrician, class B master electrician, fire alarm installer, special electrician, or if established by the board the residential master electrician, making the installation. The power supplier shall also be notified in those instances in which the order has been served on such supplier.

2007 Acts, ch 197, §43, 50; 2008 Acts, ch 1032, §101, 202; 2009 Acts, ch 39, §11; 2011 Acts, ch 34, §34

Referred to in §103.34

103.34 Appeal procedures.

1. Upon receipt of a notice of appeal filed pursuant to section 103.33, the chairperson or executive secretary of the board may designate a hearing officer from among the board members to hear the appeal or may set the matter for hearing before the full board at its next regular meeting. A majority of the board shall make the decision.

2. Upon receiving the notice of appeal filed pursuant to section 103.33, the board shall notify all persons served with the order appealed from. Such persons may join in the hearing and give testimony in their own behalf. The board shall set the hearing date on a date not more than fourteen days after receipt of the notice of appeal unless otherwise agreed by the interested parties and the board.

2007 Acts, ch 197, §44, 50; 2008 Acts, ch 1092, §31, 32

Referred to in §103.29, 103.31

103.35 Suspension, revocation, or reprimand.

The board, by a simple majority vote of the entire board, may suspend for a period not exceeding two years, or revoke the certificate of licensure of, or reprimand any licensee who is found guilty of any of the following acts or offenses:

1. Fraud in procuring a certificate of licensure.
2. Professional incompetency.
3. Knowingly making misleading, deceptive, untrue, or fraudulent representations in the practice of the licensee's profession or engaging in unethical conduct or practice harmful to the public. Proof of actual injury need not be established.
4. Habitual intoxication or addiction to the use of drugs.
5. Revocation or suspension of licensure, or other disciplinary action by the licensing

authority of another state, territory, or possession of the United States, the District of Columbia, or any foreign country. A certified copy of the record or order of suspension, revocation, or other disciplinary action is prima facie evidence of such fact.

6. Fraud in representations as to skill or ability.
7. Use of untruthful or improbable statements in advertisements.
8. Willful or repeated violations of this chapter.

2007 Acts, ch 197, §45, 50; 2019 Acts, ch 99, §8

Referred to in §103.10, 103.12, 103.12A, 103.13, 103.15, 103.36

103.36 Procedure.

Proceedings for any action under section 103.35 shall be commenced by filing with the board written charges against the accused. Upon the filing of charges, the board shall conduct an investigation into the charges. The board shall designate a time and place for a hearing, and shall notify the accused of this action and furnish the accused a copy of all charges at least thirty days prior to the date of the hearing. The accused has the right to appear personally or by counsel, to cross-examine witnesses, or to produce witnesses in defense.

2007 Acts, ch 197, §46, 50

Referred to in §103.39

103.37 Injunction.

Any person who is not legally authorized to practice in this state according to this chapter, who practices, or in connection with the person's name, uses any designation tending to imply or designate the person as authorized to practice in this state according to this chapter, may be restrained by permanent injunction.

2007 Acts, ch 197, §47, 50

Referred to in §103.38

103.38 Criminal violations.

A person who violates a permanent injunction issued pursuant to section 103.37 or presents or attempts to file as the person's own the certificate of licensure of another, or who gives false or forged evidence of any kind to the board in obtaining a certificate of licensure, or who falsely impersonates another practitioner of like or different name, or who uses or attempts to use a revoked certificate of licensure, is guilty of a fraudulent practice under chapter 714.

2007 Acts, ch 197, §48, 50

103.39 Civil penalty.

1. In addition to any other penalties provided for in this chapter, the board may by order impose a civil penalty upon a person who is not licensed under this chapter and who does any of the following:

a. Is employed in a capacity in which the person engages in or offers to engage in the activities authorized pursuant to this chapter.

b. Uses or employs the words "electrical contractor", "class A master electrician", "class B master electrician", "class A journeyman electrician", or "class B journeyman electrician", or implies authorization to provide or offer those services, or otherwise uses or advertises any title, word, figure, sign, card, advertisement, or other symbol or description tending to convey the impression that the person is an "electrical contractor", "class A master electrician", "class B master electrician", "class A journeyman electrician", or "class B journeyman electrician".

c. Gives false or forged evidence of any kind to the board or any member of the board in obtaining or attempting to obtain a certificate of licensure.

d. Falsely impersonates any individual licensed pursuant to this chapter.

e. Uses or attempts to use an expired, suspended, revoked, or nonexistent certificate of licensure.

f. Knowingly aids or abets an unlicensed person who engages in any activity identified in this subsection.

2. A civil penalty imposed shall not exceed one thousand dollars for each offense. Each day of a continued violation constitutes a separate offense, except that offenses resulting from the same or common facts or circumstances shall be considered a single offense.

3. In determining the amount of a civil penalty to be imposed, the board may consider any of the following:
 - a. Whether the amount imposed will be a substantial economic deterrent to the violation.
 - b. The circumstances leading to the violation.
 - c. The severity of the violation and the risk of harm to the public.
 - d. The economic benefits gained by the violator as a result of noncompliance.
 - e. The interest of the public.
4. Before issuing an order under this section, the board shall provide the person written notice and the opportunity to request a hearing on the record. The hearing must be requested within thirty days of the issuance of the notice and shall be conducted in the same manner as provided in section 103.36.
5. The board, in connection with a proceeding under this section, may issue subpoenas to compel the attendance and testimony of witnesses and the disclosure of evidence, and may request the attorney general to bring an action to enforce the subpoena.
6. A person aggrieved by the imposition of a civil penalty under this section may seek judicial review in accordance with section 17A.19.
7. If a person fails to pay a civil penalty within thirty days after entry of an order under subsection 1, or if the order is stayed pending an appeal within ten days after the court enters a final judgment in favor of the board, the board shall notify the attorney general. The attorney general may commence an action to recover the amount of the penalty, including reasonable attorney fees and costs.
8. An action to enforce an order under this section may be joined with an action for an injunction.

SUBCHAPTER I

STATE BUILDING CODE ACT

103A.1 Establishment.

This subchapter shall be known as the “*State Building Code Act*”.

[C73, 75, 77, 79, 81, §103A.1]

2009 Acts, ch 41, §32; 2016 Acts, ch 1011, §121

103A.2 Statement of policy.

It is found and declared that some governmental subdivisions do not have building codes and that the building codes which do exist in the governmental subdivisions of this state, as enacted and applied, are not uniform and impede the utilization of new and improved technology, techniques, methods, and materials in the manufacture and construction of buildings and structures.

Therefore, it is the policy of the state of Iowa to insure the health, safety, and welfare of its citizens through the promulgation and enforcement of a state building code.

[C73, 75, 77, 79, 81, §103A.2]

103A.3 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Board of review*” or “*board*” means the state building code board of review created by this chapter.

2. “*Building*” means a combination of any materials, whether portable or fixed, to form a structure affording facilities or shelter for persons, animals or property. The word “*building*” includes any part of a building unless the context clearly requires a different meaning.

3. “*Building regulations*” means any law, bylaw, rule, resolution, regulation, ordinance, or code or compilation enacted or adopted, by the state or any governmental subdivision, including departments, boards, bureaus, commissions or other agencies, relating to

the construction, reconstruction, alteration, conversion, repair or use of buildings and installation of equipment therein. The term shall not include zoning ordinances or subdivision regulations.

4. “*Commissioner*” means the state building code commissioner created by this chapter.

5. “*Construction*” means the construction, erection, reconstruction, alteration, conversion, repair, equipping of buildings, structures or facilities, and requirements or standards relating to or affecting materials used in connection therewith, including provisions for safety and sanitary conditions.

6. “*Council*” means the state building code advisory council created by this chapter.

7. “*Equipment*” means plumbing, heating, electrical, ventilating, conditioning, refrigerating equipment, elevators, dumbwaiters, escalators, and other mechanical facilities or installations.

8. “*Factory-built structure*” means any structure which is, wholly or in substantial part, made, fabricated, formed, or assembled in manufacturing facilities for installation, or assembly and installation, on a building site. “*Factory-built structure*” includes the terms “*mobile home*”, “*manufactured home*”, and “*modular home*”.

9. “*Governmental subdivision*” means any city, county, or combination thereof.

10. “*Installation*” means the assembly of factory-built structures on site and the process of affixing factory-built structures to land, a foundation, footings, or an existing building.

11. “*Local building department*” means an agency of any governmental subdivision charged with the administration, supervision, or enforcement of building regulations, approval of plans, inspection of buildings, or the issuance of permits, licenses, certificates and similar documents, prescribed or required by state or local building regulations.

12. “*Local building regulations*” means building regulations adopted by a governmental subdivision.

13. “*Manufacture*” is the process of making, fabricating, constructing, forming, or assembling a product from raw, unfinished, or semi-finished materials.

14. “*Manufactured home*”, “*mobile home*”, and “*modular home*” mean the same as defined in section 103A.51.

15. “*New construction*” means construction of buildings and factory-built structures which is commenced on or after January 1, 1978. Notwithstanding the definition in subsection 5 of this section, when the term “*new construction*” appears in this chapter, “*construction*” is limited to the erection, reconstruction or conversion of a building or factory-built structure and additions to buildings or factory-built structures and does not include renovations or repairs.

16. “*Out-of-state contractor*” means a person whose principal place of business is in another state, and which contracts to perform construction, installation, or any other work covered by this chapter, in this state.

17. “*Owner*” means the owner of the premises, a mortgagee or vendee in possession, an assignee of rents, or a receiver, executor, trustee, lessee or other person in control of a building or structure.

18. “*Performance objective*” establishes design and engineering criteria without reference to specific methods of construction.

19. “*State agency*” means a state department, board, bureau, commission, or agency of the state of Iowa.

20. “*State building code*” or “*code*” means the state building code provided for in section 103A.7.

21. “*State historic building code*” means the alternative building regulations and building standards for certain historic buildings provided for in section 103A.41.

22. “*Structure*” means that which is built or constructed, an edifice or building of any kind, or any piece of work artificially built up or composed of parts joined together in some definite manner except transmission and distribution structures of public utilities. The word “*structure*” includes any part of a structure unless the context clearly requires a different meaning.

23. “*Sustainable design*” means construction design intended to minimize negative environmental impacts and to promote the health and comfort of building occupants

including but not limited to measures to reduce consumption of nonrenewable resources, minimize waste, and create healthy, productive environments.

84 Acts, ch 1113, §1; 87 Acts, ch 60, §3; 2001 Acts, ch 100, §1, 2; 2001 Acts, ch 176, §60, 82; 2006 Acts, ch 1090, §14, 15, 26; 2008 Acts, ch 1126, §3, 33; 2008 Acts, ch 1173, §5

Referred to in §135C.9

103A.4 Building code commissioner.

The commissioner of public safety, in addition to other duties, shall serve as the state building code commissioner or may designate a building code commissioner.

[C73, 75, 77, 79, 81, §103A.4; 82 Acts, ch 1210, §6]

103A.5 Commissioner — duties.

The commissioner shall:

1. Employ the necessary staff and assistants, within the limit of available funds, to assist in carrying out the provisions of this chapter.

2. Appoint necessary consultants and advisors to assist the commissioner in carrying out the provisions of this chapter.

3. Study the operation of the state building code, local building regulations, and other laws relating to the construction of buildings or structures to ascertain their effects upon the cost of building construction and the effectiveness of their provisions for health, safety, and welfare.

4. Do all things necessary or desirable to further and effectuate the general purposes and specific objectives of this chapter.

5. Administer and enforce chapters 104A and 104B.

[C73, 75, 77, 79, 81, §103A.5]

91 Acts, ch 97, §7

103A.6 Merit system.

Employees of the commissioner, if required by federal statutes, are covered by the merit system provisions of chapter 8A, subchapter IV.

[C73, 75, 77, 79, 81, §103A.6]

88 Acts, ch 1158, §17; 2003 Acts, ch 145, §184

103A.7 State building code.

1. The state building code commissioner with the approval of the advisory council is hereby empowered and directed to formulate and adopt and from time to time amend or revise and to promulgate, in conformity with and subject to the conditions set forth in this chapter, reasonable rules designed to establish minimum safeguards in the erection and construction of buildings and structures, to protect the human beings who live and work in them from fire and other hazards, and to establish regulations to further protect the health, safety, and welfare of the public.

2. The rules shall include reasonable provisions for the following:

a. The installation of equipment.

b. The standards or requirements for materials to be used in construction.

c. The manufacture and installation of factory-built structures.

d. Protection of the health, safety, and welfare of occupants and users.

e. The accessibility and use by persons with disabilities and elderly persons, of buildings, structures, and facilities which are constructed and intended for use by the general public. The rules shall be consistent with federal standards for building accessibility and shall only apply to those buildings, structures, and facilities subject to chapter 104A.

f. The conservation of energy through thermal efficiency standards for buildings intended for human occupancy and which are heated or cooled and lighting efficiency standards for buildings intended for human occupancy which are lighted.

g. Standards for sustainable design, also known and referred to as green building standards.

h. Standards for safe rooms and storm shelters.

3. These rules shall comprise and be known as the state building code.

93 Acts, ch 95, §1; 99 Acts, ch 49, §1, 3; 2008 Acts, ch 1032, §201; 2008 Acts, ch 1126, §4, 5, 33; 2008 Acts, ch 1173, §6; 2009 Acts, ch 142, §1

Referred to in §100.35, 100.38, 100.39, 103A.3, 103A.8B, 103A.8C, 103A.14, 103A.25, 103A.51, 104A.6, 135.18, 135B.17, 135C.2, 135C.28, 137C.31, 137D.6, 137F.16, 167.11, 231B.4, 423E.6, 435.1, 455B.172, 499B.3, 499B.20, 504C.1, 544A.28

103A.8 Standards.

The state building code shall as far as practical:

1. Provide uniform standards and requirements for construction, construction materials, and equipment through the adoption by reference of applicable national codes where appropriate and providing exceptions when necessary. The rules adopted shall include provisions imposing requirements reasonably consistent with or identical to recognized and accepted standards contained in performance criteria.

2. Establish such standards and requirements in terms of performance objectives.

3. Establish as the test of acceptability, adequate performance for the intended use.

4. Permit the use of modern technical methods, devices, and improvements which tend to reduce the cost of construction without substantially affecting reasonable requirements for the health, safety, and welfare of the occupants or users of buildings and structures.

5. Encourage the standardization of construction practices, methods, equipment, material, and techniques.

6. Eliminate restrictive, obsolete, conflicting, and unnecessary regulations and requirements which tend to unnecessarily increase construction costs or retard unnecessarily the use of new materials, or provide unwarranted preferential treatment to types or classes of materials or products or methods of construction.

7. Limit the application of thermal efficiency standards for energy conservation to construction of buildings which are heated or cooled. Air exchange fans designed to provide ventilation shall not be considered a cooling system. The commissioner shall exempt any construction from any thermal efficiency standard for energy conservation if the commissioner determines that the standard is unreasonable as it would apply to a particular building or class of buildings. No standard adopted by the commissioner for energy conservation in construction shall be interpreted to require the replacement or modification of any existing equipment or feature solely to ensure compliance with requirements for energy conservation in construction. Lighting efficiency standards shall recognize variations in lighting intensities required for the various tasks performed within the building. The commissioner shall consult with the economic development authority regarding standards for energy conservation prior to the adoption of the standards. However, the standards shall be consistent with section 103A.8A.

8. Facilitate the development and use of renewable energy.

[C73, 75, 77, 79, 81, §103A.8; 81 Acts, ch 184, §12]

85 Acts, ch 147, §1; 88 Acts, ch 1134, §22; 90 Acts, ch 1267, §26; 2002 Acts, ch 1162, §33; 2008 Acts, ch 1126, §6, 33; 2009 Acts, ch 108, §6, 41; 2011 Acts, ch 118, §50, 89

103A.8A Energy conservation requirements.

The state building code commissioner shall adopt as a part of the state building code a requirement that new single-family or two-family residential construction shall comply with energy conservation requirements. The requirements adopted by the commissioner shall be based upon a nationally recognized standard or code for energy conservation. The requirements shall only apply to single-family or two-family residential construction commenced after the adoption of the requirements. Notwithstanding any other provision of this chapter to the contrary, the energy conservation requirements adopted by the commissioner and approved by the council shall apply to new single-family or two-family residential construction commenced on or after July 1, 2008, and shall supersede and replace any minimum requirements for energy conservation adopted or enacted by a governmental subdivision prior to that date applicable to such construction. The state building code

commissioner may provide training to builders, contractors, and other interested persons on the adopted energy conservation requirements.

85 Acts, ch 147, §2; 88 Acts, ch 1134, §23; 2002 Acts, ch 1082, §1; 2002 Acts, ch 1162, §34; 2006 Acts, ch 1095, §1; 2008 Acts, ch 1126, §7, 33; 2009 Acts, ch 41, §33

Referred to in §103A.8, 103A.22

103A.8B Sustainable design or green building standards.

The commissioner, after consulting with and receiving recommendations from the department of natural resources, shall adopt rules pursuant to chapter 17A specifying standards and requirements for sustainable design and construction based upon or incorporating nationally recognized ratings, certifications, or classification systems, and procedures relating to documentation of compliance. The standards and requirements shall be incorporated into the state building code established in section 103A.7, but in lieu of general applicability shall apply to construction projects only if such applicability is expressly authorized by statute, or as established by another state agency by rule.

2008 Acts, ch 1126, §8, 33; 2008 Acts, ch 1173, §7; 2011 Acts, ch 118, §40, 89

Referred to in §15.291, 423.3, 423.4

103A.8C Standards for safe rooms and storm shelters.

1. The commissioner, after consulting with and receiving recommendations from the department of public defense and the department of natural resources, shall adopt rules pursuant to chapter 17A specifying standards and requirements for design and construction of safe rooms and storm shelters. In developing these standards, the commissioner shall consider nationally recognized standards. The standards and requirements shall be incorporated into the state building code established in section 103A.7, but shall not be interpreted to require the inclusion of a safe room or storm shelter in a building construction project unless such inclusion is expressly required by another statute or by a federal statute or regulation. However, if a safe room or storm shelter is included in any building construction project which reaches the design development phase on or after January 1, 2011, compliance with the standards developed pursuant to this section shall be required.

2. The commissioner may provide education and training to promote the use of best practices in the design, construction, and maintenance of buildings, safe rooms, and shelters to reduce the risk of personal injury from tornadoes or other severe weather.

2009 Acts, ch 142, §2; 2011 Acts, ch 122, §31

103A.9 Factory-built structures.

1. The state building code shall contain provisions relating to the manufacture and installation of factory-built structures.

a. Factory-built structures manufactured in Iowa, after the effective date of the code, shall be manufactured in accordance with the code, unless the commissioner determines the structure is manufactured for installation outside the state.

b. Factory-built structures manufactured outside the state of Iowa, after the effective date of the code, and brought into Iowa for installation must, prior to installation, comply with the code.

c. Factory-built structures manufactured prior to the effective date of the code, which prior to that date have never been installed, must comply with the code prior to installation.

d. (1) All factory-built structures, without regard to manufacture date, shall be installed in accordance with the code in the governmental subdivisions which have adopted the state building code or any other building code. However, a governmental subdivision shall not require that a factory-built structure, that was manufactured in accordance with federally mandated standards, be renovated in accordance with the state building code or any other building code which the governmental subdivision has adopted when the factory-built structure is being moved from one lawful location to another unless such required renovation is in conformity with those specifications for the factory-built structure which existed when it was manufactured or the factory-built structure is being rented for occupancy.

(2) Existing factory-built structures not constructed to be in compliance with federally mandated standards may be moved from one established manufactured home community

or mobile home park to another and shall not be required to be renovated to comply with the state building code or any other building code which the governmental subdivision has adopted unless the factory-built structure is being rented for occupancy or has been declared a public nuisance according to standards generally applied to housing.

e. Factory-built structures required to comply with the code provisions on manufacture shall not be modified in any way prior to or during installation, unless prior approval is obtained from the commissioner.

2. The commissioner shall establish an insignia of approval and provide that factory-built structures required to comply with code provisions on manufacture bear an insignia of approval prior to installation. The insignia may be issued for other factory-built structures which meet code standards and which were manufactured prior to the effective date of the state building code.

3. The commissioner may contract with local government agencies for enforcement of the code relating to manufacture of factory-built structures. Code provisions relating to installation of factory-built structures shall be enforced by the local building departments only in those governmental subdivisions which have adopted the state building code or any other building code.

[C73, 75, 77, 79, 81, §103A.9]

93 Acts, ch 154, §1; 2001 Acts, ch 100, §3; 2001 Acts, ch 153, §16; 2008 Acts, ch 1032, §201; 2009 Acts, ch 41, §176

103A.10 Effect and application.

1. The state building code shall, for the buildings and structures to which it is applicable, constitute a lawful local building code.

2. The state building code shall be applicable:

a. To all buildings and structures owned by the state or an agency of the state.

b. In each governmental subdivision where the governing body has enacted an ordinance accepting the application of the code.

c. To all newly constructed buildings and structures the construction of which is paid for in whole or in part with moneys appropriated by the state but which are not wholly owned by the state.

d. In each city with a population of more than fifteen thousand that has not adopted a local building code that is substantially in accord with standards developed by a nationally recognized building code organization. The city shall enforce the state building code, including the provisions in section 103A.19, subsection 2.

3. Provisions of the state building code relating to the manufacture and installation of factory-built structures shall apply throughout the state. A factory-built structure approved by the commissioner shall be deemed to comply with all building regulations applicable to its manufacture and installation and shall be exempt from any other state or local building regulations. Except with respect to manufactured homes, as defined in section 103A.51, subsection 4, a provision of this chapter relating to the manufacture or installation of factory-built structures shall not alter or supersede any provision of chapter 542B concerning the practice of professional engineering or chapter 544A concerning the practice of architecture.

4. Notwithstanding the provisions of section 103A.22, subsection 1:

a. Provisions of the state building code establishing thermal efficiency energy conservation standards shall be applicable to all construction in the state which will contain enclosed space that is heated or cooled. The commissioner shall provide appropriate exceptions for construction where the application of an energy conservation requirement adopted pursuant to this chapter would be impractical.

b. Provisions of the state building code establishing lighting efficiency standards shall be applicable to all construction in the state and to new and replacement lighting in existing buildings.

5. Notwithstanding any other provision of this chapter to the contrary, the energy conservation requirements adopted by the commissioner and approved by the council shall apply to all new construction commenced on or after July 1, 2008, and shall supersede and

replace any minimum requirements for energy conservation adopted or enacted by the governmental subdivision prior to that date and applicable to such construction.

103A.10A Plan reviews and inspections.

1. All newly constructed buildings or structures subject to the state building code, including any addition, but excluding any renovation or repair of such a building or structure, owned by the state or an agency of the state, except as provided in subsection 2, shall be subject to a plan review and inspection by the commissioner or an independent building inspector appointed by the commissioner. Any renovation or repair of such a building or structure shall be subject to a plan review, except as provided in subsection 2. A fee shall be assessed for the cost of plan review, and, if applicable, the cost of inspection. The commissioner may inspect an existing building that is undergoing renovation or remodeling to enforce the energy conservation requirements established under this chapter.

2. All newly constructed buildings, including any addition, but excluding any renovation or repair of a building, owned by the state board of regents shall be subject to a plan review and inspection by the commissioner or the commissioner's staff or assistant. A renovation of a building owned by the state board of regents shall be subject to a plan review. The commissioner may inspect an existing building that is undergoing renovation or remodeling to enforce the energy conservation requirements established under this chapter. The commissioner and the state board of regents shall develop a plan to implement this provision.

3. All newly constructed buildings and structures the construction of which is paid for in whole or in part with moneys appropriated by the state but which are not wholly owned by the state are subject to the plan review and inspection requirements as provided in this subsection. If a governmental subdivision has adopted a building code, electrical code, mechanical code, and plumbing code and performs inspections pursuant to such codes, such buildings or structures shall be built to comply with such codes. However, if a governmental subdivision has not adopted a building code, electrical code, mechanical code, and plumbing code, or does not perform inspections pursuant to such codes, such buildings or structures shall be built to comply with the state building code and shall be subject to a plan review and inspection by the commissioner or an independent building inspector appointed by the commissioner. A fee shall be assessed for the cost of plan review and the cost of inspection.

4. The commissioner shall administer this section notwithstanding section 103A.19. The commissioner shall establish by rule proper qualifications for an independent building inspector and for the commissioner's staff or assistant who performs inspections, and fees for plan reviews and inspections.

103A.11 Rules.

1. The commissioner shall adopt rules pursuant to chapter 17A which are necessary for the implementation of this chapter.

2. The text of any proposed rule shall be made available for inspection at the office of the commissioner and shall be distributed to the governmental subdivisions which have adopted the state building code, and to any other person who requests a copy.

3. Copies of every rule shall be sent by the commissioner to all governmental subdivisions which have adopted the state building code.

4. The provisions of this section shall not apply to any rule relating solely to the internal operations of the office of the commissioner and council.

103A.12 Adoption and withdrawal — procedure.

1. The state building code is applicable in each governmental subdivision of the state in which the governing body has enacted an ordinance accepting the applicability of the code and has filed a certified copy of the ordinance in the office of the commissioner. The state building code becomes effective in the governmental subdivision upon the date fixed by the governmental subdivision ordinance, which must not be more than six months after the date of adoption of the ordinance.

2. A governmental subdivision in which the state building code is applicable may by ordinance, at any time after one year has elapsed since the code became applicable, withdraw from the application of the code. The local governing body shall hold a public hearing, after giving not less than four but not more than twenty days' public notice, together with written notice to the commissioner of the time, place, and purpose of the hearing, before the ordinance to withdraw is voted upon. A certified copy of the vote of the local governing body shall be transmitted within ten days after the vote is taken to the commissioner. The ordinance becomes effective at a time to be specified in the ordinance, which must be not less than one hundred eighty days after the date of adoption. Upon the effective date of the ordinance, the state building code ceases to apply to the governmental subdivision except that construction of a building or structure pursuant to a permit previously issued is not affected by the withdrawal.

3. A governmental subdivision which has withdrawn from the application of the state building code may, at any time thereafter, restore the application of the code in the same manner as specified in this section.

103A.13 Alternate materials and methods of construction.

1. The provisions of the state building code shall not prevent the use of any material or method of construction not specifically prescribed therein, provided any such alternate has been approved by the building code commissioner.

2. The commissioner may approve any alternate if the commissioner finds that the proper design is satisfactory and that the material, method, or work offered is, for the purpose intended, at least the equivalent of that prescribed in the state building code in quality, strength, effectiveness, fire resistance, durability, and safety.

3. The commissioner shall require that sufficient evidence or proof be submitted to substantiate any claim that may be made regarding alternate use.

103A.14 Advisory council.

There is hereby established a seven member council to be known as the state building code advisory council. The council shall elect from its membership a chairperson. The members of the council shall be appointed by the governor and shall hold office commencing July 1, 1972, for four years and until their successors are appointed, except that three initial appointees shall be appointed for two-year terms and four initial appointees shall be appointed for four-year terms. The members of the council shall be persons who are qualified by experience or training to provide a broad or specialized expertise on matters pertaining to building construction. At least one of the members shall be a journeyman member of the building trades. Vacancies shall be filled in the same manner as the original appointments.

1. The council shall advise and confer with the commissioner in matters relating to the state building code.

2. The council members shall, at the request of the commissioner, hold public hearings and perform such other functions as the commissioner requests.

3. The council shall approve or disapprove the rules and regulations referred to in section

103A.7 and shall approve or disapprove any alternate materials or methods of construction approved by the commissioner as provided in section 103A.13. A majority vote of the council membership shall be required for these functions.

4. Any member of the council may be removed by the governor for inefficiency, neglect of duty, misconduct or malfeasance in office, after being given a written statement of the charges and an opportunity to be heard thereon.

5. Each member of the council shall receive per diem compensation at the rate as specified in section 7E.6 for each day spent in the performance of the member's duties, but not to exceed twenty-five hundred dollars per year. All members of the council shall receive necessary expenses incurred in the performance of their duties.

6. Four members of the council shall constitute a quorum. For the purpose of conducting business a majority vote of the council shall be required.

7. Meetings of the council may be called by the commissioner.

103A.15 Board of review.

The commissioner shall establish a state building code board of review.

1. The board shall be composed of three members of the council.

2. Members of the board of review shall serve at the pleasure of the commissioner.

3. No member of the board shall pass upon any question in which the member or any corporation in which the member is a stockholder is interested.

4. The commissioner may appoint alternate board members from the membership of the advisory council.

[C73, 75, 77, 79, 81, §103A.15]

103A.16 Board of review — appeal.

Any aggrieved person may appeal to the board for:

1. A reversal, modification, or annulment of any ruling, direction, determination, or order of any state agency or local building department affecting or relating to the construction of any building or structure, the construction of which is pursuant or purports to be pursuant to the provisions of the state building code.

2. Review of the disapproval or failure to approve within sixty days after submission of:

a. An application for permission to construct pursuant to the code, or

b. Plans or specifications for construction pursuant to the code.

[C73, 75, 77, 79, 81, §103A.16]

Referred to in §103A.19

103A.17 Board of review — procedure.

The board shall establish procedures pursuant to which an aggrieved person may appeal to the board.

1. The board shall fix a reasonable time and place for a hearing and shall give due notice of a hearing to:

a. The applicant.

b. The state agency or local building department involved.

c. Any other person at the board's discretion.

2. Notice shall be by registered mail and shall:

a. Name the applicant.

b. State the time and place of the hearing.

c. State the general nature of the appeal.

3. The following may appear and be heard at an appeal hearing:

a. The applicant, or the applicant's agent.

b. The state agency or local building department involved.

c. Any other person at the board's discretion.

4. The board, in hearings conducted under this section, shall not be bound by common law or statutory rules of evidence or by technical or formal rules of procedure.

5. Applications shall be decided promptly. In every case the board shall state generally the reason for its decision.

6. The decision of the board shall state the date on which it takes effect, which shall be no earlier than five days subsequent to issuance of such decision, and a copy of the decision, duly certified by the chairperson of the board, shall be filed in the office of the commissioner, and a copy shall be sent to the parties and any state agency or local building department affected.

7. The decision of the board of review may be appealed to the advisory council by any party by filing a petition with the advisory council at any time prior to the effective date of such decision. The advisory council shall consider all questions of fact and law involved and issue its decision pertaining to the same not later than ten days after receipt of the appeal.

8. A record of all decisions of the board and advisory council shall be properly indexed and filed in the office of the commissioner, and shall be public records as defined in chapter 22.

9. The board may subpoena all of the papers and documents constituting the record upon which the application for the use of alternate materials or methods of construction, modification, reversal, annulment, or review is based, and the state, county, or municipal officer in charge thereof shall, upon receipt of the subpoena, transmit the papers and documents to the board.

10. All decisions of the board shall require the concurrence of at least two of its members. [C73, 75, 77, 79, 81, §103A.17]

103A.18 Court proceedings.

Judicial review of action of the commissioner, board of review, or council may be sought in accordance with the terms of the Iowa administrative procedure Act, chapter 17A. Notwithstanding the terms of said Act:

1. Filing of a petition for judicial review shall stay all proceedings on the matter with respect to which review is sought unless there is a showing by the state agency or a local building department that a stay would involve imminent peril to life or property.

2. No court shall entertain an action based on the state building code unless all administrative remedies have been exhausted, except:

a. When the action is instituted by the state or a governmental subdivision; or

b. When there is good cause for the failure to exhaust administrative remedies.

3. Subject to subsection 1 of this section, where the construction of a building or structure or use of a building is in violation of any code provision or lawful order of a local building department, the district court may on petition order removal of the building, abatement as a public nuisance, or enjoin further construction.

4. Petitions for judicial review may be filed in the county where the cause of action or some part thereof arose.

103A.19 Administration and enforcement.

1. The examination and approval or disapproval of plans and specifications, the issuance and revocation of building permits, licenses, certificates, and similar documents, the inspection of buildings or structures, and the administration and enforcement of building regulations shall be the responsibility of the governmental subdivisions of the state and shall be administered and enforced in the manner prescribed by local law or ordinance. All provisions of law relating to the administration and enforcement of local building regulations in any governmental subdivision shall be applicable to the administration and enforcement of the state building code in the governmental subdivision. An application made to a local building department or to a state agency for permission to construct a building or structure pursuant to the provisions of the state building code shall, in addition to any other requirement, be signed by the owner or the owner's authorized agent, and shall contain the address of the owner, and a statement that the application is made for permission to construct in accordance with the provisions of the code. The application shall

also specifically include a statement that the construction will be in accordance with all applicable energy conservation requirements.

2. In aid of administration and enforcement of the state building code, and in addition to and not in limitation of powers vested in them by law, each governmental subdivision of the state may, and each city designated in section 103A.10, subsection 2, paragraph “d”, shall:

a. Examine and approve or disapprove plans and specifications for the construction of any building or structure, the construction of which is pursuant or purports to be pursuant to the provisions of the state building code, and to direct the inspection of buildings or structures during the course of construction.

b. Require that the construction of any building or structure shall be in accordance with the applicable provisions of the state building code, subject, however, to the powers granted to the board of review in section 103A.16.

c. Order in writing any person to remedy any condition found to exist in, or about any building or structure in violation of the state building code. Orders may be served upon the owner or the owner’s authorized agent personally or by certified mail at the address set forth in the application for permission to construct a building or structure. Any local building department may grant in writing such time as may be reasonably necessary for achieving compliance with an order.

d. Issue certificates of occupancy or use, permits, licenses, and other documents in connection with the construction of buildings or structures as may be required by ordinance.

(1) A certificate of occupancy or use for a building or structure constructed in accordance with the provisions of the state building code shall certify that the building or structure conforms to the requirements of the code. The certificate shall be in the form the governing body of the governmental subdivision prescribes.

(2) Every certificate of occupancy or use shall, until set aside or vacated by the board of review, director, or a court of competent jurisdiction, be binding and conclusive upon all state and local agencies, as to all matters set forth and no order, direction, or requirement at variance therewith shall be made or issued by any other state or local agency.

e. Make, amend, and repeal rules for the administration and enforcement of the provisions of this section, and for the collection of reasonable fees in connection therewith.

f. Prohibit the commencement of construction until a permit has been issued by the local building department after a showing of compliance with the requirements of the applicable provisions of the state building code.

3. The specifications for all buildings to be constructed after July 1, 1977, and which exceed a total volume of one hundred thousand cubic feet of enclosed space that is heated or cooled shall be reviewed by a licensed architect or licensed engineer for compliance with applicable energy efficiency standards. A statement that a review has been accomplished and that the design is in compliance with the energy efficiency standards shall be signed and sealed by the responsible licensed architect or licensed engineer. This statement shall be filed with the commissioner prior to construction. If the specifications relating to energy efficiency for a specific structure have been approved, additional buildings may be constructed from those same plans and specifications without need of further approval if construction begins within five years of the date of approval. Alterations of a structure which has been previously approved shall not require a review because of these changes, provided the basic structure remains unchanged.

103A.20 Permits — duty to issue.

1. a. If the plans and specifications accompanying an application for permission to construct a building or structure fail to comply with the provisions of building regulations applicable to the governmental subdivision where the construction is planned, the state or governmental subdivision official charged with the duty shall nevertheless issue a

permit, certificate, authorization, or other required document, as the case may be, for the construction, if the plans and specifications comply with the applicable provisions set forth in the state building code, whenever such code is operative in such governmental subdivision.

b. However, a permit, certificate, authorization, or other required document for the construction of a building shall not be issued to a contractor who is required and fails to obtain a contractor registration number pursuant to chapter 91C.

2. Any building or structure constructed in conformance with the provisions of the state building code, shall be deemed to comply with all state, county, and municipal building regulations, and the owner, builder, architect, lessee, tenant, or their agents, or other interested person shall be entitled, upon a showing of compliance with the code, to demand and obtain, upon proper payment being made in appropriate cases, any permit, certificate, authorization, or other required document, the issuance of which is authorized pursuant to any state or local buildings or structure regulation, and it shall be the duty of the appropriate state or local officer having jurisdiction over the issuance to issue the permit, certificate, authorization, or other required document, as provided herein, whenever the code is operative in the governmental subdivision.

1. Nothing in this chapter shall be construed as prohibiting any governmental subdivision from adopting or enacting any building regulations relating to any building or structure within its limits, but a governmental subdivision in which the state building code has been accepted and is applicable shall not have the power to supersede, void, or repeal or make more restrictive any of the provisions of this chapter or of the rules adopted by the commissioner. This subsection shall not apply to energy conservation requirements adopted by the commissioner and approved by the council pursuant to section 103A.8A or 103A.10.

2. Nothing in this chapter shall be construed as abrogating or impairing the power of any governmental subdivision or local building department to enforce the provisions of any building regulations, or the applicable provisions of the state building code, or to prevent violations or punish violators except as otherwise expressly provided in this chapter.

3. The powers enumerated in this chapter shall be interpreted liberally to effectuate the purposes thereof and shall not be construed as a limitation of powers.

SUBCHAPTER III

STATE HISTORIC BUILDING CODE

103A.41 State historic building code.

The commissioner, with the approval of the state historical society board established by section 303.4, shall adopt, in accordance with chapter 17A, alternative building standards and building regulations for the rehabilitation; preservation; restoration, including related

reconstruction; and relocation of buildings or structures designated by state agencies or governmental subdivisions as qualified historic buildings which are included in, or appear to meet criteria for inclusion in, the national register of historic places. The alternative building standards and building regulations comprise and shall be known as the state historic building code. The purpose of the state historic building code is to facilitate the restoration or change of occupancy of qualified historic buildings or structures so as to preserve their original or restored architectural elements and features and, concurrently, to provide reasonable safety from fire and other hazards for the occupants and users, through a cost-effective approach to preservation.

84 Acts, ch 1113, §2; 2017 Acts, ch 54, §27

Referred to in §103A.3, 103A.42

103A.42 Designation of qualified historic buildings and structures.

1. A state agency or governmental subdivision may designate as appropriate for the application of the state historic building code those buildings, structures and collections of structures subject to its jurisdiction for which the state historic preservation officer, in response to an adequately documented request, has issued an opinion affirming that the property is either included in or appears to meet criteria for inclusion in the national register of historic places. A building, structure or collection of structures so designated is a qualified historic building or structure for purposes of sections 103A.41 through 103A.45.

2. As used in this section, “*buildings, structures and collections of structures*” includes their associated sites.

84 Acts, ch 1113, §3

103A.43 Application of state historic building code as alternative.

1. The state historic building code constitutes a lawful alternative building code for application by state agencies and governmental subdivisions as provided in subsections 2 and 3.

2. A state agency may apply the provisions of the state building code or of the state historic building code, or any combination of the two, in providing reasonable safety from fire and other hazards for the occupants and other users while permitting repairs, alterations and additions necessary for the preservation, restoration, rehabilitation, relocation or continued use of qualified historic buildings or structures.

3. A governmental subdivision may apply the provisions of its regular local building standards and building regulations or of the state historic building code, or any combination of the two, in providing reasonable safety from fire and other hazards for the occupants and other users while permitting repairs, alterations and additions necessary for the preservation, restoration, rehabilitation, relocation or continued use of qualified historic buildings or structures.

4. The alternative building standards and building regulations of the state historic building code shall be enforced in the same manner and by the same governmental entities as the regular building standards and building regulations of those governmental entities respectively.

5. When the requirements of the state historic building code are applied to repairs, alterations or additions to qualified historic buildings or structures, the requirements of this chapter and chapter 104A which are in conflict with the state historic building code do not apply to those repairs, alterations or additions.

103A.45 State historical society board — duties.

The state historical society board shall:

1. Recommend to the commissioner alternative building standards and building regulations for inclusion in the state historic building code.

2. Approve or disapprove alternative building standards and building regulations which

the commissioner proposes to include in the state historic building code. A majority vote of the membership of the board is required for this function.

3. Advise and confer with the commissioner in matters relating to the state historic building code.

4. Consult with state agencies, including the state fire marshal and the department of cultural affairs, governmental subdivisions, architects, engineers, and others who have knowledge of or interest in the rehabilitation, preservation, restoration, and relocation of historic buildings, with respect to matters relating to the state historic building code.

5. At the request of a state agency, governmental subdivision or other interested party, provide review and advice as to specific applications of the state historic building code.

6. At the request of the commissioner, hold public hearings and perform other functions as the commissioner requests.

SUBCHAPTER IV

MANUFACTURED AND MOBILE HOME REGULATION

Referred to in §523H.1, 537A.10

103A.51 Definitions.

As used in this subchapter, unless the context otherwise requires:

1. “*Ground anchoring system*” means any device or combination of devices used to securely anchor a manufactured or mobile home to the ground.

2. “*Ground support system*” means any device or combination of devices placed beneath a manufactured or mobile home and used to provide support.

3. “*Home*” means a manufactured home, mobile home, or modular home.

4. “*Manufactured home*” means a factory-built structure built under the authority of 42 U.S.C. §5403, that is required by federal law to display a seal required by the United States department of housing and urban development, and was constructed on or after June 15, 1976.

5. “*Manufactured or mobile home distributor*” means a person who sells or distributes manufactured or mobile homes to manufactured or mobile home retailers.

6. “*Manufactured or mobile home manufacturer*” means a person engaged in the business of fabricating or assembling manufactured or mobile homes.

7. “*Manufactured or mobile home retailer*” means a person who, for a commission or other thing of value, sells, exchanges, or offers or attempts to negotiate a sale or exchange of an interest in a home or who is engaged wholly or in part in the business of selling homes, whether or not the homes are owned by the retailer. “*Manufactured or mobile home retailer*” does not include any of the following:

a. A receiver, trustee, administrator, executor, guardian, attorney, or other person appointed by or acting under the judgment or order of a court to transfer an interest in a home.

b. A person transferring a home registered in the person’s name and used for personal, family, or household purposes, if the transfer is an occasional sale and is not part of the business of the transferor.

c. A person who transfers an interest in a home only as an incident to engaging in the business of financing new or used homes.

d. A person who exclusively sells modular homes.

8. “*Mobile home*” means a structure, transportable in one or more sections, which exceeds eight feet in width and thirty-two feet in length, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected

to one or more utilities. A “mobile home” is not built to a mandatory building code, contains no state or federal seals, and was built before June 15, 1976.

9. “Modular home” means a factory-built structure which is manufactured to be used as a place of human habitation, is constructed to comply with the Iowa state building code for modular factory-built structures, as adopted pursuant to section 103A.7, and displays a seal issued by the commissioner.

10. “New home” means a home that has not been sold at retail.

11. “Permanent site” means any lot or parcel of land on which a manufactured or mobile home used as a dwelling or place of business is located for ninety consecutive days, except a construction site when the manufactured or mobile home is used by a commercial contractor as a construction office or storage room.

12. “Preowned home” means a home that has been previously sold at retail.

13. “Retailer’s inventory” means homes offered for sale at the retailer’s licensed address or at any mobile home park or land-leased community so long as the title of the home is in the retailer’s name and the home is not being occupied.

14. “Sell at retail” means to sell a home to a person who will devote it to a consumer use.

15. “Tiedown system” means a ground support system and a ground anchoring system used in concert to provide anchoring and support for a manufactured or mobile home.

103A.52 Manufactured or mobile home retailer license — procedure.

1. *License application.* A manufactured or mobile home retailer shall file with the commissioner an application for license as a manufactured or mobile home retailer as the commissioner may prescribe.

2. *License fee.* The license fee for a manufactured or mobile home retailer is an annual fee of one hundred dollars. If the application is denied, the commissioner shall refund the fee.

3. *Surety bond.* Before the issuance of a manufactured or mobile home retailer’s license, an applicant for a license shall file with the commissioner a surety bond executed by the applicant as principal and executed by a corporate surety company, licensed and qualified to do business within this state, which bond shall run to the state, be in the amount of fifty thousand dollars, and be conditioned upon the faithful compliance by the applicant as a retailer with all of the statutes of this state regulating the business of the retailer and indemnifying any person dealing or transacting business with the retailer in connection with a manufactured or mobile home from a loss or damage occasioned by the failure of the retailer to comply with this subchapter, including but not limited to the furnishing of a proper and valid document of title to the manufactured or mobile home involved in the transaction.

4. *Manufactured or mobile home hookups.* A licensed manufactured or mobile home retailer or an employee of a licensed manufactured or mobile home retailer may perform water, gas, electrical, and other utility service connections in a manufactured or mobile home space, or within ten feet of such space, located in a manufactured home community or mobile home park. The licensed retailer or an employee of the retailer is not required to obtain any additional state or local authorization, permit, or license to perform utility service connections. However, the utility service connections are subject to inspection and approval by the local building department and the manufactured or mobile home retailer shall pay the inspection fee, if any.

2006 Acts, ch 1090, §2, 26; 2016 Acts, ch 1011, §121

103A.53 License application and fees.

Upon application and payment of a one hundred dollar fee, a person may be licensed as a manufacturer or distributor of manufactured or mobile homes. The application shall be in the form and shall contain information as the commissioner prescribes. The license shall be granted or refused within thirty days after application. The license expires, unless sooner revoked or suspended by the commissioner, on December 31 of the calendar year for which the license was granted. A licensee shall have the month of December of the calendar year

for which the license was granted and the following month of January to renew the license. A person who fails to renew a license by the end of this time period and desires to hold a license shall file a new license application and pay the required fee.

2006 Acts, ch 1090, §3, 26

103A.54 Fees.

Notwithstanding section 103A.23, the department of public safety shall retain all fees collected pursuant to this subchapter and the fees retained are appropriated to the commissioner to administer the licensing program and the certification program for manufactured or mobile home installers, including the employment of personnel for the enforcement and administration of such programs.

2006 Acts, ch 1090, §4, 26; 2016 Acts, ch 1011, §121

103A.55 Revocation, suspension, and denial of license.

1. The commissioner may revoke, suspend, or refuse the license of a manufactured or mobile home retailer, manufactured or mobile home manufacturer, or manufactured or mobile home distributor, as applicable, if the commissioner finds that the manufactured or mobile home retailer, manufacturer, or distributor is guilty of any of the following acts or offenses:

a. Fraud in procuring a license.

b. Knowingly making misleading, deceptive, untrue, or fraudulent representations in the business of a manufactured or mobile home retailer, manufacturer, or distributor or engaging in unethical conduct or practice harmful or detrimental to the public.

c. Conviction of a felony related to the business of a manufactured or mobile home retailer, manufacturer, or distributor. A copy of the record of conviction or plea of guilty shall be sufficient evidence for the purposes of this section.

d. Failing, upon the sale or transfer of a manufactured or mobile home, to deliver to the purchaser or transferee of the manufactured or mobile home sold or transferred, a manufacturer's or importer's certificate, or a certificate of title duly assigned, as provided in chapter 321.

e. Failing, upon the purchasing or otherwise acquiring of a manufactured or mobile home, to obtain a manufacturer's or importer's certificate, a new certificate of title, or a certificate of title duly assigned as provided in chapter 321.

f. Failing to apply for and obtain from a county treasurer a certificate of title for a used manufactured or mobile home, titled in Iowa, acquired by the retailer within thirty days from the date of acquisition, as required under section 321.45, subsection 4.

g. Failing to comply with the requirements of section 423.26A relating to the collection of use tax.

2. A person whose license is revoked or suspended or whose application for a license is denied may appeal the revocation, suspension, or denial in accordance with chapter 17A, including the opportunity for an evidentiary hearing.

103A.56 Rules.

The commissioner shall prescribe rules under chapter 17A for the administration and enforcement of this subchapter. The commissioner shall prescribe forms to be used in connection with the licensing of persons under this subchapter.

2006 Acts, ch 1090, §6, 26; 2016 Acts, ch 1011, §121

103A.57 Unlawful practice — criminal penalty.

It is unlawful for a person to engage in business as a manufactured or mobile home retailer, manufactured or mobile home manufacturer, or manufactured or mobile home distributor in this state without first acquiring and maintaining a license in accordance with this subchapter. A person convicted of violating this section is guilty of a serious misdemeanor.

2006 Acts, ch 1090, §7, 26; 2016 Acts, ch 1011, §121

103A.58 Manufactured home, mobile home, or modular home retail installment contract — finance charge.

1. A retail installment contract or agreement for the sale of a manufactured home, mobile home, or modular home may include a finance charge not in excess of an amount equivalent to one and three-fourths percent per month simple interest on the declining balance of the amount financed.

2. For purposes of this section, “*amount financed*” means the same as defined in section 537.1301.

3. The limitations contained in this section do not apply in a transaction referred to in section 535.2, subsection 2. With respect to a consumer credit sale, as defined in section 537.1301, the limitations contained in this section supersede conflicting provisions of chapter 537, article 2, part 2.

Court action required for termination of installment contract or repossession of property during military service; application for relief respecting obligation or liability incurred prior to military service; §29A.102, 29A.103, 29A.105

103A.59 Manufactured or mobile home installers certification — violation — civil penalty.

1. A person who installs a manufactured or mobile home for another person shall be certified in accordance with rules adopted by the commissioner pursuant to chapter 17A. The commissioner may assess a fee sufficient to recover the costs of administering the certification of manufactured or mobile home installers. The commissioner may suspend or revoke the certification of a manufactured or mobile home installer for failure to perform installation of a manufactured or mobile home pursuant to certification standards as provided by rules of the commissioner.

2. If a provision of this chapter or a rule adopted pursuant to this chapter relating to the manufacture or installation of a manufactured or mobile home is violated, the commissioner may assess a civil penalty not to exceed one thousand dollars for each offense. Each violation involving a separate manufactured or mobile home, or a separate failure or refusal to allow an act to be performed or to perform an act as required by this chapter or a rule adopted pursuant to this chapter, constitutes a separate offense. However, the maximum amount of civil penalties which may be assessed for any series of violations occurring within one year from the date of the first violation shall not exceed one million dollars.

2006 Acts, ch 1090, §9, 26

103A.60 Approved tiedown system — provided at sale — installation.

A manufactured or mobile home retailer shall provide an approved tiedown system. The purchaser shall install or have installed such system within one hundred fifty days of locating the manufactured or mobile home on a permanent site.

2006 Acts, ch 1090, §10, 26

Referred to in §103A.63

103A.61 Installer compliance and certification.

A person who installs a tiedown system shall comply with the minimum standards for such systems, and shall provide the owner of the manufactured or mobile home on which installation is made and the commissioner with a certification of approved system installation. Such certification shall be in proper form as established by the commissioner.

2006 Acts, ch 1090, §11, 26

Referred to in §103A.63

103A.62 Listing and form of certification of approved systems provided.

The commissioner shall provide, upon request, a list of approved tiedown systems and instructions for the completion of proper certification of approved system installation.

2006 Acts, ch 1090, §12, 26

Referred to in §103A.63

103A.63 Compliance.

When it appears that a retailer, purchaser, or other person is in noncompliance with the provisions of sections 103A.60 through 103A.62, the commissioner shall prescribe a period of time not to exceed one hundred fifty days within which compliance must be achieved and the commissioner shall so notify the retailer, purchaser, or other person.

SUBCHAPTER V

RESIDENTIAL CONTRACTORS — REPAIRS AND INSURANCE — PROHIBITED PRACTICES

103A.71 Residential contractors.

1. As used in this section:

a. “*Catastrophe*” means a natural occurrence including but not limited to fire, earthquake, tornado, windstorm, flood, or hail storm, which damages or destroys residential real estate.

b. “*Residential contractor*” means a person in the business of contracting to repair or replace residential roof systems or perform any other exterior repair, exterior replacement, or exterior reconstruction work resulting from a catastrophe on residential real estate or a person offering to contract with an owner or possessor of residential real estate to carry out such work.

c. “*Residential real estate*” means a new or existing building, including a detached garage, constructed for habitation by one to four families.

d. “*Roof system*” includes roof coverings, roof sheathing, roof weatherproofing, and roof insulation.

2. A residential contractor shall not advertise or promise to rebate any insurance deductible or any portion thereof as an inducement to the sale of goods or services. A promise to rebate any insurance deductible includes granting any allowance or offering any discount against the fees to be charged or paying a person directly or indirectly associated with the residential real estate any form of compensation, except for items of nominal value. A residential contractor may display a sign or any other type of advertisement on a person’s premises provided the person consents to the display and the person receives no compensation from the residential contractor for the placement of the sign or advertising.

3. A residential contractor shall not represent or negotiate on behalf of, or offer or advertise to represent or negotiate on behalf of, an owner or possessor of residential real estate on any insurance claim in connection with the repair or replacement of roof systems, or the performance of any other exterior repair, exterior replacement, or exterior reconstruction work on the residential real estate.

4. a. A residential contractor contracting to provide goods or services to repair damage resulting from a catastrophe shall provide the person with whom it is contracting a fully completed duplicate notice in at least ten-point bold type which shall contain the following statement:

NOTICE OF CONTRACT OBLIGATIONS AND RIGHTS

You may be responsible for payment to (insert name of residential contractor) for the cost of all goods and services provided whether or not you receive payment from any property and casualty insurance policy with respect to the damage. Pursuant to Iowa law your contract with (insert name of residential contractor) to provide goods and services to repair damage resulting from a naturally occurring catastrophe including but not limited to a fire, earthquake, tornado, windstorm, flood, or hail storm is void and you have no responsibility for payment under the contract if (insert name of residential contractor) either advertises or promises to

rebate all or any portion of your insurance deductible, or represents or negotiates, or offers to represent or negotiate, on your behalf with your property and casualty insurance company on any insurance claim relating to the damage you have contracted to have repaired. Your signature below acknowledges your understanding of these legal obligations and rights.

b. The notice shall be executed by the person with whom the residential contractor is contracting prior to or contemporaneously with entering into the contract.

5. A contract entered into with a residential contractor is void if the residential contractor violates subsection 2, 3, or 4.

6. a. A residential contractor violating this section is subject to the penalties and remedies prescribed by this chapter.

b. A violation of subsection 2 or 3 by a residential contractor is an unlawful practice pursuant to section 714.16.

This chapter may be known and cited as the “*Iowa Plumber, Mechanical Professional, and Contractor Licensing Act*”.

2007 Acts, ch 198, §1, 35; 2008 Acts, ch 1089, §10, 11; 2009 Acts, ch 151, §1

105.2 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Apprentice*” means any person, other than a helper, journeyperson, or master, who, as a principal occupation, is engaged in working as an employee of a plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic systems contractor under the supervision of either a master or a journeyperson and is progressing toward completion of an apprenticeship training program registered by the office of apprenticeship of the United States department of labor while learning and assisting in the design, installation, and repair of plumbing, HVAC, refrigeration, sheet metal, or hydronic systems, as applicable.

2. “*Board*” means the plumbing and mechanical systems board as established pursuant to section 105.3.

3. “*Contractor*” means a person or entity that provides plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic systems services on a contractual basis and who is paid a predetermined amount under that contract for rendering those services.

4. “*Department*” means the Iowa department of public health.

5. “*Governmental subdivision*” means any city, county, or combination thereof.

6. “*Helper*” means a person engaged in general manual labor activities who provides assistance to an apprentice, journeyperson, or master while under the supervision of a journeyperson or master.

7. “*HVAC*” means heating, ventilation, air conditioning, ducted systems, or any type of refrigeration used for food processing or preservation. “*HVAC*” includes all natural, propane, liquid propane, or other gas lines associated with any component of an HVAC system.

8. “*Hydronic*” means a heating or cooling system that transfers heating or cooling by circulating fluid through a closed system, including boilers, pressure vessels, refrigeration equipment in connection with chilled water systems, all steam piping, hot or chilled water

piping together with all control devices and accessories, installed as part of, or in connection with, any heating or cooling system or appliance whose primary purpose is to provide comfort using a liquid, water, or steam as the heating or cooling media. “Hydronic” includes all low-pressure and high-pressure systems and all natural, propane, liquid propane, or other gas lines associated with any component of a hydronic system. For purposes of this definition, “primary purpose is to provide comfort” means a system or appliance in which at least fifty-one percent of the capacity generated by its operation, on an annual average, is dedicated to comfort heating or cooling.

9. “*Journey person*” means any person, other than a master, who, as a principal occupation, is engaged as an employee of, or otherwise working under the direction of, a master in the design, installation, and repair of plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic systems, as applicable.

10. “*Master*” means any person who works in the planning or superintending of the design, installation, or repair of plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic systems and is otherwise lawfully qualified to conduct the business of plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic systems, and who is familiar with the laws and rules governing the same.

11. “*Mechanical professional*” means a person engaged in the HVAC, refrigeration, sheet metal, or hydronic industry.

12. “*Mechanical systems*” means HVAC, refrigeration, sheet metal, and hydronic systems.

13. “*Medical gas piping*” means a permanent fixed piping system in a health care facility which is used to convey oxygen, nitrous oxide, nitrogen, carbon dioxide, helium, medical air, and mixtures of these gases from its source to the point of use and includes the fixed piping associated with a medical, surgical, or gas scavenging vacuum system, as well as a bedside suction system.

14. “*Medical gas system installer*” means any person who installs or repairs medical gas piping, components, and vacuum systems, including brazers, who has been issued a valid certification from the national inspection testing certification (NITC) corporation, or an equivalent authority approved by the board.

15. “*Plumbing*” means all potable water building supply and distribution pipes, all plumbing fixtures and traps, all drainage and vent pipes, and all building drains and building sewers, storm sewers, and storm drains, including their respective joints and connections, devices, receptors, and appurtenances within the property lines of the premises, and including the connection to sanitary sewer, storm sewer, and domestic water mains. “*Plumbing*” includes potable water piping, potable water treating or using equipment, medical gas piping systems, fuel gas piping, water heaters and vents, including all natural, propane, liquid propane, or other gas lines associated with any component of a plumbing system.

16. “*Refrigeration*” means any system of refrigeration regardless of the level of power, if such refrigeration is intended to be used for the purpose of food processing and product preservation and is also intended to be used for comfort systems. “*Refrigeration*” includes all natural, propane, liquid propane, or other gas lines associated with any component of refrigeration.

17. “*Routine maintenance*” means the maintenance, repair, or replacement of existing fixtures or parts of plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic systems in which no changes in original design are made. Fixtures or parts do not include smoke and fire dampers, or water, gas, or steam piping permanent repairs except for traps or strainers. “*Routine maintenance*” shall include emergency repairs, and the board shall define the term “*emergency repairs*” to include the repair of water pipes to prevent imminent damage to property. “*Routine maintenance*” does not include the replacement of furnaces, boilers, cooling appliances, or water heaters more than one hundred gallons in size.

18. “*Sheet metal*” means heating, ventilation, air conditioning, pollution control, fume hood systems and related ducted systems or installation of equipment associated with any component of a sheet metal system. “*Sheet metal*” excludes refrigeration and electrical lines

and all natural gas, propane, liquid propane, or other gas lines associated with any component of a sheet metal system.

105.3 Plumbing and mechanical systems board.

1. A plumbing and mechanical systems board is created within the Iowa department of public health.

2. a. The board shall be comprised of eleven members, appointed by the governor, as follows:

- (1) The director of public health or the director's designee.
- (2) The commissioner of public safety or the commissioner's designee.
- (3) One plumbing inspector.
- (4) One mechanical inspector.
- (5) A contractor who primarily works in rural areas.

(6) An individual licensed as a journeyman plumber pursuant to the provisions of this chapter or, for the initial membership of the board, an individual eligible for such licensure.

(7) An individual working as a plumbing contractor and licensed as a master plumber pursuant to the provisions of this chapter or, for the initial membership of the board, an individual eligible for such licensure.

(8) Two individuals licensed as journeyman mechanical professionals pursuant to the provisions of this chapter or, for the initial membership of the board, two individuals eligible for such licensure.

(9) Two individuals licensed as master mechanical professionals pursuant to the provisions of this chapter or, for the initial membership of the board, two individuals eligible for such licensure. One of these individuals shall be a mechanical systems contractor.

b. The board members enumerated in paragraph a, subparagraphs (3) through (9), are subject to confirmation by the senate.

c. The terms of the two plumber representatives on the board shall not expire on the same date, and one of the two plumber representatives on the board shall at all times while serving on the board be affiliated with a labor union while the other shall at all times while serving on the board not be affiliated with a labor union.

d. The terms of the mechanical professional representatives on the board shall not expire on the same date, and at least one of the mechanical professional representatives on the board shall at all times while serving on the board be affiliated with a labor union while at least one of the other mechanical professional representatives shall at all times while serving on the board not be affiliated with a labor union.

3. Members shall serve three-year terms except for the terms of the initial members, which shall be staggered so that three members' terms expire each calendar year. A member of the board shall serve no more than three full terms. A vacancy in the membership of the board shall be filled by appointment by the governor subject to senate confirmation.

4. If a person who has been appointed to serve on the board has ever been disciplined by the board, all board complaints and statements of charges, settlement agreements, findings of fact, and orders pertaining to the disciplinary action shall be made available to the senate committee to which the appointment is referred at the committee's request before the full senate votes on the person's appointment.

5. The board shall organize annually and shall select a chairperson and a secretary from its membership. A quorum shall consist of a majority of the members of the board.

6. The board may maintain a membership in any national organization of state boards for the professions of plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic professionals, with all membership fees to be paid from funds appropriated to the board.

105.4 Plumbing installation code — rules.

1. *a.* The board shall establish by rule a plumbing installation code governing the installation of plumbing in this state. Consistent with fire safety rules and standards promulgated by the state fire marshal, the board shall adopt the most current version of the uniform plumbing code and the international mechanical code, as the state plumbing code and the state mechanical code, to govern the installation of plumbing and mechanical systems in this state. The board shall adopt the current version of each code within six months of its being released. The board may adopt amendments to each code by rule. The board shall work in consultation with the state fire marshal to ensure that proposed amendments do not conflict with the fire safety rules and standards promulgated by the state fire marshal. The state plumbing code and the state mechanical code shall be applicable to all buildings and structures owned by the state or an agency of the state and in each local jurisdiction.

b. Except as provided in paragraph “c”, a local jurisdiction is not required to adopt by ordinance the state plumbing code or the state mechanical code. However, a local jurisdiction that adopts by ordinance the state plumbing code or the state mechanical code may adopt standards that are more restrictive. A local jurisdiction that adopts standards that are more restrictive than the state plumbing code or the state mechanical code shall promptly provide copies of those standards to the board. The board shall maintain on its internet site the text of all local jurisdiction standards that differ from the applicable statewide code. Local jurisdictions shall not be required to conduct inspections or take any other enforcement action under the state plumbing code and state mechanical code regardless of whether the local jurisdiction has adopted by ordinance the state plumbing code or the state mechanical code.

c. A local jurisdiction with a population of more than fifteen thousand that has not adopted by ordinance the state plumbing code and state mechanical code shall have until December 31, 2016, to do so. Cities that have adopted a plumbing code or mechanical code as of April 26, 2013, shall have until December 31, 2016, to adopt the state plumbing code or the state mechanical code in lieu thereof.

2. The board shall adopt all rules necessary to carry out the licensing and other provisions of this chapter.

105.5 Examinations.

1. Any person desiring to take an examination for a license issued pursuant to this chapter shall make application to the board in accordance with the rules of the board. The application form shall be no longer than two pages in length, plus one security page. The board may require that a recent photograph of the applicant be attached to the application.

2. Applicants who fail to pass an examination shall be allowed to retake the examination at a future scheduled time.

3. The board shall adopt rules relating to all of the following:

a. The qualifications required for applicants seeking to take examinations, which qualifications shall include a requirement that an applicant who is a contractor shall be required to provide the contractor’s state contractor registration number.

b. The denial of applicants seeking to take examinations.

4. The board shall adopt an industry standardized examination for each license type. If a standardized examination is not available for a specified license type, the board shall work with the appropriate testing vendor to create an examination for the specified license type.

Contractor registration, see chapter 91C

105.6 through 105.8 Repealed by 2009 Acts, ch 151, §32.

105.9 Fees.

1. The board shall set the fees for the examination of all applicants, by rule, which fees shall be based upon the cost of administering the examinations.

2. The board shall set the license fees and renewal fees for all licenses issued pursuant to this chapter, by rule.

3. All fees collected under this chapter shall be retained by the board. The moneys retained by the board shall be used for any of the board's duties under this chapter, including but not limited to the addition of full-time equivalent positions for program services and investigations. Revenues retained by the board pursuant to this section shall be considered repayment receipts as defined in section 8.2. Notwithstanding section 8.33, moneys retained by the board pursuant to this section are not subject to reversion to the general fund of the state.

4. Nothing in this chapter shall be interpreted to prohibit the state or any of its governmental subdivisions from charging construction permit fees or inspection fees related to work performed by plumbers and mechanical professionals.

5. *a.* The board shall submit a report to the general assembly within sixty days following the end of each fiscal year. The reports shall include a balance sheet projection extending no less than three years. If the revenue projection exceeds expense projections by more than ten percent, the board shall adjust their fee schedules accordingly, so that projected revenues are no more than ten percent higher than projected expenses. The revised fees shall be implemented no later than January 1, 2013, and January 1 of each subsequent year.

b. A license fee for a combined license shall be the sum total of each of the separate license fees reduced by thirty percent.

6. The board may charge a fee for an application required by this chapter and submitted on paper if an internet application process is available.

7. *a.* Licenses issued under this chapter on or after July 1, 2014, shall expire on the same renewal date every three years, beginning with June 30, 2017.

b. New licenses issued after the July 1 beginning of each three-year renewal cycle shall be prorated using a one-sixth deduction for each six-month period of the renewal cycle.

105.10 License or certification required — exceptions.

1. Except as provided in section 105.11, a person shall not operate as a contractor or install or repair plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic systems without obtaining a license issued by the board, or install or repair medical gas piping systems without obtaining a valid certification approved by the board.

2. Except as provided in section 105.11, a person shall not engage in the business of designing, installing, or repairing plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic systems unless at all times a licensed master, who shall be responsible for the proper designing, installing, and repairing of the plumbing, HVAC, refrigeration, sheet metal, or hydronic system, is employed by the person and is actively in charge of the plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic work of the person. An individual who performs such work pursuant to a business operated as a sole proprietorship shall be a licensed master in the applicable discipline.

3. An individual holding a master mechanical license shall not be required to get an HVAC-refrigeration, sheet metal, or hydronic license in order to design, install, or repair the work defined in this chapter as mechanical, HVAC-refrigeration, sheet metal, or hydronic work. An individual holding a journeyman mechanical license shall not be required to get an HVAC-refrigeration, sheet metal, or hydronic license in order to install and repair the work defined in this chapter as mechanical, HVAC-refrigeration, sheet metal, or hydronic work. An individual holding a master or journeyman mechanical license shall also not be required to obtain a special, restricted license that is designated as a sublicense of the mechanical, HVAC-refrigeration, sheet metal, or hydronic licenses.

4. The board shall adopt rules to allow a grace period for a contractor to operate a business described in subsection 2 without employing a licensed master.

Subsection 5 stricken

105.11 Chapter inapplicability.

The provisions of this chapter shall not be construed to do any of the following:

1. Apply to a person licensed as an engineer pursuant to chapter 542B, licensed as a manufactured home retailer or certified as a manufactured home installer pursuant to chapter 103A, licensed as an architect pursuant to chapter 544A, or licensed as a landscape architect pursuant to chapter 544B who provides consultations or develops plans or other work concerning plumbing, HVAC, refrigeration, sheet metal, or hydronic work and who is exclusively engaged in the practice of the person's profession.

2. Require employees of municipal utilities, electric membership or cooperative associations, public utility corporations, rural water associations or districts, railroads, or commercial retail or industrial companies performing manufacturing, installation, service, or repair work for such employer to hold licenses while acting within the scope of their employment. This licensing exemption does not apply to employees of a rate-regulated gas or electric public utility which provides plumbing or mechanical services as part of a systematic marketing effort, as defined pursuant to section 476.80.

3. Prohibit an owner of property from performing work on the owner's principal residence, if such residence is an existing dwelling rather than new construction and is not larger than a single-family dwelling, or farm property, excluding commercial or industrial installations or installations in public use buildings or facilities, or require such owner to be licensed under this chapter. In order to qualify for inapplicability pursuant to this subsection, a residence shall qualify for the homestead tax exemption.

4. Require that any person be a member of a labor union in order to be licensed.

5. Apply to a person who is qualified pursuant to administrative rules relating to the storage and handling of liquefied petroleum gases while engaged in installing, servicing, testing, replacing, or maintaining propane gas utilization equipment, or gas piping systems of which the equipment is a part, and related or connected accessory systems or equipment necessary to the operation of the equipment.

6. Apply to a person who meets the requirements for a certified well contractor pursuant to section 455B.190A while engaged in installing, servicing, testing, replacing, or maintaining a water system, water well, well pump, or well equipment, or piping systems of which the equipment is a part, and related or connected accessory systems or equipment necessary to the operation of the water well.

7. Require a helper engaged in general manual labor activities while providing assistance to an apprentice, journeyman, or master to obtain a plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic license. Experience as a helper shall not be considered as practical experience for a journeyman license.

8. Apply to a person who is performing work subject to chapter 100C.

9. Apply to an employee of any unit of state or local government, including but not limited to cities, counties, or school corporations, performing work on a mechanical system or plumbing system, which serves a government-owned or government-leased facility while acting within the scope of the government employee's employment.

10. Apply to the employees of manufacturers, manufacturer representatives, or wholesale suppliers who provide consultation or develop plans concerning plumbing, HVAC, refrigeration, sheet metal, or hydronic work, or who assist a person licensed under this chapter in the installation of mechanical or plumbing systems.

11. Prohibit an owner or operator of a health care facility licensed pursuant to chapter 135C, assisted living center licensed pursuant to chapter 231C, hospital licensed pursuant to chapter 135B, adult day care center licensed pursuant to chapter 231D, or a retirement

facility certified pursuant to chapter 523D from performing work on the facility or requiring such owner or operator to be licensed under this chapter; except for projects that exceed the dollar amount specified as the competitive bid threshold in section 26.3.

12. Apply to a person who performs the laying of pipe that originates or connects to pipe in the public right-of-way or property that is intended to become public right-of-way, even if such pipe extends under the property and up to the building. However, the person shall not make any interior pipe connections within a building under this exemption. This exemption does not restrict local jurisdictions from requiring licensure under this chapter if required by local ordinance, resolution, or by bidding specification.

13. Prohibit a rental property owner or employee of such an owner from performing routine maintenance on the rental property.

14. Apply to a person who is performing work on a volunteer, non-paid basis or assisting a property owner performing non-paid work on the owner's principal residence.

2007 Acts, ch 198, §11; 2008 Acts, ch 1032, §104, 202; 2008 Acts, ch 1089, §4, 5, 10, 12; 2009 Acts, ch 151, §11 – 13; 2011 Acts, ch 100, §7, 15; 2013 Acts, ch 77, §12, 36; 2017 Acts, ch 131, §7

Referred to in §105.10

105.12 Form of license.

1. A contracting, plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic license shall be in the form of a certificate under the seal of the department, signed by the director of public health, and shall be issued in the name of the board. The license number shall be noted on the face of the license.

2. In addition to the certificate, the board shall provide each licensee with a wallet-sized licensing identification card.

2007 Acts, ch 198, §12; 2008 Acts, ch 1089, §6, 10, 12; 2009 Acts, ch 151, §14; 2013 Acts, ch 77, §13, 36

105.13 License presumptive evidence.

A license issued under this chapter shall be presumptive evidence of the right of the holder to practice in this state the profession specified.

2007 Acts, ch 198, §13; 2008 Acts, ch 1089, §10, 12

105.14 Display of contractor license.

A person holding a contractor license under this chapter shall keep the current license certificate publicly displayed in the primary place in which the person practices.

2007 Acts, ch 198, §14; 2008 Acts, ch 1089, §10, 12; 2009 Acts, ch 151, §15

105.15 Registry of licenses.

The name, location, license number, and date of issuance of the license of each person to whom a license has been issued shall be entered in a registry kept in the office of the department to be known as the plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic registry. The registry may be electronic and shall be open to public inspection. However, the licensee's home address, home telephone number, and other personal information as determined by rule shall be confidential.

105.16 Change of residence.

If a person licensed to practice as a contractor or a plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic professional under this chapter changes the person's residence or place of practice, the person shall so notify the board.

2007 Acts, ch 198, §16; 2008 Acts, ch 1089, §10, 12; 2009 Acts, ch 151, §17; 2013 Acts, ch 77, §15, 36

105.17 Preemption of local licensing requirements.

1. The provisions of this chapter regarding the licensing of plumbing, mechanical, HVAC-refrigeration, sheet metal, and hydronic professionals and contractors shall supersede and preempt all plumbing, mechanical, HVAC-refrigeration, sheet metal, hydronic, and contracting licensing provisions of all governmental subdivisions.

a. On July 1, 2009, all plumbing and mechanical licensing provisions promulgated by any governmental subdivision shall be null and void, except reciprocal licenses as provided in section 105.21, and of no further force and effect.

b. On and after July 1, 2008, a governmental subdivision shall not prohibit a contractor or a plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic professional licensed pursuant to this chapter from performing services for which that person is licensed pursuant to this chapter or enforce any plumbing and mechanical licensing provisions promulgated by the governmental subdivision against a person licensed pursuant to this chapter.

2. Nothing in this chapter shall prohibit a governmental subdivision from assessing and collecting permit fees or inspection fees related to work performed by plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic professionals.

2007 Acts, ch 198, §17; 2008 Acts, ch 1089, §7, 10, 12; 2009 Acts, ch 151, §18; 2013 Acts, ch 77, §16, 36

105.18 Qualifications and types of licenses issued.

1. *General qualifications.* The board shall adopt, by rule, general qualifications for licensure. References may be required as part of the licensing process.

2. *Plumbing, mechanical, HVAC-refrigeration, sheet metal, and hydronic licenses and contractor licenses.* The board shall issue master licenses for plumbing, mechanical, HVAC-refrigeration, and hydronic professionals. The board shall issue journeyman licenses for plumbing, mechanical, HVAC-refrigeration, sheet metal, and hydronic professionals. A plumbing license shall allow an individual to perform work defined as plumbing. A mechanical license shall allow an individual to perform work defined as HVAC, refrigeration, sheet metal, and hydronic. An HVAC-refrigeration license shall allow an individual to perform work defined as HVAC and refrigeration. A hydronic license shall allow an individual to perform work defined as hydronic. A sheet metal license shall allow an individual to perform work defined as sheet metal. The board shall issue the separate licenses as follows:

a. *Apprentice license.* In order to be licensed by the board as an apprentice, a person shall do all of the following:

(1) File an application, which application shall establish that the person meets the minimum requirements adopted by the board.

(2) Certify that the person will work under the supervision of a licensed journeyman or master in the applicable discipline.

(3) Be enrolled in an applicable apprentice program which is registered with the United States department of labor office of apprenticeship.

b. *Journeyman license.*

(1) In order to be licensed by the board as a journeyman in the applicable discipline, a person shall do all of the following:

(a) File an application and pay application fees as established by the board, which application shall establish that the person meets the minimum educational and experience requirements adopted by the board.

(b) Pass the state journeyman licensing examination in the applicable discipline.

(c) Provide the board with evidence of having completed at least four years of practical experience as an apprentice. Commencing January 1, 2010, the four years of practical experience required by this subparagraph division must be an apprenticeship training program registered by the United States department of labor office of apprenticeship.

(2) A person may simultaneously hold an active journeyman license and an inactive master license.

(3) An individual who has passed both the journeyman HVAC-refrigeration examination and the journeyman hydronic examination separately shall be qualified to

be issued a journeyperson mechanical license without having to pass the journeyperson mechanical examination.

c. Master license.

(1) In order to be licensed by the board as a master, a person shall do all of the following:

(a) File an application and pay application fees as established by the board, which application shall establish that the person meets the minimum educational and experience requirements adopted by the board.

(b) Pass the state master licensing examination for the applicable discipline.

(c) Provide evidence to the board that the person has previously been a licensed journeyperson or master in the applicable discipline.

(2) An individual who has passed both the master HVAC-refrigeration examination and the master hydronic examination separately shall be qualified to be issued a master mechanical license without having to pass the master mechanical examination.

d. Contractor license. In order to be licensed by the board as a contractor, a person shall do all of the following:

(1) File an application and pay application fees as established by the board and establish that the person meets the minimum requirements adopted by the board. Through June 30, 2017, the application shall include the person's state contractor registration number. After July 1, 2017, the application shall include proof of workers compensation insurance coverage, proof of unemployment insurance compliance, and, for out-of-state contractors, a bond as described in chapter 91C.

(2) Maintain a permanent place of business.

(3) Hold a master license or employ at least one person holding a master license under this chapter.

3. Combined licenses, restricted licenses.

a. The board may issue single or combined licenses to persons who qualify as a contractor, master, journeyperson, or apprentice under any of the disciplines.

b. Special, restricted license. The board may by rule provide for the issuance of special plumbing and mechanical professional licenses authorizing the licensee to engage in a limited class or classes of plumbing or mechanical professional work, which class or classes shall be specified on the license. Each licensee shall have experience, acceptable to the board, in each such limited class for which the person is licensed. The board shall designate each special, restricted license to be a sublicense of either a plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic license. A special, restricted license may be a sublicense of multiple types of licenses. An individual holding a master or journeyperson, plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic license shall not be required to obtain any special, restricted license which is a sublicense of the license that the individual holds. Special plumbing and mechanical professional licenses shall be issued to employees of a rate-regulated gas or electric public utility who conduct the repair of appliances. "Repair of appliances" means the repair or replacement of mechanical connections between the appliance shutoff valve and the appliance and repair of or replacement of parts to the appliance. Such special, restricted license shall require certification pursuant to industry-accredited certification standards.

c. The board shall establish a special, restricted license fee at a reduced rate, consistent with any other special, restricted license fees.

d. An individual that holds either a master or journeyperson mechanical license or a master or journeyperson HVAC-refrigeration license shall be exempt from having to obtain a special electrician's license pursuant to chapter 103 in order to disconnect and reconnect existing air conditioning and refrigeration systems.

4. Waiver for military service. Notwithstanding section 17A.9A, the board shall waive the written examination requirements and prior experience requirements in subsection 2, paragraph "b", subparagraph (1), and subsection 2, paragraph "c", for a journeyperson or master license if the applicant meets all of the following requirements:

a. Is an active or retired member of the United States military.

b. Provides documentation that the applicant was deployed on active duty during any portion of the time period of July 1, 2008, through December 31, 2009.

c. Provides documentation that shows the applicant has previously passed an examination which the board deems substantially similar to the examination for a journeyman license or a master license, as applicable, issued by the board, or provides documentation that shows the applicant has previously been licensed by a state or local governmental jurisdiction in the same trade and trade level.

2007 Acts, ch 198, §18; 2008 Acts, ch 1032, §105, 202; 2008 Acts, ch 1089, §8, 10, 12; 2009 Acts, ch 151, §19; 2011 Acts, ch 100, §8 – 10, 15; 2013 Acts, ch 77, §17 – 23, 36; 2014 Acts, ch 1106, §20; 2015 Acts, ch 30, §38; 2019 Acts, ch 99, §10

105.19 Insurance and surety bond requirements.

1. An applicant for a contractor license or renewal of an active contractor license shall provide evidence of a public liability insurance policy and surety bond in an amount determined sufficient by the board by rule.

2. If the applicant is engaged in plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic work individually through a business conducted as a sole proprietorship, the applicant shall personally obtain the insurance and surety bond required by this section. If the applicant is engaged in the plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic business as an employee or owner of a legal entity, then the insurance and surety bond required by this section shall be obtained by the entity and shall cover all plumbing or mechanical work performed by the entity.

3. The insurance and surety bond shall be written by an entity licensed to do business in this state and each licensed contractor shall maintain on file with the board a certificate evidencing the insurance providing that the insurance or surety bond shall not be canceled without the entity first giving ten days' written notice to the board.

2007 Acts, ch 198, §19; 2008 Acts, ch 1089, §10, 12; 2009 Acts, ch 151, §20; 2013 Acts, ch 77, §24, 36

105.20 Renewal and reinstatement of licenses — fees and penalties — continuing education.

1. All licenses issued under this chapter shall be issued for a three-year period.

2. A license issued under this chapter may be renewed as provided by rule adopted by the board upon application by the licensee, without examination. Applications for renewal shall be made to the board, accompanied by the required renewal licensing fee, at least thirty days prior to the expiration date of the license.

3. Failure to renew a license within a reasonable time after the expiration of the license shall not invalidate the license, but a reasonable penalty may be assessed as adopted by rule, in addition to the license renewal fee, to allow reinstatement of the license.

4. The board shall, by rule, establish a reinstatement process for a licensee who allows a license to lapse, including reasonable penalties.

5. a. The board shall establish continuing education requirements pursuant to section 272C.2. The basic continuing education requirement for renewal of a license shall be the completion, during the immediately preceding license term, of the number of classroom hours of instruction required by the board in courses or seminars which have been approved by the board. The board shall require at least eight classroom hours of instruction during each three-year licensing term.

b. A licensee shall have a thirty-day grace period after expiration of the licensing term to complete all requirements necessary for license renewal without penalty.

105.21 Reciprocal licenses.

The board may license without examination a nonresident applicant who is licensed under plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic professional licensing statutes of another state having similar licensing requirements as those set forth in this chapter and the rules adopted under this chapter if the other state grants the same reciprocal licensing privileges to residents of Iowa who have obtained Iowa plumbing or mechanical

professional licenses under this chapter. The board shall adopt the necessary rules, not inconsistent with the law, for carrying out the reciprocal relations with other states which are authorized by this chapter.

2007 Acts, ch 198, §21; 2008 Acts, ch 1089, §10, 12; 2009 Acts, ch 151, §22; 2013 Acts, ch 77, §26, 36

Referred to in §105.17

105.22 Grounds for denial, revocation, or suspension of license.

A license to practice as a contractor or as a plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic professional may be revoked or suspended, or an application for licensure may be denied pursuant to procedures established pursuant to chapter 272C by the board, or the licensee may be otherwise disciplined in accordance with that chapter, when the licensee commits any of the following acts or offenses:

1. Fraud in procuring a license.
2. Professional incompetence.
3. Knowingly making misleading, deceptive, untrue, or fraudulent misrepresentations in the practice of the profession or engaging in unethical conduct or practice harmful or detrimental to the public. Proof of actual injury need not be established.
4. Fraud in representations as to skill or ability.
5. Use of untruthful or improbable statements in advertisements.
6. Willful or repeated violations of this chapter.
7. Aiding and abetting a person who is not licensed pursuant to this chapter in that person's pursuit of an unauthorized and unlicensed plumbing, mechanical, HVAC, refrigeration, sheet metal, or hydronic professional practice.
8. Failure to meet the commonly accepted standards of professional competence.
9. Any other such grounds as established by rule by the board.

Subsection 4 stricken and former subsections 5 - 10 renumbered as 4 - 9

105.23 Jurisdiction of revocation and suspension proceedings.

The board shall have exclusive jurisdiction of all proceedings to revoke or suspend a license issued pursuant to this chapter. The board may initiate proceedings under this chapter or chapter 272C, following procedures set out in section 272C.6, either on its own motion or on the complaint of any person. The board, in connection with a proceeding under this chapter, may issue subpoenas to compel attendance and testimony of witnesses and the disclosure of evidence, and may request the attorney general to bring an action to enforce the subpoena.

Referred to in §272C.5

105.24 Notice and default.

1. A written notice stating the nature of the charge or charges against a licensee and the time and place of the hearing before the board on the charges shall be served on the licensee not less than thirty days prior to the date of hearing either personally or by mailing a copy by certified mail to the last known address of the licensee.

2. If, after having been served with the notice of hearing, the licensee fails to appear at the hearing, the board may proceed to hear evidence against the licensee and may enter such order as is justified by the evidence.

Referred to in §272C.5

105.25 Advertising — violations — penalties.

1. Only a person who is duly licensed pursuant to this chapter may advertise the fact that the person is licensed as a contractor or as a plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic professional by the state of Iowa.

2. All written advertisements distributed in this state by a person who is engaged in the

business of designing, installing, or repairing plumbing, HVAC, refrigeration, sheet metal, or hydronic systems shall include the listing of the contractor license number, as applicable.

3. A person who fraudulently claims to be a licensed contractor or a licensed plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic professional pursuant to this chapter, either in writing, cards, signs, circulars, advertisements, or other communications, is guilty of a simple misdemeanor.

4. A person who fraudulently lists a license number in connection with that person's advertising or falsely displays a license number is guilty of a simple misdemeanor.

105.27 Civil penalty.

1. In addition to any other penalties provided for in this chapter, the board may, by order, impose a civil penalty, not to exceed five thousand dollars per offense, upon a person violating any provision of this chapter. Each day of a continued violation constitutes a separate offense, except that offenses resulting from the same or common facts or circumstances shall be considered a single offense. Before issuing an order under this section, the board shall provide the person written notice and the opportunity to request a hearing on the record. The hearing must be requested within thirty days of the issuance of the notice.

2. A person aggrieved by the imposition of a civil penalty under this section may seek judicial review in accordance with section 17A.19.

3. If a person fails to pay a civil penalty within thirty days after entry of an order under subsection 1 or, if the order is stayed pending an appeal, within ten days after the court enters a final judgment in favor of the board, the board shall notify the attorney general. The attorney general may commence an action to recover the amount of the penalty, including reasonable attorney fees and costs.

4. An action to enforce an order under this section may be joined with an action for an injunction.

2007 Acts, ch 198, §27; 2008 Acts, ch 1089, §10, 12; 2009 Acts, ch 151, §26, 34

105.28 Enforcement.

The board shall enforce the provisions of this chapter. Every licensee and member of the board shall furnish the board such evidence as the licensee or member may have relative to any alleged violation which is being investigated.

2007 Acts, ch 198, §28; 2008 Acts, ch 1089, §10, 13; 2009 Acts, ch 151, §27, 34

105.29 Report of violators.

Every licensee and every member of the board shall report to the board the name of every person who is practicing as a contractor or as a plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic professional without a license issued pursuant to this chapter pursuant to the knowledge or reasonable belief of the person making the report. The opening of an office or place of business for the purpose of providing any services for which a license is required by this chapter, the announcing to the public in any way the intention to provide any such service, the use of any professional designation, or the use of any sign, card, circular, device, vehicle, or advertisement, as a provider of any such services shall be prima facie evidence of engaging in the practice of a contractor or a plumbing, mechanical, HVAC-refrigeration, sheet metal, or hydronic professional.

2007 Acts, ch 198, §29; 2008 Acts, ch 1089, §10, 13; 2009 Acts, ch 151, §28, 34; 2013 Acts, ch 77, §30, 36

105.30 Attorney general.

Upon request of the board, the attorney general shall institute in the name of the state the proper proceedings against any person charged by the department with violating any provision of this chapter.

2007 Acts, ch 198, §30; 2008 Acts, ch 1089, §10, 12; 2009 Acts, ch 151, §29, 34

105.31 License renewal and reissuance — transition provisions. Repealed by 2018 Acts, ch 1026, §180.

105.32 Voluntary early renewal of license. Repealed by 2018 Acts, ch 1026, §180.

SUBCHAPTER I
GENERAL PROVISIONS RELATING TO ALCOHOLIC BEVERAGES

Referred to in §123.122, 123.171

123.1 Public policy declared.

This chapter shall be cited as the “Iowa Alcoholic Beverage Control Act”, and shall be deemed an exercise of the police power of the state, for the protection of the welfare, health, peace, morals, and safety of the people of the state, and all its provisions shall be liberally construed for the accomplishment of that purpose. It is declared to be public policy that the

traffic in alcoholic liquors is so affected with a public interest that it should be regulated to the extent of prohibiting all traffic in them, except as provided in this chapter.

[C35, §1921-f1; C39, §1921.001; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §123.1]
85 Acts, ch 32, §3; 86 Acts, ch 1122, §1

123.2 General prohibition.

It is unlawful to manufacture for sale, sell, offer or keep for sale, possess, or transport alcoholic liquor, wine, or beer except upon the terms, conditions, limitations, and restrictions enumerated in this chapter.

[C35, §1921-f3; C39, §1921.003; C46, 50, 54, 58, 62, 66, 71, §123.3; C73, 75, 77, 79, 81, §123.2]

85 Acts, ch 32, §4

123.3 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Administrator*” means the administrator of the division, appointed pursuant to the provisions of this chapter, or the administrator’s designee.
2. “*Air common carrier*” means a person engaged in transporting passengers for hire in interstate or foreign commerce by aircraft and operating regularly scheduled flights under a certificate of public convenience issued by the civil aeronautics board.
3. “*Alcohol*” means the product of distillation of any fermented liquor rectified one or more times, whatever may be the origin thereof, and includes synthetic ethyl alcohol.
4. “*Alcoholic beverage*” means any beverage containing more than one-half of one percent of alcohol by volume including alcoholic liquor, wine, and beer.
5. “*Alcoholic liquor*” means the varieties of liquor defined in subsections 3 and 50 which contain more than six and twenty-five hundredths percent of alcohol by volume, beverages made as described in subsection 7 which beverages contain more than six and twenty-five hundredths percent of alcohol by volume but which are not wine as defined in subsection 54, high alcoholic content beer as defined in subsection 22, or canned cocktails as defined in subsection 11, and every other liquid or solid, patented or not, containing spirits and every beverage obtained by the process described in subsection 54 containing more than twenty-one and twenty-five hundredths percent of alcohol by volume, and susceptible of being consumed by a human being, for beverage purposes. Alcohol manufactured in this state for use as fuel pursuant to an experimental distilled spirits plant permit or its equivalent issued by the federal bureau of alcohol, tobacco and firearms is not an “*alcoholic liquor*”.
6. “*Application*” means a written request for the issuance of a permit, license, or certificate that is supported by a verified statement of facts and submitted electronically, or in a manner prescribed by the administrator.
7. “*Beer*” means any liquid capable of being used for beverage purposes made by the fermentation of an infusion in potable water of barley, malt, and hops, with or without unmalted grains or decorticated and degerminated grains or made by the fermentation of or by distillation of the fermented products of fruit, fruit extracts, or other agricultural products, containing more than one-half of one percent of alcohol by volume but not more than six and twenty-five hundredths percent of alcohol by volume.
8. “*Brewer*” means any person who manufactures beer for the purpose of sale, barter, exchange, or transportation.
9. “*Brewpub*” means a commercial establishment authorized to sell beer at retail for consumption on or off the premises that is operated by a person who holds a class “C” liquor control license or a class “B” beer permit and who also holds a special class “A” beer permit that authorizes the holder to manufacture and sell beer pursuant to this chapter.
10. “*Broker*” means a person who represents or promotes alcoholic liquor within the state on behalf of the holder of a distiller’s certificate of compliance, a manufacturer’s license, or a class “A” native distilled spirits license. An employee of the holder of a distiller’s certificate of compliance, a manufacturer’s license, or a class “A” native distilled spirits license is not a broker.

123.5 Alcoholic beverages commission created — appointment — removal — vacancies.

1. An alcoholic beverages commission is created within the division. The commission is composed of five members, not more than three of whom shall belong to the same political party.

2. Members shall be appointed by the governor, subject to confirmation by the senate. Appointments shall be for five-year staggered terms beginning and ending as provided by section 69.19. A member may be reappointed for one additional term.

3. Members of the commission shall be chosen on the basis of managerial ability and experience as business executives. Not more than two members of the commission may be the holder of or have an interest in a permit or license to manufacture alcoholic liquor, wine, or beer or to sell alcoholic liquor, wine, or beer at wholesale or retail.

4. Any commission member shall be subject to removal for any of the causes and in the manner provided by chapter 66 relating to removal from office. Removal shall not be in lieu of any other punishment that may be prescribed by the laws of this state.

5. Any vacancy on the commission shall be filled in the same manner as regular appointments are made for the unexpired portion of the regular term.

123.7 Administrator appointed — duties.

1. The governor shall appoint the administrator of the alcoholic beverages division,

subject to confirmation by the senate, to a four-year term. A vacancy in an unexpired term shall be filled in the same manner as a full-term appointment is made. The administrator shall not be a member of the commission. The administrator's salary shall be fixed by the general assembly. The administrator shall be qualified to perform the administrator's duties by managerial ability and experience as a business executive.

2. The administrator shall devote full time to the discharge of the administrator's duties. The administrator shall not hold any other elective or appointive office under the laws of this state, the United States, or any other state or territory. The administrator shall not accept or solicit, directly or indirectly, contributions or anything of value in behalf of the administrator, any political party, or any person seeking an elective or appointive office nor use the administrator's official position to advance the candidacy of anyone seeking an elective or appointive office. The administrator, the administrator's spouse, and immediate family shall not have any interest in any distillery, winery, brewery, importer, permittee or licensee or any business which is subject to license or regulation pursuant to this chapter.

123.8 Duties of commission and administrator.

1. The commission, in addition to the duties specifically enumerated in this chapter, shall act as a division policy-making body and serve in an advisory capacity to the administrator. The administrator shall supervise the daily operations of the division and shall execute the policies of the division as determined by the commission.

2. The commission may review and affirm, reverse, or amend all actions of the administrator, including but not limited to the following instances:

- a. Purchases of alcoholic liquor for resale by the division.
- b. The establishment of wholesale prices of alcoholic liquor.

123.9 Powers of administrator.

The administrator, in executing divisional functions, shall have the following duties and powers:

1. To receive alcoholic liquors on a bailment system for resale by the division in the manner set forth in this chapter.

2. To rent, lease, or equip any building or any land necessary to carry out the provisions of this chapter.

3. To lease all plants and lease or buy equipment necessary to carry out the provisions of this chapter.

4. To appoint clerks, agents, or other employees required for carrying out the provisions of this chapter; to dismiss employees for cause; to assign employees to bureaus as created by the administrator within the division; and to designate their title, duties, and powers. All employees of the division are subject to chapter 8A, subchapter IV, unless exempt under section 8A.412.

5. To grant and issue beer permits, wine permits, liquor control licenses, and other licenses; and to suspend or revoke all such permits and licenses for cause under this chapter.

6. To license, inspect, and control the manufacture of alcoholic beverages and regulate the entire alcoholic beverage industry in the state.

7. To accept alcoholic liquors ordered delivered to the alcoholic beverages division pursuant to chapter 809A, and offer for sale and deliver the alcoholic liquors to class "E" liquor control licensees, unless the administrator determines that the alcoholic liquors may

be adulterated or contaminated. If the administrator determines that the alcoholic liquors may be adulterated or contaminated, the administrator shall order their destruction.

123.10 Rules.

The administrator, with the approval of the commission and subject to chapter 17A, may adopt rules as necessary to carry out this chapter. The administrator's authority extends to, but is not limited to, the following:

1. Prescribing the duties of officers, clerks, agents, or other employees of the division and regulating their conduct while in the discharge of their duties.

2. Regulating the management, equipment, and merchandise of state warehouses in and from which alcoholic liquors are transported, kept, or sold and prescribing the books and records to be kept therein.

3. Regulating the purchase of alcoholic liquor generally and the furnishing of the liquor to class "E" liquor control licensees under this chapter, and determining the classes, varieties, and brands of alcoholic liquors to be kept in state warehouses.

4. Prescribing forms or information blanks to be used for the purposes of this chapter.

5. Prescribing the nature and character of evidence which shall be required to establish legal age.

6. Providing for the issuance and electronic distribution of price lists which show the price to be paid by class "E" liquor control licensees for each brand, class, or variety of liquor kept for sale by the division, providing for the filing or posting of prices charged in sales between class "A" beer and class "A" wine permit holders and retailers, as provided in this chapter, and establishing or controlling the prices based on minimum standards of fill, quantity, or alcoholic content for each individual sale of alcoholic beverages as deemed necessary for retail or consumer protection. However, the division shall not regulate markups, prices, discounts, allowances, or other terms of sale at which alcoholic liquor may be purchased by the retail public or liquor control licensees from class "E" liquor control licensees or at which wine may be purchased and sold by class "A" and retail wine permittees, or change, nullify, or vary the terms of an agreement between a holder of a vintner certificate of compliance and a class "A" wine permittee.

7. Prescribing the official seals, labels, or other markings which shall be attached to or stamped on packages of alcoholic liquor sold under this chapter.

8. Prescribing, subject to this chapter, the days and hours during which state warehouses shall be kept open for the purpose of the sale and delivery of alcoholic liquors.

9. Prescribing the place and the manner in which alcoholic liquor may be lawfully kept or stored by the licensed manufacturer under this chapter.

10. Prescribing the time, manner, means, and method by which distillers, vendors, or others authorized under this chapter may deliver or transport alcoholic liquors and prescribing the time, manner, means, and methods by which alcoholic liquor may be lawfully conveyed, carried, or transported.

11. Prescribing, subject to the provisions of this chapter, the conditions and qualifications necessary for the obtaining of licenses and permits and the books and records to be kept and the remittances to be made by those holding licenses and permits and providing for the inspection of the records of all such licensees and permittees.

12. Providing for the issuance of combination licenses and permits with fees consistent with individual license and permit fees as may be necessary for the efficient administration of this chapter.

13. Providing for the issuance of a waiver for an individual of legal age desiring to import alcoholic liquor, wine, or beer in excess of the amount provided in section 123.22, 123.122, or 123.171, as applicable. The waiver shall be limited to those individuals who were domiciled outside the state within one year of the request for a waiver and shall provide that any alcoholic liquor, wine, or beer imported pursuant to the waiver shall be for personal consumption only in a private home or other private accommodation.

14. Prescribing the uniform fee to be assessed against a class “B” beer permittee, class “C” native wine permittee, or liquor control licensee, except a class “E” liquor control licensee, to cover the administrative costs incurred by the division resulting from the failure of the licensee or permittee to maintain dramshop liability insurance coverage pursuant to section 123.92, subsection 2, paragraph “a”.

15. Prescribing the uniform fee, not to exceed one hundred dollars, to be assessed against a licensee or permittee for a contested case hearing conducted by the division or by an administrative law judge from the department of inspections and appeals which results in administrative action taken against the licensee or permittee by the division.

123.11 Compensation and expenses.

Members of the commission, the administrator, and other employees of the division shall be allowed their actual and necessary expenses while traveling on business of the division outside of their place of residence, however, an itemized account of such expenses shall be verified by the claimant and approved by the administrator. If such account is paid, the same shall be filed with the division and be and remain a part of its permanent records. Each member appointed to the commission is entitled to receive reimbursement of actual expenses incurred while attending meetings. Each member of the commission may also be eligible to receive compensation as provided in section 7E.6. All expenses and salaries of commission members, the administrator, and other employees shall be paid from appropriations for such purposes and the division shall be subject to the budget requirements of chapter 8.

1. Commission members, officers, and employees of the division shall not, while holding such office or position, do any of the following:

a. Hold any other office or position under the laws of this state, or any other state or territory or of the United States.

b. Engage in any occupation, business, endeavor, or activity which would or does conflict with their duties under this chapter.

c. Directly or indirectly, use their office or employment to influence, persuade, or induce

any other officer, employee, or person to adopt their political views or to favor any particular candidate for an elective or appointive public office.

d. Directly or indirectly, solicit or accept, in any manner or way, any money or other thing of value for any person seeking an elective or appointive public office, or to any political party or any group of persons seeking to become a political party.

2. Except as provided in section 123.5, subsection 3, a commission member or division employee shall not, directly or indirectly, individually, or as a member of a partnership or shareholder in a corporation, have any interest in dealing in or in the manufacture of alcoholic liquor, wine, or beer, and shall not receive any kind of profit nor have any interest in the purchase or sale of alcoholic liquor, wine, or beer by persons so authorized under this chapter. However, this subsection does not prohibit any member or employee from lawfully purchasing and keeping alcoholic liquor, wine, or beer in the member's or employee's possession for personal use.

3. Any officer or employee violating this section or any other provisions of this chapter shall, in addition to any other penalties provided by law, be subject to suspension or discharge from employment. Any commission member shall, in addition to any other penalties provided by law, be subject to removal from office as provided by chapter 66.

123.16 Annual report.

The commission shall cause to be prepared an annual report to the governor of the state, ending with June 30 of each fiscal year, on the operation and financial position of the division for the preceding fiscal year. The report shall include but is not limited to the following information:

1. Amount of profit or loss from division operations.

2. The current balance of the beer and liquor control fund, and the amount transferred from the fund to the treasurer of state during the period covered by the report.
3. All other funds on hand and the source from which derived.
4. The total quantity and particular kind of alcoholic liquor sold.
5. The increase or decrease of liquor sales from the previous reporting period.
6. The number of liquor control licenses, wine permits, and beer permits issued, by class, the number in effect on the last day included in the report, and the number which have been suspended or revoked during the period covered by the report.
7. Amount of fees paid to the division from liquor control licenses, wine permits, and beer permits, in gross, and the amount of liquor control license fees returned to local subdivisions of government as provided under this chapter.

123.17 Beer and liquor control fund — allocations to substance abuse programs — use of civil penalties.

1. There shall be established within the office of the treasurer of state a fund to be known as the beer and liquor control fund. The fund shall consist of any moneys appropriated by the general assembly for deposit in the fund and moneys received from the sale of alcoholic liquors by the division, from the issuance of permits and licenses, and of moneys and receipts received by the division from any other source.

2. *a.* The director of the department of administrative services shall periodically transfer from the beer and liquor control fund to the general fund of the state those revenues of the division which are not necessary for the purchase of liquor for resale by the division, or for remittances to local authorities or other sources as required by this chapter, or for other obligations and expenses of the division which are paid from such fund.

b. All moneys received by the division from the issuance of vintner's certificates of compliance and wine permits shall be transferred by the director of the department of administrative services to the general fund of the state.

3. Notwithstanding subsection 2, if gaming revenues under sections 99D.17 and 99F.11 are insufficient in a fiscal year to meet the total amount of such revenues directed to be deposited in the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during the fiscal year pursuant to section 8.57, subsection 5, paragraph "e", the difference shall be paid from moneys deposited in the beer and liquor control fund prior to transfer of such moneys to the general fund pursuant to subsection 2 and prior to the transfer of such moneys pursuant to subsections 5 and 6. If moneys deposited in the beer and liquor control fund are insufficient during the fiscal year to pay the difference, the remaining difference shall be paid from moneys deposited in the beer and liquor control fund in subsequent fiscal years as such moneys become available.

4. The treasurer of state shall, each quarter, prepare an estimate of the gaming revenues and of the moneys to be deposited in the beer and liquor control fund that will become available during the remainder of the appropriate fiscal year for the purposes described in subsection 3. The department of management, the department of inspections and appeals, and the department of commerce shall take appropriate actions to provide that the sum of the amount of gaming revenues available to be deposited into the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during a fiscal year and the amount of moneys to be deposited in the beer and liquor control fund available to be deposited into the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during such fiscal year will be sufficient to cover any anticipated deficiencies.

5. After any transfer provided for in subsection 3 is made, the department of commerce shall transfer into a special revenue account in the general fund of the state, a sum of money at least equal to seven percent of the gross amount of sales made by the division from the beer and liquor control fund on a monthly basis but not less than nine million dollars annually.

Of the amounts transferred, two million dollars, plus an additional amount determined by the general assembly, shall be appropriated to the Iowa department of public health for use by the staff who administer the comprehensive substance abuse program under chapter 125 for substance abuse treatment and prevention programs. Any amounts received in excess of the amounts appropriated to the Iowa department of public health for use by the staff who administer the comprehensive substance abuse program under chapter 125 shall be considered part of the general fund balance.

6. After any transfers provided for in subsections 3 and 5, the department of commerce shall transfer to the division from the beer and liquor control fund and before any other transfer to the general fund, an amount sufficient to pay the costs incurred by the division for collecting and properly disposing of the liquor containers.

7. Civil penalties imposed and collected by the division shall be credited to the general fund of the state. The moneys from the civil penalties shall be used by the division, subject to appropriation by the general assembly, for the purposes of providing educational programs, information and publications for alcoholic beverage licensees and permittees, local authorities, and law enforcement agencies regarding the laws and rules which govern the alcoholic beverages industry, and for promoting compliance with alcoholic beverage laws and rules.

123.22 State monopoly.

1. The division has the exclusive right of importation into the state of all forms of alcoholic liquor, except as otherwise provided in this chapter, and a person shall not import alcoholic liquor, except that an individual of legal age may import and have in the individual's possession an amount of alcoholic liquor not exceeding nine liters per calendar month that the individual personally obtained outside the state. Alcoholic liquor imported by an individual pursuant to this subsection shall be for personal consumption only in a private home or other private accommodation. A distillery shall not sell alcoholic liquor within the state to any person but only to the division, except as otherwise provided in this chapter. This section vests in the division exclusive control within the state as purchaser of all alcoholic liquor sold by distilleries within the state or imported, except beer and wine, and except as

otherwise provided in this chapter. The division shall receive alcoholic liquor on a bailment system for resale by the division in the manner set forth in this chapter. The division shall act as the sole wholesaler of alcoholic liquor to class “E” liquor control licensees.

2. a. A person, acting individually or through another acting for the person, shall not directly or indirectly, or upon any pretense or by any device, do any of the following:

(1) Manufacture, sell, exchange, barter, dispense, give in consideration of the purchase of any property or of any services or in evasion of this chapter, or keep for sale, or have possession of any alcoholic liquor, except as provided in this chapter.

(2) Own, keep, or be in any way concerned, engaged, or employed in owning or keeping, any alcoholic liquor with intent to violate any provision of this chapter, or authorize or permit the same to be done.

(3) Manufacture, own, sell, or have possession of any manufactured or compounded article, mixture or substance, not in a liquid form, and containing alcohol which may be converted into a beverage by a process of pressing or straining the alcohol therefrom, or any instrument intended for use and capable of being used in the manufacture of alcoholic liquor.

(4) Own or have possession of any material used exclusively in the manufacture of alcoholic liquor.

(5) Use or have possession of any material with intent to use it in the manufacture of alcoholic liquors.

b. However, alcohol may be manufactured for industrial and nonbeverage purposes by persons who have qualified for that purpose as provided by the laws of the United States and the laws of this state. Such alcohol, so manufactured, may be denatured, transported, used, possessed, sold, and bartered and dispensed, subject to the limitations, prohibitions and restrictions imposed by the laws of the United States and this state.

c. Any person may manufacture, sell, or transport ingredients and devices other than alcohol for the making of homemade wine or beer.

123.23 Distiller’s certificate of compliance — injunction — penalty.

1. Any manufacturer, distiller, or importer of alcoholic liquors shipping, selling, or having alcoholic liquors brought into this state for resale by the state shall, as a condition precedent to the privilege of so trafficking in alcoholic liquors in this state, annually make application for and hold a distiller’s certificate of compliance which shall be issued by the administrator for that purpose. No brand of alcoholic liquor shall be sold by the division in this state unless the manufacturer, distiller, importer, and all other persons participating in the distribution of that brand in this state have obtained a certificate. The certificate of compliance shall expire at the end of one year from the date of issuance and shall be renewed for a like period upon application to the administrator unless otherwise suspended or revoked for cause. Each completed application for a certificate of compliance or renewal shall be submitted electronically, or in a manner prescribed by the administrator, and shall be accompanied by a fee of fifty dollars payable to the division. However, this subsection need not apply to a manufacturer, distiller, or importer who ships or sells in this state no more than eleven gallons or its case equivalent during any fiscal year as a result of “special orders” which might be placed, as defined and allowed by divisional rules adopted under this chapter.

2. At the time of applying for a certificate of compliance, each applicant shall submit to the division electronically, or in a manner prescribed by the administrator, the name and address of its authorized agent for service of process which shall remain effective until changed for another, and a list of names and addresses of all representatives, employees, or attorneys whom the applicant has appointed in the state of Iowa to represent it for any purpose. The listing shall be amended by the certificate holder as necessary to keep the listing current with the division.

3. The administrator and the attorney general are authorized to require any certificate holder or person listed as the certificate holder's representative, employee, or attorney to disclose such financial and other records and transactions as may be considered relevant in discovering violations of this chapter or of rules and regulations of the division or of any other provision of law by any person.

4. Any violation of the requirements of this chapter or rules adopted pursuant to this chapter shall subject the holder of a distiller's certificate of compliance to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty, suspension of the certificate, or revocation of the certificate, after notice and opportunity for a hearing pursuant to section 123.39 and chapter 17A. However, willful failure to comply with requirements which may be imposed under subsection 3 is grounds for suspension or revocation of the certificate of compliance only.

5. This section shall not require the listing of those persons who are employed on premises where alcoholic liquors are manufactured, processed, bottled, or packaged in Iowa or persons who are thereafter engaged in the transporting of such alcoholic liquors to the division.

6. The attorney general may also proceed pursuant to the provisions of section 714.16 in order to gain compliance with subsection 3 of this section and may obtain an injunction prohibiting any further violations of this chapter or other provisions of law. Any violation of that injunction shall be punished as contempt of court pursuant to chapter 665 except that the maximum fine that may be imposed shall not exceed fifty thousand dollars.

123.24 Alcoholic liquor sales by the division — dishonored payments — liquor prices.

1. The division shall sell alcoholic liquor at wholesale only. The division shall sell alcoholic liquor to class "E" liquor control licensees only. The division shall offer the same price on alcoholic liquor to all class "E" liquor control licensees without regard for the quantity of purchase or the distance for delivery.

2. The price of alcoholic liquor sold by the division shall consist of the following:

a. The manufacturer's price.

b. A markup of up to fifty percent of the wholesale price paid by the division for the alcoholic liquor. The division may increase the markup on selected kinds of alcoholic liquor sold by the division if the average return to the division on all sales of alcoholic liquor does not exceed the wholesale price paid by the division and the fifty percent markup.

c. A split case charge in an amount determined by the division when alcoholic liquor is sold in quantities which require a case to be split.

d. A bottle surcharge in an amount sufficient, when added to the amount not refunded to class "E" liquor control licensees pursuant to section 455C.2, to pay the costs incurred by the division for collecting and properly disposing of the liquor containers. The amount collected pursuant to this paragraph, in addition to any amounts not refunded to class "E" liquor control licensees pursuant to section 455C.2, shall be deposited in the beer and liquor control fund established under section 123.17.

3. a. The division may accept from a class "E" liquor control licensee electronic funds transferred by automated clearing house, wire transfer, or another method deemed acceptable by the administrator, in payment of alcoholic liquor. If a payment is subsequently dishonored, the division shall cause a notice of nonpayment and penalty to be served upon the class "E" liquor control licensee or upon any person in charge of the licensed premises. The notice shall state that if payment or satisfaction for the dishonored payment is not made within ten days of the service of notice, the licensee's liquor control license may be suspended under section 123.39. The notice of nonpayment and penalty shall be in a form prescribed by the administrator, and shall be sent by certified mail.

b. If upon notice and hearing under section 123.39 and pursuant to the provisions of

chapter 17A concerning a contested case hearing, the administrator determines that the class “E” liquor control licensee failed to satisfy the obligation for which the payment was issued within ten days after the notice of nonpayment and penalty was served on the licensee as provided in paragraph “a” of this subsection, the administrator may suspend the licensee’s class “E” liquor control license for a period not to exceed ten days.

4. The administrator may refuse to sell alcoholic liquor to a class “E” liquor control licensee who tenders a payment which is subsequently dishonored until the outstanding obligation is satisfied.

123.26 Restrictions on sales — seals — labeling.

Alcoholic liquor shall not be sold by a class “E” liquor control licensee except in a sealed container with identifying markers as prescribed by the administrator and affixed in the manner prescribed by the administrator, and no such container shall be opened upon the premises of a state warehouse. The division shall cooperate with the department of natural resources so that only one identifying marker or mark is needed to satisfy the requirements of this section and section 455C.5, subsection 1. Possession of alcoholic liquors which do not carry the prescribed identifying markers is a violation of this chapter except as provided in section 123.22.

[C35, §1921-f24; C39, §1921.024; C46, 50, 54, 58, 62, 66, 71, §123.24; C73, 75, 77, 79, 81, §123.26]

123.27 Sales and deliveries prohibited.

It is unlawful to transact the sale or delivery of alcoholic liquor in, on, or from the premises of a state warehouse:

1. After the closing hour as established by the administrator.
2. On any legal holiday except those designated by the administrator.
3. During other periods or days as designated by the administrator.

123.28 Restrictions on transportation.

1. It is lawful to transport, carry, or convey alcoholic liquors from the place of purchase by the division to a state warehouse or depot established by the division or from one such place to another and, when so permitted by this chapter, it is lawful for the division, a common carrier, or other person to transport, carry, or convey alcoholic liquor sold from a state warehouse, depot, or point of purchase by the state to any place to which the liquor may be lawfully delivered under this chapter.

2. The division shall deliver alcoholic liquor purchased by class “E” liquor control licensees. Class “E” liquor control licensees may deliver alcoholic liquor purchased by class “A”, class “B”, class “C”, class “C” native distilled spirits, or class “D” liquor control licensees,

and class “A”, class “B”, class “C”, class “C” native distilled spirits, or class “D” liquor control licensees may transport alcoholic liquor purchased from class “E” liquor control licensees.

3. A common carrier or other person shall not break or open or allow to be broken or opened a container or package containing alcoholic liquor or use or drink or allow to be used or drunk any alcoholic liquor while it is being transported or conveyed.

4. This section does not prohibit a private person from transporting individual bottles or containers of alcoholic liquor exempted pursuant to section 123.22 and individual bottles or containers bearing the identifying mark prescribed in section 123.26 which have been opened previous to the commencement of the transportation.

5. This section does not affect the right of a liquor control license holder to purchase, possess, or transport alcoholic liquors subject to this chapter.

123.29 Patent and proprietary products and sacramental wine.

1. This chapter does not prohibit the sale of patent and proprietary medicines, tinctures, food products, extracts, toiletries, perfumes, and similar products, which are not susceptible of use as a beverage, but which contain alcoholic liquor, wine, or beer as one of their ingredients. These products may be sold through ordinary wholesale and retail businesses without a license or permit issued by the division.

2. This chapter does not prohibit a member of the clergy of any religious denomination which uses vinous liquor in its sacramental ceremonies from purchasing, receiving, possessing, and using vinous liquor for sacramental purposes.

123.30 Liquor control licenses — classes.

1. a. A liquor control license may be issued to any person who is of good moral character as defined by this chapter.

b. As a condition for issuance of a liquor control license or wine or beer permit, the applicant must give consent to members of the fire, police, and health departments and the building inspector of cities; the county sheriff or deputy sheriff; members of the department of public safety; representatives of the division and of the department of inspections and appeals; certified police officers; and any official county health officer to enter upon areas of the premises where alcoholic beverages are stored, served, or sold, without a warrant during business hours of the licensee or permittee to inspect for violations of this chapter or ordinances and regulations that cities and boards of supervisors may adopt. However, a subpoena issued under section 421.17 or a warrant is required for inspection of private records, a private business office, or attached living quarters. Persons who are not certified peace officers shall limit the scope of their inspections of licensed premises to the regulatory authority under which the inspection is conducted. All persons who enter upon a licensed premises to conduct an inspection shall present appropriate identification to the owner of the establishment or the person who appears to be in charge of the establishment prior to commencing an inspection; however, this provision does not apply to undercover criminal investigations conducted by peace officers.

c. As a further condition for the issuance of a class “E” liquor control license, the applicant shall post a bond in a sum of not less than five thousand nor more than fifteen thousand dollars as determined on a sliding scale established by the division; however, a bond shall not be required if all purchases of alcoholic liquor from the division by the licensee are made by means that ensure that the division will receive full payment in advance of delivery of the alcoholic liquor.

d. A class “E” liquor control license may be issued to a city council for premises located within the limits of the city if there are no class “E” liquor control licensees operating within the limits of the city and no other applications for a class “E” license for premises located within the limits of the city at the time the city council’s application is filed. If a class “E” liquor control license is subsequently issued to a private person for premises located within the limits of the city, the city council shall surrender its license to the division within one year of the date that the class “E” liquor control licensee begins operating, liquidate any remaining assets connected with the liquor store, and cease operating the liquor store.

2. A liquor control license shall not be issued for premises which do not constitute a safe and proper place or building and which do not conform to all applicable laws, ordinances, resolutions, and health and fire regulations. A licensee shall not have or maintain any interior access to residential or sleeping quarters unless permission is granted by the administrator in the form of a living quarters permit.

3. Liquor control licenses issued under this chapter shall be of the following classes:

a. *Class “A”.* A class “A” liquor control license may be issued to a club and shall authorize the holder to purchase alcoholic liquors in original unopened containers from class “E” liquor control licensees only, wine from class “A” wine permittees or class “B” wine permittees who also hold class “E” liquor control licenses only as provided in sections 123.173 and 123.177, and to sell alcoholic beverages to bona fide members and their guests by the individual drink for consumption on the premises only.

b. *Class “B”.* A class “B” liquor control license may be issued to a hotel or motel and shall authorize the holder to purchase alcoholic liquors in original unopened containers from class “E” liquor control licensees only, wine from class “A” wine permittees or class “B” wine permittees who also hold class “E” liquor control licenses only as provided in sections 123.173 and 123.177, and to sell alcoholic beverages to patrons by the individual drink for consumption on the premises only. However, beer may also be sold for consumption off the premises. Each license shall be effective throughout the premises described in the application.

c. *Class “C”.*

(1) A class “C” liquor control license may be issued to a commercial establishment but must be issued in the name of the individuals who actually own the entire business and shall authorize the holder to purchase alcoholic liquors in original unopened containers from class “E” liquor control licensees only, wine from class “A” wine permittees or class “B” wine permittees who also hold class “E” liquor control licenses only as provided in sections 123.173 and 123.177, and to sell alcoholic beverages to patrons by the individual drink for consumption on the premises only. However, alcoholic liquor, wine, and beer may also be sold for consumption off the premises. In addition, mixed drinks or cocktails may also be sold for consumption off the premises subject to the requirements of section 123.49, subsection 2, paragraph “d”. The holder of a class “C” liquor control license may also hold a special class “A” beer permit for the premises licensed under a class “C” liquor control license for the purpose of operating a brewpub pursuant to this chapter.

(2) A special class “C” liquor control license may be issued to a commercial establishment and shall authorize the holder to purchase wine from class “A” wine permittees or class “B” wine permittees who also hold class “E” liquor control licenses only as provided in sections 123.173 and 123.177, and to sell wine and beer to patrons by the individual drink for consumption on the premises only. However, beer may also be sold for consumption off the premises. The license issued to holders of a special class “C” liquor control license shall clearly state on its face that the license is limited.

(3) A class “C” native distilled spirits liquor control license may be issued to a native distillery but shall be issued in the name of the individuals who actually own the business and shall only be issued to a native distillery which, combining all production facilities of the business, produces and manufactures not more than one hundred thousand proof gallons of distilled spirits on an annual basis. The license shall authorize the holder to sell native distilled spirits manufactured on the premises of the native distillery to patrons by the individual drink for consumption on the premises and mixed drinks or cocktails for consumption off the premises subject to the requirements of section 123.49, subsection

2, paragraph “d”. All native distilled spirits sold by a native distillery for on-premises consumption and mixed drinks or cocktails sold for consumption off the premises shall be purchased from a class “E” liquor control licensee in original unopened containers.

d. Class “D”.

(1) A class “D” liquor control license may be issued to a railway corporation, to an air common carrier, and to passenger-carrying boats or ships for hire with a capacity of twenty-five persons or more operating in inland or boundary waters, and shall authorize the holder to sell or furnish alcoholic beverages to passengers for consumption only on trains, watercraft as described in this section, or aircraft, respectively. Each license is valid throughout the state. Only one license is required for all trains, watercraft, or aircraft operated in the state by the licensee. However, if a watercraft is an excursion gambling boat licensed under chapter 99F, the owner shall obtain a separate class “D” liquor control license for each excursion gambling boat operating in the waters of this state.

(2) A class “D” liquor control licensee who operates a train or a watercraft intrastate only, or an excursion gambling boat licensed under chapter 99F, shall purchase alcoholic liquor in original unopened containers from a class “E” liquor control licensee only, wine from a class “A” wine permittee or a class “B” wine permittee who also holds a class “E” liquor control license only as provided in sections 123.173 and 123.177, and beer from a class “A” beer permittee only.

e. Class “E”.

(1) A class “E” liquor control license may be issued and shall authorize the holder to purchase alcoholic liquor in original unopened containers from the division only and high alcoholic content beer from a class “A” beer permittee only and to sell the alcoholic liquor in original unopened containers and high alcoholic content beer at retail to patrons for consumption off the licensed premises and at wholesale to other liquor control licensees, provided the holder has filed with the division a basic permit issued by the alcohol and tobacco tax and trade bureau of the United States department of the treasury. A holder of a class “E” liquor control license may hold other retail liquor control licenses or retail wine or beer permits, but the premises licensed under a class “E” liquor control license shall be separate from other licensed premises, though the separate premises may have a common entrance. However, the holder of a class “E” liquor control license may also hold a class “B” wine or class “C” beer permit or both for the premises licensed under a class “E” liquor control license.

(2) The division may issue a class “E” liquor control license for premises covered by a liquor control license or wine or beer permit for on-premises consumption under any of the following circumstances:

(a) If the premises are in a county having a population under nine thousand five hundred in which no other class “E” liquor control license has been issued by the division, and no other application for a class “E” liquor control license has been made within the previous twelve consecutive months.

(b) If, notwithstanding any provision of this chapter to the contrary, the premises covered by a liquor control license is a grocery store that is at least five thousand square feet.

4. Notwithstanding any provision of this chapter to the contrary, a person holding a liquor control license to sell alcoholic beverages for consumption on the licensed premises may permit a customer to remove one unsealed bottle of wine for consumption off the premises if the customer has purchased and consumed a portion of the bottle of wine on the licensed premises. The licensee or the licensee’s agent shall securely reseal such bottle in a bag designed so that it is visibly apparent that the resealed bottle of wine has not been tampered with and provide a dated receipt for the resealed bottle of wine to the customer. A wine bottle resealed pursuant to the requirements of this subsection is subject to the requirements of sections 321.284 and 321.284A. A person holding a liquor control license to sell alcoholic beverages for consumption on the licensed premises may permit a customer to carry an open container of wine from the person’s licensed premises into another immediately adjacent

licensed premises that is covered by a license or permit that authorizes the consumption of wine, a temporarily closed public right-of-way, or a private place.

123.31 Liquor control licenses — application contents.

Verified applications for the original issuance or the renewal of liquor control licenses shall be submitted electronically, or in a manner prescribed by the administrator, and shall set forth under oath the following information:

1. The name and address of the applicant.
2. The precise location of the premises for which a license is sought.
3. The names and addresses of all persons or, in the case of a corporation, limited liability company, or any other similar legal entity, the officers, directors, and persons owning or controlling ten percent or more of the capital stock thereof, having a financial interest, by way of loan, ownership, or otherwise, in the business.
4. When required by the administrator, a sketch or drawing of the premises proposed to be licensed, in such form and containing such information as the administrator may require.
5. A statement whether any person specified in subsection 3 has ever been convicted of any offense against the laws of the United States, or any state or territory thereof, or any political subdivision of any such state or territory.
6. Such other information as the administrator shall require.

123.32 Action by local authorities and division on applications for liquor control licenses, native distilled spirits licenses, and wine and beer permits.

1. Filing of application.

a. A completed application for a class “A”, class “B”, class “C”, special class “C”, class “C” native distilled spirits, or class “E” liquor control license as provided in section 123.31, for a retail beer permit as provided in sections 123.128 and 123.129, or for a class “B”, class “B” native, or class “C” native retail wine permit as provided in section 123.175, shall be filed with the appropriate city council if the premises for which the license or permit is sought are located within the corporate limits of a city, or with the board of supervisors if the premises for which the license or permit is sought are located outside the corporate limits of a city.

b. A completed application for a class “D” liquor control license and for any of the following certificates, licenses, or permits shall be submitted to the division electronically, or in a manner prescribed by the administrator, which shall proceed in the same manner as in the case of an application approved by local authorities:

- (1) A certificate of compliance as provided in sections 123.23, 123.135, and 123.180.
- (2) A class “D” liquor control license as provided in section 123.31.
- (3) A manufacturer’s license as provided in section 123.41.
- (4) A broker’s permit as provided in section 123.42.
- (5) A class “A” native distilled spirits license as provided in section 123.43.
- (6) A class “A” or special class “A” beer permit as provided in section 123.127.
- (7) A charity beer, spirits, and wine auction permit as provided in section 123.173A.
- (8) A charity beer, spirits, and wine event permit as provided in section 123.173B.

(9) A class “A” wine permit as provided in section 123.175.

(10) A wine direct shipper’s permit as provided in section 123.187.

(11) A wine carrier permit as provided in section 123.188.

2. *Action by local authorities.* The local authority shall either approve or disapprove the issuance of a liquor control license, a retail wine permit, or a retail beer permit, shall endorse its approval or disapproval on the application, and shall forward the application with the necessary fee and bond, if required, to the division. There is no limit upon the number of liquor control licenses, retail wine permits, or retail beer permits which may be approved for issuance by local authorities.

3. *Licensed premises for local events.* A local authority may define, by motion of the local authority, licensed premises which shall be used by holders of liquor control licenses, beer permits, and wine permits at festivals, fairs, or celebrations which are sponsored or authorized by the local authority. The licensed premises defined by motion of the local authority shall be used by the holders of five-day or fourteen-day class “A”, class “B”, class “C”, special class “C”, or class “D” liquor control licenses, or five-day or fourteen-day class “B” or class “C” native wine permits, or class “B” beer permits only.

4. *Security employee training.* A local authority, as a condition of obtaining and holding a license or permit for on-premises consumption, may require a designated security employee as defined in section 123.3 to be trained and certified in security methods. The training shall include but is not limited to de-escalation techniques, anger management techniques, civil rights or unfair practices awareness as provided in section 216.7, recognition of fake or altered identification, information on laws applicable to the serving of alcohol at a licensed premises, use of force and techniques for safely removing patrons, and instruction on the proper physical restraint methods used against a person who has become combative.

5. *Occupancy rates.* A local authority located in a county with a population that exceeds three hundred thousand persons, as a condition of obtaining and holding a license or permit for on-premises consumption, shall require the applicant, licensee, or permittee to provide, and update if necessary, the occupancy rate of the licensed premises.

6. *Action by administrator.*

a. Upon receipt of an application having been disapproved by the local authority, the administrator shall notify the applicant that the applicant may appeal the disapproval of the application to the administrator. The applicant shall be notified by certified mail or personal service, and the application, the fee, and any bond shall be returned to the applicant.

b. Upon receipt of an application having been approved by the local authority, the division shall make an investigation as the administrator deems necessary to determine that the applicant complies with all requirements for holding a license or permit, and may require the applicant to appear to be examined under oath to demonstrate that the applicant complies with all of the requirements to hold a license or permit. If the administrator requires the applicant to appear and to testify under oath, a record shall be made of all testimony or evidence and the record shall become a part of the application. The administrator may appoint a member of the division or may request an administrative law judge of the department of inspections and appeals to receive the testimony under oath and evidence, and to issue a proposed decision to approve or disapprove the application for a license or permit. The administrator may affirm, reverse, or modify the proposed decision to approve or disapprove the application for the license or permit. If the application is approved by the administrator, the license or permit shall be issued. If the application is disapproved by the administrator, the applicant shall be so notified by certified mail or personal service and the appropriate local authority shall be notified electronically, or in a manner prescribed by the administrator.

7. *Appeal to administrator.* An applicant for a liquor control license, wine permit, or beer permit may appeal from the local authority’s disapproval of an application for a license or permit to the administrator. In the appeal the applicant shall be allowed the opportunity to demonstrate in an evidentiary hearing conducted pursuant to chapter 17A that the applicant complies with all of the requirements for holding the license or permit. The administrator may appoint a member of the division or may request an administrative law judge from the department of inspections and appeals to conduct the evidentiary hearing

and to render a proposed decision to approve or disapprove the issuance of the license or permit. The administrator may affirm, reverse, or modify the proposed decision. If the administrator determines that the applicant complies with all of the requirements for holding a license or permit, the administrator shall order the issuance of the license or permit. If the administrator determines that the applicant does not comply with the requirements for holding a license or permit, the administrator shall disapprove the issuance of the license or permit.

8. *Judicial review.* The applicant or the local authority may seek judicial review of the action of the administrator in accordance with the terms of the Iowa administrative procedure Act, chapter 17A. Notwithstanding the terms of the Iowa administrative procedure Act, chapter 17A, petitions for judicial review may be filed in the district court of the county where the premises covered by the application are situated.

9. *Suspension by local authority.* A liquor control licensee or a wine or beer permittee whose license or permit has been suspended or revoked or a civil penalty imposed by a local authority for a violation of this chapter or suspended by a local authority for violation of a local ordinance may appeal the suspension, revocation, or civil penalty to the administrator. The administrator may appoint a member of the division or may request an administrative law judge from the department of inspections and appeals to hear the appeal which shall be conducted in accordance with chapter 17A and to issue a proposed decision. The administrator may review the proposed decision upon the motion of a party to the appeal or upon the administrator's own motion in accordance with chapter 17A. Upon review of the proposed decision, the administrator may affirm, reverse, or modify the proposed decision. A liquor control licensee, wine or beer permittee, or a local authority aggrieved by a decision of the administrator may seek judicial review of the decision pursuant to chapter 17A.

123.34 Expiration of licenses, permits, and certificates of compliance — seasonal, fourteen-day, and five-day licenses and permits — fees.

1. All licenses, permits, and certificates of compliance, unless sooner suspended or revoked, expire one year from date of issuance. The administrator shall notify a license, permit, or certificate holder electronically, or in a manner prescribed by the administrator, sixty days prior to the expiration of each license, permit, or certificate.

2. a. The administrator may issue six-month or eight-month seasonal class “A”, class “B”, class “C”, special class “C”, and class “D” liquor control licenses, class “B” wine permits, class “B” or class “C” native wine permits, or class “B” beer permits.

b. The fee for a six-month or eight-month seasonal license or permit issued pursuant to

this subsection shall be for a proportionate part of the license or permit fee for that class of license or permit. However, the fee for a seasonal class “B” native wine permit shall be the permit fee provided in section 123.179, subsection 4, and the fee for a seasonal class “C” native wine permit shall be the permit fee provided in section 123.179, subsection 5.

3. a. The administrator may issue fourteen-day class “A”, class “B”, class “C”, special class “C”, and class “D” liquor control licenses, and fourteen-day class “B” beer permits, class “B” native wine permits, and class “C” native wine permits.

b. A fourteen-day license or permit, if granted, is valid for fourteen consecutive days, but the holder shall not sell on the two Sundays in the fourteen-day period unless the holder qualifies for and obtains the privilege to sell on Sundays contained in section 123.36, subsection 6, and section 123.134, subsection 4.

c. (1) The fee for a fourteen-day liquor control license or beer permit is one quarter of the annual fee for that class of liquor control license or beer permit. The fee for the privilege to sell on the two Sundays in the fourteen-day period is twenty percent of the price of the fourteen-day liquor control license or beer permit.

(2) The fee for a fourteen-day class “B” native wine permit shall be the permit fee provided in section 123.179, subsection 4, and the fee for a fourteen-day class “C” native wine permit is the permit fee provided in section 123.179, subsection 5.

4. a. The administrator may issue five-day class “A”, class “B”, class “C”, special class “C”, and class “D” liquor control licenses, and five-day class “B” beer permits, class “B” native wine permits, and class “C” native wine permits.

b. A five-day license or permit is valid for five consecutive days, but the holder shall not sell alcoholic beverages on Sunday in the five-day period unless the holder qualifies for and obtains the privilege to sell on Sunday pursuant to section 123.36, subsection 6, and section 123.134, subsection 4.

c. (1) The fee for the five-day liquor control license or beer permit is one-eighth of the annual fee for that class of license or permit. The fee for the privilege to sell on a Sunday in the five-day period is ten percent of the price of the five-day liquor control license or beer permit.

(2) The fee for a five-day class “B” native wine permit shall be the permit fee provided in section 123.179, subsection 4, and the fee for a five-day class “C” native wine permit is the permit fee provided in section 123.179, subsection 5.

5. A refund of fees paid shall not be made for seasonal licenses or permits, or for fourteen-day or five-day liquor control licenses, native wine permits, or beer permits. In addition, a seasonal, fourteen-day, or five-day license or permit shall not be renewed.

123.36 Liquor control license fees — Sunday sales.

The following fees shall be paid to the division annually for liquor control licenses issued under section 123.30:

1. Class “A” liquor control licenses, the sum of six hundred dollars, except that for class “A” licenses in cities of less than two thousand population, and for clubs of less than two hundred fifty members, the license fee shall be four hundred dollars; however, the fee shall be two hundred dollars for any club which is a post, branch, or chapter of a veterans organization chartered by the Congress of the United States, if the club does not sell or permit the consumption of alcoholic beverages on the premises more than one day in any week or more than a total of fifty-two days in a year, and if the application for a license states that the club does not and will not sell or permit the consumption of alcoholic beverages on the premises more than one day in any week or more than a total of fifty-two days in a year.

2. Class “B” liquor control licenses, the sum as follows:

a. Hotels or motels located within the corporate limits of cities of ten thousand population and over, one thousand three hundred dollars.

b. Hotels and motels located within the corporate limits of cities of over three thousand and less than ten thousand population, one thousand fifty dollars.

c. Hotels and motels located within the corporate limits of cities of three thousand population and less, eight hundred dollars.

d. Hotels and motels located outside the corporate limits of any city, a sum equal to that charged in the incorporated city located nearest the premises to be licensed, and in case there is doubt as to which of two or more differing corporate limits is the nearest, the license fee which is the largest shall prevail. However, if a hotel or motel is located in an unincorporated town, for purposes of this subsection the unincorporated town shall be treated as if it is a city.

3. Class "C" liquor control licenses, the sum as follows:

a. Commercial establishments located within the corporate limits of cities of ten thousand population and over, one thousand three hundred dollars.

b. Commercial establishments located within the corporate limits of cities of over fifteen hundred and less than ten thousand population, nine hundred fifty dollars.

c. Commercial establishments located within the corporate limits of cities of fifteen hundred population or less, six hundred dollars.

d. Commercial establishments located outside the corporate limits of any city, a sum equal to that charged in the incorporated city located nearest the premises to be licensed, and in case there is doubt as to which of two or more differing corporate limits is the nearest, the license fee which is the largest shall prevail. However, if a commercial establishment is located in an unincorporated town, for purposes of this subsection the unincorporated town shall be treated as if it is a city.

4. Class "C" native distilled spirits liquor control license, the sum of two hundred fifty dollars.

5. Class "D" liquor control licenses, the following sums:

a. For watercraft, one hundred fifty dollars.

b. For trains, five hundred dollars.

c. For air common carriers, each company shall pay an annual fee of five hundred dollars.

6. Any club, hotel, motel, native distillery, passenger-carrying boat or ship, railway corporation, air common carrier, or commercial establishment holding a liquor control license, subject to section 123.49, subsection 2, paragraph "b", may apply for and receive permission to sell and dispense alcoholic beverages as authorized by section 123.30 to patrons between the hours of 8:00 a.m. on Sunday and 2:00 a.m. on the following Monday. For the privilege of selling beer, wine, and alcoholic liquor on the premises on Sunday the liquor control license fee of the applicant shall be increased by twenty percent of the regular fee prescribed for the license pursuant to this section, and the privilege shall be noted on the liquor control license.

7. Special class "C" liquor control licenses, a sum as follows:

a. Commercial establishments located within the corporate limits of cities of ten thousand population and over, four hundred fifty dollars.

b. Commercial establishments located within the corporate limits of cities of over fifteen hundred and less than ten thousand population, three hundred dollars.

c. Commercial establishments located within the corporate limits of cities of fifteen hundred population or less, one hundred fifty dollars.

d. Commercial establishments located outside the corporate limits of any city, a sum equal to that charged in the incorporated city located nearest the premises to be licensed, and in case there is doubt as to which of two or more differing corporate limits is the nearest, the license fee which is the largest shall prevail. However, if a commercial establishment is located in an unincorporated town, for purposes of this subsection the unincorporated town shall be treated as if it is a city.

8. The division shall credit all fees to the beer and liquor control fund. The division shall remit to the appropriate local authority, a sum equal to sixty-five percent of the fees collected for each class "A", class "B", or class "C" license except special class "C" licenses or class "E" licenses, covering premises located within the local authority's jurisdiction. The division

shall remit to the appropriate local authority a sum equal to seventy-five percent of the fees collected for each special class “C” license covering premises located within the local authority’s jurisdiction. Those fees collected for the privilege authorized under subsection 6 and those fees collected for each class “E” liquor control license shall be credited to the beer and liquor control fund.

9. a. Class “E” liquor control license, a sum determined as follows:

(1) For licensed premises at which gasoline is not sold, a sum of not less than seven hundred fifty dollars, and not more than seven thousand five hundred dollars as determined on a sliding scale as established by the division taking into account the factors of square footage of the licensed premises, the location of the licensed premises, and the population of the area of the location of the licensed premises.

(2) For licensed premises at which gasoline is sold, a sum equal to the following:

(a) For premises located within the corporate limits of a city with a population of less than one thousand five hundred, three thousand five hundred dollars.

(b) For premises located within the corporate limits of a city with a population of at least one thousand five hundred but less than ten thousand, five thousand dollars.

(c) For premises located within the corporate limits of a city with a population of ten thousand population or more, the greater of five thousand dollars or the amount that would be established pursuant to subparagraph (1) if gasoline were not sold at the premises.

(d) For premises located outside the corporate limits of any city, a sum equal to that charged in the incorporated city located nearest the premises to be licensed. If there is doubt as to which of two or more differing corporate limits is the nearest, the license fee which is the largest shall prevail. However, if the premises is located in an unincorporated town, for purposes of this subparagraph, the unincorporated town shall be treated as if it is a city.

b. Notwithstanding subsection 6, the holder of a class “E” liquor control license may sell alcoholic liquor for consumption off the licensed premises on Sunday subject to section 123.49, subsection 2, paragraph “b”.

10. There is imposed a surcharge on the fee for each class “A”, class “B”, class “C”, class “C” native distilled spirits, or special class “C” liquor control license equal to thirty percent of the scheduled license fee. The surcharges collected under this subsection shall be deposited in the beer and liquor control fund, and notwithstanding subsection 8, no portion of the surcharges collected under this subsection shall be remitted to the local authority.

Subsection 5, paragraph c amended

123.37 Exclusive power to license and levy taxes — disputed taxes.

1. The power to establish licenses and permits and levy taxes as imposed in this chapter is vested exclusively with the state. Unless specifically provided, a local authority shall not require the obtaining of a special license or permit for the sale of alcoholic beverages at any establishment, or require the obtaining of a license by any person as a condition precedent to the person’s employment in the sale, serving, or handling of alcoholic beverages within an establishment operating under a license or permit.

2. The administrator may compromise and settle doubtful and disputed claims for taxes imposed under this chapter or for taxes of doubtful collectibility, notwithstanding section 7D.9. The administrator may enter into informal settlements pursuant to section 17A.10 to compromise and settle doubtful and disputed claims for taxes imposed under this chapter. The administrator may make a claim under a licensee’s or permittee’s penal bond for taxes of doubtful collectibility. Whenever a compromise or settlement is made, the administrator shall make a complete record of the case showing the tax assessed, reports and audits, if any,

the licensee's or permittee's grounds for dispute or contest, together with all evidence of the dispute or contest, and the amounts, conditions, and settlement or compromise of the dispute or contest.

3. A licensee or permittee who disputes the amount of tax imposed must pay all tax and penalty pertaining to the disputed tax liability prior to appealing the disputed tax liability to the administrator.

4. The administrator shall adopt rules establishing procedures for payment of disputed taxes imposed under this chapter. If it is determined that the tax is not due in whole or in part, the division shall promptly refund the part of the tax payment which is determined not to be due.

123.38 Nature of permit or license — surrender — transfer.

1. A liquor control license, wine permit, or beer permit is a personal privilege and is revocable for cause. It is not property nor is it subject to attachment and execution nor alienable nor assignable, and it shall cease upon the death of the permittee or licensee. However, the administrator of the division may in the administrator's discretion allow the executor or administrator of the estate of a permittee or licensee to operate the business of the decedent for a reasonable time not to exceed the expiration date of the permit or license. Every permit or license shall be issued in the name of the applicant and no person holding a permit or license shall allow any other person to use it.

2. *a.* Any licensee or permittee, or the executor or administrator of the estate of a licensee or permittee, or any person duly appointed by the court to take charge of and administer the property or assets of the licensee or permittee for the benefit of the licensee's or permittee's creditors, may voluntarily surrender a license or permit to the division. When a license or permit is surrendered the division shall notify the local authority, and the division or the local authority shall refund to the person surrendering the license or permit, a proportionate amount of the fee received by the division or the local authority for the license or permit as follows:

(1) If a license or permit is surrendered during the first three months of the period for which it was issued, the refund shall be three-fourths of the amount of the fee.

(2) If surrendered more than three months but not more than six months after issuance, the refund shall be one-half of the amount of the fee.

(3) If surrendered more than six months but not more than nine months after issuance, the refund shall be one-fourth of the amount of the fee.

(4) No refund shall be made for any liquor control license, wine permit, or beer permit surrendered more than nine months after issuance.

b. For purposes of this subsection, any portion of license or permit fees used for the purposes authorized in section 331.424, subsection 1, paragraph "a", subparagraphs (1) and (2), and in section 331.424A, shall not be deemed received either by the division or by a local authority.

c. No refund shall be made to any licensee or permittee upon the surrender of the license or permit if there is at the time of surrender a complaint filed with the division or local authority charging the licensee or permittee with a violation of this chapter.

d. If upon a hearing on a complaint the license or permit is not revoked or suspended, then the licensee or permittee is eligible, upon surrender of the license or permit, to receive a refund as provided in this section. However, if the license or permit is revoked or suspended upon hearing, the licensee or permittee is not eligible for the refund of any portion of the license or permit fee.

3. The local authority may in its discretion authorize a licensee or permittee to transfer the license or permit from one location to another within the same incorporated city, or within a county outside the corporate limits of a city, provided that the premises to which the transfer is to be made would have been eligible for a license or permit in the first instance and such transfer will not result in the violation of any law. All transfers authorized, and the particulars

of same, shall be reported to the administrator by the local authority. The administrator may by rule establish a uniform transfer fee to be assessed by all local authorities upon licensees or permittees to cover the administrative costs of such transfers, such fee to be retained by the local authority involved.

123.38A Confidential investigative records.

In order to assure a free flow of information for accomplishing the purposes of section 123.4 and section 123.9, subsection 6, all complaint information, investigation files, audit files, and inspection files, other investigation reports, and other investigative information in the possession of the division or employees acting under the authority of the administrator are privileged and confidential, and are not subject to discovery, subpoena, or other means of legal compulsion for their release before administrative or criminal charges are filed. However, investigative information in the possession of division employees may be disclosed to the licensing authorities of a city or county within this state, in another state, the District of Columbia, or territory or county in which the licensee or permittee is licensed or permitted or has applied for a license or permit. In addition, the investigative information can be shared with any law enforcement agency or other state agency that also has investigative, regulatory, or enforcement jurisdiction authorized by law. Records received by the division from other agencies which would be confidential if created by the division are considered confidential.

2019 Acts, ch 113, §20

123.39 Suspension or revocation of license or permit — civil penalty.

1. a. (1) The administrator or the local authority may suspend a class “A”, class “B”, class “C”, special class “C”, class “C” native distilled spirits, or class “E” liquor control license or retail wine or beer permit for a period not to exceed one year, revoke the license or permit, or impose a civil penalty not to exceed one thousand dollars per violation.

(2) The administrator may suspend a certificate of compliance, a class “D” liquor control license, a manufacturer’s license, a broker’s permit, a class “A” native distilled spirits license, a class “A” or special class “A” beer permit, a charity beer, spirits, and wine auction permit, a class “A” wine permit, a wine direct shipper’s permit, or a wine carrier permit for a period not to exceed one year, revoke the license, permit, or certificate, or impose a civil penalty not to exceed one thousand dollars per violation.

b. A license, permit, or certificate of compliance issued under this chapter may be suspended or revoked, or a civil penalty may be imposed for any of the following causes:

(1) Misrepresentation of any material fact in the application for the license, permit, or certificate.

(2) Violation of any of the provisions of this chapter.

(3) Any change in the ownership or interest in the business operated under a liquor control license, or any wine or beer permit, which change was not previously reported in a manner prescribed by the administrator within thirty days of the change and subsequently approved by the local authority, when applicable, and the division.

(4) An event which would have resulted in disqualification from receiving the license, permit, or certificate when originally issued.

(5) Any sale, hypothecation, or transfer of the license, permit, or certificate.

(6) The failure or refusal on the part of any license, permit, or certificate holder to render any report or remit any taxes to the division under this chapter when due.

c. A criminal conviction is not a prerequisite to suspension, revocation, or imposition of a civil penalty pursuant to this section.

d. A local authority which acts pursuant to this section, section 123.32, or section 123.50 shall notify the division in writing of the action taken, and shall notify the license or permit

holder of the right to appeal a suspension, revocation, or imposition of a civil penalty to the division.

e. Before suspension, revocation, or imposition of a civil penalty by the administrator, the license, permit, or certificate holder shall be given written notice and an opportunity for a hearing. The administrator may appoint a member of the division or may request an administrative law judge from the department of inspections and appeals to conduct the hearing and issue a proposed decision. Upon the motion of a party to the hearing or upon the administrator's own motion, the administrator may review the proposed decision in accordance with chapter 17A. Upon review of the proposed decision, the administrator may affirm, reverse, or modify the proposed decision. A license, permit, or certificate holder aggrieved by a decision of the administrator may seek judicial review of the administrator's decision in accordance with chapter 17A.

f. Civil penalties imposed and collected by the local authority under this section shall be retained by the local authority. Civil penalties imposed and collected by the division under this section shall be credited to the general fund of the state pursuant to section 123.17, subsection 7.

2. Local authorities may suspend any liquor control license or retail wine or beer permit for a violation of any ordinance or regulation adopted by the local authority. Local authorities may adopt ordinances or regulations for the location of the premises of liquor control licensed and retail wine or beer permitted establishments and local authorities may adopt ordinances, not in conflict with this chapter and that do not diminish the hours during which alcoholic beverages may be sold or consumed at retail, governing any other activities or matters which may affect the retail sale and consumption of alcoholic beverages and the health, welfare and morals of the community involved.

3. When a liquor control license or retail wine or beer permit is suspended after a hearing as a result of violations of this chapter by the licensee, permittee or the licensee's or permittee's agents or employees, the premises which were licensed by the license or permit shall not be relicensed for a new applicant until the suspension has terminated or time of suspension has elapsed, or ninety days have elapsed since the commencement of the suspension, whichever occurs first. However, this section does not prohibit the premises from being relicensed to a new applicant before the suspension has terminated or before the time of suspension has elapsed or before ninety days have elapsed from the commencement of the suspension, if the premises prior to the time of the suspension had been purchased under contract, and the vendor under that contract had exercised the person's rights under chapter 656 and sold the property to a different person who is not related to the previous licensee or permittee by marriage or within the third degree of consanguinity or affinity and if the previous licensee or permittee does not have a financial interest in the business of the new applicant.

4. If the cause for suspension is a first offense violation of section 123.49, subsection 2, paragraph "h", the administrator or local authority shall impose a civil penalty in the amount of five hundred dollars in lieu of suspension of the license or permit.

123.40 Effect of revocation.

Any liquor control licensee, wine permittee, or beer permittee whose license or permit is revoked under this chapter shall not thereafter be permitted to hold a liquor control license, wine permit, or beer permit in the state of Iowa for a period of two years from the date of revocation. A spouse or business associate holding ten percent or more of the capital stock or ownership interest in the business of a person whose license or permit has been revoked shall not be issued a liquor control license, wine permit, or beer permit, and no liquor control license, wine permit, or beer permit shall be issued which covers any business in which such

person has a financial interest for a period of two years from the date of revocation. If a license or permit is revoked, the premises which had been covered by the license or permit shall not be relicensed for one year.

123.41 Manufacturer's license — alcoholic liquor.

1. Each completed application to obtain or renew a manufacturer's license shall be submitted to the division electronically, or in a manner prescribed by the administrator, and shall be accompanied by a fee of three hundred fifty dollars payable to the division. The administrator may in accordance with this chapter grant and issue to a manufacturer a manufacturer's license, valid for a one-year period after date of issuance, which shall allow the manufacture, storage, and wholesale disposition and sale of alcoholic liquors to the division and to customers outside of the state.

2. As a condition precedent to the approval and granting of a manufacturer's license, an applicant shall file with the division a basic permit issued by the alcohol and tobacco tax and trade bureau of the United States department of the treasury, and a statement under oath that the applicant will faithfully observe and comply with all laws, rules, and regulations governing the manufacture and sale of alcoholic liquor.

3. A person who holds an experimental distilled spirits plant permit or its equivalent issued by the alcohol and tobacco tax and trade bureau of the United States department of the treasury may produce alcohol for use as fuel without obtaining a manufacturer's license from the division.

4. A person who holds a manufacturer's license shall file with the division, on or before the fifteenth day of each calendar month, all documents filed by the manufacturer with the alcohol and tobacco tax and trade bureau of the United States department of the treasury, including all production, storage, and processing reports.

5. Any violation of the requirements of this chapter or rules adopted pursuant to this chapter shall subject the license holder to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty, suspension of the license, or revocation of the license after notice and opportunity for a hearing pursuant to section 123.39 and chapter 17A.

123.42 Broker's permit.

1. Prior to representing or promoting alcoholic liquor products in the state, the broker shall submit a completed application to the division electronically, or in a manner prescribed by the administrator, for a broker's permit. The administrator may in accordance with this chapter issue a broker's permit which shall be valid for one year from the date of issuance unless it is sooner suspended or revoked for a violation of this chapter.

2. At the time of applying for a broker's permit, each applicant shall submit to the division a list of names and addresses of all manufacturers, distillers, and importers whom the applicant has been appointed to represent in the state of Iowa for any purpose. The listing shall be amended by the broker as necessary to keep the listing current with the division.

3. A broker's permit is valid throughout the state, and a broker who represents more than one certificate or license holder is required to obtain only one broker's permit.

4. The annual fee for a broker's permit is twenty-five dollars.

5. An employee of a broker is not required to apply for or hold a broker's permit.

6. The holder of a distiller's certificate of compliance, a manufacturer's license, or a class

“A” native distilled spirits license is not required to appoint a broker to represent its alcoholic liquor products in the state.

7. Any violation of the requirements of this chapter or the rules adopted pursuant to this chapter shall subject the permit holder to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty, suspension of the permit, or revocation of the permit after notice and opportunity for a hearing pursuant to section 123.39 and chapter 17A.

123.43 Class “A” native distilled spirits license — application and issuance — fees.

1. A person applying for a class “A” native distilled spirits license shall submit an application electronically, or in a manner prescribed by the administrator, which shall set forth under oath the following:

- a. The name and place of residence of the applicant.
- b. The names and addresses of all persons or, in the case of a corporation, limited liability company, or any other similar legal entity, the officers, directors, and persons owning or controlling ten percent or more of the capital stock thereof, having a financial interest, by way of loan, ownership, or otherwise, in the business.
- c. The location of the premises where the applicant intends to operate.
- d. The name of the owner of the premises and if the owner of the premises is not the applicant, whether the applicant is the actual lessee of the premises.
- e. When required by the administrator, and in such form and containing such information as the administrator may require, a description of the premises where the applicant intends to use the license, to include a sketch or drawing of the premises and, if applicable, the number of square feet of interior floor space which comprises the retail sales area of the premises.
- f. Whether any person specified in paragraph “b” has ever been convicted of any offense against the laws of the United States, or any state or territory thereof, or any political subdivision of any such state or territory.
- g. Any other information as required by the administrator.

2. Except as otherwise provided in this chapter, the administrator shall issue a class “A” native distilled spirits license to any applicant who establishes all of the following:

- a. That the applicant has submitted a completed application as required by subsection 1.
- b. That the applicant is a person of good moral character as provided in section 123.3, subsection 40.
- c. That the applicant is a citizen of the state of Iowa or, if a corporation, that the applicant is authorized to do business in the state.
- d. That the applicant has filed with the division a basic permit issued by the alcohol and tobacco tax and trade bureau of the United States department of the treasury, and that the applicant will faithfully observe and comply with all laws, rules, and regulations governing the manufacture and sale of alcoholic liquor.
- e. That the premises where the applicant intends to use the license conforms to all applicable laws, health regulations, and fire regulations, and constitutes a safe and proper place or building.
- f. That the applicant gives consent to a person, pursuant to section 123.30, subsection 1, to enter upon the premises without a warrant during the business hours of the applicant to inspect for violations of the provisions of this chapter or ordinances and regulations that local authorities may adopt.

3. A class “A” native distilled spirits license for a native distillery shall be issued and renewed annually upon payment of a fee of five hundred dollars.

4. A violation of the requirements of this chapter shall subject the licensee to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty

or suspension or revocation of the license after notice and opportunity for a hearing pursuant to section 123.39 and chapter 17A.

123.43A Native distilleries.

1. Subject to rules of the division, a native distillery holding a class “A” native distilled spirits license issued pursuant to section 123.43 may sell or offer for sale native distilled spirits. As provided in this section, sales of native distilled spirits manufactured on the premises may be made at retail for off-premises consumption when sold on the premises of the native distillery that manufactures native distilled spirits. All sales intended for resale in this state shall be made through the state’s wholesale distribution system.

2. A native distillery shall not sell more than one and one-half liters per person per day, of native distilled spirits on the premises of the native distillery. However, a native distillery which, combining all production facilities of the business, produces and manufactures not more than one hundred thousand proof gallons of native distilled spirits on an annual basis, may sell not more than nine liters per person per day, of native distilled spirits. In addition, a native distillery shall not directly ship native distilled spirits for sale at retail. The native distillery shall maintain records of individual purchases of native distilled spirits at the native distillery for three years.

3. A native distillery shall not sell native distilled spirits other than as permitted in this chapter and shall not allow native distilled spirits sold for consumption off the premises to be consumed upon the premises of the native distillery. However, native distilled spirits may be tasted pursuant to the rules of the division on the premises where fermented, distilled, or matured, when no charge is made for the tasting.

4. The sale of native distilled spirits to the division for wholesale disposition and sale by the division shall be subject to the requirements of this chapter regarding such disposition and sale.

5. A native distillery issued a class “A” native distilled spirits license shall file with the division, on or before the fifteenth day of each calendar month, all documents filed by the native distillery with the alcohol and tobacco tax and trade bureau of the United States department of the treasury, including all production, storage, and processing reports.

6. Notwithstanding any provision of this chapter to the contrary or the fact that a person is the holder of a class “A” native distilled spirits license, a native distillery which, combining all production facilities of the business, produces and manufactures not more than one hundred thousand proof gallons of native distilled spirits on an annual basis may sell those native distilled spirits manufactured on the premises of the native distillery for consumption on the premises by applying for a class “C” native distilled spirits liquor control license as provided in section 123.30. A native distillery may be granted not more than one class “C” native distilled spirits liquor control license. All native distilled spirits sold by a native distillery for on-premises consumption and mixed drinks or cocktails sold for consumption off the premises shall be purchased from a class “E” liquor control licensee. A manufacturer of native distilled spirits may be issued a class “C” native distilled spirits liquor control license regardless of whether the manufacturer is also a manufacturer of beer pursuant to a class “A” beer permit or a manufacturer of native wine pursuant to a class “A” wine permit.

7. A native distillery may sell the native distilled spirits it manufactures to customers outside the state.

123.45 Limitations on business interests.

1. Subject to such exceptions as otherwise authorized under this chapter, a person engaged in the business of manufacturing, bottling, or wholesaling alcoholic beverages, excluding an institutional investor, or any broker, employee, or agent of such a person, shall not do any of the following:

a. Directly or indirectly supply, furnish, give, or pay for any furnishings, fixtures, or equipment used in the storage, handling, serving, or dispensing of alcoholic beverages or food within the place of business of a licensee or permittee authorized under this chapter to sell at retail.

b. Directly or indirectly extend any credit for alcoholic beverages or beer or pay for any such license or permit.

c. Directly or indirectly be interested in the ownership, conduct, or operation of the business of another licensee or permittee authorized under this chapter to sell at retail, unless the licensee or permittee authorized under this chapter to sell at retail does not purchase or sell the alcoholic beverages of the person engaged in the business of manufacturing, bottling, or wholesaling alcoholic beverages. However, the licensee or permittee authorized under this chapter to sell at retail may purchase and sell the wine of the person engaged in the business of manufacturing wine that is not native wine provided the licensed premises is the principal office, as defined in section 490.140, of the person.

d. Hold a retail liquor control license or retail wine or beer permit, unless the licensee or permittee holding a retail liquor control license or retail wine or beer permit does not purchase or sell the alcoholic beverages of the person engaged in the business of manufacturing, bottling, or wholesaling alcoholic beverages. However, a person engaged in the business of manufacturing wine that is not native wine may purchase and sell the person's wine under the authority of a special class "C" liquor control license and a class "B" wine permit provided the licensed premises is the principal office, as defined in section 490.140, of the person.

2. Notwithstanding any provision of law to the contrary, a broker, employee, or agent of a person engaged in the business of manufacturing, bottling, or wholesaling alcoholic beverages may be a broker, employee, or agent of another person engaged in the business of manufacturing, bottling, or wholesaling alcoholic beverages or a broker, employee, or agent of a business authorized under this chapter to sell alcoholic beverages at retail as long as the broker, employee, or agent is not an officer, owner, director, or employee in a position to exercise any control or influence over the types of sales or the purchasing of alcoholic beverages in either position of employment.

3. A person engaged in the wholesaling of beer or wine may sell only disposable glassware, which is constructed of paper, paper laminated, or plastic materials and designed primarily for personal consumption on a one-time usage basis, to retailers for use within the premises of licensed establishments, for an amount which is greater than or equal to an amount which represents the greater of either the amount paid for the disposable glassware by the supplier or the amount paid for the disposable glassware by the wholesaler. Also, a person engaged in the business of manufacturing beer may sell beer at retail for consumption on or off the premises of the manufacturing facility and, notwithstanding any other provision of this chapter or the fact that a person is the holder of a class "A" beer permit, may be granted not more than one class "B" beer permit as defined in section 123.124 for that purpose regardless of whether that person is also a manufacturer of native distilled

spirits pursuant to a class “A” native distilled spirits license or a manufacturer of native wine pursuant to a class “A” wine permit.

4. A licensee or permittee who permits or assents to or is a party in any way to a violation or infringement of this section is guilty of a violation of this section.

5. The exceptions established by subsection 1 to the general prohibition against tied interests shall be limited to their express terms so as not to undermine the general prohibition and shall therefore be construed accordingly, and shall not be construed to affect exceptions to the general prohibition against tied interests as otherwise authorized under this chapter.

123.46 Consumption or intoxication in public places — notifications — chemical tests — expungement.

1. As used in this section unless the context otherwise requires:

a. “*Arrest*” means the same as defined in section 804.5 and includes taking into custody pursuant to section 232.19.

b. “*Chemical test*” means a test of a person’s blood, breath, or urine to determine the percentage of alcohol present by a qualified person using devices and methods approved by the commissioner of public safety.

c. “*Peace officer*” means the same as defined in section 801.4.

2. A person shall not use or consume alcoholic liquor, wine, or beer upon the public streets or highways. A person shall not use or consume alcoholic liquor in any public place except premises covered by a liquor control license. A person shall not possess or consume alcoholic liquors, wine, or beer on public school property or while attending a public or private school-related function. A person shall not be intoxicated in a public place. A person violating this subsection is guilty of a simple misdemeanor.

3. A person shall not simulate intoxication in a public place. A person violating this subsection is guilty of a simple misdemeanor.

4. When a peace officer arrests a person on a charge of public intoxication under this section, the peace officer shall inform the person that the person may have a chemical test administered at the person’s own expense. If a device approved by the commissioner of public safety for testing a sample of a person’s breath to determine the person’s blood alcohol concentration is available, that is the only test that need be offered the person arrested. In a prosecution for public intoxication, evidence of the results of a chemical test performed under this subsection is admissible upon proof of a proper foundation. The percentage of alcohol present in a person’s blood, breath, or urine established by the results of a chemical test performed within two hours after the person’s arrest on a charge of public intoxication is presumed to be the percentage of alcohol present at the time of arrest.

5. a. A peace officer shall make a reasonable effort to identify a person under the age of eighteen who violates this section and refer the person to juvenile court.

b. A juvenile court officer shall notify the person’s custodial parent, legal guardian, or custodian of the violation. In addition, the juvenile court officer shall make a reasonable effort to identify the elementary or secondary school the person attends, if any, and to notify the superintendent of the school district or the superintendent’s designee, or the authorities in charge of the nonpublic school, of the violation. A reasonable attempt to notify the person includes, but is not limited to, a telephone call or notice by first-class mail.

6. Upon the expiration of two years following conviction for a violation of this section or of a similar local ordinance, a person may petition the court to expunge the conviction, and if the person has had no other criminal convictions, other than local traffic violations or simple misdemeanor violations of chapter 321 during the two-year period, the conviction shall be expunged as a matter of law. The court shall enter an order that the record of the conviction be expunged by the clerk of the district court. Notwithstanding section 692.2, after receipt of

notice from the clerk of the district court that a record of conviction has been expunged, the record of conviction shall be removed from the criminal history data files maintained by the department of public safety if such a record was maintained in the criminal history data files.

7. A person shall not be charged or prosecuted for a violation of this section if the person is immune from charge or prosecution pursuant to section 701.12.

123.46A Delivery of alcoholic beverages by retailers.

1. Licensees and permittees authorized to sell alcoholic liquor, wine, or beer in original unopened containers for consumption off the licensed premises may deliver alcoholic liquor, wine, or beer to a home, another licensed premises if there is identical ownership of the premises by the licensee or permittee, or other designated location in this state. Deliveries shall be limited to alcoholic beverages authorized by the licensee's or permittee's license or permit.

2. All deliveries of alcoholic liquor, wine, or beer shall be subject to the following requirements and restrictions:

a. Payment for the alcoholic liquor, wine, or beer shall be received by the licensee or permittee at the time of order.

b. Orders for deliveries may be taken by the licensee or permittee between the hours of 2:00 a.m. and 6:00 a.m. on a day other than Sunday, and orders for deliveries may be taken between the hours of 2:00 a.m. and 8:00 a.m. on a Sunday provided the licensee or permittee has been granted the privilege of selling alcoholic liquor, wine, or beer on Sunday, notwithstanding any provision of section 123.49, subsection 2, paragraph "b", to the contrary.

c. Alcoholic liquor, wine, or beer delivered to a person shall be for personal use and not for resale.

d. Deliveries shall only be made to persons in this state who are twenty-one years of age or older.

e. Deliveries shall not be made to a person who is intoxicated or is simulating intoxication.

f. Deliveries shall occur between 6:00 a.m. and 10:00 p.m. Monday through Saturday, and between 8:00 a.m. and 10:00 p.m. Sunday.

g. Delivery of alcoholic liquor, wine, or beer shall be made by the licensee or permittee, or the licensee's or permittee's employee, and not by a third party.

h. Delivery personnel shall be twenty-one years of age or older.

i. Deliveries shall be made in a vehicle owned, leased, or under the control of the licensee or permittee.

j. Valid proof of the recipient's identity and age shall be obtained at the time of delivery, and the signature of a person twenty-one years of age or older shall be obtained as a condition of delivery.

k. Licensees and permittees shall maintain records of deliveries which include the quantity delivered, the recipient's name and address, and the signature of the recipient of the alcoholic liquor, wine, or beer. The records shall be maintained on the licensed premises for a period of three years.

l. Orders delivered to another licensed premises shall contain only those alcoholic beverages authorized for sale by the liquor control license or retail wine or beer permit covering the premises to receive the delivery.

m. Orders delivered to another licensed premises shall be fulfilled using the alcoholic beverages inventory owned by the licensee or permittee who received the order for delivery. If the recipient refuses or fails to pick up the delivery, or is ineligible to receive the delivery, the alcoholic beverages shall be returned to the licensee or permittee who fulfilled the order.

3. A violation of this section or any other provision of this chapter shall subject the licensee or permittee to the penalty provisions of section 123.39.

4. Nothing in this section shall impact the direct shipment of wine as regulated by section 123.187.

Referred to in §123.49, 123.187

123.47 Persons under eighteen years of age, persons eighteen, nineteen, or twenty years of age, and persons twenty-one years of age and older.

1. A person shall not sell, give, or otherwise supply any alcoholic beverage to any person knowing or having reasonable cause to believe that person to be under legal age.

2. a. Except for the purposes described in subsection 3, a person who is the owner or lessee of, or who otherwise has control over, property that is not a licensed premises, shall not knowingly permit any person, knowing or having reasonable cause to believe the person to be under the age of eighteen, to consume or possess on such property any alcoholic beverage.

b. A person who violates this subsection commits the following:

(1) For a first offense, a simple misdemeanor punishable as a scheduled violation under section 805.8C, subsection 8.

(2) For a second or subsequent offense, a simple misdemeanor punishable by a fine of five hundred dollars.

c. This subsection shall not apply to any of the following:

(1) A landlord or manager of the property.

(2) A person under legal age who consumes or possesses any alcoholic beverage in connection with a religious observance, ceremony, or rite.

3. A person or persons under legal age shall not purchase or attempt to purchase, consume, or individually or jointly have alcoholic beverages in their possession or control; except in the case of any alcoholic beverage given or dispensed to a person under legal age within a private home and with the knowledge, presence, and consent of the parent or guardian, for beverage or medicinal purposes or as administered to the person by either a physician or dentist for medicinal purposes and except to the extent that a person under legal age may handle alcoholic beverages during the regular course of the person's employment by a liquor control licensee, or wine or beer permittee under this chapter.

4. a. A person who is eighteen, nineteen, or twenty years of age, other than a licensee or permittee, who violates this section regarding the purchase of, attempt to purchase, or consumption of any alcoholic beverage, or possessing or having control of any alcoholic beverage, commits the following:

(1) A simple misdemeanor punishable as a scheduled violation under section 805.8C, subsection 7.

(2) A second offense shall be a simple misdemeanor punishable by a fine of five hundred dollars. In addition to any other applicable penalty, the person in violation of this section shall choose between either completing a substance abuse evaluation or the suspension of the person's motor vehicle operating privileges for a period not to exceed one year.

(3) A third or subsequent offense shall be a simple misdemeanor punishable by a fine of five hundred dollars and the suspension of the person's motor vehicle operating privileges for a period not to exceed one year.

b. The court may, in its discretion, order the person who is under legal age to perform community service work under section 909.3A, of an equivalent value to the fine imposed under this section.

c. If the person who commits a violation of this section is under the age of eighteen, the matter shall be disposed of in the manner provided in chapter 232.

5. Except as otherwise provided in subsections 7 and 8, a person who is of legal age, other than a licensee or permittee, who sells, gives, or otherwise supplies any alcoholic beverage to a person who is under legal age in violation of this section commits a serious misdemeanor punishable by a minimum fine of five hundred dollars.

6. A person shall not be charged or prosecuted for a violation of subsection 3 or 4 if the person is immune from charge or prosecution pursuant to section 701.12.

7. A person who is of legal age, other than a licensee or permittee, who sells, gives, or otherwise supplies any alcoholic beverage to a person who is under legal age in violation of this section which results in serious injury to any person commits an aggravated misdemeanor.

8. A person who is of legal age, other than a licensee or permittee, who sells, gives, or otherwise supplies any alcoholic beverage to a person who is under legal age in violation of this section which results in the death of any person commits a class “D” felony.

9. Upon the expiration of two years following conviction for a violation of subsection 3 or of a similar local ordinance, a person may petition the court to expunge the conviction, and if the person has had no other criminal convictions, other than local traffic violations or simple misdemeanor violations of chapter 321 during the two-year period, the conviction shall be expunged as a matter of law. The court shall enter an order that the record of the conviction be expunged by the clerk of the district court. Notwithstanding section 692.2, after receipt of notice from the clerk of the district court that a record of conviction has been expunged for a violation of subsection 3, the record of conviction shall be removed from the criminal history data files maintained by the department of public safety. An expunged conviction shall not be considered a prior offense for purposes of enhancement under subsection 4 or under a local ordinance unless the new violation occurred prior to entry of the order of expungement.

123.47A Persons age eighteen, nineteen, and twenty — penalty. Repealed by 97 Acts, ch 126, §54.

123.47B Parental and school notification — persons under eighteen years of age.

1. A peace officer shall make a reasonable effort to identify a person under the age of eighteen discovered consuming or to be in possession of alcoholic liquor, wine, or beer in violation of section 123.47 and refer the person to juvenile court.

2. If a person under the age of eighteen is discovered consuming or to be in possession of alcoholic liquor, wine, or beer, but the person is immune from prosecution under section 701.12, a peace officer shall make a reasonable effort to identify the person and notify a juvenile court officer of such person’s consumption or possession.

3. The juvenile court officer shall notify the person’s custodial parent, legal guardian, or custodian of the violation. In addition, the juvenile court shall also make a reasonable effort to identify the elementary or secondary school which the person attends if the person is enrolled in elementary or secondary school and to notify the superintendent or the superintendent’s designee of the school which the person attends, or the authorities in charge of the nonpublic school which the person attends, of the consumption or possession. 123.48 Seizure of false or altered driver’s license or nonoperator’s identification card.

1. If a liquor control licensee or wine or beer permittee or an employee of the licensee or permittee has a reasonable belief based on factual evidence that a driver’s license as defined in section 321.1, subsection 20A, or nonoperator’s identification card issued pursuant to section 321.190 offered by a person who wishes to purchase an alcoholic beverage at the licensed premises is altered or falsified or belongs to another person, the licensee, permittee, or employee may retain the driver’s license or nonoperator’s identification card. Within

twenty-four hours, the license or card shall be delivered to the appropriate city or county law enforcement agency of the jurisdiction in which the licensed premises is located. When the license or card is delivered to the appropriate law enforcement agency, the licensee shall file a written report of the circumstances under which the license or card was retained. The local law enforcement agency may investigate whether a violation of section 321.216, 321.216A, or 321.216B has occurred. If an investigation is not initiated or a probable cause is not established by the local law enforcement agency, the driver's license or nonoperator's identification card shall be delivered to the person to whom it was issued. The local law enforcement agency may forward the license or card with the report to the department of transportation for investigation, in which case, the department may investigate whether a violation of section 321.216, 321.216A, or 321.216B has occurred. The department of transportation shall return the license or card to the person to whom it was issued if an investigation is not initiated or a probable cause is not established.

2. Upon taking possession of a driver's license or nonoperator's identification card as provided in subsection 1, a receipt for the license or card with the date and hour of seizure noted shall be provided to the person from whom the license or card was seized.

3. A liquor control licensee or wine or beer permittee or an employee of the licensee or permittee is not subject to criminal prosecution for, or to civil liability for damages alleged to have resulted from, the retention and delivery of a driver's license or a nonoperator's identification card which is taken pursuant to subsections 1 and 2. This section shall not be construed to relieve a licensee, permittee, or employee of the licensee or permittee from civil liability for damages resulting from the use of unreasonable force in obtaining the altered or falsified driver's license or nonoperator's identification card or the driver's license or nonoperator's identification card believed to belong to another person.

123.49 Miscellaneous prohibitions.

1. A person shall not sell, dispense, or give to an intoxicated person, or one simulating intoxication, any alcoholic beverage.

a. A person other than a person required to hold a license or permit under this chapter who dispenses or gives an alcoholic beverage in violation of this subsection is not civilly liable to an injured person or the estate of a person for injuries inflicted on that person as a result of intoxication by the consumer of the alcoholic beverage.

b. The general assembly declares that this subsection shall be interpreted so that the holding of *Clark v. Mincks*, 364 N.W.2d 226 (Iowa 1985) is abrogated in favor of prior judicial interpretation finding the consumption of alcoholic beverages rather than the serving of alcoholic beverages as the proximate cause of injury inflicted upon another by an intoxicated person.

2. A person holding a liquor control license or retail wine or beer permit under this chapter, and the person's agents or employees, shall not do any of the following:

a. Knowingly permit any gambling, except in accordance with chapter 99B, 99D, 99F, or 99G, or knowingly permit solicitation for immoral purposes, or immoral or disorderly conduct on the premises covered by the license or permit.

b. Sell or dispense any alcoholic beverage on the premises covered by the license or permit, or permit its consumption thereon between the hours of 2:00 a.m. and 6:00 a.m. on a weekday, and between the hours of 2:00 a.m. on Sunday and 6:00 a.m. on the following Monday, however, a holder of a liquor control license or retail wine or beer permit granted the privilege of selling alcoholic liquor, wine, or beer on Sunday may sell or dispense alcoholic liquor, wine, or beer between the hours of 8:00 a.m. on Sunday and 2:00 a.m. on the following Monday.

c. Sell alcoholic beverages to any person on credit, except with a bona fide credit card. This provision does not apply to sales by a club to its members, to sales by a hotel or motel to bona fide registered guests, nor to retail sales by the managing entity of a convention center, civic center, or events center.

d. (1) Keep on premises covered by a liquor control license any alcoholic liquor in any container except the original package purchased from the division, and except mixed drinks

or cocktails mixed on the premises for immediate consumption on the licensed premises or as otherwise provided by this paragraph “d”. This prohibition does not apply to holders of a class “D” liquor control license or to alcoholic liquor delivered in accordance with section 123.46A.

(2) Mixed drinks or cocktails mixed on the premises that are not for immediate consumption may be consumed on the licensed premises subject to the requirements of this subparagraph pursuant to rules adopted by the division. The rules shall provide that the mixed drinks or cocktails be stored, for no longer than seventy-two hours, in a labeled container in a quantity that does not exceed three gallons. The rules shall also provide that added flavors and other nonbeverage ingredients included in the mixed drinks or cocktails shall not include hallucinogenic substances or added caffeine or other added stimulants including but not limited to guarana, ginseng, and taurine. In addition, the rules shall require that the licensee keep records as to when the contents in a particular container were mixed and the recipe used for that mixture.

(3) Mixed drinks or cocktails mixed on premises covered by a class “C” liquor control license or a class “C” native distilled spirits liquor control license for consumption off the licensed premises may be sold if the mixed drink or cocktail is immediately sealed with a lid or other method of securing the product and is promptly taken from the licensed premises prior to consumption of the mixed drink or cocktail. A mixed drink or cocktail that is sold and sealed in compliance with the requirements of this subparagraph shall not be deemed an open container subject to the requirements of sections 321.284 and 321.284A if the sealed container is unopened and the seal has not been tampered with, and the contents of the container have not been partially removed.

e. Reuse for packaging alcoholic liquor or wine any container or receptacle used originally for packaging alcoholic liquor or wine; or adulterate, by the addition of any substance, the contents or remaining contents of an original package of an alcoholic liquor or wine; or knowingly possess any original package which has been so reused or adulterated.

f. Employ a person under eighteen years of age in the sale or serving of alcoholic beverages for consumption on the premises where sold.

g. Allow any person other than the licensee, permittee, or employees of the licensee or permittee, to use or keep on the licensed premises any alcoholic liquor in any bottle or other container which is designed for the transporting of such beverages, except as permitted in section 123.95. This paragraph does not apply to the lodging quarters of a class “B” liquor control licensee or wine or beer permittee, or to holders of a class “D” liquor control license.

h. Sell, give, or otherwise supply any alcoholic beverage to any person, knowing or failing to exercise reasonable care to ascertain whether the person is under legal age, or permit any person, knowing or failing to exercise reasonable care to ascertain whether the person is under legal age, to consume any alcoholic beverage.

i. In the case of a retail wine or beer permittee, knowingly allow the mixing or adding of alcohol or any alcoholic beverage to wine, beer, or any other beverage in or about the permittee’s place of business.

j. Knowingly permit or engage in any criminal activity on the premises covered by the license or permit. However, the absence of security personnel on the licensed premises is insufficient, without additional evidence, to prove that criminal activity occurring on the licensed premises was knowingly permitted in violation of this paragraph “j”. For purposes of this paragraph “j”, “premises” includes parking lots and areas adjacent to the premises of a liquor control licensee or wine or beer permittee authorized to sell alcoholic beverages for consumption on the licensed premises and used by patrons of the liquor control licensee or wine or beer permittee.

k. Sell, give, possess, or otherwise supply a machine which is used to vaporize an alcoholic beverage for the purpose of being consumed in a vaporized form.

3. A person under legal age shall not misrepresent the person’s age for the purpose of purchasing or attempting to purchase any alcoholic beverage from any liquor control licensee or wine or beer permittee. If any person under legal age misrepresents the person’s age, and the licensee or permittee establishes that the licensee or permittee made reasonable inquiry

to determine whether the prospective purchaser was over legal age, the licensee or permittee is not guilty of selling alcoholic beverages to a person under legal age.

4. No privilege of selling alcoholic beverages on Sunday as provided in section 123.36, subsection 6, and section 123.134, subsection 4, shall be granted to a club or other organization which places restrictions on admission or membership in the club or organization on the basis of sex, race, religion, or national origin. However, the privilege may be granted to a club or organization which places restrictions on membership on the basis of sex, if the club or organization has an auxiliary organization open to persons of the other sex.

For scheduled fines applicable to violations of subsection 2, paragraph h, see §805.8C(2)

Subsection 2, paragraph d, NEW subparagraph (3)

123.50 Criminal and civil penalties.

1. Any person who violates any of the provisions of section 123.49, except section 123.49, subsection 2, paragraph “h”, or who fails to affix upon sale, defaces, or fails to record a keg identification sticker or produce a record of keg identification stickers pursuant to section 123.138, shall be guilty of a simple misdemeanor. A person who violates section 123.49, subsection 2, paragraph “h”, commits a simple misdemeanor punishable as a scheduled violation under section 805.8C, subsection 2.

2. The conviction of any liquor control licensee or wine or beer permittee for a violation of any of the provisions of section 123.49, subject to subsection 3 of this section, is grounds for the suspension or revocation of the license or permit by the division or the local authority. However, if any liquor control licensee is convicted of any violation of section 123.49, subsection 2, paragraph “a”, “d”, or “e”, or any wine or beer permittee is convicted of a violation of section 123.49, subsection 2, paragraph “a” or “e”, the liquor control license or wine or beer permit shall be revoked and shall immediately be surrendered by the holder, and the bond, if any, of the license or permit holder shall be forfeited to the division. However, the division shall retain only that portion of the bond equal to the amount the division determines the license or permit holder owes the division.

3. If any liquor control licensee, wine or beer permittee, or employee of a licensee or permittee is convicted or found in violation of section 123.49, subsection 2, paragraph “h”, the administrator or local authority shall, in addition to criminal penalties fixed for violations by this section, assess a civil penalty as follows:

a. A first violation shall subject the licensee or permittee to a civil penalty in the amount of five hundred dollars. Failure to pay the civil penalty as ordered under section 123.39 shall result in automatic suspension of the license or permit for a period of fourteen days.

b. A second violation within two years shall subject the licensee or permittee to a thirty-day suspension and a civil penalty in the amount of one thousand five hundred dollars.

c. A third violation within three years shall subject the licensee or permittee to a sixty-day suspension and a civil penalty in the amount of one thousand five hundred dollars.

d. A fourth violation within three years shall result in revocation of the license or permit.

e. For purposes of this subsection:

(1) The date of any violation shall be used in determining the period between violations.

(2) Suspension shall be limited to the specific license or permit for the premises found in violation.

(3) Notwithstanding section 123.40, revocation shall be limited to the specific license or permit found in violation and shall not disqualify a licensee or permittee from holding a license or permit at a separate location.

4. In addition to any other penalties imposed under this chapter, the division shall assess a civil penalty up to the amount of five thousand dollars upon a class “E” liquor control licensee when the class “E” liquor license is revoked for a violation of section 123.59. Failure to pay the civil penalty as required under this subsection shall result in forfeiture of the bond to the division. However, the division shall retain only that portion of the bond equal to the amount the division determines the licensee or permit holder owes the division.

5. If an employee of a liquor control licensee or wine or beer permittee violates section 123.49, subsection 2, paragraph “h”, the licensee or permittee shall not be assessed a penalty under subsection 3, and the violation shall be deemed not to be a violation of section 123.49, subsection 2, paragraph “h”, for the purpose of determining the number of violations for which a penalty may be assessed pursuant to subsection 3, if the employee holds a valid certificate of completion of the alcohol compliance employee training program pursuant to section 123.50A at the time of the violation, and if the violation involves selling, giving, or otherwise supplying any alcoholic beverage to a person between the ages of eighteen and twenty years of age. A violation involving a person under the age of eighteen years of age shall not qualify for the bar against assessment of a penalty pursuant to subsection 3, for a violation of section 123.49, subsection 2, paragraph “h”. A licensee or permittee may assert only once in a four-year period the bar under this subsection against assessment of a penalty pursuant to subsection 3, for a violation of section 123.49, subsection 2, paragraph “h”, that takes place at the same place of business location.

123.50A Alcohol compliance employee training program.

1. If sufficient funding is appropriated, the division shall develop an alcohol compliance employee training program, not to exceed two hours in length for employees and prospective employees of licensees and permittees, to inform the employees about state laws and regulations regarding the sale of alcoholic beverages to persons under legal age, and compliance with and the importance of laws regarding the sale of alcoholic beverages to persons under legal age. In developing the alcohol compliance employee training program, the division may consult with stakeholders who have expertise in the laws and regulations regarding the sale of alcoholic beverages to persons under legal age.

2. The alcohol compliance employee training program shall be made available to employees and prospective employees of licensees and permittees at no cost to the employee, the prospective employee, or the licensee or permittee, and in a manner which is as convenient and accessible to the extent practicable throughout the state so as to encourage attendance. Contingent upon the availability of specified funds for provision of the program, the division shall schedule the program on at least a monthly basis and the program shall be available at a location in at least a majority of counties.

3. Upon completion of the alcohol compliance employee training program, an employee or prospective employee shall receive a certificate of completion, which shall be valid for a period of two years, unless the employee or prospective employee is convicted of a violation of section 123.49, subsection 2, paragraph “h”, in which case the certificate shall be void.

4. The division shall also offer periodic continuing employee training and recertification for employees who have completed initial training and received an initial certificate of completion as part of the alcohol compliance employee training program.

Section amended

123.91 Second and subsequent conviction.

Unless otherwise provided by law, a person who has been convicted in a criminal action in any court of record of a violation of a provision of this chapter, except for a violation of section 123.46, or a provision of the laws of the United States or of any other state relating to alcoholic liquors, wine, or beer, and who is thereafter convicted of a subsequent criminal offense against any provision of this chapter is guilty of the following offenses:

1. For the second conviction, a serious misdemeanor.
2. For the third and each subsequent conviction, an aggravated misdemeanor.

123.92 Civil liability for dispensing or sale and service of any alcoholic beverage (Dramshop Act) — liability insurance — underage persons.

1. *a.* Subject to the limitation amount specified in paragraph “c”, if applicable, any third party who is not the intoxicated person who caused the injury at issue and who is injured in person or property or means of support by an intoxicated person or resulting from the intoxication of a person, has a right of action for damages actually sustained, severally or jointly against any licensee or permittee, whether or not the license or permit was issued by the division or by the licensing authority of any other state, who sold and served any alcoholic beverage directly to the intoxicated person, provided that the person was visibly intoxicated at the time of the sale or service.

b. If the injury was proximately caused by an intoxicated person, a permittee or licensee may establish as an affirmative defense that the intoxication did not contribute to the injurious action of the person.

c. The total amount recoverable by each plaintiff in any civil action for noneconomic damages for personal injury, whether in tort, contract, or otherwise, against a licensee or permittee, shall be limited to two hundred fifty thousand dollars for any injury or death of a person, unless the jury determines that there is a substantial or permanent loss or impairment of a bodily function, substantial disfigurement, or death, which warrants a finding that imposition of such a limitation would deprive the plaintiff of just compensation for the injuries sustained.

2. *a.* Every liquor control licensee, class “B” beer permittee, and class “C” native wine permittee, except a class “E” liquor control licensee, shall furnish proof of financial responsibility by the existence of a liability insurance policy in an amount determined by the division. If an insurer provides dramshop liability insurance at a new location to a licensee or permittee who has a positive loss experience at other locations for which such insurance is provided by the insurer, and the insurer bases premium rates at the new location on the negative loss history of the previous licensee or permittee at that location, the insurer shall examine and consider adjusting the premium for the new location not less than thirty months after the insurance is issued, based on the loss experience of the licensee or permittee at that location during that thirty-month period of time.

b. A dramshop liability insurance policy may be written on an aggregate limit basis.

c. The purpose of dramshop liability insurance is to provide protection for members of the public who experience damages as a result of licensees or permittees serving patrons any alcoholic beverage to a point that reaches or exceeds the standard set forth in law for liability. Minimum coverage requirements for such insurance are not for the purpose of making the insurance affordable for all licensees or permittees regardless of claims experience. A dramshop liability insurance policy obtained by a licensee or permittee shall meet the minimum insurance coverage requirements as determined by the division and is a mandatory condition for holding a license or permit.

3. *a.* Notwithstanding section 123.49, subsection 1, any person who is injured in person or property or means of support by an intoxicated person who is under legal age or resulting from the intoxication of a person who is under legal age, has a right of action for all damages actually sustained, severally or jointly, against a person who is not a licensee or permittee and who dispensed or gave any alcoholic beverage to the intoxicated underage person

when the nonlicensee or nonpermittee who dispensed or gave the alcoholic beverage to the underage person knew or should have known the underage person was intoxicated, or who dispensed or gave any alcoholic beverage to the underage person to a point where the nonlicensee or nonpermittee knew or should have known that the underage person would become intoxicated.

b. If the injury was caused by an intoxicated person who is under legal age, a person who is not a licensee or permittee and who dispensed or gave the alcoholic beverage to the underage person may establish as an affirmative defense that the intoxication did not contribute to the injurious action of the underage person.

c. For purposes of this subsection, “dispensed” or “gave” means the act of physically presenting a receptacle containing any alcoholic beverage to the underage person whose actions or intoxication results in the sustaining of damages by another person. However, a person who dispenses or gives any alcoholic beverage to an underage person shall only be liable for any damages if the person knew or should have known that the underage person was under legal age.

123.93 Limitation of action.

Within six months of the occurrence of an injury, the injured person shall give written notice to the licensee or permittee or such licensee’s or permittee’s insurance carrier of the person’s intention to bring an action under this section, indicating the time, place and circumstances causing the injury. Such six months’ period shall be extended if the injured party is incapacitated at the expiration thereof or unable, through reasonable diligence, to discover the name of the licensee, permittee, or person causing the injury or until such time as such incapacity is removed or such person has had a reasonable time to discover the name of the licensee, permittee or person causing the injury.

[C73, 75, 77, 79, 81, §123.93]

123.94 Inurement of action prohibited.

No right of action for contribution or indemnity shall accrue to any insurer, guarantor or indemnitor of any intoxicated person for any act of such intoxicated person against any licensee or permittee as defined in this chapter.

[C73, 75, 77, 79, 81, §123.94]

123.95 Premises must be licensed — exception as to conventions and social gatherings.

1. A person shall not allow the dispensing or consumption of alcoholic liquor, except wines and beer, in any establishment unless the establishment is licensed under this chapter or except as otherwise provided in this section.

2. a. The holder of an annual class “B” liquor control license or an annual class “C” liquor control license may act as the agent of a private social host for the purpose of providing and serving alcoholic beverages as part of a food catering service for a private social gathering in a private place, provided the licensee has applied for and been granted a catering privilege by the division. The holder of an annual special class “C” liquor control license shall not act as the agent of a private social host for the purpose of providing and serving wine and beer as part of a food catering service for a private social gathering in a private place. An applicant for a class “B” or class “C” liquor control license shall state on the application for the license that the licensee intends to engage in catering food and alcoholic beverages for private social gatherings and the catering privilege shall be noted on the license.

b. The private social host or the licensee shall not solicit payment of any kind, including donations, for the food or alcoholic beverages from the guests, and the alcoholic beverages and food shall be served without cost to the guests.

c. Section 123.92 does not apply to a liquor control licensee who acts in accordance with this section when the liquor control licensee is providing and serving food and alcoholic beverages as an agent of a private social host at a private social gathering in a private place which is not on the licensed premises.

d. A licensee who engages in catering food and alcoholic beverages for private social gatherings shall maintain a record on the licensed premises which includes the name and address of the host of the private social gathering, and the date for which catering was provided. The record maintained pursuant to this section shall be open to inspection pursuant to section 123.30, subsection 1, during normal business hours of the licensee.

3. However, bona fide conventions or meetings may bring their own legal liquor onto the licensed premises if the liquor is served to delegates or guests without cost. All other provisions of this chapter shall be applicable to such premises. The provisions of this section shall have no application to private social gatherings of friends or relatives in a private home or private place which is not of a commercial nature nor where goods or services may be purchased or sold nor any charge or rent or other thing of value is exchanged for the use of such premises for any purpose other than for sleeping quarters.

123.98 Labeling shipments.

1. It shall be unlawful for any common carrier or for any person to transport or convey by any means, whether for compensation or not, within this state, any alcoholic liquor, wine, or beer, unless the vessel or other package containing such alcoholic liquor, wine, or beer shall be plainly and correctly identified, showing the quantity and kind of alcoholic liquor, wine, or beer contained therein, the name of the party to whom they are to be delivered, and the name of the shipper, or unless such information is shown on a bill of lading or other document accompanying the shipment. No person shall be authorized to receive or keep such alcoholic liquor, wine, or beer unless the same be marked or labeled as required by this section. The violation of any provision of this section by any common carrier, or any agent or employee of any carrier, or by any person, shall be punished under the provisions of this chapter.

2. Any alcoholic liquor, wine, or beer conveyed, carried, transported, or delivered in violation of this section, whether in the hands of the carrier or someone to whom they shall have been delivered, shall be subject to seizure and condemnation, as alcoholic liquor, wine, or beer kept for illegal sale.

123.115 Defense.

In any prosecution under this chapter for the unlawful transportation of alcoholic liquor, wine, or beer it shall be a defense that the character and contents of the shipment or thing transported were not known to the accused or to the accused's agent or employee.

[C97, §2419; C24, §2059; C27, 31, 35, §1945-a2; C39, §1945.3; C46, 50, 54, 58, 62, 66, 71, §125.28; C73, 75, 77, 79, 81, §123.115]

2013 Acts, ch 35, §34; 2018 Acts, ch 1060, §57

123.116 Right to receive alcoholic liquor, wine, or beer.

The consignee of alcoholic liquor, wine, or beer shall, on demand of the carrier transporting such alcoholic liquor, wine, or beer, furnish the carrier, at the place of delivery, with legal proof of the consignee's legal right to receive such alcoholic liquor, wine, or beer at the time of delivery, and until such proof is furnished the carrier shall be under no legal obligation to make delivery nor be liable for failure to deliver.

[C24, §2061; C27, 31, 35, §1945-a4; C39, §1945.5; C46, 50, 54, 58, 62, 66, 71, §125.30; C73, 75, 77, 79, 81, §123.116]

2013 Acts, ch 35, §35; 2018 Acts, ch 1060, §58

123.117 Delivery to sheriff.

If such proof is not furnished the carrier within ten days after demand, the carrier may deliver such liquor, wine, or beer to the sheriff of the county embracing the place of delivery,

and such delivery shall absolve the carrier from all liability pertaining to such liquor, wine, or beer.

[C24, §2062; C27, 31, 35, §1945-a5; C39, §1945.6; C46, 50, 54, 58, 62, 66, 71, §125.31; C73, 75, 77, 79, 81, §123.117]

2013 Acts, ch 35, §36

Referred to in §331.653

123.118 Destruction.

The sheriff shall, on receipt of such liquor, wine, or beer from the carrier, report the receipt to the district court of the sheriff's county, and the court shall proceed to summarily enter an order for the destruction or forfeiture to the state of such liquor, wine, or beer.

SUBCHAPTER II

BEER PROVISIONS

123.122 Beer certificate, permit, or license required — exception for personal use.

1. A person shall not cause the manufacture, importation, or sale of beer in this state unless a certificate or permit as provided in this subchapter, or a liquor control license as

provided in subchapter I of this chapter, is first obtained which authorizes that manufacture, importation, or sale.

2. Any person of legal age may manufacture beer for personal use without a class “A” beer permit, subject to the requirements of this subsection. Such beer may be consumed on the premises or removed from the premises where it was manufactured only if the beer is not sold, exchanged, bartered, dispensed, or given in consideration of purchase for any property or services or in evasion of the requirements of this chapter.

3. Except as otherwise provided in this chapter, a person shall not import beer. However, an individual of legal age may import beer into the state without a certificate, permit, or license an amount of beer not to exceed four and one-half gallons per calendar month that the individual personally obtained outside the state or, in the case of beer personally obtained outside the United States, a quantity which does not exceed the amount allowed by federal law governing the importation of alcoholic beverages into the United States for personal consumption. Beer imported pursuant to this section shall be for personal consumption in a private home or other private accommodation and only if the beer is not sold, exchanged, bartered, dispensed, or given in consideration of purchase for any property or services or in evasion of the requirements of this chapter.

Referred to in §123.32

123.130 Authority under class “A” and special class “A” beer permits.

1. a. Any person holding a class “A” beer permit issued by the division shall be authorized to manufacture and sell, or sell at wholesale, beer for consumption off the premises, such sales within the state to be made only to persons holding subsisting class “A”, “B”, or “C” beer permits, both a class “C” native wine permit and a class “A” wine permit pursuant to section 123.178B, subsection 4, or liquor control licenses issued in accordance with the provisions of this chapter. However, a person holding a class “A” beer permit issued by the division who also holds a brewer’s notice issued by the alcohol and tobacco tax and trade bureau of the United States department of the treasury shall be authorized to sell, at wholesale, no more than thirty thousand barrels of beer on an annual basis for consumption off the premises to a licensee or permittee authorized under this chapter to sell beer at retail.

b. A person holding a class “A” beer permit may sell beer to distributors outside of the state that are authorized by the laws of that jurisdiction to sell beer at wholesale.

c. A class “A” or special class “A” beer permit does not grant authority to manufacture wine as defined in section 123.3, subsection 54.

2. Pursuant to section 123.45, subsection 3, a native brewery may be granted not more than one class “B” beer permit as defined in section 123.124 for the purpose of selling beer at retail for consumption on or off the premises of the manufacturing facility.

3. All class “A” premises shall be located within the state. All beer received by the holder of a class “A” beer permit from the holder of a certificate of compliance before being resold must first come to rest on the licensed premises of the permit holder, must be inventoried, and is subject to the barrel tax when resold as provided in section 123.136. A class “A” beer

permittee shall not store beer overnight except on premises licensed under a class “A” beer permit.

4. All special class “A” premises shall be located within the state. A person who holds a special class “A” beer permit for the same location at which the person holds a class “C” liquor control license or class “B” beer permit for the purpose of operating as a brewpub may manufacture and sell beer to be consumed on the premises, may sell at retail at the manufacturing premises for consumption off the premises beer that is transferred at the time of sale to another container subject to the requirements of section 123.131, subsection 2, may sell beer to a class “A” beer permittee for resale purposes, and may sell beer to distributors outside of the state that are authorized by the laws of that jurisdiction to sell beer at wholesale. The permit issued to holders of a special class “A” beer permit shall clearly state on its face that the permit is limited.

5. A manufacturer of beer issued a class “A” or special class “A” beer permit shall file with the division, on or before the fifteenth day of each calendar month, all documents filed with the alcohol and tobacco tax and trade bureau of the United States department of the treasury, including all brewer’s operation and excise tax return reports.

123.131 Authority under class “B” beer permit.

1. Subject to the provisions of this chapter, any person holding a class “B” beer permit shall be authorized to sell beer for consumption on or off the premises. Sales of beer for consumption off the premises made pursuant to this section shall be made in original containers except as provided in subsection 2. However, unless otherwise provided in this chapter, no sale of beer shall be made for consumption on the premises unless the place where such service is made is equipped with tables and seats sufficient to accommodate not less than twenty-five persons at one time.

2. Subject to the rules of the division, sales of beer for consumption off the premises made pursuant to this section may be made in a container other than the original container only if the container is carried into an immediately adjacent premises covered by a license or permit that authorizes the consumption of beer, temporarily closed public right-of-way, or a private place, or if all of the following requirements are met:

a. The beer is transferred from the original container to the container to be sold on the licensed premises at the time of sale or when sold by telephonic or other electronic means.

b. The person transferring the beer from the original container to the container to be sold shall be eighteen years of age or more.

c. The container to be sold shall be no larger than seventy-two ounces.

d. The container to be sold shall be securely sealed by a method authorized by the division that is designed so that if the sealed container is reopened or the seal tampered with, it is visibly apparent that the seal on the container of beer has been tampered with or the sealed container has otherwise been reopened.

3. A container of beer other than the original container that is sold and sealed in compliance with the requirements of subsection 2 and the rules of the division shall not be deemed an open container subject to the requirements of sections 321.284 and 321.284A if the sealed container is unopened and the seal has not been tampered with, and the contents of the container have not been partially removed.

4. A person holding a class “B” beer permit and a class “A” beer permit whose primary purpose is manufacturing beer may purchase wine from a wholesaler holding a class “A” wine permit for sale at retail for consumption on the premises covered by the class “B” beer permit.

5. A person holding a class “B” beer permit may also hold a special class “A” beer permit

for the premises licensed under a class “B” beer permit for the purpose of operating as a brewpub pursuant to this chapter.

123.132 Authority under class “C” beer permit.

1. The holder of a class “C” beer permit shall be allowed to sell beer to consumers at retail for consumption off the premises. The sales made pursuant to this section shall be made in original containers except as provided in subsection 2.

2. Subject to the rules of the division, sales made pursuant to this section may be made in a container other than the original container only if all of the following requirements are met:

a. The beer is transferred from the original container to the container to be sold on the licensed premises at the time of sale.

b. The person transferring the beer from the original container to the container to be sold shall be eighteen years of age or more.

c. The container to be sold shall be no larger than seventy-two ounces.

d. The container to be sold shall be securely sealed by a method authorized by the division that is designed so that if the sealed container is reopened or the seal tampered with, it is visibly apparent that the seal on the container of beer has been tampered with or the sealed container has otherwise been reopened.

3. A container of beer other than the original container that is sold and sealed in compliance with the requirements of subsection 2 and the division’s rules shall not be deemed an open container subject to the requirements of sections 321.284 and 321.284A if the sealed container is unopened and the seal has not been tampered with, and the contents of the container have not been partially removed.

4. The holder of a class “C” beer permit or the permittee’s agents or employees shall not sell beer to other retail license or permit holders knowing or having reasonable cause to believe that the beer will be resold in another licensed establishment.

123.134 Beer permit fees — Sunday sales.

1. The annual permit fee for a class “A” or special class “A” beer permit is seven hundred fifty dollars.

2. The annual permit fee for a class “B” beer permit shall be graduated according to population as follows:

a. For premises located within the corporate limits of cities with a population of ten thousand and over, three hundred dollars.

b. For premises located within the corporate limits of cities with a population of at least fifteen hundred but less than ten thousand, two hundred dollars.

c. For premises located within the corporate limits of cities with a population of under fifteen hundred, one hundred dollars.

d. For premises located outside the corporate limits of any city, a sum equal to that charged in the incorporated city located nearest the premises to be operated under the permit, and in case there is doubt as to which of two or more differing corporate limits is the nearest, the permit fee which is the largest shall prevail. However, if the premises are located in an unincorporated town, for purposes of this subsection the unincorporated town shall be treated as if it is a city.

3. The annual permit fee for a class “C” beer permit shall be graduated on the basis of the amount of interior floor space which comprises the retail sales area of the premises covered by the permit, as follows:

- a. Up to one thousand five hundred square feet, the sum of seventy-five dollars.
- b. Over one thousand five hundred square feet and up to two thousand square feet, the sum of one hundred dollars.
- c. Over two thousand and up to five thousand square feet, the sum of two hundred dollars.
- d. Over five thousand square feet, the sum of three hundred dollars.

4. Any club, hotel, motel, or commercial establishment holding a class “B” beer permit, subject to the provisions of section 123.49, subsection 2, paragraph “b”, may apply for and receive permission to sell and dispense beer to patrons on Sunday for consumption on or off the premises between the hours of 8:00 a.m. on Sunday and 2:00 a.m. on the following Monday. Any class “C” beer permittee may sell beer for consumption off the premises between the hours of 8:00 a.m. on Sunday and 2:00 a.m. on the following Monday. For the privilege of selling beer on Sunday the beer permit fees of the applicant shall be increased by twenty percent of the regular fees prescribed for the permit pursuant to this section and the privilege shall be noted on the beer permit.

123.135 Brewer’s certificate of compliance — penalties.

1. A manufacturer, brewer, bottler, importer, or vendor of beer, or any agent thereof, desiring to ship or sell beer, or have beer brought into this state for resale by a class “A” beer permittee, shall first make application for and be issued a brewer’s certificate of compliance by the administrator for that purpose. The certificate of compliance expires at the end of one year from the date of issuance and shall be renewed for a like period upon application to the administrator unless otherwise revoked for cause. Each completed application for a certificate of compliance or renewal of a certificate shall be submitted electronically, or in a manner prescribed by the administrator, and shall be accompanied by a fee of five hundred dollars payable to the division. Each holder of a certificate of compliance shall furnish the information in a manner the administrator requires.

2. At the time of applying for a certificate of compliance, each applicant shall file with the division a list of all class “A” beer permittees with whom it intends to do business and shall designate the geographic area in which its products are to be distributed by such permittee. The listing of class “A” beer permittees and geographic area as filed with the division shall be amended by the holder of a certificate of compliance as necessary to keep the listing current with the division.

3. All class “A” beer permit holders shall sell only those brands of beer which are manufactured, brewed, bottled, shipped, or imported by a person holding a current certificate of compliance. Any employee or agent working for or representing the holder of a certificate of compliance within this state shall submit electronically, or in a manner prescribed by the administrator, the employee’s or agent’s name and address with the division.

4. It shall be unlawful for any holder of a certificate of compliance or the holder’s agent, or any class “A” beer permit holder or the beer permit holder’s agent, to grant to any retail beer permit holder, directly or indirectly, any rebates, free goods, or quantity discounts on beer which are not uniformly offered to all retail permittees.

5. Any violation of the requirements of this chapter or the rules adopted pursuant to this chapter shall subject the holder of a brewer’s certificate of compliance or a class “A” beer permit holder to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty, suspension of the certificate or permit, or revocation of the

certificate or permit after notice and opportunity for a hearing pursuant to section 123.39 and chapter 17A.

123.138 Records required — keg identification sticker.

1. Each class “A” or special class “A” beer permittee shall keep proper records showing the amount of beer sold by the permittee, and these records shall be at all times open to inspection by the administrator and to other persons pursuant to section 123.30, subsection 1. Each class “B” beer permittee, class “C” beer permittee, or retail liquor control licensee shall keep proper records showing each purchase of beer made by the permittee or licensee, and the date and the amount of each purchase and the name of the person from whom each purchase was made, which records shall be open to inspection pursuant to section 123.30, subsection 1, during normal business hours of the permittee or licensee.

2. a. Each class “B”, “C”, or special class “C” liquor control licensee and class “B” or “C” beer permittee who sells beer for off-premises consumption shall affix to each keg of beer an identification sticker provided by the administrator. The sticker provided shall allow for

its full removal when common external keg cleaning procedures are performed. For the purposes of this subsection, “keg” means all durable and disposable containers with a liquid capacity of five gallons or more. Each class “B”, “C”, or special class “C” liquor control licensee and class “B” or “C” beer permittee shall also keep a record of the identification sticker number of each keg of beer sold by the licensee or permittee with the name and address of the purchaser and the number of the purchaser’s driver’s license, nonoperator’s identification card, or military identification card, if the military identification card contains a picture and signature. This information shall be retained by the licensee or permittee for a minimum of ninety days. The records kept pursuant to this subsection shall be available for inspection by any law enforcement officer during normal business hours.

b. (1) The division shall provide the keg identification stickers described in paragraph “a” and shall, prior to utilizing a sticker, notify licensed brewers and licensed beer importers of the type of sticker to be utilized. Each sticker shall contain a number and the following statement:

It is unlawful to sell, give, or otherwise supply any alcoholic beverage, wine, or beer to any person under legal age. Any person who defaces this sticker shall be guilty of criminal mischief punishable pursuant to section 716.6 and shall cause the forfeiture of any deposit, if applicable.

(2) The identification sticker shall be placed on the keg at the time of retail sale. The licensee or permittee shall purchase the stickers referred to in this subsection from the division and shall remit to the division deposits forfeited pursuant to this lettered paragraph due to defacement. The cost of the stickers to licensees and permittees shall not exceed the division’s cost of producing and distributing the stickers. The moneys collected by the division relating to the sale of stickers and forfeited deposits shall be credited to the beer and liquor control fund.

c. The provisions of this subsection shall be implemented uniformly throughout the state. The provisions of this subsection shall preempt any local county or municipal ordinance regarding keg registration or the sale of beer in kegs. In addition, a county or municipality shall not adopt or continue in effect an ordinance regarding keg registration or the sale of beer in kegs.

d. The division shall establish by rule procedures relating to the forfeiture and remittance of deposits pursuant to paragraph “b”.

SUBCHAPTER V

WINE PROVISIONS — CHARITY BEER, SPIRITS, AND WINE AUCTIONS AND EVENTS

123.171 Wine certificate, permit, or license required — exceptions for personal use.

1. A person shall not cause the manufacture, importation, or sale of wine in this state unless a certificate or permit as provided in this subchapter, or a liquor control license as provided in subchapter I of this chapter, is first obtained which authorizes that manufacture, importation, or sale.

2. Any person of legal age may manufacture wine for personal use without a class “A” wine permit, subject to the requirements of this subsection. Such wine may be consumed on the premises or removed from the premises where it was manufactured only if the wine is not sold, exchanged, bartered, dispensed, or given in consideration of purchase for any property or services or in evasion of the requirements of this chapter.

3. Notwithstanding subsection 1, an individual of legal age may import into the state without a certificate, permit, or license an amount of wine not to exceed nine liters per calendar month that the individual personally obtained outside the state or, in the case of wine personally obtained outside the United States, a quantity which does not exceed the amount allowed by federal law governing the importation of alcoholic beverages into the United States for personal consumption. Wine imported pursuant to this subsection shall be for personal consumption in a private home or other private accommodation and only if the wine is not sold, exchanged, bartered, dispensed, or given in consideration of purchase for any property or services or in evasion of the requirements of this chapter.

85 Acts, ch 32, §62; 2015 Acts, ch 30, §51; 2016 Acts, ch 1008, §10; 2018 Acts, ch 1096, §5, 6
Referred to in §123.10

123.172 Effect on liquor control licensees.

All applicable provisions of this subchapter relating to class “B” wine permits apply to liquor control licensees in the purchasing, storage, handling, serving, and sale of wine.

85 Acts, ch 32, §63; 2015 Acts, ch 30, §52

123.173 Wine permits — classes — authority.

1. Except as provided in section 123.187, permits exclusively for the sale or manufacture and sale of wine shall be divided into four classes, and shall be known as class “A”, “B”, “B” native, or “C” native wine permits.

2. A class “A” wine permit allows the holder to manufacture and sell, or sell at wholesale, in this state, wine. The holder of a class “A” wine permit may manufacture in this state wine having an alcoholic content greater than seventeen percent by weight or twenty-one and twenty-five hundredths percent of alcohol by volume for shipment outside this state. All class “A” premises shall be located within the state. A class “B” or class “B” native wine permit allows the holder to sell wine at retail for consumption off the premises. A class “B” or class “B” native wine permittee who also holds a class “E” liquor control license may sell wine to class “A”, class “B”, class “C”, special class “C”, and class “D” liquor control licensees for resale for consumption on the premises. Such wine sales shall be in quantities of less than one case of any wine brand but not more than one such sale shall be made to the same liquor control licensee in a twenty-four-hour period. A class “B” or class “B” native wine permittee shall not sell wine to other class “B” or class “B” native wine permittees. A class “C” native wine permit allows the holder to sell native wine for consumption on or off the premises.

3. A class “A” wine permittee shall be required to deliver wine to a retail wine permittee, and a retail wine permittee shall be required to accept delivery of wine from a class “A” wine permittee, only at the licensed premises of the retail wine permittee. Except as specifically permitted by the division upon good cause shown, delivery or transfer of wine from an unlicensed premises to a licensed retail wine permittee’s premises, or from one licensed retail wine permittee’s premises to another licensed retail wine permittee’s premises, even if there is common ownership of all of the premises by one retail permittee, is prohibited. A class “B” or class “B” native wine permittee who also holds a class “E” liquor control license

shall keep and maintain records for each sale of wine to liquor control licensees showing the name of the establishment to which wine was sold, the date of sale, and the brands and number of bottles sold to the liquor control licensee.

4. When a class “B” or class “B” native wine permittee who also holds a class “E” liquor control license sells wine to a liquor control licensee, the liquor control licensee shall sign a report attesting to the purchase. The class “B” or class “B” native wine permittee who also holds a class “E” liquor control license shall submit a report to the division electronically, or in a manner prescribed by the administrator, not later than the tenth of each month stating each sale of wine to liquor control licensees during the preceding month, the date of each sale, and the brands and numbers of bottles with each sale. A class “B” permittee who holds a class “E” liquor control license may sell to class “A”, class “B”, or class “C” liquor control licensees only if the licensed premises of the liquor control licensee is located within the geographic territory of the class “A” wine permittee from which the wine was originally purchased by the class “B” or class “B” native wine permittee.

123.173A Charity beer, spirits, and wine auction permit.

1. For purposes of this section, “*authorized nonprofit entity*” includes a nonprofit entity which has a principal office in the state, a nonprofit corporation organized under chapter 504, or a foreign corporation as defined in section 504.141, whose income is exempt from federal taxation under section 501(c) of the Internal Revenue Code.

2. An authorized nonprofit entity may, upon application to the division and receipt of a charity beer, spirits, and wine auction permit from the division, conduct a charity auction which includes beer, spirits, and wine. The completed application shall specify the date and time when the charity beer, spirits, and wine auction is to be conducted and the premises in this state where the charity beer, spirits, and wine auction is to be physically conducted. The applicant shall certify that the objective of the charity beer, spirits, and wine auction is to raise funds solely to be used for educational, religious, or charitable purposes and that the entire proceeds from the charity beer, spirits, and wine auction are to be expended for any of the purposes described in section 423.3, subsection 78.

3. An authorized nonprofit entity shall be eligible to receive only two charity beer, spirits, and wine auction permits during a calendar year and each charity beer, spirits, and wine auction permit shall be valid for a period not to exceed thirty-six consecutive hours.

4. The authorized nonprofit entity conducting the charity beer, spirits, and wine auction shall obtain the beer, spirits, and wine to be auctioned at the charity beer, spirits, and wine auction from an Iowa retail beer permittee, an Iowa retail liquor control licensee, or an Iowa retail wine permittee, or may receive donations of beer, spirits, or wine to be auctioned at the charity beer, spirits, and wine auction from persons who purchased the donated beer, spirits, or wine from an Iowa retail beer permittee, an Iowa retail liquor control licensee, an Iowa class “A” native distilled spirits licensee, or an Iowa retail wine permittee and who present a receipt documenting the purchase at the time the beer, spirits, or wine is donated. The authorized nonprofit entity conducting the charity beer, spirits, and wine auction shall retain a copy of the receipt for a period of one year from the date of the charity beer, spirits, and wine auction.

5. Persons shall be physically present at the charity beer, spirits, and wine auction to be eligible to bid on beer, spirits, and wine sold at the charity auction.

6. The beer, spirits, and wine sold at the charity beer, spirits, and wine auction shall be in original containers for consumption off of the premises where the charity beer, spirits, and wine auction is conducted. No other alcoholic beverage may be sold by the charity beer, spirits, and wine auction permittee at the charity beer, spirits, and wine auction. A purchaser of beer, spirits, or wine at a charity beer, spirits, and wine auction shall not take possession of the beer, spirits, or wine until the person is leaving the event. A purchaser of beer, spirits, or wine at a charity beer, spirits, and wine auction shall not open the container or consume

or permit the consumption of the beer, spirits, or wine purchased on the premises where the charity beer, spirits, and wine auction is conducted. A purchaser of beer, spirits, or wine at a charity beer, spirits, and wine auction shall not resell the beer, spirits, or wine.

7. A liquor control licensee, beer permittee, class “A” native distilled spirits licensee, or wine permittee shall not purchase beer, spirits, or wine at a charity beer, spirits, and wine auction. The charity beer, spirits, and wine auction may be conducted on a premises for which a class “B” liquor control license or class “C” liquor control license has been issued, provided that the liquor control licensee does not participate in the charity beer, spirits, and wine auction, supply beer, spirits, or wine to be auctioned at the charity beer, spirits, and wine auction, or receive any of the proceeds of the charity beer, spirits, and wine auction.

8. Any violation of the requirements of this chapter or the rules adopted pursuant to this chapter shall subject the permit holder to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty, suspension of the permit, or revocation of the permit after notice and opportunity for a hearing pursuant to section 123.39 and chapter 17A.

123.173B Charity beer, spirits, and wine event permit.

1. For purposes of this section, “*authorized nonprofit entity*” includes a nonprofit entity which has a principal office in the state, a nonprofit corporation organized under chapter 504, or a foreign corporation as defined in section 504.141, whose income is exempt from federal taxation under section 501(c) of the Internal Revenue Code.

2. Upon application to the division and receipt of a charity beer, spirits, and wine event permit, an authorized nonprofit entity may conduct an event at which the entity is authorized to serve the event’s attendees beer, spirits, and wine for consumption on the premises of the event, regardless of whether the entity charges an admission fee to the event or otherwise collects the cost of the beer, spirits, and wine served from the event’s attendees and subject to the requirements of this section.

3. An application for a charity beer, spirits, and wine event permit shall include all of the following information:

a. The date and time when the charity beer, spirits, and wine event is to be conducted and the location of the premises in this state where the charity beer, spirits, and wine event is to be physically conducted.

b. The liquor control license or wine or beer permit number issued by the division for the premises where the charity beer, spirits, and wine event is to be conducted.

c. A certification that the objective of the charity beer, spirits, and wine event is to raise funds solely to be used for educational, religious, or charitable purposes and that the entire proceeds from the charity beer, spirits, and wine event are to be expended for any of the purposes described in section 423.3, subsection 78.

4. A charity beer, spirits, and wine event shall comply with all of the following requirements:

a. The event is to be conducted on a premises covered by a valid liquor control license or wine or beer permit issued by the division.

b. The authorized nonprofit entity shall have a written agreement with the liquor control licensee or wine or beer permittee covering the premises where the event is to be conducted specifying that that licensee or permittee shall act as the agent of the authorized nonprofit entity for the purpose of providing and serving alcoholic beverages to the attendees of the event.

c. The liquor control licensee or wine or beer permittee covering the premises where the event is to be conducted shall supply all alcoholic beverages served to the attendees of the event.

d. Only those types of alcoholic beverages as are authorized to be sold by the liquor control license or wine or beer permit covering the premises where the event is to be conducted are to be served to the attendees of the event.

5. An authorized nonprofit entity shall be eligible to receive no more than two charity beer, spirits, and wine event permits during a calendar year and each charity beer, spirits, and wine event permit shall be valid for a period not to exceed thirty-six consecutive hours.

6. Any violation of the requirements of this chapter or the rules adopted pursuant to this chapter shall subject the charity beer, spirits, and wine event permit holder to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty, suspension of the permit, or revocation of the permit after notice and opportunity for a hearing pursuant to section 123.39 and chapter 17A.

123.175 Class “A” or retail wine permit application and issuance.

1. A person applying for a class “A” or retail wine permit shall submit a completed application electronically, or in a manner prescribed by the administrator, which shall set forth under oath the following:

a. The name and place of residence of the applicant.

b. The names and addresses of all persons or, in the case of a corporation, limited liability company, or any other similar legal entity, the officers, directors, and persons owning or controlling ten percent or more of the capital stock thereof, having a financial interest, by way of loan, ownership, or otherwise, in the business.

c. The location of the premises where the applicant intends to operate.

d. The name of the owner of the premises and if the owner of the premises is not the applicant, whether the applicant is the actual lessee of the premises.

e. When required by the administrator, and in such form and containing such information as the administrator may require, a description of the premises where the applicant intends to use the permit, to include a sketch or drawing of the premises and, if applicable, the number of square feet of interior floor space which comprises the retail sales area of the premises.

f. Whether any person specified in paragraph “b” has ever been convicted of any offense against the laws of the United States, or any state or territory thereof, or any political subdivision of any such state or territory.

g. Any other information as required by the administrator.

2. The administrator shall issue a class “A” or retail wine permit to any applicant who establishes all of the following:

a. That the applicant has submitted a completed application as required by subsection 1.

b. That the applicant is a person of good moral character as provided in section 123.3, subsection 40.

c. That the applicant is a citizen of the state of Iowa or, if a corporation, that the applicant is authorized to do business in the state.

d. That, in the case of a class “A” wine permit, the applicant has filed with the division a basic permit issued by the alcohol and tobacco tax and trade bureau of the United States department of the treasury, and that the applicant will faithfully observe and comply with all the laws, rules, and regulations governing the manufacture and sale of wine.

e. That the premises where the applicant intends to use the permit conforms to all applicable laws, health regulations, and fire regulations, and constitutes a safe and proper place or building.

f. That the applicant gives consent to a person, pursuant to section 123.30, subsection 1, to enter upon the premises without a warrant during the business hours of the applicant to inspect for violations of the provisions of this chapter or ordinances and regulations that local authorities may adopt.

g. That the applicant has submitted, in the case of a class “A” wine permit, a bond in

the amount of five thousand dollars in a manner prescribed by the administrator with good and sufficient sureties to be approved by the division conditioned upon compliance with this chapter.

123.176 Native wines.

1. Subject to rules of the division, manufacturers of native wines from grapes, cherries, other fruits or other fruit juices, vegetables, vegetable juices, dandelions, clover, honey, or any combination of these ingredients, holding a class “A” wine permit as required by this chapter, may sell, keep, or offer for sale and deliver the wine. Notwithstanding section 123.24, subsection 2, paragraph “b”, or any other provision of this chapter, manufacturers of native wine may obtain and possess grape brandy from the division for the sole purpose of manufacturing wine.

2. Native wine may be sold at retail for off-premises consumption when sold on the premises of the manufacturer, or in a retail establishment operated by the manufacturer. Sales may also be made to class “A” or retail wine permittees or liquor control licensees as authorized by sections 123.173 and 123.177. A manufacturer of native wines shall not sell the wines other than as permitted in this chapter and shall not allow wine sold to be consumed upon the premises of the manufacturer. However, prior to sale, native wines may be tasted pursuant to the rules of the division on the premises where made, when no charge is made for the tasting.

3. A manufacturer of native wines may ship wine in closed containers to individual purchasers inside this state by obtaining a wine direct shipper permit pursuant to section 123.187.

4. A class “A” wine permit issued for a native wine manufacturer shall only allow the native wine manufacturer to sell, keep, or offer for sale and deliver the manufacturer’s native wines as provided under this section.

5. Notwithstanding any other provision of this chapter, a person engaged in the business of manufacturing native wine may sell native wine at retail for consumption on the premises of the manufacturing facility by applying for a class “C” native wine permit as provided in section 123.178B. A manufacturer of native wine may be granted not more than one class “C” native wine permit. A manufacturer of native wine may be issued a class “C” native wine permit regardless of whether the manufacturer is also a manufacturer of beer pursuant to a class “A” beer permit or a manufacturer of native distilled spirits pursuant to a class “A” native distilled spirits license.

6. Notwithstanding any other provision of this chapter, a person employed by a manufacturer of native wine holding a class “A” wine permit may be employed by a brewery with a class “A” beer permit provided the person has no ownership interest in either licensed premises.

7. A manufacturer may use the space and equipment of another manufacturer for the purpose of manufacturing native wine, provided that such an alternating proprietorship arrangement is approved by the alcohol and tobacco tax and trade bureau of the United States department of the treasury. A separate class “A” wine permit shall be issued to each manufacturer, and each manufacturer shall be subject to the provisions of this chapter and the rules of the division. Notwithstanding subsection 5, not more than one class “C” native wine permit shall be issued to a premises with alternating proprietorships.

8. A manufacturer of native wines shall file with the division, on or before the fifteenth day of each calendar month, all documents filed with the alcohol and tobacco tax and trade bureau of the United States department of the treasury, including all wine premises operations and excise tax return reports.

9. For the purposes of this section, “*manufacturer*” includes only those persons who process in Iowa the fruit, vegetables, dandelions, clover, honey, or any combination of these ingredients, by fermentation into wines.

123.177 Authority under class “A” wine permit.

1. A person holding a class “A” wine permit may manufacture and sell, or sell at wholesale, wine for consumption off the premises. Sales within the state may be made only to persons holding a class “A” or “B” wine permit and to persons holding a retail liquor control license. However, if the person holding the class “A” permit is a manufacturer of native wine, the person may sell only native wine to a person holding a retail wine permit or a retail liquor control license. A person holding a class “A” wine permit may sell wine to distributors outside of the state that are authorized by the laws of that jurisdiction to sell wine at wholesale. A class “A” wine permittee having more than one place of business shall obtain a separate permit for each place of business where wine is to be manufactured, stored, warehoused, or sold.

2. A class “A” wine permit holder may purchase and resell only those brands of wine which are manufactured, fermented, bottled, shipped, or imported by a person holding a certificate of compliance issued pursuant to section 123.180.

3. A class “A” wine permit holder may sell wine to a person holding both a class “B” beer permit and a class “A” beer permit pursuant to section 123.131, subsection 4.

123.178 Authority under class “B” wine permit.

1. A person holding a class “B” wine permit may sell wine at retail for consumption off the premises. Wine shall be sold for consumption off the premises in original containers except as provided in subsection 4.

2. A class “B” wine permittee having more than one place of business where wine is sold shall obtain a separate permit for each place of business.

3. A person holding a class “B” wine permit may purchase wine for resale only from a person holding a class “A” wine permit.

4. Subject to the rules of the division, sales made pursuant to this section may be made in a container other than the original container only if all of the following requirements are met:

a. The wine is transferred from the original container to the container to be sold on the licensed premises at the time of sale or when sold by telephonic or other electronic means.

b. The person transferring the wine from the original container to the container to be sold shall be eighteen years of age or more.

c. The container to be sold shall be no larger than seventy-two ounces.

d. The container to be sold shall be securely sealed by a method authorized by the division that is designed so that if the sealed container is reopened or the seal tampered with, it is visibly apparent that the seal on the container of wine has been tampered with or the sealed container has otherwise been reopened.

5. A container of wine other than the original container that is sold and sealed in compliance with the requirements of subsection 4 and the rules of the division shall not be deemed an open container subject to the requirements of sections 321.284 and 321.284A if the sealed container is unopened and the seal has not been tampered with, and the contents of the container have not been partially removed.

123.180 Vintner’s certificate of compliance — wholesale and retail restrictions — penalties.

1. A manufacturer, vintner, bottler, importer, or vendor of wine, or an agent thereof, desiring to ship, sell, or have wine brought into this state for sale at wholesale by a class “A” permittee shall first make application for and shall be issued a vintner’s certificate of compliance by the administrator for that purpose. The vintner’s certificate of compliance shall expire at the end of one year from the date of issuance and shall be renewed for a like period upon application to the administrator unless otherwise revoked for cause. Each completed application for a vintner’s certificate of compliance or renewal of a certificate shall be submitted electronically, or in a manner prescribed by the administrator, and shall be accompanied by a fee of one hundred dollars payable to the division. Each holder of a vintner’s certificate of compliance shall furnish the information required by the administrator in the form the administrator requires. A vintner or wine bottler whose plant is located in Iowa and who otherwise holds a class “A” wine permit to sell wine at wholesale is exempt from the fee, but not the other terms and conditions. The holder of a vintner’s certificate of compliance may also hold a class “A” wine permit.

2. At the time of applying for a vintner’s certificate of compliance, each applicant shall file with the division a list of all class “A” wine permittees with whom it intends to do business. The listing of class “A” wine permittees as filed with the division shall be amended by the holder of the certificate of compliance as necessary to keep the listing current with the division.

3. All class “A” wine permit holders shall sell only those brands of wine which are manufactured, bottled, fermented, shipped, or imported by a person holding a current vintner’s certificate of compliance. An employee or agent working for or representing the holder of a vintner’s certificate of compliance within this state shall register the employee’s or agent’s name and address with the division. These names and addresses shall be filed with the division’s copy of the certificate of compliance issued except that this provision does not require the listing of those persons who are employed on the premises of a bottling plant, or winery where wine is manufactured, fermented, or bottled in Iowa or the listing of those persons who are thereafter engaged in the transporting of the wine.

4. It is unlawful for a holder of a vintner’s certificate of compliance or the holder’s agent, or any class “A” wine permittee or the permittee’s agent, to discriminate between class “B” wine permittees authorized to sell wine at retail.

5. It is unlawful for a holder of a vintner’s certificate of compliance or the vintner’s agent

who is engaged in the business of selling wine to class “A” wine permittees to discriminate between class “A” wine permittees authorized to sell wine at wholesale.

6. Any violation of the requirements of this chapter or the rules adopted pursuant to this chapter shall subject the holder of a vintner’s certificate of compliance or a class “A” wine permit holder to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty, suspension of the certificate or permit, or revocation of the certificate or permit after notice and opportunity for a hearing pursuant to section 123.39 and chapter 17A.

123.182 Labels — point of origin — conclusive evidence.

1. All imported bulk wines to be bottled and distributed in the state shall have the point of origin stated on the label. The print size for the point of origin shall be at least half the print size of the brand name on the label.

2. The label on a bottle or other container in which wine is offered for sale in this state, which label represents the alcoholic content of the wine as being in excess of seventeen percent by weight or twenty-one and twenty-five hundredths percent of alcohol by volume, is conclusive evidence of the alcoholic content of that wine.

123.183 Wine gallonage tax and related funds.

1. In addition to the annual permit fee to be paid by each class “A” wine permittee, a wine gallonage tax shall be levied and collected from each class “A” wine permittee on all wine manufactured for sale and sold in this state at wholesale and on all wine imported into this state for sale at wholesale and sold in this state at wholesale. A wine gallonage tax shall also be levied and collected on the direct shipment of wine pursuant to section 123.187. The rate of the wine gallonage tax is one dollar and seventy-five cents for each wine gallon. The same rate shall apply for the fractional parts of a wine gallon. The wine gallonage tax shall not be levied or collected on wine sold by one class “A” wine permittee to another class “A” wine permittee or on wine that is sold by a class “A” wine permittee to a distributor outside of the state.

2. a. Revenue collected from the wine gallonage tax on wine manufactured for sale and sold at wholesale in this state, and on wine subject to direct shipment as provided in section 123.187 by a wine manufacturer licensed or permitted pursuant to laws regulating alcoholic beverages in this state, shall be deposited in the wine gallonage tax fund as created in this section.

b. (1) A wine gallonage tax fund is created in the office of the treasurer of state.

(2) Moneys deposited in the fund are appropriated as follows:

(a) To the midwest grape and wine industry institute at Iowa state university of science and technology, two hundred fifty thousand dollars.

(b) To the economic development authority for purposes of section 15E.117, the balance of moneys in the fund after the appropriation in subparagraph division (a).

(3) Moneys in the fund and moneys appropriated from the fund pursuant to subparagraph (2) are not subject to reversion under section 8.33.

3. The revenue collected from the wine gallonage tax on wine imported into this state for sale at wholesale and sold in this state at wholesale, and on wine subject to direct shipment

as provided in section 123.187 by a wine manufacturer licensed or permitted pursuant to laws regulating alcoholic beverages in another state, shall be deposited in the beer and liquor control fund created in section 123.17.

123.184 Report of gallonage sales — penalty.

1. Each class “A” wine permit holder on or before the tenth day of each calendar month commencing on the tenth day of the calendar month following the month in which the person is issued a permit, shall make a report under oath to the division electronically, or in a manner prescribed by the administrator, showing the exact number of gallons of wine and fractional parts of gallons sold by that permit holder during the preceding calendar month. The report also shall state whatever reasonable additional information the administrator requires. The permit holder at the time of filing this report shall pay to the division the amount of tax due at the rate fixed in section 123.183. A penalty of ten percent of the amount of the tax shall be assessed and collected if the report required to be filed pursuant to this subsection is not filed and the tax paid within the time required by this subsection.

2. Each wine direct shipper license holder shall make a report under oath to the division electronically, or in a manner prescribed by the administrator, on or before the tenth day of the calendar months of June and December, showing the exact number of gallons of wine and fractional parts of gallons sold and shipped pursuant to section 123.187 during the preceding six-month calendar period. The report shall also state whatever reasonable additional information the administrator requires. The license holder at the time of filing this report shall pay to the division the amount of tax due at the rate fixed in section 123.183. A penalty of ten percent of this amount shall be assessed and collected if the report required to be filed pursuant to this subsection is not filed and the tax paid within the time required by this subsection.

123.186 Federal regulations adopted as rules — penalties.

1. The division shall adopt as rules the substance of the federal regulations 27 C.F.R. pt. 6, 27 C.F.R. pt. 8, 27 C.F.R. pt. 10, and 27 C.F.R. pt. 11.

2. The division shall adopt as rules the substance of 27 C.F.R. §6.88, to permit a manufacturer of alcoholic beverages, wine, or beer, or an agent of such manufacturer, to provide to a retailer without charge wine and beer coil cleaning services, including carbon dioxide filters and other necessary accessories to properly clean the coil and affix carbon dioxide filters. The rules shall provide that the manufacturer shall be responsible for paying the costs of any filters provided.

3. A licensee or permittee who permits or assents to or is a party in any way to a violation or infringement of a rule adopted pursuant to this section is guilty of a violation of this section. A violation of this section shall subject the licensee or permittee to the general

penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty or suspension or revocation of the license or permit pursuant to section 123.39.

85 Acts, ch 32, §77; 2006 Acts, ch 1061, §1; 2007 Acts, ch 22, §36; 2018 Acts, ch 1060, §70; 2019 Acts, ch 113, §58

123.187 Direct shipment of wine — permit and requirements.

1. A wine manufacturer licensed or permitted pursuant to laws regulating alcoholic beverages in this state or another state may apply for a wine direct shipper permit, as provided in this section. For the purposes of this section, a “*wine manufacturer*” means a person who processes the fruit, vegetables, dandelions, clover, honey, or any combination of these ingredients, by fermentation into wines.

2. *a.* Only a wine manufacturer that holds a wine direct shipper permit issued pursuant to this section shall sell wine at retail for direct shipment to any person within this state. This section shall not prohibit an authorized retail licensee or permittee from delivering wine pursuant to section 123.46A.

b. A wine manufacturer applying for a wine direct shipper permit shall submit an application for the permit electronically, or in a manner prescribed by the administrator, accompanied by a true copy of the manufacturer’s current alcoholic beverage license or permit issued by the state where the manufacturer is primarily located and a copy of the manufacturer’s basic permit issued by the alcohol and tobacco tax and trade bureau of the United States department of the treasury.

c. An application submitted pursuant to paragraph “*b*” shall be accompanied by a permit fee in the amount of twenty-five dollars.

d. An application submitted pursuant to paragraph “*a*” shall also be accompanied by a bond in the amount of five thousand dollars in the form prescribed and furnished by the division with good and sufficient sureties to be approved by the division conditioned upon compliance with this chapter. However, a wine manufacturer that has submitted a bond pursuant to section 123.175, subsection 2, paragraph “*g*”, shall not be required to provide a bond as provided in this paragraph.

e. A permit issued pursuant to this section may be renewed annually by submitting a renewal application with the administrator in a manner prescribed by the administrator, accompanied by the twenty-five dollar permit fee.

3. The direct shipment of wine pursuant to this section shall be subject to the following requirements and restrictions:

a. Wine shall only be shipped to a resident of this state who is at least twenty-one years of age, for the resident’s personal use and consumption and not for resale.

b. Wine subject to direct shipping shall be properly registered with the federal alcohol and tobacco tax and trade bureau, and fermented on the winery premises of the wine direct shipper permittee.

c. All containers of wine shipped directly to a resident of this state shall be conspicuously labeled with the words “CONTAINS ALCOHOL: SIGNATURE OF PERSON AGE 21 OR OLDER REQUIRED FOR DELIVERY” or shall be conspicuously labeled with alternative wording preapproved by the administrator.

d. All containers of wine shipped directly to a resident of this state shall be shipped by a holder of a wine carrier permit as provided in section 123.188.

e. Shipment of wine pursuant to this subsection does not require a refund value for beverage container control purposes under chapter 455C.

4. A wine direct shipper permittee shall remit to the division an amount equivalent to the wine gallonage tax on wine subject to direct shipment at the rate specified in section 123.183 for deposit as provided in section 123.183, subsections 2 and 3. The amount shall be remitted at the time and in the manner provided in section 123.184, subsection 2, and the ten percent penalty specified therein shall be applicable.

5. A wine direct shipper permittee shall be deemed to have consented to the jurisdiction of the division or any other agency or court in this state concerning enforcement of this section and any related laws, rules, or regulations. A permit holder shall allow the division to perform an audit of shipping records upon request.

6. A violation of this section shall subject the permittee to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty or suspension or revocation of the permit pursuant to section 123.39.

123.188 Wine carrier — permit and requirements.

1. A person desiring to deliver wine subject to direct shipment within this state pursuant to section 123.187 shall submit an application for a wine carrier permit electronically, or in a manner prescribed by the administrator, which shall be accompanied by a fee in the amount of one hundred dollars.

2. The administrator may in accordance with this chapter issue a wine carrier permit which shall be valid for one year from the date of issuance unless it is sooner suspended or revoked for a violation of this chapter.

3. A permit issued pursuant to this section may be renewed annually by submitting a renewal application with the administrator in a manner prescribed by the administrator, accompanied by the one hundred dollar permit fee.

4. The delivery of wine pursuant to this section shall be subject to the following requirements and restrictions:

a. A wine carrier permittee shall not deliver wine to any person under twenty-one years of age, or to any person who either is or appears to be in an intoxicated state or condition.

b. A wine carrier permittee shall obtain valid proof of identity and age prior to delivery, and shall obtain the signature of an adult as a condition of delivery.

c. A wine carrier permittee shall maintain records of wine shipped which include the permit number and name of the wine manufacturer, quantity of wine shipped, recipient’s name and address, and an electronic or paper form of signature from the recipient of the wine. Records shall be submitted to the division on a monthly basis in a form and manner to be determined by the division.

5. A violation of this section shall subject the permittee to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty or suspension or revocation of the permit pursuant to section 123.39.

BEER BREWERS AND WHOLESALERS — CANNED COCKTAILS

123A.1	Purposes and scope.	123A.8	Right of free association.
123A.2	Definitions.	123A.9	Judicial remedies.
123A.3	Termination and notice of cancellation.	123A.10	Waiver — prohibited.
123A.4	Cancellation.	123A.11	Indemnification.
123A.5	Prohibited conduct.	123A.12	Application to existing agreements.
123A.6	Transfer of business assets or stock.	123A.13	Canned cocktails — applicability of chapter.
123A.7	Reasonable compensation.		

123A.1 Purposes and scope.

This chapter is enacted pursuant to the authority of the state under the provisions of the twenty-first amendment to the Constitution of the United States to promote the public’s interest in fair, efficient, and competitive distribution of beer products through regulation

and encouragement of brewer and wholesaler vendors to conduct their business relations toward these ends by:

1. Assuring that the beer wholesaler is free to manage its business enterprise.
 2. Assuring the brewer and the public of service from wholesalers who will devote reasonable efforts and resources to distribution and sales of all of the brewer's products which the wholesaler has been granted the right to sell and distribute and maintain satisfactory sales levels.
 3. Promoting and maintaining a sound, stable, and viable three-tier system of distribution of beer to the public.
- 95 Acts, ch 101, §1

123A.2 Definitions.

As used in this chapter, unless the context otherwise requires:

1. "*Affected party*" means a wholesaler, brewer, master distributor, successor brewer, or any person that is a party to an agreement.
2. "*Agreement*" means a contract or arrangement whether expressed or implied, oral or written, for a definite or indefinite period between a brewer and a wholesaler pursuant to which a wholesaler has been granted the right to purchase, resell, and distribute one or more brands of beer offered by a brewer, or a contract or arrangement in which a brewer grants to a wholesaler a license to use a trade name, trademark, service mark, or related characteristic and in which there is a community of interest in the marketing of the products of the brewer. An agreement exists when one or more of the following occur:
 - a. A brewer has shipped beer to a wholesaler or accepted an order for beer from a wholesaler.
 - b. A brewer purchases the right to manufacture a beer product, the right to use the trade name for the product, or the right to distribute a product from another brewer with whom the wholesaler has an agreement.
3. "*Beer*" means beer or high alcoholic content beer as defined in section 123.3.
4. "*Brand*" means a word, name, group of letters, symbol, or a combination of words, names, letters, or symbols adopted and used by a brewer to identify a specific beer product, and to distinguish that beer product from other beer products brewed or marketed by that brewery or other breweries.
5. "*Brand extension*" means a brand which incorporates all or a substantial part of the unique features of a preexisting brand of the same brewery and which relies to a significant extent on the goodwill associated with the preexisting brand. However, a general corporate logo or symbol or an advertising message, whether appearing on the product packaging or elsewhere, is not a brand, brand extension, or part of a brand or brand extension.
6. "*Brewer*" means a person who is engaged in the manufacture of beer for the purpose of sale, barter, exchange, or transportation, a master distributor, or a fermenter, processor, bottler, packager, or importer of beer, or a successor brewer.
7. "*Canned cocktail*" means as defined in section 123.3.
8. "*Designated member*" means a deceased wholesaler's spouse, child, grandchild, parent, brother, or sister, who is entitled to inherit the deceased wholesaler's ownership interest under the terms of the deceased wholesaler's will, other testamentary device, or the laws of intestate succession. With respect to an incapacitated individual having an ownership interest in a wholesaler, "*designated member*" also means a person appointed by the court as the conservator of the individual's property. "*Designated member*" also includes the appointed and qualified personal representative and the testamentary trustee of a deceased wholesaler.
9. "*Good cause*" exists if the wholesaler or affected party has failed to comply with reasonable requirements which are imposed upon the wholesaler or affected party through an agreement, which do not discriminate either by their terms or in the methods of their enforcement as compared with requirements imposed on other similarly situated wholesalers by the brewer, and which are not in violation of any law or administrative rule.
10. "*Good faith*" means honesty in fact and the observance of reasonable commercial standards of fair dealing in the trade and defined and interpreted under section 554.1201.
11. "*Manager*" means an individual named or designated by agreement between the

brewer and wholesaler, who is principally responsible for the daily management of the wholesaler.

12. “*Master distributor*” means a wholesaler who acts in the role of or in a similar capacity as a brewer or outside seller of one or more brands of beer to other wholesalers on a regular basis in the normal course of business.

13. “*Reasonable standards and qualifications*” means those criteria applied by the brewer to similarly situated wholesalers during a period of twenty-four months before a proposed change in a successor manager of the wholesaler’s business.

14. “*Similarly situated wholesalers*” means wholesalers of a brewer that are of a generally comparable size, and operate in markets with similar demographic characteristics, including population size, density, distribution, and vital statistics, and reasonably similar economic and geographic conditions.

15. “*Successor brewer*” means a person who succeeds to the role of a brewer or master distributor to manufacture or distribute one or more brands of beer whether by merger, purchase of corporate shares, purchase of assets, or any other arrangement.

16. “*Successor manager*” means an individual named or designated by agreement between a brewer and wholesaler who succeeds to the role of manager who will be principally responsible for the daily management of the wholesaler.

17. “*Territory*” means the geographic area of primary sales responsibility designated by an agreement between a wholesaler and brewer for one or more brands of beer of the brewer.

18. “*Wholesaler*” means a person, other than a vintner, brewer, or bottler of beer, who sells, barter, exchanges, offers for sale, possesses with intent to sell, deals, or traffics in beer.

95 Acts, ch 101, §2; 2008 Acts, ch 1032, §23; 2015 Acts, ch 17, §1; 2019 Acts, ch 107, §4, 6

123A.3 Termination and notice of cancellation.

1. Except as provided in subsection 5, a brewer or wholesaler shall not amend, modify, cancel, fail to renew, or otherwise terminate an agreement unless the brewer or wholesaler furnishes prior notification to the other party in accordance with subsection 2.

2. The notification required under subsection 1 shall be in writing and sent to the affected party by certified mail not less than ninety days before the date on which the agreement will be amended, modified, canceled, not renewed, or otherwise terminated. The notification shall contain all of the following:

a. A statement of intention to amend, modify, cancel, fail to renew, or otherwise terminate the agreement.

b. A statement enumerating the facts and reasons for the action, including documentation necessary to fully inform the wholesaler of the reasons for the action.

c. The date on which the action will take effect.

3. For each cancellation, nonrenewal, or termination, the brewer shall have the burden of showing that it has acted in good faith, that the notice requirements under this section have been complied with, and that there was good cause for the cancellation, nonrenewal, or termination.

4. Notwithstanding the terms or conditions of any agreement, good cause exists for the purpose of a cancellation, nonrenewal, or termination if all of the following occur:

a. The wholesaler fails to comply with a provision of the agreement which is both reasonable and of material significance to the business relationship between the wholesaler and the brewer.

b. The brewer first acquired knowledge of the failure described in paragraph “a” not more than twenty-four months before the date notification was given pursuant to subsection 2.

c. The wholesaler was given notice by the brewer of failure to comply with the agreement.

d. The wholesaler has been given thirty days in which to submit a plan of corrective action to comply with the agreement and an additional ninety days to cure the noncompliance in accordance with the plan, and has failed to correct the failure to comply with the provisions of the agreement.

5. A brewer may cancel, fail to renew, or otherwise terminate an agreement without

furnishing any prior notification and without good cause as required in subsection 4 for any of the following reasons:

- a. The wholesaler's failure to pay any account when due and upon written demand by the brewer for the payment, in accordance with agreed upon payment terms.
- b. The wholesaler's assignment for the benefit of creditors, or similar disposition, of substantially all of the assets of the party's business.
- c. The insolvency of the wholesaler, or the institution of proceedings in bankruptcy by or against the wholesaler.
- d. The dissolution or liquidation of the wholesaler.
- e. The wholesaler's conviction of, or plea of guilty or no contest to, a charge of violating a law or rule in this state which materially and adversely affects the ability of either party to continue to sell beer in this state, or the revocation or suspension of a license or permit to sell beer in this state for a period greater than thirty-one days.
- f. Any attempted transfer of business assets of the wholesaler, ten percent or more of the voting stock of the wholesaler or the voting stock of any parent corporation of the wholesaler, or any change in the beneficial ownership or control of any wholesaler without obtaining the prior consent or approval as provided for under section 123A.6.
- g. The wholesaler's fraudulent conduct relating to a material matter on the part of the wholesaler in dealings with the brewer or its product. However, the brewer shall have the burden of proving fraudulent conduct relating to a material matter on the part of the wholesaler in any legal action challenging the termination.
- h. The wholesaler distributes, sells, or delivers beer to a retailer whose premises are situated outside the geographic territory agreed upon by the wholesaler and the brewer as the area in which the wholesaler will sell beer purchased from the brewer, without the consent of the brewer and the distributor who has been assigned the territory by the brewer.

95 Acts, ch 101, §3

Referred to in §123A.4

123A.4 Cancellation.

A brewer or a wholesaler shall not cancel, fail to renew, or otherwise terminate an agreement unless the party intending that action has good cause for the cancellation, failure to renew, or termination, has made good faith efforts to resolve disagreements, and, in any case in which prior notification is required under section 123A.3, the party intending to act has furnished the prior notification and the other party has not eliminated the reasons specified in the notification for cancellation, failure to renew, or termination, within the periods provided in section 123A.3, subsection 4, paragraph "d".

95 Acts, ch 101, §4

123A.5 Prohibited conduct.

1. A brewer shall not commit any of the following actions:
 - a. Induce or coerce, or attempt to induce or coerce, any wholesaler to engage in any illegal act or course of conduct.
 - b. Require a wholesaler to assent to any unreasonable requirement, condition, understanding, or term of an agreement prohibiting a wholesaler from selling the product of another brewer.
 - c. Fix, maintain, or establish the price at which a wholesaler may resell beer, or to change, by any means, the price charged to the wholesaler after beer has been ordered by the wholesaler from the brewer.
 - d. Require any wholesaler to accept delivery of any beer or any other item or commodity which shall not have been ordered by the wholesaler.
 - e. Require a wholesaler without the wholesaler's approval to participate in an arrangement for the payment or crediting by an electronic fund transfer transaction for any item or commodity other than beer, or to access a wholesaler's account for any item or commodity other than beer.
 - f. Require or prohibit any change in the manager or successor manager of any wholesaler who has been approved by the brewer as of or subsequent to July 1, 1995, unless the brewer

acts in good faith. If a wholesaler changes an approved manager or successor manager, a brewer shall not require or prohibit the change unless the person selected by the wholesaler fails to meet the nondiscriminatory, material, and reasonable standards and qualifications for managers or successor managers consistently applied to similarly situated wholesalers by the brewer. However, the brewer shall have the burden of proving that the person fails to meet the reasonable standards and qualifications.

g. Discriminate among the brewer's wholesalers in any business dealings including, but not limited to, the price of beer sold to the wholesaler or terms of sale offered to wholesalers, unless the difference among its wholesalers is based on reasonable grounds.

h. Fail to provide each wholesaler of the brewer's brand with a written agreement which contains in total the brewer's agreement with each wholesaler, and designates a specific exclusive sales territory. The terms of written agreements executed, amended, or renewed after July 1, 1995, shall be consistent with this chapter, and this chapter may be incorporated by reference in the agreement.

i. Enter into an additional agreement with any other wholesaler for, or to sell to any other wholesaler, the same brand of beer or brand extension in the same territory or any portion of the territory, or to sell directly to any retailer in this state.

j. Require a wholesaler to purchase one or more brands of beer in order for the wholesaler to purchase another brand of beer for any reason.

k. Require a wholesaler, by any means, directly to participate in or contribute to any local or national advertising fund controlled directly or indirectly by a brewer.

l. Require by a provision of an agreement or other instrument in connection with the agreement that any dispute arising out of or in connection with the agreement be determined through the application of any other state's laws, be determined in federal court sitting in a state other than Iowa, or be determined in a state court of a state other than this state. A provision contained in any agreement or other instrument in connection with the agreement which contravenes this section shall be null and void.

2. A wholesaler who, pursuant to an agreement, is granted a sales territory for which the wholesaler is primarily responsible or in which the wholesaler is required to concentrate the wholesaler's efforts, shall not make any sale or delivery of beer to any retail licensee whose place of business is not within the territory granted to the wholesaler unless agreed upon by all affected parties.

95 Acts, ch 101, §5

123A.6 Transfer of business assets or stock.

1. A brewer shall not unreasonably withhold or delay its approval of any assignment, sale, or transfer of the stock or other indicia of ownership of a wholesaler or all or any portion of a wholesaler's assets, wholesaler's voting stock, the voting stock of any parent corporation, or the beneficial ownership or control of any other entity owning or controlling the wholesaler, including the wholesaler's rights and obligations under the terms of an agreement when the person to be substituted meets reasonable standards. Upon the death of one of the partners of a partnership operating the business of a wholesaler, a brewer shall not deny the surviving partner of the partnership the right to become a successor-in-interest to the agreement between the brewer and the partnership, if the survivor has been active in the management of the partnership and is otherwise capable of carrying on the business of the partnership.

2. Notwithstanding subsection 1, upon the death of a wholesaler, a brewer shall not deny approval for any transfer of ownership or management to a designated member, including the rights under the agreement with the brewer. The transfer or assignment shall not be effective until written notice is given to the brewer, but the brewer's consent to the transfer or assignment shall not be required.

95 Acts, ch 101, §6

Referred to in §123A.3

123A.7 Reasonable compensation.

1. A brewer who cancels, fails to renew, or terminates any agreement, or unlawfully denies

approval of, or unreasonably withholds consent to any assignment, transfer, or sale of a wholesaler's business assets or voting stock or other equity securities, except as provided in this chapter, shall pay the wholesaler with which the brewer has an agreement pursuant to this chapter, reasonable compensation for the fair market value of the wholesaler's business with relation to the affected brand of beer. The fair market value of the wholesaler's business shall include, but not be limited to, its goodwill, if any.

2. If a brewer and a wholesaler are unable to mutually agree on the reasonable compensation to be paid for the value of the wholesaler's business, either party may maintain a civil action as provided in section 123A.9, or the matter may, by mutual agreement of the parties, be submitted to a three-member arbitration panel consisting of one representative selected by the brewer but unassociated with the brewer; one representative selected by the wholesaler but unassociated with the wholesaler; and an impartial arbitrator selected by the other two members from a list provided by the American arbitration association, and the claim settled in accordance with the rules provided by the American arbitration association. Arbitration costs shall be paid one-half by the wholesaler and one-half by the brewer. Arbitration shall be conducted in accordance with the commercial arbitration rules of the American arbitration association and the laws of this state, and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The award of the arbitrator shall be final and binding on the parties.

95 Acts, ch 101, §7

123A.8 Right of free association.

A brewer or wholesaler shall not restrict or inhibit, directly or indirectly, the right of free association among brewers or wholesalers for any lawful purpose.

95 Acts, ch 101, §8

123A.9 Judicial remedies.

1. If a brewer or a wholesaler who is a party to an agreement pursuant to this chapter fails to comply with this chapter or otherwise engages in conduct prohibited under this chapter, the aggrieved party may maintain a civil action in district court if the cause of action directly relates to or stems from the relationship of the individual parties under the agreement.

2. A brewer or wholesaler may bring an action for declaratory judgment for determination of any controversy arising under this chapter or out of the brewer and wholesaler agreement.

3. Upon proper petition to the district court, a brewer or wholesaler may obtain injunctive relief against a violation of this chapter.

4. In an action under subsection 1, the district court may grant the relief as the court determines is necessary or appropriate considering the purposes of this chapter. The district court may, if it finds that a brewer has acted in bad faith in invoking the amendment, modification, cancellation, nonrenewal, or termination provision of the agreement between the brewer and wholesaler, or has unreasonably withheld its consent to any assignment, transfer, or sale of the wholesaler's business, award equitable relief, actual damages, court costs, and attorney's fees.

5. The prevailing party in an action under subsection 1 shall be entitled to actual damages, court costs, and attorney's fees at the court's discretion.

6. With respect to a dispute arising under this chapter or out of the agreement between a brewer and wholesaler, the wholesaler and brewer each has the absolute right, before the wholesaler or brewer has agreed to arbitrate a particular dispute, to refuse to arbitrate that particular dispute. A brewer shall not, as a condition of entering into or renewing an agreement, require the wholesaler to agree to arbitration in lieu of judicial remedies.

7. A brewer shall not take retaliatory action against a wholesaler who files or manifests an intention to file a complaint of alleged violation of state or federal law or regulation by the brewer with the appropriate state or federal regulatory authority. Retaliatory action shall include, but shall not be limited to, refusal without good cause to continue the agreement, or a

material reduction in the quality of service or quantity of products available to the wholesaler under the agreement, or impede the normal business operations of the wholesaler.

95 Acts, ch 101, §9

Referred to in §123A.7

123A.10 Waiver — prohibited.

A brewer shall not require a wholesaler to waive compliance with any provision of this chapter. This chapter shall not be construed to limit or prohibit a good faith settlement of a dispute voluntarily entered into between the parties.

95 Acts, ch 101, §10

123A.11 Indemnification.

A brewer shall fully indemnify and hold harmless the brewer's wholesaler against any losses, including but not limited to court costs and reasonable attorney fees or damages arising out of complaints, claims, or lawsuits, including but not limited to strict liability, negligence, misrepresentation, or express or implied warranty where the complaint, claim, or lawsuit relates to the manufacture or packaging of beer or other functions by the brewer which are beyond the control of the wholesaler.

95 Acts, ch 101, §11

123A.12 Application to existing agreements.

1. The provisions of this chapter apply to a valid agreement in effect immediately before July 1, 1995, when the first of the following dates occurs:

a. On the effective date of the next amendment, modification, or renewal of the existing valid agreement.

b. On the next anniversary date of the execution of the original agreement between the wholesaler and the brewer.

2. If no written agreement exists, the provisions of the chapter apply to the implied or oral unwritten agreement of a brewer and a wholesaler of that brewery on July 1, 1995.

95 Acts, ch 101, §12

123A.13 Canned cocktails — applicability of chapter.

The provisions of this chapter that apply to a brewer and wholesaler of beer shall apply to a manufacturer and wholesaler of canned cocktails.

16. “*Imitation controlled substance*” means a substance which is not a controlled substance but which by color, shape, size, markings, and other aspects of dosage unit appearance, and packaging or other factors, appears to be or resembles a controlled substance. The board may designate a substance as an imitation controlled substance pursuant to the board’s rulemaking authority and in accordance with chapter 17A. “*Imitation controlled substance*” also means any substance determined to be an imitation controlled substance pursuant to section 124.101B.

17. “*Immediate precursor*” means a substance which the board has found to be and by rule designates as being the principal compound commonly used or produced primarily for use, and which is an immediate chemical intermediary used or likely to be used in the manufacture of a controlled substance, the control of which is necessary to prevent, curtail, or limit manufacture.

18. “*Isomer*” means the optical isomer, except as used in section 124.204, subsection 4, and section 124.206, subsection 2, paragraph “d”. As used in section 124.204, subsection 4, “*isomer*” means the optical, positional, or geometric isomer. As used in section 124.206, subsection 2, paragraph “d”, “*isomer*” means the optical or geometric isomer.

19. “*Manufacture*” means the production, preparation, propagation, compounding, conversion, or processing of a controlled substance, either directly or by extraction from substances of natural origin, or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis, and includes any packaging or repackaging of the substance or labeling or relabeling of its container, except that this term does not include the preparation, compounding, packaging, or labeling of a controlled substance:

a. By a practitioner as an incident to administering or dispensing of a controlled substance in the course of the practitioner’s professional practice, or

b. By a practitioner, or by an authorized agent under the practitioner's supervision, for the purpose of, or as an incident to, research, teaching, or chemical analysis and not for sale.

20. "*Marijuana*" means all parts of the plants of the genus *Cannabis*, whether growing or not; the seeds thereof; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture or preparation of the plant, its seeds or resin, including tetrahydrocannabinols. It does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted therefrom), fiber, oil or cake or the sterilized seed of the plant which is incapable of germination.

21. "*Narcotic drug*" means any of the following, whether produced directly or indirectly by extraction from substances of vegetable origin, or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis:

a. Opium, opiates, derivatives of opium and opiates, including their isomers, esters, ethers, salts, and salts of isomers, esters, and ethers whenever the existence of such isomers, esters, ethers, and salts is possible within the specific chemical designation. Such term does not include the isoquinoline alkaloids of opium.

b. Poppy straw and concentrate of poppy straw.

c. Opium poppy.

d. Any compound, mixture, or preparation which contains any quantity of any of the substances referred to in paragraphs "a" through "c".

22. "*Office*" means the governor's office of drug control policy, as referred to in section 80E.1.

23. "*Opiate*" means any substance having an addiction-forming or addiction-sustaining liability similar to morphine or being capable of conversion into a drug having addiction-forming or addiction-sustaining liability. It does not include, unless specifically designated as controlled under section 124.201, the dextrorotatory isomer of 3-methoxy-n-methylmorphinan and its salts (dextromethorphan). It does include its racemic and levorotatory forms.

24. "*Opium poppy*" means the plant of the species *Papaver somniferum* L., except its seeds.

25. "*Person*" means individual, corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, or any other legal entity.

26. "*Poppy straw*" means all parts, except the seeds, of the opium poppy, after mowing.

27. "*Practitioner*" means either:

a. A physician, dentist, podiatric physician, prescribing psychologist, veterinarian, scientific investigator or other person licensed, registered, or otherwise permitted to distribute, dispense, conduct research with respect to, or to administer a controlled substance in the course of professional practice or research in this state.

b. A pharmacy, hospital or other institution licensed, registered, or otherwise permitted to distribute, dispense, conduct research with respect to or to administer a controlled substance in the course of professional practice or research in this state.

28. "*Production*" includes the manufacture, planting, cultivation, growing, or harvesting of a controlled substance.

29. "*Simulated controlled substance*" means a substance which is not a controlled substance but which is expressly represented to be a controlled substance, or a substance which is not a controlled substance but which is impliedly represented to be a controlled substance and which because of its nature, packaging, or appearance would lead a reasonable person to believe it to be a controlled substance.

30. "*State*", when applied to a part of the United States, includes any state, district, commonwealth, territory, insular possession, and any area subject to the legal authority of the United States of America.

31. "*Ultimate user*" means a person who lawfully possesses a controlled substance for the

person's own use or for the use of a member of the person's household or for administering to an animal owned by the person or by a member of the person's household.

124.101A Administration of controlled substances — delegation.

Nothing contained in this chapter shall be construed to prevent a physician, dentist, podiatric physician, or veterinarian from delegating the administration of controlled substances under this chapter to a nurse, intern, or other qualified individual or, as to veterinarians, to an orderly or assistant, under the veterinarian's direction and supervision; all pursuant to rules adopted by the board.

124.101B Factors indicating an imitation controlled substance.

If a substance has not been designated as an imitation controlled substance by the board and if dosage unit appearance alone does not establish that a substance is an imitation controlled substance, the following factors may be considered in determining whether the substance is an imitation controlled substance:

1. The person in control of the substance expressly or impliedly represents that the substance has the effect of a controlled substance.

2. The person in control of the substance expressly or impliedly represents that the substance because of its nature or appearance can be sold or delivered as a controlled substance or as a substitute for a controlled substance.

3. The person in control of the substance either demands or receives money or other property having a value substantially greater than the actual value of the substance as consideration for delivery of the substance.

SUBCHAPTER II

STANDARDS AND SCHEDULES

Referred to in §124.101, 155A.3

124.201 Duty to recommend changes in schedules — temporary amendments to schedules.

1. The board shall administer the regulatory provisions of this chapter. Annually, within thirty days after the convening of each regular session of the general assembly, the board shall recommend to the general assembly any deletions from, or revisions in the schedules of substances, enumerated in section 124.204, 124.206, 124.208, 124.210, or 124.212, which it deems necessary or advisable. In making a recommendation to the general assembly regarding a substance, the board shall consider the following:

- a. The actual or relative potential for abuse;
- b. The scientific evidence of its pharmacological effect, if known;
- c. State of current scientific knowledge regarding the substance;
- d. The history and current pattern of abuse;
- e. The scope, duration, and significance of abuse;
- f. The risk to the public health;

g. The potential of the substance to produce psychic or physiological dependence liability; and

h. Whether the substance is an immediate precursor of a substance already controlled under this subchapter.

2. After considering the factors described in subsection 1, the board shall make a recommendation to the general assembly, specifying the change which should be made in existing schedules, if it finds that the potential for abuse or lack thereof of the substance is not properly reflected by the existing schedules.

3. If the board designates a substance as an immediate precursor, substances which are precursors of the controlled precursor shall not be subject to control solely because they are precursors of the controlled precursor. Such designations shall be made pursuant to the procedures of chapter 17A.

4. If any new substance is designated as a controlled substance under federal law and notice of the designation is given to the board, the board shall similarly designate as controlled the new substance under this chapter after the expiration of thirty days from publication in the federal register of a final order designating a new substance as a controlled substance, unless within that thirty-day period the board objects to the new designation. In that case the board shall publish the reasons for objection and afford all interested parties an opportunity to be heard. At the conclusion of the hearing the board shall announce its decision. Upon publication of objection to a new substance being designated as a controlled substance under this chapter by the board, control under this chapter is stayed until the board publishes its decision. If a substance is designated as controlled by the board under this subsection the control shall be considered a temporary amendment to the schedules of controlled substances in this chapter. If the board so designates a substance as controlled, which is considered a temporary amendment to the schedules of controlled substances in this chapter, and if the general assembly does not amend this chapter to enact the temporary amendment and make the enactment effective within two years from the date the temporary amendment first became effective, the temporary amendment is repealed by operation of law two years from the effective date of the temporary amendment. A temporary amendment repealed by operation of law is subject to section 4.13 relating to the construction of statutes and the application of a general savings provision.

Subsection 2 amended

124.201A Cannabis-derived products — rules.

1. If a cannabis-derived investigational product approved as a prescription drug medication by the United States food and drug administration is added to the federal schedule of controlled substances by the federal drug enforcement administration and notice of the addition is given to the board, the board shall similarly add the prescription drug medication in the schedule of controlled substances under this chapter.

2. If a cannabis-derived product approved as a prescription drug medication by the United States food and drug administration is eliminated from or revised in the federal schedule of controlled substances by the federal drug enforcement administration and notice of the elimination or revision is given to the board, the board shall similarly eliminate or revise the prescription drug medication in the schedule of controlled substances under this chapter.

3. The board shall adopt rules pursuant to chapter 17A to administer this section. The board may adopt rules on an emergency basis as provided in section 17A.4, subsection 3, and section 17A.5, subsection 2, to administer this section, and the rules shall be effective immediately upon filing unless a later date is specified in the rules. Any emergency rules adopted in accordance with this section shall also be published as a notice of intended action as provided in section 17A.4, subsection 1.

4. Any cannabis-derived investigational product or cannabis-derived product approved

as a prescription drug medication by the United States food and drug administration shall not be considered marijuana or cannabimimetic agents, both as defined in section 124.204, tetrahydrocannabinols as used in section 124.204, subsection 4, paragraph “u”, unnumbered paragraph 1, or hemp as defined in section 204.2.

C93, §124.202

124.203 Substances listed in schedule I — criteria.

1. The board shall recommend to the general assembly that the general assembly place a substance in schedule I if the substance is not already included therein and the board finds that the substance:

- a. Has high potential for abuse; and
- b. Has no accepted medical use in treatment in the United States; or lacks accepted safety for use in treatment under medical supervision.

2. If the board finds that any substance included in schedule I does not meet these criteria, the board shall recommend that the general assembly place the substance in a different schedule or remove the substance from the list of controlled substances, as appropriate.

124.204 Schedule I — substances included.

1. Schedule I shall consist of the drugs and other substances, by whatever official name, common or usual name, chemical name, or brand name designated, listed in this section.

2. *Opiates*. Unless specifically excepted or unless listed in another schedule, any of the following opiates, including their isomers, esters, ethers, salts, and salts of isomers, esters, and ethers, whenever the existence of such isomers, esters, ethers, and salts is possible within the specific chemical designation:

- a. Acetylmethadol.
- b. Allylprodine.
- c. Alphacetylmethadol (except levo-alphacetylmethadol also known as levo-alpha-acetylmethadol, levomethadyl acetate, or LAAM).
- d. Alphameprodine.
- e. Alphamethadol.
- f. Alpha-Methylfentanyl (N-(1-(alpha-methyl-beta-phenyl) ethyl-4-piperidyl) propionanilide; 1-(1-methyl-2-phenylethyl)-4-(N-propanilido)piperidine).
- g. Benzethidine.
- h. Betacetylmethadol.
- i. Betameprodine.
- j. Betamethadol.
- k. Betaprodine.
- l. Clonitazene.
- m. Dextromoramide.
- n. Difenoxin.
- o. Diampromide.
- p. Diethylthiambutene.
- q. Dimenoxadol.
- r. Dimepheptanol.
- s. Dimethylthiambutene.

- t. Dioxaphetyl butyrate.
 - u. Dipipanone.
 - v. Ethylmethylthiambutene.
 - w. Etonitazene.
 - x. Etoxidine.
 - y. Furethidine.
 - z. Hydroxypethidine.
 - aa. Ketobemidone.
 - ab. Levomoramide.
 - ac. Levophenacymorphan.
 - ad. Morpheridine.
 - ae. Noracymethadol.
 - af. Norlevorphanol.
 - ag. Normethadone.
 - ah. Norpipanone.
 - ai. Phenadoxone.
 - aj. Phenampromide.
 - ak. Phenomorphan.
 - al. Phenoperidine.
 - am. Piritramide.
 - an. Proheptazine.
 - ao. Properidine.
 - ap. Propiram.
 - aq. Racemoramide.
 - ar. Tilidine.
 - as. Trimeperidine.
 - at. Beta-hydroxy-3-methylfentanyl (other name: N-[1-(2-hydroxy-2-phenethyl)-3-methyl-4-piperidinyl]-N-phenylpropanamide).
 - au. Acetyl-alpha-methylfentanyl (N-[1-(1-methyl-2-phenethyl)-4-piperidinyl]-N-phenylacetamide).
 - av. Alpha-methylthiofentanyl (N-[1-methyl-2-(2-thienyl)ethyl-4-piperidinyl]-N-phenylpropanamide).
 - aw. Beta-hydroxyfentanyl (N-[1-(2-hydroxy-2-phenethyl)-4-piperidinyl]-N-phenylpropanamide).
 - ax. 3-Methylfentanyl (N-[3-methyl-1-(2-phenylethyl)-4-piperidyl]-N-phenylpropanamide). For purposes of this opiate, "isomers" includes optical and geometric isomers.
 - ay. 3-Methylthiofentanyl (N-[3-methyl-1-(2-thienyl)ethyl-4-piperidinyl]-N-phenylpropanamide).
 - az. MPPP (1-methyl-4-phenyl-4-propionoxy-piperidine).
 - ba. Para-fluorofentanyl (N-(4-fluorophenyl)-N-[1-(2-phenethyl)-4-piperidinyl] propanamide).
 - bb. PEPAP (1-(2-phenethyl)-4-phenyl-4-acetoxypiperidine).
 - bc. Thiofentanyl (N-phenyl-N-[1-(2-thienyl)ethyl-4-piperidinyl]-propanamide).
 - bd. AH-7921 (3,4-dichloro-N-[(1-dimethylamino) cyclohexylmethyl]benzamide).
 - be. MT-45 (1-cyclohexyl-4-(1,2-diphenylethyl)piperazine).
3. *Opium derivatives.* Unless specifically excepted or unless listed in another schedule, any of the following opium derivatives, their salts, isomers and salts of isomers, whenever the existence of these salts, isomers and salts of isomers is possible within the specific chemical designation:
- a. Acetorphine.
 - b. Acetyldihydrocodeine.
 - c. Benzylmorphine.
 - d. Codeine methylbromide.
 - e. Codeine-N-Oxide.
 - f. Cyprenorphine.

- g. Desomorphine.
- h. Dihydromorphine.
- i. Etorphine (except hydrochloride salt).
- j. Heroin.
- k. Hydromorphanol.
- l. Methyldesorphine.
- m. Methyldihydromorphine.
- n. Morphine methylbromide.
- o. Morphine methylsulfonate.
- p. Morphine-N-Oxide.
- q. Myrophine.
- r. Nicocodeine.
- s. Nicomorphine.
- t. Normorphine.
- u. Pholcodine.
- v. Thebacon.
- w. Drotebanol.

4. *Hallucinogenic substances.* Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation, which contains any quantity of the following hallucinogenic substances, or which contains any of its salts, isomers, and salts of isomers whenever the existence of such salts, isomers, and salts of isomers is possible within the specific chemical designation (for purposes of this paragraph only, the term “*isomer*” includes the optical, position and geometric isomers):

- a. 4-bromo-2,5-dimethoxy-amphetamine. Some trade or other names: 4-bromo-2,5-dimethoxy-a-methylphenethylamine; 4-bromo-2,5-DMA.
- b. 2,5-dimethoxyamphetamine. Some trade or other names: 2,5-dimethoxy-a-methylphenethylamine; 2,5-DMA.
- c. 4-methoxyamphetamine. Some trade or other names: 4-methoxy-a-methylphenethylamine; paramethoxyamphetamine, PMA.
- d. 5-methoxy-3,4-methylenedioxy-amphetamine.
- e. 4-methyl-2,5-dimethoxyl-amphetamine. Some trade or other names: 4-methyl-2,5-dimethoxy-a-methylphenethylamine; “DOM”; and “STP”.
- f. 3,4-methylenedioxy amphetamine, also known as MDA.
- g. 3,4,5-trimethoxy amphetamine.
- h. Bufotenine. Some trade or other names: 3-(B-Dimethylaminoethyl)-5-hydroxyindole; 3-(2-dimethylaminoethyl)-5-indolol; N, N-dimethylserotonin; 5-hydroxy-N, N-dimethyltryptamine; mappine.
- i. Diethyltryptamine. Some trade and other names: N, N-Diethyltryptamine; DET.
- j. Dimethyltryptamine. Some trade or other names: DMT.
- k. Ibogaine. Some trade or other names: 7-Ethyl-6,6B,7,8,9,10,12,13-octahydro-2-methoxy-6,9-methano-5H-pyrido (1',2':1,2) azepino (5,4-b) indole; Tabernanthe iboga.
- l. Lysergic acid diethylamide.
- m. Marijuana.
- n. Mescaline.
- o. Parahexyl. Some trade or other names: 3-Hexyl-1-hydroxy-7,8,9,10-tetrahydro-6,6,9-trimethyl-6H-dibenzo(b,d) pyran; synhexyl.
- p. Peyote, except as otherwise provided in subsection 8. Meaning all parts of the plant presently classified botanically as *Lophophora williamsii* Lemaire, whether growing or not, the seeds thereof, any extract from any part of such plant, and every compound, manufacture, salt, derivative, mixture, or preparation of such plant, its seeds or extracts.
- q. N-ethyl-3-piperidyl benzilate.
- r. N-methyl-3-piperidyl benzilate.
- s. Psilocybin.
- t. Psilocyn.
- u. (1) Tetrahydrocannabinols, meaning tetrahydrocannabinols naturally contained in a plant of the genus *Cannabis* (*Cannabis* plant) as well as synthetic equivalents of the

substances contained in the Cannabis plant, or in the resinous extractives of such plant, and synthetic substances, derivatives, and their isomers with similar chemical structure and pharmacological activity to those substances contained in the plant, such as the following:

- (a) 1 cis or trans tetrahydrocannabinol, and their optical isomers.
- (b) 6 cis or trans tetrahydrocannabinol, and their optical isomers.
- (c) 3,4 cis or trans tetrahydrocannabinol, and their optical isomers. (Since nomenclature of these substances is not internationally standardized, compounds of these structures, regardless of numerical designation of atomic positions covered.)

(2) Subparagraph (1) does not include tetrahydrocannabinol to the extent excluded in subsection 7.

v. Ethylamine analog of phencyclidine. Some trade or other names: N-ethyl-1-phenylcyclohexylamine, (1-phenylcyclohexyl) ethylamine, N-(1-phenylcyclohexyl) ethylamine, cyclohexamine, PCE.

w. Pyrrolidine analog of phencyclidine. Some trade or other names: 1-(1-phenylcyclohexyl)-pyrrolidine, PCPy, PHP.

x. Thiophene analog of phencyclidine. Some trade or other names: 1-(1-(2-thienyl)-cyclohexyl)-piperidine, 2-thienylanalog of phencyclidine, TPCP, TCP.

y. 1-[1-(2-thienyl)cyclohexyl]pyrrolidine. Some other names: TCPy.

z. 3,4-methylenedioxyamphetamine (MDMA).

aa. 3,4-methylenedioxy-N-ethylamphetamine (also known as N-ethyl-alpha-methyl-3,4(methylenedioxy)phenethylamine, N-ethyl MDA, MDE, MDEA).

ab. N-hydroxy-3,4-methylenedioxyamphetamine (also known as N-hydroxy-alpha-methyl-3,4(methylenedioxy)phenethylamine, and N-hydroxy MDA).

ac. 2,5-dimethoxy-4-ethylamphetamine. Some trade or other names: DOET.

ad. Alpha-ethyltryptamine. Some trade or other names: etryptamine; Monase; a-ethyl-1H-indole-3-ethanamine;3-(2-aminobutyl)indole; alpha-ET; and AET.

ae. 4-Bromo-2,5-dimethoxyphenethylamine. Some trade or other names: 2-(4-bromo-2,5-dimethoxyphenyl)-1-aminoethane; alpha-desmethyl DOB; 2C-B, Nexus.

af. 2,5-dimethoxy-4-(n)-propylthiophenethylamine. Other name: 2C-T-7.

ag. Alpha-methyltryptamine. Other name: AMT.

ah. 5-methoxy-N,N-diisopropyltryptamine. Other name: 5-MeO-DIPT.

ai. (1) *Salvia divinorum*.

(2) Salvinorin A.

(3) HU-210. [(6aR,10aR)-9-(hydroxymethyl)-6,6-dimethyl-3-(2-methyloctan-2-yl) 6a,7,10,10a-tetrahydrobenzo[c] chromen-1-ol].

(4) HU-211 (dexanabinol, (6aS,10aS)-9-(hydroxymethyl)-6,6-dimethyl-3-(2-methyloctan-2-yl)-6a,7,10,10a-tetrahydrobenzo[c] chromen-1-ol).

(5) Unless specifically exempted or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of cannabimimetic agents, or which contains their salts, isomers, and salts of isomers whenever the existence of such salts, isomers, and salts of isomers is possible within the specific chemical designation.

(a) The term "*cannabimimetic agents*" means any substance that is a cannabinoid receptor type 1 (CB1 receptor) agonist as demonstrated by binding studies and functional assays within any of the following structural classes:

(i) 2-(3-hydroxycyclohexyl)phenol with substitution at the 5-position of the phenolic ring by alkyl or alkenyl, whether or not substituted on the cyclohexyl ring to any extent.

(ii) 3-(1-naphthoyl)indole or 3-(1-naphthylmethane)indole by substitution at the nitrogen atom of the indole ring, whether or not further substituted on the indole ring to any extent, whether or not substituted on the naphthoyl or naphthyl ring to any extent.

(iii) 3-(1-naphthoyl)pyrrole by substitution at the nitrogen atom of the pyrrole ring, whether or not further substituted in the pyrrole ring to any extent, whether or not substituted on the naphthoyl ring to any extent.

(iv) 1-(1-naphthylmethylene)indene by substitution of the 3-position of the indene ring, whether or not further substituted in the indene ring to any extent, whether or not substituted on the naphthyl ring to any extent.

(v) 3-phenylacetylindole or 3-benzoylindole by substitution at the nitrogen atom of the

indole ring, whether or not further substituted in the indole ring to any extent, whether or not substituted on the phenyl ring to any extent.

(b) Such terms include:

- (i) CP 47,497 and homologues 5-(1,1-dimethylheptyl)-2-[(1R,3S)-3-hydroxycyclohexyl]phenol.
- (ii) JWH-018 and AM678 1-Pentyl-3-(1-naphthoyl)indole.
- (iii) JWH-073 1-Butyl-3-(1-naphthoyl)indole.
- (iv) JWH-200[1-[2-(4-morpholinyl)ethyl]-1H-indol-3-yl]-1-naphthalenyl-methanone.
- (v) JWH-19 1-hexyl-3-(1-naphthoyl)indole.
- (vi) JWH-81 1-pentyl-3-[1-(4-methoxynaphthoyl)]indole.
- (vii) JWH-122 1-pentyl-3-(4-methyl-1-naphthoyl)indole.
- (viii) JWH-250 1-pentyl-3-(2-methoxyphenylacetyl)indole.
- (ix) RCS-4 and SR-19 1-pentyl-3-[(4methoxy)-benzoyl]indole.
- (x) RCS-8 and SR 18 1-cyclohexylethyl-3-(2-methoxyphenylacetyl)indole.
- (xi) AM2201 1-(5-fluoropentyl)-3-(1-naphthoyl)indole.
- (xii) JWH-203 1-pentyl-3-(2-chlorophenylacetyl)indole.
- (xiii) JWH-398 1-pentyl-3-(4-chloro-1-naphthoyl)indole.
- (xiv) AM694 1-(5-fluoropentyl)-3-(2-iodobenzoyl)indole.
- (xv) Cannabicyclohexanol or CP-47,497 C8-homolog 5-(1,1-dimethyloctyl)-2-[(1R,3S)-3-hydroxycyclohexyl]-phenol.
- aj.* 3,4-Methylenedioxy-N-methylcathinone (methylone).
- ak.* 5-methoxy-N,N-dimethyltryptamine. Some trade or other names: 5-methoxy-3-[2-(dimethylamino)ethyl]indole; 5-MeO-DMT.
- al.* 4-methyl-N-ethylcathinone. Other names: 4-MEC, 2-(ethylamino)-1-(4-methylphenyl)propan-1-one.
- am.* 4-methyl-alpha-pyrrolidinopropiophenone.
Other names: 4-MePPP, MePPP, 4-methyl-[alpha]-pyrrolidinopropiophenone, 1-(4-methylphenyl)-2-(pyrrolidin-1-yl)-propan-1-one.
- an.* Alpha-pyrrolidinopentiophenone. Other names: [alpha]-PVP, [alpha]-pyrrolidinovalerophenone, 1-phenyl-2-(pyrrolidin-1-yl)pentan-1-one.
- ao.* Butylone. Other names: bk-MBDB, 1-(1,3-benzodioxol-5-yl)-2-(methylamino)butan-1-one.
- ap.* Pentedrone. Other names: [alpha]-methylaminovalerophenone, 2-(methylamino)-1-phenylpentan-1-one.
- aq.* Pentylone. Other names: bk-MBDP, 1-(1,3-benzodioxol-5-yl)-2-(methylamino)pentan-1-one.
- ar.* 4-fluoro-N-methylcathinone. Other names: 4-FMC, flephedrone, 1-(4-fluorophenyl)-2-(methylamino)propan-1-one.
- as.* 3-fluoro-N-methylcathinone. Other names: 3-FMC, 1-(3-fluorophenyl)-2-(methylamino)propan-1-one.
- at.* Naphyrone. Other names: naphthylpyrovalerone, 1-(naphthalen-2-yl)-2-(pyrrolidin-1-yl)pentan-1-one.
- au.* Alpha-pyrrolidinobutiophenone. Other names: [alpha]-PBP, 1-phenyl-2-(pyrrolidin-1-yl)butan-1-one.
5. *Depressants.* Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following substances having a depressant effect on the central nervous system, their salts, isomers, and salts of isomers, whenever the existence of these salts, isomers, and salts of isomers is possible within the specific chemical designation:
- a.* Mecloqualone.
- b.* Methaqualone.
- c.* Gamma-hydroxybutyric acid. Some trade or other names: GHB; gamma-hydroxybutyrate; 4-hydroxybutyrate; 4-hydroxybutanoic acid; sodium oxybate; sodium oxybutyrate.

6. *Stimulants.* Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following

substance having a stimulant effect on the central nervous system, including its salts, isomers, and salts of isomers:

- a. Fenethylamine.
- b. N-ethylamphetamine.
- c. (+-)-cis-4-methylaminorex ((+)-cis-4,5-dihydro-4-methyl-5-phenyl-2-oxazolamine).
- d. N,N-dimethylamphetamine (also known as N,N-alpha-trimethyl-benzeneethanamine; N,N-alpha-trimethylphenethylamine).

e. Cathinone. Some trade or other names: 2-amino-1-phenyl-1-propanone, alpha-aminopropiophenone, 2-aminopropiophenone, and norephedrone.

f. Aminorex. Some other names: aminoxaphen; 2-amino-5-phenyl-2-oxazoline; 4,5-dihydro-5-phenyl-2-oxazolamine.

g. Methcathinone, its salts, optical isomers, and salts of optical isomers. Some other names: 2-(methylamino)-propiophenone; alpha-(methylamino)propiophenone; 2-(methylamino)-1-phenylpropan-1-one; alpha-N-methylaminopropiophenone; monomethylpropion; ephedrone; N-methylcathinone; methylcathinone; AL-464; AL-422; AL-463; and UR1432.

h. N-benzylpiperazine. Some other names: BZP, 1-benzylpiperazine.

i. Any substance, compound, mixture or preparation which contains any quantity of any synthetic cathinone that is not approved as a pharmaceutical, including but not limited to the following:

- (1) Mephedrone, also known as 4-methylmethcathinone,(RS)-2-methylamino-1-(4-methylphenyl) propan-1-one.
- (2) 3,4-methylenedioxypropylvalerone (MDPV) [(1-(1,3-Benzodioxol-5-yl)-2-(1-pyrrolidinyl)-1-pentanone)].
- (3) Methylone, also known as 3,4-methylenedioxyethylcathinone.
- (4) Naphthylpyrovalerone (naphyrone).
- (5) 4-fluoromethcathinone (flephedrone) or a positional isomer of 4-fluoromethcathinone.
- (6) 4-methoxymethcathinone (methedrone; Bk-PMMA).
- (7) Ethcathinone.
- (8) 3,4-methylenedioxyethylcathinone (ethylone).
- (9) Beta-keto-N-methyl-3,4-benzodioxolybutylamine (butylone).
- (10) N,N-dimethylcathinone (metamfepramone).
- (11) Alpha-pyrrolidinopropiophenone (alpha-PPP).
- (12) 4-methoxy-alpha-pyrrolidinopropiophenone (MOPPP).
- (13) 3,4-methylenedioxy-alpha-pyrrolidinopropiophenone (MDPPP).
- (14) Alpha-pyrrolidinovalerophenone (alpha-PVP).
- (15) 6,7-dihydro-5H-indeno-(5,6-d)-1,3-dioxol-6-amine (MDAI).
- (16) 3-fluoromethcathinone.
- (17) 4'-Methyl-alpha-pyrrolidinobutiophenone (MPBP).
- (18) 2-(2,5-Dimethoxy-4-ethylphenyl)ethanamine (2C-E).
- (19) 2-(2,5-Dimethoxy-4-methylphenyl)ethanamine (2C-D).
- (20) 2-(4-Chloro-2,5-dimethoxyphenyl)ethanamine (2C-C).
- (21) 2-(4-Iodo-2,5-dimethoxyphenyl)ethanamine (2C-I).
- (22) 2-[4-(Ethylthio)-2,5-dimethoxyphenyl]ethanamine (2C-T-2).
- (23) 2-[4-(Isopropylthio)-2,5-dimethoxyphenyl]ethanamine (2C-T-4).
- (24) 2-(2,5-Dimethoxyphenyl)ethanamine (2C-H).
- (25) 2-(2,5-Dimethoxy-4-nitrophenyl)ethanamine (2C-N).
- (26) 2-(2,5-Dimethoxy-4-(n)-propylphenyl)ethanamine (2C-P).
- (27) 1-(1,3-benzodioxol-5-yl)-2-(ethylamino)-pentan-1-one. Other names: N-ethylpentylone or ephylone.

(28) N-Ethylhexedrone, its optical, positional, and geometric isomers, salts and salts of isomers (other name: 2-(ethylamino)-1-phenylhexan-1-one).

(29) alpha-Pyrrolidinohexanophenone, its optical, positional, and geometric isomers, salts and salts of isomers (other names: alpha-PHP; alpha-pyrrolidinohexiophenone; 1-phenyl-2-(pyrrolidin-1-yl)hexan-1-one).

(30) 4-Methyl-alpha-ethylaminopentiophenone, its optical, positional, and geometric

isomers, salts and salts of isomers (other names: 4—MEAP; 2-(ethylamino)-1-(4-methylphenyl)pentan-1-one).

(31) 4'-Methyl-alpha-pyrrolidinohexiophenone, its optical, positional, and geometric isomers, salts and salts of isomers (other names: MPHP; 4'-methyl-alpha-pyrrolidinohexanophenone; 1-(4-methylphenyl)-2-(pyrrolidin-1-yl)hexan-1-one).

(32) alpha-Pyrrolidinoheptaphenone, its optical, positional, and geometric isomers, salts and salts of isomers (other names: PV8; 1-phenyl-2-(pyrrolidin-1-yl)heptan-1-one).

(33) 4'-Chloro-alpha-pyrrolidinovalerophenone, its optical, positional, and geometric isomers, salts and salts of isomers (other names: 4-chloro- α -PVP; 4'-chloro-alpha-pyrrolidinopentiophenone; 1-(4-chlorophenyl)-2-(pyrrolidin-1-yl)pentan-1-one).

7. Exclusions.

a. Hemp as defined in section 204.2 that is or was produced in this state, or was produced in another state, in accordance with the provisions of chapter 204 with a maximum delta-9 tetrahydrocannabinol concentration that does not exceed three-tenths of one percent on a dry weight basis.

b. A hemp product as provided in chapter 204 with a maximum delta-9 tetrahydrocannabinol concentration that does not exceed three-tenths of one percent on a dry weight basis.

8. *Peyote*. Nothing in this chapter shall apply to peyote when used in bona fide religious ceremonies of the Native American Church; however, persons supplying the product to the church shall register, maintain appropriate records of receipts and disbursements of peyote, and otherwise comply with all applicable requirements of this chapter and rules adopted pursuant thereto.

9. *Other substances*. Any material, compound, mixture, or preparation which contains any quantity of the following substances or their optical, positional, and geometric isomers, salts, and salts of isomers:

a. (1-pentyl-1H-indol-3-yl)(2,2,3,3-tetramethylcyclopropyl)methanone. Other names: UR-144, 1-pentyl-3-(2,2,3,3-tetramethylcyclopropyl)indole.

b. [1-(5-fluoro-pentyl)-1H-indol-3-yl](2,2,3,3-tetramethylcyclopropyl)methanone. Other names: 5-fluoro-UR-144, 5-F-UR-144, XLR11, 1-(5-fluoro-pentyl)-3-(2,2,3,3-tetramethylcyclopropyl)indole.

c. N-(1-adamantyl)-1-pentyl-1H-indazole-3-carboxamide. Other names: APINACA, AKB48.

d. 2-(4-iodo-2,5-dimethoxyphenyl)-N-(2-methoxybenzyl)ethanamine. Other names: 25I-NBOMe, 2C-I-NBOMe, 25I, Cimbi-5.

e. 2-(4-chloro-2,5-dimethoxyphenyl)-N-(2-methoxybenzyl)ethanamine. Other names: 25C-NBOMe, 2C-C-NBOMe, 25C, Cimbi-82.

f. 2-(4-bromo-2,5-dimethoxyphenyl)-N-(2-methoxybenzyl)ethanamine. Other names: 25B-NBOMe, 2C-B-NBOMe, 25B, Cimbi-36.

g. Quinolin-8-yl 1-pentyl-1H-indole-3-carboxylate. Other names: PB-22, QUPIC.

af. N-(1-phenethylpiperidin-4-yl)-N-phenylcyclopropanecarboxamide, its isomers, esters, ethers, salts and salts of isomers, esters, and ethers. Other name: cyclopropyl fentanyl.

ag. N-(1-phenethylpiperidin-4-yl)-N-phenylpentanamide, its isomers, esters, ethers, salts and salts of isomers, esters and ethers. Other name: valeryl fentanyl.

ah. N-(4-fluorophenyl)-N-(1-phenethylpiperidin-4-yl)butyramide, its isomers, esters, ethers, salts and salts of isomers, esters, and ethers. Other name: para-fluorobutyryl fentanyl.

ai. N-(4-methoxyphenyl)-N-(1-phenethylpiperidin-4-yl)butyramide, its isomers, esters, ethers, salts and salts of isomers, esters, and ethers. Other name: para-methoxybutyryl fentanyl.

aj. N-(4-chlorophenyl)-N-(1-phenethylpiperidin-4-yl)isobutyramide, its isomers, esters, ethers, salts and salts of isomers, esters, and ethers. Other name: para-chloroisobutyryl fentanyl.

ak. N-(1-phenethylpiperidin-4-yl)-N-phenylisobutyramide, its isomers, esters, ethers, salts and salts of isomers, esters, and ethers. Other name: isobutyryl fentanyl.

al. N-(1-phenethylpiperidin-4-yl)-N-phenylcyclopentanecarboxamide, its isomers, esters, ethers, salts and salts of isomers, esters, and ethers. Other name: cyclopentyl fentanyl.

am. N-(2-fluorophenyl)-2-methoxy-N-(1-phenethylpiperidin-4-yl)acetamide, its isomers, esters, ethers, salts and salts of isomers, esters, and ethers. Other name: ocfentamil.

an. Fentanyl-related substances, their isomers, esters, ethers, salts and salts of isomers, esters and ethers. “Fentanyl-related substance” means any substance not otherwise listed under this schedule or another schedule, and for which no exemption or approval is in effect under section 505 of the Federal Food, Drug, and Cosmetic Act that is structurally related to fentanyl by one or more of the following modifications:

(1) Replacement of the phenyl portion of the phenethyl group by any monocycle, whether or not further substituted in or on the monocycle.

(2) Substitution in or on the phenethyl group with alkyl, alkenyl, alkoxy, hydroxyl, halo, haloalkyl, amino, or nitro groups.

(3) Substitution in or on the piperidine ring with alkyl, alkenyl, alkoxy, ester, ether, hydroxyl, halo, haloalkyl, amino, or nitro groups.

(4) Replacement of the aniline ring with any aromatic monocycle whether or not further substituted in or on the aromatic monocycle.

(5) Replacement of the N-propionyl group by another acyl group.

ao. Naphthalen-1-yl 1-(5-fluoropentyl)-1H-indole-3-carboxylate. Other names: NM2201 or CBL2201.

ap. N-(1-amino-3-methyl-1-oxobutan-2-yl)-1-(5-fluoropentyl)-1H-indazole-3-carboxamide. Other name: 5F-AB-PINACA.

aq. 1-(4-cyanobutyl)-N-(2-phenylpropan-2-yl)-1H-indazole-3-carboxamide. Other names: 4-CN-CUMYL-BUTINACA, 4-cyano-CUMYL-BUTINACA, 4-CN-CUMYL BINACA, CUMYL-4CN-BINACA, or SGT-78.

ar. Methyl 2-(1-(cyclohexylmethyl)-1H-indole-3-carboxamido)-3-methylbutanoate. Other names: MMB-CHMICA or AMB-CHMICA.

as. 1-(5-fluoropentyl)-N-(2-phenylpropan-2-yl)-1H-pyrrolo[2,3-b]pyridine-3-carboxamide. Other name: 5F-CUMYL-P7AICA.

at. Ethyl 2-(1-(5-fluoropentyl)-1H-indazole-3-carboxamido)-3,3-dimethylbutanoate, its optical, positional, and geometric isomers, salts and salts of isomers (other name: 5F-EDMB-PINACA).

au. Methyl 2-(1-(5-fluoropentyl)-1H-indole-3-carboxamido)-3,3-dimethylbutanoate, its optical, positional, and geometric isomers, salts and salts of isomers (other name: 5F-MDMB-PICA).

av. N-(adamantan-1-yl)-1-(4-fluorobenzyl)-1H-indazole-3-carboxamide, its optical, positional, and geometric isomers, salts and salts of isomers (other names: FUB-AKB48, FUB-APINACA, AKB48 N-(4-FLUOROBENZYL)).

aw. 1-(5-fluoropentyl)-N-(2-phenylpropan-2-yl)-1H-indazole-3-carboxamide, its optical, positional, and geometric isomers, salts and salts of isomers (other names: 5F-CUMYL-PINACA, SGT-25).

ax. (1-(4-fluorobenzyl)-1H-indol-3-yl)(2,2,3,3-tetramethylcyclopropyl) methanone, its optical, positional, and geometric isomers, salts and salts of isomers (other name: FUB-144).

124.205 Substances listed in schedule II — criteria.

1. The board shall recommend to the general assembly that the general assembly place a substance in schedule II if the substance is not already included therein and the board finds that:

- a. The substance has high potential for abuse;
- b. The substance has currently accepted medical use in treatment in the United States, or currently accepted medical use with severe restrictions; and
- c. Abuse of the substance may lead to severe psychic or physical dependence.

2. If the board finds that any substance included in schedule II does not meet these criteria, the board shall recommend that the general assembly place the substance in a different schedule or remove the substance from the list of controlled substances, as appropriate.

124.206 Schedule II — substances included.

1. Schedule II consists of the drugs and other substances, by whatever official name, common or usual name, chemical name, or brand name designated, listed in this section.

2. *Substances, vegetable origin or chemical synthesis.* Unless specifically excepted or unless listed in another schedule, any of the following substances whether produced directly or indirectly by extraction from substances of vegetable origin, or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis:

a. Opium and opiate, and any salt, compound, derivative, or preparation of opium or opiate, excluding apomorphine, thebaine-derived butorphanol, dextrorphan, nalbuphine, nalmefene, naloxegol, naloxone, and naltrexone, and their respective salts, but including the following:

- (1) Raw opium.
- (2) Opium extracts.
- (3) Opium fluid.
- (4) Powdered opium.
- (5) Granulated opium.
- (6) Tincture of opium.
- (7) Codeine.
- (8) Ethylmorphine.
- (9) Etorphine hydrochloride.
- (10) Hydrocodone, also known as dihydrocodeinone.
- (11) Hydromorphone, also known as dihydromorphinone.
- (12) Metopon.
- (13) Morphine.
- (14) Oxycodone.
- (15) Oxymorphone.
- (16) Thebaine.
- (17) Dihydroetorphine.
- (18) Oripavine.

b. Any salt, compound, derivative or preparation thereof which is chemically equivalent or identical with any of the substances referred to in paragraph “a”, subparagraph (1), except that these substances shall not include the isoquinoline alkaloids of opium.

c. Opium poppy and poppy straw.

d. Coca leaves and any salt, compound, derivative, or preparation of coca leaves, including cocaine and ecgonine and their salts, isomers, derivatives and salts of isomers and derivatives, and any salt, compound, derivative, or preparation thereof that is chemically equivalent or identical to any of such substances, except that the substances shall not include:

(1) Decocainized coca leaves or extractions of coca leaves, which extractions do not contain cocaine or ecgonine.

(2) [¹²³I]ioflupane.

e. Concentrate of poppy straw (the crude extract of poppy straw in either liquid, solid or powder form which contains the phenanthrene alkaloids of the opium poppy).

3. *Opiates*. Unless specifically excepted or unless listed in another schedule any of the following opiates, including its isomers, esters, ethers, salts and salts of isomers, esters and ethers whenever the existence of such isomers, esters, ethers, and salts is possible within the specific chemical designation, dextrorphan and levopropoxyphene excepted:

a. Alphaprodine.

b. Alfentanil.

c. Anileridine.

d. Bezitramide.

e. Bulk dextropropoxyphene (nondosage forms).

f. Carfentanil.

g. Dihydrocodeine.

h. Diphenoxylate.

i. Fentanyl.

j. Isomethadone.

k. Levomethorphan.

l. Levorphanol.

m. Metazocine.

n. Methadone.

o. Methadone – intermediate, 4-cyano-2-dimethylamino-4,4-diphenyl butane.

p. Moramide – intermediate, 2-methyl-3-morpholino-1,1-diphenylpropane-carboxylic acid.

q. Pethidine (meperidine).

r. Pethidine – intermediate-A, 4-cyano-1-methyl-4-phenylpiperidine.

s. Pethidine – intermediate-B, ethyl-4-phenylpiperidine-carboxylate.

t. Pethidine – intermediate-C, 1-methyl-4-phenylpiperidine-4-carboxylic acid.

u. Phenazocine.

v. Piminodine.

w. Racemethorphan.

x. Racemorphan.

y. Sufentanil.

z. Levo-alpha-acetylmethadol. Some other names: levo-alpha-acetylmethadol, levomethadyl acetate, LAAM.

aa. Remifentanil.

ab. Tapentadol.

ac. Thiafentanil.

4. *Stimulants*. Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following substances having a stimulant effect on the central nervous system:

a. Amphetamine, its salts, optical isomers, and salts of its optical isomers.

b. Methamphetamine, its salts, isomers, and salts of its isomers.

c. Phenmetrazine and its salts.

d. Methylphenidate and its salts.

e. Lisdexamfetamine, its salts, isomers, and salts of its isomers.

5. *Depressants*. Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following substances having a depressant effect on the central nervous system, including its salts,

isomers, and salts of isomers whenever the existence of such salts, isomers, and salts of isomers is possible within the specific chemical designation:

- a. Amobarbital.
- b. Glutethimide.
- c. Pentobarbital.
- d. Phencyclidine.
- e. Secobarbital.

6. *Immediate precursors.* Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following substances:

a. Phenylacetone, an immediate precursor to amphetamine and methamphetamine. Some trade or other names: phenyl-2-propanone; P2P; benzyl methyl ketone;

methyl benzyl ketone.

b. Immediate precursors to phencyclidine (PCP):

- (1) 1-phenylcyclohexylamine.
- (2) 1-piperidinocyclohexanecarbonitrile (PCC).

c. Immediate precursor to fentanyl: 4-anilino-N-phenethyl-4-piperidine (ANPP).

7. *Hallucinogenic substances.* Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following substances:

a. Nabilone [another name for nabilone:

(+)- trans-3-(1,1-dimethylheptyl)-6,6a,7,8,10,10a-hexahydro-1-hydroxy-6,6-dimethyl-9H-dibenzo[b,d]pyran-9-one].

b. Dronabinol [(-)-delta-9-trans-tetrahydrocannabinol] in an oral solution in a drug product approved for marketing by the United States food and drug administration.

8. The board, by rule, may except any compound, mixture, or preparation containing any stimulant listed in subsection 4 from the application of all or any part of this chapter if the compound, mixture, or preparation contains one or more active medicinal ingredients not having a stimulant effect on the central nervous system, and if the admixtures are included in such combinations, quantity, proportion, or concentration as to vitiate the potential for abuse of the substances which have a stimulant or depressant effect on the central nervous system.

124.207 Substances listed in schedule III — criteria.

1. The board shall recommend to the general assembly that the general assembly place a substance in schedule III if the substance is not already included therein and the board finds that:

a. The substance has a potential for abuse which is less than that of the substances listed in schedules I and II;

b. The substance has currently accepted medical use in treatment in the United States; and

c. Abuse of the substance may lead to moderate or low physical dependence or high psychological dependence.

2. If the board finds that any substance included in schedule III does not meet these criteria, the board shall recommend that the general assembly place the substance in

a different schedule or remove the substance from the list of controlled substances, as appropriate.

124.208 Schedule III — substances included.

1. Schedule III shall consist of the drugs and other substances, by whatever official name, common or usual name, chemical name, or brand name designated, listed in this section.

2. *Stimulants.* Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following substances having a stimulant effect on the central nervous system, including its salts, isomers (whether optical, position, or geometric), and salts of such isomers whenever the existence of such salts, isomers, and salts of isomers is possible within the specific chemical designation:

- a. Benzphetamine.
- b. Chlorphentermine.
- c. Clortermine.
- d. Phendimetrazine.

3. *Depressants.* Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following substances having a depressant effect on the central nervous system:

a. Any compound, mixture or preparation containing amobarbital, secobarbital, pentobarbital or any salt thereof and one or more other active medicinal ingredients which are not listed in any schedules.

b. Any suppository dosage form containing amobarbital, secobarbital, pentobarbital or any salt of any of these drugs and approved by the federal food and drug administration for marketing only as a suppository.

c. Any substance which contains any quantity of a derivative of barbituric acid or any salt thereof including but not limited to Fioricet.

- d. Chlorhexadol.
- e. Lysergic acid.
- f. Lysergic acid amide.
- g. Methyprylon.
- h. Sulfondiethylmethane.
- i. Sulfonethylmethane.
- j. Sulfonmethane.

k. Tiletamine and zolazepam or any salt thereof, including the following:

(1) Some trade or other names for a tiletamine-zolazepam combination product: Telazol.

(2) Some trade or other names for tiletamine: 2-(ethylamino)-2-(2-thienyl)-cyclohexanone.

(3) Some trade or other names for zolazepam: 4-(2-fluorophenyl)-6,8-dihydro-1,3,8-trimethylpyraxolo-[3,4-e] [1,4]-diazepin-7(1H)-one, flupyrazapon.

l. Ketamine, its salts, isomers, and salts of isomers. Some other names for ketamine: (+)-2-(2-chlorophenyl)-2-(methylamino)-cyclohexanone.

m. Any drug product containing gamma-hydroxybutyric acid, including its salts, isomers, and salts of isomers, for which an application is approved under section 505 of the federal Food, Drug, and Cosmetic Act.

- n. Embutramide.
- o. Perampanel, its salts, isomers, and salts of isomers.

4. *Nalorphine.*

5. *Narcotic drugs.* Unless specifically excepted or unless listed in another schedule:

a. Any material, compound, mixture, or preparation containing any of the following narcotic drugs, or their salts calculated as the free anhydrous base or alkaloid, in limited quantities as set forth below:

- (1) Not more than one point eight grams of codeine per one hundred milliliters or not more

than ninety milligrams per dosage unit, with an equal or greater quantity of an isoquinoline alkaloid of opium.

(2) Not more than one point eight grams of codeine per one hundred milliliters or not more than ninety milligrams per dosage unit, with one or more active, nonnarcotic ingredients in recognized therapeutic amounts.

(3) Not more than one point eight grams of dihydrocodeine per one hundred milliliters or not more than ninety milligrams per dosage unit, with one or more active, nonnarcotic ingredients in recognized therapeutic amounts.

(4) Not more than three hundred milligrams of ethylmorphine per one hundred milliliters or not more than fifteen milligrams per dosage unit, with one or more active, nonnarcotic ingredients in recognized therapeutic amounts.

(5) Not more than five hundred milligrams of opium per one hundred milliliters or per one hundred grams or not more than twenty-five milligrams per dosage unit, with one or more active, nonnarcotic ingredients in recognized therapeutic amounts.

(6) Not more than fifty milligrams of morphine per one hundred milliliters or per one hundred grams, with one or more active, nonnarcotic ingredients in recognized therapeutic amounts.

b. Any material, compound, mixture, or preparation containing the narcotic drug buprenorphine, or its salts.

6. *Anabolic steroids.* Unless specifically excepted in subsection 7 or unless listed in another schedule, any material, compound, mixture, or preparation containing any quantity of the following substances, including their salts, esters, and ethers:

- a. 3[beta],17-dihydroxy-5[alpha]-androstane.
- b. 3[alpha],17[beta]-dihydroxy-5[alpha]-androstane.
- c. 5[alpha]-androstane-3,17-dione.
- d. 1-androstenediol(3[beta],17[beta]-dihydroxy-5[alpha]-androst-1-ene).
- e. 1-androstenediol (3[alpha],17[beta]-dihydroxy-5[alpha]-androst-1-ene).
- f. 4-androstenediol (3[beta],17[beta]-dihydroxy-androst-4-ene).
- g. 5-androstenediol (3[beta],17[beta]-dihydroxy-androst-5-ene).
- h. 1-androstenedione ([5alpha]-androst-1-en-3,17-dione).
- i. 4-androstenedione (androst-4-en-3,17-dione).
- j. 5-androstenedione (androst-5-en-3,17-dione).
- k. Bolasterone (7[alpha],17[alpha]-dimethyl-17[beta]-hydroxyandrost-4-en-3-one).
- l. Boldenone (17[beta]-hydroxyandrost-1,4-diene-3-one).
- m. Calusterone (7[beta],17[alpha]-dimethyl-17[beta]-hydroxyandrost-4-en-3-one).
- n. Clostebol (4-chloro-17[beta]-hydroxyandrost-4-en-3-one).
- o. Dehydrochloromethyltestosterone (4-chloro-17[beta]-hydroxy-17[alpha]-methylandrost-1,4-dien-3-one).
- p. [Delta]1-dihydrotestosterone (also known as 1-testosterone)(17[beta]-hydroxy-5[alpha]-androst-1-en-3-one).
- q. 4-dihydrotestosterone (17[beta]-hydroxy-androstan-3-one).
- r. Drostanolone (17[beta]-hydroxy-2[alpha]-methyl-5[alpha]-androstane-3-one).
- s. Ethylestrenol (17[alpha]-ethyl-17[beta]-hydroxyestr-4-ene).
- t. Fluoxymesterone (9-fluoro-17[alpha]-methyl-11[beta],17[beta]-dihydroxyandrost-4-en-3-one).
- u. Formebolone (2-formyl-17[alpha]-methyl-11[alpha],17[beta]-dihydroxyandrost-1,4-dien-3-one).
- v. Furazabol (17[alpha]-methyl-17[beta]-hydroxyandrostano[2,3-c]-furan).
- w. 13[beta]-ethyl-17[beta]-hydroxygon-4-en-3-one.
- x. 4-hydroxytestosterone (4,17[beta]-dihydroxy-androst-4-en-3-one).
- y. 4-hydroxy-19-nortestosterone (4,17[beta]-dihydroxy-estr-4-en-3-one).
- z. Mestanolone (17[alpha]-methyl-17[beta]-hydroxy-5[alpha]-androstane-3-one).
- aa. Mesterolone (1[alpha]-methyl-17[beta]-hydroxy-[5alpha]-androstane-3-one).
- ab. Methandienone (17[alpha]-methyl-17[beta]-hydroxyandrost-1,4-dien-3-one).
- ac. Methandriol (17[alpha]-methyl-3[beta],17[beta]-dihydroxyandrost-5-ene).
- ad. Methenolone (1-methyl-17[beta]-hydroxy-5[alpha]-androst-1-en-3-one).

- ae. 17[alpha]-methyl-3[beta],17[beta]-dihydroxy-5[alpha]-androstane.

7. *Exclusions — anabolic steroids.* This section shall not apply to an anabolic steroid that is expressly intended for administration through implants to cattle or other nonhuman species and that has been approved for such administration. A person who prescribes, dispenses, or distributes such steroid for human use shall be considered to have prescribed, dispensed, or distributed an anabolic steroid subject to this section. This section shall not apply to estrogens, progestins, corticosteroids, or dehydroepiandrosterone.

8. The board by rule may except any compound, mixture, or preparation containing any stimulant or depressant substance listed in subsections 2 and 3 of this section from the application of all or any part of this chapter if the compound, mixture, or preparation contains one or more active medicinal ingredients not having a stimulant or depressant effect on the central nervous system, and if the admixtures are included therein in such combinations, quantity, proportion, or concentration as to vitiate the potential for abuse of the substances which have a stimulant or depressant effect on the central nervous system.

9. *Hallucinogenic substances.*

a. Dronabinol in sesame oil and encapsulated in a soft gelatin capsule in a drug product approved for marketing by the United States food and drug administration.

b. Any drug product in tablet or capsule form containing natural dronabinol (derived from the cannabis plant) or synthetic dronabinol (produced from synthetic materials) for which an abbreviated new drug application (ANDA) has been approved by the United States food and drug administration under section 505(j) of the federal Food, Drug, and Cosmetic Act and which references as its listed drug the drug product identified in paragraph “a”.

c. Some other names for dronabinol: (6aR-trans)-6a,7,8,10a-tetrahydro-6,6,9-trimethyl-3-pentyl-6H-dibenzo [b,d] pyran-1-ol, or (-)-delta-9-(trans)-tetrahydrocannabinol.

124.210 Schedule IV — substances included.

1. Schedule IV shall consist of the drugs and other substances, by whatever official name, common or usual name, chemical name, or brand name designated, listed in this section.

2. *Narcotic drugs.* Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation containing any of the following narcotic drugs, or their salts calculated as the free anhydrous base or alkaloid, in limited quantities as set forth below:

a. Not more than one milligram of difenoxin and not less than twenty-five micrograms of atropine sulfate per dosage unit.

b. Dextropropoxyphene (alpha-(+)-4-dimethylamino-1,2-diphenyl-3-methyl-2-propionoxybutane).

c. 2-[(dimethylamino)methyl]-1-(3-methoxyphenyl)cyclohexanol, its salts, optical and geometric isomers and salts of these isomers (including tramadol).

3. *Depressants.* Unless specifically excepted or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following substances, including its salts, isomers, and salts of isomers whenever the existence of such salts, isomers, and salts of isomers is possible within the specific chemical designation:

a. Alprazolam.

b. Barbitol.

c. Bromazepam.

- d. Camazepam.

124.211 Schedule V — criteria.

1. The board shall recommend to the general assembly that the general assembly place a substance in schedule V if any substance is not already included therein and the board finds that:

- a. The substance has a low potential for abuse when compared with the substances listed in schedule IV;
- b. The substance has currently accepted medical use in treatment in the United States; and
- c. The substance has limited physical dependence or psychological dependence liability when compared with the controlled substances listed in schedule IV.

2. If the board finds that any substance included in schedule V does not meet these criteria, the board shall recommend that the general assembly place the substance in

a different schedule or remove the substance from the list of controlled substances, as appropriate.

124.212 Schedule V — substances included.

1. Schedule V shall consist of the drugs and other substances, by whatever official name, common or usual name, chemical name, or brand name designated, listed in this section.

2. *Narcotic drugs containing nonnarcotic active medicinal ingredients.* Any compound, mixture, or preparation containing any of the following narcotic drugs, or their salts calculated as the free anhydrous base or alkaloid, in limited quantities as set forth below, which shall include one or more nonnarcotic active medicinal ingredients in sufficient proportion to confer upon the compound, mixture, or preparation valuable medicinal qualities other than those possessed by narcotic drugs alone:

a. Not more than two hundred milligrams of codeine per one hundred milliliters or per one hundred grams.

b. Not more than one hundred milligrams of dihydrocodeine per one hundred milliliters or per one hundred grams.

c. Not more than one hundred milligrams of ethylmorphine per one hundred milliliters or per one hundred grams.

d. Not more than two point five milligrams of diphenoxylate and not less than twenty-five micrograms of atropine sulfate per dosage unit.

e. Not more than one hundred milligrams of opium per one hundred milliliters or per one hundred grams.

f. Not more than point five milligram of difenoxin and not less than twenty-five micrograms of atropine sulfate per dosage unit.

3. *Stimulants.* Unless specifically exempted or excluded or unless listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of pyrovalerone, including its salts, isomers, and salts of isomers.

4. *Precursors to amphetamine and methamphetamine.* Unless specifically excepted in paragraph “d” or “e” or listed in another schedule, any material, compound, mixture, or preparation which contains any quantity of the following precursors to amphetamine or methamphetamine, including their salts, optical isomers, and salts of their optical isomers:

a. Ephedrine.

b. Phenylpropanolamine.

c. Pseudoephedrine. A person shall present a government-issued photo identification card when purchasing a pseudoephedrine product from a pharmacy. A person shall not purchase a quantity of pseudoephedrine in violation of section 124.213 from a pharmacy, unless the person has a prescription for a pseudoephedrine product in excess of that quantity. A pseudoephedrine product not excepted from this schedule shall be sold by a pharmacy as provided in section 124.212A.

d. Any product that contains three hundred sixty milligrams or less of pseudoephedrine, its salts, optical isomers, and salts of its optical isomers, which is in liquid, liquid capsule, or liquid-filled gel capsule form, is excepted from this schedule and may be warehoused, distributed, and sold over the counter pursuant to section 126.23A.

e. A pseudoephedrine product warehoused by a distributor located in this state which is warehoused for export to a retailer outside this state is excepted from this schedule. A distributor warehousing and exporting a pseudoephedrine product shall register with the board and comply with any rules adopted by the board and relating to the diversion of pseudoephedrine products from legitimate commerce.

5. *Depressants.* Unless specifically exempted or excluded or unless listed in another schedule, any material, compound, mixture, or preparation that contains any quantity of any of the following substances having a depressant effect on the central nervous system, including salts of such substances:

a. Ezogabine [N-[2-amino-4(4-fluorobenzylamino)-phenyl]carbamic acid ethyl ester].

- b. Lacosamide [(R)-2-acetoamido-N-benzyl-3-methoxy-propionamide].
- c. Pregabalin [(S)-3-(aminomethyl)-5-methylhexanoic acid].
- d. Brivaracetam ((2S)-2-[(4R)-2-oxo-4-propylpyrrolidin-1-yl] butanamide), including its salts. Other names: BRV, UCB-34714, Briviact.

6. *Approved cannabidiol drugs.* A drug product in finished dosage formulation that has been approved by the United States food and drug administration that contains cannabidiol (2-[1R-3-methyl-6R-(1-methylethenyl)-2-cyclohexen-1-yl]-5-pentyl-1,3-benzenediol) derived from cannabis and no more than 0.1 percent (w/w) residual tetrahydrocannabinols.

NEW subsection 6

124.212A Pharmacy pseudoephedrine sale — restrictions — records — contingent applicability.

A pharmacy, an employee of a pharmacy, or a licensed pharmacist shall do the following:

1. Provide for the sale of a pseudoephedrine product from a locked cabinet or behind the sales counter where the public is unable to reach the product and where the public is not permitted.
2. Require the purchaser to present a government-issued photo identification card identifying the purchaser prior to purchasing a pseudoephedrine product.
3. Provide an electronic logbook for purchasers of pseudoephedrine products to sign.
4. Require the purchaser to sign the electronic logbook. If the electronic logbook is not available, require a signature that is associated with a transaction number.
5. Enter the purchaser's name, address, date of purchase, time of purchase, name of the pseudoephedrine product purchased, and the quantity sold in the electronic logbook. If the electronic logbook is unavailable, an alternative record shall be kept that complies with the rules adopted by both the office and the board.
6. Determine that the signature in the electronic logbook corresponds with the name on the government-issued photo identification card.
7. Provide notice that a purchaser entering a false statement or misrepresentation in the electronic logbook may subject the purchaser to criminal penalties under 18 U.S.C. §1001.
8. Keep electronic logbook records and any other records obtained from pseudoephedrine purchases if the electronic logbook is unavailable for twenty-four months from the date of the last entry.
9. Disclose electronic logbook information and any other pseudoephedrine purchase records as provided by state and federal law.
10. Comply with training requirements pursuant to federal law.

Referred to in §124.212

124.212B Pseudoephedrine sales — tracking — penalty.

1. The office shall establish a real-time electronic repository to monitor and control the sale of schedule V products containing any detectable amount of pseudoephedrine, its salts, or optical isomers, or salts of optical isomers; ephedrine; or phenylpropanolamine. A pharmacy dispensing such products shall report all such sales electronically to a central repository under the control of the office.

2. The information collected in the central repository is confidential unless otherwise ordered by a court, or released by the lawful custodian of the records pursuant to state or federal law.

3. A pharmacy, an employee of a pharmacy, or a licensed pharmacist shall not be provided access to the stored information in the electronic central repository. However, a

pharmacy, an employee of a pharmacy, or a licensed pharmacist shall be provided access to the stored information for the limited purpose of determining what sales have been made by the pharmacy. A pharmacy, an employee of a pharmacy, or a licensed pharmacist shall not be given the obligation or duty to view the stored information.

4. A pharmacy, or an employee of a pharmacy, or a licensed pharmacist shall not be given the obligation or duty to seek information from the central repository if the real-time electronic logbook becomes unavailable for use.

5. If the electronic logbook is unavailable for use, a paper record for each sale shall be maintained including the purchaser's signature. Any paper record maintained by the pharmacy shall be provided to the office for inclusion in the electronic real-time central repository as soon as practicable.

6. A pharmacy, or an employee of a pharmacy, or a licensed pharmacist shall not be liable, if acting reasonably and in good faith, to any person for any claim which may arise when reporting sales of products enumerated in subsection 1 to the central repository.

7. A person who discloses information stored in the central repository in violation of this section commits a simple misdemeanor.

8. Both the office and the board shall adopt rules to administer this section.

9. The office shall report to the board on an annual basis, beginning January 1, 2010, regarding the repository, including the effectiveness of the repository in discovering unlawful sales of pseudoephedrine products.

124.212C Pseudoephedrine advisory council — electronic monitoring. Repealed by 2013 Acts, ch 68, §2.

124.213 Pseudoephedrine purchase restrictions from pharmacy or retailer — penalty.

1. A person shall not purchase more than three thousand six hundred milligrams of pseudoephedrine, either separately or collectively, within a twenty-four-hour period from a pharmacy, or more than one package of a product containing pseudoephedrine within a twenty-four-hour period from a retailer in violation of section 126.23A.

2. A person shall not purchase more than seven thousand five hundred milligrams of pseudoephedrine, either separately or collectively, within a thirty-day period from a pharmacy or from a retailer in violation of section 126.23A.

3. A person who violates this section commits a serious misdemeanor.

SUBCHAPTER III

REGULATION OF MANUFACTURE, DISTRIBUTION, AND DISPENSING OF CONTROLLED SUBSTANCES

Referred to in §124.402

124.301 Rules.

The board may, subject to chapter 17A, promulgate rules and charge reasonable fees relating to the registration and control of the manufacture, distribution, and dispensing of controlled substances within this state.

[C73, 75, 77, 79, 81, §204.301]

C93, §124.301

Referred to in §147.82, 155A.43

124.302 Registration requirements.

1. Every person who manufactures, distributes, dispenses, or conducts research with any controlled substance in this state or who proposes to engage in the manufacture, distribution, or dispensing of or conducting research with any controlled substance within this state, shall obtain and maintain a registration issued by the board in accordance with the board's rules.

2. Persons registered by the board under this chapter to manufacture, distribute, dispense, or conduct research with controlled substances may possess, manufacture, distribute, dispense, or conduct research with those substances to the extent authorized by their registration and in conformity with the other provisions of this subchapter.

3. The following persons need not register and may lawfully possess controlled substances under this chapter:

a. An agent or employee of any registered manufacturer, distributor, or dispenser of any controlled substance if the agent or employee is acting in the usual course of the agent's or employee's business or employment.

b. A common or contract carrier or warehouse operator, or an employee thereof, whose possession of any controlled substance is in the usual course of business or employment.

c. An ultimate user or a person in possession of any controlled substance pursuant to a lawful order of a practitioner or in possession of a schedule V substance.

4. A separate registration is required for each principal place of business or professional practice where the applicant manufactures, distributes, dispenses, or conducts research with controlled substances.

5. The board may inspect the establishment of a registrant or applicant for registration in accordance with the board's rules.

124.303 Registration.

1. The board shall register an applicant to manufacture or distribute controlled substances included in sections 124.204, 124.206, 124.208, 124.210 and 124.212 unless it determines that the issuance of that registration would be inconsistent with the public interest. In determining the public interest, the board shall consider all of the following factors:

a. Maintenance of effective controls against diversion of controlled substances into other than legitimate medical, scientific, or industrial channels.

b. Compliance with applicable state and local law.

c. Any convictions of the applicant under any federal and state laws relating to any controlled substance.

d. Past experience in the manufacture or distribution of controlled substances, and the existence in the applicant's establishment of effective controls against diversion.

e. Furnishing by the applicant of false or fraudulent material in any application filed under this chapter.

f. Suspension or revocation of the applicant's federal registration to manufacture, distribute, or dispense controlled substances as authorized by federal law.

g. Any other factors relevant to and consistent with the public health and safety.

2. Registration under subsection 1 of this section does not entitle a registrant to manufacture and distribute controlled substances in schedule I or II other than those specified in the registration.

3. Practitioners shall be registered to dispense any controlled substances or to conduct research with controlled substances in schedules II through V if they are authorized to dispense or conduct research under the law of this state. The board need not require separate registration under this subchapter for practitioners engaging in research with nonnarcotic controlled substances in schedules II through V where the registrant is already registered under this subchapter in another capacity. Practitioners registered under federal law to conduct research with schedule I substances may conduct research in schedule I substances within this state upon furnishing the board evidence of the federal registration.

4. Compliance by manufacturers and distributors with the provisions of the federal law respecting registration, excluding fees, entitles them to be registered under this chapter.

124.304 Revocation, suspension, or restriction of registration.

1. The board may suspend, revoke, or restrict a registration under section 124.303, or otherwise discipline a registrant, upon a finding that any of the following apply to the registrant:

a. The registrant has furnished false or fraudulent material information in any application filed under this chapter or any other chapter which applies to the registrant or the registrant's practice.

b. The registrant has had the registrant's federal registration to manufacture, distribute, dispense, or conduct research with controlled substances suspended, revoked, or restricted.

c. The registrant has been convicted of a public offense under any state or federal law relating to any controlled substance. For the purpose of this section only, a conviction shall include a plea of guilty, a forfeiture of bail or collateral deposited to secure a defendant's appearance in court which forfeiture has not been vacated, or a finding of guilt in a criminal action even though the entry of the judgment or sentence has been withheld and the individual placed on probation.

d. The registrant has committed such acts as would render the registrant's registration under section 124.303 inconsistent with the public interest as determined under that section.

e. If the registrant is a licensed health care professional, the registrant has had the registrant's professional license revoked or suspended or has been otherwise disciplined in a way that restricts the registrant's authority to handle or prescribe controlled substances.

2. The board may limit revocation, suspension, or restriction of a registration or discipline of a registrant to the particular controlled substance with respect to which grounds for revocation, suspension, restriction, or discipline exist.

3. If the board suspends, revokes, or restricts a registration, or otherwise disciplines a registrant, all controlled substances owned or possessed by the registrant at the time of the suspension, revocation, restriction, or discipline, or at the time of the effective date of the order, may be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon an order becoming final, all such controlled substances may be forfeited to the state.

4. The board shall promptly notify the bureau and the department of all orders suspending, revoking, or restricting a registration, or otherwise disciplining a registrant.

124.305 Contested case proceedings.

1. Prior to suspending, restricting, or revoking a registration, refusing a renewal of registration, or otherwise disciplining a registrant, the board shall serve upon the registrant a notice in accordance with section 17A.12, subsection 1. The proceedings shall comply with the contested case procedures in accordance with chapter 17A. The proceedings shall also be conducted without regard to any criminal prosecution or other proceeding. Proceedings to refuse renewal of registration shall not abate the existing registration which shall remain in effect pending the outcome of the administrative hearing.

2. The board may suspend any registration while simultaneously pursuing emergency adjudicative proceedings in accordance with section 17A.18A, if it finds that there is an imminent danger to the public health or safety which warrants this action. The suspension

shall continue in effect until the conclusion of the proceedings, including judicial review thereof, under the provisions of the Iowa administrative procedure Act, chapter 17A, unless sooner withdrawn by the board or dissolved by the order of the district court or an appellate court.

124.306 Records of registrants.

1. *a.* Persons registered to manufacture, distribute, dispense, or administer controlled substances under this chapter shall keep records and maintain inventories in conformance with the recordkeeping and inventory requirements of federal law and with such additional rules as may be issued by the board. A practitioner who engages in dispensing any controlled substance to the practitioner's patients shall keep records of receipt and disbursements of such drugs, including dispensing or other disposition, and information as to controlled substances stolen, lost, or destroyed. In every such case the records of controlled substance received shall show the date of receipt, the name and address of the person from whom received, and the kind and quantity of drugs received. The record of all controlled substances dispensed or otherwise disposed of shall show the date of dispensing, the name and address of the person to whom or for whose use, or the owner and species of animal for which the drugs were dispensed and the kind and quantity of drugs dispensed.

b. Every such record shall be kept for a period of two years from the date of the transaction recorded. Records of controlled substances lost, destroyed, or stolen, shall contain a detailed list of the kind and quantity of such drugs and the date of the discovery of such loss, destruction, or theft.

2. No person shall distribute complimentary packages of controlled substances to a practitioner unless that person prepares and leaves with the practitioner a specific written list of the items so distributed. This list shall be prepared on a form prescribed by rules promulgated by the board, and the person who distributes the items listed shall send a copy of the list to the board as soon as practicable after distribution of the complimentary packages to the practitioner.

C93, §124.307

Referred to in §124.403

124.308 Prescriptions.

1. Except when dispensed directly by a practitioner to an ultimate user, a prescription drug as defined in section 155A.3 that is a controlled substance shall not be dispensed without a prescription. The prescription must be authorized by a practitioner and must comply with this section, section 155A.27, applicable federal law and regulation, and rules of the board.

2. *a.* Beginning January 1, 2020, every prescription issued for a controlled substance shall be transmitted electronically as an electronic prescription pursuant to the requirements in subsection 2, paragraph "b", unless exempt under subsection 2, paragraph "c".

b. Except for prescriptions identified in paragraph "c", a prescription that is transmitted pursuant to paragraph "a" shall be transmitted to a pharmacy by a practitioner or the practitioner's authorized agent in compliance with federal law and regulation for electronic

prescriptions of controlled substances. The practitioner's electronic prescription system and the receiving pharmacy's dispensing system shall comply with federal law and regulation for electronic prescriptions of controlled substances.

c. Paragraph "b" shall not apply to any of the following:

(1) A prescription for a patient residing in a nursing home, long-term care facility, correctional facility, or jail.

(2) A prescription authorized by a licensed veterinarian.

(3) A prescription dispensed by a department of veterans affairs pharmacy.

(4) A prescription requiring information that makes electronic submission impractical, such as complicated or lengthy directions for use or attachments.

(5) A prescription for a compounded preparation containing two or more components.

(6) A prescription issued in response to a public health emergency in a situation where a non-patient specific prescription would be permitted.

(7) A prescription issued pursuant to an established and valid collaborative practice agreement, standing order, or drug research protocol.

(8) A prescription issued during a temporary technical or electronic failure at the practitioner's or pharmacy's location, provided that a prescription issued pursuant to this subparagraph shall indicate on the prescription that the practitioner or pharmacy is experiencing a temporary technical or electronic failure.

(9) A prescription issued in an emergency situation pursuant to federal law and regulation rules of the board.

d. A practitioner, as defined in section 124.101, subsection 27, paragraph "a", who violates paragraph "a" is subject to an administrative penalty of two hundred fifty dollars per violation, up to a maximum of five thousand dollars per calendar year. The assessment of an administrative penalty pursuant to this paragraph by the appropriate licensing board of the practitioner alleged to have violated paragraph "a" shall not be considered a disciplinary action or reported as discipline. A practitioner may appeal the assessment of an administrative penalty pursuant to this paragraph, which shall initiate a contested case proceeding under chapter 17A. A penalty collected pursuant to this paragraph shall be deposited into the drug information program fund established pursuant to section 124.557. The board shall be notified of any administrative penalties assessed by the appropriate professional licensing board and deposited into the drug information program fund under this paragraph.

e. A pharmacist who receives a written, oral, or facsimile prescription shall not be required to verify that the prescription is subject to an exception under paragraph "c" and may dispense a prescription drug pursuant to an otherwise valid written, oral, or facsimile prescription. However, a pharmacist shall exercise professional judgment in identifying and reporting suspected violations of this section to the board or the appropriate professional licensing board of the practitioner.

3. A prescription issued prior to January 1, 2020, or a prescription that is exempt from the electronic prescription requirement in subsection 2, paragraph "c", may be transmitted by a practitioner or the practitioner's authorized agent to a pharmacy in any of the following ways:

a. Electronically, if transmitted in accordance with the requirements for electronic prescriptions pursuant to subsection 2.

b. By facsimile for a schedule III, IV, or V controlled substance, or for a schedule II controlled substance only pursuant to federal law and regulation and rules of the board.

c. Orally for a schedule III, IV, or V controlled substance, or for a schedule II controlled substance only in an emergency situation pursuant to federal regulation and rules of the board.

d. By providing an original signed prescription to a patient or a patient's authorized representative.

4. If permitted by federal law and in accordance with federal requirements, an electronic or facsimile prescription shall serve as the original signed prescription and the practitioner shall not provide a patient, a patient's authorized representative, or the dispensing pharmacy

with a signed, written prescription. An original signed prescription shall be retained for a minimum of two years from the date of the latest dispensing or refill of the prescription.

5. A prescription for a schedule II controlled substance shall not be filled more than six months after the date of issuance. A prescription for a schedule II controlled substance shall not be refilled.

6. A prescription for a schedule III, IV, or V controlled substance shall not be filled or refilled more than six months after the date on which the prescription was issued or be refilled more than five times.

7. A controlled substance shall not be distributed or dispensed other than for a medical purpose.

8. A practitioner, medical group, or pharmacy that is unable to timely comply with the electronic prescribing requirements in subsection 2, paragraph “b”, may petition the board for an exemption from the requirements based upon economic hardship, technical limitations that the practitioner, medical group, or pharmacy cannot control, or other exceptional circumstances. The board shall adopt rules establishing the form and specific information to be included in a request for an exemption and the specific criteria to be considered by the board in determining whether to approve a request for an exemption. The board may approve an exemption for a period of time determined by the board not to exceed one year from the date of approval, and may be renewed annually upon request subject to board approval.

SUBCHAPTER IV

OFFENSES AND PENALTIES

Referred to in §155A.24

124.401 Prohibited acts — manufacture, delivery, possession — counterfeit substances, simulated controlled substances, imitation controlled substances — penalties.

1. Except as authorized by this chapter, it is unlawful for any person to manufacture, deliver, or possess with the intent to manufacture or deliver, a controlled substance, a counterfeit substance, a simulated controlled substance, or an imitation controlled substance, or to act with, enter into a common scheme or design with, or conspire with one or more other persons to manufacture, deliver, or possess with the intent to manufacture or deliver a controlled substance, a counterfeit substance, a simulated controlled substance, or an imitation controlled substance.

a. Violation of this subsection, with respect to the following controlled substances, counterfeit substances, simulated controlled substances, or imitation controlled substances, is a class “B” felony, and notwithstanding section 902.9, subsection 1, paragraph “b”, shall be punished by confinement for no more than fifty years and a fine of not more than one million dollars:

(1) More than one kilogram of a mixture or substance containing a detectable amount of heroin.

(2) More than five hundred grams of a mixture or substance containing a detectable amount of any of the following:

(a) Coca leaves, except coca leaves and extracts of coca leaves from which cocaine, ecgonine, and derivatives of ecgonine and their salts have been removed.

(b) Cocaine, its salts, optical and geometric isomers, or salts of isomers.

(c) Ecgonine, its derivatives, their salts, isomers, or salts of isomers.

(d) Any compound, mixture, or preparation which contains any quantity of any of the substances referred to in subparagraph divisions (a) through (c).

(3) More than two hundred grams of a mixture or substance described in subparagraph (2) which contains cocaine base.

(4) More than one hundred grams of phencyclidine (PCP) or one kilogram or more of a mixture or substance containing a detectable amount of phencyclidine (PCP).

(5) More than ten grams of a mixture or substance containing a detectable amount of lysergic acid diethylamide (LSD).

(6) More than one thousand kilograms of a mixture or substance containing a detectable amount of marijuana.

(7) More than five kilograms of a mixture or substance containing a detectable amount of any of the following:

(a) Methamphetamine, its salts, isomers, or salts of isomers.

(b) Amphetamine, its salts, isomers, and salts of isomers.

(c) Any compound, mixture, or preparation which contains any quantity of any of the substances referred to in subparagraph divisions (a) and (b).

(8) More than ten kilograms of a mixture or substance containing any detectable amount of those substances identified in section 124.204, subsection 9.

b. Violation of this subsection with respect to the following controlled substances, counterfeit substances, simulated controlled substances, or imitation controlled substances is a class "B" felony, and in addition to the provisions of section 902.9, subsection 1, paragraph "b", shall be punished by a fine of not less than five thousand dollars nor more than one hundred thousand dollars:

(1) More than one hundred grams but not more than one kilogram of a mixture or substance containing a detectable amount of heroin.

(2) More than one hundred grams but not more than five hundred grams of any of the following:

(a) Coca leaves, except coca leaves and extracts of coca leaves from which cocaine, ecgonine, and derivatives of ecgonine and their salts have been removed.

(b) Cocaine, its salts, optical and geometric isomers, or salts of isomers.

(c) Ecgonine, its derivatives, their salts, isomers, or salts of isomers.

(d) Any compound, mixture, or preparation which contains any quantity of any of the substances referred to in subparagraph divisions (a) through (c).

(3) More than forty grams but not more than two hundred grams of a mixture or substance described in subparagraph (2) which contains cocaine base.

(4) More than ten grams but not more than one hundred grams of phencyclidine (PCP) or more than one hundred grams but not more than one kilogram of a mixture or substance containing a detectable amount of phencyclidine (PCP).

(5) Not more than ten grams of a mixture or substance containing a detectable amount of lysergic acid diethylamide (LSD).

(6) More than one hundred kilograms but not more than one thousand kilograms of marijuana.

(7) More than five grams but not more than five kilograms of methamphetamine, its salts, isomers, or salts of isomers, or analogs of methamphetamine, or any compound, mixture, or preparation which contains any quantity or detectable amount of methamphetamine, its salts, isomers, or salts of isomers, or analogs of methamphetamine.

(8) More than five grams but not more than five kilograms of amphetamine, its salts, isomers, or salts of isomers, or any compound, mixture, or preparation which contains any quantity or detectable amount of amphetamine, its salts, isomers, or salts of isomers.

(9) More than five kilograms but not more than ten kilograms of a mixture or substance containing any detectable amount of those substances identified in section 124.204, subsection 9.

c. Violation of this subsection with respect to the following controlled substances, counterfeit substances, simulated controlled substances, or imitation controlled substances is a class "C" felony, and in addition to the provisions of section 902.9, subsection 1,

paragraph “d”, shall be punished by a fine of not less than one thousand dollars nor more than fifty thousand dollars:

(1) One hundred grams or less of a mixture or substance containing a detectable amount of heroin.

(2) One hundred grams or less of any of the following:

(a) Coca leaves, except coca leaves and extracts of coca leaves from which cocaine, ecgonine, and derivatives of ecgonine and their salts have been removed.

(b) Cocaine, its salts, optical and geometric isomers, or salts of isomers.

(c) Ecgonine, its derivatives, their salts, isomers, or salts of isomers.

(d) Any compound, mixture, or preparation which contains any quantity of any of the substances referred to in subparagraph divisions (a) through (c).

(3) Forty grams or less of a mixture or substance described in subparagraph (2) which contains cocaine base.

(4) Ten grams or less of phencyclidine (PCP) or one hundred grams or less of a mixture or substance containing a detectable amount of phencyclidine (PCP).

(5) More than fifty kilograms but not more than one hundred kilograms of marijuana.

(6) Five grams or less of methamphetamine, its salts, isomers, or salts of isomers, or analogs of methamphetamine, or any compound, mixture, or preparation which contains any quantity or detectable amount of methamphetamine, its salts, isomers, or salts of isomers, or analogs of methamphetamine.

(7) Five grams or less of amphetamine, its salts, isomers, or salts of isomers, or any compound, mixture, or preparation which contains any quantity or detectable amount of amphetamine, its salts, isomers, or salts of isomers.

(8) Five kilograms or less of a mixture or substance containing any detectable amount of those substances identified in section 124.204, subsection 9.

(9) Any other controlled substance, counterfeit substance, simulated controlled substance, or imitation controlled substance classified in schedule I, II, or III, except as provided in paragraph “d”.

d. Violation of this subsection, with respect to any other controlled substances, counterfeit substances, simulated controlled substances, or imitation controlled substances classified in schedule IV or V is an aggravated misdemeanor. However, violation of this subsection involving fifty kilograms or less of marijuana or involving flunitrazepam is a class “D” felony.

e. A person in the immediate possession or control of a firearm while participating in a violation of this subsection shall be sentenced to two times the term otherwise imposed by law, and no such judgment, sentence, or part thereof shall be deferred or suspended.

f. A person in the immediate possession or control of an offensive weapon, as defined in section 724.1, while participating in a violation of this subsection, shall be sentenced to three times the term otherwise imposed by law, and no such judgment, sentence, or part thereof shall be deferred or suspended.

2. If the same person commits two or more acts which are in violation of subsection 1 and the acts occur in approximately the same location or time period so that the acts can be attributed to a single scheme, plan, or conspiracy, the acts may be considered a single violation and the weight of the controlled substances, counterfeit substances, simulated controlled substances, or imitation controlled substances involved may be combined for purposes of charging the offender.

3. It is unlawful for any person to sell, distribute, or make available any product containing ephedrine, its salts, optical isomers, salts of optical isomers, or analogs of ephedrine, or pseudoephedrine, its salts, optical isomers, salts of optical isomers, or analogs of pseudoephedrine, if the person knows, or should know, that the product may be used as a precursor to any illegal substance or an intermediary to any controlled substance. A person who violates this subsection commits a serious misdemeanor.

4. A person who possesses any product containing any of the following commits a class “D” felony, if the person possesses with the intent that the product be used to manufacture any controlled substance:

a. Ephedrine, its salts, optical isomers, salts of optical isomers, or analogs of ephedrine.

b. Pseudoephedrine, its salts, optical isomers, salts of optical isomers, or analogs of pseudoephedrine.

c. Ethyl ether.

d. Anhydrous ammonia.

e. Red phosphorus.

f. Lithium.

g. Iodine.

h. Thionyl chloride.

i. Chloroform.

j. Palladium.

k. Perchloric acid.

l. Tetrahydrofuran.

m. Ammonium chloride.

n. Magnesium sulfate.

o. Sodium hydroxide.

p. Ammonia nitrate.

q. Ammonia sulfate.

r. Light or medium petroleum distillates.

5. It is unlawful for any person knowingly or intentionally to possess a controlled substance unless such substance was obtained directly from, or pursuant to, a valid prescription or order of a practitioner while acting in the course of the practitioner's professional practice, or except as otherwise authorized by this chapter. Any person who violates this subsection is guilty of a serious misdemeanor for a first offense. A person who commits a violation of this subsection and who has previously been convicted of violating this chapter or chapter 124B or 453B, or chapter 124A as it existed prior to July 1, 2017, is guilty of an aggravated misdemeanor. A person who commits a violation of this subsection and has previously been convicted two or more times of violating this chapter or chapter 124B or 453B, or chapter 124A as it existed prior to July 1, 2017, is guilty of a class "D" felony.

If the controlled substance is marijuana, the punishment shall be by imprisonment in the county jail for not more than six months or by a fine of not more than one thousand dollars, or by both such fine and imprisonment for a first offense. If the controlled substance is marijuana and the person has been previously convicted of a violation of this subsection in which the controlled substance was marijuana, the punishment shall be as provided in section 903.1, subsection 1, paragraph "b". If the controlled substance is marijuana and the person has been previously convicted two or more times of a violation of this subsection in which the controlled substance was marijuana, the person is guilty of an aggravated misdemeanor.

A person may knowingly or intentionally recommend, possess, use, dispense, deliver, transport, or administer cannabidiol if the recommendation, possession, use, dispensing, delivery, transporting, or administering is in accordance with the provisions of chapter 124E. For purposes of this paragraph, "cannabidiol" means the same as defined in section 124E.2.

All or any part of a sentence imposed pursuant to this subsection may be suspended and the person placed upon probation upon such terms and conditions as the court may impose including the active participation by such person in a drug treatment, rehabilitation or education program approved by the court.

If a person commits a violation of this subsection, the court shall order the person to serve a term of imprisonment of not less than forty-eight hours. Any sentence imposed may be suspended, and the court shall place the person on probation upon such terms and conditions as the court may impose. If the person is not sentenced to confinement under the custody of the director of the department of corrections, the terms and conditions of probation shall require submission to random drug testing. If the person fails a drug test, the court may transfer the person's placement to any appropriate placement permissible under the court order.

If the controlled substance is amphetamine, its salts, isomers, or salts of its isomers, or methamphetamine, its salts, isomers, or salts of its isomers, the court shall order the person to serve a term of imprisonment of not less than forty-eight hours. Any sentence imposed may be suspended, and the court shall place the person on probation upon such terms and

conditions as the court may impose. The court may place the person on intensive probation. However, the terms and conditions of probation shall require submission to random drug testing. If the person fails a drug test, the court may transfer the person's placement to any appropriate placement permissible under the court order.

6. Notwithstanding any other provision in this section to the contrary, a person may produce, possess, use, harvest, handle, manufacture, market, transport, deliver, or distribute any of the following:

a. Hemp that is hemp seed delivered for planting at a licensed crop site, or hemp that is or was produced at the site, by a person operating under a hemp license issued by the department of agriculture and land stewardship in accordance with the provisions of chapter 204.

b. Hemp that was produced in another state in accordance with the federal hemp law and other applicable law.

c. A hemp product as provided in chapter 204.

124.401F Prohibitions on tampering with, possessing, or transporting anhydrous ammonia or anhydrous ammonia equipment.

1. A person shall not intentionally tamper with anhydrous ammonia equipment. Tampering occurs when a person who is not authorized by the owner of anhydrous ammonia equipment uses the equipment in violation of a provision of this section. A person shall not in any manner or for any purpose sell, fill, refill, deliver, permit to be delivered, or use an anhydrous ammonia container or receptacle, including for the storage of any gas or compound, unless the person owns the container or receptacle or is authorized to do so by the owner. A person shall not possess or transport anhydrous ammonia in a container or receptacle which is not authorized by the secretary of agriculture to hold anhydrous ammonia.

2. A person violating this section commits a serious misdemeanor. In addition to the imposition of the serious misdemeanor penalty, a person shall be subject to a civil penalty of not more than one thousand five hundred dollars, if the person does any of the following:

a. Intentionally tampers with anhydrous ammonia equipment.

b. Possesses or transports anhydrous ammonia in a container or receptacle which is not authorized to hold anhydrous ammonia according to rules adopted by the secretary of agriculture.

3. A person tampering with anhydrous ammonia equipment in violation of this section shall not have a cause of action against the owner of the equipment, any person responsible for the installation and maintenance of the equipment, or the person lawfully selling the anhydrous ammonia for damages arising out of the tampering.

124.406 Distribution to person under age eighteen.

1. A person who is eighteen years of age or older who:

a. Unlawfully distributes or possesses with intent to distribute a substance listed in schedule I or II to a person under eighteen years of age commits a class “B” felony and shall serve a minimum term of confinement of five years. However, if the substance was distributed in or on, or within one thousand feet of, the real property comprising a public or private elementary or secondary school, public park, public swimming pool, public recreation center, or on a marked school bus, the person shall serve a minimum term of confinement of ten years.

b. Unlawfully distributes or possesses with the intent to distribute a controlled substance listed in schedule III to a person under eighteen years of age who is at least three years younger than the violator commits a class “C” felony.

c. Unlawfully distributes a controlled substance listed in schedule IV or V to a person under eighteen years of age who is at least three years younger than the violator commits an aggravated misdemeanor.

2. A person who is eighteen years of age or older who:

a. Unlawfully distributes or possesses with the intent to distribute a counterfeit substance listed in schedule I or II, or a simulated or imitation controlled substance represented to be a substance classified in schedule I or II, to a person under eighteen years of age commits a class “B” felony.

b. Unlawfully distributes or possesses with intent to distribute a counterfeit substance listed in schedule III, or a simulated or imitation controlled substance represented to be any substance listed in schedule III, to a person under eighteen years of age who is at least three years younger than the violator commits a class “C” felony.

c. Unlawfully distributes a counterfeit substance listed in schedule IV or V, or a simulated or imitation controlled substance represented to be a substance listed in schedule IV or V, to a person under eighteen years of age who is at least three years younger than the violator commits an aggravated misdemeanor.

3. It is unlawful for a person to deliver a controlled substance to another person in order to act with, enter into a common scheme or design with, conspire with, or recruit the other person for the purpose of delivering a controlled substance to one or more persons under

eighteen years of age. A person who violates this subsection with respect to a controlled substance classified in schedule I, II, III, IV, or V is guilty of a class “D” felony.

124.407 Gatherings where controlled substances unlawfully used — penalties.

1. It is unlawful for any person to sponsor, promote, or aid, or assist in the sponsoring or promoting of a meeting, gathering, or assemblage with the knowledge or intent that a controlled substance be there distributed, used, or possessed, in violation of this chapter.

2. *a.* Any person who violates this section and where the controlled substance is any one other than marijuana is guilty of a class “D” felony.

b. Any person who violates this section, and where the controlled substance is marijuana only, is guilty of a serious misdemeanor.

3. The district court shall grant an injunction barring a meeting, gathering, or assemblage if upon hearing the court finds that the sponsors or promoters of the meeting, gathering, or assemblage have not taken reasonable means to prevent the unlawful distribution, use, or possession of a controlled substance. Further injunctive relief may be granted against all persons furnishing goods or services to such meeting, gathering, or assemblage.

4. The district court may, upon application and a showing of one or more of the grounds provided in section 639.3, grant to the state or governmental subdivision thereof a writ of attachment, *ex parte*, without bond, in an amount necessary to secure the payment of any fine that may be imposed and the payment of costs. The reasonable expense to the state and governmental subdivisions thereof to provide the necessary law enforcement resulting from a meeting, gathering, or assemblage held in violation of this section may be taxed as costs in the criminal action.

Information, indictments, trial, and sentencing for violations of this chapter may allege any number of violations of their provisions against one person and join one or more persons as defendants who it is alleged violated the same provisions in the same transaction or series of transactions and which involve common questions of law and fact. The several charges shall be set out in separate counts and each accused person shall be convicted or acquitted upon each count by separate verdict. Each accused person shall thereafter be sentenced upon each verdict of guilty. The court may consider such separate verdicts of guilty returned at the same time as one offense for the purpose of sentencing as provided in this chapter. The court may grant a severance and separate trial to any accused person jointly charged or indicted if it appears that substantial injustice would result to such accused person unless a separate trial was granted.

C93, §124.408

124.409 Conditional discharge, commitment for treatment, and probation.

1. Whenever the court finds that a person who is charged with a violation of section 124.401 and who consents thereto, or who has entered a plea of guilty to or been found guilty of a violation of that section, is addicted to, dependent upon, or a chronic abuser of any controlled substance and that such person will be aided by proper medical treatment and rehabilitative services, the court may order that the person be committed as an in-patient or out-patient to a facility licensed by the Iowa department of public health for medical treatment and rehabilitative services.

2. A person committed under this section who is not possessed of sufficient income or estate to enable the person to make payment of the costs of such treatment in whole or in part shall be considered a state patient and the costs of treatment shall be paid as provided in section 125.44. The determination of ability to pay shall be made by the court. The court shall require the patient, or the patient's parent, guardian, or custodian to complete under oath a detailed financial statement. The court may enter appropriate orders requiring the patient or those legally liable for the patient's support to reimburse the state with the costs, or any part thereof.

3. In order to obtain the most effective results from such medical treatment and rehabilitative services, the court may commit the person to the custody of a public or private agency or any other responsible person and impose other conditions upon the commitment as is necessary to insure compliance with the court's order and to insure that the person will not, during the period of treatment and rehabilitation, again violate a provision of this chapter.

4. If it is established thereafter to the satisfaction of the court that the person has again violated a provision of this chapter, the person may be returned to custody or sentenced upon conviction as provided by law.

5. The public or private agency or responsible person to whom the accused person was committed by the court shall immediately report to the court when the person has received maximum benefit from the program or has recovered from addiction, dependency, or tendency to chronically abuse any controlled substance. The person shall then be returned to the court for disposition of the case. If the person has been charged or indicted, but not convicted, such charge shall proceed to trial or final disposition. If the person has been convicted or is thereafter convicted, the court shall sentence the person as provided by law but may remit all or any part of the sentence and place the person on probation upon terms and conditions as the court may prescribe.

124.410 Accommodation offense.

1. In a prosecution for unlawful delivery or possession with intent to deliver marijuana, if the prosecution proves that the defendant violated the provisions of section 124.401, subsection 1, by proving that the defendant delivered or possessed with intent to deliver one-half ounce or less of marijuana which was not offered for sale, the defendant is guilty of an accommodation offense and rather than being sentenced as if convicted for a violation of section 124.401, subsection 1, paragraph "d", shall be sentenced as if convicted of a violation of section 124.401, subsection 5. An accommodation offense may be proved as an included offense under a charge of delivering or possessing with the intent to deliver marijuana in violation of section 124.401, subsection 1.

2. Subsection 1 does not apply to any of the following:

a. Hashish, hashish oil, or other derivatives of marijuana as defined in section 124.101, subsection 20.

b. Hemp or a hemp product excluded from schedule I of controlled substances as provided in section 124.204, subsection 7.

Section amended

124.411 Second or subsequent offenses.

1. Any person convicted of a second or subsequent offense under this chapter, may be punished by imprisonment for a period not to exceed three times the term otherwise authorized, or fined not more than three times the amount otherwise authorized, or punished by both such imprisonment and fine.

2. For purposes of this section, an offense is considered a second or subsequent offense, if, prior to the person's having been convicted of the offense, the offender has ever been convicted under this chapter or under any state or federal statute relating to narcotic drugs or cocaine, marijuana, depressant, stimulant, or hallucinogenic drugs.

3. This section does not apply to any of the following:

1. a. As used in this section, “*drug paraphernalia*” means all equipment, products, or materials of any kind used or attempted to be used in combination with a controlled substance, except those items used in combination with the lawful use of a controlled substance, to knowingly or intentionally and primarily do any of the following:

- (1) Manufacture a controlled substance.
- (2) Inject, ingest, inhale, or otherwise introduce into the human body a controlled substance.
- (3) Test the strength, effectiveness, or purity of a controlled substance.
- (4) Enhance the effect of a controlled substance.

b. “*Drug paraphernalia*” does not include hypodermic needles or syringes if manufactured, delivered, sold, or possessed for a lawful purpose.

2. It is unlawful for any person to knowingly or intentionally manufacture, deliver, sell, or possess drug paraphernalia.

3. A person who violates this section commits a simple misdemeanor.

124.418 Persons seeking medical assistance for drug-related overdose.

1. As used in this section, unless the context otherwise requires:

a. “*Drug-related overdose*” means a condition of a person for which each of the following is true:

- (1) The person is in need of medical assistance.
- (2) The person displays symptoms including but not limited to extreme physical illness, pinpoint pupils, decreased level of consciousness including coma, or respiratory depression.
- (3) The person's condition is the result of, or a prudent layperson would reasonably believe such condition to be the result of, the consumption or use of a controlled substance.

b. “*Overdose patient*” means a person who is, or would reasonably be perceived to be, suffering a drug-related overdose and who has not previously received immunity under this section.

c. “*Overdose reporter*” means a person who seeks medical assistance for an overdose patient and who has not previously received immunity under this section.

d. “*Protected information*” means information or evidence collected or derived as a result of any of the following:

(1) An overdose patient's good-faith actions to seek medical assistance while experiencing a drug-related overdose.

(2) An overdose reporter's good-faith actions to seek medical assistance for an overdose patient experiencing a drug-related overdose if all of the following are true:

(a) The overdose patient is in need of medical assistance for an immediate health or safety concern.

(b) The overdose reporter is the first person to seek medical assistance for the overdose patient.

(c) The overdose reporter provides the overdose reporter's name and contact information to medical or law enforcement personnel.

(d) The overdose reporter remains on the scene until assistance arrives or is provided.

(e) The overdose reporter cooperates with medical and law enforcement personnel.

(f) Medical assistance was not sought during the execution of an arrest warrant, search warrant, or other lawful search.

2. Protected information shall not be considered to support probable cause and shall not be admissible as evidence against an overdose patient or overdose reporter for any of the following offenses:

a. Delivery of a controlled substance under section 124.401, subsection 1, if such delivery involved the sharing of the controlled substance without profit.

b. Possession of a controlled substance under section 124.401, subsection 5.

c. Violation of section 124.407.

d. Violation of section 124.414.

3. A person's pretrial release, probation, supervised release, or parole shall not be revoked based on protected information.

4. Notwithstanding any other provision of law to the contrary, a court may consider

the act of providing first aid or other medical assistance to someone who is experiencing a drug-related overdose as a mitigating factor in a criminal prosecution.

5. Nothing in this section shall do any of the following:

a. Preclude or prevent an investigation by law enforcement of the drug-related overdose where medical assistance was provided.

b. Be construed to limit or bar the use or admissibility of any evidence or information obtained in connection with the investigation of the drug-related overdose in the investigation or prosecution of other crimes or violations which do not qualify for immunity under this section and which are committed by any person, including the overdose patient or overdose reporter.

c. Preclude the investigation or prosecution of any person on the basis of evidence obtained from sources other than the specific drug-related overdose where medical assistance was provided.

SUBCHAPTER V

ENFORCEMENT AND ADMINISTRATIVE PROVISIONS

124.501 Responsibility for enforcement.

The department is primarily responsible for the enforcement of this chapter, and all other laws and regulations of this state, relating to controlled or counterfeit substances, or simulated or imitation controlled substances, except that the board is primarily responsible for making accountability audits of the supply and inventory of controlled substances in the possession of pharmacists, doctors, hospitals, and health care facilities as defined in section 135C.1, subsection 8, as well as in the possession of any and all other individuals or institutions authorized to have possession of any controlled substances, and is also primarily responsible for any other duties in respect to controlled substances as specifically delegated to the board by law. An officer or employee of the board may, when so directed or authorized by the board:

1. Execute and serve search warrants, administrative inspection warrants, subpoenas, and summonses issued under the authority of this state.

2. Make seizures of property pursuant to the provisions of this chapter.

[C39, §3169.19; C46, 50, 54, 58, 62, §204.20, 204.26; C66, 71, §204.19; C73, 75, 77, 79, 81, §204.501; 82 Acts, ch 1147, §10]

C93, §124.501

Referred to in §124.502

Section not amended; internal reference change applied

124.502 Administrative inspections and warrants.

1. Issuance and execution of administrative inspection warrants shall be as follows:

a. A district judge or district associate judge, within the court's jurisdiction, and upon proper oath or affirmation showing probable cause, may issue warrants for the purpose of conducting administrative inspections under this chapter or a related rule. The warrant may also permit seizures of property appropriate to the inspections. For purposes of the issuance of administrative inspection warrants, probable cause exists upon showing a valid public interest in the effective enforcement of the statute or related rules, sufficient to justify administrative inspection of the area, premises, building, or conveyance in the circumstances specified in the application for the warrant.

b. A warrant shall issue only upon sworn testimony of an officer or employee of the board duly designated and having knowledge of the facts alleged, before the judicial officer, establishing the grounds for issuing the warrant. If the judicial officer is satisfied that grounds for the application exist or that there is probable cause to believe they exist, the officer shall issue a warrant identifying the area, premises, building, or conveyance to be

inspected, the purpose of the inspection, and, if appropriate, the type of property to be inspected, if any.

c. The warrant shall:

(1) State the grounds for its issuance and the name of each person whose testimony has been taken in support thereof.

(2) Be directed to a person authorized by section 124.501 to execute it.

(3) Command the person to whom it is directed to inspect the area, premises, building, or conveyance identified for the purpose specified and, if appropriate, direct the seizure of the property specified.

(4) Identify the item or types of property to be seized, if any.

(5) Direct that it be served during normal business hours, if appropriate, and designate the judge to whom it shall be returned.

d. A warrant issued pursuant to this section must be executed and returned within ten days after its date unless, upon a showing of a need for additional time, the court so instructs otherwise in the warrant. If property is seized pursuant to a warrant, the person executing the warrant shall give to the person from whom the property is seized, or the person in charge of the premises from which the property is seized, a copy of the warrant and a receipt for the property seized or shall leave the copy and receipt at the place from which the property is seized. The return of the warrant shall be made promptly and shall be accompanied by a written inventory of any property seized. The inventory shall be made in the presence of the person executing the warrant and of the person from whose possession or premises the property was seized, if they are present, or in the presence of at least one credible person other than the person executing the warrant. A copy of the inventory shall be delivered to the person from whom or from whose premises the property was seized and to the applicant for the warrant.

e. The judicial officer who has issued a warrant under this section shall require that there be attached to the warrant a copy of the return, and of all papers filed in connection with the return, and shall file them with the clerk of the district court for the county in which the inspection was made.

2. The department may make administrative inspections of controlled premises in accordance with the following provisions:

a. For purposes of this section only, “*controlled premises*” means:

(1) Places where persons registered or exempted from registration requirements under this chapter are required to keep records; and

(2) Places including factories, warehouse establishments, and conveyances where persons registered or exempted from registration requirements under this chapter are permitted to hold, manufacture, compound, process, sell, deliver, or otherwise dispose of any controlled substance.

b. Whenever authorized by an administrative inspection warrant issued pursuant to subsection 1 of this section an officer or employee of the board, upon presenting the warrant and appropriate credentials to the owner, operator, or agent in charge, has the right to enter controlled premises for the purpose of conducting an administrative inspection.

c. Whenever authorized by an administrative inspection warrant, an officer or employee of the board has the right:

(1) To inspect and copy records required by this chapter to be kept;

(2) To inspect, within reasonable limits and in a reasonable manner, controlled premises and all pertinent equipment, finished and unfinished material, containers and labeling found therein, and, except as provided in paragraph “e” of this subsection, all other things therein, including records, files, papers, processes, controls, and facilities bearing on violation of this chapter; and

(3) To inventory any stock of any controlled substance therein and obtain samples of any such substance.

d. This section shall not be construed to prevent the inspection without a warrant of books and records pursuant to a subpoena issued in accordance with section 622.65, nor shall this section be construed to prevent entries and administrative inspections, including seizures of property, without a warrant:

- (1) With the consent of the owner, operator, or agent in charge of the controlled premises;
- (2) In situations presenting imminent danger to health or safety;
- (3) In situations involving inspection of conveyances where there is reasonable cause to believe that the mobility of the conveyance makes it impracticable to obtain a warrant;
- (4) In any other exceptional or emergency circumstance where time or opportunity to apply for a warrant is lacking; and
- (5) In all other situations where a warrant is not constitutionally required.

e. Except when the owner, operator, or agent in charge of the controlled premises so consents in writing, no inspection authorized by this section shall extend to financial data; sales data, other than shipment data; or pricing data.

124.504 Cooperative arrangements and confidentiality.

1. The department and board, subject to approval and direction of the governor, shall cooperate with federal and other state agencies in discharging its responsibilities concerning traffic in controlled substances and in suppressing the abuse of controlled substances. To this end, they may jointly:

a. Arrange for the exchange of information between governmental officials concerning the use and abuse of controlled substances.

b. Coordinate and cooperate in training programs on controlled substance law enforcement at the local and state levels.

c. Cooperate with the bureau by establishing a centralized unit which will accept, catalogue, file, and collect statistics, including records of drug dependent persons and other controlled substance law offenders within the state, and make such information available for federal, state and local law enforcement purposes; except that they shall not furnish the name or identity of a patient or research subject whose identity could not be obtained under subsection 3.

d. Conduct programs of eradication aimed at destroying wild or illicit growth of plant species from which controlled substances may be extracted.

2. Results, information, and evidence received from the bureau relating to the regulatory functions of this chapter, including results of inspections conducted by that agency may be relied upon and acted upon by the board or the department in the exercise of their regulatory functions under this chapter.

3. A practitioner engaged in medical practice or research or the Iowa drug abuse authority or any program which is licensed by the authority shall not be required to furnish the name or identity of a patient or research subject to the board or the department, nor shall the practitioner or the authority or any program which is licensed by the authority be compelled in any state or local civil, criminal, administrative, legislative or other proceedings to furnish the name or identity of an individual that the practitioner or the authority or any of its licensed programs is obligated to keep confidential.

124.506 Controlled substances — disposal.

All controlled substances, the lawful possession of which is not established or the title to which cannot be ascertained, or excess or undesired controlled substances, which have come into the custody of the board, the department, or any peace officer, shall be disposed of as follows:

1. Except as otherwise provided in this section, the court having jurisdiction shall order such controlled substances forfeited and destroyed. A record of the place where the controlled substances were seized, of the kinds and quantities of controlled substances so destroyed, and of the time, place, and manner of destruction, shall be kept for not less than ten years after destruction, and a return under oath, reporting said destruction, shall be made to the court.

2. Upon written application by the board, the court by whom the forfeiture of controlled substances has been decreed may order the delivery of any of them, except controlled substances listed in schedule I, to the board for distribution or destruction, as provided by this section.

3. Upon a request of any law enforcement agency, the court may order that a portion of a controlled substance subject to forfeiture and destruction pursuant to this section becomes the possession of the requesting law enforcement agency for the sole purpose of canine controlled substance detection training. A law enforcement agency receiving a controlled substance pursuant to this subsection shall do the following:

a. Establish a policy that includes reasonable controls regarding the possession, storage, use, and destruction of the controlled substance.

b. Retain a record of the following for at least ten years from the date the controlled substance is destroyed:

(1) The court order granting the law enforcement agency possession of the controlled substance.

(2) The name of each peace officer who takes possession of the controlled substance.

(3) The time, place, and manner of the destruction of the controlled substance.

4. Upon application by any hospital within this state, not operated for private gain, the board may in its discretion deliver any controlled substances that have come into its custody by authority of this section to the applicant for medicinal use. The board may from time to time deliver excess stocks of controlled substances to the bureau for disposition, or may destroy the excess controlled substances.

5. According to an order for the disposal of a crop that does not qualify as hemp as provided in section 204.10.

6. The board shall keep a full and complete record of all controlled substances received and disposed of, showing the exact kinds, quantities, and forms of controlled substances, the persons from whom received and to whom delivered, by whose authority received, delivered, and destroyed and the dates of the receipt, disposal, or destruction, which record shall be open to inspection by all federal or state officers charged with the enforcement of federal and state laws relating to any controlled substance.

NEW subsection 5 and former subsection 5 renumbered as 6

124.506A Large seizure of a controlled substance — evidence and disposal.

1. a. Notwithstanding the provisions of section 124.506, if more than ten pounds of marijuana or more than one pound of any other controlled substance is seized as a result of a violation of this chapter, the law enforcement agency responsible for retaining the seized controlled substance may destroy the seized controlled substance if the law enforcement agency retains at least ten pounds of the marijuana seized or at least one pound of any other controlled substance seized for evidence purposes.

b. Paragraph “a” does not apply to hemp or a hemp product excluded from schedule I of controlled substances as provided in section 124.204, subsection 7.

2. Prior to the destruction of any controlled substance under this section, the law enforcement agency shall photograph the controlled substance to be destroyed with identifying case numbers or any other case identifiers and prepare a written report detailing any relevant information about the destruction of the controlled substance. At least thirty days prior to any destruction of a controlled substance, the law enforcement agency destroying the controlled substance shall notify in writing any person arrested in connection with the seizure, the attorney of the person if represented, and any other attorney of record including the prosecuting attorney, and the law enforcement agency that made the arrest if the agency is different than the law enforcement agency responsible for retaining the seized controlled substance, that the law enforcement agency is planning to photograph and destroy part of the controlled substance seized, and any person or agency notified may be present at the photographing of the controlled substance to be destroyed.

3. Any person or agency notified about the destruction of part of the controlled substance seized, or any other interested party, may file an application with the district court resisting the destruction of any of the controlled substance.

4. A rebuttable presumption is created that the portion of any controlled substance retained for representation purposes as evidence and all photographs and records made under this section and properly identified are admissible in any court proceeding for any purpose for which the destroyed controlled substance would have been admissible.

2019 amendment to subsection 1 effective April 8, 2020; the secretary of agriculture published an advisory notice in IAB Vol. XLII, No. 21 (4/8/20), p. 2630, that the state plan for the production of hemp was certified by the United States department of agriculture and that Code chapter 204 was implemented on that date; see 2019 Acts, ch 130, §18, 33

Subsection 1 amended

124.507 Burden of proof — liabilities.

1. It is not necessary for the state to negate any exemption or exception set forth in this chapter in any complaint, information, indictment or other pleading or in any trial, hearing, or other proceeding under this chapter. The proof of entitlement to any exemption or exception by the person claiming its benefit shall be a valid defense.

2. The absence of proof that a person is the duly authorized holder of an appropriate registration or order form issued under this chapter creates a rebuttable presumption that the person is not the holder of such registration or form.

3. No liability shall be imposed by virtue of this chapter upon any authorized state, county or municipal officer, engaged in the lawful performance of the officer's duties.

124.509 Education and research.

1. The board and the department, subject to approval and direction of the governor, shall carry out educational programs designed to prevent and deter misuse and abuse of controlled substances. They shall consult with each other and coordinate their programs so as to avoid duplication of effort. In connection with these programs they may:

a. Promote better recognition of the problems of misuse and abuse of controlled substances within the regulated industry and among interested groups and organizations;

b. Assist the regulated industry and interested groups and organizations in contributing to the reduction of misuse and abuse of controlled substances;

c. Consult with interested groups and organizations to aid them in solving administrative and organizational problems;

d. Evaluate procedures, projects, techniques, and controls conducted or proposed as part of educational programs on misuse and abuse of controlled substances;

e. Disseminate the results of research on misuse and abuse of controlled substances to promote a better public understanding of what problems exist and what can be done to combat them; and,

f. Assist in the education and training of state and local law enforcement officials in their efforts to control misuse and abuse of controlled substances.

2. The board and the department, subject to approval and direction of the governor, shall encourage research on misuse and abuse of controlled substances. In connection with such research, and in furtherance of the enforcement of this chapter, they may in such manner as will best insure coordination and avoid duplication of effort:

a. Establish methods to assess accurately the effects of controlled substances and identify and characterize those with potential for abuse;

b. Make studies and undertake programs of research to:

(1) Develop new or improved approaches, techniques, systems, equipment and devices to strengthen the enforcement of this chapter;

(2) Determine patterns of misuse and abuse of controlled substances and the social effects thereof; and,

(3) Improve methods for preventing, predicting, understanding and dealing with the misuse and abuse of controlled substances; and,

c. Enter into contracts with public agencies, institutions of higher education, and private organizations or individuals for the purpose of conducting research, demonstrations, or special projects which bear directly on misuse and abuse of controlled substances.

3. The board or department, subject to approval and direction of the governor, may enter into contracts for educational and research activities without performance bonds.

4. The board and department, subject to approval and direction of the governor, may jointly authorize persons engaged in research on the use and effects of controlled substances to withhold the names and other identifying characteristics of individuals who are the subjects of the research. Persons who obtain this authorization shall not be compelled in any civil, criminal, administrative, legislative, or other proceeding to identify the individuals who are the subjects of research for which the authorization was obtained.

5. The board and department, subject to approval and direction of the governor, may jointly authorize the possession and distribution of controlled substances by persons engaged in research. Persons who obtain this authorization are exempt from state prosecution for possession and distribution of controlled substances to the extent of the authorization.

124.510 Reports of arrests and analyses to department.

Any peace officer who arrests for any crime, any known unlawful user of the drugs described in schedule I, II, III, or IV, or who arrests any person for a violation of this chapter, or charges any person with a violation of this chapter subsequent to the person's arrest, shall within five days after the arrest or the filing of the charge, whichever is later, report the arrest and the charge filed to the department. The peace officer or any other peace officer or law enforcement agency which makes or obtains any quantitative or qualitative analysis of any substance seized in connection with the arrest of the person charged, shall report to the department the results of the analysis at the time the arrest is reported or at such later time as the results of the analysis become available. This information is for the exclusive use of the division of narcotics enforcement in the department of public safety, and shall not be a matter of public record.

SUBCHAPTER VI

DRUG PRESCRIBING AND DISPENSING— INFORMATION PROGRAM

124.550 Definitions.

For purposes of this subchapter, unless the context otherwise requires:

1. “*Pharmacist*” means a practicing pharmacist who is actively engaged in and responsible for the pharmaceutical care of the patient about whom information is requested.
2. “*Prescribing practitioner*” means a practitioner who has prescribed or is contemplating the authorization of a prescription for the patient about whom information is requested. “*Prescribing practitioner*” does not include a licensed veterinarian.
3. “*Proactive notification*” means a notification by the board, generated based on factors determined by the board and issued to a specific prescribing practitioner or pharmacist, indicating that a patient may be practitioner shopping or pharmacy shopping or at risk of abusing or misusing a controlled substance.
4. “*Program*” means the information program for drug prescribing and dispensing.
2016 Acts, ch 1052, §1; 2017 Acts, ch 54, §76; 2018 Acts, ch 1138, §1, 2, 17

124.551 Information program for drug prescribing and dispensing.

1. Contingent upon the receipt of funds pursuant to section 124.557 sufficient to carry out the purposes of this subchapter, the board, in conjunction with the advisory council created in section 124.555, shall establish and maintain an information program for drug prescribing and dispensing.

2. a. The program shall collect from pharmacies dispensing information for controlled substances identified pursuant to section 124.554, subsection 1, paragraph “g”, and from first responders as defined in section 147A.1, subsection 7, with the exception of emergency medical care providers as defined in section 147A.1, subsection 4, administration information for opioid antagonists. The department of public health shall provide information for the administration of opioid antagonists to the board as prescribed by rule for emergency medical care providers as defined in section 147A.1, subsection 4. The board shall adopt rules requiring the following information to be provided regarding the administration of opioid antagonists:

- (1) Patient identification.
- (2) Identification of the person administering opioid antagonists.
- (3) The date of administration.
- (4) The quantity of opioid antagonists administered.

b. The information collected shall be used by prescribing practitioners, veterinarians, and pharmacists on a need-to-know basis for purposes of improving patient health care by facilitating early identification of patients who may be at risk for addiction, or who may be using, abusing, or diverting drugs for unlawful or otherwise unauthorized purposes at risk to themselves and others, or who may be appropriately using controlled substances lawfully prescribed for them but unknown to the practitioner.

3. The board shall implement technological improvements to facilitate secure access to the program through electronic health and pharmacy information systems. The board shall collect, store, and disseminate program information consistent with security criteria established by rule, including use of appropriate encryption or other industry-recognized security technology.

4. The board shall seek any federal waiver necessary to implement the provisions of the program.

2006 Acts, ch 1147, §2, 11; 2016 Acts, ch 1052, §2; 2017 Acts, ch 54, §76; 2018 Acts, ch 1138, §3; 2020 Acts, ch 1024, §1

Referred to in §22.7(51)

Subsection 2, paragraph b amended

124.551A Prescribing practitioner program registration.

A prescribing practitioner shall register for the program at the same time the prescribing practitioner applies to the board to register or renews registration to prescribe controlled

substances as required by the board. Once the prescribing practitioner registers for the program, the prescribing practitioner or the prescribing practitioner's designated agent shall utilize the program database prior to issuing an opioid prescription as prescribed by rules adopted by the prescribing practitioner's licensing board to assist the prescribing practitioner in determining appropriate treatment options and to improve the quality of patient care. A prescribing practitioner shall not be required to utilize the program database to assist in the treatment of a patient receiving inpatient hospice care or long-term residential facility patient care.

2018 Acts, ch 1138, §4

124.552 Information reporting.

1. Unless otherwise prohibited by federal or state law, each licensed pharmacy that dispenses controlled substances identified pursuant to section 124.554, subsection 1, paragraph "g", to patients in the state, each licensed pharmacy located in the state that dispenses such controlled substances identified pursuant to section 124.554, subsection 1, paragraph "g", to patients inside or outside the state, unless specifically excepted in this section or by rule, and each prescribing practitioner furnishing, dispensing, or supplying controlled substances to the prescribing practitioner's patient, shall submit the following prescription information to the program:

- a. Pharmacy identification.
- b. Patient identification.
- c. Prescribing practitioner identification.
- d. The date the prescription was issued by the prescribing practitioner.
- e. The date the prescription was dispensed.
- f. An indication of whether the prescription dispensed is new or a refill.
- g. Identification of the drug dispensed.
- h. Quantity of the drug dispensed.
- i. The number of days' supply of the drug dispensed.
- j. Serial or prescription number assigned by the pharmacy.
- k. Type of payment for the prescription.
- l. Other information identified by the board by rule.

2. Information shall be submitted electronically in a secure format specified by the board unless the board has granted a waiver and approved an alternate secure format.

3. Information shall be timely transmitted within one business day of the dispensing of the controlled substance, unless the board grants an extension. The board may grant an extension if either of the following occurs:

a. The pharmacy or prescribing practitioner suffers a mechanical or electronic failure, or cannot meet the deadline established by the board for other reasons beyond the pharmacy's or practitioner's control.

b. The board is unable to receive electronic submissions.

4. This section shall not apply to dispensing by a licensed pharmacy for the purposes of inpatient hospice care or long-term residential facility patient care.

2006 Acts, ch 1147, §3, 11; 2007 Acts, ch 126, §25, 26; 2018 Acts, ch 1138, §5

124.553 Information access.

1. The board may provide information from the program to the following:

a. (1) A pharmacist, veterinarian, or prescribing practitioner who requests the information and certifies in a form specified by the board that it is for the purpose of providing medical or pharmaceutical care to a patient of the pharmacist, veterinarian, or prescribing practitioner. A pharmacist, veterinarian, or prescribing practitioner may delegate program information access to another authorized individual or agent only if that individual or agent registers for program information access, pursuant to board rules, as an agent of the pharmacist, veterinarian, or prescribing practitioner. Board rules shall identify the qualifications for a pharmacist's, veterinarian's, or prescribing practitioner's agent and shall limit the number of agents to whom each pharmacist, veterinarian, or prescribing practitioner may delegate program information access.

(2) Notwithstanding subparagraph (1), a prescribing practitioner may delegate program information access to another licensed health care professional in emergency situations where the patient would be placed in greater jeopardy if the prescribing practitioner was required to access the information personally.

b. An individual who requests the individual's own program information in accordance with the procedure established in rules of the board and advisory council adopted under section 124.554.

c. Pursuant to an order, subpoena, or other means of legal compulsion for access to or release of program information that is issued based upon a determination of probable cause in the course of a specific investigation of a specific individual.

d. A prescription database or monitoring program in another jurisdiction pursuant to subsection 7.

e. An institutional user established by the board to facilitate the secure access of a prescribing practitioner or pharmacist to the program through electronic health and pharmacy information systems.

f. The state medical examiner or a county medical examiner as appointed pursuant to section 331.801 or 691.5 or a medical examiner investigator recognized by the office of the state medical examiner when the information requested by the examiner or investigator relates to an investigation being conducted by the examiner or investigator.

g. A prescribing practitioner or pharmacist through the use of a targeted distribution of proactive notifications.

h. A prescribing practitioner for the issuance of a required report pursuant to section 124.554, subsection 3.

2. The board shall maintain a record of each person that requests information from the program and of all proactive notifications distributed to prescribing practitioners and dispensing pharmacists as provided in subsection 1, paragraph "g". Pursuant to rules adopted by the board under section 124.554, the board may use the records to document and report statistical information, and may provide program information for statistical, public research, public policy, or educational purposes, after removing personal identifying information of a patient, prescribing practitioner, dispenser, or other person who is identified in the information.

3. Information contained in the program and any information obtained from it, and information contained in the records of requests for information from the program and information distributed to prescribing practitioners and dispensing pharmacists as provided in subsection 1, paragraph "g", is privileged and strictly confidential information. Such information is a confidential public record pursuant to section 22.7, and is not subject to discovery, subpoena, or other means of legal compulsion for release except as provided in this subchapter. Information from the program shall not be released, shared with an agency or institution, or made public except as provided in this subchapter.

4. A pharmacist or other dispenser making a report to the program reasonably and in good faith pursuant to this subchapter is immune from any liability, civil, criminal, or administrative, which might otherwise be incurred or imposed as a result of the report.

5. Nothing in this section shall require a pharmacist, veterinarian, or prescribing practitioner to obtain information about a patient from the program. A pharmacist, veterinarian, or prescribing practitioner does not have a duty and shall not be held liable in damages to any person in any civil or derivative criminal or administrative action for injury, death, or loss to person or property on the basis that the pharmacist, veterinarian, or prescribing practitioner did or did not seek or obtain or use information from the program. A pharmacist, veterinarian, or prescribing practitioner acting reasonably and in good faith is immune from any civil, criminal, or administrative liability that might otherwise be incurred or imposed for requesting or receiving or using information from the program.

6. The board shall not charge a fee to a pharmacy, pharmacist, veterinarian, or prescribing practitioner for the establishment, maintenance, or administration of the program, including costs for forms required to submit information to or access information from the program, except that the board may charge a fee to an individual who requests the individual's own program information. A fee charged pursuant to this subsection shall not exceed the actual

cost of providing the requested information and shall be considered a repayment receipt as defined in section 8.2.

7. The board may enter into an agreement with a prescription database or monitoring program operated in any state for the mutual exchange of information. Any agreement entered into pursuant to this subsection shall specify that all the information exchanged pursuant to the agreement shall be used and disseminated in accordance with the laws of this state.

124.554 Rules and reporting.

1. The board and advisory council shall jointly adopt rules in accordance with chapter 17A to carry out the purposes of, and to enforce the provisions of, this subchapter. The rules shall include but not be limited to the development of procedures relating to:

a. Identifying each patient about whom information is entered into the program.
b. An electronic format for the submission of information from pharmacies and prescribing practitioners.

c. A waiver to submit information in another format for a pharmacy or prescribing practitioner unable to submit information electronically.

d. An application by a pharmacy or prescribing practitioner for an extension of time for transmitting information to the program.

e. The submission by an authorized requestor of a request for information and a procedure for the verification of the identity of the requestor.

f. Use by the board or advisory council of the program request records required by section 124.553, subsection 2, to document and report statistical information.

g. Including all schedule II, schedule III, and schedule IV controlled substances, schedule V controlled substances including when dispensed by a pharmacist without a prescription except for sales of pseudoephedrine that are reported to the real-time electronic repository, opioid antagonists, and other prescription substances that the advisory council and board determine can be addictive or fatal if not taken under the proper care and direction of a prescribing practitioner.

h. Access by a pharmacist or prescribing practitioner to information in the program pursuant to a written agreement with the board and advisory council.

i. The correction or deletion of erroneous information in the program.

j. The issuance annually of a prescribing practitioner activity report compiled from information from the program pursuant to subsection 3.

k. The establishment of thresholds or other criteria or measures to be used in identifying an at-risk patient as provided in section 124.553, subsection 1, paragraph "g", and the targeted distribution of proactive notifications suggesting review of the patient's prescription history.

2. Beginning February 1, 2021, and annually by February 1 thereafter, the board and advisory council shall present to the general assembly and the governor a report prepared consistent with section 124.555, subsection 3, paragraph "d", which shall include but not be limited to the following:

a. The cost to the state of implementing and maintaining the program.

b. Information from pharmacies, prescribing practitioners, the board, the advisory council, and others regarding the benefits or detriments of the program.

c. Information from pharmacies, prescribing practitioners, the board, the advisory council, and others regarding the board's effectiveness in providing information from the program.

3. a. Annually by February 1, the board shall electronically, and at as low a cost as possible, issue each prescribing practitioner who prescribed a controlled substance reported to the program as dispensed in the preceding calendar year in this state a prescribing practitioner activity report which shall include but not be limited to the following:

(1) A summary of the prescribing practitioner's history of prescribing controlled substances.

(2) A comparison of the prescribing practitioner's history of prescribing controlled substances with the history of other prescribing practitioners of the same profession or specialty.

(3) The prescribing practitioner's history of program use.

(4) General patient risk factors.

(5) Educational updates.

(6) Other pertinent information identified by the board and advisory council by rule.

b. Information provided to a prescribing practitioner in a report required under this subsection is privileged and shall be kept confidential pursuant to section 124.553, subsection 3.

124.555 Advisory council established.

An advisory council shall be established to provide oversight to the board and the program and to comanage program activities. The board and advisory council shall jointly adopt rules specifying the duties and activities of the advisory council and related matters.

1. The council shall consist of eight members appointed by the governor. The members shall include three licensed pharmacists, four physicians licensed under chapter 148, and one licensed prescribing practitioner who is not a physician. The governor shall solicit recommendations for council members from Iowa health professional licensing boards, associations, and societies. The license of each member appointed to and serving on the advisory council shall be current and in good standing with the professional's licensing board.

2. The council shall advance the goals of the program, which include identification of misuse and diversion of controlled substances identified pursuant to section 124.554, subsection 1, paragraph "g", and enhancement of the quality of health care delivery in this state.

3. Duties of the council shall include but not be limited to the following:

a. Ensuring the confidentiality of the patient, prescribing practitioner, and dispensing pharmacist and pharmacy.

b. Respecting and preserving the integrity of the patient's treatment relationship with the patient's health care providers.

c. Encouraging and facilitating cooperative efforts among health care practitioners and other interested and knowledgeable persons in developing best practices for prescribing and dispensing controlled substances and in educating health care practitioners and patients regarding controlled substance use and abuse.

d. Making recommendations regarding the continued benefits of maintaining the program in relationship to cost and other burdens to the patient, prescribing practitioner, pharmacist, and the board. The council's recommendations shall be included in reports required by section 124.554, subsection 2.

e. One physician and one pharmacist member of the council shall include in their duties the responsibility for monitoring and ensuring that patient confidentiality, best interests, and civil liberties are at all times protected and preserved during the existence of the program.

4. Members of the advisory council shall be eligible to request and receive actual expenses for their duties as members of the advisory council, subject to reimbursement limits imposed by the department of administrative services, and shall also be eligible to receive a per diem compensation as provided in section 7E.6, subsection 1.

124.557 Drug information program fund — surcharge.

The drug information program fund is established to be used by the board to fund or assist in funding the program. The board may make deposits into the fund from any source, public or private, including grants or contributions of money or other items of value, which it determines necessary to carry out the purposes of this subchapter. The board may add a surcharge of not more than twenty-five percent to the applicable fee for a registration issued pursuant to section 124.302 and the surcharge shall be deposited into the fund. Moneys received by the board to establish and maintain the program must be used for the expenses of administering this subchapter. Notwithstanding section 8.33, amounts contained in the fund that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated in future years.

124.558 Prohibited acts — penalties.

1. *Failure to comply with requirements.* A pharmacist, pharmacy, prescribing practitioner, or agent of a pharmacist or prescribing practitioner who knowingly fails to comply with the confidentiality requirements of this subchapter or who delegates program information access to another individual except as provided in section 124.553, is subject to disciplinary action by the appropriate professional licensing board. A pharmacist, pharmacy, or prescribing practitioner that knowingly fails to comply with other requirements of this subchapter is subject to disciplinary action by the board. Each licensing board may adopt rules in accordance with chapter 17A to implement the provisions of this section.

2. *Unlawful access, disclosure, or use of information.* A person who intentionally or knowingly accesses, uses, or discloses program information in violation of this subchapter, unless otherwise authorized by law, is guilty of a class “D” felony. This section shall not preclude a pharmacist or prescribing practitioner who requests and receives information from the program consistent with the requirements of this chapter from otherwise lawfully providing that information to any other person for medical or pharmaceutical care purposes.

- s. Benzaldehyde.
- t. Nitroethane.
- u. Gamma-Butyrolactone (also known as GBL; Dihydro-2(3H)-furanone; 1,2-Butanolide; 1,4-Butanolide; 4-Hydroxybutanoic acid lactone; or gamma-hydroxy-butyric acid lactone).
- v. Red phosphorus.
- w. White phosphorus (another name: yellow phosphorus).
- x. Hypophosphorous acid and its salts (including ammonium hypophosphite, calcium hypophosphite, iron hypophosphite, potassium hypophosphite, manganese hypophosphite, magnesium hypophosphite, and sodium hypophosphite).
- y. Iodine.
- z. N-phenethyl-4-piperidone (NPP).
- aa. Ergocristine and its salts.
- ab. Alpha-phenylacetoacetonitrile and its salts, optical isomers, and salts of optical isomers. Other name: APAAN.

2. The board shall administer the regulatory provisions of this chapter and may, by rule adopted pursuant to chapter 17A, add a substance to or remove a substance from the list in subsection 1. In determining whether to add or remove a substance from the list, the board shall consider the following:

- a. The likelihood that the substance may be used as a precursor in the illegal production of a controlled substance.
- b. The availability of the substance.
- c. The appropriateness of including the substance under this chapter or under chapter 124.
- d. The extent and nature of legitimate uses for the substance.

3. On or before November 1 of each year, the board shall inform the general assembly of any substances added, deleted, or changed in the list contained in this section and shall provide an explanation of any addition, deletion, or change.

124B.3 Identification required.

1. Before selling, transferring, or otherwise furnishing any substance specified in section 124B.2 to a person in this state, a vendor shall require proper identification from the purchaser.

2. For the purposes of this section, in the case of a face-to-face purchase, “*proper identification*” means all of the following:

a. A driver’s license containing the purchaser’s photograph and residential or mailing address, other than a post office box number, or any other official state-issued identification containing this information.

b. The motor vehicle license number of the vehicle owned or operated by the purchaser.

c. A letter of authorization from the person who is making the purchase. The letter shall include the person’s business license number and business address, a description as to how the substance will be used, and the purchaser’s signature. The vendor shall affix the vendor’s signature as a witness to the signature and identification of the purchaser.

3. The board shall provide by rule for the form of proper identification required for purchases which are not face to face.

4. A person who violates this section or rules adopted pursuant to this section commits a simple misdemeanor.

124B.4 Vendor reporting.

1. At least twenty-one days prior to the delivery of a precursor substance to a recipient, the vendor shall submit a report of the transaction to the board. The report must contain the identification information specified under section 124B.3. However, if regular, repeated transactions of a particular precursor substance occur between the vendor and the recipient, the board may authorize the vendor to report the transactions monthly if either of the following conditions exists:

a. A pattern of regular supply of the precursor substance exists between the vendor and the recipient.

b. The recipient has established a record of lawfully using the precursor substance.

2. A vendor who does not submit a report pursuant to this section commits a serious misdemeanor.

124B.7 Reporting form.

1. The board shall adopt rules prescribing a common form for the filing of reports required under this chapter. The rules shall provide that the information which must be submitted shall include but is not limited to all of the following:

- a. The name of the precursor substance.
 - b. The quantity of the precursor substance sold, transferred, or furnished.
 - c. The date the precursor substance was sold, transferred, or furnished.
 - d. The name and address of the recipient.
 - e. The name and address of the vendor.

90 Acts, ch 1251, §19
C91, §204B.10
C93, §124B.10

124B.11 Permit requirements — penalty.

1. A vendor or a recipient who receives a precursor substance from a source outside the state shall obtain a permit for the transaction from the board. However, a permit is not required of a vendor of a drug containing ephedrine, phenylpropanolamine, or pseudoephedrine or of a cosmetic that contains a precursor substance if the drug or cosmetic is lawfully sold, transferred, or furnished either over the counter without a prescription in accordance with chapter 126 or with a prescription pursuant to chapter 155A.

2. An application for a permit shall be filed in writing and signed by the applicant, and shall set forth the name of the applicant, the business in which the applicant is engaged, the business address of the applicant, and a full description of any precursor substance sold, transferred, or otherwise furnished or received.

3. The board may grant a permit on a form adopted by rule. A permit shall be effective for not more than one year from the date of issuance.

4. An applicant shall pay, at the time of filing an application, a permit fee determined by the board.

5. A permit granted under this chapter may be annually renewed on a date to be determined by the board pursuant to rule, upon the filing of a renewal application and the payment of a permit renewal fee.

6. Permit fees charged by the board shall not exceed the costs incurred by the board in administering this chapter.

7. Selling, transferring, or otherwise furnishing, or receiving a precursor substance without a permit obtained pursuant to this section is a serious misdemeanor.

CHAPTER 124C

CLEANUP OF CLANDESTINE LABORATORY SITES

124C.1	Definitions.	124C.5	Liability of state employees or persons providing cleanup assistance.
124C.2	Powers and duties of the commissioner.	124C.6	Legal remedies.
124C.3	Liability to the state.	124C.7	Rulemaking authority.
124C.4	Claim of state.		

124C.1 Definitions.

As used in this chapter, unless the context clearly requires otherwise:

1. “*Clandestine laboratory site*” means a location or operation, including but not limited to buildings or vehicles equipped with glassware, heating devices, and precursors or related reagents and solvents needed to unlawfully prepare or manufacture controlled substances defined in chapter 124.

2. “*Cleanup*” means actions necessary to contain, collect, control, identify, analyze, disassemble, treat, remove, or otherwise disperse all substances and materials, including but not limited to those found to be hazardous waste as defined in section 455B.411 and controlled substances defined in chapter 124, including contamination caused by those chemicals or substances.

3. “*Commissioner*” means the commissioner of public safety.

4. “*Department*” means the department of public safety.

5. “*Hazardous substance*” means any substance or mixture of substances that presents a danger to the public health or safety and includes, but is not limited to, a substance that is toxic, corrosive, or flammable, and other substances defined in rules adopted pursuant to section 455B.381 and controlled substances as defined in chapter 124.

6. “*Person having control over a clandestine laboratory site*” means a person who at any time possesses, produces, handles, stores, uses, transports, or disposes of a hazardous substance or controlled substance used or intended for use at a clandestine laboratory

site. A person having control over a clandestine laboratory site does not include persons performing duties listed in section 124C.2 at the direction of the commissioner and does not include a person who is the owner of the property or a person holding a security interest in the property in or upon which the clandestine laboratory site is located unless the person knew that a clandestine laboratory existed in or upon the person's property.

93 Acts, ch 141, §1; 2000 Acts, ch 1148, §1; 2002 Acts, ch 1119, §12, 200, 201; 2003 Acts, ch 44, §35

124C.2 Powers and duties of the commissioner.

1. The commissioner or the commissioner's designee may use funds appropriated or otherwise available to the department for the following purposes:

a. Administrative services for the identification, assessment, and cleanup of clandestine laboratory sites.

b. Payments to other government agencies or private contractors for services consistent with the management and cleanup of a clandestine laboratory site.

c. Emergency response activities involving clandestine laboratory sites, including surveillance, entry, security, cleanup, and disposal.

2. The commissioner may request the assistance of other state, federal, and local agencies as necessary.

3. The commissioner shall proceed, pursuant to this section, to collect all costs incurred in cleanup of a clandestine laboratory site from the person having control over a clandestine laboratory site.

4. The commissioner shall make all reasonable efforts to recover the full amount of moneys expended, through litigation or otherwise. Moneys recovered shall be deposited with the treasurer of state and credited to the department of public safety.

93 Acts, ch 141, §2; 2009 Acts, ch 41, §184

Referred to in §124C.1

124C.3 Liability to the state.

A person having control over a clandestine laboratory site shall be strictly liable to the state for all of the following:

1. The reasonable costs incurred by the state as a result of cleanup of the site.

2. The reasonable costs incurred by the state to evacuate people from the area threatened by the clandestine laboratory site.

3. The reasonable damages to the state for the injury to, destruction of, or loss of natural resources resulting from the clandestine laboratory site, including the costs of assessing the injury, destruction, or loss.

93 Acts, ch 141, §3

Referred to in §124C.4

124C.4 Claim of state.

1. An amount for which a person having control over a clandestine laboratory is liable to the state shall constitute a lien in favor of the state upon all property and rights to property, real and personal, belonging to that person. This lien shall attach at the time the charges set out in section 124C.3 become due and payable and shall continue for ten years from the time the lien attaches unless sooner released or otherwise discharged. The lien may be extended, within ten years from the date the lien attaches, by filing a notice with the appropriate county official of the appropriate county and from the time of filing the lien shall be extended as to the property in that county for ten years, unless sooner released or otherwise discharged, with no limit on the number of extensions.

2. In order to preserve the lien against subsequent mortgagees, purchasers, or judgment creditors for value and without notice of the lien, the commissioner shall file with the recorder of the county in which the property is located a notice of the lien. A laboratory cleanup lien shall be recorded in the index of income tax liens in the county.

3. Each notice of lien shall be endorsed with the day, hour, and minute when the notice was filed for recording and the document reference number, and the notice shall be preserved, indexed, and recorded in the manner provided for recording real estate mortgages. The lien

is effective from the time of its indexing. The department shall pay recording fees as provided by section 331.604 for the recording of the lien or for its satisfaction.

4. Upon payment of a charge for which the commissioner has filed a notice of lien with a county, the commissioner shall immediately file with the county a satisfaction of the charge and the satisfaction of the charge shall be indicated on the index.

5. The attorney general, upon the request of the commissioner, shall bring an action at law or in equity, without bond, to enforce payment of any charges or penalties, and in such action the attorney general shall have the assistance of the county attorney of the county in which the action is pending.

6. The remedies available to the state in this chapter shall be cumulative and no action taken by the commissioner or attorney general shall be construed to be an election on the part of the state to pursue any remedy to the exclusion of any other remedy provided by law.

93 Acts, ch 141, §4; 2002 Acts, ch 1113, §2; 2009 Acts, ch 27, §3; 2009 Acts, ch 41, §185

124C.5 Liability of state employees or persons providing cleanup assistance.

The state and its officers or employees are not liable for damages or injury caused by a condition at a clandestine laboratory site or resulting from action or inaction taken by any officers or employees when acting in their official capacity pursuant to this chapter, unless the damage or injury resulted from intentional wrongdoing or gross negligence.

93 Acts, ch 141, §5

124C.6 Legal remedies.

This chapter does not deny a person any legal or equitable rights, remedies, or defenses, or affect any legal relationship other than the legal relationship between the state and a person having control over a clandestine laboratory site.

93 Acts, ch 141, §6

124C.7 Rulemaking authority.

The department may adopt rules pursuant to chapter 17A necessary to administer this chapter.

124E.1 Short title.

This chapter shall be known and may be cited as the “*Medical Cannabidiol Act*”.
2017 Acts, ch 162, §4, 25

124E.2 Definitions.

As used in this chapter:

1. “*Bordering state*” means the same as defined in section 331.910.
2. “*Debilitating medical condition*” means any of the following:
 - a. Cancer, if the underlying condition or treatment produces one or more of the following:
 - (1) Severe or chronic pain.
 - (2) Nausea or severe vomiting.
 - (3) Cachexia or severe wasting.
 - b. Multiple sclerosis with severe and persistent muscle spasms.
 - c. Seizures, including those characteristic of epilepsy.
 - d. AIDS or HIV as defined in section 141A.1.
 - e. Crohn’s disease.
 - f. Amyotrophic lateral sclerosis.
 - g. Any terminal illness, with a probable life expectancy of under one year, if the illness or its treatment produces one or more of the following:
 - (1) Severe or chronic pain.
 - (2) Nausea or severe vomiting.
 - (3) Cachexia or severe wasting.
 - h. Parkinson’s disease.
 - i. Chronic pain.
 - j. Severe, intractable autism with self-injurious or aggressive behaviors.
 - k. Post-traumatic stress disorder.
3. “*Department*” means the department of public health.
4. “*Disqualifying felony offense*” means a violation under federal or state law of a felony under federal or state law, which has as an element the possession, use, or distribution of a controlled substance, as defined in 21 U.S.C. §802(6).

5. “*Employee*” means a natural person who is employed in this state for wages by an employer.

6. “*Employer*” means a person who in this state employs for wages an employee.

7. “*Health care practitioner*” means an individual licensed under chapter 148 to practice medicine and surgery or osteopathic medicine and surgery, a physician assistant licensed under chapter 148C, an advanced registered nurse practitioner licensed under chapter 152, or an advanced practice registered nurse under chapter 152E, who is a patient’s primary care provider or a podiatrist licensed pursuant to chapter 149.

8. “*Laboratory*” means the state hygienic laboratory at the university of Iowa in Iowa City or any other independent medical cannabidiol testing facility accredited to standard ISO/IEC 17025 by an international organization for standards-approved accrediting body, with a controlled substance registration certificate from the United States drug enforcement administration and a certificate of registration from the board of pharmacy. For the purposes of this chapter, an independent laboratory is a laboratory operated by an entity that has no equity ownership in a medical cannabidiol manufacturer.

9. “*Marijuana*” means any derivative of marijuana including but not limited to medical cannabidiol.

10. “*Medical cannabidiol*” means any pharmaceutical grade cannabinoid found in the plant *Cannabis sativa L.* or *Cannabis indica* or any other preparation thereof that is delivered in a form recommended by the medical cannabidiol board, approved by the board of medicine, and adopted by the department pursuant to rule.

11. “*Primary caregiver*” means a person who is a resident of this state or a bordering state as defined in section 331.910, including but not limited to a parent or legal guardian, at least eighteen years of age, who has been designated by a patient’s health care practitioner as a necessary caretaker taking responsibility for managing the well-being of the patient with respect to the use of medical cannabidiol pursuant to the provisions of this chapter.

12. “*Total tetrahydrocannabinol*” means eighty-seven and seven-tenths percent of the amount of tetrahydrocannabinolic acid plus the amount of tetrahydrocannabinol.

13. “*Untreatable pain*” means any pain whose cause cannot be removed and, according to generally accepted medical practice, the full range of pain management modalities appropriate for the patient has been used without adequate result or with intolerable side effects.

14. “*Written certification*” means a document signed by a health care practitioner, with whom the patient has established a patient-provider relationship, which states that the patient has a debilitating medical condition and identifies that condition and provides any other relevant information.

124E.3 Health care practitioner certification — duties.

1. Prior to a patient’s submission of an application for a medical cannabidiol registration card pursuant to section 124E.4, a health care practitioner shall do all of the following:

a. Determine, in the health care practitioner’s medical judgment, whether the patient whom the health care practitioner has examined and treated suffers from a debilitating medical condition that qualifies for the use of medical cannabidiol under this chapter, and if so determined, provide the patient with a written certification of that diagnosis.

b. Provide explanatory information as provided by the department to the patient about the therapeutic use of medical cannabidiol and the possible risks, benefits, and side effects of the proposed treatment.

2. Subsequently, the health care practitioner shall do the following:

a. Determine, on an annual basis, if the patient continues to suffer from a debilitating medical condition and, if so, issue the patient a new certification of that diagnosis.

b. Otherwise comply with all requirements established by the department pursuant to rule.

3. A health care practitioner may provide, but has no duty to provide, a written certification pursuant to this section.

2017 Acts, ch 162, §6, 25

Referred to in §124E.11

124E.4 Medical cannabidiol registration card.

1. *Issuance to patient.* Subject to subsection 6, the department may issue a medical cannabidiol registration card to a patient who:

- a. Is at least eighteen years of age.
- b. Is a permanent resident of this state.
- c. Submits a written certification to the department signed by the patient's health care practitioner that the patient is suffering from a debilitating medical condition.
- d. Submits an application to the department, on a form created by the department, that contains all of the following:

- (1) The patient's full name, Iowa residence address, date of birth, and telephone number.
- (2) A copy of the patient's valid photo identification.
- (3) Full name, address, and telephone number of the patient's health care practitioner.
- (4) Full name, residence address, date of birth, and telephone number of each primary caregiver of the patient, if any.

(5) Any other information required by rule.

e. Submits a medical cannabidiol registration card fee of one hundred dollars to the department. If the patient attests to receiving social security disability benefits, supplemental security insurance payments, or being enrolled in the medical assistance program, the fee shall be twenty-five dollars.

2. *Patient card contents.* A medical cannabidiol registration card issued to a patient by the department pursuant to subsection 1 shall contain, at a minimum, all of the following:

- a. The patient's full name, Iowa residence address, and date of birth.
- b. The date of issuance and expiration date of the medical cannabidiol registration card.
- c. Any other information required by rule.

3. *Issuance to primary caregiver.* For a patient in a primary caregiver's care, subject to subsection 6, the department may issue a medical cannabidiol registration card to the primary caregiver who:

a. Submits a written certification to the department signed by the patient's health care practitioner that the patient in the primary caregiver's care is suffering from a debilitating medical condition.

b. Submits an application to the department, on a form created by the department, that contains all of the following:

(1) The primary caregiver's full name, residence address, date of birth, and telephone number.

(2) The patient's full name.

(3) A copy of the primary caregiver's valid photo identification.

(4) Full name, address, and telephone number of the patient's health care practitioner.

(5) Any other information required by rule.

c. Submits a medical cannabidiol registration card fee of twenty-five dollars to the department.

4. *Primary caregiver card contents.* A medical cannabidiol registration card issued by the department to a primary caregiver pursuant to subsection 3 shall contain, at a minimum, all of the following:

a. The primary caregiver's full name, residence address, and date of birth.

b. The date of issuance and expiration date of the registration card.

c. The medical cannabidiol registration card number of each patient in the primary caregiver's care. If the patient in the primary caregiver's care is under the age of eighteen, the full name of the patient's parent or legal guardian.

d. Any other information required by rule.

5. *Expiration date of card.* A medical cannabidiol registration card issued pursuant to this section shall expire one year after the date of issuance and may be renewed.

6. *Federally approved clinical trials.* The department shall not approve the issuance of a medical cannabidiol registration card pursuant to this section for a patient who is enrolled in a federally approved clinical trial for the treatment of a debilitating medical condition with medical cannabidiol.

124E.5 Medical cannabidiol board — duties.

1. *a.* A medical cannabidiol board is created consisting of eight practitioners representing the fields of neurology, pain management, gastroenterology, oncology, psychiatry, pediatrics, family medicine, and pharmacy, and one representative from law enforcement.

b. The practitioners shall be licensed in this state and nationally board-certified in their area of specialty and knowledgeable about the use of medical cannabidiol.

c. Applicants for membership on the board shall submit a membership application to the department and the governor shall appoint members from the applicant pool.

d. For purposes of this subsection, “*representative from law enforcement*” means a regularly employed member of a police force of a city or county, including a sheriff, or of the state patrol, in this state, who is responsible for the prevention and detection of crime and the enforcement of the criminal laws of this state.

2. The medical cannabidiol board shall convene at least twice per year.

3. The duties of the medical cannabidiol board shall include but not be limited to the following:

a. Accepting and reviewing petitions to add medical conditions, medical treatments, or debilitating diseases to the list of debilitating medical conditions for which the medical use of cannabidiol would be medically beneficial under this chapter.

b. Making recommendations relating to the removal or addition of debilitating medical conditions to the list of allowable debilitating medical conditions for which the medical use of cannabidiol under this chapter would be medically beneficial.

c. Working with the department regarding the requirements for the licensure of medical cannabidiol manufacturers and medical cannabidiol dispensaries, including licensure procedures.

d. Advising the department regarding the location of medical cannabidiol manufacturers and medical cannabidiol dispensaries throughout the state.

e. Making recommendations relating to the form and quantity of allowable medical uses of cannabidiol.

4. Recommendations made by the medical cannabidiol board pursuant to subsection 3, paragraphs “*b*” and “*e*”, shall be made to the board of medicine for consideration, and if approved, shall be adopted by the board of medicine by rule.

5. On or before January 1 of each year, beginning January 1, 2018, the medical cannabidiol board shall submit a report detailing the activities of the board.

6. The general assembly shall have the sole authority to revise the definition of medical cannabidiol for purposes of this chapter.

124E.6 Medical cannabidiol manufacturer licensure.

1. *a.* The department shall issue a request for proposals to select and license by December 1, 2017, up to two medical cannabidiol manufacturers to manufacture and to possess, cultivate, harvest, transport, package, process, or supply medical cannabidiol within this state consistent with the provisions of this chapter. The department shall license new medical cannabidiol manufacturers or relicense the existing medical cannabidiol manufacturers by December 1 of each year.

b. Information submitted during the application process shall be confidential until a medical cannabidiol manufacturer is licensed by the department unless otherwise protected from disclosure under state or federal law.

2. As a condition for licensure, a medical cannabidiol manufacturer must agree to begin

supplying medical cannabidiol to medical cannabidiol dispensaries in this state no later than December 1, 2018.

3. The department shall consider the following factors in determining whether to select and license a medical cannabidiol manufacturer:

a. The technical expertise of the medical cannabidiol manufacturer regarding medical cannabidiol.

b. The qualifications of the medical cannabidiol manufacturer's employees.

c. The long-term financial stability of the medical cannabidiol manufacturer.

d. The ability to provide appropriate security measures on the premises of the medical cannabidiol manufacturer.

e. Whether the medical cannabidiol manufacturer has demonstrated an ability to meet certain medical cannabidiol production needs for medical use regarding the range of recommended dosages for each debilitating medical condition, the range of chemical compositions of any plant of the genus *cannabis* that will likely be medically beneficial for each of the debilitating medical conditions, and the form of the medical cannabidiol in the manner determined by the department pursuant to rule.

f. The medical cannabidiol manufacturer's projection of and ongoing assessment of fees on patients with debilitating medical conditions.

4. A medical cannabidiol manufacturer shall contract with a laboratory to perform spot-check testing of the medical cannabidiol produced by the medical cannabidiol manufacturer as provided in section 124E.7. The department shall require that the laboratory report testing results to the medical cannabidiol manufacturer and the department as determined by the department by rule. If a medical cannabidiol manufacturer contracts with a laboratory other than the state hygienic laboratory at the university of Iowa in Iowa City, the department shall approve the laboratory to perform testing pursuant to this chapter.

5. Each entity submitting an application for licensure as a medical cannabidiol manufacturer shall pay a nonrefundable application fee of seven thousand five hundred dollars to the department.

124E.7 Medical cannabidiol manufacturers.

1. A medical cannabidiol manufacturer shall contract with a laboratory to perform spot-check testing of the medical cannabidiol produced by the medical cannabidiol manufacturer as to content, contamination, and consistency. The cost of all laboratory testing shall be paid by the medical cannabidiol manufacturer.

2. The operating documents of a medical cannabidiol manufacturer shall include all of the following:

a. Procedures for the oversight of the medical cannabidiol manufacturer and procedures to ensure accurate recordkeeping.

b. Procedures for the implementation of appropriate security measures to deter and prevent the theft of medical cannabidiol and unauthorized entrance into areas containing medical cannabidiol.

3. A medical cannabidiol manufacturer shall implement security requirements, including requirements for protection of each location by a fully operational security alarm system, facility access controls, perimeter intrusion detection systems, and a personnel identification system.

4. A medical cannabidiol manufacturer shall not share office space with, refer patients to, or have any financial relationship with a health care practitioner.

5. A medical cannabidiol manufacturer shall not permit any person to consume medical cannabidiol on the property of the medical cannabidiol manufacturer.

6. A medical cannabidiol manufacturer is subject to reasonable inspection by the department.

7. A medical cannabidiol manufacturer shall not employ a person who is under eighteen years of age or who has been convicted of a disqualifying felony offense. An employee of a medical cannabidiol manufacturer shall be subject to a background investigation conducted

by the division of criminal investigation of the department of public safety and a national criminal history background check pursuant to section 124E.19.

8. A medical cannabidiol manufacturer owner shall not have been convicted of a disqualifying felony offense and shall be subject to a background investigation conducted by the division of criminal investigation of the department of public safety and a national criminal history background check pursuant to section 124E.19.

9. A medical cannabidiol manufacturer shall not operate at the same physical location as a medical cannabidiol dispensary.

10. A medical cannabidiol manufacturer shall not operate in any location, whether for manufacturing, possessing, cultivating, harvesting, transporting, packaging, processing, or supplying, within one thousand feet of a public or private school existing before the date of the medical cannabidiol manufacturer's licensure by the department.

11. A medical cannabidiol manufacturer shall comply with reasonable restrictions set by the department relating to signage, marketing, display, and advertising of medical cannabidiol.

12. *a.* A medical cannabidiol manufacturer shall provide a reliable and ongoing supply of medical cannabidiol to medical cannabidiol dispensaries pursuant to this chapter.

b. All manufacturing, cultivating, harvesting, packaging, and processing of medical cannabidiol shall take place in an enclosed, locked facility at a physical address provided to the department during the licensure process.

c. A medical cannabidiol manufacturer shall not manufacture edible medical cannabidiol products.

124E.8 Medical cannabidiol dispensary licensure.

1. *a.* The department shall issue a request for proposals to select and license by April 1, 2018, up to five medical cannabidiol dispensaries to dispense medical cannabidiol within this state consistent with the provisions of this chapter. The department shall license new medical cannabidiol dispensaries or relicense the existing medical cannabidiol dispensaries by December 1 of each year.

b. Information submitted during the application process shall be confidential until a medical cannabidiol dispensary is licensed by the department unless otherwise protected from disclosure under state or federal law.

2. As a condition for licensure, a medical cannabidiol dispensary must agree to begin supplying medical cannabidiol to patients by December 1, 2018.

3. The department shall consider the following factors in determining whether to select and license a medical cannabidiol dispensary:

a. The technical expertise of the medical cannabidiol dispensary regarding medical cannabidiol.

b. The qualifications of the medical cannabidiol dispensary's employees.

c. The long-term financial stability of the medical cannabidiol dispensary.

d. The ability to provide appropriate security measures on the premises of the medical cannabidiol dispensary.

e. The medical cannabidiol dispensary's projection and ongoing assessment of fees for the purchase of medical cannabidiol on patients with debilitating medical conditions.

4. Each entity submitting an application for licensure as a medical cannabidiol dispensary shall pay a nonrefundable application fee of five thousand dollars to the department.

124E.9 Medical cannabidiol dispensaries.

1. *a.* The medical cannabidiol dispensaries shall be located based on geographical need throughout the state to improve patient access.

b. A medical cannabidiol dispensary may dispense medical cannabidiol pursuant to the

provisions of this chapter but shall not dispense any medical cannabidiol in a form or quantity other than the form or quantity allowed by the department pursuant to rule.

2. The operating documents of a medical cannabidiol dispensary shall include all of the following:

a. Procedures for the oversight of the medical cannabidiol dispensary and procedures to ensure accurate recordkeeping.

b. Procedures for the implementation of appropriate security measures to deter and prevent the theft of medical cannabidiol and unauthorized entrance into areas containing medical cannabidiol.

3. A medical cannabidiol dispensary shall implement security requirements, including requirements for protection by a fully operational security alarm system, facility access controls, perimeter intrusion detection systems, and a personnel identification system.

4. A medical cannabidiol dispensary shall not share office space with, refer patients to, or have any financial relationship with a health care practitioner.

5. A medical cannabidiol dispensary shall not permit any person to consume medical cannabidiol on the property of the medical cannabidiol dispensary.

6. A medical cannabidiol dispensary is subject to reasonable inspection by the department.

7. A medical cannabidiol dispensary shall not employ a person who is under eighteen years of age or who has been convicted of a disqualifying felony offense. An employee of a medical cannabidiol dispensary shall be subject to a background investigation conducted by the division of criminal investigation of the department of public safety and a national criminal history background check pursuant to section 124E.19.

8. A medical cannabidiol dispensary owner shall not have been convicted of a disqualifying felony offense and shall be subject to a background investigation conducted by the division of criminal investigation of the department of public safety and a national criminal history background check pursuant to section 124E.19.

9. A medical cannabidiol dispensary shall not operate at the same physical location as a medical cannabidiol manufacturer.

10. A medical cannabidiol dispensary shall not operate in any location within one thousand feet of a public or private school existing before the date of the medical cannabidiol dispensary's licensure by the department.

11. A medical cannabidiol dispensary shall comply with reasonable restrictions set by the department relating to signage, marketing, display, and advertising of medical cannabidiol.

12. Prior to dispensing of any medical cannabidiol, a medical cannabidiol dispensary shall do all of the following:

a. Verify that the medical cannabidiol dispensary has received a valid medical cannabidiol registration card from a patient or a patient's primary caregiver, if applicable.

b. Assign a tracking number to any medical cannabidiol dispensed from the medical cannabidiol dispensary.

c. Properly package medical cannabidiol in compliance with federal law regarding child resistant packaging and exemptions for packaging for elderly patients, and label medical cannabidiol with a list of all active ingredients and individually identifying information.

13. A medical cannabidiol dispensary shall employ a pharmacist or pharmacy technician licensed or registered pursuant to chapter 155A for the purpose of making dosing recommendations.

14. A medical cannabidiol dispensary shall not dispense more than a combined total of four and one-half grams of total tetrahydrocannabinol to a patient and the patient's primary caregiver in a ninety-day period, except as provided in subsection 15.

15. A medical cannabidiol dispensary may dispense more than a combined total of four and one-half grams of total tetrahydrocannabinol to a patient and the patient's primary caregiver in a ninety-day period if any of the following apply:

a. The health care practitioner who certified the patient to receive a medical cannabidiol registration card certifies that patient's debilitating medical condition is a terminal illness with a life expectancy of less than one year. A certification issued pursuant to this paragraph

shall include a total tetrahydrocannabinol cap deemed appropriate by the patient's health care practitioner.

b. The health care practitioner who certified the patient to receive a medical cannabidiol registration card certifies that the patient has participated in the medical cannabidiol program and that the health care practitioner has determined that four and one-half grams of total tetrahydrocannabinol in a ninety-day period is insufficient to treat the patient's debilitating medical condition. A certification issued pursuant to this paragraph shall include a total tetrahydrocannabinol cap deemed appropriate by the patient's health care practitioner.

124E.11 Department duties — rules.

1. a. The department shall maintain a confidential file of the names of each patient to or for whom the department issues a medical cannabidiol registration card and the name of each primary caregiver to whom the department issues a medical cannabidiol registration card under section 124E.4.

b. Individual names contained in the file shall be confidential and shall not be subject to disclosure, except as provided in subparagraph (1).

(1) Information in the confidential file maintained pursuant to paragraph "a" may be released on an individual basis to the following persons under the following circumstances:

(a) To authorized employees or agents of the department as necessary to perform the duties of the department pursuant to this chapter.

(b) To authorized employees of law enforcement agencies of a state or political subdivision thereof, but only for the purpose of verifying that a person is lawfully in possession of a medical cannabidiol registration card issued pursuant to this chapter.

(c) To authorized employees of a medical cannabidiol dispensary, but only for the purposes of verifying that a person is lawfully in possession of a medical cannabidiol registration card issued pursuant to this chapter and that a person has not purchased total tetrahydrocannabinol in excess of the amount authorized by this chapter.

(d) To any other authorized persons recognized by the department by rule, but only for the purpose of verifying that a person is lawfully in possession of a medical cannabidiol registration card issued pursuant to this chapter.

(e) To a health care practitioner for the purpose of determining whether a patient seeking a written certification pursuant to section 124E.3 has already received a written certification from another health care practitioner.

(2) Release of information pursuant to subparagraph (1) shall be consistent with the federal Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191.

2. The department shall adopt rules pursuant to chapter 17A to administer this chapter which shall include but not be limited to rules to do all of the following:

a. Govern the manner in which the department shall consider applications for new and renewal medical cannabidiol registration cards.

b. Ensure that the medical cannabidiol registration card program operates on a self-sustaining basis.

c. Establish the form and quantity of medical cannabidiol allowed to be dispensed to a patient or primary caregiver pursuant to this chapter as appropriate to serve the medical needs of patients with debilitating medical conditions, subject to recommendation by the medical cannabidiol board and approval by the board of medicine.

d. Establish requirements for the licensure of medical cannabidiol manufacturers and medical cannabidiol dispensaries and set forth procedures for medical cannabidiol manufacturers and medical cannabidiol dispensaries to obtain licenses.

e. Develop a dispensing system for medical cannabidiol within this state that provides for all of the following:

(1) Medical cannabidiol dispensaries within this state housed on secured grounds and operated by licensed medical cannabidiol dispensaries.

(2) The dispensing of medical cannabidiol to patients and their primary caregivers to occur at locations designated by the department.

f. Establish and collect annual fees from medical cannabidiol manufacturers and medical cannabidiol dispensaries to cover the costs associated with regulating and inspecting medical cannabidiol manufacturers and medical cannabidiol dispensaries.

g. Specify and implement procedures that address public safety including security procedures and product quality including measures to ensure contaminant-free cultivation of medical cannabidiol, safety, and labeling.

h. Establish and implement a real-time, statewide medical cannabidiol registry management sale tracking system that is available to medical cannabidiol dispensaries on a twenty-four-hour-a-day, seven-day-a-week basis for the purpose of verifying that a person is lawfully in possession of a medical cannabidiol registration card issued pursuant to this chapter and for tracking the date of the sale and quantity of medical cannabidiol purchased by a patient or a primary caregiver.

i. Establish and implement a medical cannabidiol inventory and delivery tracking system to track medical cannabidiol from production by a medical cannabidiol manufacturer through dispensing at a medical cannabidiol dispensary.

124E.12 Use of medical cannabidiol — affirmative defenses.

1. A health care practitioner, including any authorized agent or employee thereof, shall not be subject to prosecution for the unlawful certification, possession, or administration of marijuana under the laws of this state for activities arising directly out of or directly related to the certification or use of medical cannabidiol in the treatment of a patient diagnosed with a debilitating medical condition as authorized by this chapter.

2. A medical cannabidiol manufacturer, including any authorized agent or employee thereof, shall not be subject to prosecution for manufacturing, possessing, cultivating, harvesting, transporting, packaging, processing, or supplying medical cannabidiol pursuant to this chapter.

3. A medical cannabidiol dispensary, including any authorized agent or employee thereof, shall not be subject to prosecution for dispensing medical cannabidiol pursuant to this chapter.

4. a. In a prosecution for the unlawful possession of marijuana under the laws of this state for the possession of medical cannabidiol, including but not limited to chapters 124 and 453B, it is an affirmative and complete defense to the prosecution that the patient has been diagnosed with a debilitating medical condition, used or possessed medical cannabidiol pursuant to a certification by a health care practitioner as authorized under this chapter, and, for a patient eighteen years of age or older, is in possession of a valid medical cannabidiol registration card issued pursuant to this chapter.

b. In a prosecution for the unlawful possession of marijuana under the laws of this state for the possession of medical cannabidiol, including but not limited to chapters 124 and 453B, it is an affirmative and complete defense to the prosecution that the person possessed medical cannabidiol because the person is a primary caregiver of a patient who

has been diagnosed with a debilitating medical condition and is in possession of a valid medical cannabidiol registration card issued pursuant to this chapter, and where the primary caregiver's possession of the medical cannabidiol is on behalf of the patient and for the patient's use only as authorized under this chapter.

c. If a patient or primary caregiver is charged with the unlawful possession of marijuana under the laws of this state for the possession of medical cannabidiol, including but not limited to chapters 124 and 453B, and is not in possession of the person's medical cannabidiol registration card, any charge or charges filed against the person for the possession of medical cannabidiol shall be dismissed by the court if the person produces to the court prior to or at the person's trial a medical cannabidiol registration card issued to that person and valid at the time the person was charged.

5. An agency of this state or a political subdivision thereof, including any law enforcement agency, shall not remove or initiate proceedings to remove a patient under the age of eighteen from the home of a parent based solely upon the parent's or patient's possession or use of medical cannabidiol as authorized under this chapter.

6. The department, the department of transportation, and any health care practitioner, including any authorized agent or employee thereof, are not subject to any civil or disciplinary penalties by the board of medicine or any business, occupational, or professional licensing board or entity, solely for activities conducted relating to a patient's possession or use of medical cannabidiol as authorized under this chapter. Nothing in this section affects a professional licensing board from taking action in response to violations of any other section of law.

7. Notwithstanding any law to the contrary, the department, the governor, or any employee of any state agency shall not be held civilly or criminally liable for any injury, loss of property, personal injury, or death caused by any act or omission while acting within the scope of office or employment as authorized under this chapter.

8. An attorney shall not be subject to disciplinary action by the Iowa supreme court or attorney disciplinary board for providing legal assistance to a patient, primary caregiver, or others based upon a patient's or primary caregiver's possession or use of medical cannabidiol as authorized under this chapter.

9. Possession of a medical cannabidiol registration card or an application for a medical cannabidiol registration card by a person entitled to possess or apply for a medical cannabidiol registration card shall not constitute probable cause or reasonable suspicion, and shall not be used to support a search of the person or property of the person possessing or applying for the medical cannabidiol registration card, or otherwise subject the person or property of the person to inspection by any governmental agency.

124E.19 Background investigations.

1. The division of criminal investigation of the department of public safety shall conduct thorough background investigations for the purposes of licensing medical cannabidiol manufacturers and medical cannabidiol dispensaries under this chapter. The results of any background investigation conducted pursuant to this section shall be presented to the department.

a. An applicant for a medical cannabidiol manufacturer license or a medical cannabidiol dispensary license and their owners, investors, and employees shall submit all required information on a form prescribed by the department of public safety.

b. The department shall charge an applicant for a medical cannabidiol manufacturer license or a medical cannabidiol dispensary license a fee determined by the department of public safety and adopted by the department by rule to defray the costs associated with background investigations conducted pursuant to the requirements of this section. The fee shall be in addition to any other fees charged by the department. The fee may be retained by the department of public safety and shall be considered repayment receipts as defined in section 8.2.

2. The department shall require an applicant for a medical cannabidiol manufacturer license or a medical cannabidiol dispensary license, their owners and investors, and applicants for employment at a medical cannabidiol manufacturer or medical cannabidiol dispensary to submit fingerprints and other required identifying information to the department on a form prescribed by the department of public safety. The department shall submit the fingerprint cards and other identifying information to the division of criminal investigation of the department of public safety for submission to the federal bureau of investigation for the purpose of conducting a national criminal history record check. The department may require employees and contractors involved in carrying out a background investigation to submit fingerprints and other identifying information for the same purpose.

3. The department may enter into a chapter 28E agreement with the department of public safety to meet the requirements of this section.

4. An applicant for a medical cannabidiol manufacturer license or a medical cannabidiol

dispensary license shall submit information and fees required by this section at the time of application.

5. The results of background investigations conducted pursuant to this section shall not be considered public records under chapter 22.

SUBCHAPTER I

INTRODUCTORY PROVISIONS

125.1 Declaration of policy.

It is the policy of this state:

1. That persons with substance-related disorders be afforded the opportunity to receive quality treatment and directed into rehabilitation services which will help them resume a socially acceptable and productive role in society.

2. To encourage substance abuse education and prevention efforts and to insure that such efforts are coordinated to provide a high quality of services without unnecessary duplication.

3. To insure that substance abuse programs are being operated by individuals who are qualified in their field whether through formal education or through employment or personal experience.

[C71, 73, §123B.2; C75, 77, 79, 81, §125.1]

[A portion of subsection 1 was inadvertently omitted in the 1993 Code]

2011 Acts, ch 121, §24, 62

125.2 Definitions.

For purposes of this chapter, unless the context clearly indicates otherwise:

1. “*Board*” means the state board of health created pursuant to chapter 136.

2. “*Chemical substance*” means alcohol, wine, spirits, and beer as defined in chapter 123 and controlled substances as defined in section 124.101.

3. “*Chief medical officer*” means the medical director in charge of a public or private hospital, or the director's physician-designee. This chapter does not negate the authority otherwise reposed by chapter 226 in the respective superintendents of the state mental health institutes to make decisions regarding the appropriateness of admissions or discharges of patients of those institutes, however, it is the intent of this chapter that a superintendent who is not a licensed physician shall be guided in these decisions by the chief medical officer of the institute.

4. “*Clerk*” means the clerk of the district court.

5. “*County of residence*” means the same as defined in section 331.394.

6. “*Department*” means the Iowa department of public health.

7. “*Director*” means the director of the Iowa department of public health.

8. “*Facility*” means an institution, a detoxification center, or an installation providing care, maintenance and treatment for persons with substance-related disorders licensed by

the department under section 125.13, hospitals licensed under chapter 135B, or the state mental health institutes designated by chapter 226.

9. “*Incapacitated by a chemical substance*” means that a person, as a result of the use of a chemical substance, is unconscious or has the person’s judgment otherwise so impaired that the person is incapable of realizing and making a rational decision with respect to the need for treatment.

10. “*Incompetent person*” means a person who has been adjudged incompetent by a court of law.

11. “*Interested person*” means a person who, in the discretion of the court, is legitimately concerned that a respondent receive substance abuse treatment services.

12. “*Mental health professional*” means the same as defined in section 228.1.

13. “*Psychiatric advanced registered nurse practitioner*” means an individual currently licensed as a registered nurse under chapter 152 or 152E who holds a national certification in psychiatric mental health care and who is licensed by the board of nursing as an advanced registered nurse practitioner.

14. “*Respondent*” means a person against whom an application is filed under section 125.75.

15. “*Substance-related disorder*” means a diagnosable substance abuse disorder of sufficient duration to meet diagnostic criteria specified within the most current diagnostic and statistical manual of mental disorders published by the American psychiatric association that results in a functional impairment.

Referred to in §125.7

125.4 through 125.6 Repealed by 2005 Acts, ch 175, §128.

125.7 Duties of the board.

The board shall:

1. Approve the comprehensive substance abuse program, developed by the department pursuant to sections 125.1 to 125.43.

2. Advise the department on policies governing the performance of the department in the discharge of any duties imposed on the department by law.

3. Advise or make recommendations to the governor and the general assembly relative to substance abuse treatment, intervention, education, and prevention programs in this state.

4. Adopt rules for subsections 1 and 6 and review other rules necessary to carry out the provisions of this chapter, subject to review in accordance with chapter 17A.

5. Investigate the work of the department relating to substance abuse, and for this purpose the board shall have access at any time to all books, papers, documents, and records of the department.

6. Consider and approve or disapprove all applications for a license and all cases involving the renewal, denial, suspension, or revocation of a license.

7. Act as the appeal board regarding funding decisions made by the department.

125.9 Powers of director.

The director may:

1. Plan, establish and maintain treatment, intervention, education, and prevention programs as necessary or desirable in accordance with the comprehensive substance abuse program.

2. Make contracts necessary or incidental to the performance of the duties and the execution of the powers of the director, including contracts with public and private agencies, organizations and individuals to pay them for services rendered or furnished to persons with substance-related disorders.

3. Solicit and accept for use any gift of money or property made by will or otherwise, and any grant of money, services or property from the federal government, the state, or any political subdivision thereof or any private source, and do all things necessary to cooperate with the federal government or any of its agencies and the department in making an application for any grant.

4. Coordinate the activities of the department and cooperate with substance abuse programs in this and other states, and make contracts and other joint or cooperative arrangements with state, local or private agencies in this and other states for the treatment of persons with substance-related disorders and for the common advancement of substance abuse programs.

5. Require that a written report, in reasonable detail, be submitted to the director at any time by any agency of this state or of any of its political subdivisions in respect to any substance abuse prevention function, or program for the benefit of persons who are or have been involved in substance abuse, which is being conducted by the agency.

6. Submit to the governor a written report of the pertinent facts at any time the director concludes that any agency of this state or of any of its political subdivisions is conducting any substance abuse prevention function, or program for the benefit of persons who are or have been involved in substance abuse in a manner not consistent with or which impairs achievement of the objectives of the state plan to combat substance abuse, and has failed to effect appropriate changes in the function or program.

7. Keep records and engage in research and the gathering of relevant statistics.

8. Employ a deputy director who shall be exempt from the merit system. The director may employ other staff necessary to carry out the duties assigned to the director.

9. Do other acts and things necessary or convenient to execute the authority expressly granted to the director.

[C62, 66, §123A.5, 123A.7, 123A.8; C71, 73, §123A.7, 123A.8, 123B.17; C75, 77, §125.9, 224B.4, 224B.6; C79, 81, §125.9]

Referred to in §125.3, 125.7

Merit system, see chapter 8A, subchapter IV

125.10 Duties of director.

The director shall:

1. Prepare and submit a state plan subject to approval by the board and in accordance with 42 U.S.C. §300x-21 et seq. The state plan shall designate the department as the sole agency for supervising the administration of the plan.

2. Develop, encourage, and foster statewide, regional, and local plans and programs for the prevention of substance misuse and the treatment of persons with substance-related disorders in cooperation with public and private agencies, organizations and individuals, and provide technical assistance and consultation services for these purposes.

3. Coordinate the efforts and enlist the assistance of all public and private agencies, organizations, and individuals interested in the prevention of substance misuse and the treatment of persons with substance-related disorders. The director's actions to implement this subsection shall also address the treatment needs of persons who have a mental illness, an intellectual disability, brain injury, or other co-occurring condition in addition to a substance-related disorder.

4. Cooperate with the department of human services and the Iowa department of public health in establishing and conducting programs to provide treatment for persons with substance-related disorders.

5. Cooperate with the department of education, boards of education, schools, police departments, courts, and other public and private agencies, organizations, and individuals in establishing programs for the prevention of substance misuse and the treatment of persons with substance-related disorders, and in preparing relevant curriculum materials for use at all levels of school education.

6. Prepare, publish, evaluate and disseminate educational material dealing with the nature and effects of chemical substances.

7. Develop and implement, as an integral part of treatment programs, an educational program for use in the treatment of persons with substance-related disorders, which program shall include the dissemination of information concerning the nature and effects of substances.

8. Organize and implement, in cooperation with local treatment programs, training programs for all persons engaged in treatment of persons with substance-related disorders.

9. Sponsor and implement research in cooperation with local treatment programs into the causes and nature of substance misuse and treatment of persons with substance-related disorders, and serve as a clearing house for information relating to substance misuse.

10. Specify uniform methods for keeping statistical information by public and private agencies, organizations, and individuals, and collect and make available relevant statistical information, including number of persons treated, frequency of admission and readmission, and frequency and duration of treatment.

11. Develop and implement, with the counsel and approval of the board, the comprehensive plan for treatment of persons with substance-related disorders in accordance with this chapter.

12. Assist in the development of, and cooperate with, substance abuse education and treatment programs for employees of state and local governments and businesses and industries in the state.

13. Utilize the support and assistance of interested persons in the community, particularly persons who are recovering from substance-related disorders to encourage persons with substance-related disorders to voluntarily undergo treatment.

14. Cooperate with the commissioner of public safety in establishing and conducting programs designed to deal with the problem of persons operating motor vehicles while intoxicated.

15. Encourage general hospitals and other appropriate health facilities to admit without discrimination persons with substance-related disorders and to provide them with adequate and appropriate treatment. The director may negotiate and implement contracts with hospitals and other appropriate health facilities with adequate detoxification facilities.

16. Encourage all health and disability insurance programs to include substance-related disorders as covered illnesses.

17. Review all state health, welfare, education and treatment proposals to be submitted for federal funding under federal legislation, and advise the governor on provisions to be included relating to substance misuse and persons with substance-related disorders.

[C62, 66, §123A.5; C71, 73, §123B.17; C75, 77, §125.10, 224B.5; C79, 81, §125.10; 81 Acts, ch 58, §3]

SUBCHAPTER III
TREATMENT PROGRAMS AND FACILITIES

125.12 Comprehensive program for treatment — regional facilities.

1. The board shall review the comprehensive substance abuse program implemented by the department for the treatment of persons with substance-related disorders and concerned family members. Subject to the review of the board, the director shall divide the state into appropriate regions for the conduct of the program and establish standards for the development of the program on the regional level. In establishing the regions, consideration shall be given to city and county lines, population concentrations, and existing substance abuse treatment services.

2. The program of the department shall include:

- a. Emergency treatment provided by a facility affiliated with or part of the medical service of a general hospital.
- b. Inpatient treatment.
- c. Residential treatment.
- d. Outpatient and follow-up treatment and rehabilitation.
- e. Prevention and education.
- f. Assessment.
- g. Halfway house treatment.

3. The director shall provide for adequate and appropriate treatment for persons with substance-related disorders and concerned family members admitted under sections 125.33 and 125.34, or under section 125.75, 125.81, or 125.91. Treatment shall not be provided at a correctional institution except for inmates. A mental health professional who is employed by a treatment provider under the program may provide treatment to a person with co-occurring substance-related and mental health disorders. Such treatment may also be provided by a person employed by such a treatment provider who is receiving the supervision required to meet the definition of mental health professional but has not completed the supervision component.

4. The director shall maintain, supervise and control all facilities operated by the director pursuant to this chapter.

5. All appropriate public and private resources shall be coordinated with and utilized in the program if possible.

6. The director shall prepare, publish and distribute annually a list of all facilities.

7. The director may contract for the use of a facility if the director, pursuant to section 125.44, considers this to be an effective and economical course to follow.

Referred to in §125.3, 125.7, 321J.25

125.13 Programs licensed — exceptions.

1. a. Except as provided in subsection 2, a person shall not maintain or conduct any chemical substitutes or antagonists program, residential program, or nonresidential outpatient program, the primary purpose of which is the treatment and rehabilitation of persons with substance-related disorders without having first obtained a written license for the program from the department.

b. Four types of licenses may be issued by the department. A renewable license may be issued for one, two, or three years. A treatment program applying for its initial license may be issued a license for two hundred seventy days. A license issued for two hundred seventy days shall not be renewed or extended.

2. The licensing requirements of this chapter do not apply to any of the following:

- a. A hospital providing care or treatment to persons with substance-related disorders

licensed under chapter 135B which is accredited by the joint commission on the accreditation of health care organizations, the commission on accreditation of rehabilitation facilities, the American osteopathic association, or another recognized organization approved by the board. All survey reports from the accrediting or licensing body must be sent to the department.

b. Any practitioner of medicine and surgery or osteopathic medicine and surgery, in the practitioner's private practice. However, a program shall not be exempted from licensing by the board by virtue of its utilization of the services of a medical practitioner in its operation.

c. Private institutions conducted by and for persons who adhere to the faith of any well recognized church or religious denomination for the purpose of providing care, treatment, counseling, or rehabilitation to persons with substance-related disorders and who rely solely on prayer or other spiritual means for healing in the practice of religion of such church or denomination.

d. A program that provides only education, prevention, referral or post treatment services.

e. Alcoholics anonymous.

f. Individuals in private practice who are providing substance abuse treatment services independent from a program that is required to be licensed under subsection 1.

g. Intervention and referral programs which are financed and managed by a county or counties, are staffed by county employees, and do not receive state payments pursuant to a contract under section 125.44.

h. Voluntary, nonprofit groups whose funding is provided solely from nontax sources.

i. A substance abuse treatment program not funded by the department which is accredited or licensed by the joint commission on the accreditation of health care organizations, the commission on the accreditation of rehabilitation facilities, the American osteopathic association, or another recognized organization approved by the board. All survey reports from the accrediting or licensing body must be sent to the department.

j. A hospital substance abuse treatment program that is accredited or licensed by the joint commission on the accreditation of health care organizations, the commission on the accreditation of rehabilitation facilities, the American osteopathic association, or another recognized organization approved by the board. All survey reports for the hospital substance abuse treatment program from the accrediting or licensing body shall be sent to the department.

125.14 Licenses — renewal — fees.

The board shall consider all cases involving initial issuance, and renewal, denial, suspension, or revocation of a license. The department shall issue a license to an applicant whom the board determines meets the licensing requirements of this chapter. Licenses shall expire no later than three years from the date of issuance and shall be renewed upon timely application made in the same manner as for initial issuance of a license unless notice of nonrenewal is given to the licensee at least thirty days prior to the expiration of the license. The department shall not charge a fee for licensing or renewal of programs contracting with the department for provision of treatment services. A fee may be charged to other licensees.

125.14A Personnel of a licensed program admitting juveniles.

1. If a person is being considered for licensure under this chapter, or for employment involving direct responsibility for a child or with access to a child when the child is alone, by a program admitting juveniles subject to licensure under this chapter, or if a person will

reside in a facility utilized by such a program, and if the person has been convicted of a crime or has a record of founded child abuse, the department of human services and the program, for an employee of the program, shall perform an evaluation to determine whether the crime or founded child abuse warrants prohibition of licensure, employment, or residence in the facility. The department of human services shall conduct criminal and child abuse record checks in this state and may conduct these checks in other states. The evaluation shall be performed in accordance with procedures adopted for this purpose by the department of human services.

2. If the department of human services determines that a person has committed a crime or has a record of founded child abuse and is licensed, employed by a program licensed under this chapter, or resides in a licensed facility the department shall notify the program that an evaluation will be conducted to determine whether prohibition of the person's licensure, employment, or residence is warranted.

3. In an evaluation, the department of human services and the program for an employee of the program shall consider the nature and seriousness of the crime or founded child abuse in relation to the position sought or held, the time elapsed since the commission of the crime or founded child abuse, the circumstances under which the crime or founded child abuse was committed, the degree of rehabilitation, the likelihood that the person will commit the crime or founded child abuse again, and the number of crimes or founded child abuses committed by the person involved. The department of human services may permit a person who is evaluated to be licensed, employed, or to reside, or to continue to be licensed, employed, or to reside in a program, if the person complies with the department's conditions relating to the person's licensure, employment, or residence, which may include completion of additional training. For an employee of a licensee, these conditional requirements shall be developed with the licensee. The department of human services has final authority in determining whether prohibition of the person's licensure, employment, or residence is warranted and in developing any conditional requirements under this subsection.

4. If the department of human services determines that the person has committed a crime or has a record of founded child abuse which warrants prohibition of licensure, employment, or residence, the person shall not be licensed under this chapter to operate a program admitting juveniles and shall not be employed by a program or reside in a facility admitting juveniles licensed under this chapter.

5. In addition to the record checks required under this section, the department of human services may conduct dependent adult abuse record checks in this state and may conduct these checks in other states, on a random basis. The provisions of this section, relative to an evaluation following a determination that a person has been convicted of a crime or has a record of founded child abuse, shall also apply to a random check conducted under this subsection.

6. Beginning July 1, 1994, a program or facility shall inform all new applicants for employment of the possibility of the performance of a record check and shall obtain, from the applicant, a signed acknowledgment of the receipt of the information.

7. On or after July 1, 1994, a program or facility shall include the following inquiry in an application for employment:

Do you have a record of founded child or dependent adult abuse
or have you ever been convicted of a crime, in this state or any other
state?

125.15 Inspections.

The department may inspect the facilities and review the procedures utilized by any chemical substitutes or antagonists program, residential program, or nonresidential outpatient program that has as a primary purpose the treatment and rehabilitation of persons with substance-related disorders, for the purpose of ensuring compliance with this chapter and the rules adopted pursuant to this chapter. The examination and review may include

case record audits and interviews with staff and patients, consistent with the confidentiality safeguards of state and federal law.

125.15A Licensure — emergencies.

1. The department may place an employee or agent to serve as a monitor in a licensed substance abuse treatment program or may petition the court for appointment of a receiver for a program when any of the following conditions exist:

a. The program is operating without a license.

b. The board has suspended, revoked, or refused to renew the existing license of the program.

c. The program is closing or has informed the department that it intends to close and adequate arrangements for the location of clients have not been made at least thirty days before the closing.

d. The department determines that an emergency exists, whether or not it has initiated revocation or nonrenewal procedures, and because of the unwillingness or inability of the licensee to remedy the emergency, the department determines that a monitor or receiver is necessary. As used in this paragraph, “*emergency*” means a threat to the health, safety, or welfare of a client that the program is unwilling or unable to correct.

2. The monitor shall observe operation of the program, assist the program with advice regarding compliance with state regulations, and report periodically to the department on the operation of the program.

125.17 License suspension or revocation.

Violation of any of the requirements or restrictions of this chapter or of any of the rules adopted pursuant to this chapter is cause for suspension, revocation, or refusal to renew a license. The director shall at the earliest time feasible notify a licensee whose license the board is considering suspending or revoking and shall inform the licensee what changes must be made in the licensee’s operation to avoid such action. The licensee shall be given a reasonable time for compliance, as determined by the director, after receiving such notice or a notice that the board does not intend to renew the license. When the licensee believes compliance has been achieved, or if the licensee considers the proposed suspension, revocation, or refusal to renew unjustified, the licensee may submit pertinent information to the board and the board shall expeditiously make a decision in the matter and notify the licensee of the decision.

2005 Acts, ch 175, §70

Referred to in §125.3, 125.7

125.18 Hearing before board.

If a licensee under this chapter makes a written request for a hearing within thirty days of suspension, revocation, or refusal to renew a license, a hearing before the board shall be expeditiously arranged by the department of inspections and appeals whose decision is subject to review by the board. The board shall issue a written statement of the board’s findings within thirty days after conclusion of the hearing upholding or reversing the

proposed suspension, revocation, or refusal to renew a license. Action involving suspension, revocation, or refusal to renew a license shall not be taken by the board unless a quorum is present at the meeting. A copy of the board's decision shall be promptly transmitted to the affected licensee who may, if aggrieved by the decision, seek judicial review of the actions of the board in accordance with the terms of chapter 17A.

125.20 Rules.

The department shall establish rules pursuant to chapter 17A requiring facilities to use reasonable accounting and reimbursement systems which recognize relevant cost-related factors for substance abuse patients. A facility shall not be licensed nor shall any payment be made under this chapter to a facility which fails to comply with those rules or which does not permit inspection by the department or examination of all records, including financial records, methods of administration, general and special dietary programs, the disbursement of drugs and methods of supply, and any other records the department deems relevant to the establishment of such a system. However, rules issued pursuant to this paragraph shall not apply to any facility referred to in section 125.13, subsection 2 or section 125.43.

125.21 Chemical substitutes and antagonists programs.

1. The board has exclusive power in this state to approve and license chemical substitutes and antagonists programs, and to monitor chemical substitutes and antagonists programs to ensure that the programs are operating within the rules adopted pursuant to this chapter. The board shall grant approval and license if the requirements of the rules are met and state funding is not requested. The chemical substitutes and antagonists programs conducted by persons exempt from the licensing requirements of this chapter pursuant to section 125.13, subsection 2, are subject to approval and licensure under this section.

2. The department may do any of the following:

a. Provide advice, consultation, and technical assistance to chemical substitutes and antagonists programs.

b. Approve local agencies or bodies to assist the department in carrying out the provisions of this chapter.

125.25 Approval of facility budget.

1. Before making any allocation of funds to a local substance abuse program, the department shall require a detailed line item budget clearly indicating the funds received

from each revenue source for the fiscal year for which the funds are requested on forms provided by the department for each program.

2. The department shall adopt rules governing the approval of line item budgets for the operation of facilities. The rules shall include provisions for the approval of a facility's budget by the department.

125.32 Acceptance for treatment — rules.

The department shall adopt and may amend and repeal rules for acceptance of persons into the treatment program, subject to chapter 17A, considering available treatment resources and facilities, for the purpose of early and effective treatment of persons with substance-related disorders and concerned family members. In establishing the rules the department shall be guided by the following standards:

1. If possible a patient shall be treated on a voluntary rather than an involuntary basis.
2. A patient shall be initially assigned or transferred to outpatient treatment, unless the patient is found to require inpatient, residential, or halfway house treatment.
3. A person shall not be denied treatment solely because the person has withdrawn from treatment against medical advice on a prior occasion or because the person has relapsed after earlier treatment.
4. An individualized treatment plan shall be prepared and maintained on a current basis for each patient after the assessment process.
5. Provision shall be made for a continuum of coordinated treatment services, so that a person who leaves a facility or a form of treatment will have available and may utilize other appropriate treatment.

125.33 Voluntary treatment of persons with substance-related disorders.

1. A person with a substance-related disorder may apply for voluntary treatment or rehabilitation services directly to a facility or to a licensed physician and surgeon or osteopathic physician and surgeon or to a mental health professional. If the proposed patient is a minor or an incompetent person, a parent, a legal guardian or other legal representative may make the application. The licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or any employee or person acting under the direction or supervision of the physician and surgeon or osteopathic physician and surgeon, mental health professional, or facility shall not report or disclose the name of the person or the fact that treatment was requested or has been undertaken to any law enforcement officer or law enforcement agency; nor shall such information be admissible as evidence in any court, grand jury, or administrative proceeding unless authorized by the person seeking treatment. If the person seeking such treatment or rehabilitation is a minor who has personally made application for treatment, the fact that the minor sought treatment or rehabilitation or is receiving treatment or rehabilitation services shall not be reported or disclosed to the

parents or legal guardian of such minor without the minor's consent, and the minor may give legal consent to receive such treatment and rehabilitation.

2. Subject to rules adopted by the department, the administrator or the administrator's designee in charge of a facility may determine who shall be admitted for treatment or rehabilitation. If a person is refused admission, the administrator or the administrator's designee, subject to rules adopted by the department, shall refer the person to another facility for treatment if possible and appropriate.

3. A person with a substance-related disorder seeking treatment or rehabilitation and who is either addicted or dependent on a chemical substance may first be examined and evaluated by a licensed physician and surgeon or osteopathic physician and surgeon or a mental health professional who may prescribe, if authorized or licensed to do so, a proper course of treatment and medication, if needed. The licensed physician and surgeon or osteopathic physician and surgeon or mental health professional may further prescribe a course of treatment or rehabilitation and authorize another licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or facility to provide the prescribed treatment or rehabilitation services. Treatment or rehabilitation services may be provided to a person individually or in a group. A facility providing or engaging in treatment or rehabilitation shall not report or disclose to a law enforcement officer or law enforcement agency the name of any person receiving or engaged in the treatment or rehabilitation; nor shall a person receiving or participating in treatment or rehabilitation report or disclose the name of any other person engaged in or receiving treatment or rehabilitation or that the program is in existence, to a law enforcement officer or law enforcement agency. Such information shall not be admitted in evidence in any court, grand jury, or administrative proceeding. However, a person engaged in or receiving treatment or rehabilitation may authorize the disclosure of the person's name and individual participation.

4. If a patient receiving inpatient or residential care leaves a facility, the patient shall be encouraged to consent to appropriate outpatient or halfway house treatment. If it appears to the administrator in charge of the facility that the patient is a person with a substance-related disorder who requires help, the director may arrange for assistance in obtaining supportive services.

5. If a patient leaves a facility, with or against the advice of the administrator in charge of the facility, the director may make reasonable provisions for the patient's transportation to another facility or to the patient's home. If the patient has no home the patient shall be assisted in obtaining shelter. If the patient is a minor or an incompetent person the request for discharge from an inpatient facility shall be made by a parent, legal guardian or other legal representative or by the minor or incompetent if the patient was the original applicant.

6. Any person who reports or discloses the name of a person receiving treatment or rehabilitation services to a law enforcement officer or law enforcement agency or any person receiving treatment or rehabilitation services who discloses the name of any other person receiving treatment or rehabilitation services without the written consent of the person in violation of the provisions of this section shall upon conviction be guilty of a simple misdemeanor.

125.34 Treatment and services for persons with substance-related disorders due to intoxication and substance-induced incapacitation.

1. A person with a substance-related disorder due to intoxication or substance-induced incapacitation may come voluntarily to a facility for emergency treatment. A person who appears to be intoxicated or incapacitated by a substance in a public place and in need of help may be taken to a facility by a peace officer under section 125.91. If the person refuses the proffered help, the person may be arrested and charged with intoxication under section 123.46, if applicable.

2. If no facility is readily available the person may be taken to an emergency medical

service customarily used for incapacitated persons. The peace officer in detaining the person and in taking the person to a facility shall make every reasonable effort to protect the person's health and safety. In detaining the person the detaining officer may take reasonable steps for self-protection. Detaining a person under section 125.91 is not an arrest and no entry or other record shall be made to indicate that the person who is detained has been arrested or charged with a crime.

3. A person who arrives at a facility and voluntarily submits to examination shall be examined by a licensed physician and surgeon or osteopathic physician and surgeon or mental health professional as soon as possible after the person arrives at the facility. The person may then be admitted as a patient or referred to another health facility. The referring facility shall arrange for transportation.

4. If a person is voluntarily admitted to a facility, the person's family or next of kin shall be notified as promptly as possible. If an adult patient who is not incapacitated requests that there be no notification, the request shall be respected.

5. A peace officer who acts in compliance with this section is acting in the course of the officer's official duty and is not criminally or civilly liable therefor, unless such acts constitute willful malice or abuse.

6. If the physician and surgeon or osteopathic physician and surgeon in charge of the facility determines it is for the patient's benefit, the patient shall be encouraged to agree to further diagnosis and appropriate voluntary treatment.

7. A licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, facility administrator, or an employee or a person acting as or on behalf of the facility administrator, is not criminally or civilly liable for acts in conformity with this chapter, unless the acts constitute willful malice or abuse.

2. Notwithstanding subsection 1, the director may make available information from patients' records for purposes of research into the causes and treatment of substance abuse. Information under this subsection shall not be published in a way that discloses patients' names or other identifying information.

3. Notwithstanding the provisions of subsection 1, a patient's records may be disclosed only under any of the following circumstances:

a. To medical personnel in a medical emergency with or without the patient's consent.

b. For purposes of care coordination as defined in section 135D.2 if not otherwise restricted by federal law or regulation.

1. Subject to reasonable rules regarding hours of visitation which the department may adopt, a patient in a facility shall be granted an opportunity for adequate consultation with counsel, and for continuing contact with family and friends consistent with an effective treatment program, provided that such consultation and contact may be provided telephonically or electronically.

2. Neither mail nor other communication to or from a patient in a facility may be intercepted, read or censored, except that the department may adopt reasonable rules

regarding the use of telephones by patients in facilities and the delivery of chemical substances.

3. The patient shall be provided an opportunity to receive prompt evaluation, emergency services and care as indicated by sound medical practice and treatment which, in the judgment of the chief medical officer of a facility, is most likely to result in the individual's recovery or in the mitigation of the individual's condition to an extent sufficient to permit the individual's discharge from the facility.

ADMINISTRATIVE PROVISIONS — FUNDING

125.40 Criminal laws limitations.

1. No county or city may adopt or enforce a local law, ordinance, resolution or rule having the force of law in contravention of the provisions of this chapter.

2. No county or city may interpret or apply any law of general application to circumvent the provision of subsection 1.

3. Nothing in this chapter affects any law, ordinance, resolution or rule against drunken driving, driving under the influence of alcohol or other chemical substance, or other similar offense involving the operation of a vehicle, aircraft, boat, machinery or other equipment, or regarding the sale, purchase, dispensing, possessing or use of alcoholic beverages or beer at stated times and places or by a particular class of persons or regarding the sale, purchase, possession or use of another chemical substance.

125.43 Funding at mental health institutes.

Chapter 230 governs the determination of the costs and payment for treatment provided to persons with substance-related disorders in a mental health institute under the department of human services, except that the charges are not a lien on real estate owned by persons legally

liable for support of the person with a substance-related disorder and the daily per diem shall be billed at twenty-five percent. The superintendent of a state hospital shall total only those expenditures which can be attributed to the cost of providing inpatient treatment to persons with substance-related disorders for purposes of determining the daily per diem. Section 125.44 governs the determination of who is legally liable for the cost of care, maintenance, and treatment of a person with a substance-related disorder and of the amount for which the person is liable.

125.44 Agreements with facilities — liability for costs.

1. The director may, consistent with the comprehensive substance abuse program, enter into written agreements with a facility as defined in section 125.2 to pay for one hundred percent of the cost of the care, maintenance, and treatment of persons with substance-related disorders, except when section 125.43A applies. All payments for state patients shall be made in accordance with the limitations of this section. Such contracts shall be for a period of no more than one year.

2. The contract may be in the form and contain provisions as agreed upon by the parties. The contract shall provide that the facility shall admit and treat persons with substance-related disorders regardless of where they have residence. If one payment for care, maintenance, and treatment is not made by the patient or those legally liable for the patient, the payment shall be made by the department directly to the facility. Payments shall be made each month and shall be based upon the rate of payment for services negotiated between the department and the contracting facility. If a facility projects a temporary cash flow deficit, the department may make cash advances at the beginning of each fiscal year to the facility. The repayment schedule for advances shall be part of the contract between the department and the facility. This section does not pertain to patients treated at the mental health institutes.

3. If the appropriation to the department is insufficient to meet the requirements of this section, the department shall request a transfer of funds and section 8.39 shall apply.

4. The person with a substance-related disorder is legally liable to the facility for the total amount of the cost of providing care, maintenance, and treatment for the person with a substance-related disorder while a voluntary or committed patient in a facility. This section does not prohibit any individual from paying any portion of the cost of treatment.

5. The department is liable for the cost of care, treatment, and maintenance of persons with substance-related disorders admitted to the facility voluntarily or pursuant to section

125.75, 125.81, or 125.91 or section 321J.3 or 124.409 only to those facilities that have a contract with the department under this section, only for the amount computed according to and within the limits of liability prescribed by this section, and only when the person with a substance-related disorder is unable to pay the costs and there is no other person, firm, corporation, or insurance company bound to pay the costs.

6. The department's maximum liability for the costs of care, treatment, and maintenance of persons with substance-related disorders in a contracting facility is limited to the total amount agreed upon by the parties and specified in the contract under this section.

125.58 Inspection — penalties.

1. If the department has probable cause to believe that an institution, place, building, or agency not licensed as a substance abuse treatment and rehabilitation facility is in fact a substance abuse treatment and rehabilitation facility as defined by this chapter, and is not exempt from licensing by section 125.13, subsection 2, the board may order an inspection of the institution, place, building, or agency. If the inspector upon presenting proper identification is denied entry for the purpose of making the inspection, the inspector may, with the assistance of the county attorney of the county in which the premises are located, apply to the district court for an order requiring the owner or occupant to permit entry and inspection of the premises to determine whether there have been violations of this chapter. The investigation may include review of records, reports, and documents maintained by the facility and interviews with staff members consistent with the confidentiality safeguards of state and federal law.

2. A person establishing, conducting, managing, or operating a substance abuse treatment and rehabilitation facility without a license is guilty of a serious misdemeanor. Each day of continued violation after conviction or notice from the department by certified mail of a violation shall be considered a separate offense or chargeable offense. A person establishing, conducting, managing or operating a substance abuse treatment and rehabilitation facility without a license may be temporarily or permanently restrained therefrom by a court of competent jurisdiction in an action brought by the state.

3. Notwithstanding the existence or pursuit of any other remedy, the department may, in the manner provided by law, maintain an action in the name of the state for injunction or other process against a person or governmental unit to restrain or prevent the establishment, conduct, management or operation of a substance abuse treatment and rehabilitation facility without a license.

125.59 Transfer of certain revenue — county program funding.

The treasurer of state, on each July 1 for that fiscal year, shall transfer the estimated amounts to be received from section 123.36, subsection 8 and section 123.143, subsection 1 to the department.

1. *a.* Of these funds, notwithstanding section 125.13, subsection 1, one-half of the transferred amount shall be used for grants to counties operating a substance abuse program involving only education, prevention, referral or posttreatment services, either with the counties' own employees or by contract with a nonprofit corporation. The grants shall not annually exceed ten thousand dollars to any one county, subject to the following conditions:

(1) The money shall be paid to the county after expenditure by the county and submission of the requirements in subparagraph (2) on the basis of one dollar for each three dollars spent by the county. The county may submit a quarterly claim for reimbursement.

(2) The county shall submit an accounting of the expenditures and shall submit an annual financial report, a description of the program, and the results obtained within sixty days after the end of the fiscal year in which the money is granted.

b. If the transferred amount for this subsection exceeds grant requests funded to the ten thousand dollar maximum, the department of public health may use the remainder for activities and public information resources that align with best practices for substance-related disorder prevention or to increase grants pursuant to subsection 2.

2. *a.* Of these funds, one-half of the transferred amount shall be used for prevention programs in addition to the amount budgeted for prevention programs by the department in the same fiscal year. The department shall use this additional prevention program money for grants to a county, person, or nonprofit agency operating a prevention program. A grant to a county, person, or nonprofit agency is subject to the following conditions:

(1) The money shall be paid to the county, person, or nonprofit agency after submission

of the requirements in subparagraph (2) on the basis of two dollars for each dollar designated for prevention by the county, person, or nonprofit agency.

(2) The county, person, or nonprofit agency shall submit a description of the program.

(3) The county, person, or nonprofit agency shall submit an annual financial report and the results obtained before June 10 of the same fiscal year in which the money is granted.

b. The department may consider in-kind contributions received by a county, person, or nonprofit agency for matching purposes required in paragraph “a”, subparagraph (1).

125.75 Application.

1. Proceedings for the involuntary commitment or treatment of a person with a substance-related disorder to a facility pursuant to this chapter or for the involuntary hospitalization of a person pursuant to chapter 229 may be commenced by any interested person by filing a verified application with the clerk of the district court of the county where the respondent is presently located or which is the respondent’s place of residence. The clerk or the clerk’s designee shall assist the applicant in completing the application.

2. The application shall:

a. State the applicant’s belief that the respondent is a person who presents a danger to self or others and lacks judgmental capacity due to either of the following:

(1) A substance-related disorder as defined in section 125.2.

(2) A serious mental impairment as defined in section 229.1.

b. State facts in support of each belief described in paragraph “a”.

c. Be accompanied by one or more of the following:

(1) A written statement of a licensed physician and surgeon or osteopathic physician and surgeon or mental health professional in support of the application.

(2) One or more supporting affidavits corroborating the application.

(3) Corroborative information obtained and reduced to writing by the clerk or the clerk’s designee, but only when circumstances make it infeasible to obtain, or when the clerk considers it appropriate to supplement, the information under either subparagraph (1) or (2).

3. Prior to the filing of an application pursuant to this section, the clerk or the clerk’s

designee shall inform the interested person referred to in subsection 1 about the option of requesting a preapplication screening assessment pursuant to section 125.74.

4. The supreme court shall prescribe rules and establish forms as necessary to carry out the provisions of this section.

125.77 Service of notice.

Upon the filing of an application pursuant to section 125.75, the clerk shall docket the case and immediately notify a district court judge, a district associate judge, or magistrate who is admitted to the practice of law in this state, who shall review the application and accompanying documentation. The clerk shall send copies of the application and supporting documentation, together with the notice informing the respondent of the procedures required by this subchapter, to the sheriff, for immediate service upon the respondent. If the respondent is taken into custody under section 125.81, service of the application, documentation, and notice upon the respondent shall be made at the time the respondent is taken into custody.

125.78 Procedure after application.

As soon as practical after the filing of an application pursuant to section 125.75, the court shall:

1. Determine whether the respondent has an attorney who is able and willing to represent the respondent in the commitment proceeding, and if not, whether the respondent is financially able to employ an attorney and capable of meaningfully assisting in selecting an attorney. In accordance with those determinations, the court shall allow the respondent to select an attorney or shall assign an attorney to the respondent. If the respondent is financially unable to pay an attorney, the county shall compensate the attorney at an hourly rate to be established by the county board of supervisors in substantially the same manner as provided in section 815.7.

2. If the application includes a request for a court-appointed attorney for the applicant and the court is satisfied that a court-appointed attorney is necessary to assist the applicant in a meaningful presentation of the evidence, and that the applicant is financially unable to

employ an attorney, the court shall appoint an attorney to represent the applicant and the county shall compensate the attorney at an hourly rate to be established by the county board of supervisors in substantially the same manner as provided in section 815.7.

3. Issue a written order:

a. Scheduling a tentative time and place for a hearing, subject to the findings of the report required under section 125.80, subsections 3 and 4, but not less than forty-eight hours after notice to the respondent, unless the respondent waives the forty-eight-hour notice requirement.

b. Requiring an examination of the respondent, prior to the hearing, by one or more licensed physicians and surgeons or osteopathic physicians and surgeons or mental health professionals who shall submit a written report of the examination to the court as required by section 125.80.

125.80 Physician's or mental health professional's examination — report — scheduling of hearing.

1. a. An examination of the respondent shall be conducted within a reasonable time and prior to the commitment hearing by one or more licensed physicians and surgeons or osteopathic physicians and surgeons or mental health professionals as required by the court's order. If the respondent is taken into custody under section 125.81, the examination shall be conducted within twenty-four hours after the respondent is taken into custody. If the respondent desires, the respondent may have a separate examination by a licensed physician and surgeon or osteopathic physician and surgeon or mental health professional of the respondent's own choice. The court shall notify the respondent of the right to choose a licensed physician and surgeon or osteopathic physician and surgeon or mental health professional for a separate examination. The reasonable cost of the examinations shall be paid from county funds upon order of the court if the respondent lacks sufficient funds to pay the cost.

b. A licensed physician and surgeon or osteopathic physician and surgeon or mental health professional conducting an examination pursuant to this section may consult with or request the participation in the examination of facility personnel, and may include with or attach to the written report of the examination any findings or observations by facility personnel who have been consulted or have participated in the examination.

c. If the respondent is not taken into custody under section 125.81, but the court is subsequently informed that the respondent has declined to be examined by a licensed physician and surgeon or osteopathic physician and surgeon or mental health professional pursuant to the court order, the court may order limited detention of the respondent as necessary to facilitate the examination of the respondent by the licensed physician and surgeon or osteopathic physician and surgeon or mental health professional.

2. A written report of the examination by a court-designated licensed physician and surgeon or osteopathic physician and surgeon or mental health professional shall be filed with the clerk prior to the hearing date. A written report of an examination by a licensed

physician and surgeon or osteopathic physician and surgeon or mental health professional chosen by the respondent may be similarly filed. The clerk shall immediately:

a. Cause a report to be shown to the judge who issued the order.

b. Cause the respondent's attorney to receive a copy of the report of a court-designated licensed physician and surgeon or osteopathic physician and surgeon or mental health professional.

3. If the report of a court-designated licensed physician and surgeon or osteopathic physician and surgeon or mental health professional is to the effect that the respondent is not a person with a substance-related disorder, the court, without taking further action, shall terminate the proceeding and dismiss the application on its own motion and without notice.

4. If the report of a court-designated licensed physician and surgeon or osteopathic physician and surgeon or mental health professional is to the effect that the respondent is a person with a substance-related disorder, the court shall schedule a commitment hearing as soon as possible. The hearing shall be held not more than forty-eight hours after the report is filed, excluding Saturdays, Sundays, and holidays, unless an extension for good cause is requested by the respondent, or as soon thereafter as possible if the court considers that sufficient grounds exist for delaying the hearing.

125.81 Immediate custody.

1. If a person filing an application requests that a respondent be taken into immediate custody, and the court upon reviewing the application and accompanying documentation, finds probable cause to believe that the respondent is a person with a substance-related disorder who is likely to injure the person or other persons if allowed to remain at liberty, the court may enter a written order directing that the respondent be taken into immediate custody by the sheriff, and be detained until the commitment hearing, which shall be held no more than five days after the date of the order, except that if the fifth day after the date of the order is a Saturday, Sunday, or a holiday, the hearing may be held on the next business day. The court may order the respondent detained for the period of time until the hearing is held, and no longer except as provided in section 125.88, in accordance with subsection 2, paragraph "a", if possible, and if not, then in accordance with subsection 2, paragraph "b", or, only if neither of these alternatives is available in accordance with subsection 2, paragraph "c".

2. Detention may be:

a. In the custody of a relative, friend, or other suitable person who is willing and able to accept responsibility for supervision of the respondent, with reasonable restrictions as the court may order including but not limited to restrictions on or a prohibition of any expenditure, encumbrance, or disposition of the respondent's funds or property.

b. In a suitable hospital, the chief medical officer of which shall be informed of the reasons why immediate custody has been ordered. The hospital may provide treatment which is necessary to preserve the respondent's life, or to appropriately control the respondent's behavior which is likely to result in physical injury to the person or to others if allowed to continue, and other treatment as deemed appropriate by the chief medical officer.

c. In the nearest facility which is licensed to care for persons with mental illness or substance abuse, provided that detention in a jail or other facility intended for confinement of those accused or convicted of a crime shall not be ordered.

3. A respondent shall be released from detention prior to the commitment hearing if a licensed physician or mental health professional examines the respondent and determines the respondent no longer meets the criteria for detention under subsection 1 and provides notification to the court.

4. The respondent's attorney may be allowed by the court to present evidence and arguments before the court's determination under this section. If such an opportunity is not provided at that time, respondent's attorney shall be allowed to present evidence and

arguments after the issuance of the court's order of confinement and while the respondent is confined.

125.82 Commitment hearing.

1. At a commitment hearing, evidence in support of the contentions made in the application may be presented by the applicant, or by an attorney for the applicant, or by the county attorney. During the hearing, the applicant and the respondent shall be afforded an opportunity to testify and to present and cross-examine witnesses, and the court may receive the testimony of other interested persons. If the respondent is present at the hearing, as provided in subsection 3, and has been medicated within twelve hours, or a longer period of time as the court may designate, prior to the beginning of the hearing or a session of the hearing, the court shall be informed of that fact and of the probable effects of the medication upon convening of the hearing.

2. A person not necessary for the conduct of the hearing shall be excluded, except that the court may admit a person having a legitimate interest in the hearing. Upon motion of the applicant, the court may exclude the respondent from the hearing during the testimony of a witness if the court determines that the witness' testimony is likely to cause the respondent severe emotional trauma.

3. The person who filed the application and a licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor certified by the nongovernmental Iowa board of substance abuse certification who has examined the respondent in connection with the commitment hearing shall be present at the hearing, unless the court for good cause finds that their presence or testimony is not necessary. The applicant, respondent, and the respondent's attorney may waive the presence or telephonic appearance of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor who examined the respondent and agree to submit as evidence the written report of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor. The respondent's attorney shall inform the court if the respondent's attorney reasonably believes that the respondent, due to diminished capacity, cannot make an adequately considered waiver decision. "Good cause" for finding that the testimony of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor who examined the respondent is not necessary may include, but is not limited to, such a waiver. If the court determines that the testimony of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor is necessary, the court may allow the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor to testify by telephone. The respondent shall be present at the hearing unless prior to the hearing the respondent's attorney stipulates in writing that the attorney has conversed with the respondent, and that in the attorney's judgment the respondent cannot make a meaningful contribution to the hearing, or that the respondent has waived the right to be present, and the basis for the attorney's conclusions. A stipulation to the respondent's absence shall be reviewed by the court before the hearing, and may be rejected if it appears that insufficient grounds are stated or that the respondent's interests would not be served by the respondent's absence.

4. The respondent's welfare is paramount, and the hearing shall be tried as a civil matter and conducted in as informal a manner as is consistent with orderly procedure. The hearing may be held by video conference at the discretion of the court. Discovery as permitted under the Iowa rules of civil procedure is available to the respondent. The court shall receive all relevant and material evidence, but the court is not bound by the rules of evidence. A presumption in favor of the respondent exists, and the burden of evidence and support of

the contentions made in the application shall be upon the person who filed the application. If upon completion of the hearing the court finds that the contention that the respondent is a person with a substance-related disorder has not been sustained by clear and convincing evidence, the court shall deny the application and terminate the proceeding.

5. If the respondent is not taken into custody under section 125.81, but the court finds good cause to believe that the respondent is about to depart from the jurisdiction of the court, the court may order limited detention of the respondent as authorized in section 125.81, as is necessary to ensure that the respondent will not depart from the jurisdiction of the court without the court's approval until the proceeding relative to the respondent has been concluded.

125.83 Placement for evaluation.

If upon completion of the commitment hearing, the court finds that the contention that the respondent is a person with a substance-related disorder has been sustained by clear and convincing evidence, the court shall order the respondent placed at a facility or under the care of a suitable facility on an outpatient basis as expeditiously as possible for a complete evaluation and appropriate treatment. The court shall furnish to the facility at the time of admission or outpatient placement, a written statement of facts setting forth the evidence on which the finding is based. The administrator of the facility shall report to the court no more than fifteen days after the individual is admitted to or placed under the care of the facility, which shall include the chief medical officer's recommendation concerning treatment of a substance-related disorder. An extension of time may be granted for a period not to exceed seven days upon a showing of good cause. A copy of the report shall be sent to the respondent's attorney who may contest the need for an extension of time if one is requested. If the request is contested, the court shall make an inquiry as it deems appropriate and may either order the respondent released from the facility or grant extension of time for further evaluation. If the administrator fails to report to the court within fifteen days after the individual is admitted to the facility, and no extension of time has been requested, the administrator is guilty of contempt and shall be punished under chapter 665. The court shall order a rehearing on the application to determine whether the respondent should continue to be held at the facility.

125.83A Placement in certain federal facilities.

1. If upon completion of the commitment hearing, the court finds that the contention that the respondent is a person with a substance-related disorder has been sustained by clear and convincing evidence, and the court is furnished evidence that the respondent is eligible for care and treatment in a facility operated by the United States department of veterans affairs or another agency of the United States government and that the facility is willing to receive the respondent, the court may so order. The respondent, when so placed in a facility operated by the United States department of veterans affairs or another agency of the United States government within or outside of this state, shall be subject to the rules of the United States department of veterans affairs or other agency, but shall not lose any procedural rights afforded the respondent by this chapter. The chief officer of the facility shall have, with respect to the respondent so placed, the same powers and duties as the chief medical officer of a hospital in this state would have in regard to submission of reports to the court, retention of custody, transfer, convalescent leave, or discharge. Jurisdiction is retained in the court to

maintain surveillance of the respondent's treatment and care, and at any time to inquire into the respondent's condition and the need for continued care and custody.

2. Upon receipt of a certificate stating that a respondent placed under this chapter is eligible for care and treatment in a facility operated by the United States department of veterans affairs or another agency of the United States government which is willing to receive the respondent without charge to the state of Iowa or any county in the state, the chief medical officer may transfer the respondent to that facility. Upon so doing, the chief medical officer shall notify the court which ordered the respondent's placement in the same manner as would be required in the case of a transfer under section 125.86, subsection 2, and the respondent transferred shall be entitled to the same rights as the respondent would have under that subsection. No respondent shall be transferred under this section who is confined pursuant to conviction of a public offense or whose placement was ordered upon contention of incompetence to stand trial by reason of mental illness, without prior approval of the court which ordered that respondent's placement.

3. A judgment or order of commitment by a court of competent jurisdiction of another state or the District of Columbia, under which any person is hospitalized or placed in a facility operated by the United States department of veterans affairs or another agency of the United States government, shall have the same force and effect with respect to that person while the person is in this state as the judgment or order would have if the person were in the jurisdiction of the court which issued it. That court shall be deemed to have retained jurisdiction of the person so placed for the purpose of inquiring into that person's condition and the need for continued care and custody, as do courts in this state under this section. Consent is given to the application of the law of the state or district in which the court is situated which issued the judgment or order as regards authority of the chief officer of any facility, operated in this state by the United States department of veterans affairs or another agency of the United States government, to retain custody, transfer, place on convalescent leave, or discharge the person so committed.

125.84 Evaluation report.

The facility administrator's report to the court of the chief medical officer's substance abuse evaluation of the respondent shall be made no later than the expiration of the time specified in section 125.83. At least two copies of the report shall be filed with the clerk, who shall distribute the copies in the manner described by section 125.80, subsection 2. The report shall state one of the four following alternative findings:

1. That the respondent does not, as of the date of the report, require further treatment for substance abuse. If the report so states, the court shall order the respondent's immediate release from involuntary commitment and terminate the proceedings.

2. That the respondent is a person with a substance-related disorder who is in need of full-time custody, care, and treatment in a facility, and is considered likely to benefit from treatment. If the report so states, the court shall enter an order which may require the respondent's continued placement and commitment to a facility for appropriate treatment.

3. That the respondent is a person with a substance-related disorder who is in need of treatment, but does not require full-time placement in a facility. If the report so states, the report shall include the chief medical officer's recommendation for treatment of the respondent on an outpatient or other appropriate basis, and the court shall enter an order which may direct the respondent to submit to the recommended treatment. The order shall provide that if the respondent fails or refuses to submit to treatment, as directed by the court's order, the court may order that the respondent be taken into immediate custody as provided by section 125.81 and, following notice and hearing held in accordance with the procedures of sections 125.77 and 125.82, may order the respondent treated as a patient requiring full-time custody, care, and treatment as provided in subsection 2, and may order the respondent involuntarily committed to a facility.

4. That the respondent is a person with a substance-related disorder who is in need of treatment, but in the opinion of the chief medical officer is not responding to the treatment

provided. If the report so states, the report shall include the facility administrator's recommendation for alternative placement, and the court shall enter an order which may direct the respondent's transfer to the recommended placement or to another placement after consultation with respondent's attorney and the facility administrator who made the report under this subsection.

125.85 Custody, discharge, and termination of proceeding.

1. A respondent committed under section 125.84, subsection 2, shall remain in the custody of a facility for treatment for a period of thirty days, unless sooner discharged. The department is not required to pay the cost of any medication or procedure provided to the respondent during that period which is not necessary or appropriate to the specific objectives of detoxification and treatment of substance abuse. At the end of the thirty-day period, the respondent shall be discharged automatically unless the administrator of the facility, before expiration of the period, obtains a court order for the respondent's recommitment pursuant to an application under section 125.75, for a further period not to exceed ninety days.

2. A respondent recommitted under subsection 1 who has not been discharged by the facility before the end of the ninety-day period shall be discharged at the expiration of that period unless the administrator of the facility, before expiration of the period, obtains a court order for the respondent's recommitment pursuant to an application under section 125.75, for a further period not to exceed ninety days.

3. Upon the filing of an application for recommitment under subsection 1 or 2, the court shall schedule a recommitment hearing for no later than ten days after the date the application is filed. A copy of the application, the notice of hearing, and any reports shall be served or provided in the manner and to the persons as required by sections 125.77 to 125.80, 125.83 and 125.84.

4. Following a respondent's discharge from a facility or from treatment, the administrator of the facility shall immediately report that fact to the court which ordered the respondent's commitment or treatment. The court shall issue an order confirming the respondent's discharge from the facility or from treatment, as the case may be, and shall terminate the proceedings pursuant to which the order was issued. Copies of the order shall be sent by regular mail to the facility and the respondent.

5. A person who is placed for evaluation at a facility under section 125.83 or who is committed to a facility under section 125.84, subsection 2, shall remain at that facility unless discharged or otherwise permitted to leave by the court or administrator of the facility. If a person placed at a facility or committed to a facility leaves the facility without permission or without having been discharged, the administrator may notify the sheriff of the person's absence and the sheriff shall take the person into custody and return the person promptly to the facility.

125.86 Periodic reports required.

1. No more than thirty days after entry of a court order for commitment to a facility under section 125.84, subsection 2, and thereafter at successive intervals not to exceed ninety days for as long as involuntary commitment of the respondent continues, the administrator of the facility shall report to the court which entered the order. The report shall be submitted in the manner required by section 125.84, shall state whether in the opinion of the chief medical officer the respondent's condition has improved, remains unchanged, or has deteriorated, and shall indicate the further length of time the respondent will be required to remain at the facility.

2. No more than sixty days after entry of a court order for treatment of a respondent under section 125.84, subsection 3, and thereafter at successive intervals not to exceed ninety

days for as long as involuntary treatment continues, the administrator of the facility or the psychiatrist or psychiatric advanced registered nurse practitioner treating the patient shall report to the court which entered the order. The report shall be submitted in the manner required by section 125.84, shall state whether in the opinion of the chief medical officer or the psychiatrist or psychiatric advanced registered nurse practitioner the respondent's condition has improved, remains unchanged, or has deteriorated, and shall indicate the further length of time the respondent will require treatment by the facility. If the respondent fails or refuses to submit to treatment as ordered by the court, the administrator of the facility shall at once notify the court, which shall order the respondent committed for treatment as provided by section 125.84, subsection 3, unless the court finds that the failure or refusal was with good cause, and that the respondent is willing to receive treatment as provided in the court's order, or in a revised order if the court sees fit to enter one. If the administrator of the facility reports to the court that the respondent requires full-time custody, care, and treatment in a facility, and the respondent is willing to be admitted voluntarily to the facility for these purposes, the court may enter an order approving the placement upon consultation with the administrator of the facility in which the respondent is to be placed. If the respondent is unwilling to be admitted voluntarily to the facility, the procedure for determining involuntary commitment, as provided in section 125.84, subsection 3, shall be followed.

3. a. A psychiatric advanced registered nurse practitioner treating a respondent previously committed under this chapter may complete periodic reports pursuant to this section on the respondent if the respondent has been recommended for treatment on an outpatient or other appropriate basis pursuant to section 125.84, subsection 3, and if a psychiatrist licensed pursuant to chapter 148 personally evaluates the respondent on at least an annual basis.

b. An advanced registered nurse practitioner who is not certified as a psychiatric advanced registered nurse practitioner but who meets the qualifications of a mental health professional may complete periodic reports pursuant to paragraph "a".

125.87 Status during appeal.

If a respondent appeals to the supreme court from a lower court's finding that commitment is warranted, the respondent shall remain committed if already in custody, pursuant to an order of immediate custody under section 125.81 or pursuant to an order for evaluation and treatment under section 125.83, before notice of appeal was filed, unless the supreme court orders otherwise.

[82 Acts, ch 1212, §15]

Referred to in §229.21

125.88 Status if commitment delayed.

If a court directs a respondent who was previously ordered taken into immediate custody under section 125.81 to be placed at a facility for evaluation and appropriate treatment under section 125.83, and no suitable facility can immediately admit the respondent, the respondent shall remain in custody as previously ordered by the court, notwithstanding the time limits stated in section 125.81, until a suitable facility can admit the respondent. The court shall take appropriate steps to expedite the admission of the respondent to a suitable facility at the earliest feasible time.

[82 Acts, ch 1212, §16]

Referred to in §125.81, 229.21

125.89 Respondents charged with or convicted of crime.

1. If a court orders a respondent placed at a facility for evaluation and treatment under section 125.83 at a time when the respondent has been convicted of a public offense, or when there is pending against the respondent an unresolved formal charge of a public offense, and the respondent's liberty has therefore been restricted in any manner, the findings of fact

required by section 125.83 shall clearly so inform the administrator of the facility where the respondent is placed.

2. The commitment powers of the court under section 124.409 supersede the procedures and requirements of this subchapter.

125.91 Emergency detention.

1. The procedure prescribed by this section shall only be used for a person with a substance-related disorder due to intoxication or substance-induced incapacitation who has threatened, attempted, or inflicted physical self-harm or harm on another, and is likely to inflict physical self-harm or harm on another unless immediately detained, or who is incapacitated by a substance, if an application has not been filed naming the person as the respondent pursuant to section 125.75 and the person cannot be ordered into immediate custody and detained pursuant to section 125.81.

2. *a.* A peace officer who has reasonable grounds to believe that the circumstances described in subsection 1 are applicable may, without a warrant, take or cause that person to be taken to the nearest available facility referred to in section 125.81, subsection 2, paragraph “b” or “c”. Such a person with a substance-related disorder due to intoxication or substance-induced incapacitation who also demonstrates a significant degree of distress or dysfunction may also be delivered to a facility by someone other than a peace officer upon a showing of reasonable grounds. Upon delivery of the person to a facility under this section, the attending physician and surgeon or osteopathic physician and surgeon may order treatment of the person, but only to the extent necessary to preserve the person’s life or to appropriately control the person’s behavior if the behavior is likely to result in physical injury to the person or others if allowed to continue. The peace officer or other person who delivered the person to the facility shall describe the circumstances of the matter to the attending physician and surgeon or osteopathic physician and surgeon. If the person is a peace officer, the peace officer may do so either in person or by written report. If the attending physician and surgeon or osteopathic physician and surgeon has reasonable grounds to believe that the circumstances in subsection 1 are applicable, the attending physician shall at once communicate with the nearest available magistrate as defined in section 801.4, subsection 10. The magistrate shall, based upon the circumstances described by the attending physician and surgeon or osteopathic physician and surgeon, give the attending physician and surgeon or osteopathic physician and surgeon oral instructions either directing that the person be released forthwith, or authorizing the person’s detention in an appropriate facility. The magistrate may also give oral instructions and order that the detained person be transported to an appropriate facility.

b. If the magistrate orders that the person be detained, the magistrate shall, by the close of business on the next working day, file a written order with the clerk in the county where it is anticipated that an application may be filed under section 125.75. The order may be filed by facsimile if necessary. The order shall state the circumstances under which the person was taken into custody or otherwise brought to a facility and the grounds supporting the finding of probable cause to believe that the person is a person with a substance-related disorder likely to result in physical injury to the person or others if not detained. The order shall confirm the oral order authorizing the person’s detention including any order given to transport the person to an appropriate facility. The clerk shall provide a copy of that order to the attending physician and surgeon or osteopathic physician and surgeon at the facility to which the person

was originally taken, any subsequent facility to which the person was transported, and to any law enforcement department or ambulance service that transported the person pursuant to the magistrate's order.

3. The attending physician and surgeon or osteopathic physician and surgeon shall examine and may detain the person pursuant to the magistrate's order for a period not to exceed forty-eight hours from the time the order is dated, excluding Saturdays, Sundays, and holidays, unless the order is dismissed by a magistrate. The facility may provide treatment which is necessary to preserve the person's life or to appropriately control the person's behavior if the behavior is likely to result in physical injury to the person or others if allowed to continue or is otherwise deemed medically necessary by the attending physician and surgeon or osteopathic physician and surgeon or mental health professional, but shall not otherwise provide treatment to the person without the person's consent. The person shall be discharged from the facility and released from detention no later than the expiration of the forty-eight-hour period, unless an application for involuntary commitment is filed with the clerk pursuant to section 125.75. The detention of a person by the procedure in this section, and not in excess of the period of time prescribed by this section, shall not render the peace officer, attending physician and surgeon or osteopathic physician and surgeon, or facility detaining the person liable in a criminal or civil action for false arrest or false imprisonment if the peace officer, attending physician and surgeon or osteopathic physician and surgeon, mental health professional, or facility had reasonable grounds to believe that the circumstances described in subsection 1 were applicable.

4. The cost of detention in a facility under the procedure prescribed in this section shall be paid in the same way as if the person had been committed to the facility pursuant to an application filed under section 125.75.

125.92 Rights and privileges of committed persons.

A person who is detained, taken into immediate custody, or committed under this subchapter has the right to:

1. Prompt evaluation, emergency services, and care and treatment as indicated by sound clinical practice.

2. Render informed consent, except for treatment provided pursuant to sections 125.81 and 125.91. If the person is incompetent treatment may be consented to by the person's next of kin or guardian notwithstanding the person's refusal. If the person refuses treatment which in the opinion of the chief medical officer is necessary or if the person is incompetent and the next of kin or guardian refuses to consent to the treatment or no next of kin or guardian is available the facility may petition a court of appropriate jurisdiction for approval to treat the person.

3. The protection of the person's constitutional rights.

4. Enjoy all legal, medical, religious, social, political, personal, and working rights and privileges, which the person would enjoy if not detained, taken into immediate custody, or committed, consistent with the effective treatment of the person and of the other persons in the facility. If the person's rights are restricted, the physician and surgeon's or osteopathic physician and surgeon's or mental health professional's direction to that effect shall be noted in the person's record. The person or the person's next of kin or guardian shall be advised of the person's rights and be provided a written copy upon the person's admission to or arrival at the facility.

126.2 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “Advertising” means any representation disseminated in any manner or by any means, other than by labeling, for the purpose of inducing, or which is likely to induce, directly or indirectly, the purchase of drugs, devices, or cosmetics.

2. “Anabolic steroid” means any drug or hormonal substance, chemically and pharmacologically related to testosterone, other than estrogens, progestins, corticosteroids, or dehydroepiandrosterone, which substance is identified as an anabolic steroid in section 124.208, subsection 6, and includes any other substance designated by the board as an anabolic steroid through the adoption of rules pursuant to chapter 17A.

3. “Board” means the board of pharmacy.

4. “Contaminated with filth” means not securely protected from dust, dirt, and as far as is necessary by all reasonable means, from all foreign or injurious contaminations.

5. “Cosmetic” means any of the following, but does not include soap:

a. An article intended to be rubbed, poured, sprinkled, or sprayed on, introduced into, or otherwise applied to the human body or any part of a human body for cleaning, beautifying, promoting attractiveness, or altering the appearance.

b. An article intended for use as a component of an article defined in paragraph “a”.

6. “Counterfeit drug” means a drug which, or the container or labeling of which, without authorization, bears the trademark, trade name, or other identifying mark, imprint, or device, or any such likeness, of a drug manufacturer, processor, packer, or distributor other than the person or persons who in fact manufactured, processed, packed, or distributed the drug and which falsely purports or is represented to be the product of, or to have been packed or distributed by, such other drug manufacturer, processor, packer, or distributor.

7. “Device” means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, including any component, part, or accessory of any of these, which is any of the following:

a. Recognized as a device in the official United States Pharmacopoeia National Formulary or any supplement to it.

b. Intended for use in the diagnosis of diseases or other conditions, or in the cure, mitigation, treatment, or prevention of diseases or other conditions in a human.

c. Intended to affect the structure or any function of the body of a human, and which does not achieve any of its principal intended purposes through chemical action within or on the body of a human and which is not dependent upon being metabolized for the achievement of any of its principal intended purposes.

8. “Drug” means any of the following, but does not include a device:

a. An article recognized as a drug in the official United States Pharmacopoeia National Formulary, official Homeopathic Pharmacopoeia of the United States, or any supplement to either document.

b. An article intended for use in the diagnosis, cure, mitigation, treatment, or prevention of diseases in a human.

c. An article, other than food, intended to affect the structure or any function of the body of a human.

d. An article intended for use as a component of any articles specified in paragraphs “a”, “b”, or “c”.

9. “Electronic prescription” means a prescription which is transmitted by a computer device in a secure manner, including computer-to-computer transmission and computer-to-facsimile transmission.

10. “Facsimile prescription” means a prescription which is transmitted by a device which sends an exact image to the receiver.

11. “Federal Act” means the federal Food, Drug, and Cosmetic Act, which is codified in 21 U.S.C. §301 et seq.

12. “Immediate container” does not include a package liner.

13. “*Label*” means a display of written, printed, or graphic matter upon the immediate container of an article; and a requirement made by or under authority of this chapter that any word, statement, or other information appear on the label is not complied with unless the word, statement, or other information also appears on the outside container or wrapper of the retail package of the article, or is easily legible through the outside container or wrapper.

14. “*Labeling*” means all labels and other written, printed, or graphic matter upon an article or any of its containers or wrappers, or accompanying an article.

15. “*New drug*” means either of the following:

a. Any drug, the composition of which is such that the drug is not generally recognized among experts qualified by scientific training and experience to evaluate the safety and effectiveness of drugs, as safe and effective for use under the conditions prescribed, recommended, or suggested in its labeling, except that a drug not so recognized is not a new drug if at any time prior to the enactment of this chapter it was subject to the federal Act, and if at that time its labeling contained the same representations concerning the conditions of its use.

b. Any drug, the composition of which is such that the drug, as a result of investigations to determine its safety and effectiveness for use under the conditions prescribed, recommended, or suggested in its labeling, has become recognized as safe and effective, but which has not, other than in such investigations, been used to a material extent or for a material time under the conditions prescribed, recommended, or suggested in its labeling.

16. “*Official compendium*” means the official United States Pharmacopoeia National Formulary, official Homeopathic Pharmacopoeia of the United States, or any supplement to either document.

17. “*Person*” means an individual, partnership, corporation, or association.

18. “*Principal display panel*” means that part of a label that is most likely to be displayed, presented, shown, or examined under normal and customary conditions of display for retail sale.

19. “*Safe*” as used in this chapter has reference to the health of a human.

20. “*Secretary*” means the secretary of the United States department of health and human services.

126.2A Applicability.

The provisions of this chapter regarding the selling of drugs, devices, or cosmetics are applicable to the manufacture, production, processing, packaging, exposure, offer, possession, and holding of any such article for sale; and the sale, dispensing, and giving of any such article, and the supplying or applying of any such article, in the conduct of any drug, device, or cosmetic establishment.

C93, §126.2(unn. 2)

CS2007, §126.2A

126.3 Prohibited acts.

The following acts and the causing of the acts within this state are unlawful:

1. The introduction or delivery for introduction into commerce of any drug, device, or cosmetic that is adulterated or misbranded.

2. The adulteration or misbranding of any drug, device, or cosmetic in commerce.

3. The receipt in commerce of a drug, device, or cosmetic that is adulterated or misbranded, and the delivery or proffered delivery thereof for pay or otherwise.

4. The introduction or delivery for introduction into commerce of a drug, device, or cosmetic in violation of section 126.12.

5. The dissemination of any false advertising.

6. The refusal to permit entry or inspection, or to permit the taking of a sample or to permit access to or copying of any record as authorized by section 126.18; or the failure to establish or maintain any record or make any report required under section 512(j), 512(l), or 512(m) of the federal Act, or the refusal to permit access to or verification or copying of any such required record.

7. The manufacture within this state of a drug, device, or cosmetic that is adulterated or misbranded.

8. The giving of a guaranty or undertaking referred to in section 126.5, subsection 2, if the guaranty or undertaking is false, except by a person who relied upon a guaranty or undertaking to the same effect, signed by, and containing the name and address of, the person residing in this state from whom the person received the drug, device, or cosmetic in good faith.

9. The removal or disposal of a detained or embargoed drug, device, or cosmetic in violation of section 126.6, subsection 1.

10. The alteration, mutilation, destruction, obliteration, or removal of the whole or any part of the labeling of, or the doing of any other act with respect to a drug, device, or cosmetic, if the act is done while the article is held for sale, whether or not it would be the first sale, after shipment in commerce; and if the action results in the article being adulterated or misbranded.

11. Forging, counterfeiting, simulating, or falsely representing, or without proper authority using a mark, stamp, tag, label, or other identification device authorized or required by rules or regulations adopted under this chapter or the federal Act.

12. Making, selling, disposing of, or keeping in possession, control, or custody, or concealing a punch, die, plate, stone, or other thing designed to print, imprint, or reproduce the trademark, trade name, or other identifying mark, imprint, or device of another trademark, trade name, mark, imprint, or device or a likeness of any trademark, trade name, mark, imprint, or device upon a drug or drug container or the labeling thereof so as to render the drug a counterfeit drug.

13. The doing of an act which causes a drug to be a counterfeit drug, or the sale or dispensing, or the holding for sale or dispensing, of a counterfeit drug.

14. The use by a person to the person's own advantage, or the revealing, other than to the board or to the person's authorized representative or to the courts when relevant in a judicial proceeding under this chapter, of any information acquired under authority of this chapter concerning any method or process which as a trade secret is entitled to protection.

15. The use, on the labeling of a drug or device or in advertising relating to a drug or device, of a representation or suggestion that approval of an application with respect to the drug or device is in effect under section 126.12 or section 505, 515, or 520(g) of the federal Act, or that the drug or device complies with the provisions of any of those sections.

16. The use, in labeling, advertising, or other sales promotion of a reference to a report or analysis furnished in compliance with section 126.18 or section 704 of the federal Act.

17. If a prescription drug is distributed or offered for sale in this state, the failure of the manufacturer, packer, or distributor of the prescription drug to maintain for transmittal, or to transmit, to any practitioner licensed by applicable law to administer the drug who makes written request for information as to the drug, true and correct copies of all printed matter which is required to be included in any package in which that drug is distributed or sold, or such other printed matter as is approved under the federal Act. This subsection does not exempt any person from a labeling requirement imposed by or under this chapter.

18. a. Placing or causing to be placed upon any drug or device or container thereof, with intent to defraud, the trademark, trade name, or other identifying mark or imprint of another trademark, trade name, mark, or imprint or any likeness of such a trademark, trade name, mark, or imprint.

b. Selling, dispensing, disposing of; causing to be sold, dispensed, or disposed of; or concealing or keeping in possession, control, or custody, with intent to sell, dispense, or dispose of, a drug, device, or container thereof, with knowledge that the trademark, trade name, or other identifying mark or imprint of another trademark, trade name, mark, or

imprint or any likeness of any trademark, trade name, mark, or imprint has been placed thereon in a manner prohibited by paragraph “a”.

c. Making, selling, disposing of; causing to be made, sold, or disposed of; keeping in possession, control, or custody; or concealing with intent to defraud any punch, die, plate, stone, or other thing designed to print, imprint, or reproduce the trademark, trade name, or other identifying mark, imprint, or device of another trademark, trade name, mark, or imprint or any likeness of any trademark, trade name, mark, or imprint upon a drug or container or labeling thereof so as to render the drug a counterfeit drug.

19. The failure to register in accordance with section 510 of the federal Act, the failure to provide any information required by section 510(j) or 510(k) of the federal Act, or the failure to provide a notice required by section 510(j)(2) of the federal Act.

20. a. The failure or refusal to:

(1) Comply with a requirement prescribed under section 518 or 520(g) of the federal Act.

(2) Furnish any notification or other material or information required by or under section 519 or 520(g) of the federal Act.

b. With respect to any device, the submission of any report required by or under this chapter that is false or misleading in any material respect.

21. The movement of a device in violation of an order under section 304(g) of the federal Act or the removal or alteration of any mark or label required by the order to identify the device as detained.

22. The failure to provide the notice required by section 412(b) or 412(c) of the federal Act, the failure to make the reports required by section 412(d)(1)(B) of the federal Act, or the failure to meet the requirements prescribed under section 412(d)(2) of the federal Act.

23. Selling, dispensing, or distributing; causing to be sold, dispensed, or distributed; or possessing with intent to sell, dispense, or distribute, an anabolic steroid to a person under eighteen years of age, with knowledge that the anabolic steroid is not necessary for the legitimate treatment of disease pursuant to an order of a physician.

126.5 Penalties — guaranty — false advertising liability.

1. A person who violates a provision of this chapter, other than a violation of section 126.3, subsection 23, is guilty of a serious misdemeanor; but if the violation is committed after a conviction of the person under this section has become final, the person is guilty of an aggravated misdemeanor.

2. A person is not subject to the penalties of subsection 1 if the person establishes a guaranty or undertaking signed by, and containing the name and address of another person residing in this state from whom the person received the article in good faith, to the effect that the article is not adulterated or misbranded.

3. A publisher, radio-broadcast licensee, or agency or medium which disseminates false advertising, except the manufacturer, packer, distributor, or seller of the article to which false advertising relates, is not liable under this section for the dissemination of the false advertising, unless the person knew or believed that the advertising was deceptive, false, or misleading or the person has refused upon the request of the board to furnish the board the

name and address, if known, of the manufacturer, packer, distributor, seller, or advertising agency which caused the person to disseminate the advertisement.

4. A person who violates section 126.3, subsection 23, commits an aggravated misdemeanor.

5. A violation of this chapter is a violation of section 714.16, subsection 2, paragraph “a”.

126.6 Embargo.

1. If a duly authorized agent of the board finds, or has probable cause to believe, that a drug, device, or cosmetic is adulterated or so misbranded as to be dangerous or fraudulent, within the meaning of this chapter, or is in violation of section 126.12, the agent shall affix to the article a tag or other appropriate marking, giving notice that the article is, or is suspected of being, adulterated or misbranded and has been detained or embargoed, and warning all persons not to remove or dispose of the article by sale or otherwise until permission for removal or disposal is given by an authorized agent or the court. It is unlawful for a person to remove or dispose of the detained or embargoed article by sale or otherwise without such permission.

2. When an article is adulterated or misbranded or is in violation of section 126.12 and has been detained or embargoed, a petition may be filed with the district court in whose jurisdiction the article is located, detained, or embargoed for an order for condemnation of the article. If a duly authorized agent has found that an article which is embargoed or detained is not adulterated or misbranded, the agent shall remove the tag or other marking.

3. If the court finds that a sampled, detained, or embargoed article is adulterated or misbranded, the article shall be destroyed at the expense of the claimant of the article, under the supervision of the agent, and all court costs and fees, and storage and other proper expenses, shall be taxed against the claimant of the article or the claimant’s agent; but if the adulteration or misbranding can be corrected by proper labeling or processing of the article, the court, after entry of the decree and after costs, fees, storage, and other expenses have been paid and a good and sufficient bond, conditioned that the article shall be so labeled or processed, has been executed, may by order direct that the article be delivered to the claimant for such labeling or processing under the supervision of a duly authorized agent of the board. The expense of supervision shall be paid by the claimant. The article shall be returned to the claimant and the bond shall be discharged on the representation to the court by the board that the article is no longer in violation of this chapter, and that the expenses of supervision have been paid.

126.7 Prosecutions.

The attorney general, or a county attorney, or a city attorney to whom the board reports a violation of this chapter, shall cause appropriate court proceedings to be instituted without delay and to be prosecuted in the manner required by law. Before a violation of this chapter is reported to any such attorney for the institution of a criminal proceeding, the person against whom the proceeding is contemplated shall be given appropriate notice and an opportunity to present the person’s views before the board or its agent, either orally or in writing, in person or by attorney, with regard to the contemplated proceeding. However, the drug, device, or cosmetic shall be embargoed by the duly authorized agent.

126.9 Drugs and devices — adulteration.

A drug or device is adulterated under any of the following circumstances:

1. a. If it consists in whole or in part of any filthy, putrid, or decomposed substance.
- b. If it has been produced, prepared, packed, or held under insanitary conditions whereby it may have been contaminated with filth, or whereby it may have been rendered injurious to health.
- c. If it is a drug and the methods used in, or the facilities or controls used for its manufacture, processing, packing, or holding do not conform to or are not operated or administered in conformity with current good manufacturing practice to assure that the drug meets the requirements of this chapter as to safety and has the identity and strength, and meets the quality and purity characteristics, which it purports or is represented to possess.
- d. If its container is composed, in whole or part, of any poisonous or deleterious substance which may render the contents injurious to health.
2. If it purports to be or is represented as a drug, the name of which is recognized in an official compendium, and its strength differs from, or its quality or purity falls below, the standards set forth in the official compendium. A determination as to strength, quality, or purity shall be made in accordance with the tests or methods of assay set forth in the official compendium, or in the absence of or inadequacy of such tests or methods of assay, those prescribed under authority of the federal Act. A drug defined in an official compendium is not adulterated under this subsection because it differs from the standard of strength, quality, or purity set forth in the official compendium, if its difference in strength, quality, or purity from such standards is plainly stated on its label. If a drug is recognized in both the United States Pharmacopoeia National Formulary and the Homeopathic Pharmacopoeia of the United States it is subject to the United States Pharmacopoeia National Formulary unless it is labeled and offered for sale as a homeopathic drug, in which case it is subject to the Homeopathic Pharmacopoeia of the United States and not to the United States Pharmacopoeia National Formulary.
3. If it is not subject to subsection 2 and its strength differs from, or its purity or quality falls below, that which it purports or is represented to possess.
4. If it is a drug and any substance has been mixed or packed with it so as to reduce its quality or strength, or any substance has been substituted for it wholly or in part.
5. If it is, or purports to be or is represented as, a device which is subject to a performance standard established under section 514 of the federal Act, unless the device is in all respects in conformity with such standard.
6. If it is a device banned by the board or by the United States food and drug administration.
7. If it is a device and the methods used in, or the facilities or controls used for its manufacture, packing, storage, or installation are not in conformity with applicable requirements under section 520(f)(1) of the federal Act or an applicable condition as prescribed by an order under section 520(f)(2) of the federal Act.
8. If it is a device for which an exemption has been granted under section 520(g) of the federal Act for investigational use and the person who was granted the exemption or any

investigator who uses the device under the exemption fails to comply with a requirement prescribed by or under that section.

126.10 Drugs and devices — misbranding — labeling.

1. A drug or device is misbranded under any of the following circumstances:

a. If its labeling is false or misleading in any particular.

b. (1) If in a package form unless it bears a label containing both of the following:

(a) The name and place of business of the manufacturer, packer, or distributor.

(b) An accurate statement of the quantity of the contents in terms of weight, measure, or numerical count.

(2) However, under subparagraph (1), subparagraph division (a), reasonable variations shall be permitted, and exemptions as to small packages shall be allowed, in accordance with rules adopted by the board.

c. If any word, statement, or other information required by or under the authority of this chapter to appear on the label or labeling is not prominently placed thereon with such conspicuousness, as compared with other words, statements, designs, or devices, in the labeling, and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use.

d. If it is for use by humans and contains any quantity of the narcotic or hypnotic substance alpha-eucaine, barbituric acid, beta-eucaine, bromal, cannabis, carbromal, chloral, coca, cocaine, codeine, heroin, marijuana, morphine, opium, paraldehyde, peyote, or sulphonmethane; or any chemical derivative of such a substance, which derivative, after investigation, has been designated as habit forming, by rules adopted by the board under this chapter or by regulations adopted by the secretary pursuant to section 502(d) of the federal Act; unless its label bears the name and quantity or proportion of such substance or derivative and in juxtaposition therewith the statement “Warning — May Be Habit Forming”.

e. (1) If it is a drug, unless both of the following apply:

(a) Its label bears, to the exclusion of any other nonproprietary name except the applicable systematic chemical name or the chemical formula:

(i) The established name of the drug, as specified in subparagraph (3), if such exists; and

(ii) If the drug is fabricated from two or more ingredients, the established name and quantity of each active ingredient, including the quantity, kind, and proportion of any alcohol, and also including, whether active or not, the established name and quantity or proportion of any bromides, ether, chloroform, acetanilide, acetophenetidin, amidopyrine, antipyrine, atropine, hyoscine, hyoscyamine, arsenic, digitalis, digitalis glucosides, mercury, ouabain, strophanthin, strychnine, thyroid, or any derivative or preparation of any such substances, contained therein. However, the requirement for stating the quantity of the active ingredients, other than the quantity of those specifically named in this subparagraph subdivision, applies only to prescription drugs.

(b) For a prescription drug, the established name of the prescription drug or of an ingredient is printed, on the label and on any labeling on which a name for the prescription drug or an ingredient is used, prominently and in type at least half as large as that used thereon for any proprietary name or designation for the prescription drug or ingredient. However, to the extent that compliance with subparagraph division (a), subparagraph subdivision (ii), or this subparagraph division is impracticable, exemptions shall be allowed under rules or regulations adopted by the board or the secretary under the federal Act.

(2) If it is a device and it has an established name, unless its label bears, to the exclusion of any other nonproprietary name, its established name, as defined in subparagraph (4), prominently printed in type at least half as large as that used thereon for any proprietary name or designation for the device, except that to the extent compliance with this subparagraph is impracticable, exemptions shall be allowed under rules or regulations adopted by the board or the secretary under the federal Act.

(3) As used in subparagraph (1), the term “*established name*”, with respect to a drug or ingredient thereof, means one of the following:

(a) The applicable official name designated pursuant to section 508 of the federal Act.

(b) If no such official name exists and the drug or ingredient is an article recognized in an official compendium, then its official title in the compendium.

(c) If neither subparagraph division (a) nor (b) applies, then the common or usual name, if any, of the drug or ingredient. However, if subparagraph division (b) applies to an article recognized in the United States Pharmacopoeia National Formulary and in the Homeopathic Pharmacopoeia of the United States under different official titles, the official title used in the United States Pharmacopoeia National Formulary applies unless it is labeled and offered for sale as a homeopathic drug, in which case the official title used in the Homeopathic Pharmacopoeia of the United States applies.

(4) As used in subparagraph (2), the term “*established name*” with respect to a device means one of the following:

(a) The applicable official name of the device pursuant to section 508 of the federal Act.

(b) If no such official name exists and the device is an article recognized in an official compendium, then its official title in the compendium.

(c) If neither subparagraph division (a) nor (b) applies, then any common or usual name of the device.

f. (1) Unless its labeling bears both of the following:

(a) Adequate directions for use.

(b) Adequate warnings against use in those pathological conditions, or by children, where its use may be dangerous to health, or against unsafe dosage or methods or durations of administration or application, in the manner and form necessary for the protection of users.

(2) However, if a requirement of subparagraph (1), subparagraph division (a), as applied to a drug or device, is not necessary for the protection of the public health, the board or the secretary shall adopt rules or regulations exempting the drug or device from that requirement.

g. If it purports to be a drug the name of which is recognized in an official compendium, unless it is packaged and labeled as prescribed in the official compendium. However, the method of packing may be modified with the consent of the board or the secretary. If a drug is recognized in both the United States Pharmacopoeia National Formulary and the Homeopathic Pharmacopoeia of the United States, it is subject to the requirements of the United States Pharmacopoeia National Formulary with respect to packaging and labeling unless it is labeled and offered for sale as a homeopathic drug, in which case it is subject to the Homeopathic Pharmacopoeia of the United States, and not to the United States Pharmacopoeia National Formulary. However, if an inconsistency exists between this paragraph and paragraph “e” as to the name by which the drug or its ingredients shall be designated, paragraph “e” prevails.

h. If it has been found by the board or the secretary to be a drug liable to deterioration, unless it is packaged in the form and manner, and its label bears a statement of the precautions that the board or the secretary by rule or regulation requires as necessary for the protection of public health. Such a rule or regulation shall not be established for a drug recognized in an official compendium until the board or the secretary has informed the appropriate body charged with the revision of the official compendium of the need for such packaging or labeling requirements and that body has failed within a reasonable time to prescribe such requirements.

i. (1) If it is a drug and its container is so made, formed, or filled as to be misleading.

(2) If it is an imitation of another drug.

(3) If it is offered for sale under the name of another drug.

j. If it is dangerous to health when used in the dosage or manner, or with the frequency or duration prescribed, recommended, or suggested in its labeling.

k. If it is, or purports to be, or is represented as a drug composed wholly or partly of insulin, unless both of the following apply:

(1) It is from a batch with respect to which a certificate or release has been issued pursuant to section 506 of the federal Act.

(2) The certificate or release is in effect with respect to the drug.

l. (1) If it is, or purports to be, or is represented as a drug, composed wholly or partly of any kind of penicillin, streptomycin, chlortetracycline, chloramphenicol, bacitracin, or any other antibiotic drug, or any derivative thereof, unless both of the following apply:

(a) It is from a batch with respect to which a certificate or release has been issued pursuant to section 507 of the federal Act.

(b) The certificate or release is in effect with respect to the drug.

(2) However, this paragraph “*l*” does not apply to any drug or class of drugs exempted by regulations adopted under section 507(c) or 507(d) of the federal Act.

m. If it is a color additive, the intended use of which is for the purpose of coloring only, unless its packaging and labeling are in conformity with the packaging and labeling requirements applicable to that color additive, as contained in regulations adopted under section 706 of the federal Act.

n. If it is a prescription drug distributed or offered for sale in this state, unless the manufacturer, packer, or distributor includes in all advertising and other descriptive printed matter issued or caused to be issued by the manufacturer, packer, or distributor with respect to the prescription drug a true statement of all of the following:

(1) The established name as defined in paragraph “*e*”, printed prominently and in type at least half as large as that used for any trade or brand name thereof.

(2) The formula showing quantitatively each ingredient of the prescription drug to the extent required for labels under paragraph “*e*”.

(3) Other information in brief summary relating to side effects, contraindications, and effectiveness as required in regulations adopted pursuant to section 701(e) of the federal Act.

o. If it was manufactured, prepared, propagated, compounded, or processed in an establishment in this state not duly registered under section 510 of the federal Act, if it was not included on a list required by section 510(j) of the federal Act, if a notice or other information respecting it was not provided as required by that section or section 510(k) of the federal Act, or if it does not bear the symbols from the uniform system for identification of devices prescribed under section 510(e) of the federal Act that are required by regulation.

p. If it is a drug and its packaging or labeling is in violation of an applicable regulation adopted pursuant to section 3 or 4 of the federal Poison Prevention Packaging Act of 1970, 15 U.S.C. §1471 et seq.

q. If a trademark, trade name, or other identifying mark, imprint, or device of another trademark, trade name, mark, or imprint or any likeness of the foregoing has been placed thereon or upon its container with intent to defraud.

r. In the case of a restricted device distributed or offered for sale in this state, if either of the following applies:

(1) Its advertising is false or misleading in any particular.

(2) It is sold, distributed, or used in violation of regulations adopted pursuant to section 520(e) of the federal Act.

s. In the case of a restricted device distributed or offered for sale in this state, unless the manufacturer, packer, or distributor includes in all advertising and other descriptive printed matter issued by the manufacturer, packer, or distributor with respect to the device both of the following:

(1) A true statement of the device’s established name as defined in paragraph “*e*”, printed prominently and in type at least half as large as that used for any trade or brand name thereof.

(2) A brief statement of the intended uses of the device and relevant warnings, precautions, side effects, and contraindications; and in the case of a specific device made subject to regulations adopted pursuant to the federal Act, a full description of the components of the device or the formula showing quantitatively each ingredient of the device to the extent required in regulations under the federal Act.

t. If it is a device subject to a performance standard established under section 514 of the federal Act, unless it bears labeling as prescribed in that performance standard.

u. If it is a device and there was a failure or refusal to comply with any requirement prescribed under section 518 of the federal Act respecting the device, or to furnish material required by or under section 519 of the federal Act respecting the device.

2. If an article is alleged to be misbranded because the labeling or advertising is

misleading, then in determining whether the labeling or advertising is misleading, there shall be taken into account, among other things, not only representations made or suggested by statement, word, design, device, or any combination thereof, but also the extent to which the labeling or advertising fails to reveal facts material in the light of such representations, or material with respect to consequences which may result from the use of the article to which the labeling or advertising relates, under the conditions of use prescribed in the labeling or advertising or under customary or usual conditions of use.

3. The representation of a drug, in its labeling, as an antiseptic shall be considered to be a representation that it is a germicide, except in the case of a drug purporting to be, or represented as, an antiseptic for inhibitory use as a wet dressing, ointment, dusting powder, or such other use as involves prolonged contact with the body.

126.11 Exemptions in cases of drugs and devices — dispensing by prescription only.

1. The board shall adopt rules exempting from any labeling or packaging requirement of this chapter drugs and devices which are, in accordance with the practice of the trade, to be processed, labeled, or repacked in substantial quantities at establishments other than those where originally processed or packaged, on condition that such drugs and devices are not adulterated or misbranded upon removal from the processing, labeling, or repacking establishment.

2. Drug and device labeling or packaging exemptions adopted pursuant to the federal Act shall apply to drugs and devices in this state except insofar as modified or rejected by rules adopted by the board.

3. *a.* (1) This paragraph “a” applies to a drug intended for use by humans which is any of the following:

(a) Is a habit-forming drug to which section 126.10, subsection 1, paragraph “d” applies.

(b) Because of its toxicity or other potentiality for harmful effect, or the method of its use, or the collateral measures necessary to its use, is not safe for use except under the supervision of a practitioner licensed by law to administer the drug.

(c) Is limited by an approved application under section 505 of the federal Act to use under the professional supervision of a practitioner licensed by law to administer the drug.

(2) Such a drug shall be dispensed only upon a written, electronic, or facsimile prescription of a practitioner licensed by law to administer the drug, or upon an oral prescription of such a practitioner which is reduced promptly to writing and filed by the pharmacist, or by refilling any such written, electronic, facsimile, or oral prescription if the refilling is authorized by the prescriber either in the original written, electronic, or facsimile prescription or by oral order which is reduced promptly to writing and filed by the pharmacist. The act of dispensing a drug contrary to this paragraph “a” while the drug is held for sale results in the drug being misbranded.

b. A drug dispensed by filling or refilling a written, electronic, facsimile, or oral prescription of a practitioner licensed by law to administer the drug is exempt from section 126.10, except section 126.10, subsection 1, paragraph “a”, section 126.10, subsection 1, paragraph “i”, subparagraphs (2) and (3), and section 126.10, subsection 1, paragraphs “k” and “l”, and the packaging requirements of section 126.10, subsection 1, paragraphs “g”, “h”, and “p”, if the drug bears a label containing the name and address of the dispenser, the date of the prescription or of its filling, the name of the prescriber, and, if stated in the prescription, the name of the patient, and the directions for use and cautionary statements, if any, contained in the prescription. This exemption does not apply to a drug dispensed in the course of the conduct of the business of dispensing drugs pursuant to diagnosis by mail, or to a drug dispensed in violation of paragraph “a” of this subsection.

c. The board may, by rule, remove a drug subject to section 126.10, subsection 1, paragraph “d”, and section 505 of the federal Act from the requirements of paragraph “a” of

this subsection when such requirements are not necessary for the protection of the public health.

d. A drug which is subject to paragraph “a” of this subsection is misbranded if, at any time prior to dispensing, its label fails to bear the statement: “Caution: Federal Law Prohibits Dispensing Without Prescription”, or “Caution: State Law Prohibits Dispensing Without Prescription”. A drug to which paragraph “a” of this subsection does not apply is misbranded if, at any time prior to dispensing, its label bears the caution statement quoted in the preceding sentence.

e. Prescription drug samples dispensed by a practitioner licensed by law to administer such drugs are exempt from section 126.10.

f. All electronic or facsimile prescriptions transmitted under this section shall comply with section 155A.27.

126.12 New drugs.

1. A person shall not sell, deliver, offer for sale, hold for sale, or give away a new drug unless both of the following apply:

a. An application with respect to the new drug has been approved and the approval has not been withdrawn under section 505 of the federal Act.

b. A copy of the letter of approval or approvability issued by the United States food and drug administration is on file with the secretary of the board, if the product is manufactured in this state.

2. A person shall not use in humans a new drug limited to investigational use unless the person has filed with the United States food and drug administration a completed and signed “Notice of Claimed Investigational Exemption for a New Drug” form in accordance with 21 C.F.R. §312.1 and the exemption has not been terminated. The drug shall be plainly labeled in compliance with section 505(i) or 507(d) of the federal Act.

3. This section does not apply to either of the following:

a. A drug which is not a new drug as defined in the federal Act.

b. A drug which is licensed under the federal Public Health Service Act of July 1, 1944, 42 U.S.C. §201 et seq. or under the Animal Virus-Serum-Toxin Act of March 4, 1913, 21 U.S.C. §151 et seq.

126.14 Cosmetics — adulteration.

A cosmetic is adulterated if any of the following apply:

1. a. It bears or contains a poisonous or deleterious substance which may render it injurious to users under the conditions of use prescribed in its labeling or under customary or usual conditions of use. However, this does not apply to coal-tar hair dye if the label of the dye bears the following legend conspicuously displayed and the label bears adequate directions for the preliminary testing:

Caution — This product contains ingredients which may cause skin irritation on certain individuals and a preliminary test according to accompanying directions should first be made. This product must not be used for dyeing the eyelashes or eyebrows; to do so may cause blindness.

b. For the purposes of this subsection and subsection 5, “hair dye” does not include eyelash dyes or eyebrow dyes.

2. It consists in whole or in part of any filthy, putrid, or decomposed substance.

3. It has been produced, prepared, packed, or held under insanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health.

4. Its container is composed, in whole or in part, of a poisonous or deleterious substance which may render the contents injurious to health.

5. It is not a hair dye and it is, or it bears or contains a color additive which is “unsafe” within the meaning of section 706(a) of the federal Act.

126.15 Cosmetics — misbranding.

1. A cosmetic is misbranded if any of the following apply:

a. Its labeling is false or misleading in any particular.

b. If in package form unless it bears a label containing both of the following:

(1) The name and place of business of the manufacturer, packer, or distributor.

(2) An accurate statement of the quantity of the contents in terms of weight, measure, or numerical count, which statement shall be separately and accurately stated in a uniform location upon the principal display panel of the label.

c. A word, statement, or other information required by or under the authority of this chapter to appear on the label or labeling is not prominently placed there with such conspicuousness, as compared with other words, statements, designs, or devices in the labeling, and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use.

d. Its container is so made, formed, or filled as to be misleading.

e. It is a color additive, unless its packaging and labeling are in conformity with the packaging and labeling requirements applicable to that color additive prescribed under section 706 of the federal Act. This paragraph does not apply to packages of color additives which, with respect to their use of cosmetics, are marketed and intended for use only in or on hair dyes, as specified in section 126.14, subsection 1.

f. Its packaging or labeling is in violation of an applicable regulation adopted pursuant to section 3 or 4 of the federal Poison Prevention Packaging Act of 1970, 15 U.S.C. §1471 et seq.

2. The board shall adopt rules exempting from any labeling requirement of this chapter, cosmetics which are in accordance with the practice of the trade, to be processed, labeled, or repacked in substantial quantities at an establishment other than the establishment where they are originally processed or packed, on condition that such cosmetics are not adulterated or misbranded upon removal from the processing, labeling, or repacking establishment. Cosmetic labeling exemptions adopted under the federal Act apply to cosmetics in this state except as modified or rejected by rules adopted by the board.

126.16 False advertising.

1. The advertising of a drug, device, or cosmetic is false if it is false or misleading in any particular.

2. For the purpose of this chapter, advertising is false if it represents a drug, device, or cosmetic to have any effect in the diagnosis, prevention, or treatment of arthritis, blood disorders, bone or joint diseases, kidney diseases or disorders, cancer, diabetes, gall bladder disease or disorders, heart and vascular disease, high blood pressure, diseases or

disorders of the ear, mental disease or an intellectual disability, degenerative neurological diseases, paralysis, prostate gland disorders, conditions of the scalp affecting hair loss, baldness, endocrine disorders, sexual impotence, tumors, venereal diseases, varicose ulcers, breast enlargement, purifying blood, metabolic disorders, immune system disorders or conditions affecting the immune system, extension of life expectancy, stress and tension, brain stimulation or performance, the body's natural defense mechanisms, blood flow, and depression. However, advertising not in violation of subsection 1 is not false under this subsection if it is disseminated only to members of the medical, dental, or veterinary professions, or appears only in the scientific periodicals of these professions, or is disseminated only for the purpose of public health education by persons not commercially interested, directly or indirectly, in the sale of such drugs or devices. However, if the board determines that an advance in medical science has made any type of self-medication safe as to any of the diseases named in this subsection, the board shall by rule authorize the advertising of drugs having curative or therapeutic effect for such disease, subject to the conditions and restrictions the board deems necessary in the interests of the public health. However, this subsection does not indicate that self-medication for diseases other than those named in this subsection is safe and efficacious.

126.18 Inspections.

1. *a.* For purposes of enforcement of this chapter, the board or any of its authorized agents, upon presenting appropriate credentials to the owner, operator, or agent in charge, may do both of the following:

(1) Enter at reasonable times any factory, warehouse, or other establishment in which drugs, devices, or cosmetics are manufactured, processed, packed, or held, for introduction into commerce or after such introduction; or enter a vehicle being used to transport or hold drugs, devices, or cosmetics in commerce.

(2) Inspect at reasonable times and within reasonable limits and in a reasonable manner such a factory, warehouse, establishment, or vehicle and all pertinent equipment, finished and unfinished materials, containers, and labeling therein, and obtain samples necessary to the enforcement of this chapter. In the case of a factory, warehouse, establishment, or consulting laboratory in which prescription drugs are manufactured, processed, packed, or held, the inspection shall extend to all things therein, including records, files, papers, processes, controls, and facilities, bearing on whether prescription drugs or restricted devices which are adulterated or misbranded or which may not be manufactured, introduced into commerce, or sold or offered for sale by reason of any provision of this chapter, have been or are being manufactured, processed, packed, transported, or held in violation of or bearing on a violation of this chapter. An inspection authorized for prescription drugs by the preceding sentence shall not extend to financial data, sales data other than shipment data, pricing data, personnel data other than data as to qualifications of technical and professional personnel performing functions subject to this chapter, and research data other than data relating to new drugs, and antibiotic drugs, and devices, and subject to reporting and inspection under regulations lawfully issued pursuant to section 505(i) or 505(j), or

section 507(d) or 507(g), section 519, or section 520(g) of the federal Act, and data, relating to other drugs, or devices which in the case of a new drug would be subject to reporting or inspection under lawful regulations issued pursuant to section 505(j) of the federal Act. The inspection shall be commenced and completed with reasonable promptness.

b. Paragraph "a" does not apply to any of the following:

(1) Pharmacies which maintain establishments in conformance with laws of this state regulating the practice of pharmacy and medicine and which are regularly engaged in dispensing prescription drugs, or devices, upon prescription of practitioners licensed to administer the drugs or devices to patients under the care of the practitioners in the course of their professional practice, and which do not, either through a subsidiary or otherwise, manufacture, prepare, propagate, compound, or process drugs or devices for sale other than in the regular course of their business of dispensing or selling drugs or devices at retail.

(2) Practitioners licensed by law to prescribe or administer drugs or prescribe or use devices, and who manufacture, prepare, propagate, compound, or process drugs, or manufacture or process devices solely for use in the course of their professional practice.

(3) Persons who manufacture, prepare, propagate, compound, or process drugs, or manufacture or process devices solely for use in research, teaching, or chemical analysis and not for sale.

(4) Duly employed sales representatives of pharmaceutical companies acting in the normal and customary performance of their duties.

(5) Other classes of persons the board exempts from the application of this section by rule upon a finding that inspection as applied to such classes of persons in accordance with this section is not necessary for the protection of the public health.

2. a. Upon completion of an inspection of a factory, warehouse, consulting laboratory, or other establishment and prior to leaving the premises, the authorized agent making the inspection shall give to the owner, operator, or agent in charge a report in writing setting forth any conditions or practices observed by the authorized agent which, in the judgment of the authorized agent, indicate that any drug, device, or cosmetic in the establishment meets either of the following:

(1) Consists in whole or in part of a filthy, putrid, or decomposed substance.

(2) Has been prepared, packed, or held under insanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health.

b. A copy of the report shall be sent promptly to the board.

3. If the authorized agent making an inspection of a factory, warehouse, or other establishment has obtained a sample in the course of the inspection, upon completion of the inspection and prior to leaving the premises the authorized agent shall give to the owner, operator, or agent in charge a receipt describing the sample obtained.

4. A person required under this chapter or section 519 or 520(g) of the federal Act to maintain records and a person who is in charge or custody of such records shall, upon request of an authorized agent designated by the board, permit the authorized agent at all reasonable times to have access and to copy and verify such records.

5. For the purposes of enforcing this chapter, carriers engaged in commerce, and persons receiving drugs, devices, or cosmetics in commerce or holding such articles so received, shall, upon the request of a duly authorized agent of the board, permit the agent, at reasonable times, to have access to and to copy all records showing the movement in commerce of a drug, device, or cosmetic, or the holding thereof during or after such movement, and the quantity, shipper, and consignee thereof. It is unlawful for any such carrier or person to fail to permit such access to and copying of any such record so requested when the request is accompanied by a statement in writing specifying the nature or kind of drug, device, or cosmetic to which the request relates.

6. Evidence obtained under this section or evidence which is directly or indirectly derived from such evidence obtained under this section, shall not be used in a criminal prosecution of the person from whom the evidence was obtained; and carriers are not subject to the other provisions of this chapter by reason of their receipt, carriage, holding, or delivery of drugs, devices, or cosmetics in the usual course of business as carriers.

126.22 Nitrous oxide.

1. *Unlawful possession.* Any person who possesses nitrous oxide or any substance containing nitrous oxide, with the intent to breathe, inhale, or ingest for the purpose of causing a condition of intoxication, elation, euphoria, dizziness, stupefaction, or dulling of the senses, or who knowingly and with the intent to do so is under the influence of nitrous oxide or any material containing nitrous oxide, is guilty of a serious misdemeanor. This subsection shall not apply to a person who is under the influence of nitrous oxide or any material containing nitrous oxide for the purpose of medical, surgical, or dental care by a person duly licensed to administer such an agent.

2. *Unlawful distribution.* Any person who distributes nitrous oxide, or possesses nitrous oxide with intent to distribute to any other person, if such distribution is with the intent to induce unlawful inhaling of the substance or is with the knowledge that the other person will unlawfully inhale the substance, is guilty of a serious misdemeanor.

126.23A Pseudoephedrine retail restrictions.

1. a. A retailer or an employee of a retailer shall not do any of the following:

(1) Sell more than seven thousand five hundred milligrams of pseudoephedrine to the same person within a thirty-day period.

(2) Knowingly sell more than one package of a product containing pseudoephedrine to a person in a twenty-four-hour period.

(3) Sell a package of a pseudoephedrine product that can be further broken down or subdivided into two or more separate and distinct packages or offer promotions where a pseudoephedrine product is given away for free as part of any purchase transaction.

b. A retailer or an employee of a retailer shall do the following:

(1) Provide for the sale of a pseudoephedrine product from a locked cabinet or behind a sales counter where the public is unable to reach the product and where the public is not permitted.

(2) Require a purchaser to present a government-issued photo identification card identifying the purchaser prior to purchasing a pseudoephedrine product.

(3) Require the purchaser to sign a logbook and to also require the purchaser to legibly print the purchaser's name and address in the logbook.

(4) Print the name of the pseudoephedrine product purchased and quantity sold next to the name of each purchaser in the logbook.

(5) Determine the signature in the logbook corresponds with the name on the government-issued photo identification card.

(6) Keep the logbook twenty-four months from the date of the last entry.

(7) Provide notification in a clear and conspicuous manner in a location where a pseudoephedrine product is offered for sale stating the following:

Iowa law prohibits the over-the-counter purchase of more than one package of a product containing pseudoephedrine in a twenty-four-hour period or of more than seven thousand five hundred milligrams of pseudoephedrine within a thirty-day period. If you purchase a product containing pseudoephedrine, you are required to sign a logbook which may be accessible to law enforcement officers.

(8) Provide notification affixed to the logbook stating that a purchaser entering a false statement or misrepresentation in the logbook may subject the purchaser to criminal penalties under 18 U.S.C. §1001.

(9) Disclose logbook information as provided by state and federal law.

(10) Comply with training requirements pursuant to federal law.

2. A purchaser shall not do any of the following:

a. Purchase more than one package of a pseudoephedrine product within a twenty-four-hour period from a retailer.

b. Purchase more than seven thousand five hundred milligrams of pseudoephedrine from a retailer, either separately or collectively, within a thirty-day period.

3. A purchaser shall sign the logbook and also legibly print the purchaser's name and address in the logbook.

4. Enforcement of this section shall be implemented uniformly throughout the state. A political subdivision of the state shall not adopt an ordinance regulating the display or sale of products containing pseudoephedrine. An ordinance adopted in violation of this section is void and unenforceable and any enforcement activity of an ordinance in violation of this section is void.

5. The logbook may be kept in an electronic format upon approval by the department of public safety.

6. A pharmacy that sells a product that contains three hundred sixty milligrams or less

of pseudoephedrine on a retail basis shall comply with the provisions of this section with respect to the sale of such product. However, a pharmacy is exempted from the provisions of this section when selling a pseudoephedrine product pursuant to section 124.212.

7. A retailer or an employee of a retailer that reports to any law enforcement agency any alleged criminal activity related to the purchase or sale of pseudoephedrine or who refuses to sell a pseudoephedrine product to a person is immune from civil liability for that conduct, except in cases of willful misconduct.

8. If a retailer or an employee of a retailer violates any provision of this section, a city or county may assess a civil penalty against the retailer upon hearing and notice as provided in section 126.23B.

9. An employee of a retailer who commits a violation of subsection 1 or a purchaser who commits a violation of subsection 2 commits a simple misdemeanor punishable by a scheduled fine under section 805.8C, subsection 6.

10. As used in this section, “*retailer*” means a person or business entity engaged in this state in the business of selling products on a retail basis. An “*employee of a retailer*” means any employee, contract employee, or agent of the retailer.

126.23B Civil penalty.

1. A city or a county may enforce section 126.23A, after giving the retailer an opportunity to be heard upon ten days’ written notice by restricted certified mail stating the alleged violation and the time and place at which the retailer may appear and be heard.

2. For a violation of section 126.23A by the retailer or an employee of the retailer a civil penalty shall be assessed against the retailer as follows:

a. For a first violation, the retailer shall be assessed a civil penalty in the amount of three hundred dollars.

b. For a second violation within a period of two years, the retailer shall be assessed a civil penalty in the amount of one thousand five hundred dollars.

c. For a third violation within a period of three years, the retailer shall be assessed a civil penalty in the amount of two thousand dollars. The retailer may also be prohibited from selling pseudoephedrine for up to three years from the date of assessment of the civil penalty.

d. For a fourth or subsequent violation within a period of three years, the retailer shall be assessed a civil penalty in the amount of three thousand dollars. On a fourth or subsequent violation, the retailer shall be prohibited from selling pseudoephedrine products for three years from the date of the assessment of the civil penalty.

3. The city or county that takes legal action against a retailer under this section shall report the assessment of a civil penalty to the department of public safety within thirty days of the penalty being assessed.

4. The civil penalty shall be collected by the clerk of the district court and shall be distributed as provided in section 602.8105, subsection 4.

135.11 Duties of department.

The director of public health shall be the head of the "Iowa Department of Public Health", which shall:

1. Exercise general supervision over the public health, promote public hygiene and sanitation, prevent substance abuse and unless otherwise provided, enforce the laws relating to the same.

2. Conduct campaigns for the education of the people in hygiene and sanitation.

3. Issue monthly health bulletins containing fundamental health principles and other health data deemed of public interest.

4. Make investigations and surveys in respect to the causes of disease and epidemics, and the effect of locality, employment, and living conditions upon the public health. For this purpose the department may use the services of the experts connected with the state hygienic laboratory at the state university of Iowa.

5. Establish stations throughout the state for the distribution of antitoxins and vaccines to physicians, druggists, and other persons, at cost. All antitoxin and vaccine thus distributed shall be labeled "Iowa Department of Public Health".

6. Exercise general supervision over the administration and enforcement of the sexually transmitted diseases and infections law, chapter 139A, subchapter II.

7. Exercise sole jurisdiction over the disposal and transportation of the dead bodies of human beings and prescribe the methods to be used in preparing such bodies for disposal and transportation. However, the department may approve a request for an exception to the application of specific embalming and disposition rules adopted pursuant to this subsection if such rules would otherwise conflict with tenets and practices of a recognized religious denomination to which the deceased individual adhered or of which denomination the deceased individual was a member. The department shall inform the board of mortuary science of any such approved exception which may affect services provided by a funeral director licensed pursuant to chapter 156.

8. Establish, publish, and enforce rules which require companies, corporations, and other entities to obtain a permit from the department prior to scattering cremated human remains.

9. Exercise general supervision over the administration and enforcement of the vital statistics law, chapter 144.

10. Enforce the law relative to chapter 146 and "Health-related Professions", Title IV, subtitle 3, excluding chapter 155.

11. Establish and maintain divisions as are necessary for the proper enforcement of the laws administered by the department.

12. Establish, publish, and enforce rules not inconsistent with law for the enforcement of the provisions of chapters 125 and 155, and Title IV, subtitle 2, excluding chapter 146 and for

the enforcement of the various laws, the administration and supervision of which are imposed upon the department.

13. Administer healthy aging and essential public health services by approving grants of state funds to the local boards of health for the purposes of promoting healthy aging throughout the lifespan and enhancing health promotion and disease prevention services, and by providing guidelines for the approval of the grants and allocation of the state funds. Guidelines, evaluation requirements and formula allocation procedures for the services shall be established by the department by rule.

14. Administer chapters 125, 136A, 136C, 139A, 142, 142A, 144, and 147A.

15. Issue an annual report to the governor as provided in section 7E.3, subsection 4.

16. Consult with the office of statewide clinical education programs at the university of Iowa college of medicine and annually submit a report to the general assembly by January 15 verifying the number of physicians in active practice in Iowa by county who are engaged in providing obstetrical care. To the extent data are readily available, the report shall include information concerning the number of deliveries per year by specialty and county, the age of physicians performing deliveries, and the number of current year graduates of the university of Iowa college of medicine and the Des Moines university — osteopathic medical center entering into residency programs in obstetrics, gynecology, and family practice. The report may include additional data relating to access to obstetrical services that may be available.

17. Administer the statewide maternal and child health program and the program for children with disabilities by conducting mobile and regional child health specialty clinics and conducting other activities to improve the health of low-income women and children and to promote the welfare of children with actual or potential conditions which may cause disabilities and children with chronic illnesses in accordance with the requirements of Tit. V of the federal Social Security Act. The department shall provide technical assistance to encourage the coordination and collaboration of state agencies in developing outreach centers which provide publicly supported services for pregnant women, infants, and children. The department shall also, through cooperation and collaborative agreements with the department of human services and the mobile and regional child health specialty clinics, establish common intake proceedings for maternal and child health services. The department shall work in cooperation with the legislative services agency in monitoring the effectiveness of the maternal and child health centers, including the provision of transportation for patient appointments and the keeping of scheduled appointments.

18. Establish, publish, and enforce rules requiring prompt reporting of methemoglobinemia, pesticide poisoning, and the reportable poisonings and illnesses established pursuant to section 139A.21.

19. Collect and maintain reports of pesticide poisonings and other poisonings, illnesses, or injuries caused by selected chemical or physical agents, including methemoglobinemia and pesticide and fertilizer hypersensitivity; and compile and publish, annually, a statewide and county-by-county profile based on the reports.

20. Adopt rules which require personnel of a licensed hospice, of a homemaker-home health aide provider agency which receives state homemaker-home health aide funds, or of an agency which provides respite care services and receives funds to complete training concerning blood-borne pathogens, including human immunodeficiency virus and viral hepatitis, consistent with standards from the federal occupational safety and health administration.

21. Adopt rules which require all emergency medical services personnel, fire fighters, and law enforcement personnel to complete training concerning blood-borne pathogens, including human immunodeficiency virus and viral hepatitis, consistent with standards from the federal occupational safety and health administration.

22. Adopt rules which provide for the testing of a convicted or alleged offender for the human immunodeficiency virus pursuant to sections 915.40 through 915.43. The rules shall provide for the provision of counseling, health care, and support services to the victim.

23. Establish ad hoc and advisory committees to the director in areas where technical expertise is not otherwise readily available. Members may be compensated for their actual and necessary expenses incurred in the performance of their duties. To encourage

health consumer participation, public members may also receive a per diem as specified in section 7E.6 if funds are available and the per diem is determined to be appropriate by the director. Expense moneys paid to the members shall be paid from funds appropriated to the department. A majority of the members of such a committee constitutes a quorum.

24. Administer annual grants to county boards of health for the purpose of conducting programs for the testing of private water supply wells, the closing of abandoned private water supply wells, and the renovation or rehabilitation of private water supply wells. Grants shall be funded through moneys transferred to the department from the agriculture management account of the groundwater protection fund pursuant to section 455E.11, subsection 2, paragraph “b”, subparagraph (2), subparagraph division (b). The department shall adopt rules relating to the awarding of the grants.

25. Establish and administer, if sufficient funds are available to the department, a program to assess and forecast health workforce supply and demand in the state for the purpose of identifying current and projected workforce needs. The program may collect, analyze, and report data that furthers the purpose of the program. The program shall not release information that permits identification of individual respondents of program surveys.

26. In consultation with the advisory committee for perinatal guidelines, develop and maintain the statewide perinatal program based on the recommendations of the American academy of pediatrics and the American college of obstetricians and gynecologists contained in the most recent edition of the guidelines for perinatal care, and shall adopt rules in accordance with chapter 17A to implement those recommendations. Hospitals within the state shall determine whether to participate in the statewide perinatal program, and select the hospital’s level of participation in the program. A hospital having determined to participate in the program shall comply with the guidelines appropriate to the level of participation selected by the hospital. Perinatal program surveys and reports are privileged and confidential and are not subject to discovery, subpoena, or other means of legal compulsion for their release to a person other than the affected hospital, and are not admissible in evidence in a judicial or administrative proceeding other than a proceeding involving verification of the participating hospital under this subsection.

27. In consultation with the department of corrections, the antibiotic resistance task force, and the American federation of state, county and municipal employees, develop educational programs to increase awareness and utilization of infection control practices in institutions listed in section 904.102.

28. Administer the Iowa youth survey, in collaboration with other state agencies, as appropriate, every two years to students in grades six, eight, and eleven in Iowa’s public and nonpublic schools. Survey data shall be evaluated and reported, with aggregate data available online at the Iowa youth survey internet site.

135.11A Professional licensure division — other licensing boards — expenses — fees.

1. There shall be a professional licensure division within the department of public health. Each board under chapter 147 or under the administrative authority of the department, except the board of nursing, board of medicine, dental board, and board of pharmacy, shall receive administrative and clerical support from the division and may not employ its own support staff for administrative and clerical duties. The executive director of the board of nursing, board of medicine, dental board, and board of pharmacy shall be appointed pursuant to section 135.11B.

2. The professional licensure division and the licensing boards may expend funds in addition to amounts budgeted, if those additional expenditures are directly the result of actual examination and exceed funds budgeted for examinations. Before the division or a licensing board expends or encumbers an amount in excess of the funds budgeted for examinations, the director of the department of management shall approve the expenditure or encumbrance. Before approval is given, the department of management shall determine that the examination expenses exceed the funds budgeted by the general assembly to the division or board and the division or board does not have other funds from which examination expenses can be paid. Upon approval of the department of management, the division or licensing board may expend and encumber funds for excess examination expenses. The amounts necessary to fund the excess examination expenses shall be collected as fees from additional examination applicants and shall be treated as repayment receipts as defined in section 8.2.

135.11B Appointment of certain executive directors.

1. The director shall appoint and supervise a full-time executive director for each of the following boards:

- a. The board of medicine.
- b. The board of nursing.
- c. The dental board.
- d. The board of pharmacy.

2. Each board listed in subsection 1 shall advise the director in evaluating potential candidates for the position of executive director, consult with the director in the hiring of the executive director, and review and advise the director on the performance of the executive director in the discharge of the executive director's duties.

3. Each board listed in subsection 1 shall retain sole discretion and authority to execute

the core functions of the board including but not limited to policymaking, advocating for and against legislation, rulemaking, licensing, licensee investigations, licensee disciplinary proceedings, and oversight of professional health programs. The director's supervision of the executive director shall not interfere with the board's discretion and authority in executing the core functions of the board.

135.15 Oral and health delivery system bureau established — responsibilities.

An oral and health delivery system bureau is established within the division of health promotion and chronic disease prevention of the department. The bureau shall be responsible for all of the following:

1. Providing population-based oral health services, including public health training, improvement of dental support systems for families, technical assistance, awareness-building activities, and educational services, at the state and local level to assist Iowans in maintaining optimal oral health throughout all stages of life.
2. Performing infrastructure building and enabling services through the administration of state and federal grant programs targeting access improvement, prevention, and local oral health programs utilizing maternal and child health programs, Medicaid, and other new or existing programs.
3. Leveraging federal, state, and local resources for programs under the purview of the bureau.
4. Facilitating ongoing strategic planning and application of evidence-based research in oral health care policy development that improves oral health care access and the overall oral health of all Iowans.
5. Developing and implementing an ongoing oral health surveillance system for the evaluation and monitoring of the oral health status of children and other underserved populations.
6. Facilitating the provision of oral health services through dental homes. For the purposes of this section, “*dental home*” means a network of individualized care based on risk assessment, which includes oral health education, dental screenings, preventive services, diagnostic services, treatment services, and emergency services.

135.16A Vendors participating in federal food program — egg sales.

1. As used in this section, unless the context otherwise requires:
 - a. “*Conventional eggs*” means eggs other than specialty eggs.
 - b. “*Eggs*” means shell eggs that are graded as “AA”, “A”, or “B” pursuant to 7 C.F.R. pt. 56, subpt. A, and that are sold at retail in commercial markets.
 - c. “*Federal food program*” means the special supplemental food program for women, infants, and children as provided in 42 U.S.C. §1786, et seq.
 - d. “*Grocery store*” means a food establishment as defined in section 137F.1 licensed by the department of inspections and appeals pursuant to section 137F.4, to sell food or food products to customers intended for preparation or consumption off premises.
 - e. “*Specialty eggs*” means eggs produced by domesticated chickens, and sold at retail in commercial markets if the chickens producing such eggs are advertised as being housed in any of the following environments:
 - (1) Cage-free.
 - (2) Free-range.
 - (3) Enriched colony cage.
 2.
 - a. The department of inspections and appeals shall assist the Iowa department of public health in adopting rules necessary to implement and administer this section.
 - b. If necessary to implement, administer, and enforce this section, the Iowa department of public health, in cooperation with the department of agriculture and land stewardship, shall submit a request to the United States department of agriculture for a waiver or other exception from regulations as deemed feasible by the Iowa department of public health. The Iowa department of public health shall regularly report the status of such request to the legislative services agency.
 3. A grocery store that is a vendor participating in a federal food program and offering specialty eggs for retail sale shall maintain an inventory of conventional eggs for retail sale sufficient to meet federal and state requirements for participation in the federal food program.
 4. This section does not require a grocery store to do any of the following:
 - a. Stock or sell specialty eggs.
 - b. Stock or sell eggs, if the grocery store elects not to stock or sell conventional eggs for retail sale as part of its normal business.
 - c. Comply with the provisions of this section, if the grocery store’s inventory of eggs for retail sale was limited to specialty eggs prior to January 1, 2018.
 5. A violation of subsection 3 by a grocery store shall not be construed to disqualify a grocery store from participating in a federal food program unless otherwise authorized by the United States department of agriculture.

135.17 Dental screening of children.

1.
 - a. Except as provided in paragraphs “c” and “d”, the parent or guardian of a child enrolled in elementary school shall provide evidence to the school district or accredited nonpublic elementary school in which the child is enrolled of the child having, no earlier than three years of age but no later than four months after enrollment, at a minimum, a dental screening performed by a licensed physician, a licensed nurse, a licensed physician assistant, or a licensed dental hygienist or dentist. Except as provided in paragraphs “c”

and “d”, the parent or guardian of a child enrolled in high school shall provide evidence to the school district or accredited nonpublic high school in which the child is enrolled of the child having, at a minimum, a dental screening performed no earlier than one year prior to enrollment and not later than four months after enrollment by a licensed dental hygienist or dentist. A school district or accredited nonpublic school shall provide access to a process to complete the screenings described in this paragraph as appropriate.

b. A person authorized to perform a dental screening required by this section shall record that the screening was completed, and such additional information required by the department, on uniform forms developed by the department in cooperation with the department of education. The form shall include a space for the person to summarize any condition that may indicate a need for special services.

c. The department shall specify the procedures that constitute a dental screening and authorize a waiver signed by a licensed physician, nurse, physician assistant, dental hygienist, or dentist for a person who is unduly burdened by the screening requirement.

d. The dental screening requirement shall not apply to a person who submits an affidavit signed by the person or, if the person is a minor, the person’s parent or legal guardian, stating that the dental screening conflicts with a genuine and sincere religious belief.

2. Each public and nonpublic school shall, in collaboration with the department, do the following:

a. Ensure that the parent or guardian of a student enrolled in the school has complied with the requirements of subsection 1.

b. Provide, if a student has not had a dental screening performed in accordance with subsection 1, the parent or guardian of the student with community dental screening referral resources, including contact information for the i-smile coordinator, department, or dental society.

3. By May 31 annually, each local board shall furnish the department with evidence that each student enrolled in any public or nonpublic school within the local board’s jurisdiction has met the dental screening requirement in this section.

4. The department shall adopt rules to administer this section.

135.19 Viral hepatitis program — awareness, vaccinations, and testing.

1. If sufficient funds are appropriated by the general assembly, the department shall establish and administer a viral hepatitis program. The goal of the program shall be to distribute information to citizens of this state who are at an increased risk for exposure to viral hepatitis regarding the higher incidence of hepatitis C exposure and infection among these populations, the dangers presented by the disease, and contacts for additional information and referrals. The program shall also make available hepatitis A and hepatitis B vaccinations, and hepatitis C testing.

2. The department shall establish by rule a list of individuals by category who are at increased risk for viral hepatitis exposure. The list shall be consistent with recommendations developed by the centers for disease control, and shall be developed in consultation with the Iowa viral hepatitis task force and the Iowa department of veterans affairs. The department shall also establish by rule what information is to be distributed and the form and manner of distribution. The rules shall also establish a vaccination and testing program, to be

coordinated by the department through local health departments and clinics and other appropriate locations.

135.22 Central registry for brain or spinal cord injuries.

1. As used in this section:

a. “*Brain injury*” means clinically evident damage to the brain resulting directly or indirectly from trauma, infection, anoxia, vascular lesions, or tumor of the brain, not primarily related to a degenerative disease or aging process, which temporarily or permanently impairs a person’s physical, cognitive, or behavioral functions, and is diagnosed by a physician. The diagnoses of clinically evident damage to the brain used for a diagnosis of brain injury shall be the same as specified by rule for eligibility for the home and community-based services waiver for persons with brain injury under the medical assistance program.

b. “*Spinal cord injury*” means the occurrence of an acute traumatic lesion of neural elements in the spinal cord including the spinal cord and cauda equina, resulting in temporary or permanent sensory deficit, motor deficit, or bladder or bowel dysfunction.

2. The director shall establish and maintain a central registry of persons with brain or spinal cord injuries in order to facilitate prevention strategies and the provision of appropriate rehabilitative services to the persons by the department and other state agencies. Hospitals shall report patients who are admitted with a brain or spinal cord injury and their diagnoses to the director no later than forty-five days after the close of a quarter in which the patient was discharged. The report shall contain the name, age, and residence of the person, the date, type, and cause of the brain or spinal cord injury, and additional information as the director requires, except that where available, hospitals shall report the Glasgow coma scale. The director shall consult with health care providers concerning the availability of additional relevant information. The department shall maintain the confidentiality of all information which would identify any person named in a report. However, the identifying information may be released for bona fide research purposes if the confidentiality of the identifying information is maintained by the researchers, or the identifying information may be released by the person with the brain or spinal cord injury or by the person’s guardian or, if the person is a minor, by the person’s parent or guardian.

135.22A Advisory council on brain injuries.

1. For purposes of this section, unless the context otherwise requires:

a. “*Brain injury*” means a brain injury as defined in section 135.22.

b. “*Council*” means the advisory council on brain injuries.

2. The advisory council on brain injuries is established. The following persons or their designees shall serve as ex officio, nonvoting members of the council:

a. The director of public health.

b. The director of human services and any division administrators of the department of human services so assigned by the director.

c. The director of the department of education.

d. The chief of the special education bureau of the department of education.
 e. The administrator of the division of vocational rehabilitation services of the department of education.

f. The director of the department for the blind.

3. The council shall be composed of a minimum of nine members appointed by the governor in addition to the ex officio members, and the governor may appoint additional members. Insofar as practicable, the council shall include persons with brain injuries; family members of persons with brain injuries; representatives of industry, labor, business, and agriculture; representatives of federal, state, and local government; and representatives of religious, charitable, fraternal, civic, educational, medical, legal, veteran, welfare, and other professional groups and organizations. Members shall be appointed representing every geographic and employment area of the state and shall include members of both sexes. A simple majority of the members appointed by the governor shall constitute a quorum.

4. Members of the council appointed by the governor shall be appointed for terms of two years. Vacancies on the council shall be filled for the remainder of the term of the original appointment. Members whose terms expire may be reappointed.

5. The voting members of the council shall appoint a chairperson and a vice chairperson and other officers as the council deems necessary. The officers shall serve until their successors are appointed and qualified. Members of the council shall receive actual expenses for their services. Members may also be eligible to receive compensation as provided in section 7E.6. The council shall adopt rules pursuant to chapter 17A.

6. The council shall do all of the following:

a. Promote meetings and programs for the discussion of methods to reduce the debilitating effects of brain injuries, and disseminate information in cooperation with any other department, agency, or entity on the prevention, evaluation, care, treatment, and rehabilitation of persons affected by brain injuries.

b. Study and review current prevention, evaluation, care, treatment, and rehabilitation technologies and recommend appropriate preparation, training, retraining, and distribution of personnel and resources in the provision of services to persons with brain injuries through private and public residential facilities, day programs, and other specialized services.

c. Participate in developing and disseminating criteria and standards which may be required for future funding or licensing of facilities, day programs, and other specialized services for persons with brain injuries in this state.

d. Make recommendations to the governor for developing and administering a state plan to provide services for persons with brain injuries.

e. Meet at least quarterly.

7. The department is designated as Iowa's lead agency for brain injury. For the purposes of this section, the designation of lead agency authorizes the department to perform or oversee the performance of those functions specified in subsection 6, paragraphs "a" through "c". The council is assigned to the department for administrative purposes. The director shall be responsible for budgeting, program coordination, and related management functions.

8. The council may receive gifts, grants, or donations made for any of the purposes of its programs and disburse and administer them in accordance with their terms and under the direction of the director.

135.22B Brain injury services program.

1. *Definitions.* For the purposes of this section:

a. "*Brain injury services waiver*" means the state's medical assistance home and community-based services waiver for persons with brain injury implemented under chapter 249A.

b. “Program administrator” means the division of the department designated to administer the brain injury services program in accordance with subsection 2.

2. *Program created.*

a. A brain injury services program is created and shall be administered by a division of the Iowa department of public health in cooperation with counties and the department of human services.

b. The division of the department assigned to administer the advisory council on brain injuries under section 135.22A shall be the program administrator. The division duties shall include but are not limited to serving as the fiscal agent and contract administrator for the program and providing program oversight.

c. The division shall consult with the advisory council on brain injuries, established pursuant to section 135.22A, regarding the program and shall report to the council concerning the program at least quarterly. The council shall make recommendations to the department concerning the program’s operation.

3. *Purpose.* The purpose of the brain injury services program is to provide services, service funding, or other support for persons with a brain injury under the cost-share program component or other components established pursuant to this section. Implementation of the cost-share component or any other component of the program is subject to the funding made available for the program.

4. *General requirements — cost-share component.* The cost-share component of the brain injury services program shall be directed to persons who have been determined to be ineligible for the brain injury services waiver or persons who are eligible for the waiver but funding was not authorized or available to provide waiver eligibility for the persons. The cost-share component is subject to general requirements which shall include but are not limited to all of the following:

a. Services offered are consistent with the services offered through the brain injury services waiver.

b. Each service consumer has a service plan developed prior to service implementation and the service plan is reviewed and updated at least quarterly.

c. All other funding sources for which the service consumer is eligible are utilized to the greatest extent possible. The funding sources potentially available include but are not limited to community resources and public and private benefit programs.

d. The maximum monthly cost of the services provided shall be based on the maximum monthly amount authorized for the brain injury services waiver.

e. Assistance under the cost-share component shall be made available to a designated number of service consumers who are eligible, as determined from the funding available for the cost-share component, on a first-come, first-served basis.

f. Nothing in this section shall be construed or is intended as, or shall imply, a grant of entitlement to services to persons who are eligible for participation in the cost-share component based upon the eligibility provisions adopted consistent with the requirements of this section. Any obligation to provide services pursuant to this section is limited to the extent of the funds appropriated or provided for the cost-share component.

5. *Cost-share component eligibility.* An individual must meet all of the following requirements in order to be eligible for the cost-share component of the brain injury services program:

a. The individual is age one month through sixty-four years.

b. The individual has a diagnosis of brain injury that meets the diagnosis eligibility criteria for the brain injury services waiver.

c. The individual is a resident of this state and either a United States citizen or a qualified alien as defined in 8 U.S.C. §1641.

d. The individual meets the cost-share component’s financial eligibility requirements and is willing to pay a cost-share for the cost-share component.

e. The individual does not receive services or funding under any type of medical assistance home and community-based services waiver.

6. *Cost-share requirements.*

a. The cost-share component’s financial eligibility requirements shall be established in

administrative rule. In establishing the requirements, the department shall consider the eligibility and cost-share requirements used for the hawk-i program under chapter 514I.

b. An individual's cost-share responsibility for services under the cost-share component shall be determined on a sliding scale based upon the individual's family income. An individual's cost-share shall be assessed as a copayment, which shall not exceed thirty percent of the cost payable for the service.

c. The service provider shall bill the department for the portion of the cost payable for the service that is not covered by the individual's copayment responsibility.

7. *Application process.*

a. The application materials for services under the cost-share component of the brain injury services program shall use the application form and other materials of the brain injury services waiver. In order to apply for the brain injury services program, the applicant must authorize the department of human services to provide the applicant's waiver application materials to the brain injury services program. The application materials provided shall include but are not limited to the waiver application and any denial letter, financial assessment, and functional assessment regarding the person.

b. If a functional assessment for the waiver has not been completed due to a person's financial ineligibility for the waiver, the brain injury services program may provide for a functional assessment to determine the person's needs by reimbursing the department of human services for the assessment.

c. The program administrator shall file copies of the individual's application and needs assessment with the program resource facilitator assigned to the individual's geographic area.

d. The department's program administrator shall make a final determination as to whether program funding will be authorized under the cost-share component.

8. *Service providers and reimbursement.* All of the following requirements apply to service providers and reimbursement rates payable for services under the cost-share component:

a. A service provider must either be certified to provide services under the brain injury services waiver or have a contract with a county to provide services and will become certified to provide services under such waiver within a reasonable period of time specified in rule.

b. The reimbursement rate payable for the cost of a service provided under the cost-share component is the rate payable under the medical assistance program. However, if the service provided does not have a medical assistance program reimbursement rate, the rate shall be the amount payable under the county contract.

9. *Resource facilitation.* The program shall utilize resource facilitators to facilitate program services. The resource facilitator shall be available to provide ongoing support for individuals with brain injury in coping with the issues of living with a brain injury and in assisting such individuals in transitioning back to employment and living in the community. The resource facilitator is intended to provide a linkage to existing services and increase the capacity of the state's providers of services to persons with brain injury by doing all of the following:

a. Providing brain injury-specific information, support, and resources.

b. Enhancing the usage of support commonly available to an individual with brain injury from the community, family, and personal contacts and linking such individuals to appropriate services and community resources.

c. Training service providers to provide appropriate brain injury services.

d. Accessing, securing, and maximizing the private and public funding available to support an individual with a brain injury.

135.23 Reserved.

135.24 Volunteer health care provider program established — immunity from civil liability.

1. The director shall establish within the department a program to provide to eligible

hospitals, clinics, free clinics, field dental clinics, specialty health care provider offices, or other health care facilities, health care referral programs, or charitable organizations, free medical, dental, chiropractic, pharmaceutical, nursing, optometric, psychological, social work, behavioral science, podiatric, physical therapy, occupational therapy, respiratory therapy, and emergency medical care services given on a voluntary basis by health care providers. A participating health care provider shall register with the department and obtain from the department a list of eligible, participating hospitals, clinics, free clinics, field dental clinics, specialty health care provider offices, or other health care facilities, health care referral programs, or charitable organizations.

2. The department, in consultation with the department of human services, shall adopt rules to implement the volunteer health care provider program which shall include the following:

a. Procedures for registration of health care providers deemed qualified by the board of medicine, the board of physician assistants, the dental board, the board of nursing, the board of chiropractic, the board of psychology, the board of social work, the board of behavioral science, the board of pharmacy, the board of optometry, the board of podiatry, the board of physical and occupational therapy, the board of respiratory care and polysomnography, and the Iowa department of public health, as applicable.

b. Procedures for registration of free clinics, field dental clinics, and specialty health care provider offices.

c. Criteria for and identification of hospitals, clinics, free clinics, field dental clinics, specialty health care provider offices, or other health care facilities, health care referral programs, or charitable organizations, eligible to participate in the provision of free medical, dental, chiropractic, pharmaceutical, nursing, optometric, psychological, social work, behavioral science, podiatric, physical therapy, occupational therapy, respiratory therapy, or emergency medical care services through the volunteer health care provider program. A free clinic, a field dental clinic, a specialty health care provider office, a health care facility, a health care referral program, a charitable organization, or a health care provider participating in the program shall not bill or charge a patient for any health care provider service provided under the volunteer health care provider program.

d. Identification of the services to be provided under the program. The services provided may include but shall not be limited to obstetrical and gynecological medical services, psychiatric services provided by a physician licensed under chapter 148, dental services provided under chapter 153, or other services provided under chapter 147A, 148A, 148B, 148C, 149, 151, 152, 152B, 152E, 154, 154B, 154C, 154D, 154F, or 155A.

3. A health care provider providing free care under this section shall be considered an employee of the state under chapter 669, shall be afforded protection as an employee of the state under section 669.21, and shall not be subject to payment of claims arising out of the free care provided under this section through the health care provider's own professional liability insurance coverage, provided that the health care provider has done all of the following:

a. Registered with the department pursuant to subsection 1.

b. Provided medical, dental, chiropractic, pharmaceutical, nursing, optometric, psychological, social work, behavioral science, podiatric, physical therapy, occupational therapy, respiratory therapy, or emergency medical care services through a hospital, clinic, free clinic, field dental clinic, specialty health care provider office, or other health care facility, health care referral program, or charitable organization listed as eligible and participating by the department pursuant to subsection 1.

4. A free clinic providing free care under this section shall be considered a state agency solely for the purposes of this section and chapter 669 and shall be afforded protection under chapter 669 as a state agency for all claims arising from the provision of free care by a health care provider registered under subsection 3 who is providing services at the free clinic in accordance with this section or from the provision of free care by a health care provider who is covered by adequate medical malpractice insurance as determined by the department, if the free clinic has registered with the department pursuant to subsection 1.

5. A field dental clinic providing free care under this section shall be considered a state agency solely for the purposes of this section and chapter 669 and shall be afforded protection

under chapter 669 as a state agency for all claims arising from the provision of free care by a health care provider registered under subsection 3 who is providing services at the field dental clinic in accordance with this section or from the provision of free care by a health care provider who is covered by adequate medical malpractice insurance, as determined by the department, if the field dental clinic has registered with the department pursuant to subsection 1.

6. A specialty health care provider office providing free care under this section shall be considered a state agency solely for the purposes of this section and chapter 669 and shall be afforded protection under chapter 669 as a state agency for all claims arising from the provision of free care by a health care provider registered under subsection 3 who is providing services at the specialty health care provider office in accordance with this section or from the provision of free care by a health care provider who is covered by adequate medical malpractice insurance, as determined by the department, if the specialty health care provider office has registered with the department pursuant to subsection 1.

7. For the purposes of this section:

a. “*Charitable organization*” means a charitable organization within the meaning of section 501(c)(3) of the Internal Revenue Code.

b. “*Field dental clinic*” means a dental clinic temporarily or periodically erected at a location utilizing mobile dental equipment, instruments, or supplies, as necessary, to provide dental services.

c. “*Free clinic*” means a facility, other than a hospital or health care provider’s office which is exempt from taxation under section 501(c)(3) of the Internal Revenue Code and which has as its sole purpose the provision of health care services without charge to individuals who are otherwise unable to pay for the services.

d. “*Health care provider*” means a physician licensed under chapter 148; a chiropractor licensed under chapter 151; a physical therapist licensed pursuant to chapter 148A; an occupational therapist licensed pursuant to chapter 148B; a podiatrist licensed pursuant to chapter 149; a physician assistant licensed and practicing under a supervising physician pursuant to chapter 148C; a licensed practical nurse, a registered nurse, or an advanced registered nurse practitioner licensed pursuant to chapter 152 or 152E; a respiratory therapist licensed pursuant to chapter 152B; a dentist, dental hygienist, or dental assistant registered or licensed to practice under chapter 153; an optometrist licensed pursuant to chapter 154; a psychologist licensed pursuant to chapter 154B; a social worker licensed pursuant to chapter 154C; a mental health counselor, marital and family therapist, behavior analyst, or assistant behavior analyst licensed pursuant to chapter 154D; a speech pathologist or audiologist licensed pursuant to chapter 154F; a pharmacist licensed pursuant to chapter 155A; or an emergency medical care provider certified pursuant to chapter 147A.

e. “*Specialty health care provider office*” means the private office or clinic of an individual specialty health care provider or group of specialty health care providers, but does not include a field dental clinic, a free clinic, or a hospital.

135.24A Free clinics — volunteer record check.

1. For purposes of this section, “*free clinic*” means a free clinic as defined in section 135.24 that is also a network of free clinics in this state that offers operational and collaborative opportunities to free clinics.

2. Persons who are potential volunteers or volunteers in a free clinic in a position having direct individual contact with patients of the free clinic shall be subject to criminal history and child and dependent adult abuse record checks in accordance with this section. The free clinic shall request that the department of public safety perform the criminal history

check and the department of human services perform child and dependent adult abuse record checks of the person in this state and may request these checks in other states.

3. A free clinic subject to this section shall establish an evaluation process to determine whether a crime of founded child or dependent adult abuse warrants prohibition of the person's participation as a volunteer in the free clinic. The evaluation process shall not be less stringent than the evaluation process performed by the department of human services and shall be approved by the department of human services.

135.25 Emergency medical services fund.

An emergency medical services fund is created in the state treasury under the control of the department. The fund includes, but is not limited to, amounts appropriated by the general assembly, amounts transferred pursuant to section 602.8108, subsection 4, and other moneys available from federal or private sources which are to be used for purposes of this section. Funds remaining in the fund at the end of each fiscal year shall not revert to the general fund of the state but shall remain in the emergency medical services fund, notwithstanding section 8.33. The fund is established to assist counties by matching, on a dollar-for-dollar basis, moneys spent by a county for the acquisition of equipment for the provision of emergency medical services and by providing grants to counties for education and training in the delivery of emergency medical services, as provided in this section and section 422D.6. A county seeking matching funds under this section shall apply to the emergency medical services division of the department. The department shall adopt rules concerning the application and awarding process for the matching funds and the criteria for the allocation of moneys in the fund if the moneys are insufficient to meet the emergency medical services needs of the counties. Moneys allocated by the department to a county for emergency medical services purposes may be used for equipment or training and education as determined by the board of supervisors pursuant to section 422D.6.

135.27 Iowa healthy communities initiative — grant program.

1. *Program goals.* The department shall establish a grant program to energize local communities to transform the existing culture into a culture that promotes healthy lifestyles and leads collectively, community by community, to a healthier state. The grant program shall expand an existing healthy communities initiative to assist local boards of health, in collaboration with existing community resources, to build community capacity in addressing the prevention of chronic disease that results from risk factors including overweight and obesity conditions.

2. *Distribution of grants.* The department shall distribute the grants on a competitive basis and shall support the grantee communities in planning and developing wellness strategies and establishing methodologies to sustain the strategies. Grant criteria shall be consistent with the existing statewide initiative between the department and the department's partners that promotes increased opportunities for physical activity and healthy eating for Iowans of all ages, or its successor, and the statewide comprehensive plan developed by the existing statewide initiative to increase physical activity, improve nutrition, and promote healthy behaviors. Grantees shall demonstrate an ability to maximize local, state, and federal resources effectively and efficiently.

3. *Departmental support.* The department shall provide support to grantees including capacity-building strategies, technical assistance, consultation, and ongoing evaluation.

4. *Eligibility.* Local boards of health representing a coalition of health care providers and community and private organizations are eligible to submit applications.

135.36 Interference with health officer — penalties.

Any person resisting or interfering with the department, its employees, or authorized agents, in the discharge of any duty imposed by law shall be guilty of a simple misdemeanor. [C24, 27, 31, 35, 39, §2215; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §135.36]

135.37 Tattooing — permit requirement — penalty.

1. A person shall not own, control and lease, act as an agent for, conduct, manage, or operate an establishment to practice the art of tattooing or engage in the practice of tattooing without first applying for and receiving a permit from the Iowa department of public health.

2. A minor shall not obtain a tattoo and a person shall not provide a tattoo to a minor. For the purposes of this section, “*minor*” means an unmarried person who is under the age of eighteen years.

3. A person who fails to meet the requirements of subsection 1 or a person providing a tattoo to a minor is guilty of a serious misdemeanor.

4. The Iowa department of public health shall:

a. Adopt rules pursuant to chapter 17A and establish and collect all fees necessary to administer this section. The provisions of chapter 17A, including licensing provisions, judicial review, and appeal, shall apply to this chapter.

b. Establish minimum safety and sanitation criteria for the operation of tattooing establishments.

5. If the Iowa department of public health determines that a provision of this section has been or is being violated, the department may order that a tattooing establishment not be operated until the necessary corrective action has been taken. If the establishment continues to be operated in violation of the order of the department, the department may request that the county attorney or the attorney general make an application in the name of the state to the district court of the county in which the violations have occurred for an order to enjoin the violations. This remedy is in addition to any other legal remedy available to the department.

6. As necessary to avoid duplication and promote coordination of public health inspection and enforcement activities, the department may enter into agreements with local boards of health to provide for inspection of tattooing establishments and enforcement activities in accordance with the rules and criteria implemented under this section.

135.39A Gifts and grants fund — appropriation.

The department is authorized to accept gifts, grants, or allotments of funds from any source to be used for programs authorized by this chapter or any other chapter which the department is responsible for administering. A public health gifts and grants fund is created as a separate fund in the state treasury under the control of the department. The fund shall consist of gift or grant moneys obtained from any source, including the federal government. The moneys collected under this section and deposited in the fund are appropriated to the department for the public health purposes specified in the gift or grant. Moneys in the fund shall not be subject to appropriation or expenditure for any other purpose. Notwithstanding section 8.33, moneys in the public health gifts and grants fund at the end of each fiscal year shall not revert to any other fund but shall remain in the public health gifts and grants fund for expenditure for subsequent fiscal years.

135.39B Early childhood immunizations — content.

1. Beginning January 1, 2006, early childhood immunizations administered in this state shall not contain more than trace amounts of mercury.

2. For the purposes of this section:

a. “*Early childhood immunizations*” means immunizations administered to children under eight years of age, unless otherwise provided in this section.

b. “*Trace amounts*” means trace amounts as defined by the United States food and drug administration.

3. The prohibition under this section shall not apply to early childhood immunizations for influenza or in times of emergency or epidemic as determined by the director of public health. If an emergency or epidemic is determined to exist by the director of public health under this subsection, the director of public health shall notify the state board of health, the governor, and the legislative council, and shall notify the public upon request.

135.39C Elderly wellness services — payor of last resort.

The department shall implement elderly wellness services in a manner that ensures that the services provided are not payable by a third-party source.

2005 Acts, ch 175, §76

135.39D Vision screening.

1. The parent or guardian of a child to be enrolled in a public or accredited nonpublic elementary school shall ensure that the child is screened for vision impairment at least once before enrollment in kindergarten and again before enrollment in grade three. The parent or guardian of the child shall ensure that evidence of the vision screening is provided to the school district or accredited nonpublic school in which the child is enrolled. Evidence of the vision screening may be provided either directly from the parent or guardian or from a vision screening provider referred to in subsection 2, and may be provided in either written or electronic form.

2. The requirement for vision screening may be satisfied by any of the following:

a. A vision screening or comprehensive eye examination by a licensed ophthalmologist or licensed optometrist.

b. A vision screening conducted at a pediatrician’s or family practice physician’s office, a free clinic, a child care center, a local public health department, a public or accredited nonpublic school, or a community-based organization, or by an advanced registered nurse practitioner or physician assistant.

c. An online vision screening, which may be conducted by a child’s parent or guardian.

d. A photoscreening vision screening, including a vision screening by Iowa kidsight.

3. All vision screening methods pursuant to subsection 2, including emerging vision screening technologies, shall be age-appropriate and shall be approved by the department in consultation with leading vision organizations in the state, licensed ophthalmologists, and licensed optometrists.

4. A person who performs a vision screening required pursuant to this section shall report the results of the vision screening to the department. The department may collect and maintain such reports through the statewide immunization registry or a private contractor.

5. Each public and accredited nonpublic elementary school shall, in collaboration with the department, do the following:

a. Provide the parents or guardians of students with vision screening referral resources.

b. Arrange for evidence of vision screenings provided pursuant to subsection 1 to be forwarded to the department.

6. A child shall not be prohibited from attending school based upon the failure of a parent or guardian to ensure that the child has received the vision screening required by this section.

7. If a vision screening required pursuant to this section identifies potential vision impairment in a child, the person who performed the vision screening shall, if the person is not a licensed ophthalmologist or licensed optometrist, refer the child to a licensed ophthalmologist or licensed optometrist for a comprehensive eye examination.

8. The department shall establish procedures to contact parents or guardians of children identified as having potential vision impairment based on the results of a vision screening required pursuant to subsection 1 or a comprehensive eye examination required pursuant to subsection 7 in order to provide information on obtaining necessary vision correction.

9. The department may share information with licensed health care providers, agencies, and other persons involved with vision screenings, eye examinations, follow-up services, and intervention services as necessary to administer this section. The department shall adopt rules to protect the confidentiality of the individuals involved.

10. The vision screening requirement shall not apply if the vision screening conflicts with a parent's or guardian's genuine and sincere religious belief.

11. A person who acts in good faith in complying with this section shall not be civilly or criminally liable for reporting the information required to be reported by this section.

12. The department shall adopt rules necessary to administer this section.

SUBCHAPTER III

MORBIDITY AND MORTALITY STUDY

135.40 Collection and distribution of information.

1. Any person, hospital, sanatorium, nursing or rest home, or other organization may provide information, interviews, reports, statements, memoranda, or other data relating to the condition and treatment of any person to the department, the Iowa medical society or any of its allied medical societies, the Iowa osteopathic medical association, any in-hospital staff committee, or the Iowa healthcare collaborative, to be used in the course of any study for the purpose of reducing morbidity or mortality, and no liability of any kind or character for damages or other relief shall arise or be enforced against any person or organization that has acted reasonably and in good faith, by reason of having provided such information or material, or by reason of having released or published the findings and conclusions of such groups to advance medical research and medical education, or by reason of having released or published generally a summary of such studies.

2. For the purposes of this section, and section 135.41, the "Iowa healthcare collaborative" means an organization which is exempt from federal income taxation under section 501(c)(3) of the Internal Revenue Code and which is established to provide direction to promote quality, safety, and value improvement collaborative efforts by hospitals and physicians.

SUBCHAPTER IV

IOWA CHILD DEATH REVIEW TEAM

135.43 Iowa child death review team established — duties.

1. An Iowa child death review team is established as part of the office of the state medical examiner. The office of the state medical examiner shall provide staffing and administrative support to the team.

2. The membership of the review team is subject to the provisions of sections 69.16 and 69.16A, relating to political affiliation and gender balance. Review team members who are not designated by another appointing authority shall be appointed by the state medical examiner. Membership terms shall be for three years. A membership vacancy shall be filled in the same manner as the original appointment. The review team shall elect a chairperson and other officers as deemed necessary by the review team. The review team shall meet upon the call of the state medical examiner or as determined by the review team. The review team shall include the following:

- a. The state medical examiner or the state medical examiner's designee.
 - b. A certified or licensed professional who is knowledgeable concerning sudden infant death syndrome.
 - c. A pediatrician who is knowledgeable concerning deaths of children.
 - d. A family practice physician who is knowledgeable concerning deaths of children.
 - e. One mental health professional who is knowledgeable concerning deaths of children.
 - f. One social worker who is knowledgeable concerning deaths of children.
 - g. A certified or licensed professional who is knowledgeable concerning domestic violence.
 - h. A professional who is knowledgeable concerning substance abuse.
 - i. A local law enforcement official.
 - j. A county attorney.
 - k. An emergency room nurse who is knowledgeable concerning the deaths of children.
 - l. A perinatal expert.
 - m. A representative of the health insurance industry.
 - n. One other appointed at large.
3. The review team shall perform the following duties:
- a. Collect, review, and analyze child death certificates and child death data, including patient records or other pertinent confidential information concerning the deaths of children

under age eighteen, and other information as the review team deems appropriate for use in preparing an annual report to the governor and the general assembly concerning the causes and manner of child deaths. The report shall include analysis of factual information obtained through review and recommendations regarding prevention of child deaths.

b. Recommend to the governor and the general assembly interventions to prevent deaths of children based on an analysis of the cause and manner of such deaths.

c. Recommend to the agencies represented on the review team changes which may prevent child deaths.

d. Except as authorized by this section, maintain the confidentiality of any patient records or other confidential information reviewed.

e. Recommend to the department of human services, appropriate law enforcement agencies, and any other person involved with child protection, interventions that may prevent harm to a child who is related to or is living in the same home as a child whose case is reviewed by the team.

f. If the sharing of information is necessary to assist in or initiate a child death investigation or criminal prosecution and the office or agency receiving the information does not otherwise have access to the information, share information possessed by the review team with the office of the attorney general, a county attorney's office, or an appropriate law enforcement agency. The office or agency receiving the information shall maintain the confidentiality of the information in accordance with this section. Unauthorized release or disclosure of the information received is subject to penalty as provided in this section.

g. In order to assist a division of the department in performing the division's duties, if the division does not otherwise have access to the information, share information possessed by the review team. The division receiving the information shall maintain the confidentiality of the information in accordance with this section. Unauthorized release or disclosure of the information received is subject to penalty as provided in this section.

4. The review team shall develop protocols for a child fatality review committee, to be appointed by the state medical examiner on an ad hoc basis, to immediately review the child abuse assessments which involve the fatality of a child under age eighteen. The state medical examiner shall appoint a medical examiner, a pediatrician, and a person involved with law enforcement to the committee.

a. The purpose of the review shall be to determine whether the department of human services and others involved with the case of child abuse responded appropriately. The protocols shall provide for the committee to consult with any multidisciplinary team, as defined in section 235A.13, that is operating in the area in which the fatality occurred.

b. The committee shall have access to patient records and other pertinent confidential information and, subject to the restrictions in this subsection, may redisseminate the confidential information in the committee's report.

c. Upon completion of the review, the committee shall issue a report which shall include findings concerning the case and recommendations for changes to prevent child fatalities when similar circumstances exist. The report shall include but is not limited to the following information, subject to the restrictions listed in paragraph "d":

(1) The dates, outcomes, and results of any actions taken by the department of human services and others in regard to each report and allegation of child abuse involving the child who died.

(2) The results of any review of the case performed by a multidisciplinary team, or by any other public entity that reviewed the case.

(3) Confirmation of the department of human services receipt of any report of child abuse involving the child, including confirmation as to whether or not any assessment involving the child was performed in accordance with section 232.71B, the results of any assessment, a description of the most recent assessment and the services offered to the family, the services rendered to the family, and the basis for the department's decisions concerning the case.

d. Prior to issuing the report, the committee shall consult with the county attorney responsible for prosecution of the alleged perpetrator of the child fatality. The committee's report shall include child abuse information associated with the case and the child, but is subject to the restrictions applicable to the department of human services for release of

information concerning a child fatality or near fatality in accordance with section 235A.15, subsection 9.

e. Following the completion of the trial of any alleged perpetrator of the child fatality and the appeal period for the granting of a new trial, the committee shall issue a supplemental report containing the information that was withheld, in accordance with paragraph “d”, so as not to jeopardize the prosecution or the rights of the alleged perpetrator to a fair trial as described in section 235A.15, subsection 9, paragraphs “e” and “f”.

f. The report and any supplemental report shall be submitted to the governor and general assembly.

g. If deemed appropriate by the committee, at any point in the review the committee may recommend to the department of human services, appropriate law enforcement agencies, and any other person involved with child protection, interventions that may prevent harm to a child who is related to or is living in the same home as a child whose case is reviewed by the committee.

5. a. The following individuals shall designate a liaison to assist the review team in fulfilling its responsibilities:

- (1) The director of public health.
- (2) The director of human services.
- (3) The commissioner of public safety.
- (4) The attorney general.
- (5) The director of transportation.
- (6) The director of the department of education.

b. In addition, the chairperson of the review team shall designate a liaison from the public at large to assist the review team in fulfilling its responsibilities.

6. The review team may establish subcommittees to which the team may delegate some or all of the team’s responsibilities under subsection 3.

7. a. The state medical examiner, the Iowa department of public health, and the department of human services shall adopt rules providing for disclosure of information which is confidential under chapter 22 or any other provision of state law, to the review team for purposes of performing its child death and child abuse review responsibilities.

b. A person in possession or control of medical, investigative, assessment, or other information pertaining to a child death and child abuse review shall allow the inspection and reproduction of the information by the office of the state medical examiner upon the request of the office, to be used only in the administration and for the duties of the Iowa child death review team. Except as provided for a report on a child fatality by an ad hoc child fatality review committee under subsection 4, information and records produced under this section which are confidential under section 22.7 and chapter 235A, and information or records received from the confidential records, remain confidential under this section. A person does not incur legal liability by reason of releasing information to the department or the office of the state medical examiner as required under and in compliance with this section.

8. Review team members and their agents are immune from any liability, civil or criminal, which might otherwise be incurred or imposed as a result of any act, omission, proceeding, decision, or determination undertaken or performed, or recommendation made as a review team member or agent provided that the review team members or agents acted in good faith and without malice in carrying out their official duties in their official capacity. The state medical examiner shall adopt rules pursuant to chapter 17A to administer this subsection. A complainant bears the burden of proof in establishing malice or lack of good faith in an action brought against review team members involving the performance of their duties and powers under this section.

9. A person who releases or discloses confidential data, records, or any other type of information in violation of this section is guilty of a serious misdemeanor.

SUBCHAPTER VI
HEALTH FACILITIES COUNCIL

Referred to in §249K.2

135.61 Definitions.

As used in this subchapter, unless the context otherwise requires:

1. “*Affected persons*” means, with respect to an application for a certificate of need:
 - a. The person submitting the application.
 - b. Consumers who would be served by the new institutional health service proposed in the application.
 - c. Each institutional health facility or health maintenance organization which is located in the geographic area which would appropriately be served by the new institutional health service proposed in the application. The appropriate geographic service area of each institutional health facility or health maintenance organization shall be determined on a uniform basis in accordance with criteria established in rules adopted by the department.
 - d. Each institutional health facility or health maintenance organization which, prior to receipt of the application by the department, has formally indicated to the department pursuant to this subchapter an intent to furnish in the future institutional health services similar to the new institutional health service proposed in the application.
 - e. Any other person designated as an affected person by rules of the department.
 - f. Any payer or third-party payer for health services.
2. “*Birth center*” means a facility or institution, which is not an ambulatory surgical center or a hospital or in a hospital, in which births are planned to occur following a normal, uncomplicated, low-risk pregnancy.
3. “*Consumer*” means any individual whose occupation is other than health services, who has no fiduciary obligation to an institutional health facility, health maintenance organization or other facility primarily engaged in delivery of services provided by persons in health service occupations, and who has no material financial interest in the providing of any health services.
4. “*Council*” means the state health facilities council established by this subchapter.
5. “*Department*” means the Iowa department of public health.
6. “*Develop*”, when used in connection with health services, means to undertake those activities which on their completion will result in the offer of a new institutional health service or the incurring of a financial obligation in relation to the offering of such a service.
7. “*Director*” means the director of public health, or the director’s designee.
8. “*Financial reporting*” means reporting by which hospitals and health care facilities shall respectively record their revenues, expenses, other income, other outlays, assets and liabilities, and units of services.
9. “*Health care facility*” means health care facility as defined in section 135C.1.
10. “*Health care provider*” means a person licensed or certified under chapter 147, 148, 148A, 148C, 149, 151, 152, 153, 154, 154B, 154F, or 155A to provide in this state professional health care service to an individual during that individual’s medical care, treatment, or confinement.
11. “*Health maintenance organization*” means health maintenance organization as defined in section 514B.1, subsection 6.

12. “*Health services*” means clinically related diagnostic, curative, or rehabilitative services, and includes alcoholism, drug abuse, and mental health services.

13. “*Hospital*” means hospital as defined in section 135B.1, subsection 3.

14. “*Institutional health facility*” means any of the following, without regard to whether the facilities referred to are publicly or privately owned or are organized for profit or not or whether the facilities are part of or sponsored by a health maintenance organization:

- a. A hospital.
- b. A health care facility.
- c. An organized outpatient health facility.
- d. An outpatient surgical facility.
- e. A community mental health facility.
- f. A birth center.

15. “*Institutional health service*” means any health service furnished in or through institutional health facilities or health maintenance organizations, including mobile health services.

16. “*Mobile health service*” means equipment used to provide a health service that can be transported from one delivery site to another.

17. “*Modernization*” means the alteration, repair, remodeling, replacement or renovation of existing buildings or of the equipment previously installed therein, or both.

18. “*New institutional health service*” or “*changed institutional health service*” means any of the following:

a. The construction, development or other establishment of a new institutional health facility regardless of ownership.

b. Relocation of an institutional health facility.

c. Any capital expenditure, lease, or donation by or on behalf of an institutional health facility in excess of one million five hundred thousand dollars within a twelve-month period.

d. A permanent change in the bed capacity, as determined by the department, of an institutional health facility. For purposes of this paragraph, a change is permanent if it is intended to be effective for one year or more.

e. Any expenditure in excess of five hundred thousand dollars by or on behalf of an institutional health facility for health services which are or will be offered in or through an institutional health facility at a specific time but which were not offered on a regular basis in or through that institutional health facility within the twelve-month period prior to that time.

f. The deletion of one or more health services, previously offered on a regular basis by an institutional health facility or health maintenance organization or the relocation of one or more health services from one physical facility to another.

g. Any acquisition by or on behalf of a health care provider or a group of health care providers of any piece of replacement equipment with a value in excess of one million five hundred thousand dollars, whether acquired by purchase, lease, or donation.

h. Any acquisition by or on behalf of a health care provider or group of health care providers of any piece of equipment with a value in excess of one million five hundred thousand dollars, whether acquired by purchase, lease, or donation, which results in the offering or development of a health service not previously provided. A mobile service provided on a contract basis is not considered to have been previously provided by a health care provider or group of health care providers.

i. Any acquisition by or on behalf of an institutional health facility or a health maintenance organization of any piece of replacement equipment with a value in excess of one million five hundred thousand dollars, whether acquired by purchase, lease, or donation.

j. Any acquisition by or on behalf of an institutional health facility or health maintenance organization of any piece of equipment with a value in excess of one million five hundred thousand dollars, whether acquired by purchase, lease, or donation, which results in the offering or development of a health service not previously provided. A mobile service provided on a contract basis is not considered to have been previously provided by an institutional health facility.

k. Any air transportation service for transportation of patients or medical personnel offered through an institutional health facility at a specific time but which was not offered

on a regular basis in or through that institutional health facility within the twelve-month period prior to the specific time.

l. Any mobile health service with a value in excess of one million five hundred thousand dollars.

m. Any of the following:

(1) Cardiac catheterization service.

(2) Open heart surgical service.

(3) Organ transplantation service.

(4) Radiation therapy service applying ionizing radiation for the treatment of malignant disease using megavoltage external beam equipment.

19. “Offer”, when used in connection with health services, means that an institutional health facility, health maintenance organization, health care provider, or group of health care providers holds itself out as capable of providing, or as having the means to provide, specified health services.

20. “Organized outpatient health facility” means a facility, not part of a hospital, organized and operated to provide health care to noninstitutionalized and nonhomebound persons on an outpatient basis; it does not include private offices or clinics of individual physicians, dentists or other practitioners, or groups of practitioners, who are health care providers.

21. “Outpatient surgical facility” means a facility which as its primary function provides, through an organized medical staff and on an outpatient basis to patients who are generally ambulatory, surgical procedures not ordinarily performed in a private physician’s office, but not requiring twenty-four hour hospitalization, and which is neither a part of a hospital nor the private office of a health care provider who there engages in the lawful practice of surgery. “Outpatient surgical facility” includes a facility certified or seeking certification as an ambulatory surgical center, under the federal Medicare program or under the medical assistance program established pursuant to chapter 249A.

22. “Technologically innovative equipment” means equipment potentially useful for diagnostic or therapeutic purposes which introduces new technology in the diagnosis or treatment of disease, the usefulness of which is not well enough established to permit a specific plan of need to be developed for the state.

135.62 Department to administer subchapter — health facilities council established — appointments — powers and duties.

1. This subchapter shall be administered by the department. The director shall employ or cause to be employed the necessary persons to discharge the duties imposed on the department by this subchapter.

2. There is established a state health facilities council consisting of five persons appointed by the governor. The council shall be within the department for administrative and budgetary purposes.

a. *Qualifications.* The members of the council shall be chosen so that the council as a whole is broadly representative of various geographical areas of the state and no more than three of its members are affiliated with the same political party. Each council member shall be a person who has demonstrated by prior activities an informed concern for the planning and delivery of health services. A member of the council and any spouse of a member shall not, during the time that member is serving on the council, do either of the following:

(1) Be a health care provider nor be otherwise directly or indirectly engaged in the delivery of health care services nor have a material financial interest in the providing or delivery of health services.

(2) Serve as a member of any board or other policymaking or advisory body of an institutional health facility, a health maintenance organization, or any health or hospital insurer.

b. *Appointments.* Terms of council members shall be six years, beginning and ending

as provided in section 69.19. A member shall be appointed in each odd-numbered year to succeed each member whose term expires in that year. Vacancies shall be filled by the governor for the balance of the unexpired term. Each appointment to the council is subject to confirmation by the senate. A council member is ineligible for appointment to a second consecutive term, unless first appointed to an unexpired term of three years or less.

c. *Chairperson.* The governor shall designate one of the council members as chairperson. That designation may be changed not later than July 1 of any odd-numbered year, effective on the date of the organizational meeting held in that year under paragraph “d”.

d. *Meetings.* The council shall hold an organizational meeting in July of each odd-numbered year, or as soon thereafter as the new appointee or appointees are confirmed and have qualified. Other meetings shall be held as necessary to enable the council to expeditiously discharge its duties. Meeting dates shall be set upon adjournment or by call of the chairperson upon five days’ notice to the other members.

e. *Duties.* The council shall do all of the following:

(1) Make the final decision, as required by section 135.69, with respect to each application for a certificate of need accepted by the department.

(2) Determine and adopt such policies as are authorized by law and are deemed necessary to the efficient discharge of its duties under this subchapter.

(3) Have authority to direct staff personnel of the department assigned to conduct formal or summary reviews of applications for certificates of need.

(4) Advise and counsel with the director concerning the provisions of this subchapter and the policies and procedures adopted by the department pursuant to this subchapter.

(5) Review and approve, prior to promulgation, all rules adopted by the department under this subchapter.

135.63 Certificate of need required — exclusions.

1. A new institutional health service or changed institutional health service shall not be offered or developed in this state without prior application to the department for and receipt of a certificate of need, pursuant to this subchapter. The application shall be made upon forms furnished or prescribed by the department and shall contain such information as the department may require under this subchapter. The application shall be accompanied by a fee equivalent to three-tenths of one percent of the anticipated cost of the project with a minimum fee of six hundred dollars and a maximum fee of twenty-one thousand dollars. The fee shall be remitted by the department to the treasurer of state, who shall place it in the general fund of the state. If an application is voluntarily withdrawn within thirty calendar days after submission, seventy-five percent of the application fee shall be refunded; if the application is voluntarily withdrawn more than thirty but within sixty days after submission, fifty percent of the application fee shall be refunded; if the application is withdrawn voluntarily more than sixty days after submission, twenty-five percent of the application fee shall be refunded. Notwithstanding the required payment of an application fee under this subsection, an applicant for a new institutional health service or a changed institutional health service offered or developed by an intermediate care facility for persons with an intellectual disability or an intermediate care facility for persons with mental illness as defined pursuant to section 135C.1 is exempt from payment of the application fee.

2. This subchapter shall not be construed to augment, limit, contravene, or repeal in any manner any other statute of this state which may authorize or relate to licensure, regulation, supervision, or control of, nor to be applicable to:

a. Private offices and private clinics of an individual physician, dentist, or other practitioner or group of health care providers, except as provided by section 135.61, subsection 18, paragraphs “g”, “h”, and “m”, and section 135.61, subsections 20 and 21.

b. Dispensaries and first aid stations, located within schools, businesses, or industrial

establishments, which are maintained solely for the use of students or employees of those establishments and which do not contain inpatient or resident beds that are customarily occupied by the same individual for more than twenty-four consecutive hours.

c. Establishments such as motels, hotels, and boarding houses which provide medical, nursing personnel, and other health related services as an incident to their primary business or function.

d. The remedial care or treatment of residents or patients in any home or institution conducted only for those who rely solely upon treatment by prayer or spiritual means in accordance with the creed or tenets of any recognized church or religious denomination.

e. A health maintenance organization or combination of health maintenance organizations or an institutional health facility controlled directly or indirectly by a health maintenance organization or combination of health maintenance organizations, except when the health maintenance organization or combination of health maintenance organizations does any of the following:

(1) Constructs, develops, renovates, relocates, or otherwise establishes an institutional health facility.

(2) Acquires major medical equipment as provided by section 135.61, subsection 18, paragraphs “i” and “j”.

f. A residential care facility, as defined in section 135C.1, including a residential care facility for persons with an intellectual disability, notwithstanding any provision in this subchapter to the contrary.

g. (1) A reduction in bed capacity of an institutional health facility, notwithstanding any provision in this subchapter to the contrary, if all of the following conditions exist:

(a) The institutional health facility reports to the department the number and type of beds reduced on a form prescribed by the department at least thirty days before the reduction. In the case of a health care facility, the new bed total must be consistent with the number of licensed beds at the facility. In the case of a hospital, the number of beds must be consistent with bed totals reported to the department of inspections and appeals for purposes of licensure and certification.

(b) The institutional health facility reports the new bed total on its next annual report to the department.

(2) If these conditions are not met, the institutional health facility is subject to review as a “new institutional health service” or “changed institutional health service” under section 135.61, subsection 18, paragraph “d”, and subject to sanctions under section 135.73. If the institutional health facility reestablishes the deleted beds at a later time, review as a “new institutional health service” or “changed institutional health service” is required pursuant to section 135.61, subsection 18, paragraph “d”.

h. (1) The deletion of one or more health services, previously offered on a regular basis by an institutional health facility or health maintenance organization, notwithstanding any provision of this subchapter to the contrary, if all of the following conditions exist:

(a) The institutional health facility or health maintenance organization reports to the department the deletion of the service or services at least thirty days before the deletion on a form prescribed by the department.

(b) The institutional health facility or health maintenance organization reports the deletion of the service or services on its next annual report to the department.

(2) If these conditions are not met, the institutional health facility or health maintenance organization is subject to review as a “new institutional health service” or “changed institutional health service” under section 135.61, subsection 18, paragraph “f”, and subject to sanctions under section 135.73.

(3) If the institutional health facility or health maintenance organization reestablishes the deleted service or services at a later time, review as a “new institutional health service” or “changed institutional health service” may be required pursuant to section 135.61, subsection 18.

i. A residential program exempt from licensing as a health care facility under chapter 135C in accordance with section 135C.6, subsection 8.

j. The construction, modification, or replacement of nonpatient care services, including

parking facilities, heating, ventilation and air conditioning systems, computers, telephone systems, medical office buildings, and other projects of a similar nature, notwithstanding any provision in this subchapter to the contrary.

k. (1) The redistribution of beds by a hospital within the acute care category of bed usage, notwithstanding any provision in this subchapter to the contrary, if all of the following conditions exist:

(a) The hospital reports to the department the number and type of beds to be redistributed on a form prescribed by the department at least thirty days before the redistribution.

(b) The hospital reports the new distribution of beds on its next annual report to the department.

(2) If these conditions are not met, the redistribution of beds by the hospital is subject to review as a new institutional health service or changed institutional health service pursuant to section 135.61, subsection 18, paragraph "d", and is subject to sanctions under section 135.73.

l. The replacement or modernization of any institutional health facility if the replacement or modernization does not add new health services or additional bed capacity for existing health services, notwithstanding any provision in this subchapter to the contrary. With respect to a nursing facility, "replacement" means establishing a new facility within the same county as the prior facility to be closed. With reference to a hospital, "replacement" means establishing a new hospital that demonstrates compliance with all of the following criteria through evidence submitted to the department:

(1) Is designated as a critical access hospital pursuant to 42 U.S.C. §1395i-4.

(2) Serves at least seventy-five percent of the same service area that was served by the prior hospital to be closed and replaced by the new hospital.

(3) Provides at least seventy-five percent of the same services that were provided by the prior hospital to be closed and replaced by the new hospital.

(4) Is staffed by at least seventy-five percent of the same staff, including medical staff, contracted staff, and employees, as constituted the staff of the prior hospital to be closed and replaced by the new hospital.

m. Hemodialysis services provided by a hospital or freestanding facility, notwithstanding any provision in this subchapter to the contrary.

n. Hospice services provided by a hospital, notwithstanding any provision in this subchapter to the contrary.

o. The change in ownership, licensure, organizational structure, or designation of the type of institutional health facility if the health services offered by the successor institutional health facility are unchanged. This exclusion is applicable only if the institutional health facility consents to the change in ownership, licensure, organizational structure, or designation of the type of institutional health facility and ceases offering the health services simultaneously with the initiation of the offering of health services by the successor institutional health facility.

p. The conversion of an existing number of beds by an intermediate care facility for persons with an intellectual disability to a smaller facility environment, including but not limited to a community-based environment which does not result in an increased number of beds, notwithstanding any provision in this subchapter to the contrary, including subsection 4, if all of the following conditions exist:

(1) The intermediate care facility for persons with an intellectual disability reports the number and type of beds to be converted on a form prescribed by the department at least thirty days before the conversion.

(2) The intermediate care facility for persons with an intellectual disability reports the conversion of beds on its next annual report to the department.

3. This subchapter shall not be construed to be applicable to a health care facility operated by and for the exclusive use of members of a religious order, which does not admit more than two individuals to the facility from the general public, and which was in operation prior to July 1, 1986. However, this subchapter is applicable to such a facility if the facility is involved in the offering or developing of a new or changed institutional health service on or after July 1, 1986.

4. A copy of the application shall be sent to the department of human services at the time

the application is submitted to the Iowa department of public health. The department shall not process applications for and the council shall not consider a new or changed institutional health service for an intermediate care facility for persons with an intellectual disability unless both of the following conditions are met:

a. The new or changed beds shall not result in an increase in the total number of medical assistance certified intermediate care facility beds for persons with an intellectual disability in the state, exclusive of those beds at the state resource centers or other state institutions, beyond one thousand six hundred thirty-six beds.

b. A letter of support for the application is provided by the county board of supervisors, or the board's designee, in the county in which the beds would be located.

Referred to in §135.66, 135B.5A, 135C.2, 231C.3

135.64 Criteria for evaluation of applications.

1. In determining whether a certificate of need shall be issued, the department and council shall consider the following:

a. The contribution of the proposed institutional health service in meeting the needs of the medically underserved, including persons in rural areas, low-income persons, racial and ethnic minorities, persons with disabilities, and the elderly, as well as the extent to which medically underserved residents in the applicant's service area are likely to have access to the proposed institutional health service.

b. The relationship of the proposed institutional health services to the long-range development plan, if any, of the person providing or proposing the services.

c. The need of the population served or to be served by the proposed institutional health services for those services.

d. The distance, convenience, cost of transportation, and accessibility to health services for persons who live outside metropolitan areas.

e. The availability of alternative, less costly, or more effective methods of providing the proposed institutional health services.

f. The immediate and long-term financial feasibility of the proposal presented in the application, as well as the probable impact of the proposal on the costs of and charges for providing health services by the person proposing the new institutional health service.

g. The relationship of the proposed institutional health services to the existing health care system of the area in which those services are proposed to be provided.

h. The appropriate and efficient use or prospective use of the proposed institutional health service, and of any existing similar services, including but not limited to a consideration of the capacity of the sponsor's facility to provide the proposed service, and possible sharing or cooperative arrangements among existing facilities and providers.

i. The availability of resources, including, but not limited to, health care providers, management personnel, and funds for capital and operating needs, to provide the proposed institutional health services and the possible alternative uses of those resources to provide other health services.

j. The appropriate and nondiscriminatory utilization of existing and available health care providers. Where both allopathic and osteopathic institutional health services exist, each application shall be considered in light of the availability and utilization of both allopathic and osteopathic facilities and services in order to protect the freedom of choice of consumers and health care providers.

k. The relationship, including the organizational relationship, of the proposed institutional health services to ancillary or support services.

l. Special needs and circumstances of those entities which provide a substantial portion of their services or resources, or both, to individuals not residing in the immediate geographic

area in which the entities are located, which entities may include but are not limited to medical and other health professional schools, multidisciplinary clinics, and specialty centers.

m. The special needs and circumstances of health maintenance organizations.

n. The special needs and circumstances of biomedical and behavioral research projects designed to meet a national need and for which local conditions offer special advantages.

o. The impact of relocation of an institutional health facility or health maintenance organization on other institutional health facilities or health maintenance organizations and on the needs of the population to be served, or which was previously served, or both.

p. In the case of a construction project, the costs and methods of the proposed construction and the probable impact of the proposed construction project on total health care costs.

q. In the case of a proposal for the addition of beds to a health care facility, the consistency of the proposed addition with the plans of other agencies of this state responsible for provision and financing of long-term care services, including home health services.

r. The recommendations of staff personnel of the department assigned to the area of certificate of need, concerning the application, if requested by the council.

2. In addition to the findings required with respect to any of the criteria listed in subsection 1 of this section, the council shall grant a certificate of need for a new institutional health service or changed institutional health service only if it finds in writing, on the basis of data submitted to it by the department, that:

a. Less costly, more efficient, or more appropriate alternatives to the proposed institutional health service are not available and the development of such alternatives is not practicable;

b. Any existing facilities providing institutional health services similar to those proposed are being used in an appropriate and efficient manner;

c. In the case of new construction, alternatives including but not limited to modernization or sharing arrangements have been considered and have been implemented to the maximum extent practicable;

d. Patients will experience serious problems in obtaining care of the type which will be furnished by the proposed new institutional health service or changed institutional health service, in the absence of that proposed new service.

3. In the evaluation of applications for certificates of need submitted by the university of Iowa hospitals and clinics, the unique features of that institution relating to statewide tertiary health care, health science education, and clinical research shall be given due consideration. Further, in administering this subchapter, the unique capacity of university hospitals for the evaluation of technologically innovative equipment and other new health services shall be utilized.

135.65 Letter of intent to precede application — review and comment.

1. Before applying for a certificate of need, the sponsor of a proposed new institutional health service or changed institutional health service shall submit to the department a letter of intent to offer or develop a service requiring a certificate of need. The letter shall be submitted as soon as possible after initiation of the applicant's planning process, and in any case not less than thirty days before applying for a certificate of need and before substantial expenditures to offer or develop the service are made. The letter shall include a brief description of the proposed new or changed service, its location, and its estimated cost.

2. Upon request of the sponsor of the proposed new or changed service, the department shall make a preliminary review of the letter for the purpose of informing the sponsor of the project of any factors which may appear likely to result in denial of a certificate of need, based

on the criteria for evaluation of applications in section 135.64. A comment by the department under this section shall not constitute a final decision.

135.66 Procedure upon receipt of application — public notification.

1. Within fifteen business days after receipt of an application for a certificate of need, the department shall examine the application for form and completeness and accept or reject it. An application shall be rejected only if it fails to provide all information required by the department pursuant to section 135.63, subsection 1. The department shall promptly return to the applicant any rejected application, with an explanation of the reasons for its rejection.

2. Upon acceptance of an application for a certificate of need, the department shall promptly undertake to notify all affected persons in writing that formal review of the application has been initiated. Notification to those affected persons who are consumers or third-party payers or other payers for health services may be provided by distribution of the pertinent information to the news media.

3. Each application accepted by the department shall be formally reviewed for the purpose of furnishing to the council the information necessary to enable it to determine whether or not to grant the certificate of need. A formal review shall consist at a minimum of the following steps:

a. Evaluation of the application against the criteria specified in section 135.64.

b. A public hearing on the application, to be held prior to completion of the evaluation required by paragraph “a”, shall be conducted by the council.

4. When a hearing is to be held pursuant to subsection 3, paragraph “b”, the department shall give at least ten days’ notice of the time and place of the hearing. At the hearing, any affected person or that person’s designated representative shall have the opportunity to present testimony.

135.67 Summary review procedure.

1. The department may waive the letter of intent procedures prescribed by section 135.65 and substitute a summary review procedure, which shall be established by rules of the department, when it accepts an application for a certificate of need for a project which meets any of the criteria in paragraphs “a” through “e”:

a. A project which is limited to repair or replacement of a facility or equipment damaged or destroyed by a disaster, and which will not expand the facility nor increase the services provided beyond the level existing prior to the disaster.

b. A project necessary to enable the facility or service to achieve or maintain compliance with federal, state, or other appropriate licensing, certification, or safety requirements.

c. A project which will not change the existing bed capacity of the applicant’s facility or service, as determined by the department, by more than ten percent or ten beds, whichever is less, over a two-year period.

d. A project the total cost of which will not exceed one hundred fifty thousand dollars.

e. Any other project for which the applicant proposes and the department agrees to summary review.

2. The department’s decision to disallow a summary review shall be binding upon the applicant.

While formal review of an application for a certificate of need is in progress, the department shall upon request inform any affected person of the status of the review, any

findings which have been made in the course of the review, and any other appropriate information concerning the review.

[C79, 81, §135.68]

135.69 Council to make final decision.

1. The department shall complete its formal review of the application within ninety days after acceptance of the application, except as otherwise provided by section 135.72, subsection 4. Upon completion of the formal review, the council shall approve or deny the application. The council shall issue written findings stating the basis for its decision on the application, and the department shall send copies of the council's decision and the written findings supporting the decision to the applicant and to any other person who so requests.

2. Failure by the council to issue a written decision on an application for a certificate of need within the time required by this section shall constitute denial of and final administrative action on the application.

135.70 Appeal of certificate of need decisions.

The council's decision on an application for certificate of need, when announced pursuant to section 135.69, is a final decision. Any dissatisfied party who is an affected person with respect to the application, and who participated or sought unsuccessfully to participate in the formal review procedure prescribed by section 135.66, may request a rehearing in accordance with chapter 17A and rules of the department. If a rehearing is not requested or an affected party remains dissatisfied after the request for rehearing, an appeal may be taken in the manner provided by chapter 17A. Notwithstanding the Iowa administrative procedure Act, chapter 17A, a request for rehearing is not required, prior to appeal under section 17A.19.

[C79, 81, §135.70]

91 Acts, ch 225, §12

135.71 Period for which certificate is valid — extension or revocation.

1. A certificate of need shall be valid for a maximum of one year from the date of issuance. Upon the expiration of the certificate, or at any earlier time while the certificate is valid the holder thereof shall provide the department such information on the development of the project covered by the certificate as the department may request. The council shall determine at the end of the certification period whether sufficient progress is being made on the development of the project. The certificate of need may be extended by the council for additional periods of time as are reasonably necessary to expeditiously complete the project, but may be revoked by the council at the end of the first or any subsequent certification period for insufficient progress in developing the project.

2. Upon expiration of certificate of need, and prior to extension thereof, any affected person shall have the right to submit to the department information which may be relevant to the question of granting an extension. The department may call a public hearing for this purpose.

97 Acts, ch 93, §10; 2018 Acts, ch 1041, §127

135.72 Authority to adopt rules.

The department shall adopt, with approval of the council, such administrative rules as are necessary to enable it to implement this subchapter. These rules shall include:

1. Additional procedures and criteria for review of applications for certificates of need.
2. Uniform procedures for variations in application of criteria specified by section 135.64 for use in formal review of applications for certificates of need, when such variations are appropriate to the purpose of a particular review or to the type of institutional health service proposed in the application being reviewed.
3. Uniform procedures for summary reviews conducted under section 135.67.

4. Criteria for determining when it is not feasible to complete formal review of an application for a certificate of need within the time limits specified in section 135.69. The rules adopted under this subsection shall include criteria for determining whether an application proposes introduction of technologically innovative equipment, and if so, procedures to be followed in reviewing the application. However, a rule adopted under this subsection shall not permit a deferral of more than sixty days beyond the time when a decision is required under section 135.69, unless both the applicant and the department agree to a longer deferment.

135.73 Sanctions.

1. Any party constructing a new institutional health facility or an addition to or renovation of an existing institutional health facility without first obtaining a certificate of need or, in the case of a mobile health service, ascertaining that the mobile health service has received certificate of need approval, as required by this subchapter, shall be denied licensure or change of licensure by the appropriate responsible licensing agency of this state.

2. A party violating this subchapter shall be subject to penalties in accordance with this section. The department shall adopt rules setting forth the violations by classification, the criteria for the classification of any violation not listed, and procedures for implementing this subsection.

a. A class I violation is one in which a party offers a new institutional health service or changed institutional health service modernization or acquisition without review and approval by the council. A party in violation is subject to a penalty of three hundred dollars for each day of a class I violation. The department may seek injunctive relief which shall include restraining the commission or continuance of an act which would violate the provisions of this paragraph. Notice and opportunity to be heard shall be provided to a party pursuant to rule of civil procedure 1.1507 and contested case procedures in accordance with chapter 17A. The department may reduce, alter, or waive a penalty upon the party showing good faith compliance with the department's request to immediately cease and desist from conduct in violation of this section.

b. A class II violation is one in which a party violates the terms or provisions of an approved application. The department may seek injunctive relief which shall include restraining the commission or continuance of or abating or eliminating an act which would violate the provisions of this subsection. Notice and opportunity to be heard shall be provided to a party pursuant to rule of civil procedure 1.1507 and contested case procedures in accordance with chapter 17A. The department may reduce, alter, or waive a penalty upon the party showing good faith compliance with the department's request to immediately cease and desist from conduct in violation of this section. A class II violation shall be abated or eliminated within a stated period of time determined by the department and specified by the department in writing. The period of time may be modified by the department for good cause shown. A party in violation may be subject to a penalty of five hundred dollars for each day of a class II violation.

3. Notwithstanding any other sanction imposed pursuant to this section, a party offering or developing any new institutional health service or changed institutional health service without first obtaining a certificate of need as required by this subchapter may be temporarily or permanently restrained from doing so by any court of competent jurisdiction in any action brought by the state, any of its political subdivisions, or any other interested person.

4. The sanctions provided by this section are in addition to, and not in lieu of, any penalty prescribed by law for the acts against which these sanctions are invoked.

135.74 Uniform financial reporting.

1. The department, after study and in consultation with any advisory committees which may be established pursuant to law, shall promulgate by rule pursuant to chapter 17A uniform methods of financial reporting, including such allocation methods as may be prescribed, by which hospitals and health care facilities shall respectively record their revenues, expenses, other income, other outlays, assets and liabilities, and units of service, according to functional activity center. These uniform methods of financial reporting shall not preclude a hospital or health care facility from using any accounting methods for its own purposes provided these accounting methods can be reconciled to the uniform methods of financial reporting prescribed by the department and can be audited for validity and completeness. Each hospital and each health care facility shall adopt the appropriate system for its fiscal year, effective upon such date as the department shall direct.

2. In establishing uniform methods of financial reporting, the department shall consider all of the following:

a. The existing systems of accounting and reporting currently utilized by hospitals and health care facilities.

b. Differences among hospitals and health care facilities, respectively, according to size, financial structure, methods of payment for services, and scope, type and method of providing services.

c. Other pertinent distinguishing factors.

3. The department shall, where appropriate, provide for modification, consistent with the purposes of this subchapter, of reporting requirements to correctly reflect the differences among hospitals and among health care facilities referred to in subsection 2, and to avoid otherwise unduly burdensome costs in meeting the requirements of uniform methods of financial reporting.

4. The uniform financial reporting methods, where appropriate, shall be structured so as to establish and differentiate costs incurred for patient-related services rendered by hospitals and health care facilities, as distinguished from those incurred in the course of educational, research and other nonpatient-related activities including but not limited to charitable activities of these hospitals and health care facilities.

Subsection 1 amended

135.75 Annual reports by hospitals, health care facilities.

1. Each hospital and each health care facility shall annually, after the close of its fiscal year, file all of the following with the department:

a. A balance sheet detailing the assets, liabilities and net worth of the hospital or health care facility.

b. A statement of its income and expenses.

c. Such other reports of the costs incurred in rendering services as the department may prescribe.

2. Where more than one licensed hospital or health care facility is operated by the reporting organization, the information required by this section shall be reported separately for each licensed hospital or health care facility. The department shall require preparation of specified financial reports by a certified public accountant, and may require attestation of responsible officials of the reporting hospital or health care facility that the reports submitted are to the best of their knowledge and belief prepared in accordance with the prescribed methods of reporting. The department shall have the right to inspect the books, audits and records of any hospital or health care facility as reasonably necessary to verify reports submitted pursuant to this subchapter.

3. In obtaining the reports required by this section, the department and other state agencies shall coordinate their reporting requirements.

4. All reports filed under this section, except privileged medical information, shall be open to public inspection.

135.76 Analyses and studies by department.

1. The department shall from time to time undertake analyses and studies relating to hospital and health care facility costs and to the financial status of hospitals or health care facilities, or both, which are subject to the provisions of this subchapter. It shall further require the filing of information concerning the total financial needs of each individual hospital or health care facility and the resources currently or prospectively available to meet these needs, including the effect of proposals made by health systems agencies. The department shall also prepare and file such summaries and compilations or other supplementary reports based on the information filed with it as will, in its judgment, advance the purposes of this subchapter.

2. The analyses and studies required by this section shall be conducted with the objective of providing a basis for determining whether or not regulation of hospital and health care facility rates and charges by the state of Iowa is necessary to protect the health or welfare of the people of the state.

3. In conducting its analyses and studies, the department should determine whether:

a. The rates charged and costs incurred by hospitals and health care facilities are reasonably related to the services offered by those respective groups of institutions.

b. Aggregate rates of hospitals and of health care facilities are reasonably related to the aggregate costs incurred by those respective groups of institutions.

c. Rates are set equitably among all purchasers or classes of purchasers of hospital and of health care facility services.

d. The rates for particular services, supplies or materials established by hospitals and by health care facilities are reasonable. Determination of reasonableness of rates shall include consideration of a fair rate of return to proprietary hospitals and health care facilities.

4. All data gathered and compiled and all reports prepared under this section, except privileged medical information, shall be open to public inspection.

135.78 Data to be compiled.

The department shall compile all relevant financial and utilization data in order to have available the statistical information necessary to properly monitor hospital and health care facility charges and costs. Such data shall include necessary operating expenses, appropriate expenses incurred for rendering services to patients who cannot or do not pay, all properly incurred interest charges, and reasonable depreciation expenses based on the expected useful life of the property and equipment involved. The department shall also obtain from each hospital and health care facility a current rate schedule as well as any subsequent amendments or modifications of that schedule as it may require. In collection of the data required by this section and sections 135.74 through 135.76, the department and other state agencies shall coordinate their reporting requirements.

Any hospital or health care facility which fails to file with the department the financial reports required by sections 135.74 to 135.78 is subject to a civil penalty of not to exceed five hundred dollars for each offense.

[C79, 81, §135.79]

135.80 through 135.82 Reserved.

135.83 Contracts for assistance with analyses, studies, and data.

In furtherance of the department's responsibilities under sections 135.76 and 135.78, the director may contract with the Iowa hospital association and third-party payers, the Iowa health care facilities association and third-party payers, or leading age Iowa and third-party payers for the establishment of pilot programs dealing with prospective rate review in hospitals or health care facilities, or both. Such contract shall be subject to the approval of the executive council and shall provide for an equitable representation of health care providers, third-party payers, and health care consumers in the determination of criteria for rate review. No third-party payer shall be excluded from positive financial incentives based upon volume of gross patient revenues. No state or federal funds appropriated or available to the department shall be used for any such pilot program.

SUBCHAPTER VIII

LEAD ABATEMENT PROGRAM

135.100 Definitions.

For the purposes of this subchapter, unless the context otherwise requires:

1. "Department" means the Iowa department of public health.
2. "Local board" means the local board of health.

87 Acts, ch 55, §1; 2019 Acts, ch 24, §104

135.101 Childhood lead poisoning prevention program.

There is established a childhood lead poisoning prevention program within the Iowa department of public health. The department shall implement and review programs necessary to eliminate potentially dangerous toxic lead levels in children in Iowa in a year for which funds are appropriated to the department for this purpose.

87 Acts, ch 55, §2; 99 Acts, ch 141, §5

135.102 Rules.

The department shall adopt rules, pursuant to chapter 17A, regarding the:

1. Implementation of the grant program pursuant to section 135.103.
2. Maintenance of laboratory facilities for the childhood lead poisoning prevention program.
3. Maximum blood lead levels in children living in targeted rental dwelling units.
4. Standards and program requirements of the grant program pursuant to section 135.103.
5. Prioritization of proposed childhood lead poisoning prevention programs, based on the

geographic areas known with children identified with elevated blood lead level resulting from surveys completed by the department.

6. Model regulations for lead hazard remediation to be used in instances in which a child is confirmed as lead poisoned. The department shall make the model regulations available to local boards of health and shall promote the adoption of the regulations at the local level, in cities and counties implementing lead hazard remediation programs. Nothing in this subsection shall be construed as requiring the adoption of the model regulations.

7. Implementation of a requirement that children receive a blood lead test prior to the age of six and before enrolling in any elementary school in Iowa in accordance with section 135.105D.

87 Acts, ch 55, §3; 99 Acts, ch 141, §6; 2001 Acts, ch 182, §9; 2007 Acts, ch 79, §1
Referred to in §135.105D

135.103 Grant program.

The department shall implement a childhood lead poisoning prevention grant program which provides federal, state, or other funds to local boards of health or cities for the program after standards and requirements for the local program are developed. The department may also use federal, state, or other funds provided for the childhood lead poisoning prevention grant program to purchase environmental and blood testing services from a public health laboratory.

87 Acts, ch 55, §4; 91 Acts, ch 268, §307; 99 Acts, ch 141, §7; 2004 Acts, ch 1168, §2
Referred to in §135.102, 135.105

135.104 Requirements.

The program by a local board of health or city receiving funding for an approved childhood lead poisoning prevention grant program shall include:

1. A public education program about lead poisoning and dangers of lead poisoning to children.
2. An effective outreach effort to ensure availability of services in the predicted geographic area.
3. A screening program for children, with emphasis on children less than six years of age.
4. Access to laboratory services for lead analysis.
5. A program of referral of identified children for assessment and treatment.
6. An environmental assessment of suspect dwelling units.
7. Surveillance to ensure correction of the identified hazardous settings.
8. A plan of intent to continue the program on a maintenance basis after the grant is discontinued.

87 Acts, ch 55, §5; 99 Acts, ch 141, §8, 9; 2002 Acts, ch 1108, §9; 2004 Acts, ch 1168, §3

135.105 Department duties.

The department shall:

1. Coordinate the childhood lead poisoning prevention program with the department of natural resources, the university of Iowa poison control program, the mobile and regional child health specialty clinics, and any agency or program known for a direct interest in lead levels in the environment.

2. Survey geographic areas not included in the grant program pursuant to section 135.103 periodically to determine prioritization of such areas for future grant programs.

87 Acts, ch 55, §6; 99 Acts, ch 141, §10; 2012 Acts, ch 1023, §24

135.105A Lead inspector, lead abater, and lead-safe renovator training and certification program established — civil penalty.

1. The department shall establish a program for the training and certification of lead inspectors, lead abatements, and lead-safe renovators. The department shall maintain a listing, available to the public and to city and county health departments, of lead inspector, lead abater, and lead-safe renovator training programs that have been approved by the department, and of lead inspectors, lead abatements, and lead-safe renovators who have successfully completed the training program and have been certified by the department. A

person may be certified as a lead inspector, a lead abater, or a lead-safe renovator, or may be certified to provide two or more of such services. However, a person who holds more than one such certification shall not provide inspection service and also provide abatement service or renovation service at the same site unless a written consent or waiver, following full disclosure by the person, is obtained from the owner or manager of the site.

2. A person who owns real property which includes a residential dwelling and who performs lead inspection, lead abatement, or renovation of the residential dwelling is not required to obtain certification to perform these measures, unless the residential dwelling is occupied by a person other than the owner or a member of the owner's immediate family while the measures are being performed. However, the department shall encourage property owners who are not required to be certified to complete the applicable training course to ensure the use of appropriate and safe lead inspection, lead abatement, or lead-safe renovation procedures.

3. Except as otherwise provided in this section, a person shall not perform lead abatement or lead inspections, and shall not perform renovations on target housing or a child-occupied facility, unless the person has completed a training program approved by the department and has obtained certification pursuant to this section. All lead abatement and lead inspections; and lead inspector, lead abater, and lead-safe renovation training programs; and renovations on target housing or a child-occupied facility, shall be performed and conducted in accordance with work practice standards established by the department. A person shall not conduct a training program for lead inspectors, lead abaters, or lead-safe renovators unless the program has been submitted to and approved by the department.

4. A person who violates this section is subject to a civil penalty not to exceed five thousand dollars for each offense.

5. The department shall adopt rules regarding minimum requirements for lead inspector, lead abater, and lead-safe renovator training programs, certification, work practice standards, and suspension and revocation requirements, and shall implement the training and certification programs. Rules adopted pursuant to this subsection shall comply with chapter 272C. The department shall seek federal funding and shall establish fees in amounts sufficient to defray the cost of the programs. The fees shall be used for any of the department's duties under this subchapter, including but not limited to the costs of full-time equivalent positions for program services and investigations. Fees received shall be considered repayment receipts as defined in section 8.2.

96 Acts, ch 1161, §1, 4; 97 Acts, ch 159, §5; 98 Acts, ch 1100, §14; 2004 Acts, ch 1167, §2; 2009 Acts, ch 37, §1; 2010 Acts, ch 1192, §49, 73; 2019 Acts, ch 24, §104; 2020 Acts, ch 1103, §10, 31

Referred to in §135.105C

For definitions, see §135.105C(2)

2020 amendment to subsection 5 effective January 1, 2021; 2020 Acts, ch 1103, §31

Subsection 5 amended

135.105B Voluntary guidelines — health and environmental measures — confirmed cases of lead poisoning.

1. The department may develop voluntary guidelines which may be used to develop and administer local programs to address the health and environmental needs of children who are confirmed as lead poisoned.

2. The voluntary guidelines may be based upon existing local ordinances that address the medical case management of children's health needs and the mitigation of the environmental factors which contributed to the lead poisoning.

3. Following development of the voluntary guidelines, cities or counties may elect to utilize the guidelines in developing and administering local programs through city or county health departments on a city, county, or multicounty basis or may request that the state develop and administer the local program. However, cities and counties are not required to develop and administer local programs based upon the guidelines.

96 Acts, ch 1161, §2, 4

135.105C Renovation, remodeling, and repainting — lead hazard notification process established.

1. *a.* A person who performs renovation, remodeling, or repainting services for target housing or a child-occupied facility for compensation shall provide an approved lead hazard information pamphlet to the owner and occupant of the housing or facility prior to commencing the services. The department shall adopt rules to implement the renovation, remodeling, and repainting lead hazard notification process under this section.

b. The rules shall include but are not limited to an authorization that the lead hazard notification to parents or guardians of the children attending a child-occupied facility may be completed by posting an informational sign and a copy of the approved lead hazard information pamphlet. The rules shall also address requirements for notification of parents or guardians of the children visiting a child-occupied facility when the facility is vacant for an extended period of time.

2. For the purpose of this section and section 135.105A, unless the context otherwise requires:

a. (1) “*Child-occupied facility*” means a building, or portion of a building, constructed prior to 1978, that is described by all of the following:

(a) The building is visited on a regular basis by the same child, who is less than six years of age, on at least two different days within any week. For purposes of this paragraph “*a*”, a week is a Sunday through Saturday period.

(b) Each day’s visit by the child lasts at least three hours, and the combined annual visits total at least sixty hours.

(2) A child-occupied facility may include but is not limited to a child care center, preschool, or kindergarten classroom. A child-occupied facility also includes common areas that are routinely used by children who are less than six years of age, such as restrooms and cafeterias, and the exterior walls and adjoining space of the building that are immediately adjacent to the child-occupied facility or the common areas routinely used by children under the age of six years.

b. “*Target housing*” means housing constructed prior to 1978 with the exception of housing for the elderly or for persons with disabilities and housing that does not contain a bedroom, unless at least one child, under six years of age, resides or is expected to reside in the housing.

3. A person who violates this section is subject to a civil penalty not to exceed five thousand dollars for each offense.

97 Acts, ch 159, §6, 24; 2000 Acts, ch 1140, §22; 2001 Acts, ch 58, §4; 2009 Acts, ch 37, §2

135.105D Blood lead testing — provider education — payor of last resort.

1. For purposes of this section:

a. “*Blood lead testing*” means taking a capillary or venous sample of blood and sending it to a laboratory to determine the level of lead in the blood.

b. “*Capillary*” means a blood sample taken from the finger or heel for lead analysis.

c. “*Health care provider*” means a physician who is licensed under chapter 148, or a person who is licensed as a physician assistant under chapter 148C or as an advanced registered nurse practitioner.

d. “*Venous*” means a blood sample taken from a vein in the arm for lead analysis.

2. *a.* A parent or guardian of a child under the age of two is strongly encouraged to have the child tested for elevated blood lead levels by the age of two. Except as provided in paragraph “*b*” and subsection 4, a parent or guardian shall provide evidence to the school district elementary attendance center or the accredited nonpublic elementary school in which the parent’s or guardian’s child is enrolled that the child was tested for elevated blood lead levels by the age of six according to recommendations provided by the department.

b. The board of directors of each school district and the authorities in charge of each nonpublic school shall, in collaboration with the department, do the following:

(1) Ensure that the parent or guardian of a student enrolled in the school has complied with the requirements of paragraph “*a*”.

(2) Provide, if the parent or guardian cannot provide evidence that the child received a

blood lead test in accordance with paragraph “a”, the parent or guardian with community blood lead testing program information, including contact information for the department.

c. Notwithstanding any other provision to the contrary, nothing in this section shall subject a parent, guardian, or legal custodian of a child of compulsory attendance age to any penalties under chapter 299.

3. The board of directors of each school district and the authorities in charge of each nonpublic school shall furnish the department, in the format specified by the department, within sixty days after the start of the school calendar, a list of the children enrolled in kindergarten. The department shall notify the school districts and nonpublic schools of the children who have not met the blood lead testing requirements set forth in this section and shall work with the school districts, nonpublic schools, and the local childhood lead poisoning prevention programs to assure that these children are tested as required by this section.

4. The department may waive the requirements of subsection 2 if the department determines that a child is of very low risk for elevated blood lead levels, or if the child’s parent or legal guardian submits an affidavit, signed by the parent or legal guardian, stating that the blood lead testing conflicts with a genuine and sincere religious belief.

5. The department shall provide rules adopted pursuant to section 135.102, subsection 7, to local school boards and the authorities in charge of nonpublic schools.

6. The department shall work with health care provider associations to educate health care providers regarding requirements for testing children who are enrolled in certain federally funded programs and regarding department recommendations for testing other children for lead poisoning.

7. The department shall implement blood lead testing for children under six years of age who are not eligible for the testing services to be paid by a third-party source. The department shall contract with one or more public health laboratories to provide blood lead analysis for such children. The department shall establish by rule the procedures for health care providers to submit samples to the contracted public health laboratories for analysis. The department shall also establish by rule a method to reimburse health care providers for drawing blood samples from such children and the dollar amount that the department will reimburse health care providers for the service. The department shall also establish by rule a method to reimburse health care providers for analyzing blood lead samples using a portable blood lead testing instrument and the dollar amount that the department will reimburse health care providers for the service. Payment for blood lead analysis and drawing blood samples shall be limited to the amount appropriated for the program in a fiscal year.

SUBCHAPTER IX

HEALTHY FAMILIES PROGRAM

135.106 Healthy families programs — HOPES-HFI program.

1. The Iowa department of public health shall establish a healthy opportunities for parents to experience success (HOPES) – healthy families Iowa (HFI) program to provide services to families and children during the prenatal through preschool years. The program shall be designed to do all of the following:

- a. Promote optimal child health and development.
- b. Improve family coping skills and functioning.
- c. Promote positive parenting skills and intrafamilial interaction.
- d. Prevent child abuse and neglect and infant mortality and morbidity.

2. The HOPES-HFI program shall be developed by the Iowa department of public health, and may be implemented, in whole or in part, by contracting with a nonprofit child abuse prevention organization, local nonprofit certified home health program or other

local nonprofit organizations, and shall include, but is not limited to, all of the following components:

a. Identification of barriers to positive birth outcomes, encouragement of collaboration and cooperation among providers of health care, social and human services, and other services to pregnant women and infants, and encouragement of pregnant women and women of childbearing age to seek health care and other services which promote positive birth outcomes.

b. Provision of community-based home-visiting family support to pregnant women and new parents who are identified through a standardized screening process to be at high risk for problems with successfully parenting their child.

c. Provision by family support workers of individual guidance, information, and access to health care and other services through care coordination and community outreach, including transportation.

d. Provision of systematic screening, prenatally or upon the birth of a child, to identify high-risk families.

e. Interviewing by a HOPES-HFI program worker or hospital social worker of families identified as high risk and encouragement of acceptance of family support services.

f. Provision of services including, but not limited to, home visits, support services, and instruction in child care and development.

g. Individualization of the intensity and scope of services based upon the family's needs, goals, and level of risk.

h. Assistance by a family support worker to participating families in creating a link to a "medical home" in order to promote preventive health care.

i. Evaluation and reporting on the program, including an evaluation of the program's success in reducing participants' risk factors and provision of services and recommendations for changes in or expansion of the program.

j. Provision of continuous follow-up contact with a family served by the program until identified children reach age three or age four in cases of continued high need or until the family attains its individualized goals for health, functioning, and self-sufficiency.

k. Provision or employment of family support workers who have experience as a parent, knowledge of health care services, social and human services, or related community services and have participated in a structured training program.

l. Provision of a training program that meets established standards for the education of family support workers. The structured training program shall include at a minimum the fundamentals of child health and development, dynamics of child abuse and neglect, and principles of effective parenting and parenting education.

m. Provision of crisis child care through utilization of existing child care services to participants in the program.

n. Program criteria shall include a required match of one dollar provided by the organization contracting to deliver services for each two dollars provided by the state grant. This requirement shall not restrict the department from providing unmatched grant funds to communities to plan new or expanded programs for HOPES-HFI. The department shall establish a limit on the amount of administrative costs that can be supported with state funds.

o. Involvement with the community assessment and planning process in the community served by HOPES-HFI programs to enhance collaboration and integration of family support programs.

p. Collaboration, to the greatest extent possible, with other family support programs funded or operated by the state.

q. Utilization of private party, third party, and medical assistance for reimbursement to defray the costs of services provided by the program to the extent possible.

3. It is the intent of the general assembly to provide communities with the discretion and authority to redesign existing local programs and services targeted at and assisting families expecting babies and families with children who are newborn through five years of age. The Iowa department of public health, department of human services, department of education, and other state agencies and programs, as appropriate, shall provide technical assistance and support to communities desiring to redesign their local programs and shall

facilitate the consolidation of existing state funding appropriated and made available to the community for family support services. Funds which are consolidated in accordance with this subsection shall be used to support the redesigned service delivery system. In redesigning services, communities are encouraged to implement a single uniform family risk assessment mechanism and shall demonstrate the potential for improved outcomes for children and families. Requests by local communities for the redesigning of services shall be submitted to the Iowa department of public health, department of human services, and department of education, and are subject to the approval of the early childhood Iowa state board in consultation with the departments, based on the practices utilized with early childhood Iowa areas under chapter 256I.

4. It is the intent of the general assembly that priority for family support funding be given to approaches using evidence-based or promising models for family support.

RURAL HEALTH AND PRIMARY CARE

135.107 Center for rural health and primary care established — duties.

1. The center for rural health and primary care is established within the department.
2. The center for rural health and primary care shall do all of the following:
 - a. Provide technical planning assistance to rural communities and counties exploring innovative means of delivering rural health services through community health services assessment, planning, and implementation, including but not limited to hospital conversions, cooperative agreements among hospitals, physician and health practitioner support, recruitment and retention of primary health care providers, public health services, emergency medical services, medical assistance facilities, rural health care clinics, and alternative means which may be included in the long-term community health services assessment and developmental plan. The center for rural health and primary care shall encourage collaborative efforts of the local boards of health, hospital governing boards, and other public and private entities located in rural communities to adopt a long-term community health services assessment and developmental plan pursuant to rules adopted by the department and perform the duties required of the Iowa department of public health in section 135B.33.
 - b. Provide technical assistance to assist rural communities in improving Medicare reimbursements through the establishment of rural health clinics, defined pursuant to 42 U.S.C. §1395x, and distinct part skilled nursing facility beds.
 - c. Coordinate services to provide research for the following items:
 - (1) Examination of the prevalence of rural occupational health injuries in the state.
 - (2) Assessment of training and continuing education available through local hospitals and others relating to diagnosis and treatment of diseases associated with rural occupational health hazards.
 - (3) Determination of continuing education support necessary for rural health practitioners to diagnose and treat illnesses caused by exposure to rural occupational health hazards.
 - (4) Determination of the types of actions that can help prevent agricultural accidents.
 - (5) Surveillance and reporting of disabilities suffered by persons engaged in agriculture resulting from diseases or injuries, including identifying the amount and severity of agricultural-related injuries and diseases in the state, identifying causal factors associated with agricultural-related injuries and diseases, and indicating the effectiveness of intervention programs designed to reduce injuries and diseases.
 - d. Cooperate with the center for agricultural health and safety established under section

262.78, the center for health effects of environmental contamination established under section 263.17, and the department of agriculture and land stewardship. The agencies shall coordinate programs to the extent practicable.

e. Administer grants for farm safety education efforts directed to rural families for the purpose of preventing farm-related injuries to children.

3. The center for rural health and primary care shall establish a primary care provider recruitment and retention endeavor, to be known as PRIMECARRE. The endeavor shall include a health care workforce and community support grant program and a primary care provider loan repayment program. The endeavor shall be developed and implemented in a manner to promote and accommodate local creativity in efforts to recruit and retain health care professionals to provide services in the locality. The focus of the endeavor shall be to promote and assist local efforts in developing health care provider recruitment and retention programs. The center for rural health and primary care may enter into an agreement with the college student aid commission for the administration of the center's grant and loan repayment programs.

a. *Health care workforce and community support grant program.*

(1) The center for rural health and primary care shall adopt rules establishing flexible application processes based upon the department's strategic plan to be used by the center to establish a grant assistance program as provided in this paragraph "a", and establishing the criteria to be used in evaluating the applications. Selection criteria shall include a method for prioritizing grant applications based on illustrated efforts to meet the health care provider needs of the locality and surrounding area. Such assistance may be in the form of a forgivable loan, grant, or other nonfinancial assistance as deemed appropriate by the center. An application submitted may contain a commitment of matching funds for the grant assistance. Application may be made for assistance by a single community or group of communities or in response to programs recommended in the strategic plan to address health workforce shortages.

(2) Grants awarded under the program shall be awarded to rural, underserved areas or special populations as identified by the department's strategic plan or evidence-based documentation.

b. *Primary care provider loan repayment program.*

(1) A primary care provider loan repayment program is established to increase the number of health professionals practicing primary care in federally designated health professional shortage areas of the state. Under the program, loan repayment may be made to a recipient for educational expenses incurred while completing an accredited health education program directly related to obtaining credentials necessary to practice the recipient's health profession.

(2) The center for rural health and primary care shall adopt rules relating to the establishment and administration of the primary care provider loan repayment program. Rules adopted pursuant to this paragraph shall provide, at a minimum, for all of the following:

(a) Determination of eligibility requirements and qualifications of an applicant to receive loan repayment under the program, including but not limited to years of obligated service, clinical practice requirements, and residency requirements. One year of obligated service shall be provided by the applicant in exchange for each year of loan repayment, unless federal requirements otherwise require. Loan repayment under the program shall not be approved for a health provider whose license or certification is restricted by a medical regulatory authority of any jurisdiction of the United States, other nations, or territories.

(b) Identification of federally designated health professional shortage areas of the state and prioritization of such areas according to need.

(c) Determination of the amount and duration of the loan repayment an applicant may receive, giving consideration to the availability of funds under the program, and the applicant's outstanding educational loans and professional credentials.

(d) Determination of the conditions of loan repayment applicable to an applicant.

(e) Enforcement of the state's rights under a loan repayment program contract, including the commencement of any court action.

(f) Cancellation of a loan repayment program contract for reasonable cause unless federal requirements otherwise require.

(g) Participation in federal programs supporting repayment of loans of health care providers and acceptance of gifts, grants, and other aid or amounts from any person, association, foundation, trust, corporation, governmental agency, or other entity for the purposes of the program.

(h) Upon availability of state funds, determination of eligibility criteria and qualifications for participating communities and applicants not located in federally designated shortage areas.

(i) Other rules as necessary.

4. a. Eligibility under any of the programs established under the primary care provider recruitment and retention endeavor shall be based upon a community health services assessment completed under subsection 2, paragraph “a”. Participation in a community health services assessment process shall be documented by the community or region.

b. Assistance under this subsection shall not be granted until such time as the community or region making application has completed a community health services assessment and adopted a long-term community health services assessment and developmental plan. In addition to any other requirements, an applicant’s plan shall include, to the extent possible, a clear commitment to informing high school students of the health care opportunities which may be available to such students.

c. The center for rural health and primary care shall seek additional assistance and resources from other state departments and agencies, federal agencies and grant programs, private organizations, and any other person, as appropriate. The center is authorized and directed to accept on behalf of the state any grant or contribution, federal or otherwise, made to assist in meeting the cost of carrying out the purpose of this subsection. All federal grants to and the federal receipts of the center are appropriated for the purpose set forth in such federal grants or receipts. Funds appropriated by the general assembly to the center for implementation of this subsection shall first be used for securing any available federal funds requiring a state match, with remaining funds being used for the health care workforce and community support grant program.

d. The center for rural health and primary care may, to further the purposes of this subsection, provide financial assistance in the form of grants to support the effort of a community which is clearly part of the community’s long-term community health services assessment and developmental plan. Efforts for which such grants may be awarded include but are not limited to the procurement of clinical equipment, clinical facilities, and telecommunications facilities, and the support of locum tenens arrangements and primary care provider mentor programs.

SUBCHAPTER XI

DOMESTIC ABUSE DEATH REVIEW TEAM

135.108 Definitions.

As used in this subchapter, unless the context otherwise requires:

1. “*Department*” means the Iowa department of public health.
2. “*Director*” means the director of public health.

3. “*Domestic abuse death*” means a homicide or suicide that involves or is a result of an assault as defined in section 708.1 and to which any of the following circumstances apply to the parties involved:

- a. The alleged or convicted perpetrator is related to the decedent as spouse, separated spouse, or former spouse.
- b. The alleged or convicted perpetrator resided with the decedent at the time of the assault that resulted in the homicide or suicide.
- c. The alleged or convicted perpetrator and the decedent resided together in the past but did not reside together at the time of the assault that resulted in the homicide or suicide.
- d. The alleged or convicted perpetrator and decedent are parents of the same minor child, whether they were married or lived together at any time.
- e. The alleged or convicted perpetrator was in an ongoing personal relationship with the decedent.
- f. The alleged or convicted perpetrator was arrested for or convicted of stalking or harassing the decedent, or an order or court-approved agreement was entered against the perpetrator under chapter 232, 236, 598, or 915 to restrict contact by the perpetrator with the decedent.
- g. The decedent was related by blood or affinity to an individual who lived in the same household with or was in the workplace or proximity of the decedent, and that individual was threatened with assault by the perpetrator.

4. “*Team*” means the domestic abuse death review team established in section 135.109.

2000 Acts, ch 1136, §1; 2019 Acts, ch 24, §104

Referred to in §135.112

135.109 Iowa domestic abuse death review team membership.

1. An Iowa domestic abuse death review team is established as an independent agency of state government.
2. The department shall provide staffing and administrative support to the team.
3. The team shall include the following members:
 - a. The state medical examiner or the state medical examiner’s designee.
 - b. A licensed physician or nurse who is knowledgeable concerning domestic abuse injuries and deaths, including suicides.
 - c. A licensed mental health professional who is knowledgeable concerning domestic abuse.
 - d. A representative or designee of the Iowa coalition against domestic violence.
 - e. A certified or licensed professional who is knowledgeable concerning substance abuse.
 - f. A law enforcement official who is knowledgeable concerning domestic abuse.
 - g. A law enforcement investigator experienced in domestic abuse investigation.
 - h. An attorney experienced in prosecuting domestic abuse cases.
 - i. A judicial officer appointed by the chief justice of the supreme court.
 - j. A clerk of the district court appointed by the chief justice of the supreme court.
 - k. An employee or subcontractor of the department of corrections who is a trained batterers’ education program facilitator.
 - l. An attorney licensed in this state who provides criminal defense assistance or child custody representation, and who has experience in dissolution of marriage proceedings.
 - m. Both a female and a male victim of domestic abuse.
 - n. A family member of a decedent whose death resulted from domestic abuse.
4. The following individuals shall each designate a liaison to assist the team in fulfilling the team’s duties:
 - a. The attorney general.
 - b. The director of the Iowa department of corrections.
 - c. The director of public health.
 - d. The director of human services.
 - e. The commissioner of public safety.

Referred to in §135.108, 135.112, 216A.133

135.110 Iowa domestic abuse death review team powers and duties.

- 1. The review team shall perform the following duties:
 - a. Prepare a biennial report for the governor, supreme court, attorney general, and the general assembly concerning the following subjects:
 - (1) The causes and manner of domestic abuse deaths, including an analysis of factual information obtained through review of domestic abuse death certificates and domestic abuse death data, including patient records and other pertinent confidential and public information concerning domestic abuse deaths.
 - (2) The contributing factors of domestic abuse deaths.
 - (3) Recommendations regarding the prevention of future domestic abuse deaths, including actions to be taken by communities, based on an analysis of these contributing factors.
 - b. Advise and consult the agencies represented on the team and other state agencies regarding program and regulatory changes that may prevent domestic abuse deaths.
 - c. Develop protocols for domestic abuse death investigations and team review.
- 2. In performing duties pursuant to subsection 1, the review team shall review the relationship between the decedent victim and the alleged or convicted perpetrator from the point where the abuse allegedly began, until the domestic abuse death occurred, and shall review all relevant documents pertaining to the relationship between the parties, including but not limited to protective orders and dissolution, custody, and support agreements and related court records, in order to ascertain whether a correlation exists between certain events in the relationship and any escalation of abuse, and whether patterns can be established regarding such events in relation to domestic abuse deaths in general. The review team shall consider such conclusions in making recommendations pursuant to subsection 1.
- 3. The team shall meet upon the call of the chairperson, upon the request of a state agency, or as determined by a majority of the team.
- 4. The team shall annually elect a chairperson and other officers as deemed necessary by the team.
- 5. The team may establish committees or panels to whom the team may assign some or all of the team's responsibilities.

6. Members of the team who are currently practicing attorneys or current employees of the judicial branch of state government shall not participate in the following:

a. An investigation by the team that involves a case in which the team member is presently involved in the member’s professional capacity.

b. Development of protocols by the team for domestic abuse death investigations and team review.

c. Development of regulatory changes related to domestic abuse deaths.

SUBCHAPTER XII

CHILD PROTECTION —

CHILD PROTECTION CENTER GRANTS

— SHAKEN BABY SYNDROME PREVENTION

135.118 Child protection center grant program.

1. A child protection center grant program is established in the Iowa department of public health in accordance with this section. The director of public health shall establish requirements for the grant program and shall award grants. A grant may be used for establishment of a new center or for support of an existing center.

2. The eligibility requirements for a child protection center grant shall include but are not limited to all of the following:

a. A grantee must meet or be in the process of meeting the standards established by the national children’s alliance for children’s advocacy centers.

b. A grantee must have in place an interagency memorandum of understanding regarding participation in the operation of the center and for coordinating the activities of the government entities that respond to cases of child abuse in order to facilitate the appropriate disposition of child abuse cases through the juvenile and criminal justice systems. Agencies participating under the memorandum must include the following that are operating in the area served by the grantee:

- (1) Department of human services county offices assigned to child protection.
- (2) County and municipal law enforcement agencies.
- (3) Office of the county attorney.
- (4) Other government agencies involved with child abuse assessments or service provision.

c. The interagency memorandum must provide for a cooperative team approach to responding to child abuse, reducing the number of interviews required of a victim of child abuse, and establishing an approach that emphasizes the best interest of the child and that provides investigation, assessment, and rehabilitative services.

d. As necessary to address serious cases of child abuse such as those involving sexual abuse, serious physical abuse, and substance abuse, a grantee must be able to involve or consult with persons from various professional disciplines who have training and expertise in addressing special types of child abuse. These persons may include but are not limited to physicians and other health care professionals, mental health professionals, social workers, child protection workers, attorneys, juvenile court officers, public health workers, child development experts, child educators, and child advocates.

3. The director shall create a committee to consider grant proposals and to make grant recommendations to the director. The committee membership may include but is not limited to representatives of the following: departments of human services, justice, and public health, Iowa medical society, Iowa hospital association, Iowa nurses association, and an association representing social workers.

4. Implementation of the grant program is subject to the availability of funding for the grant program.

2001 Acts, ch 166, §1

135.119 Shaken baby syndrome prevention program.

1. For the purposes of this section:
 - a. “*Birth center*” and “*birthing hospital*” mean the same as defined in section 135.131.
 - b. “*Child care provider*” means the same as a child care facility, as defined in section 237A.1, that is providing child care to a child who is newborn through age three.
 - c. “*Family support program*” means a program offering instruction and support for families in which home visitation is the primary service delivery mechanism.
 - d. “*Parent*” means the same as “*custodian*”, “*guardian*”, or “*parent*”, as defined in section 232.2, of a child who is newborn through age three.
 - e. “*Person responsible for the care of a child*” means the same as defined in section 232.68, except that it is limited to persons responsible for the care of a child who is newborn through age three.
 - f. “*Shaken baby syndrome*” means the collection of signs and symptoms resulting from the vigorous shaking of a child who is three years of age or younger. Shaken baby syndrome may result in bleeding inside the child’s head and may cause one or more of the following conditions: irreversible brain damage; blindness, retinal hemorrhage, or eye damage; cerebral palsy; hearing loss; spinal cord injury, including paralysis; seizures; learning disability; central nervous system injury; closed head injury; rib fracture; subdural hematoma; or death. Shaken baby syndrome also includes the symptoms included in the diagnosis code for shaken infant syndrome utilized by Iowa hospitals.
2. a. The department shall establish a statewide shaken baby syndrome prevention program to educate parents and persons responsible for the care of a child about the dangers to children three years of age or younger caused by shaken baby syndrome and to discuss ways to reduce the syndrome’s risks. The program plan shall allow for voluntary participation by parents and persons responsible for the care of a child.
 - b. The program plan shall describe strategies for preventing shaken baby syndrome by providing education and support to parents and persons responsible for the care of a child and shall identify multimedia resources, written materials, and other resources that can assist in providing the education and support.
 - c. The department shall consult with experts with experience in child abuse prevention, child health, and parent education in developing the program plan.

d. The program plan shall incorporate a multiyear, collaborative approach for implementation of the plan. The plan shall address how to involve those who regularly work with parents and persons responsible for the care of a child, including but not limited to child abuse prevention programs, child care resource and referral programs, child care providers, family support programs, programs receiving funding through the early childhood Iowa initiative, public and private schools, health care providers, local health departments, birth centers, and birthing hospitals.

e. The program plan shall identify the methodology to be used for improving the tracking of shaken baby syndrome incidents and for evaluating the effectiveness of the plan's education and support efforts.

f. The program plan shall describe how program results will be reported.

g. The program plan may provide for implementation of the program through a contract with a private agency or organization experienced in furnishing the services set forth in the program plan.

3. The department shall implement the program plan to the extent of the amount appropriated or made available for the program for a fiscal year.

SUBCHAPTER XV

NEWBORN AND INFANT HEARING SCREENING

135.131 Universal newborn and infant hearing screening.

1. For the purposes of this section, unless the context otherwise requires:

a. "Birth center" means birth center as defined in section 135.61.

b. "Birthing hospital" means a private or public hospital licensed pursuant to chapter 135B that has a licensed obstetric unit or is licensed to provide obstetric services.

2. All newborns and infants born in this state shall be screened for hearing loss in accordance with this section. The person required to perform the screening shall use at least one of the following procedures:

a. Automated or diagnostic auditory brainstem response.

b. Otoacoustic emissions.

c. Any other technology approved by the department.

3. a. A birthing hospital shall screen every newborn delivered in the hospital for hearing loss prior to discharge of the newborn from the birthing hospital. A birthing hospital that transfers a newborn for acute care prior to completion of the hearing screening shall notify

the receiving facility of the status of the hearing screening. The receiving facility shall be responsible for completion of the newborn hearing screening.

b. The birthing hospital or other facility completing the hearing screening under this subsection shall report the results of the screening to the parent or guardian of the newborn and to the department in a manner prescribed by rule of the department. The birthing hospital or other facility shall also report the results of the hearing screening to the primary care provider of the newborn or infant upon discharge from the birthing hospital or other facility. If the newborn or infant was not tested prior to discharge, the birthing hospital or other facility shall report the status of the hearing screening to the primary care provider of the newborn or infant.

4. A birth center shall refer the newborn to a licensed audiologist, physician, or hospital for screening for hearing loss prior to discharge of the newborn from the birth center. The hearing screening shall be completed within thirty days following discharge of the newborn. The person completing the hearing screening shall report the results of the screening to the parent or guardian of the newborn and to the department in a manner prescribed by rule of the department. Such person shall also report the results of the screening to the primary care provider of the newborn.

5. If a newborn is delivered in a location other than a birthing hospital or a birth center, the physician or other health care professional who undertakes the pediatric care of the newborn or infant shall ensure that the hearing screening is performed within three months of the date of the newborn's or infant's birth. The physician or other health care professional shall report the results of the hearing screening to the parent or guardian of the newborn or infant, to the primary care provider of the newborn or infant, and to the department in a manner prescribed by rule of the department.

6. A birthing hospital, birth center, physician, or other health care professional required to report information under subsection 3, 4, or 5 shall report all of the following information to the department relating to a newborn's or infant's hearing screening, as applicable:

a. The name, address, and telephone number, if available, of the mother of the newborn or infant.

b. The primary care provider at the time of the newborn's or infant's discharge from the birthing hospital or birth center.

c. The results of the hearing screening.

d. Any rescreenings and the diagnostic audiological assessment procedures used.

e. Any known risk indicators for hearing loss of the newborn or infant.

f. Other information specified in rules adopted by the department.

7. The department may share information with agencies and persons involved with newborn and infant hearing screenings, follow-up, and intervention services, including the local birth-to-three coordinator or similar agency, the local area education agency, and local health care providers. The department shall adopt rules to protect the confidentiality of the individuals involved.

8. An audiologist who provides services addressed by this section shall conduct diagnostic audiological assessments of newborns and infants in accordance with standards specified in rules adopted by the department. The audiologist shall report all of the following information to the department relating to a newborn's or infant's hearing, follow-up, diagnostic audiological assessment, and intervention services, as applicable:

a. The name, address, and telephone number, if available, of the mother of the newborn or infant.

b. The results of the hearing screening and any rescreenings, including the diagnostic audiological assessment procedures used.

c. The nature of any follow-up or other intervention services provided to the newborn or infant.

d. Any known risk indicators for hearing loss of the newborn or infant.

e. Other information specified in rules adopted by the department.

9. a. If the results of the newborn hearing screening performed under this section demonstrate that the newborn has hearing loss, the birthing hospital, birth center, physician,

or other health care professional required to ensure that the hearing screening is performed on the newborn under this section, shall do all of the following:

(1) Test the newborn or ensure that the newborn is tested for congenital cytomegalovirus before the newborn is twenty-one days of age.

(2) Provide information to the parent of the newborn including information regarding the birth defects caused by congenital cytomegalovirus and early intervention and treatment resources and services available for children diagnosed with congenital cytomegalovirus.

b. This subsection shall not apply if the parent objects to the testing. If a parent objects to the testing, the birthing hospital, birth center, physician, or other health care professional required to test or to ensure that the newborn is tested for congenital cytomegalovirus under this subsection shall obtain a written refusal from the parent, shall document the refusal in the newborn's or infant's medical record, and shall report the refusal to the department in the manner prescribed by rule of the department.

10. This section shall not apply if the parent objects to the screening. If a parent objects to the screening, the birthing hospital, birth center, physician, or other health care professional required to report information under subsection 3, 4, or 5 to the department shall obtain a written refusal from the parent, shall document the refusal in the newborn's or infant's medical record, and shall report the refusal to the department in the manner prescribed by rule of the department.

11. A person who acts in good faith in complying with this section shall not be civilly or criminally liable for reporting the information required to be reported by this section.

DISASTER PREPAREDNESS

135.140 Definitions.

As used in this subchapter, unless the context otherwise requires:

1. "*Bioterrorism*" means the intentional use of any microorganism, virus, infectious substance, or biological product that may be engineered as a result of biotechnology, or any naturally occurring or bioengineered component of any such microorganism, virus, infectious substance, or biological product, to cause death, disease, or other biological malfunction in a human, an animal, a plant, or another living organism.

2. "*Department*" means the Iowa department of public health.

3. "*Director*" means the director of public health or the director's designee.

4. "*Disaster*" means disaster as defined in section 29C.2.

5. "*Division*" means the division of acute disease prevention and emergency response of the department.

6. "*Public health disaster*" means a state of disaster emergency proclaimed by the governor in consultation with the department pursuant to section 29C.6 for a disaster which specifically involves an imminent threat of an illness or health condition that meets any of the following conditions of paragraphs "*a*" and "*b*":

a. Is reasonably believed to be caused by any of the following:

- (1) Bioterrorism or other act of terrorism.
- (2) The appearance of a novel or previously controlled or eradicated infectious agent or biological toxin.
- (3) A chemical attack or accidental release.
- (4) An intentional or accidental release of radioactive material.
- (5) A nuclear or radiological attack or accident.
- (6) A natural occurrence or incident, including but not limited to fire, flood, storm, drought, earthquake, tornado, or windstorm.
- (7) A man-made occurrence or incident, including but not limited to an attack, spill, or explosion.
 - b. Poses a high probability of any of the following:
 - (1) A large number of deaths in the affected population.
 - (2) A large number of serious or long-term disabilities in the affected population.
 - (3) Widespread exposure to an infectious or toxic agent that poses a significant risk of substantial future harm to a large number of the affected population.
 - (4) Short-term or long-term physical or behavioral health consequences to a large number of the affected population.

7. “*Public health response team*” means a team of professionals, including licensed health care providers, nonmedical professionals skilled and trained in disaster or emergency response, and public health practitioners, which is sponsored by a hospital or other entity and approved by the department to provide disaster assistance in the event of a disaster or threatened disaster.

135.141 Division of acute disease prevention and emergency response — establishment — duties of department.

1. A division of acute disease prevention and emergency response is established within the department. The division shall coordinate the administration of this subchapter with other administrative divisions of the department and with federal, state, and local agencies and officials.

2. The department shall do all of the following:

a. Coordinate with the department of homeland security and emergency management the administration of emergency planning matters which involve the public health, including development, administration, and execution of the public health components of the comprehensive emergency plan and emergency management program pursuant to section 29C.8.

b. Coordinate with federal, state, and local agencies and officials, and private agencies, organizations, companies, and persons, the administration of emergency planning, response, and recovery matters that involve the public health.

c. If a public health disaster exists, or if there is reasonable cause to believe that a public health disaster is imminent, conduct a risk assessment of any present or potential danger to the public health from chemical, radiological, or other potentially dangerous agents.

d. For the purpose of paragraph “c”, an employee or agent of the department may enter into and examine any premises containing potentially dangerous agents with the consent of the owner or person in charge of the premises or, if the owner or person in charge of the premises refuses admittance, with an administrative search warrant obtained under section 808.14. Based on findings of the risk assessment and examination of the premises, the director may order reasonable safeguards or take any other action reasonably necessary to protect the public health pursuant to rules adopted to administer this subsection.

e. Coordinate the location, procurement, storage, transportation, maintenance, and distribution of medical supplies, drugs, antidotes, and vaccines to prepare for or in response to a public health disaster, including receiving, distributing, and administering items from the strategic national stockpile program of the centers for disease control and prevention of the United States department of health and human services.

f. Conduct or coordinate public information activities regarding emergency and disaster planning, response, and recovery matters that involve the public health.

g. Apply for and accept grants, gifts, or other funds to be used for programs authorized by this subchapter.

h. Establish and coordinate other programs or activities as necessary for the prevention, detection, management, and containment of public health disasters, and for the recovery from such disasters.

i. Adopt rules pursuant to chapter 17A for the administration of this subchapter including rules adopted in cooperation with the Iowa pharmacy association and the Iowa hospital association for the development of a surveillance system to monitor supplies of drugs, antidotes, and vaccines to assist in detecting a potential public health disaster. Prior to adoption, the rules shall be approved by the state board of health and the director of the department of homeland security and emergency management.

135.142 Health care supplies.

1. The department may purchase and distribute antitoxins, serums, vaccines, immunizing agents, antibiotics, and other pharmaceutical agents or medical supplies as deemed advisable in the interest of preparing for or controlling a public health disaster.

2. If a public health disaster exists or there is reasonable cause to believe that a public health disaster is imminent and if the public health disaster or belief that a public health disaster is imminent results in a statewide or regional shortage or threatened shortage of any product described under subsection 1, whether or not such product has been purchased by the department, the department may control, restrict, and regulate by rationing and using quotas, prohibitions on shipments, allocation, or other means, the use, sale, dispensing, distribution, or transportation of the relevant product necessary to protect the public health, safety, and welfare of the people of this state. The department shall collaborate with persons who have control of the products when reasonably possible.

3. In making rationing or other supply and distribution decisions, the department shall give preference to health care providers, disaster response personnel, and mortuary staff.

4. During a public health disaster, the department may procure, store, or distribute any antitoxins, serums, vaccines, immunizing agents, antibiotics, and other pharmaceutical agents or medical supplies located within the state as may be reasonable and necessary to respond to the public health disaster, and may take immediate possession of these pharmaceutical agents and supplies. If a public health disaster affects more than one state, this section shall not be construed to allow the department to obtain antitoxins, serums, vaccines, immunizing agents, antibiotics, and other pharmaceutical agents or medical supplies for the primary purpose of hoarding such items or preventing the fair and equitable distribution of these pharmaceutical and medical supplies among affected states. The department shall collaborate with affected states and persons when reasonably possible.

5. The state shall pay just compensation to the owner of any product lawfully taken or appropriated by the department for the department's temporary or permanent use in accordance with this section. The amount of compensation shall be limited to the costs incurred by the owner to procure the item.

135.143 Public health response teams.

1. The department shall approve public health response teams to supplement and support disrupted or overburdened local medical and public health personnel, hospitals, and resources. Assistance shall be rendered under the following circumstances:

a. At or near the site of a disaster or threatened disaster by providing direct medical care to victims or providing other support services.

b. If local medical or public health personnel or hospitals request the assistance of a public

health response team to provide direct medical care to victims or to provide other support services in relation to any of the following incidents:

(1) During an incident resulting from a novel or previously controlled or eradicated infectious agent, disease, or biological toxin.

(2) After a chemical attack or accidental chemical release.

(3) After an intentional or accidental release of radioactive material.

(4) In response to a nuclear or radiological attack or accident.

(5) Where an incident poses a high probability of a large number of deaths or long-term disabilities in the affected population.

(6) During or after a natural occurrence or incident, including but not limited to fire, flood, storm, drought, earthquake, tornado, or windstorm.

(7) During or after a man-made occurrence or incident, including but not limited to an attack, spill, or explosion.

2. The department shall provide by rule a process for registration and approval of public health response team members and sponsor entities and shall authorize specific public health response teams, which may include but are not limited to disaster assistance teams and environmental health response teams. The department may expedite the registration and approval process during a disaster, threatened disaster, or other incident described in subsection 1.

3. A member of a public health response team acting pursuant to this subchapter shall be considered an employee of the state under section 29C.21 and chapter 669, shall be afforded protection as an employee of the state under section 669.21, and shall be considered an employee of the state for purposes of workers' compensation, disability, and death benefits, provided that the member has done all of the following:

a. Registered with and received approval to serve on a public health response team from the department.

b. Provided direct medical care or other support services during a disaster, threatened disaster, or other incident described in subsection 1; or participated in a training exercise to prepare for a disaster or other incident described in subsection 1.

4. The department shall provide the department of administrative services with a list of individuals who have registered with and received approval from the department to serve on a public health response team. The department shall update the list on a quarterly basis, or as necessary for the department of administrative services to determine eligibility for coverage.

5. Upon notification of a compensable loss, the department of administrative services shall seek authorization from the executive council to pay as an expense from the appropriations addressed in section 7D.29 those costs associated with covered workers' compensation benefits.

Referred to in §29C.20

135.144 Additional duties of the department related to a public health disaster.

If a public health disaster exists, the department, in conjunction with the governor, may do any of the following:

1. Decontaminate or cause to be decontaminated, to the extent reasonable and necessary to address the public health disaster, any facility or material if there is cause to believe the contaminated facility or material may endanger the public health.

2. Adopt and enforce measures to provide for the identification and safe disposal of human remains, including performance of postmortem examinations, transportation, embalming, burial, cremation, interment, disinterment, and other disposal of human remains. To the extent possible, religious, cultural, family, and individual beliefs of the deceased person or the deceased person's family shall be considered when disposing of any human remains.

3. Take reasonable measures as necessary to prevent the transmission of infectious disease and to ensure that all cases of communicable disease are properly identified, controlled, and treated.

4. Take reasonable measures as necessary to ensure that all cases of chemical, biological, and radiological contamination are properly identified, controlled, and treated.

5. Order physical examinations and tests and collect specimens as necessary for the diagnosis or treatment of individuals, to be performed by any qualified person authorized to do so by the department. An examination or test shall not be performed or ordered if the examination or test is reasonably likely to lead to serious harm to the affected individual. The department may isolate or quarantine, pursuant to chapter 139A and the rules implementing chapter 139A and this subchapter, any individual whose refusal of medical examination or testing results in uncertainty regarding whether the individual has been exposed to or is infected with a communicable or potentially communicable disease or otherwise poses a danger to public health.

6. Vaccinate or order that individuals be vaccinated against an infectious disease and to prevent the spread of communicable or potentially communicable disease. Vaccinations shall be administered by any qualified person authorized to do so by the department. The vaccination shall not be provided or ordered if it is reasonably likely to lead to serious harm to the affected individual. To prevent the spread of communicable or potentially communicable disease, the department may isolate or quarantine, pursuant to chapter 139A and the rules implementing chapter 139A and this subchapter, any person who is unable or unwilling to undergo vaccination pursuant to this subsection.

7. Treat or order that individuals exposed to or infected with disease receive treatment or prophylaxis. Treatment or prophylaxis shall be administered by any qualified person authorized to do so by the department. Treatment or prophylaxis shall not be provided or ordered if the treatment or prophylaxis is reasonably likely to lead to serious harm to the affected individual. To prevent the spread of communicable or potentially communicable disease, the department may isolate or quarantine, pursuant to chapter 139A and the rules implementing chapter 139A and this subchapter, any individual who is unable or unwilling to undergo treatment or prophylaxis pursuant to this section.

8. Isolate or quarantine individuals or groups of individuals pursuant to chapter 139A and the rules implementing chapter 139A and this subchapter.

9. Inform the public when a public health disaster has been declared or terminated, about protective measures to take during the disaster, and about actions being taken to control the disaster.

10. Accept grants and loans from the federal government pursuant to section 29C.6 or available provisions of federal law.

11. If a public health disaster or other public health emergency situation exists which poses an imminent threat to the public health, safety, and welfare, the department, in conjunction with the governor, may provide financial assistance, from funds appropriated to the department that are not otherwise encumbered, to political subdivisions as needed to alleviate the disaster or the emergency. If the department does not have sufficient unencumbered funds, the governor may request the executive council to authorize the payment of up to one million dollars as an expense from the appropriations addressed in section 7D.29 to alleviate the disaster or the emergency. If additional financial assistance is required in excess of one million dollars, approval by the legislative council is also required.

12. Temporarily reassign department employees for purposes of response and recovery efforts, to the extent such employees consent to the reassignments.

13. Order, in conjunction with the department of education, temporary closure of any public school or nonpublic school, as defined in section 280.2, to prevent or control the transmission of a communicable disease as defined in section 139A.2.

135.145 Information sharing.

1. When the department of public safety or other federal, state, or local law enforcement agency learns of a case of a disease or health condition, unusual cluster, or a suspicious event that may be the cause of a public health disaster, the department or agency shall immediately

notify the department, the director of the department of homeland security and emergency management, the department of agriculture and land stewardship, and the department of natural resources as appropriate.

2. When the department learns of a case of a disease or health condition, an unusual cluster, or a suspicious event that may be the cause of a public health disaster, the department shall immediately notify the department of public safety, the department of homeland security and emergency management, and other appropriate federal, state, and local agencies and officials.

3. Sharing of information on diseases, health conditions, unusual clusters, or suspicious events between the department and public safety authorities and other governmental agencies shall be restricted to sharing of only the information necessary for the prevention, control, and investigation of a public health disaster.

4. Release of information pursuant to this section shall be consistent with the federal Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191.

2003 Acts, ch 33, §6, 11; 2003 Acts, ch 179, §157; 2006 Acts, ch 1079, §1; 2013 Acts, ch 29, §46

Communicable and infectious diseases and poisonings, see chapter 139A

135.146 First responder vaccination program.

1. In the event that federal funding is received for administering vaccinations for first responders, the department shall offer a vaccination program for first responders who may be exposed to infectious diseases when deployed to disaster locations. For purposes of this section, “*first responder*” means state and local law enforcement personnel, fire department personnel, and emergency medical personnel who will be deployed to sites of bioterrorism attacks, terrorist attacks, catastrophic or natural disasters, and other disasters. The vaccinations shall include, but not be limited to, vaccinations for hepatitis B, diphtheria, tetanus, influenza, and other vaccinations when recommended by the United States public health service and in accordance with federal emergency management agency policy. Immune globulin will be made available when necessary.

2. Participation in the vaccination program shall be voluntary, except for first responders who are classified as having occupational exposure to blood-borne pathogens as defined by the occupational safety and health administration standard contained in 29 C.F.R. §1910.1030. First responders who are so classified shall be required to receive the vaccinations as described in subsection 1. A first responder shall be exempt from this requirement, however, when a written statement from a licensed physician is presented indicating that a vaccine is medically contraindicated for that person or the first responder signs a written statement that the administration of a vaccination conflicts with religious tenets.

3. The department shall establish first responder notification procedures regarding the existence of the program by rule, and shall develop, and distribute to first responders, educational materials on methods of preventing exposure to infectious diseases. In administering the program, the department may contract with county and local health departments, not-for-profit home health care agencies, hospitals, physicians, and military unit clinics.

2004 Acts, ch 1012, §1, 2; 2005 Acts, ch 3, §31

135.147 Immunity for emergency aid — exceptions.

1. A person, corporation, or other legal entity, or an employee or agent of such person, corporation, or entity, who, during a public health disaster, in good faith and at the request of or under the direction of the department or the department of public defense renders emergency care or assistance to a victim of the public health disaster shall not be liable for civil damages for causing the death of or injury to a person, or for damage to property, unless such acts or omissions constitute recklessness.

2. The immunities provided in this section shall not apply to any person, corporation, or other legal entity, or an employee or agent of such person, corporation, or entity, whose act

or omission caused in whole or in part the public health disaster and who would otherwise be liable therefor.

SUBCHAPTER XVIII
GAMBLING TREATMENT PROGRAM

135.150 Gambling treatment program — standards and licensing.

1. *a.* The department shall operate a gambling treatment program to provide programs which may include but are not limited to outpatient and follow-up treatment for persons affected by problem gambling, rehabilitation and residential treatment programs, information and referral services, crisis call access, education and preventive services, and financial management and credit counseling services.

b. A person shall not maintain or conduct a gambling treatment program funded through the department unless the person has obtained a license for the program from the department. The department shall adopt rules to establish standards for the licensing and operation of gambling treatment programs under this section. The rules shall specify, but are not limited to specifying, the qualifications for persons providing gambling treatment services, standards for the organization and administration of gambling treatment programs, and a mechanism to monitor compliance with this section and the rules adopted under this section.

2. The department shall report annually to the general assembly's standing committees on government oversight regarding the operation of the gambling treatment program. The report shall include but is not limited to information on the moneys expended and grants awarded for operation of the gambling treatment program.

SUBCHAPTER XXVII
STATE CHILD CARE ADVISORY COMMITTEE

135.173 Early childhood Iowa council. Repealed by 2010 Acts, ch 1031, §308.

135.173A Child care advisory committee.

1. The early childhood stakeholders alliance shall establish a state child care advisory committee as part of the stakeholders alliance. The advisory committee shall advise and make recommendations to the governor, general assembly, department of human services, and other state agencies concerning child care.

2. The membership of the advisory committee shall consist of a broad spectrum of parents and other persons from across the state with an interest in or involvement with child care.

3. Except as otherwise provided, the voting members of the advisory committee shall be appointed by the stakeholders alliance from a list of names submitted by a nominating committee to consist of one member of the advisory committee, one member of the department of human services' child care staff, three consumers of child care, and one member of a professional child care organization. Two names shall be submitted for each appointment. The voting members shall be appointed for terms of three years.

4. The voting membership of the advisory committee shall be appointed in a manner so as to provide equitable representation of persons with an interest in child care and shall include all of the following:

- a. Two parents of children served by a registered child development home.
- b. Two parents of children served by a licensed center.
- c. Two not-for-profit child care providers.
- d. Two for-profit child care providers.
- e. One child care home provider.
- f. Three child development home providers.
- g. One child care resource and referral service grantee.
- h. One nongovernmental child advocacy group representative.
- i. One designee of the department of human services.
- j. One designee of the Iowa department of public health.
- k. One designee of the department of education.
- l. One head start program provider.
- m. One person who is a business owner or executive officer from nominees submitted by the Iowa chamber of commerce executives.
- n. One designee of the early childhood office of the department of management.
- o. One person who is a member of the Iowa afterschool alliance.
- p. One person who is part of a local program implementing the statewide preschool program for four-year-old children under chapter 256C.
- q. One person who represents the early childhood stakeholders alliance.

5. In addition to the voting members of the advisory committee, the membership shall include four legislators as ex officio, nonvoting members. The four legislators shall be appointed one each by the majority leader of the senate, the minority leader of the senate, the speaker of the house of representatives, and the minority leader of the house of representatives for terms as provided in section 69.16B.

6. In fulfilling the advisory committee's role, the committee shall do all of the following:

a. Consult with the department of human services and make recommendations concerning policy issues relating to child care.

b. Advise the department of human services concerning services relating to child care, including but not limited to any of the following:

- (1) Resource and referral services.
- (2) Provider training.
- (3) Quality improvement.
- (4) Public-private partnerships.
- (5) Standards review and development.
- (6) The federal child care and development block grant, state funding, grants, and other funding sources for child care.

c. Assist the department of human services in developing an implementation plan to provide seamless service to recipients of public assistance, which includes child care services. For the purposes of this subsection, "seamless service" means coordination, where possible, of the federal and state requirements which apply to child care.

d. Advise and provide technical services to the director of the department of education or the director's designee relating to prekindergarten, kindergarten, and before and after school programming and facilities.

e. Make recommendations concerning child care expansion programs that meet the needs of children attending a core education program by providing child care before and after the core program hours and during times when the core program does not operate.

f. Make recommendations for improving collaborations between the child care programs involving the department of human services and programs supporting the education and development of young children including but not limited to the federal head start program; the statewide preschool program for four-year-old children; and the early childhood, at-risk, and other early education programs administered by the department of education.

g. Make recommendations for eliminating duplication and otherwise improving the eligibility determination processes used for the state child care assistance program and other programs supporting low-income families, including but not limited to the federal head start, early head start, and even start programs; the early childhood, at-risk, and preschool programs administered by the department of education; the family and self-sufficiency grant program; and the family investment program.

h. Make recommendations as to the most effective and efficient means of managing the state and federal funding available for the state child care assistance program.

i. Review program data from the department of human services and other departments concerning child care as deemed to be necessary by the advisory committee, although a department shall not provide personally identifiable data or information.

j. Advise and assist the early childhood stakeholders alliance in developing the strategic plan required pursuant to section 256I.4, subsection 4.

7. The department of human services shall provide information to the advisory committee semiannually on all of the following:

a. Federal, state, local, and private revenues and expenditures for child care including but not limited to updates on the current and future status of the revenues and expenditures.

b. Financial information and data relating to regulation of child care by the department of human services and the usage of the state child care assistance program.

c. Utilization and availability data relating to child care regulation, quantity, and quality from consumer and provider perspectives.

d. Statistical and demographic data regarding child care providers and the families utilizing child care.

e. Statistical data regarding the processing time for issuing notices of decision to state child care assistance applicants and for issuing payments to child care providers.

8. The advisory committee shall coordinate with the early childhood stakeholders alliance its reporting annually in December to the governor and general assembly concerning the status of child care in the state, providing findings, and making recommendations. The annual report may be personally presented to the general assembly's standing committees on human resources by a representative of the advisory committee.

SUBCHAPTER XXVIII

HEALTH CARE WORKFORCE SUPPORT INITIATIVE AND FUND

135.175 Health care workforce support initiative — workforce shortage fund — accounts.

1. a. A health care workforce support initiative is established to provide for the coordination and support of various efforts to address the health care workforce shortage in this state. This initiative shall include the medical residency training state matching grants

program created in section 135.176, the nurse residency state matching grants program created in section 135.178, and the fulfilling Iowa's need for dentists matching grant program created in section 135.179.

b. A health care workforce shortage fund is created in the state treasury as a separate fund under the control of the department, in cooperation with the entities identified in this section as having control over the accounts within the fund. The fund and the accounts within the fund shall be controlled and managed in a manner consistent with the principles specified and the strategic plan developed pursuant to section 135.163.

2. The fund and the accounts within the fund shall consist of moneys appropriated from the general fund of the state for the purposes of the fund or the accounts within the fund; moneys received from the federal government for the purposes of addressing the health care workforce shortage; contributions, grants, and other moneys from communities and health care employers; and moneys from any other public or private source available.

3. The department and any entity identified in this section as having control over any of the accounts within the fund, may receive contributions, grants, and in-kind contributions to support the purposes of the fund and the accounts within the fund. Not more than five percent of the moneys allocated to any account within the fund may be used for administrative costs.

4. The fund and the accounts within the fund shall be separate from the general fund of the state and shall not be considered part of the general fund of the state. The moneys in the fund and the accounts within the fund shall not be considered revenue of the state, but rather shall be moneys of the fund or the accounts. The moneys in the fund and the accounts within the fund are not subject to section 8.33 and shall not be transferred, used, obligated, appropriated, or otherwise encumbered, except to provide for the purposes of this section. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the fund shall be credited to the fund and the accounts within the fund.

5. The fund shall consist of the following accounts:

a. The medical residency training account. The medical residency training account shall be under the control of the department and the moneys in the account shall be used for the purposes of the medical residency training state matching grants program as specified in section 135.176. Moneys in the account shall consist of moneys appropriated or allocated for deposit in or received by the fund or the account and specifically dedicated to the medical residency training state matching grants program or account for the purposes of such account.

b. The nurse residency state matching grants program account. The nurse residency state matching grants program account shall be under the control of the department and the moneys in the account shall be used for the purposes of the nurse residency state matching grants program as specified in section 135.178. Moneys in the account shall consist of moneys appropriated or allocated for deposit in or received by the fund or the account and specifically dedicated to the nurse residency state matching grants program account for the purposes of such account.

c. The health care workforce shortage national initiatives account. The health care workforce shortage national initiatives account shall be under the control of the state entity identified for receipt of the federal funds by the federal government entity through which the federal funding is available for a specified health care workforce shortage initiative. Moneys in the account shall consist of moneys appropriated or allocated for deposit in or received by the fund or the account and specifically dedicated to health care workforce shortage national initiatives or the account and for a specified health care workforce shortage initiative.

d. The fulfilling Iowa's need for dentists matching grant program account. The fulfilling Iowa's need for dentists matching grant program account shall be under the control of the department and the moneys in the account shall be used for the purposes of the fulfilling Iowa's need for dentists matching grant program as specified in section 135.179. Moneys in the account shall consist of moneys appropriated or allocated for deposit in the account or received by the fund or the account and specifically dedicated to the fulfilling Iowa's need for dentists matching grant program account for the purposes of such account.

6. a. Moneys in the fund and the accounts in the fund shall only be appropriated in a manner consistent with the principles specified and the strategic plan developed pursuant

to section 135.163 to support the medical residency training state matching grants program, the nurse residency state matching grants program, the fulfilling Iowa's need for dentists matching grant program, and to provide funding for state health care workforce shortage programs as provided in this section.

b. State programs that may receive funding from the fund and the accounts in the fund, if specifically designated for the purpose of drawing down federal funding, are the primary care recruitment and retention endeavor (PRIMECARRE), the Iowa affiliate of the national rural recruitment and retention network, the oral and health delivery systems bureau of the department, the primary care office and shortage designation program, and the state office of rural health, administered through the oral and health delivery systems bureau of the department of public health; any entity identified by the federal government entity through which federal funding for a specified health care workforce shortage initiative is received; and a program developed in accordance with the strategic plan developed by the department of public health in accordance with section 135.163.

c. Any federal funding received for the purposes of addressing state health care workforce shortages shall be deposited in the health care workforce shortage national initiatives account, unless otherwise specified by the source of the funds, and shall be used as required by the source of the funds. If use of the federal funding is not designated, the funds shall be used in accordance with the strategic plan developed by the department of public health in accordance with section 135.163, or to address workforce shortages as otherwise designated by the department of public health. Other sources of funding shall be deposited in the fund or account and used as specified by the source of the funding.

7. No more than five percent of the moneys in any of the accounts within the fund shall be used for administrative purposes, unless otherwise provided by the appropriation, allocation, or source of the funds.

8. The department, in cooperation with the entities identified in this section as having control over any of the accounts within the fund, shall submit an annual report to the governor and the general assembly regarding the status of the health care workforce support initiative, including the balance remaining in and appropriations from the health care workforce shortage fund and the accounts within the fund.

SUBCHAPTER XXIX

HEALTH CARE WORKFORCE SUPPORT

135.176 Medical residency training state matching grants program.

1. The department shall establish a medical residency training state matching grants program to provide matching state funding to sponsors of accredited graduate medical education residency programs in this state to establish, expand, or support medical residency training programs. Funding for the program may be provided through the health care workforce shortage fund or the medical residency training account created in section 135.175. For the purposes of this section, unless the context otherwise requires, “*accredited*” means a graduate medical education program approved by the accreditation council for graduate medical education or the American osteopathic association. The grant funds may be used to support medical residency programs through any of the following:

a. The establishment of new or alternative campus accredited medical residency training programs. For the purposes of this paragraph, “*new or alternative campus accredited medical residency training program*” means a program that is accredited by a recognized entity approved for such purpose by the accreditation council for graduate medical education or the American osteopathic association with the exception that a new medical residency training program that, by reason of an insufficient period of operation is not eligible for accreditation on or before the date of submission of an application for a grant, may be

deemed accredited if the accreditation council for graduate medical education or the American osteopathic association finds, after consultation with the appropriate accreditation entity, that there is reasonable assurance that the program will meet the accreditation standards of the entity prior to the date of graduation of the initial class in the program.

b. The provision of new residency positions within existing accredited medical residency or fellowship training programs.

c. The funding of residency positions which are in excess of the federal residency cap. For the purposes of this paragraph, "*in excess of the federal residency cap*" means a residency position for which no federal Medicare funding is available because the residency position is a position beyond the cap for residency positions established by the federal Balanced Budget Act of 1997, Pub. L. No. 105-33.

2. The department shall adopt rules pursuant to chapter 17A to provide for all of the following:

a. Eligibility requirements for and qualifications of a sponsor of an accredited graduate medical education residency program to receive a grant. The requirements and qualifications shall include but are not limited to all of the following:

(1) A sponsor shall demonstrate that funds have been budgeted and will be expended by the sponsor in the amount required to provide matching funds for each residency position proposed in the request for state matching funds.

(2) A sponsor shall demonstrate, through objective evidence as prescribed by rule of the department, a need for such residency program in the state.

b. The application process for the grant.

c. Criteria for preference in awarding of the grants, including preference in the residency specialty and preference for candidates who are residents of Iowa, attended and earned an undergraduate degree from an Iowa college or university, or attended and earned a medical degree from a medical school in Iowa.

d. Determination of the amount of a grant. The total amount of a grant awarded to a sponsor proposing the establishment of a new or alternative campus accredited medical residency training program as defined in subsection 1, paragraph "a", shall be limited to no more than one hundred percent of the amount the sponsor has budgeted as demonstrated under paragraph "a". The total amount of a grant awarded to a sponsor proposing the provision of a new residency position within an existing accredited medical residency or fellowship training program as specified in subsection 1, paragraph "b", or the funding of residency positions which are in excess of the federal residency cap as defined in subsection 1, paragraph "c", shall be limited to no more than twenty-five percent of the amount that the sponsor has budgeted for each residency position sponsored for the purpose of the residency program.

e. The maximum award of grant funds to a particular individual sponsor per year. An individual sponsor that establishes a new or alternative campus accredited medical residency training program as defined in subsection 1, paragraph "a", shall not receive more than fifty percent of the state matching funds available each year to support the program. An individual sponsor proposing the provision of a new residency position within an existing accredited medical residency or fellowship training program as specified in subsection 1, paragraph "b", or the funding of residency positions which are in excess of the federal residency cap as defined in subsection 1, paragraph "c", shall not receive more than twenty-five percent of the state matching funds available each year to support the program.

f. Use of the funds awarded. Funds may be used to pay the costs of establishing, expanding, or supporting an accredited graduate medical education program as specified in this section, including but not limited to the costs associated with residency stipends and physician faculty stipends.

g. A requirement that the residency program offer persons to whom a primary care residency position is awarded, the opportunity to participate in a rural rotation to expose the resident to the rural areas of the state. For the purposes of this paragraph, "*primary*

care” shall include psychiatry, obstetrics, gynecology, family medicine, internal medicine, and emergency medicine.

135.178 Nurse residency state matching grants program.

The department shall establish a nurse residency state matching grants program to provide matching state funding to sponsors of nurse residency programs in this state to establish, expand, or support nurse residency programs that meet standards adopted by rule of the department. Funding for the program may be provided through the health care workforce shortage fund or the nurse residency state matching grants program account created in section 135.175. The department, in cooperation with the Iowa board of nursing, the department of education, Iowa institutions of higher education with board of nursing-approved programs to educate nurses, and the Iowa nurses association, shall adopt rules pursuant to chapter 17A to establish minimum standards for nurse residency programs to be eligible for a matching grant that address all of the following:

1. Eligibility requirements for and qualifications of a sponsor of a nurse residency program to receive a grant, including that the program includes both rural and urban components.
2. The application process for the grant.
3. Criteria for preference in awarding of the grants.
4. Determination of the amount of a grant.
5. Use of the funds awarded. Funds may be used to pay the costs of establishing, expanding, or supporting a nurse residency program as specified in this section, including but not limited to the costs associated with residency stipends and nursing faculty stipends.

SUBCHAPTER XXXI

BEHAVIOR ANALYST AND ASSISTANT BEHAVIOR ANALYST GRANTS PROGRAM

135.181 Board-certified behavior analyst and board-certified assistant behavior analyst grants program — fund.

1. The department shall establish a board-certified behavior analyst and board-certified assistant behavior analyst grants program to provide grants to Iowa resident and nonresident applicants who have been accepted for admission or are attending a university, community college, or an accredited private institution, within or outside the state of Iowa, are enrolled in a program that is accredited and meets coursework requirements to prepare the applicant to be eligible for board certification as a behavior analyst or assistant behavior analyst, and demonstrate financial need.

2. The department, in cooperation with the department of education, shall adopt rules pursuant to chapter 17A to establish minimum standards for applicants to be eligible for a grant that address all of the following:

a. Eligibility requirements for and qualifications of an applicant to receive a grant. The applicant shall agree to practice in the state of Iowa for a period of time, not to exceed four years, as specified in the contract entered into between the applicant and the department at the time the grant is awarded. In addition, the applicant shall agree, as specified in the contract, that during the contract period, the applicant will assist in supervising an individual working toward board certification as a behavior analyst or assistant behavior analyst or to consult with schools and service providers that provide services and supports to individuals with autism.

b. The application process for the grant.

c. Criteria for preference in awarding of the grants. Priority in the awarding of a grant shall be given to applicants who are residents of Iowa.

d. Determination of the amount of a grant. The amount of funding awarded to each applicant shall be based on the applicant's enrollment status, the number of applicants, and the total amount of available funds. The total amount of funds awarded to an individual applicant shall not exceed fifty percent of the total costs attributable to program tuition and fees, annually.

e. Use of the funds awarded. Funds awarded may be used to offset the costs attributable to tuition and fees for the accredited behavior analyst or assistant behavior analyst program.

3. a. A board-certified behavior analyst and board-certified assistant behavior analyst grants program fund is created in the state treasury as a separate fund under the control of the department. The fund shall consist of moneys appropriated from the general fund of the state for the purposes of the fund and moneys from any other public or private source available.

b. The department may receive contributions, grants, and in-kind contributions to support the purposes of the fund. Not more than five percent of the moneys in the fund may be used annually for administrative costs.

c. The fund shall be separate from the general fund of the state and shall not be considered part of the general fund of the state. The moneys in the fund shall not be considered revenue of the state, but rather shall be moneys of the fund. Moneys within the fund are not subject to section 8.33 and shall not be transferred, used, obligated, appropriated, or otherwise encumbered, except to provide for the purposes of this section. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the fund shall be credited to the fund.

d. The moneys in the fund are appropriated to the department and shall be used to provide grants to individuals who meet the criteria established under this section.

4. The department shall submit a report to the governor and the general assembly no later than January 1, annually, that includes but is not limited to all of the following:

a. The number of applications received for the immediately preceding fiscal year.

b. The number of applications approved and the total amount of funding awarded in grants in the immediately preceding fiscal year.

- c. The cost of administering the program in the immediately preceding fiscal year.
 - d. Recommendations for any changes to the program.

135A.5	through 135A.7 Repealed by 2016 Acts, ch 1026, §6.	135A.11	Implementation.

135A.1 Short title.

This chapter shall be known and may be cited as the “*Iowa Public Health Modernization Act*”.

2009 Acts, ch 182, §115, 126

135A.2 Definitions.

As used in this chapter, unless the context otherwise requires, the following definitions apply:

1. “*Academic institution*” means an institution of higher education in the state which grants degrees in public health or another health-related field and is accredited by a nationally recognized accrediting agency as determined by the United States secretary of education. For purposes of this definition, “*accredited*” means a certification of the quality of an institution of higher education.

2. “*Department*” means the department of public health.

3. “*Designated local public health agency*” means an entity that is either governed by or contractually responsible to a local board of health and designated by the local board.

4. “*Governmental public health system*” means local boards of health, the state board of health, designated local public health agencies, the state hygienic laboratory, and the department.

5. “*Local board of health*” means the same as defined in section 137.102.

6. “*Organizational capacity*” means the governmental public health infrastructure that must be in place in order to deliver public health services.

7. “*Public health system*” means all public, private, and voluntary entities that contribute to the delivery of public health services within a jurisdiction.

2009 Acts, ch 182, §116, 126; 2016 Acts, ch 1026, §1; 2017 Acts, ch 148, §25; 2019 Acts, ch 85, §72

135A.3 Governmental public health system — lead agency.

1. The department is designated as the lead agency in this state to administer this chapter.

2. Such administration shall include evaluation of and quality improvement measures for the governmental public health system.

2009 Acts, ch 182, §117, 126; 2016 Acts, ch 1026, §2

135A.4 Governmental public health advisory council — legislative intent. Repealed by 2019 Acts, ch 85, §74.

135A.5 through 135A.7 Repealed by 2016 Acts, ch 1026, §6.

135A.8 Governmental public health system fund.

1. The department is responsible for the funding of the administrative costs for implementation of this chapter. A governmental public health system fund is created as a separate fund in the state treasury under the control of the department. The fund shall consist of moneys obtained from any source, including the federal government, unless otherwise prohibited by law or the entity providing the funding. Moneys deposited in the fund are appropriated to the department for the public health purposes specified in this chapter. Moneys in the fund shall not be transferred, used, obligated, appropriated, or otherwise encumbered except as provided in this section. Notwithstanding section 8.33, moneys in the governmental public health system fund at the end of the fiscal year shall not revert to any other fund but shall remain in the fund for subsequent fiscal years.

2. The fund is established to assist local boards of health and the department with the provision of governmental public health system organizational capacity and public health service delivery and to achieve and maintain voluntary accreditation. At least seventy percent of the funds shall be made available to local boards of health and up to thirty percent of the funds may be utilized by the department.

3. Moneys in the fund may be allocated by the department to a local board of health for organizational capacity and service delivery. Such allocation may be made on a matching, dollar-for-dollar basis for the acquisition of equipment, or by providing grants to achieve and maintain voluntary accreditation.

4. A local board of health seeking matching funds or grants under this section shall apply to the department. The state board of health shall adopt rules concerning the application and award process for the allocation of moneys in the fund and shall establish the criteria for

the allocation of moneys in the fund if the moneys are insufficient to meet the needs of local boards of health.

2009 Acts, ch 182, §122, 126; 2016 Acts, ch 1026, §4

135A.9 Rules.

The state board of health shall adopt rules pursuant to chapter 17A to implement this chapter which shall include but are not limited to the following:

1. The application and award process for governmental public health system fund moneys.

2. Rules otherwise necessary to implement the chapter.

2009 Acts, ch 182, §123, 126; 2010 Acts, ch 1061, §29; 2016 Acts, ch 1026, §5; 2019 Acts, ch 85, §73

135A.10 Prohibited acts — fraudulently claiming accreditation — civil penalty. Repealed by 2016 Acts, ch 1026, §6.

135A.11 Implementation.

The department shall implement this chapter only to the extent that funding is available.

135B.4 Application for license.

Licenses shall be obtained from the department. Applications shall be upon forms and shall contain information as the department may reasonably require, which may include affirmative evidence of ability to comply with reasonable standards and rules prescribed under this chapter. Each application for license shall be accompanied by the license fee,

which shall be refunded to the applicant if the license is denied and which shall be deposited into the state treasury and credited to the general fund if the license is issued. Hospitals having fifty beds or less shall pay an initial license fee of fifteen dollars; hospitals of more than fifty beds and not more than one hundred beds shall pay an initial license fee of twenty-five dollars; all other hospitals shall pay an initial license fee of fifty dollars.

135B.5 Issuance and renewal of license.

1. Upon receipt of an application for license and the license fee, the department shall issue a license if the applicant and hospital facilities comply with this chapter, chapter 135, and the rules of the department. Each licensee shall receive annual reapproval upon payment of five hundred dollars and upon filing of an application form which is available from the department. The annual licensure fee shall be dedicated to support and provide educational programs on regulatory issues for hospitals licensed under this chapter. Licenses shall be either general or restricted in form. Each license shall be issued only for the premises and persons or governmental units named in the application and is not transferable or assignable except with the written approval of the department. Licenses shall be posted in a conspicuous place on the licensed premises as prescribed by rule of the department.

2. The provisions of this section shall not in any way affect, change, deny, or nullify any rights set forth in or arising from the provisions of this chapter and particularly section 135B.7, arising before or after December 31, 1960.

135B.5A Conversion of a hospital.

A conversion of a long-term acute care hospital, rehabilitation hospital, or psychiatric hospital as defined by federal regulations to a general hospital or to a specialty hospital of a different type is a permanent change in bed capacity and shall require a certificate of need pursuant to section 135.63.

2018 Acts, ch 1062, §2

135B.6 Denial, suspension, or revocation of license — hearings and review.

1. The department may deny, suspend, or revoke a license in any case where it finds that there has been a substantial failure to comply with this chapter or the rules or minimum standards adopted pursuant to this chapter.

2. A denial, suspension, or revocation shall be effected by mailing to the applicant or licensee by certified mail, or by personal service of, a notice setting forth the particular reasons for the action. A denial, suspension, or revocation shall become effective thirty days after the mailing or service of the notice, unless the applicant or licensee, within the thirty-day period gives written notice to the department requesting a hearing, in which case the notice is suspended. If a hearing has been requested, the applicant or licensee shall be given an opportunity for a prompt and fair hearing before the department. At any time at or prior to hearing, the department may rescind the notice of denial, suspension, or revocation upon being satisfied that the reasons for the denial, suspension, or revocation have been or will be removed. On the basis of a hearing or upon default of the applicant or licensee, the determination involved in the notice may be affirmed, modified, or set aside by the department. A copy of the decision, setting forth the finding of facts and the particular reasons for the decision shall be sent by certified mail, or served personally upon, the applicant or licensee.

3. The procedure governing hearings authorized by this section shall be in accordance with rules adopted by the department. A full and complete record shall be kept of all proceedings, and all testimony shall be reported but need not be transcribed unless judicial review is sought pursuant to section 135B.14. A copy or copies of the transcript may be

obtained by an interested party on payment of the cost of preparing the copy or copies. Witnesses may be subpoenaed by either party and shall be allowed fees at a rate prescribed by rule.

135B.7 Rules and enforcement.

1. a. The department, with the approval of the state board of health, shall adopt rules setting out the standards for the different types of hospitals to be licensed under this chapter. The department shall enforce the rules.

b. Rules or standards shall not be adopted or enforced which would have the effect of denying a license to a hospital or other institution required to be licensed, solely by reason of the school or system of practice employed or permitted to be employed by physicians in the hospital, if the school or system of practice is recognized by the laws of this state.

2. a. The rules shall state that a hospital shall not deny clinical privileges to physicians and surgeons, podiatric physicians, osteopathic physicians and surgeons, dentists, certified health service providers in psychology, physician assistants, or advanced registered nurse practitioners licensed under chapter 148, 148C, 149, 152, or 153, or section 154B.7, solely by reason of the license held by the practitioner or solely by reason of the school or institution in which the practitioner received medical schooling or postgraduate training if the medical schooling or postgraduate training was accredited by an organization recognized by the council on higher education accreditation or an accrediting group recognized by the United States department of education.

b. A hospital may establish procedures for interaction between a patient and a practitioner. The rules shall not prohibit a hospital from limiting, restricting, or revoking clinical privileges of a practitioner for violation of hospital rules, regulations, or procedures established under this paragraph, when applied in good faith and in a nondiscriminatory manner.

c. This subsection shall not require a hospital to expand the hospital's current scope of service delivery solely to offer the services of a class of providers not currently providing services at the hospital. This section shall not be construed to require a hospital to establish rules which are inconsistent with the scope of practice established for licensure of practitioners to whom this subsection applies.

d. This section shall not be construed to authorize the denial of clinical privileges to a practitioner or class of practitioners solely because a hospital has as employees of the hospital identically licensed practitioners providing the same or similar services.

3. The rules shall require that a hospital establish and implement written criteria for the granting of clinical privileges. The written criteria shall include but are not limited to consideration of all of the following:

a. The ability of an applicant for privileges to provide patient care services independently and appropriately in the hospital.

b. The license held by the applicant to practice.

c. The training, experience, and competence of the applicant.

d. The relationship between the applicant's request for the granting of privileges and the hospital's current scope of patient care services, as well as the hospital's determination of the necessity to grant privileges to a practitioner authorized to provide comprehensive, appropriate, and cost-effective services.

4. The department shall also adopt rules requiring hospitals to establish and implement protocols for responding to the needs of patients who are victims of domestic abuse, as defined in section 236.2.

5. The department shall also adopt rules requiring hospitals to establish and implement protocols for responding to the needs of patients who are victims of elder abuse, as defined in section 235F.1.

135B.9 Inspections and qualifications for hospital inspectors — protection and advocacy agency investigations.

1. The department shall make or cause to be made inspections as it deems necessary in order to determine compliance with applicable rules. Hospital inspectors shall meet the following qualifications:

a. Be free of conflicts of interest. A hospital inspector shall not participate in an inspection or complaint investigation of a hospital in which the inspector or a member of the inspector's immediate family works or has worked within the last two years. For purposes of this paragraph, "*immediate family member*" means a spouse; natural or adoptive parent, child, or sibling; or stepparent, stepchild, or stepsibling.

b. Complete a yearly conflict of interest disclosure statement.

c. Biennially, complete a minimum of ten hours of continuing education pertaining to hospital operations including but not limited to quality and process improvement standards, trauma system standards, and regulatory requirements.

2. In the state resource centers and state mental health institutes operated by the department of human services, the designated protection and advocacy agency as provided in section 135C.2, subsection 4, shall have the authority to investigate all complaints of abuse and neglect of persons with developmental disabilities or mental illnesses if the complaints are reported to the protection and advocacy agency or if there is probable cause to believe that the abuse has occurred. Such authority shall include the examination of all records pertaining to the care provided to the residents and contact or interview with any resident, employee, or any other person who might have knowledge about the operation of the institution.

135B.12 Confidentiality.

The department's final findings or the final survey findings of the joint commission on the accreditation of health care organizations or the American osteopathic association with respect to compliance by a hospital with requirements for licensing or accreditation shall be made available to the public in a readily available form and place. Other information relating to a hospital obtained by the department which does not constitute the department's findings

from an inspection of the hospital or the final survey findings of the joint commission on the accreditation of health care organizations or the American osteopathic association shall not be made available to the public, except in proceedings involving the denial, suspension, or revocation of a license under this chapter. The name of a person who files a complaint with the department shall remain confidential and shall not be subject to discovery, subpoena, or other means of legal compulsion for its release to a person other than department employees or agents involved in the investigation of the complaint.

135B.20 Definitions.

As used in this subchapter, unless the context otherwise requires:

1. “*Doctor*” shall mean any person licensed to practice medicine and surgery or osteopathic medicine and surgery in this state.

2. “*Employees*” as used in section 135B.24, and “*employment*” as used in section 135B.25, shall include and pertain to members of the religious order operating the hospital even though the relationship of employer and employee does not exist between such members and the hospital.

3. “*Hospital*” shall mean all hospitals licensed under this chapter.

4. “*Joint conference committee*” shall mean the joint conference committee as required by the joint commission on accreditation of health care organizations or, in a hospital having no such committee, a similar committee, an equal number of which shall be members of the medical staff selected by the staff and an equal number of which shall be selected by the governing board of the hospital.

5. “*Technician*” shall mean technologist as well.

135B.22 Character of services.

Pathology and radiology services performed in hospitals are the product of the joint contribution of hospitals, doctors and technicians but these services constitute medical services which must be performed by or under the direction and supervision of a doctor, and no hospital shall have the right, directly or indirectly, to direct, control or interfere with the professional medical acts and duties of the doctor in charge of the pathology or radiology facilities or of the technicians under the doctor’s supervision. Nothing herein contained shall affect the rights of third parties as a result of negligence in the operation or maintenance of the aforesaid pathology and radiology facilities.

[C58, 62, 66, 71, 73, 75, 77, 79, 81, §135B.22]

135B.23 Agreement with doctor.

Each hospital shall arrange for such services and for the direction and supervision of its pathology or radiology department by entering into either an oral or written agreement with a doctor who is a member of or acceptable to the hospital medical staff. Such doctor may or may not be a specialist. The department may be supervised and directed by a qualified member of the staff and specific services may be referred to a specialist, or the specialist may also direct and supervise the department as may be desired. Any contract so entered into shall be in accordance with the provisions of this subchapter.

Referred to in §135B.20

135B.25 Hiring and dismissal of technicians.

The doctor and hospital shall mutually agree upon the employment of any technicians necessary for the proper operation of said department and no technicians shall be dismissed from said employment without the mutual consent of the parties, provided, however, that in the event the hospital and doctor are unable mutually to agree upon the hiring or discharge or disciplining of any employee of said department, the matter shall be promptly submitted to the joint conference committee for final determination.

[C58, 62, 66, 71, 73, 75, 77, 79, 81, §135B.25]

Referred to in §135B.20

135B.26 Compensation.

The contract between the hospital and doctor in charge of the laboratory or X ray facilities may contain any provision for compensation of each upon which they mutually agree. The contract may create the relationship of employer and employee between the hospital and the radiologist or pathologist. A percentage arrangement or a relationship of employer and employee between the hospital and the radiologist or pathologist is not unprofessional conduct on the part of the doctor or in violation of the statutes of this state upon the part of the hospital.

135B.27 Admission agreement.

The hospital admission agreement signed by the patient or the patient's legal representative shall contain the following statement:

Pathology and radiology services are medical services performed or supervised by doctors, and the personnel and facilities are or may be furnished by the hospital for said services. Charges for such services are or may be collected, however, by the hospital on behalf of said doctors pursuant to an agreement between said doctors and the hospital, and from said charges I consent that an agreed sum will be retained by the hospital in accordance with an existing agreement between the doctor and the hospital.

[C58, 62, 66, 71, 73, 75, 77, 79, 81, §135B.27]

135B.28 Hospital bill.

1. The hospital bill shall properly include the charges for pathology and radiology services as long as the name of the doctor is stated and it fairly appears that the charge is for medical services.

2. The hospital bill shall also contain a statement substantially in the following form:

The pathology and radiology charges are for medical services rendered by or under the direction of the doctor listed above and are collected by the hospital on behalf of the doctor, from which charges an agreed sum will be retained by the hospital in

accordance with an existing agreement to which retention you consented at the time of your admission to the hospital.

3. Upon the effective date of regulations which may be adopted by the United States department of health and human services prohibiting combined billing by hospitals and hospital-based physicians under Tit. XVIII of the federal Social Security Act, the charges for all pathology and radiology services in a hospital, may upon the mutual agreement of the hospital, physician, and third-party payer, be billed separately, the hospital component of the charges being included in the hospital bill and the doctor component being billed by the doctor.

135B.29 Fees.

All fees to be charged by the doctors for pathology and radiology services shall be mutually agreed upon by the hospital and the doctor. In the event dispute shall arise between the parties the matter shall be submitted to the joint conference committee for final determination.

[C58, 62, 66, 71, 73, 75, 77, 79, 81, §135B.29]

135B.30 Radiology and pathology fees.

Fees for radiology and pathology services must be paid for as medical and not hospital services. In all cases where payment is to be made by a corporation organized pursuant to chapter 514, payment for radiology and pathology services shall be made by a medical service corporation and not by a hospital service corporation.

[C58, 62, 66, 71, 73, 75, 77, 79, 81, §135B.30]

135B.31 Exceptions.

This subchapter is not intended and shall not affect in any way the obligation of public hospitals under chapter 347 or municipal hospitals to provide medical care or treatment to patients of certain entitlement, nor the operation by the state of mental or other hospitals authorized by law. This subchapter shall not in any way affect or limit the practice of dentistry or the practice of oral surgery by a dentist.

SUBCHAPTER III

TECHNICAL PLANNING ASSISTANCE

135B.33 Technical assistance — plan — grants.

1. Subject to availability of funds, the Iowa department of public health shall provide technical planning assistance to local boards of health and hospital governing boards to ensure access to hospital services in rural areas. The department shall encourage the local boards of health and hospital governing boards to adopt a long-term community health services and developmental plan including the following:

a. An analysis of demographic trends in the health facility services area, affecting health facility and health-facility-related health care utilizations.

b. A review of inpatient services currently provided, by type of service and the frequency of provision of that service, and the cost-effectiveness of that service.

c. An analysis of resources available in proximate health facilities and services that might be provided through alternative arrangements with such health facilities.

d. An analysis of cooperative arrangements that could be developed with other health facilities in the area that could assist those health facilities in the provision of services.

e. An analysis of community health needs, including long-term care, nursing facility care, pediatric and maternity services, and the health facilities' potential role in facilitating the provision of services to meet these needs.

f. An analysis of alternative uses for existing health facility space and real property, including use for community health-related and human service-related purposes.

g. An analysis of mechanisms to meet indigent patient care needs and the responsibilities for the care of indigent patients.

h. An analysis of the existing tax levying of the health facilities for patient care, on a per capita basis and per hospital patient basis, and projections on future needs for tax levying to continue for the provision of care.

2. Providers may cooperatively coordinate to develop one long-term community health services and developmental plan for a geographic area, provided the plan addresses the issues enumerated in this section.

3. The health facilities may seek technical assistance or apply for matching grant funds for the plan development. The department shall require compliance with subsection 1, paragraphs "a" through "h", when the facility applies for matching grant funds.

SUBCHAPTER IV

EMPLOYEE RECORD CHECKS

135B.34 Hospital employees — criminal history and abuse record checks — penalty.

1. a. Prior to employment of a person in a hospital, the hospital shall do one of the following:

(1) Request that the department of public safety perform a criminal history check and the department of human services perform child and dependent adult abuse record checks of the person in this state.

(2) Access the single contact repository to perform the required record checks.

b. (1) If a hospital accesses the single contact repository to perform the required record checks pursuant to paragraph "a", the hospital may utilize a third-party vendor to perform a comprehensive preliminary background check and provisionally employ a person being considered for employment pending completion of the required record checks through the single contact repository and the evaluation by the department of human services, as applicable, subject to all of the following:

(a) If the comprehensive preliminary background check determines that the person being considered for employment has been convicted of a crime, but the crime does not constitute a felony as defined in section 701.7 and is not a crime specified pursuant to chapter 708, 708A, 709, 709A, 710, 710A, 711, or 712, or pursuant to section 726.3, 726.7, or 726.8.

(b) If the comprehensive preliminary background check determines the person being considered for employment does not have a record of founded child abuse or dependent adult abuse or if an exception pursuant to subsection 4 is applicable to the person.

(c) If the hospital has requested an evaluation in accordance with subsection 2, paragraph "a", to determine whether the crime warrants prohibition of the person's employment in the hospital.

(2) The provisional employment under this paragraph "b" may continue until such time as the required record checks through the single contact repository and the evaluation by the department of human services, as applicable, are completed.

c. A hospital shall inform all persons prior to employment regarding the performance of the record checks and shall obtain, from the persons, a signed acknowledgment of the receipt of the information. A hospital shall include the following inquiry in an application for employment:

Do you have a record of founded child or dependent adult abuse or have you ever been convicted of a crime, in this state or any other state?

2. *a.* If it is determined that a person being considered for employment in a hospital has committed a crime, the department of public safety shall notify the hospital that upon the request of the hospital the department of human services will perform an evaluation to determine whether the crime warrants prohibition of the person's employment in the hospital.

b. (1) If a person being considered for employment, other than employment involving the operation of a motor vehicle, has been convicted of a crime listed in subparagraph (2) but does not have a record of founded child or dependent adult abuse and the hospital has requested an evaluation in accordance with paragraph "a" to determine whether the crime warrants prohibition of the person's employment, the hospital may employ the person for not more than sixty calendar days pending completion of the evaluation.

(2) Subparagraph (1) applies to a crime that is a simple misdemeanor offense under section 123.47, and to a crime that is a first offense of operating a motor vehicle while intoxicated under section 321J.2, subsection 1.

c. If a department of human services child or dependent adult abuse record check shows that the person has a record of founded child or dependent adult abuse, the department of human services shall notify the hospital that upon the request of the hospital the department of human services will perform an evaluation to determine whether the founded child or dependent adult abuse warrants prohibition of the person's employment in the hospital.

d. An evaluation performed under this subsection shall be performed in accordance with procedures adopted for this purpose by the department of human services.

e. (1) If a person owns or operates more than one hospital, and an employee of one of such hospitals is transferred to another such hospital without a lapse in employment, the hospital is not required to request additional criminal and child and dependent adult abuse record checks of that employee.

(2) If the ownership of a hospital is transferred, at the time of transfer the record checks required by this section shall be performed for each employee for whom there is no documentation that such record checks have been performed. The hospital may continue to employ such employee pending the performance of the record checks and any related evaluation.

3. In an evaluation, the department of human services shall consider the nature and seriousness of the crime or founded child or dependent adult abuse in relation to the position sought or held, the time elapsed since the commission of the crime or founded child or dependent adult abuse, the circumstances under which the crime or founded child or dependent adult abuse was committed, the degree of rehabilitation, the likelihood that the person will commit the crime or founded child or dependent adult abuse again, and the number of crimes or founded child or dependent adult abuses committed by the person involved. If the department of human services performs an evaluation for the purposes of this section, the department of human services has final authority in determining whether prohibition of the person's employment is warranted.

4. *a.* Except as provided in subsection 1, paragraph "b", subsection 2, and paragraph "b" of this subsection, a person who has committed a crime or has a record of founded child or dependent adult abuse shall not be employed in a hospital licensed under this chapter unless an evaluation has been performed by the department of human services.

b. A person with a criminal or abuse record who is or was employed by a hospital licensed under this chapter and is hired by another hospital shall be subject to the criminal history and abuse record checks required pursuant to subsection 1. However, if an evaluation was previously performed by the department of human services concerning the person's criminal or abuse record and it was determined that the record did not warrant prohibition of the person's employment and the latest record checks do not indicate a crime was committed or founded abuse record was entered subsequent to that evaluation, the person may commence employment with the other hospital in accordance with the department of human services'

evaluation and an exemption from the requirements in paragraph “a” for reevaluation of the latest record checks is authorized. Otherwise, the requirements of paragraph “a” remain applicable to the person’s employment. Authorization of an exemption under this paragraph “b” from requirements for reevaluation of the latest record checks by the department of human services is subject to all of the following provisions:

(1) The position with the subsequent employer is substantially the same or has the same job responsibilities as the position for which the previous evaluation was performed.

(2) Any restrictions placed on the person’s employment in the previous evaluation by the department of human services shall remain applicable in the person’s subsequent employment.

(3) The person subject to the record checks has maintained a copy of the previous evaluation and provides the evaluation to the subsequent employer or the previous employer provides the previous evaluation from the person’s personnel file pursuant to the person’s authorization. If a physical copy of the previous evaluation is not provided to the subsequent employer, the record checks shall be reevaluated.

(4) Although an exemption under this lettered paragraph “b” may be authorized, the subsequent employer may instead request a reevaluation of the record checks and may employ the person while the reevaluation is being performed.

5. a. If a person employed by a hospital that is subject to this section is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the person’s employment application date, the person shall inform the hospital of such information within forty-eight hours of the criminal conviction or entry of the record of founded child or dependent adult abuse. The hospital shall act to verify the information within seven calendar days of notification. If the information is verified, the requirements of subsections 2, 3, and 4 regarding employability and evaluations shall be applied by the hospital to determine whether or not the person’s employment is continued. The hospital may continue to employ the person pending the performance of an evaluation by the department of human services to determine whether prohibition of the person’s employment is warranted. A person who is required by this subsection to inform the person’s employer of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor.

b. If a hospital receives credible information, as determined by the hospital, that a person employed by the hospital has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after employment from a person other than the employee and the employee has not informed the hospital of such information within the period required under paragraph “a”, the hospital shall act to verify the credible information within seven calendar days of receipt of the credible information. If the information is verified, the requirements of subsections 2, 3, and 4 regarding employability and evaluations shall be applied by the hospital to determine whether or not the person’s employment is continued.

c. The hospital may notify the county attorney for the county where the hospital is located of any violation or failure by an employee to notify the hospital of a criminal conviction or entry of an abuse record within the period required under paragraph “a”.

6. A hospital licensed in this state may access the single contact repository established by the department pursuant to section 135C.33 as necessary for the hospital to perform record checks of persons employed or being considered for employment by the hospital.

7. For the purposes of this subsection,* *“comprehensive preliminary background check”* means the same as defined in section 135C.1.

SUBCHAPTER I

GENERAL PROVISIONS

135C.1 Definitions.

1. “*Adult day services*” means adult day services as defined in section 231D.1 that are provided in a licensed health care facility.

2. “*Certified volunteer long-term care ombudsman*” means a volunteer long-term care ombudsman certified pursuant to section 231.45.

3. “*Comprehensive preliminary background check*” includes a criminal history check of all states in which the applicant has worked or resided over the seven-year period immediately prior to submitting an application for employment that is conducted by a third-party vendor.

4. “*Department*” means the department of inspections and appeals.

5. “*Direction*” means authoritative policy or procedural guidance for the accomplishment of a function or activity.

6. “*Director*” means the director of the department of inspections and appeals, or the director’s designee.

7. “*Governmental unit*” means the state, or any county, municipality, or other political subdivision or any department, division, board or other agency of any of the foregoing.

8. “*Health care facility*” or “*facility*” means a residential care facility, a nursing facility, an intermediate care facility for persons with mental illness, or an intermediate care facility for persons with an intellectual disability.

9. “*House physician*” means a physician who has entered into a two-party contract with a health care facility to provide services in that facility.

10. “*Intermediate care facility for persons with an intellectual disability*” means an institution or distinct part of an institution with a primary purpose to provide health or rehabilitative services to three or more individuals, who primarily have an intellectual disability or a related condition and who are not related to the administrator or owner within the third degree of consanguinity, and which meets the requirements of this chapter and federal standards for intermediate care facilities for persons with an intellectual disability established pursuant to the federal Social Security Act, §1905(c)(d), as codified in 42 U.S.C. §1396d, which are contained in 42 C.F.R. pt. 483, subpt. D, §410 – 480.

11. “*Intermediate care facility for persons with mental illness*” means an institution, place, building, or agency designed to provide accommodation, board, and nursing care for a period exceeding twenty-four consecutive hours to three or more individuals, who primarily have mental illness and who are not related to the administrator or owner within the third degree of consanguinity.

12. “*Licensee*” means the holder of a license issued for the operation of a facility, pursuant to this chapter.

13. “*Mental illness*” means a substantial disorder of thought or mood which significantly

impairs judgment, behavior, or the capacity to recognize reality or the ability to cope with the ordinary demands of life.

14. “*Nursing care*” means those services which can be provided only under the direction of a registered nurse or a licensed practical nurse.

15. “*Nursing facility*” means an institution or a distinct part of an institution housing three or more individuals not related to the administrator or owner within the third degree of consanguinity, which is primarily engaged in providing health-related care and services, including rehabilitative services, but which is not engaged primarily in providing treatment or care for mental illness or an intellectual disability, for a period exceeding twenty-four consecutive hours for individuals who, because of a mental or physical condition, require nursing care and other services in addition to room and board.

16. “*Office of long-term care ombudsman*” means the office of long-term care ombudsman established pursuant to section 231.42.

17. “*Person*” means any individual, firm, partnership, corporation, company, association or joint stock association; and includes trustee, receiver, assignee or other similar representative thereof.

18. “*Physician*” has the meaning assigned that term by section 135.1, subsection 4.

19. “*Rehabilitative services*” means services to encourage and assist restoration of optimum mental and physical capabilities of the individual resident of a health care facility.

20. “*Residential care facility*” means any institution, place, building, or agency providing for a period exceeding twenty-four consecutive hours accommodation, board, personal assistance and other essential daily living activities to three or more individuals, not related to the administrator or owner thereof within the third degree of consanguinity, who by reason of illness, disease, or physical or mental infirmity are unable to sufficiently or properly care for themselves but who do not require the services of a registered or licensed practical nurse except on an emergency basis or who by reason of illness, disease, or physical or mental infirmity are unable to sufficiently or properly care for themselves but who do not require the services of a registered or licensed practical nurse except on an emergency basis if home and community-based services, other than nursing care, as defined by this chapter and departmental rule, are provided. For the purposes of this definition, the home and community-based services to be provided are limited to the type included under the medical assistance program provided pursuant to chapter 249A, are subject to cost limitations established by the department of human services under the medical assistance program, and except as otherwise provided by the department of inspections and appeals with the concurrence of the department of human services, are limited in capacity to the number of licensed residential care facilities and the number of licensed residential care facility beds in the state as of December 1, 2003.

21. “*Resident*” means an individual admitted to a health care facility in the manner prescribed by section 135C.23.

22. “*Respite care services*” means an organized program of temporary supportive care provided for twenty-four hours or more to a person in order to relieve the usual caregiver of the person from providing continual care to the person.

23. “*Social services*” means services relating to the psychological and social needs of the individual in adjusting to living in a health care facility, and minimizing stress arising from that circumstance.

24. “*State long-term care ombudsman*” means the state long-term care ombudsman appointed pursuant to section 231.42.

25. “*Supervision*” means direct oversight and inspection of the act of accomplishing a function or activity.

NEW subsection 3 and former subsections 3 – 24 renumbered as 4 – 25

135C.2 Purpose — rules — special classifications — protection and advocacy agency.

1. The purpose of this chapter is to promote and encourage adequate and safe care and housing for individuals who are aged or who, regardless of age, are infirm, convalescent, or mentally or physically dependent, by both public and private agencies by providing for the adoption and enforcement of rules and standards:

a. For the housing, care, and treatment of individuals in health care facilities, and

b. For the location, construction, maintenance, renovation, and sanitary operation of such health care facilities which will promote safe and adequate care of individuals in such homes so as to further the health, welfare, and safety of such individuals.

2. Rules and standards prescribed, promulgated, and enforced under this chapter shall not be arbitrary, unreasonable, or confiscatory and the department or agency prescribing, promulgating, or enforcing such rules or standards shall have the burden of proof to establish that such rules or standards meet such requirements and are consistent with the economic problems and conditions involved in the care and housing of persons in health care facilities.

3. a. The department shall establish by administrative rule the following special classifications:

(1) Within the residential care facility category, a special license classification for residential facilities intended to serve persons with mental illness.

(2) Within the nursing facility category, a special license classification for nursing facilities which designate and dedicate the facility or a special unit within the facility to provide care for persons who suffer from chronic confusion or a dementing illness. A nursing facility which designates and dedicates the facility or a special unit within the facility for the care of persons who suffer from chronic confusion or a dementing illness shall be specially licensed. For the purposes of this subsection, “*designate*” means to identify by a distinctive title or label and “*dedicate*” means to set apart for a definite use or purpose and to promote that purpose.

b. The department may also establish by administrative rule special classifications within the residential care facility, intermediate care facility for persons with mental illness, intermediate care facility for persons with an intellectual disability, or nursing facility categories, for facilities intended to serve individuals who have special health care problems or conditions in common. Rules establishing a special classification shall define the problem or condition to which the special classification is relevant and establish requirements for an approved program of care commensurate with the problem or condition. The rules may grant special variances or considerations to facilities licensed within the special classification.

c. The rules adopted for intermediate care facilities for persons with an intellectual disability shall be consistent with, but no more restrictive than, the federal standards for intermediate care facilities for persons with an intellectual disability established pursuant to the federal Social Security Act, §1905(c)(d), as codified in 42 U.S.C. §1396d, in effect on January 1, 1989. However, in order for an intermediate care facility for persons with an intellectual disability to be licensed, the state fire marshal must certify to the department that the facility meets the applicable provisions of the rules adopted for such facilities by the state fire marshal. The state fire marshal’s rules shall be based upon such a facility’s compliance with either the provisions applicable to health care occupancies or residential board and care occupancies of the life safety code of the national fire protection association, 2000 edition. The department shall adopt additional rules for intermediate care facilities for persons with an intellectual disability pursuant to section 135C.14, subsection 8.

d. Notwithstanding the limitations set out in this subsection regarding rules for intermediate care facilities for persons with an intellectual disability, the department shall consider the federal interpretive guidelines issued by the federal centers for Medicare and Medicaid services when interpreting the department’s rules for intermediate care facilities for persons with an intellectual disability. This use of the guidelines is not subject to the rulemaking provisions of sections 17A.4 and 17A.5, but the guidelines shall be published in the Iowa administrative bulletin and the Iowa administrative code.

4. The protection and advocacy agency designated in the state, under Pub. L. No. 98-527, the Developmental Disabilities Act of 1984, Pub. L. No. 99-319, the Protection and Advocacy for Mentally Ill Individuals Act of 1986, and Pub. L. No. 100-146, the federal Developmental Disabilities Assistance and Bill of Rights Act Amendments of 1987, is recognized as an

agency legally authorized and constituted to ensure the implementation of the purposes of this chapter for populations under its authority and in the manner designated by Pub. L. No. 98-527, Pub. L. No. 99-319, and Pub. L. No. 100-146 and in the assurances of the governor of the state.

5. The department shall establish a special classification within the residential care facility category in order to foster the development of residential care facilities which serve persons with an intellectual disability, chronic mental illness, a developmental disability, or brain injury, as described under section 225C.26, and which contain five or fewer residents. A facility within the special classification established pursuant to this subsection is exempt from the requirements of section 135.63. The department shall adopt rules which are consistent with rules previously developed for the waiver demonstration project pursuant to 1986 Iowa Acts, ch. 1246, §206, and which include all of the following provisions:

a. A facility provider under the special classification must comply with rules adopted by the department for the special classification. However, a facility provider which has been accredited by the council on quality and leadership shall be deemed to be in compliance with the rules adopted by the department.

b. A facility must be located in an area zoned for single or multiple-family housing or in an unincorporated area and must be constructed in compliance with applicable local requirements and the rules adopted for the special classification by the state fire marshal in accordance with the concept of the least restrictive environment for the facility residents. Local requirements shall not be more restrictive than the rules adopted for the special classification by the state fire marshal and the state building code requirements for single or multiple-family housing, under section 103A.7.

c. Facility provider plans for the facility's accessibility to residents must be in place.

d. A written plan must be in place which documents that a facility meets the needs of the facility's residents pursuant to individual program plans developed according to age appropriate and least restrictive program requirements.

e. A written plan must be in place which documents that a facility's residents have reasonable access to employment or employment-related training, education, generic community resources, and integrated opportunities to promote interaction with the community.

f. The facilities licensed under this subsection shall be eligible for funding utilized by other licensed residential care facilities for persons with an intellectual disability, or licensed residential care facilities for persons with mental illness, including but not limited to funding under or from the federal social services block grant, the state supplementary assistance program, state mental health and developmental disabilities services funds, and county funding provisions.

6. a. This chapter shall not apply to adult day services provided in a health care facility. However, adult day services shall not be provided by a health care facility to persons requiring a level of care which is higher than the level of care the facility is licensed to provide.

b. The level of care certification provisions pursuant to sections 135C.3 and 135C.4, the license application and fee provisions pursuant to section 135C.7, and the involuntary discharge provisions pursuant to section 135C.14, subsection 8, shall not apply to respite care services provided in a health care facility. However, respite care services shall not be provided by a health care facility to persons requiring a level of care which is higher than the level of care the facility is licensed to provide.

c. The department shall adopt rules to implement this subsection.

7. The rules adopted by the department regarding nursing facilities shall provide that a nursing facility may choose to be inspected either by the department or by the joint commission on accreditation of health care organizations. The rules regarding acceptance of inspection by the joint commission on accreditation of health care organizations shall include recognition, in lieu of inspection by the department, of comparable inspections and inspection findings of the joint commission on accreditation of health care organizations, if

the department is provided with copies of all requested materials relating to the inspection process.

135C.3 Nature of care.

1. A licensed nursing facility shall provide an organized twenty-four-hour program of services commensurate with the needs of its residents and under the immediate direction of a licensed nurse. Medical and nursing services must be provided under the direction of either a house physician or an individually selected physician. Surgery or obstetrical care shall not be provided within the facility. An admission to the nursing facility must be based on a physician's written order certifying that the individual being admitted requires no greater degree of nursing care than the facility to which the admission is made is licensed to provide and is capable of providing. The nursing facility is not required to admit an individual through court order, referral, or other means without the express prior approval of the administrator of the nursing facility.

2. A licensed intermediate care facility for persons with mental illness shall provide an organized twenty-four-hour program of services commensurate with the needs of its residents and under the immediate direction of a licensed registered nurse, who has had at least two years of recent experience in a chronic or acute psychiatric setting. Medical and nursing service must be provided under the direction of either a house physician or an individually selected physician. Surgery or obstetrical care shall not be provided within the facility. An admission to the intermediate care facility for persons with mental illness must be based on a physician's written order certifying that the individual being admitted requires no greater degree of nursing care than the facility to which the admission is made is licensed to provide and is capable of providing.

135C.4 Residential care facilities.

1. Each facility licensed as a residential care facility shall provide an organized continuous twenty-four-hour program of care commensurate with the needs of the residents of the home and under the immediate direction of a person approved and certified by the department whose combined training and supervised experience is such as to ensure adequate and competent care.

2. All admissions to residential care facilities shall be based on an order written by a physician certifying that the individual being admitted does not require nursing services or that the individual's need for nursing services can be avoided if home and community-based services, other than nursing care, as defined by this chapter and departmental rule, are provided.

3. For the purposes of this section, the home and community-based services to be provided shall be limited to the type included under the medical assistance program provided pursuant to chapter 249A, shall be subject to cost limitations established by the department of human services under the medical assistance program, and except as otherwise provided by the department of inspections and appeals with the concurrence of the department of human services, shall be limited in capacity to the number of licensed residential care facilities and the number of licensed residential care facility beds in the state as of December 1, 2003.

4. A residential care facility is not required to admit an individual through court order, referral, or other means without the express prior approval of the administrator of the residential care facility.

135C.5 Limitations on use.

Another business or activity serving persons other than the residents of a health care facility may be operated or provided in a designated part of the physical structure of the health care facility if the other business or activity meets the requirements of applicable state and federal laws, administrative rules, and federal regulations. The department shall not limit the ability of a health care facility to operate or provide another business or activity in the designated part of the facility if the business or activity does not interfere with the use of the facility by the residents or with the services provided to the residents, and is not disturbing to the residents. In denying the ability of a health care facility to operate or provide another business or activity under this section, the burden of proof shall be on the department to demonstrate that the other business or activity substantially interferes with the use of the facility by the residents or the services provided to the residents, or is disturbing to the residents. The state fire marshal, in accordance with chapter 17A, shall adopt rules which establish criteria for approval of a business or activity to be operated or provided in a designated part of the physical structure of a health care facility. For the purposes of this section, “*another business or activity*” shall not include laboratory services with the exception of laboratory services for which a waiver from regulatory oversight has been obtained under the federal Clinical Laboratory Improvement Amendments of 1988, Pub. L. No. 100-578, as amended, radiological services, anesthesiology services, obstetrical services, surgical services, or emergency room services provided by hospitals licensed under chapter 135B.

135C.6 License required — exemptions.

1. A person or governmental unit acting severally or jointly with any other person or governmental unit shall not establish or operate a health care facility in this state without a license for the facility. A supported community living service, as defined in section 225C.21, is not required to be licensed under this chapter, but is subject to approval under section 225C.21 in order to receive public funding.

2. A health care facility suitable for separation and operation with distinct parts may, where otherwise qualified in all respects, be issued multiple licenses authorizing various parts of such facilities to be operated as health care facilities of different license categories.

3. No change in a health care facility, its operation, program, or services, of a degree or character affecting continuing licensure shall be made without prior approval thereof by the department. The department may by rule specify the types of changes which shall not be made without its prior approval.

4. No department, agency, or officer of this state or of any of its political subdivisions shall pay or approve for payment from public funds any amount or amounts to a health care facility under any program of state aid in connection with services provided or to be provided an actual or prospective resident in a health care facility, unless the facility has a current license issued by the department and meets such other requirements as may be in effect pursuant to law.

5. No health care facility established and operated in compliance with law prior to January 1, 1976, shall be required to change its corporate or business name by reason of the definitions prescribed in section 135C.1, provided that no health care facility shall at any time represent or hold out to the public or to any individual that it is licensed as, or provides the services of, a health care facility of a type offering a higher grade of care than such health care facility is licensed to provide. Any health care facility which, by virtue of this section, operates under a name not accurately descriptive of the type of license which it holds shall clearly indicate

in any printed advertisement, letterhead, or similar material, the type of license or licenses which it has in fact been issued. No health care facility established or renamed after January 1, 1976, shall use any name indicating that it holds a different type of license than it has been issued.

6. A health care facility operated by and for the exclusive use of members of a religious order, which does not admit more than two individuals to the facility from the general public, may be operated without obtaining a license under this chapter and shall not be deemed to be licensed by the state.

7. A freestanding hospice facility which operates a hospice program in accordance with 42 C.F.R. §418 may be operated without obtaining a license under this chapter and shall not be deemed to be licensed by the state.

8. The following residential programs to which the department of human services applies accreditation, certification, or standards of review shall not be required to be licensed as a health care facility under this chapter:

a. Residential programs providing care to not more than four individuals and receiving moneys appropriated to the department of human services under provisions of a federally approved home and community-based services waiver for persons with an intellectual disability or other medical assistance program under chapter 249A. In approving a residential program under this paragraph, the department of human services shall consider the geographic location of the program so as to avoid an overconcentration of such programs in an area. In order to be approved under this paragraph, a residential program shall not be required to involve the conversion of a licensed residential care facility for persons with an intellectual disability.

b. Not more than forty residential care facilities for persons with an intellectual disability that are licensed to serve not more than five individuals may be authorized by the department of human services to convert to operation as a residential program under the provisions of a medical assistance home and community-based services waiver for persons with an intellectual disability. A converted residential program operating under this paragraph is subject to the conditions stated in paragraph "a" except that the program shall not serve more than five individuals.

c. A residential program approved by the department of human services pursuant to this paragraph "c" to receive moneys appropriated to the department of human services under provisions of a federally approved home and community-based services habilitation or waiver program may provide care to not more than five individuals. The department shall approve a residential program under this paragraph that complies with all of the following conditions:

(1) Approval of the program will not result in an overconcentration of such programs in an area.

(2) The county in which the residential program is located submits to the department of human services a letter of support for approval of the program.

(3) The county in which the residential program is located provides to the department of human services verification in writing that the program is needed to address one or more of the following:

(a) The quantity of services currently available in the county is insufficient to meet the need.

(b) The quantity of affordable rental housing in the county is insufficient.

(c) Implementation of the program will cause a reduction in the size or quantity of larger congregate programs.

9. Contingent upon the department of human services receiving federal approval, a residential program which serves not more than eight individuals and is licensed as an intermediate care facility for persons with an intellectual disability may surrender the facility license and continue to operate under a federally approved medical assistance home and community-based services waiver for persons with an intellectual disability, if the department of human services has approved a plan submitted by the residential program.

10. Notwithstanding section 135C.9, nursing facilities which are accredited by the joint commission on accreditation of health care organizations shall be licensed without inspection

by the department, if the nursing facility has chosen to be inspected by the joint commission on accreditation of health care organizations in lieu of inspection by the department.

135C.7 Application — fees.

1. Licenses shall be obtained from the department. Applications shall be upon such forms and shall include such information as the department may reasonably require, which may include affirmative evidence of compliance with such other statutes and local ordinances as may be applicable. Each application for license shall be accompanied by the annual license fee prescribed by this section, subject to refund to the applicant if the license is denied, which fee shall be paid over into the state treasury and credited to the general fund if the license is issued. There shall be an annual license fee based upon the bed capacity of the health care facility, as follows:

- a. Ten beds or less, twenty dollars.
- b. More than ten and not more than twenty-five beds, forty dollars.
- c. More than twenty-five and not more than seventy-five beds, sixty dollars.
- d. More than seventy-five and not more than one hundred fifty beds, eighty dollars.
- e. More than one hundred fifty beds, one hundred dollars.

2. In addition to the license fees listed in this section, there shall be an annual assessment assessed to each licensee in an amount to cover the cost of independent reviewers provided pursuant to section 135C.42. The department shall, in consultation with licensees, establish the assessment amount by rule based on the award of a request for proposals. The assessment shall be retained by the department as a repayment receipt as defined in section 8.2 and used for the purpose of paying the cost of the independent reviewers.

135C.8 Scope of license.

Licenses for health care facilities shall be issued only for the premises and persons or governmental units named in the application and shall not be transferable or assignable except with the written approval of the department, obtained prior to the purchase of the facility involved. Licenses shall be posted in a conspicuous place on the licensed premises as prescribed by regulation of the department. Such licenses, unless sooner suspended or revoked, shall expire one year after the date of issuance and shall be renewed annually upon an application by the licensee. Applications for such renewal shall be made in writing to the department, accompanied by the required fee, at least thirty days prior to the expiration of such license in accordance with regulations promulgated by the department. Health care facilities which have allowed their licenses to lapse through failure to make timely application for renewal of their licenses shall pay an additional fee of twenty-five percent of the annual license fee prescribed in section 135C.7.

135C.9 Inspection before issuance — notice of deficiencies.

1. The department shall not issue a health care facility license to any applicant until:

- a. The department has ascertained that the staff and equipment of the facility is adequate to provide the care and services required of a health care facility of the category for which the license is sought. Prior to the review and approval of plans and specifications for any new facility and the initial licensing under a new licensee, a resume of the programs and services to be furnished and of the means available to the applicant for providing the same and for

meeting requirements for staffing, equipment, and operation of the health care facility, with particular reference to the professional requirements for services to be rendered, shall be submitted in writing to the department for review and approval. The resume shall be reviewed by the department within ten working days and returned to the applicant. The resume shall, upon the department's request, be revised as appropriate by the facility from time to time after issuance of a license.

b. The facility has been inspected by the state fire marshal or a deputy appointed by the fire marshal for that purpose, who may be a member of a municipal fire department, and the department has received either a certificate of compliance or a provisional certificate of compliance by the facility with the fire hazard and fire safety rules and standards of the department as promulgated by the fire marshal and, where applicable, the fire safety standards required for participation in programs authorized by either Tit. XVIII or Tit. XIX of the United States Social Security Act, codified at 42 U.S.C. §1395 – 1395ll and 1396 – 1396g. The certificate or provisional certificate shall be signed by the fire marshal or the fire marshal's deputy who made the inspection. If the state fire marshal or a deputy finds a deficiency upon inspection, the notice to the facility shall be provided in a timely manner and shall specifically describe the nature of the deficiency, identifying the Code section or subsection or the rule or standard violated. The notice shall also specify the time allowed for correction of the deficiency, at the end of which time the fire marshal or a deputy shall perform a follow-up inspection.

2. The rules and standards promulgated by the fire marshal pursuant to subsection 1, paragraph "b" of this section shall be substantially in keeping with the latest generally recognized safety criteria for the facilities covered, of which the applicable criteria recommended and published from time to time by the national fire protection association shall be prima facie evidence. The rules and standards promulgated by the fire marshal shall be promulgated in consultation with the department and shall, to the greatest extent possible, be consistent with rules adopted by the department under this chapter.

3. The state fire marshal or the fire marshal's deputy may issue successive provisional certificates of compliance for periods of one year each to a facility which is in substantial compliance with the applicable fire hazard and fire safety rules and standards, upon satisfactory evidence of an intent, in good faith, by the owner or operator of the facility to correct the deficiencies noted upon inspection within a reasonable period of time as determined by the state fire marshal or the fire marshal's deputy. Renewal of a provisional certificate shall be based on a showing of substantial progress in eliminating deficiencies noted upon the last previous inspection of the facility without the appearance of additional deficiencies other than those arising from changes in the fire hazard and fire safety rules, regulations and standards which have occurred since the last previous inspection, except that substantial progress toward achievement of a good faith intent by the owner or operator to replace the entire facility within a reasonable period of time, as determined by the state fire marshal or the fire marshal's deputy, may be accepted as a showing of substantial progress in eliminating deficiencies, for the purposes of this section.

4. If a facility subject to licensure under this chapter, a facility exempt from licensure under this chapter pursuant to section 135C.6, or a family home under section 335.25 or 414.22, has been issued a certificate of compliance or a provisional certificate of compliance under subsection 1 or 3, or has otherwise been approved as complying with a rule or standard by the state or a deputy fire marshal or a local building department as defined in section 103A.3, the state or deputy fire marshal or local building department which issued the certificate, provisional certificate, or approval shall not apply additional requirements for compliance with the rule or standard unless the rule or standard is revised in accordance with chapter 17A or with local regulatory procedure following issuance of the certificate, provisional certificate, or approval.

135C.10 Denial, suspension, or revocation.

The department shall have the authority to deny, suspend, or revoke a license in any case where the department finds that there has been repeated failure on the part of the facility to comply with the provisions of this chapter or the rules or minimum standards promulgated hereunder, or for any of the following reasons:

1. Cruelty or indifference to health care facility residents.
2. Appropriation or conversion of the property of a health care facility resident without the resident's written consent or the written consent of the resident's legal guardian.
3. Permitting, aiding, or abetting the commission of any illegal act in the health care facility.
4. Inability or failure to operate and conduct the health care facility in accordance with the requirements of this chapter and the minimum standards and rules issued pursuant thereto.
5. Obtaining or attempting to obtain or retain a license by fraudulent means, misrepresentation, or by submitting false information.
6. Habitual intoxication or addiction to the use of drugs by the applicant, manager or supervisor of the health care facility.
7. Securing the devise or bequest of the property of a resident of a health care facility by undue influence.
8. Willful failure or neglect to maintain a continuing in-service education and training program for all personnel employed in the facility.
9. In the case of an application for a new or newly acquired facility, continuing or repeated failure of the licensee to operate any previously licensed facility or facilities in compliance with the provisions of this chapter, the rules adopted pursuant to this chapter, or equivalent provisions that the facility is subject to in this state or any other state.
10. In the case of a license applicant or existing licensee which is an entity other than an individual, the department may deny, suspend, or revoke a license if any individual, who is in a position of control or is an officer of the entity, engages in any act or omission proscribed by this section.
11. Intentionally preventing or interfering with or attempting to prevent or interfere in any way with the performance by any duly authorized representative of the department of the lawful enforcement of this chapter or of the rules adopted pursuant to this chapter. As used in this subsection, "*lawful enforcement*" includes but is not limited to the following:
 - a. Contacting or interviewing any resident of a health care facility in private at any reasonable hour and without advance notice.
 - b. Examining any relevant books or records of a health care facility unless otherwise protected from disclosure by operation of law.
 - c. Preserving evidence of any violation of this chapter or of the rules adopted pursuant to this chapter.

135C.11 Notice — hearings.

1. The denial, suspension, or revocation of a license shall be effected by delivering to the applicant or licensee by certified mail or by personal service of a notice setting forth the particular reasons for such action. Such denial, suspension, or revocation shall become effective thirty days after the mailing or service of the notice, unless the applicant or licensee, within such thirty-day period, shall give written notice to the department requesting a hearing, in which case the notice shall be deemed to be suspended. If a hearing has been requested, the applicant or licensee shall be given an opportunity for a prompt and fair hearing before the department. At any time at or prior to the hearing the department may rescind the notice of the denial, suspension, or revocation upon being satisfied that the reasons for the denial, suspension, or revocation have been or will be removed. On the basis of any such hearing, or upon default of the applicant or licensee, the determination involved in the notice may be affirmed, modified, or set aside by the department. A copy of such decision shall be sent by

certified mail, or served personally upon the applicant or licensee. The applicant or licensee may seek judicial review pursuant to section 135C.13.

2. The procedure governing hearings authorized by this section shall be in accordance with the rules promulgated by the department. A full and complete record shall be kept of all proceedings, and all testimony shall be reported but need not be transcribed unless judicial review is sought pursuant to section 135C.13. Copies of the transcript may be obtained by an interested party upon payment of the cost of preparing the copies. Witnesses may be subpoenaed by either party and shall be allowed fees at a rate prescribed by the department's rules. The director may, after advising a representative of the office of long-term care ombudsman, either proceed in accordance with section 135C.30, or remove all residents and suspend the license or licenses of any health care facility, prior to a hearing, when the director finds that the health or safety of residents of the health care facility requires such action on an emergency basis.

135C.12 Conditional operation.

If the department has the authority under section 135C.10 to deny, suspend or revoke a license, the department or director may, as an alternative to those actions:

1. Apply to the district court of the county in which the licensee's health care facility is located for appointment by the court of a receiver for the facility pursuant to section 135C.30.

2. Conditionally issue or continue a license dependent upon the performance by the licensee of reasonable conditions within a reasonable period of time as set by the department so as to permit the licensee to commence or continue the operation of the health care facility pending full compliance with this chapter or the regulations or minimum standards promulgated under this chapter. If the licensee does not make diligent efforts to comply with the conditions prescribed, the department may, under the proceedings prescribed by this chapter, suspend or revoke the license. No health care facility shall be operated on a conditional license for more than one year.

3. The department, in evaluating corrections of deficiencies in a facility in receivership or operating on a conditional license, may determine what is satisfactory compliance, provided that in so doing it shall employ established criteria which shall be uniformly applied to all facilities of the same license category.

135C.13 Judicial review.

Judicial review of any action of the director may be sought in accordance with the terms of the Iowa administrative procedure Act, chapter 17A. Notwithstanding the terms of chapter 17A, petitions for judicial review may be filed in the district court of the county where the facility or proposed facility is located, and pending final disposition of the matter the status quo of the applicant or licensee shall be preserved except when the director, after advising a representative of the office of long-term care ombudsman, determines that the health, safety, or welfare of the residents of the facility is in immediate danger, in which case the director may order the immediate removal of such residents.

135C.14 Rules.

The department shall, in accordance with chapter 17A and with the approval of the state board of health, adopt and enforce rules setting minimum standards for health care facilities. In so doing, the department, with the approval of the state board of health, may adopt by reference, with or without amendment, nationally recognized standards and rules, which shall be specified by title and edition, date of publication, or similar information. The

rules and standards required by this section shall be formulated in consultation with the director of human services or the director's designee, with the state fire marshal, and with affected industry, professional, and consumer groups, and shall be designed to further the accomplishment of the purposes of this chapter and shall relate to:

1. Location and construction of the facility, including plumbing, heating, lighting, ventilation, and other housing conditions, which shall ensure the health, safety and comfort of residents and protection from fire hazards. The rules of the department relating to protection from fire hazards and fire safety shall be promulgated by the state fire marshal in consultation with the department, and shall be in keeping with the latest generally recognized safety criteria for the facilities covered of which the applicable criteria recommended and published from time to time by the national fire protection association are prima facie evidence. To the greatest extent possible, the rules promulgated by the state fire marshal shall be consistent with the rules adopted by the department under this chapter.

2. Number and qualifications of all personnel, including management and nursing personnel, having responsibility for any part of the care provided to residents.

3. All sanitary conditions within the facility and its surroundings including water supply, sewage disposal, food handling, and general hygiene, which shall ensure the health and comfort of residents.

4. Diet related to the needs of each resident and based on good nutritional practice and on recommendations which may be made by the physician attending the resident.

5. Equipment essential to the health and welfare of the resident.

6. Requirements that a minimum number of registered or licensed practical nurses and nurses' aides, relative to the number of residents admitted, be employed by each licensed facility. Staff-to-resident ratios established under this subsection need not be the same for facilities holding different types of licenses, nor for facilities holding the same type of license if there are significant differences in the needs of residents which the respective facilities are serving or intend to serve.

7. Social services and rehabilitative services provided for the residents.

8. Facility policies and procedures regarding the treatment, care, and rights of residents. The rules shall apply the federal resident's rights contained in the federal Omnibus Budget Reconciliation Act of 1987, Pub. L. No. 100-203, and the regulations adopted pursuant to the Act and contained in 42 C.F.R. §483.10, 483.12, 483.13, and 483.15, as amended to February 2, 1989, to all health care facilities as defined in this chapter and shall include procedures for implementing and enforcing the federal rules. The department shall also adopt rules relating to the following:

a. The transfer of residents to other rooms within a facility.

b. The involuntary discharge or transfer of residents from a facility including provisions for notice and agency hearings and for the development of a patient discharge or transfer plan and for providing counseling services to a patient being discharged or transferred.

c. The required holding of a bed for a resident under designated circumstances upon payment of a prescribed charge for the bed.

d. The notification of the office of long-term care ombudsman by the department of all complaints relating to health care facilities and the involvement of the office of long-term care ombudsman in resolution of the complaints.

e. For the recoupment of funds or property to residents when the resident's personal funds or property have been used without the resident's written consent or the written consent of the resident's guardian.

f. The involuntary discharge of a resident of the Iowa veterans home including provisions for notice and agency hearings, the development of a resident discharge plan, and for providing counseling services to a resident being discharged. As used in this paragraph "f", "collaborative care plan" and "interdisciplinary resident care committee" mean as defined in section 35D.15, subsection 2. The rules shall provide that a resident shall be involuntarily discharged for any of the following reasons:

(1) (a) The resident has been diagnosed with a substance use disorder but continues to abuse alcohol or an illegal drug in violation of the resident's conditional or provisional agreement entered into at the time of admission, and all of the following conditions are met:

(i) The resident has been provided sufficient notice of any changes in the resident's collaborative care plan.

(ii) The resident has been notified of the resident's commission of three offenses and has been given the opportunity to correct the behavior through either of the following options:

(A) Being given the opportunity to receive the appropriate level of treatment in accordance with best practices for standards of care.

(B) By having been placed on probation by the Iowa veterans home for a second offense.

(b) Notwithstanding the resident's meeting the criteria for discharge under this subparagraph (1), if the resident has demonstrated progress toward the goals established in the resident's collaborative care plan, the interdisciplinary resident care committee and the commandant may exercise discretion regarding the discharge. Notwithstanding any provision to the contrary, a resident may be immediately discharged under this subparagraph (1) if the resident's actions or behavior jeopardizes the life or safety of other residents or staff.

(2) (a) The resident refuses to utilize the resources available to address issues identified in the resident's collaborative care plan, and all of the following conditions are met:

(i) The resident has been provided sufficient notice of any changes in the resident's collaborative care plan.

(ii) The resident has been notified of the resident's commission of three offenses and the resident has been placed on probation by the Iowa veterans home for a second offense.

(b) Notwithstanding the resident's meeting the criteria for discharge under this subparagraph (2), if the resident has demonstrated progress toward the goals established in the resident's collaborative care plan, the interdisciplinary resident care committee and the commandant may exercise discretion regarding the discharge. Notwithstanding any provision to the contrary, the resident may be immediately discharged under this subparagraph (2) if the resident's actions or behavior jeopardizes the life or safety of other residents or staff.

(3) The resident's medical or life skills needs have been met to the extent possible through the services provided by the Iowa veterans home and the resident no longer requires a residential or nursing level of care, as determined by the interdisciplinary resident care committee.

(4) The resident requires a level of licensed care not provided at the Iowa veterans home.

135C.15 Time to comply.

1. Any health care facility which is in operation at the time of adoption or promulgation of any applicable rules or minimum standards under this chapter shall be given reasonable time from the date of such promulgation to comply with such rules and minimum standards as provided for by the department. The director may grant successive thirty-day extensions of the time for compliance where evidence of a good faith attempt to achieve compliance is furnished, if the extensions will not place in undue jeopardy the residents of the facility to which the extensions are granted.

2. Renovation of an existing health care facility, not already in compliance with all applicable standards, shall be permitted only if the fixtures and equipment to be installed and the services to be provided in the renovated portion of the facility will conform substantially to current operational standards. Construction of an addition to an existing health care facility shall be permitted only if the design of the structure, the fixtures and equipment to be installed, and the services to be provided in the addition will conform substantially to current construction and operational standards.

135C.16 Inspections.

1. In addition to the inspections required by sections 135C.9 and 135C.38, the department shall make or cause to be made such further unannounced inspections as it deems necessary to adequately enforce this chapter. At least one general unannounced inspection shall be conducted for each health care facility within a thirty-month period. The inspector shall show identification to the person in charge of the facility and state that an inspection is to be made before beginning the inspection. An employee of the department who gives unauthorized advance notice of an inspection made or planned to be made under this subsection or section 135C.38 shall be disciplined as determined by the director, except that if the employee is employed pursuant to the merit system provisions of chapter 8A, subchapter IV, the discipline shall not exceed the discipline authorized pursuant to that subchapter.

2. *a.* The department shall prescribe by rule that any licensee or applicant for license desiring to make specific types of physical or functional alterations or additions to its facility or to construct new facilities shall, before commencing the alteration or additions or new construction, submit plans and specifications to the department for preliminary inspection and approval or recommendations with respect to compliance with the department's rules and standards.

b. When the plans and specifications have been properly approved by the department or other appropriate state agency, for a period of at least five years from completion of the construction or alteration, the facility or the portion of the facility constructed or altered in accord with the plans and specifications shall not be considered deficient or ineligible for licensing by reason of failure to meet any rule or standard established subsequent to approval of the plans and specifications.

c. When construction or alteration of a facility or portion of a facility has been completed in accord with plans and specifications submitted as required by this subsection and properly approved by the department or other appropriate state agency, and it is discovered that the facility or portion of a facility is not in compliance with a requirement of this chapter or of the rules or standards adopted pursuant to it and in effect at the time the plans and specifications were submitted, and the deficiency was apparent from the plans and specifications submitted but was not noted or objected to by the department or other appropriate state agency, the department or agency responsible for the oversight shall either waive the requirement or reimburse the licensee or applicant for any costs which are necessary to bring the new or reconstructed facility or portion of a facility into compliance with the requirement and which the licensee or applicant would not have incurred if the facility or portion of the facility had been constructed in compliance with the requirements of this chapter or of the rules or standards adopted pursuant to it and in effect at the time the plans and specifications were submitted.

d. If within two years from the completion of the construction or alteration of the facility or portion thereof, a department or agency of the state orders that the new or reconstructed facility or portion thereof be brought into compliance with the requirements of this chapter or the rules or standards adopted pursuant to it and in effect at the time the plans and specifications were submitted, the state shall have a claim for damages to the extent of any reimbursement paid to the licensee or applicant against any person who designed the facility or portion thereof for negligence in the preparation of the plans and specifications therefor, subject to all defenses based upon the negligence of the state in reviewing and approving those plans and specifications, but not thereafter.

e. The provisions of this subsection shall not apply where the deficiency presents a clear and present danger to the safety of the residents of the facility.

3. An authorized representative of the department may enter any licensed health care facility without a warrant, and may examine all records pertaining to the care provided residents of the facility. An authorized representative of the department may contact or interview any resident, employee, or any other person who might have knowledge about the operation of a health care facility. An authorized representative of the department of human services shall have the same right with respect to any facility where one or more residents are cared for entirely or partially at public expense, and an authorized representative of the designated protection and advocacy agency shall have the same right with respect to any

facility where one or more residents have developmental disabilities or mental illnesses, and the state fire marshal or a deputy appointed pursuant to section 135C.9, subsection 1, paragraph “b”, shall have the same right of entry into any facility and the right to inspect any records pertinent to fire safety practices and conditions within that facility, and an authorized representative of the office of long-term care ombudsman shall have the same right with respect to any nursing facility or residential care facility. If any such authorized representative has probable cause to believe that any institution, building, or agency not licensed as a health care facility is in fact a health care facility as defined by this chapter, and upon producing identification that the individual is an authorized representative is denied entry thereto for the purpose of making an inspection, the authorized representative may, with the assistance of the county attorney of the county in which the purported health care facility is located, apply to the district court for an order requiring the owner or occupant to permit entry and inspection of the premises to determine whether there have been any violations of this chapter.

135C.16A Inspectors — conflicts of interest.

1. Any of the following circumstances disqualifies an inspector from inspecting a particular health care facility under this chapter:

a. The inspector currently works or, within the past two years, has worked as an employee or employment agency staff at the health care facility, or as an officer, consultant, or agent for the health care facility to be inspected.

b. The inspector has any financial interest or any ownership interest in the facility. For purposes of this paragraph, indirect ownership, such as through a broad-based mutual fund, does not constitute financial or ownership interest.

c. The inspector has an immediate family member who has a relationship with the facility as described in paragraph “a” or “b”.

d. The inspector has an immediate family member who currently resides in the facility.

2. For purposes of this section, “*immediate family member*” means the same as set forth in 42 C.F.R. §488.301, and includes a husband or wife; natural or adoptive parent, child, or sibling; stepparent, stepchild, or stepsibling; father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law; or grandparent or grandchild.

135C.17 Duties of other departments.

It shall be the duty of the department of human services, state fire marshal, office of long-term care ombudsman, and the officers and agents of other state and local governmental units, and the designated protection and advocacy agency to assist the department in carrying out the provisions of this chapter, insofar as the functions of these respective offices and departments are concerned with the health, welfare, and safety of any resident of any health care facility. It shall be the duty of the department to cooperate with the protection and advocacy agency and the office of long-term care ombudsman by responding to all reasonable requests for assistance and information as required by federal law and this chapter.

135C.19 Public disclosure of inspection findings — posting of citations.

1. Following an inspection of a health care facility by the department pursuant to this chapter, the department's final findings with respect to compliance by the facility with requirements for licensing shall be made available to the public in a readily available form and place. Other information relating to a health care facility obtained by the department which does not constitute the department's findings from an inspection of the facility shall not be made available to the public except in proceedings involving the citation of a facility for a violation under section 135C.40, or the denial, suspension, or revocation of a license under this chapter. The name of a person who files a complaint with the department shall be confidential.

2. *a.* A citation for a class I or class II violation which is issued to a health care facility and which has become final, or a copy of the citation, shall be prominently posted as prescribed in rules, until the violation is corrected to the department's satisfaction. The citation or copy shall be posted in a place in plain view of the residents of the facility cited, persons visiting the residents, and persons inquiring about placement in the facility.

b. A copy of each citation required to be posted by this subsection shall be sent by the department to the department of human services, to the designated protection and advocacy agency if the facility has one or more residents with developmental disabilities or mental illness, and to the office of long-term care ombudsman if the facility is a nursing facility or residential care facility.

3. If the facility cited subsequently advises the department of human services that the violation has been corrected to the satisfaction of the department of inspections and appeals, the department of human services shall maintain this advisory in the same file with the copy of the citation. The department of human services shall not disseminate to the public any information regarding citations issued by the department of inspections and appeals, but shall forward or refer inquiries to the department of inspections and appeals.

135C.20A Report cards — facility inspections — complaint procedures — availability to public — electronic access.

1. The department shall develop and utilize a report card system for the recording of the findings of any inspection of a health care facility. The report card shall include but is not limited to a summary of the findings of the inspection, any violation found, any enforcement action taken including any citations issued and penalties assessed, any actions taken to correct violations or deficiencies, and the nature and status of any action taken with respect to any uncorrected violation for which a citation was issued.

2. The report card form shall be developed by the department in cooperation with representatives of the department on aging, the state long-term care ombudsman, representatives of certified volunteer long-term care ombudsmen, representatives of protection and advocacy entities, consumers, and other interested persons.

3. The department shall make any completed report cards electronically accessible to the public, on a monthly basis, and shall compile the report cards on an annual basis and make the compilation electronically accessible to the public. The annual compilation shall also be available at the office of the department at the seat of government and shall be available to the public by mail, upon request and at the department's expense.

4. In addition to the monthly and annual compilations, the department shall provide compilations of the report cards on a cumulative basis. The cumulative compilation shall reflect the report cards of health care facilities during the four-year period prior to the production of the cumulative compilation. The cumulative compilation shall be applicable to a particular health care facility as a four-year report card history of that facility becomes available. The cumulative compilation shall be available to the public in the same manner as the annual compilation.

135C.20B Governor's award — quality care.

1. A governor's award for quality care is established, to be awarded annually by the governor to a health care facility in the state which demonstrates provision of the highest quality care to residents.

2. The department shall adopt rules establishing the criteria to determine quality care. In developing the criteria, the department shall consult with the members of Iowa partners for resident care and shall also consider all of the following:

- a. The report cards completed pursuant to section 135C.20A.
- b. Any unique services provided by a facility to its residents to improve the quality of care in the facility.
- c. Any information submitted by residents with regard to the quality of care of the facility.
- d. Whether the facility accepts residents for whom costs of care are paid under chapter 249A.

135C.21 Penalties.

1. Any person establishing, conducting, managing, or operating any health care facility without a license shall be guilty of a serious misdemeanor. Each day of continuing violation after conviction or notice from the department by certified mail of a violation shall be considered a separate offense or chargeable offense. Any such person establishing, conducting, managing or operating any health care facility without a license may be by any court of competent jurisdiction temporarily or permanently restrained therefrom in any action brought by the state.

2. Any person who prevents or interferes with or attempts to impede in any way any duly authorized representative of the department or of any of the agencies referred to in section 135C.17 in the lawful enforcement of this chapter or of the rules adopted pursuant to it is guilty of a simple misdemeanor. As used in this subsection, lawful enforcement includes but is not limited to:

- a. Contacting or interviewing any resident of a health care facility in private at any reasonable hour and without advance notice.
- b. Examining any relevant books or records of a health care facility.
- c. Preserving evidence of any violation of this chapter or of the rules adopted pursuant to it.

135C.23 Express requirements for admission or residence.

No individual shall be admitted to or permitted to remain in a health care facility as a resident, except in accordance with the requirements of this section.

1. Each resident shall be covered by a contract executed at the time of admission or prior

thereto by the resident, or the resident's legal representative, and the health care facility, except as otherwise provided by subsection 5 with respect to residents admitted at public expense to a county care facility operated under chapter 347B. Each party to the contract shall be entitled to a duplicate original thereof, and the health care facility shall keep on file all contracts which it has with residents and shall not destroy or otherwise dispose of any such contract for at least one year after its expiration. Each such contract shall expressly set forth:

- a. The terms of the contract.
- b. The services and accommodations to be provided by the health care facility and the rates or charges therefor.
- c. Specific descriptions of any duties and obligations of the parties in addition to those required by operation of law.

d. Any other matters deemed appropriate by the parties to the contract. No contract or any provision thereof shall be drawn or construed so as to relieve any health care facility of any requirement or obligation imposed upon it by this chapter or any standards or rules in force pursuant to this chapter, nor contain any disclaimer of responsibility for injury to the resident, or to relatives or other persons visiting the resident, which occurs on the premises of the facility or, with respect to injury to the resident, which occurs while the resident is under the supervision of any employee of the facility whether on or off the premises of the facility.

2. a. A health care facility shall not knowingly admit or retain a resident:

- (1) Who is dangerous to the resident or other residents.
- (2) Who is in an acute stage of alcoholism, drug addiction, or mental illness.
- (3) Whose condition or conduct is such that the resident would be unduly disturbing to other residents.
- (4) Who is in need of medical procedures, as determined by a physician, or services which cannot be or are not being carried out in the facility.

b. This section does not prohibit the admission of a patient with a history of dangerous or disturbing behavior to an intermediate care facility for persons with mental illness, intermediate care facility for persons with an intellectual disability, nursing facility, or county care facility when the intermediate care facility for persons with mental illness, intermediate care facility for persons with an intellectual disability, nursing facility, or county care facility has a program which has received prior approval from the department to properly care for and manage the patient. An intermediate care facility for persons with mental illness, intermediate care facility for persons with an intellectual disability, nursing facility, or county care facility is required to transfer or discharge a resident with dangerous or disturbing behavior when the intermediate care facility for persons with mental illness, intermediate care facility for persons with an intellectual disability, nursing facility, or county care facility cannot control the resident's dangerous or disturbing behavior. The department, in coordination with the state mental health and disability services commission created in section 225C.5, shall adopt rules pursuant to chapter 17A for programs to be required in intermediate care facilities for persons with mental illness, intermediate care facilities for persons with an intellectual disability, nursing facilities, and county care facilities that admit patients or have residents with histories of dangerous or disturbing behavior.

c. The denial of admission of a person to a health care facility shall not be based upon the patient's condition, which is the existence of a specific disease in the patient, but the decision to accept or deny admission of a patient with a specific disease shall be based solely upon the ability of the health care facility to provide the level of care required by the patient.

3. Except in emergencies, a resident who is not essentially capable of managing the resident's own affairs shall not be transferred out of a health care facility or discharged for any reason without prior notification to the next of kin, legal representative, or agency acting on the resident's behalf. When such next of kin, legal representative, or agency cannot be reached or refuses to cooperate, proper arrangements shall be made by the facility for the welfare of the resident before the resident's transfer or discharge.

4. No owner, administrator, employee, or representative of a health care facility shall pay any commission, bonus, or gratuity in any form whatsoever, directly or indirectly, to any person for residents referred to such facility, nor accept any commission, bonus, or gratuity

in any form whatsoever, directly or indirectly, for professional or other services or supplies purchased by the facility or by any resident, or by any third party on behalf of any resident, of the facility.

5. Each county which maintains a county care facility under chapter 347B shall develop a statement in lieu of, and setting forth substantially the same items as, the contracts required of other health care facilities by subsection 1. The statement must be approved by the county board of supervisors and by the department. When so approved, the statement shall be considered in force with respect to each resident of the county care facility.

135C.24 Personal property or affairs of patients or residents.

The admission of a resident to a health care facility and the resident's presence therein shall not in and of itself confer on such facility, its owner, administrator, employees, or representatives any authority to manage, use, or dispose of any property of the resident, nor any authority or responsibility for the personal affairs of the resident, except as may be necessary for the safety and orderly management of the facility and as required by this section.

1. No health care facility, and no owner, administrator, employee or representative thereof shall act as guardian, trustee or conservator for any resident of such facility, or any of such resident's property, unless such resident is related to the person acting as guardian within the third degree of consanguinity.

2. A health care facility shall provide for the safekeeping of personal effects, funds and other property of its residents, provided that whenever necessary for the protection of valuables or in order to avoid unreasonable responsibility therefor, the facility may require that they be excluded or removed from the premises of the facility and kept at some place not subject to the control of the facility.

3. A health care facility shall keep complete and accurate records of all funds and other effects and property of its residents received by it for safekeeping.

4. Any funds or other property belonging to or due a resident, or expendable for the resident's account, which are received by a health care facility shall be trust funds, shall be kept separate from the funds and property of the facility and of its other residents, or specifically credited to such resident, and shall be used or otherwise expended only for the account of the resident. Upon request the facility shall furnish the resident, the guardian, trustee or conservator, if any, for any resident, or any governmental unit or private charitable agency contributing funds or other property on account of any resident, a complete and certified statement of all funds or other property to which this subsection applies detailing the amounts and items received, together with their sources and disposition.

5. The provisions of this section notwithstanding, upon the verified petition of the county board of supervisors the district court may appoint the administrator of a county care facility as conservator or guardian, or both, of a resident of such county care facility, in accordance with the provisions of chapter 633. Such administrator shall serve as conservator or guardian, or both, without fee. The county attorney shall serve as attorney for the administrator in such conservatorship or guardianship, or both, without fee. The administrator may establish either separate or common bank accounts for cash funds of such resident wards.

135C.30 Operation of facility under receivership.

When so authorized by section 135C.11, subsection 2, or section 135C.12, subsection 1, the director may file a verified application in the district court of the county where a health care facility licensed under this chapter is located, requesting that an individual nominated by the director be appointed as receiver for the facility with responsibility to bring the operation and condition of the facility into conformity with this chapter and the rules or minimum standards promulgated under this chapter.

1. The court shall expeditiously hold a hearing on the application, at which the director shall present evidence in support of the application. The licensee against whose facility the petition is filed may also present evidence, and both parties may subpoena witnesses. The court may appoint a receiver for the health care facility in advance of the hearing if the director's verified application states that an emergency exists which presents an imminent danger of resultant death or physical harm to the residents of the facility. If the licensee against whose facility the receivership petition is filed informs the court at or before the time set for the hearing that the licensee does not object to the application, the court shall waive the hearing and at once appoint a receiver for the facility.

2. The court, on the basis of the verified application and evidence presented at the hearing, may order the facility placed under receivership, and if so ordered, the court shall direct either that the receiver assume the duties of administrator of the health care facility or that the receiver supervise the facility's administrator in conducting the day-to-day business of the facility. The receiver shall be empowered to control the facility's financial resources and to apply its revenues as the receiver deems necessary to the operation of the facility in compliance with this chapter and the rules or minimum standards promulgated under this chapter, but shall be accountable to the court for management of the facility's financial resources.

3. A receivership established under this section may be terminated by the district court

which established it, after a hearing upon an application for termination. The application may be filed:

a. Jointly by the receiver and the current licensee of the health care facility which is in receivership, stating that the deficiencies in the operation, maintenance or other circumstances which were the grounds for establishment of the receivership have been corrected and that there are reasonable grounds to believe that the facility will be operated in compliance with this chapter and the rules or minimum standards promulgated under this chapter.

b. By the current licensee of the facility, alleging that termination of the receivership is merited for the reasons set forth in paragraph “a” of this subsection, but that the receiver has declined to join in the petition for termination of the receivership.

c. By the receiver, stating that all residents of the facility have been relocated elsewhere and that there are reasonable grounds to believe it will not be feasible to again operate the facility on a sound financial basis and in compliance with this chapter and the rules or minimum standards promulgated under this chapter, and asking that the court approve surrender of the facility’s license to the department and subsequent return of control of the facility’s premises to the owners of the premises.

4. a. Payment of the expenses of a receivership established under this section is the responsibility of the facility for which the receiver is appointed, unless the court directs otherwise. The expenses include but are not limited to:

- (1) Salary of the receiver.
- (2) Expenses incurred by the facility for the continuing care of the residents of the facility.
- (3) Expenses incurred by the facility for the maintenance of buildings and grounds of the facility.
- (4) Expenses incurred by the facility in the ordinary course of business, such as employees’ salaries and accounts payable.

b. The receiver is not personally liable for the expenses of the facility during the receivership. The receiver is an employee of the state as defined in section 669.2, subsection 4, only for the purpose of defending a claim filed against the receiver. Chapter 669 applies to all suits filed against the receiver.

5. This section does not:

a. Preclude the sale or lease of a health care facility, and the transfer or assignment of the facility’s license in the manner prescribed by section 135C.8, while the facility is in receivership, provided these actions are not taken without approval of the receiver.

b. Affect the civil or criminal liability of the licensee of the facility placed in receivership, for any acts or omissions of the licensee which occurred before the receiver was appointed.

135C.31A Assessment of residents — program eligibility — prescription drug coverage.

1. A health care facility shall assist the Iowa department of veterans affairs in identifying, upon admission of a resident, the resident’s eligibility for benefits through the United States department of veterans affairs. The department of inspections and appeals, in cooperation with the department of human services, shall adopt rules to administer this section, including a provision that ensures that if a resident is eligible for benefits through the United States department of veterans affairs or other third-party payor, the payor of last resort for reimbursement to the health care facility is the medical assistance program. The rules shall also require the health care facility to request information from a resident or

resident's personal representative regarding the resident's veteran status and to report to the Iowa department of veterans affairs only the names of residents identified as potential veterans along with the names of their spouses and any dependents. Information reported by the health care facility shall be verified by the Iowa department of veterans affairs. This section shall not apply to the admission of an individual to a state mental health institute for acute psychiatric care or to the admission of an individual to the Iowa veterans home.

2. *a.* If a resident is identified, upon admission to a health care facility, as eligible for benefits through the United States department of veterans affairs pursuant to subsection 1 or through other means, the health care facility shall allow the resident to access any prescription drug benefit included in such benefits for which the resident is also eligible. The health care facility shall also assist the Iowa department of veterans affairs in identifying individuals residing in such health care facilities on July 1, 2009, who are eligible for the prescription drug benefit.

b. The department of inspections and appeals, the department of veterans affairs, and the department of human services shall identify any barriers to residents in accessing such prescription drug benefits and shall assist health care facilities in adjusting their procedures for medication administration to comply with this subsection.

135C.32 Hospice services covered by Medicare.

The requirement that the care of a resident of a health care facility must be provided under the immediate direction of either the facility or the resident's personal physician does not apply if all of the following conditions are met:

1. The resident is terminally ill.

2. The resident has elected to receive hospice services under the federal Medicare program from a Medicare certified hospice program.

3. The health care facility and the Medicare certified hospice program have entered into a written agreement under which the hospice program takes full responsibility for the professional management of the resident's hospice care and the facility agrees to provide room and board to the resident.

88 Acts, ch 1037, §1

135C.33 Employees and certified nurse aide trainees — child or dependent adult abuse information and criminal record check options — evaluations — application to other providers — penalty.

1. *a.* For the purposes of this section, the term "*crime*" does not include offenses under chapter 321 classified as a simple misdemeanor or equivalent simple misdemeanor offenses from another jurisdiction.

b. Prior to employment of a person in a facility or with a provider as specified in subsection 5, the facility or provider shall do one of the following:

(1) Request that the department of public safety perform a criminal history check and the department of human services perform child and dependent adult abuse record checks of the person in this state.

(2) Access the single contact repository to perform the required record checks.

c. (1) If a facility or a provider as specified in subsection 5 accesses the single contact repository to perform the required record checks pursuant to paragraph "*b*", the facility or provider may utilize a third-party vendor to perform a comprehensive preliminary background check and provisionally employ a person being considered for employment pending completion of the required record checks through the single contact repository and the evaluation by the department of human services, as applicable, subject to all of the following:

(a) If the comprehensive preliminary background check determines that the person being considered for employment has been convicted of a crime, but the crime does not constitute a felony as defined in section 701.7 and is not a crime specified pursuant to chapter 708, 708A, 709, 709A, 710, 710A, 711, or 712, or pursuant to section 726.3, 726.7, or 726.8.

(b) If the comprehensive preliminary background check determines the person being considered for employment does not have a record of founded child abuse or dependent adult abuse or if an exception pursuant to subsection 4 is applicable to the person.

(c) If the facility or provider has requested an evaluation in accordance with subsection 2, paragraph "a", to determine whether the crime warrants prohibition of the person's employment in the facility or with the provider.

(2) The provisional employment under this paragraph "c" may continue until such time as the required record checks through the single contact repository and the evaluation by the department of human services, as applicable, are completed.

d. A facility or provider shall inform all persons prior to employment regarding the performance of the record checks and shall obtain, from the persons, a signed acknowledgment of the receipt of the information. A facility or provider shall include the following inquiry in an application for employment:

Do you have a record of founded child or dependent adult abuse or have you ever been convicted of a crime other than a simple misdemeanor offense relating to motor vehicles and laws of the road under chapter 321 or equivalent provisions, in this state or any other state?

2. a. If it is determined that a person being considered for employment in a facility or with a provider has been convicted of a crime under a law of any state, the department of public safety shall notify the facility or provider that upon the request of the facility or provider the department of human services will perform an evaluation to determine whether the crime warrants prohibition of the person's employment in the facility or with the provider.

b. (1) If a person being considered for employment, other than employment involving the operation of a motor vehicle, has been convicted of a crime listed in subparagraph (2) but does not have a record of founded child or dependent adult abuse and the facility or provider has requested an evaluation in accordance with paragraph "a" to determine whether the crime warrants prohibition of the person's employment, the facility or provider may employ the person for not more than sixty calendar days pending completion of the evaluation.

(2) Subparagraph (1) applies to a crime that is a simple misdemeanor offense under section 123.47, and to a crime that is a first offense of operating a motor vehicle while intoxicated under section 321J.2, subsection 1.

c. If a department of human services child or dependent adult abuse record check shows that such person has a record of founded child or dependent adult abuse, the department of human services shall notify the facility or provider that upon the request of the facility or provider the department of human services will perform an evaluation to determine whether the founded child or dependent adult abuse warrants prohibition of employment in the facility or with the provider.

d. An evaluation performed under this subsection shall be performed in accordance with procedures adopted for this purpose by the department of human services.

e. (1) If a person owns or operates more than one facility or a provider owns or operates more than one location, and an employee of one of such facilities or provider locations is transferred to another such facility or provider location without a lapse in employment, the facility or provider is not required to request additional criminal and child and dependent adult abuse record checks of that employee.

(2) If the ownership of a facility or provider is transferred, at the time of transfer the record checks required by this section shall be performed for each employee for whom there is no documentation that such record checks have been performed. The facility or provider may continue to employ such employee pending the performance of the record checks and any related evaluation.

3. In an evaluation, the department of human services shall consider the nature and seriousness of the crime or founded child or dependent adult abuse in relation to the position sought or held, the time elapsed since the commission of the crime or founded child or dependent adult abuse, the circumstances under which the crime or founded child or dependent adult abuse was committed, the degree of rehabilitation, the likelihood that

the person will commit the crime or founded child or dependent adult abuse again, and the number of crimes or founded child or dependent adult abuses committed by the person involved. If the department of human services performs an evaluation for the purposes of this section, the department of human services has final authority in determining whether prohibition of the person's employment is warranted.

4. *a.* Except as provided in subsection 1, paragraph "c", subsection 2, and paragraph "b" of this subsection, a person who has committed a crime or has a record of founded child or dependent adult abuse shall not be employed in a facility or with a provider unless an evaluation has been performed by the department of human services.

b. A person with a criminal or abuse record who is or was employed by a facility or provider and is hired by another facility or provider shall be subject to the criminal history and abuse record checks required pursuant to subsection 1. However, if an evaluation was previously performed by the department of human services concerning the person's criminal or abuse record and it was determined that the record did not warrant prohibition of the person's employment and the latest record checks do not indicate a crime was committed or founded abuse record was entered subsequent to that evaluation, the person may commence employment with the other facility or provider in accordance with the department of human services' evaluation and an exemption from the requirements in paragraph "a" for reevaluation of the latest record checks is authorized. Otherwise, the requirements of paragraph "a" remain applicable to the person's employment. Authorization of an exemption under this paragraph "b" from requirements for reevaluation of the latest record checks by the department of human services is subject to all of the following provisions:

(1) The position with the subsequent employer is substantially the same or has the same job responsibilities as the position for which the previous evaluation was performed.

(2) Any restrictions placed on the person's employment in the previous evaluation by the department of human services shall remain applicable in the person's subsequent employment.

(3) The person subject to the record checks has maintained a copy of the previous evaluation and provides the evaluation to the subsequent employer or the previous employer provides the previous evaluation from the person's personnel file pursuant to the person's authorization. If a physical copy of the previous evaluation is not provided to the subsequent employer, the record checks shall be reevaluated.

(4) Although an exemption under this paragraph "b" may be authorized, the subsequent employer may instead request a reevaluation of the record checks and may employ the person while the reevaluation is being performed.

5. *a.* This section shall also apply to prospective employees of all of the following, if the provider is regulated by the state or receives any state or federal funding:

(1) An employee of a homemaker-home health aide, home care aide, adult day services, or other provider of in-home services if the employee provides direct services to consumers.

(2) An employee of a hospice, if the employee provides direct services to consumers.

(3) An employee who provides direct services to consumers under a federal home and community-based services waiver.

(4) An employee of an elder group home certified under chapter 231B, if the employee provides direct services to consumers.

(5) An employee of an assisted living program certified under chapter 231C, if the employee provides direct services to consumers.

b. In substantial conformance with the provisions of this section, including the provision authorizing provisional employment following completion of a comprehensive preliminary background check, prior to the employment of such an employee, the provider shall request the performance of the criminal and child and dependent adult abuse record checks. The provider shall inform the prospective employee and obtain the prospective employee's signed acknowledgment. The department of human services shall perform the evaluation of any criminal record or founded child or dependent adult abuse record and shall make the determination of whether a prospective employee of a provider shall not be employed by the provider.

6. *a.* This section shall also apply to an employee of a temporary staffing agency that

provides staffing for a facility, service, program, or other provider regulated by this section if the employee provides direct services to consumers.

b. In substantial conformance with the provisions of this section, including the provision authorizing provisional employment following completion of a comprehensive preliminary background check, prior to the employment of such an employee, the temporary staffing agency shall request the performance of the criminal and child and dependent adult abuse record checks. The temporary staffing agency shall inform the prospective employee and obtain the prospective employee's signed acknowledgment. The department of human services shall perform the evaluation of any criminal record or founded child or dependent adult abuse record and shall make the determination of whether a prospective employee of a temporary staffing agency shall not be employed by the assisted living program as defined in section 231C.2, the Medicare certified home health agency, or the facility, service, program, or other provider regulated by this section.

c. If a person employed by a temporary staffing agency that is subject to this section is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the person's employment application date, the person shall inform the temporary staffing agency within forty-eight hours and the temporary staffing agency shall inform the facility, service, program, or other provider within two hours.

d. If a temporary staffing agency fails to comply with the requirements of this section, the temporary staffing agency shall be liable to the facility, service, program, or other provider for any actual damages, including civil penalties, and reasonable attorney fees.

e. This section shall not apply to employees employed by a temporary staffing agency for a position that does not provide direct services to consumers.

7. a. The department of inspections and appeals, in conjunction with other departments and agencies of state government involved with criminal history and abuse registry information, shall establish a single contact repository for facilities and other providers to have electronic access to data to perform background checks for purposes of employment, as required of the facilities and other providers under this section.

b. The department may access the single contact repository for any of the following purposes:

- (1) To verify data transferred from the department's nurse aide registry to the repository.
- (2) To conduct record checks of applicants for employment with the department.

8. a. If a person employed by a facility, service, or program employer that is subject to this section is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the person's employment application date, the person shall inform the employer of such information within forty-eight hours of the criminal conviction or entry of the record of founded child or dependent adult abuse. The employer shall act to verify the information within seven calendar days of notification. If the information is verified, the requirements of subsections 2, 3, and 4 regarding employability and evaluations shall be applied by the employer to determine whether or not the person's employment is continued. The employer may continue to employ the person pending the performance of an evaluation by the department of human services to determine whether prohibition of the person's employment is warranted. A person who is required by this subsection to inform the person's employer of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor.

b. If a facility, service, or program employer receives credible information, as determined by the employer, that a person employed by the employer has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after employment from a person other than the employee and the employee has not informed the employer of such information within the period required under paragraph "a", the employer shall act to verify the credible information within seven calendar days of receipt of the credible information. If the information is verified, the requirements of subsections 2, 3, and 4 regarding employability and evaluations shall be applied to determine whether or not the person's employment is continued.

c. The employer may notify the county attorney for the county where the employer

is located of any violation or failure by an employee to notify the employer of a criminal conviction or entry of an abuse record within the period required under paragraph “a”.

9. a. For the purposes of this subsection, unless the context otherwise requires:

(1) “*Certified nurse aide training program*” means a program approved in accordance with the rules for such programs adopted by the department of human services for the training of persons seeking to be a certified nurse aide for employment in any of the facilities or programs this section applies to or in a hospital, as defined in section 135B.1.

(2) “*Student*” means a person applying for, enrolled in, or returning to a certified nurse aide training program.

b. (1) Prior to a student beginning or returning to a certified nurse aide training program, the program shall do one of the following:

(a) Request that the department of public safety perform a criminal history check and the department of human services perform child and dependent adult abuse record checks, in this state, of the student.

(b) Access the single contact repository to perform the required record checks.

(2) If a program accesses the single contact repository to perform the required record checks pursuant to subparagraph (1), the program may utilize a third-party vendor to perform a comprehensive preliminary background check to allow a person to provisionally participate in the clinical component of the certified nurse aide training program pending completion of the required record checks through the single contact repository and the evaluation by the department of human services, as applicable, subject to all of the following:

(a) If the comprehensive preliminary background check determines that the person being considered for provisional participation has been convicted of a crime but the crime does not constitute a felony as defined in section 701.7 and is not a crime specified pursuant to chapter 708, 708A, 709, 709A, 710, 710A, 711, or 712, or pursuant to section 726.3, 726.7, or 726.8.

(b) If the comprehensive preliminary background check determines the person being considered for provisional participation does not have a record of founded child abuse or dependent adult abuse or if an exception pursuant to subsection 4 is applicable to the person.

(c) If the program has requested an evaluation in accordance with subsection 2, paragraph “a”, to determine whether the crime warrants prohibition of the person’s provisional participation.

(d) The provisional participation under this subparagraph (2) may continue until such time as the required record checks through the single contact repository and the evaluation by the department of human services, as applicable, are completed.

c. If a student has a criminal record or a record of founded child or dependent adult abuse, the student shall not be involved in a clinical education component of the certified nurse aide training program involving children or dependent adults unless an evaluation has been performed by the department of human services. Upon request of the certified nurse aide training program, the department of human services shall perform an evaluation to determine whether the record warrants prohibition of the student’s involvement in a clinical education component of the certified nurse aide training program involving children or dependent adults. The evaluation shall be performed in accordance with the criteria specified in subsection 3, and the department of human services shall report the results of the evaluation to the certified nurse aide training program. The department of human services has final authority in determining whether prohibition of the student’s involvement in the clinical education component is warranted.

d. (1) If a student’s clinical education component of the training program involves children or dependent adults but does not involve operation of a motor vehicle, and the student has been convicted of a crime listed in subparagraph (2), but does not have a record of founded child or dependent adult abuse, and the training program has requested an evaluation in accordance with paragraph “c” to determine whether the crime warrants prohibition of the student’s involvement in such clinical education component, the training program may allow the student’s participation in the component for not more than sixty days pending completion of the evaluation.

(2) Subparagraph (1) applies to a crime that is a simple misdemeanor offense under

section 123.47, and to a crime that is a first offense of operating a motor vehicle while intoxicated under section 321J.2, subsection 1.

e. (1) If a student is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the record checks and any evaluation have been performed, the student shall inform the certified nurse aide training program of such information within forty-eight hours of the criminal conviction or entry of the record of founded child or dependent adult abuse. The program shall act to verify the information within seven calendar days of notification. If the information is verified, the requirements of paragraph “c” shall be applied by the program to determine whether or not the student’s involvement in a clinical education component may continue. The program may allow the student involvement to continue pending the performance of an evaluation by the department of human services. A student who is required by this subparagraph to inform the program of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor.

(2) If a program receives credible information, as determined by the program, that a student has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after the record checks and any evaluation have been performed, from a person other than the student and the student has not informed the program of such information within the period required under subparagraph (1), the program shall act to verify the credible information within seven calendar days of receipt of the credible information. If the information is verified, the requirements of paragraph “c” shall be applied to determine whether or not the student’s involvement in a clinical education component may continue.

(3) The program may notify the county attorney for the county where the program is located of any violation or failure by a student to notify the program of a criminal conviction or entry of an abuse record within the period required under subparagraph (1).

f. If a certified nurse aide training program is conducted by a health care facility and a student of that program subsequently accepts and begins employment with the facility within thirty days of completing the program, the criminal history and abuse registry checks of the student performed pursuant to this subsection shall be deemed to fulfill the requirements for such checks prior to employment pursuant to subsection 1.

SUBCHAPTER II VIOLATIONS

135C.36 Violations classified — penalties.

Every violation by a health care facility of any provision of this chapter or of the rules adopted pursuant to it shall be classified by the department in accordance with this section. The department shall adopt and may from time to time modify, in accordance with chapter 17A, rules setting forth so far as feasible the specific violations included in each classification and stating criteria for the classification of any violation not so listed.

1. A class I violation is one which presents an imminent danger or a substantial probability of resultant death or physical harm to the residents of the facility in which the violation occurs. A physical condition or one or more practices in a facility may constitute a class I violation. A class I violation shall be abated or eliminated immediately unless the department determines that a stated period of time, specified in the citation issued under section 135C.40, is required to correct the violation. A licensee is subject to a penalty of not less than two thousand nor more than ten thousand dollars for each class I violation for which the licensee's facility is cited.

2. A class II violation is one which has a direct or immediate relationship to the health, safety, or security of residents of a health care facility, but which presents no imminent danger nor substantial probability of death or physical harm to them. A physical condition or one or more practices within a facility, including either physical abuse of any resident or failure to treat any resident with consideration, respect, and full recognition of the resident's dignity and individuality, in violation of a specific rule adopted by the department, may constitute a class II violation. A violation of section 135C.14, subsection 8, or section 135C.31 and rules adopted under those sections shall be at least a class II violation and may be a class I violation. A class II violation shall be corrected within a stated period of time determined by the department and specified in the citation issued under section 135C.40. The stated period of time specified in the citation may subsequently be modified by the department for good cause shown. A licensee is subject to a penalty of not less than one hundred nor more than five hundred dollars for each class II violation for which the licensee's facility is cited; however the director may, upon written request of the facility, waive the penalty if the violation is corrected within the time specified in the citation. The department shall adopt rules in accordance with chapter 17A establishing criteria for the granting or denial of a waiver request.

3. A class III violation is any violation of this chapter or of the rules adopted pursuant to it which violation is not classified in the department's rules nor classifiable under the criteria stated in those rules as a class I or a class II violation. A licensee shall not be subject to a penalty for a class III violation, except as provided by section 135C.40, subsection 1, for failure to correct the violation within a reasonable time specified by the department in the notice of the violation.

4. Any state penalty, including a fine or citation, issued following a state licensure and federal certification survey or investigation shall be dismissed if the corresponding federal deficiency is dismissed or removed. Any state penalty, including a fine or citation, shall be retained or reinstated if the federal deficiency is retained or reinstated.

5. If a facility self-identifies a deficient practice prior to an on-site visit inspection, there has been no complaint filed with the department related to that specific deficient practice, and the facility corrects such practice prior to an inspection, no citation shall be issued or fine assessed pursuant to subsection 2 or 3 except for those penalties arising pursuant to section 135C.33; 481 IAC 57.12(2)(d), 481 IAC 57.12(3), 481 IAC 57.15(5), 481 IAC 57.25(1),

135C.37 Complaints alleging violations — confidentiality.

A person may request an inspection of a health care facility by filing with the department, certified volunteer long-term care ombudsman, or the office of long-term care ombudsman, a complaint of an alleged violation of applicable requirements of this chapter or the rules adopted pursuant to this chapter. A person alleging abuse or neglect of a resident with a developmental disability or with mental illness may also file a complaint with the protection and advocacy agency designated pursuant to section 135B.9 or section 135C.2. A copy of a complaint filed with a certified volunteer long-term care ombudsman or the office of long-term care ombudsman shall be forwarded to the department. The complaint shall state in a reasonably specific manner the basis of the complaint, and a statement of the nature of the complaint shall be delivered to the facility involved at the time of the inspection. The name of the person who files a complaint with the department, certified volunteer long-term care ombudsman, or the office of long-term care ombudsman shall be kept confidential and shall not be subject to discovery, subpoena, or other means of legal compulsion for its release to a person other than department employees involved in the investigation of the complaint.

135C.38 Inspections upon complaints.

1. a. Upon receipt of a complaint made in accordance with section 135C.37, the department shall make a preliminary review of the complaint. Unless the department concludes that the complaint is intended to harass a facility or a licensee or is without reasonable basis, the department shall make or cause to be made an on-site inspection of the health care facility which is the subject of the complaint within the time period determined pursuant to the following guidelines, which period shall commence on the date of receipt of the complaint:

(1) For nursing facilities, an on-site inspection shall be initiated as follows:

(a) Within two working days for a complaint determined by the department to be an alleged immediate jeopardy situation.

(b) Within ten working days for a complaint determined by the department to be an alleged high-level, nonimmediate jeopardy situation.

(c) Within forty-five calendar days for a complaint determined by the department to be an alleged nonimmediate jeopardy situation, other than a high-level situation.

(2) For all other types of health care facilities, an on-site inspection shall be initiated as follows:

(a) Within two working days for a complaint determined by the department to be an alleged immediate jeopardy situation.

(b) Within twenty working days for a complaint determined by the department to be an alleged high-level, nonimmediate jeopardy situation.

(c) Within forty-five calendar days for a complaint determined by the department to be an alleged nonimmediate jeopardy situation, other than a high-level situation.

b. The complaint investigation shall include, at a minimum, an interview with the

complainant, the alleged perpetrator, and the victim of the alleged violation, if the victim is able to communicate, if the complainant, alleged perpetrator, or victim is identifiable, and if the complainant, alleged perpetrator, or victim is available. Additionally, witnesses who have knowledge of facts related to the complaint shall be interviewed, if identifiable and available. The names of witnesses may be obtained from the complainant or the victim. The files of the facility may be reviewed to ascertain the names of staff persons on duty at the time relevant to the complaint. The department shall apply a preponderance of the evidence standard in determining whether or not a complaint is substantiated. For the purposes of this subsection, “*a preponderance of the evidence standard*” means that the evidence, considered and compared with the evidence opposed to it, produces the belief in a reasonable mind that the allegations are more likely true than not true. “*A preponderance of the evidence standard*” does not require that the investigator personally witnessed the alleged violation.

c. The department may refer to a representative of the office of long-term care ombudsman any complaint received by the department regarding a facility, for initial evaluation and appropriate action by the office of long-term care ombudsman.

2. a. The complainant shall be promptly informed of the result of any action taken by the department or the office of long-term care ombudsman in the matter. The complainant shall also be notified of the name, address, and telephone number of the designated protection and advocacy agency if the alleged violation involves a facility with one or more residents with developmental disabilities or mental illness.

b. Upon conclusion of the investigation, the department shall notify the complainant of the results. The notification shall include a statement of the factual findings as determined by the investigator, the statutory or regulatory provisions alleged to have been violated, and a summary of the reasons for which the complaint was or was not substantiated.

c. The department shall mail the notification to the complainant without charge. Upon the request of the complainant, the department shall mail to the complainant, without charge, a copy of the most recent final findings regarding compliance with licensing requirements by the facility against which the complaint was filed.

d. A person who is dissatisfied with any aspect of the department’s handling of the complaint may contact the office of long-term care ombudsman, or may contact the protection and advocacy agency designated pursuant to section 135C.2 if the complaint relates to a resident with a developmental disability or a mental illness.

3. An inspection made pursuant to a complaint filed under section 135C.37 need not be limited to the matter or matters included in the complaint. However, the inspection shall not be a general inspection unless the complaint inspection coincides with a scheduled general inspection or unless in the course of the complaint investigation a violation is evident to the inspector. Upon arrival at the facility to be inspected, the inspector shall show identification to the person in charge of the facility and state that an inspection is to be made, before beginning the inspection. Upon request of either the complainant or the department or a representative of the office of long-term care ombudsman, the complainant or the complainant’s representative or both may be allowed the privilege of accompanying the inspector during any on-site inspection made pursuant to this section. The inspector may cancel the privilege at any time if the inspector determines that the privacy of any resident of the facility to be inspected would otherwise be violated. The protection and dignity of the resident shall be given first priority by the inspector and others.

135C.40 Citations when violations found — penalties — exception.

1. If the director determines, based on the findings of an inspection or investigation of a health care facility, that the facility is in violation of this chapter or rules adopted under this chapter, the director within five working days after making the determination, may issue a written citation to the facility. The citation shall be served upon the facility personally, by electronic mail, or by certified mail, except that a citation for a class III violation may be sent by ordinary mail. Each citation shall specifically describe the nature of the violation, identifying the Code section or subsection or the rule or standard violated, and the classification of the violation under section 135C.36. Where appropriate, the citation shall also state the period of time allowed for correction of the violation, which shall in each case be the shortest period of time the department deems feasible. Failure to correct a violation within the time specified, unless the licensee shows that the failure was due to circumstances beyond the licensee's control, shall subject the facility to a further penalty of fifty dollars for each day that the violation continues after the time specified for correction.

a. If a facility licensed under this chapter is subject to or will be subject to denial of payment including payment for Medicare or medical assistance under chapter 249A, or denial of payment for all new admissions pursuant to 42 C.F.R. §488.417, and submits a plan of correction relating to a statement of deficiencies or a response to a citation issued under rules adopted by the department and the department elects to conduct an on-site revisit inspection, the department shall commence the revisit inspection within the shortest time feasible of the date that the plan of correction is received, or the date specified within the plan of correction alleging compliance, whichever is later.

b. If the department recommends the issuance of federal remedies pursuant to 42 C.F.R. §488.406(a)(2) or (a)(3), relating to an inspection conducted by the department, the department shall issue the statement of deficiencies within twenty-four hours of the date that the centers for Medicare and Medicaid services of the United States department of health and human services was notified of the recommendation for the imposition of remedies.

c. The facility shall be provided an exit interview at the conclusion of an inspection and the facility representative shall be informed of all issues and areas of concern related to the deficient practices. The department may conduct the exit interview either in person or by telephone, and a second exit interview shall be provided if any additional issues or areas of concern are identified. The facility shall be provided two working days from the date of the exit interview to submit additional or rebuttal information to the department.

2. When a citation is served upon or mailed to a health care facility under subsection 1 and the licensee of the facility is not actually involved in the daily operation of the facility, a copy of the citation shall be mailed to the licensee. If the licensee is a corporation, a copy of the citation shall be sent to the corporation's office of record. If the citation was issued pursuant to an inspection resulting from a complaint filed under section 135C.37, a copy of the citation shall be sent to the complainant at the earliest time permitted by section 135C.19, subsection 1.

3. No health care facility shall be cited for any violation caused by any practitioner licensed pursuant to chapter 148 if that practitioner is not the licensee of and is not otherwise financially interested in the facility and the licensee or the facility presents evidence that reasonable care and diligence have been exercised in notifying the practitioner of the practitioner's duty to the patients in the facility.

Referred to in §135C.46

135C.41 Licensee's response to citation.

Within twenty business days after service of a citation under section 135C.40, a facility shall do one of the following:

1. If the facility does not desire to contest the citation, take one of the following actions:

a. Remit to the department the amount specified by the department pursuant to section 135C.36 as a penalty for each class I violation cited, and for each class II violation unless the citation specifically waives the penalty, which funds shall be paid by the department into the state treasury and credited to the general fund.

b. In the case of a class II violation for which the penalty has been waived in accordance with the standards prescribed in section 135C.36, subsection 2, or a class III violation, send to the department a written response acknowledging that the citation has been received and stating that the violation will be corrected within the specific period of time allowed by the citation.

2. If the facility desires to contest the citation, notify the director that the facility desires to contest the citation and do either of the following:

a. Request an informal conference with an independent reviewer pursuant to section 135C.42. Upon the conclusion of an informal conference, in the case of an affirmed or modified citation, the facility may request a contested case hearing in writing within five days after receipt of the written explanation of the independent reviewer.

b. Request a contested case hearing in the manner provided by chapter 17A for contested cases. The formal hearing shall be conducted in accordance with chapter 17A and rules adopted by the department.

135C.42 Informal conference on contested citation.

1. The director shall provide an independent reviewer to hold an informal conference with the facility within ten working days after receipt of a request made under section 135C.41, subsection 2, paragraph "a". At the conclusion of the conference the independent reviewer may affirm or may modify or dismiss the citation. The independent reviewer shall state in writing the specific reasons for the affirmation, modification, or dismissal and immediately transmit copies of the statement to the director, and to the facility. If the facility does not desire to further contest an affirmed or modified citation, it shall comply with section 135C.41, subsection 1, within five working days after receipt of the written explanation of the independent reviewer.

2. An independent reviewer shall be licensed as an attorney in the state of Iowa and shall not be employed or have been employed by the department in the past eight years or have appeared in front of the department on behalf of a health care facility in the past eight years. Preference shall be given to an attorney with background knowledge, experience, or training in long-term care. The department may issue a request for proposals to enter into a contract for the purpose of providing one or more independent reviewers for informal conferences.

3. An informal conference, as required in this section, shall be held concurrently with any informal dispute resolution held pursuant to 42 C.F.R. §488.331 for those health care facilities certified under Medicare or the medical assistance program.

135C.43 Judicial review.

1. A facility which has exhausted all adequate administrative remedies and is aggrieved by the final action of the department may petition for judicial review in the manner provided by chapter 17A.

2. Hearings on petitions for judicial review brought under this section shall be set for trial at the earliest possible date and shall take precedence on the court calendar over all other cases except matters to which equal or superior precedence is specifically granted by law. The times for pleadings and for hearings in such actions shall be set by the judge of the court with the object of securing a decision in the matter at the earliest possible time.

135C.44 Treble fines for repeated violations.

The penalties authorized by section 135C.36 shall be trebled for a second or subsequent class I or class II violation occurring within any twelve-month period if a citation was issued for the same class I or class II violation occurring within that period and a penalty was assessed therefor.

[C77, 79, 81, §135C.44]

135C.44A Double fines for intentional violations.

The penalties authorized by section 135C.36 shall be doubled for each class I violation when the violation is due to an intentional act by the facility in violation of a provision of this chapter or a rule of the department.

2009 Acts, ch 156, §10

135C.45 Refund of penalty.

If at any time a contest or appeal of any citation issued a health care facility under this chapter results in an order or determination that a penalty previously paid to or collected by the department must be refunded to the facility, the refund shall be made from any money in the state general fund not otherwise appropriated.

CHAPTER 135D

IOWA HEALTH INFORMATION NETWORK

135D.1	Short title.	135D.5	Designated entity — administration and governance.
135D.2	Definitions.	135D.6	Board of directors — composition — duties.
135D.3	Iowa health information network — findings and intent.	135D.7	Legal and policy — liability — confidentiality.
135D.4	Iowa health information network — principles — technical infrastructure requirements.		

135D.1 Short title.

This chapter shall be known and may be cited as the “*Iowa Health Information Network Act*”.

2015 Acts, ch 73, §1, 9

Section is effective March 31, 2017; Code editor received notice from the Iowa department of public health that assumption of administration and governance of the Iowa health information network by the designated entity occurred on that date; 2015 Acts, ch 73, §9

135D.2 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Board of directors*” or “*board*” means the entity that governs and administers the Iowa health information network.
2. “*Care coordination*” means the management of all aspects of a patient’s care to improve health care quality.
3. “*Department*” means the department of public health.
4. “*Designated entity*” means the nonprofit corporation designated by the department through a competitive process as the entity responsible for administering and governing the Iowa health information network.
5. “*Exchange*” means the authorized electronic sharing of health information between health care professionals, payors, consumers, public health agencies, the designated entity, the department, and other authorized participants utilizing the Iowa health information network and Iowa health information network services.
6. “*Health care professional*” means a person who is licensed, certified, or otherwise authorized or permitted by the law of this state to administer health care in the ordinary course of business or in the practice of a profession.
7. “*Health information*” means health information as defined in 45 C.F.R. §160.103 that is created or received by an authorized participant.
8. “*Health information technology*” means the application of information processing, involving both computer hardware and software, that deals with the storage, retrieval, sharing, and use of health care information, data, and knowledge for communication,

decision making, quality, safety, and efficiency of clinical practice, and may include but is not limited to:

a. An electronic health record that electronically compiles and maintains health information that may be derived from multiple sources about the health status of an individual and may include a core subset of each care delivery organization's electronic medical record such as a continuity of care record or a continuity of care document, computerized physician order entry, electronic prescribing, or clinical decision support.

b. A personal health record through which an individual and any other person authorized by the individual can maintain and manage the individual's health information.

c. An electronic medical record that is used by health care professionals to electronically document, monitor, and manage health care delivery within a care delivery organization, is the legal record of the patient's encounter with the care delivery organization, and is owned by the care delivery organization.

d. A computerized provider order entry function that permits the electronic ordering of diagnostic and treatment services, including prescription drugs.

e. A decision support function to assist physicians and other health care providers in making clinical decisions by providing electronic alerts and reminders to improve compliance with best practices, promote regular screenings and other preventive practices, and facilitate diagnosis and treatments.

f. Tools to allow for the collection, analysis, and reporting of information or data on adverse events, the quality and efficiency of care, patient satisfaction, and other health care-related performance measures.

9. "Health Insurance Portability and Accountability Act" or "HIPAA" means the federal Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191, including amendments thereto and regulations promulgated thereunder.

10. "Hospital" means a licensed hospital as defined in section 135B.1.

11. "Interoperability" means the ability of two or more systems or components to exchange information or data in an accurate, effective, secure, and consistent manner and to use the information or data that has been exchanged and includes but is not limited to:

a. The capacity to connect to a network for the purpose of exchanging information or data with other users.

b. The ability of a connected, authenticated user to demonstrate appropriate permissions to participate in the instant transaction over the network.

c. The capacity of a connected, authenticated user to access, transmit, receive, and exchange usable information with other users.

12. "Iowa health information network" or "network" means the statewide health information technology network that is the sole statewide network for Iowa pursuant to this chapter.

13. "Iowa Medicaid enterprise" means the centralized medical assistance program infrastructure, based on a business enterprise model, and designed to foster collaboration among all program stakeholders by focusing on quality, integrity, and consistency.

14. "Participant" means an authorized health care professional, payor, patient, health care organization, public health agency, or the department that has agreed to authorize, submit, access, or disclose health information through the Iowa health information network in accordance with this chapter and all applicable laws, rules, agreements, policies, and standards.

15. "Patient" means a person who has received or is receiving health services from a health care professional.

16. "Payor" means a person who makes payments for health services, including but not limited to an insurance company, self-insured employer, government program, individual, or other purchaser that makes such payments.

17. "Protected health information" means protected health information as defined in 45 C.F.R. §160.103 that is created or received by an authorized participant.

18. "Public health activities" means actions taken by a participant in its capacity as a public health authority under the Health Insurance Portability and Accountability Act or as required or permitted by other federal or state law.

19. “Public health agency” means an entity that is governed by or contractually responsible to a local board of health or the department to provide services focused on the health status of population groups and their environments.

20. “Record locator service” means the functionality of the Iowa health information network that queries data sources to locate and identify potential patient records.

2015 Acts, ch 73, §2, 9

Referred to in §125.37, 228.2, 249K.2

Section is effective March 31, 2017; Code editor received notice from the Iowa department of public health that assumption of administration and governance of the Iowa health information network by the designated entity occurred on that date; 2015 Acts, ch 73, §9

135D.3 Iowa health information network — findings and intent.

1. The general assembly finds all of the following:

a. Technology used to support health care-related functions is known as health information technology. Health information technology provides a mechanism to transform the delivery of health and medical care in Iowa and across the nation.

b. Health information technology is rapidly evolving to contribute to the goals of improving the experience of care, improving the health of populations, and reducing per capita costs of health care.

c. A health information network involves the secure electronic sharing of health information across the boundaries of individual practice and institutional health settings and with consumers. The broad use of health information technology and a health information network should improve health care quality and the overall health of the population, increase efficiencies in administrative health care, reduce unnecessary health care costs, and help prevent medical errors.

d. All health information technology efforts shall endeavor to represent the interests and meet the needs of consumers and the health care sector, protect the privacy of individuals and the confidentiality of individuals’ information, promote best practices, and make information easily accessible to the members of the patient-centered care coordination team, including but not limited to patients, providers, and payors.

2. It is the intent of the general assembly that the Iowa health information network shall not constitute a health benefit network or a health insurance network.

2015 Acts, ch 73, §3, 9

Section is effective March 31, 2017; Code editor received notice from the Iowa department of public health that assumption of administration and governance of the Iowa health information network by the designated entity occurred on that date; 2015 Acts, ch 73, §9

135D.4 Iowa health information network — principles — technical infrastructure requirements.

1. The Iowa health information network shall be administered and governed by a designated entity using, at a minimum, the following principles:

a. Be patient-centered and market-driven.

b. Comply with established national standards.

c. Protect the privacy of consumers and the security and confidentiality of all health information.

d. Promote interoperability.

e. Increase the accuracy, completeness, and uniformity of data.

f. Preserve the choice of the patient to have the patient’s health information available through the record locator service.

g. Provide education to the general public and provider communities on the value and benefits of health information technology.

2. Widespread adoption of health information technology is critical to a successful Iowa health information network and is best achieved when all of the following occur:

a. The network, through the designated entity complying with chapter 504 and reporting as required under this chapter, operates in an entrepreneurial and businesslike manner in which it is accountable to all participants utilizing the network’s products and services.

b. The network provides a variety of services from which to choose in order to best fit the needs of the user.

c. The network is financed by all who benefit from the improved quality, efficiency, savings, and other benefits that result from use of health information technology.

d. The network is operated with integrity and freedom from political influence.

3. The Iowa health information network technical infrastructure shall provide a mechanism for all of the following:

a. The facilitation and support of the secure electronic exchange of health information between participants.

b. Participants without an electronic health records system to access health information from the Iowa health information network.

4. Nothing in this chapter shall be interpreted to impede or preclude the formation and operation of regional, population-specific, or local health information networks or the participation of such networks in the Iowa health information network.

2015 Acts, ch 73, §4, 9

Section is effective March 31, 2017; Code editor received notice from the Iowa department of public health that assumption of administration and governance of the Iowa health information network by the designated entity occurred on that date; 2015 Acts, ch 73, §9

135D.5 Designated entity — administration and governance.

1. The Iowa health information network shall be administered and governed by a designated entity selected by the department through a competitive process. The designated entity shall be established as a nonprofit corporation organized under chapter 504. Unless otherwise provided in this chapter, the corporation is subject to the provisions of chapter 504. The designated entity shall be established for the purpose of administering and governing the statewide Iowa health information network.

2. The designated entity shall collaborate with the department, but the designated entity shall not be considered, in whole or in part, an agency, department, or administrative unit of the state.

a. The designated entity shall not be required to comply with any requirements that apply to a state agency, department, or administrative unit and shall not exercise any sovereign power of the state.

b. The designated entity does not have authority to pledge the credit of the state. The assets and liabilities of the designated entity shall be separate from the assets and liabilities of the state and the state shall not be liable for the debts or obligations of the designated entity. All debts and obligations of the designated entity shall be payable solely from the designated entity's funds. The state shall not guarantee any obligation of or have any obligation to the designated entity.

3. The articles of incorporation of the designated entity shall provide for its governance and its efficient management. In providing for its governance, the articles of the designated entity shall address the following:

a. A board of directors to govern the designated entity.

b. The appointment of a chief executive officer by the board to manage the designated entity's daily operations.

c. The delegation of such powers and responsibilities to the chief executive officer as may be necessary for the designated entity's efficient operation.

d. The employment of personnel necessary for the efficient performance of the duties assigned to the designated entity. All such personnel shall be considered employees of a private, nonprofit corporation and shall be exempt from the personnel requirements imposed on state agencies, departments, and administrative units.

e. The financial operations of the designated entity including the authority to receive and expend funds from public and private sources and to use its property, money, or other resources for the purpose of the designated entity.

2015 Acts, ch 73, §5, 9

Section is effective March 31, 2017; Code editor received notice from the Iowa department of public health that assumption of administration and governance of the Iowa health information network by the designated entity occurred on that date; 2015 Acts, ch 73, §9

135D.6 Board of directors — composition — duties.

1. The designated entity shall be administered by a board of directors.

2. A single industry shall not be disproportionately represented as voting members of the

board. The board shall include at least one member who is a consumer of health services and a majority of the voting members of the board shall be representative of participants in the Iowa health information network. The director of public health or the director's designee and the director of the Iowa Medicaid enterprise or the director's designee shall act as voting members of the board. The commissioner of insurance shall act as an ex officio, nonvoting member of the board. Individuals serving in an ex officio, nonvoting capacity shall not be included in the total number of individuals authorized as members of the board.

3. The board of directors shall do all of the following:

a. Ensure that the designated entity enters into contracts with each state agency necessary for state reporting requirements.

b. Develop, implement, and enforce the following:

(1) A single patient identifier or alternative mechanism to share secure patient information that is utilized by all health care professionals.

(2) Standards, requirements, policies, and procedures for access to, use, secondary use, privacy, and security of health information exchanged through the Iowa health information network, consistent with applicable federal and state standards and laws.

c. Direct a public and private collaborative effort to promote the adoption and use of health information technology in the state to improve health care quality, increase patient safety, reduce health care costs, enhance public health, and empower individuals and health care professionals with comprehensive, real-time medical information to provide continuity of care and make the best health care decisions.

d. Educate the public and the health care sector about the value of health information technology in improving patient care, and methods to promote increased support and collaboration of state and local public health agencies, health care professionals, and consumers in health information technology initiatives.

e. Work to align interstate and intrastate interoperability standards in accordance with national health information exchange standards.

f. Provide an annual budget and fiscal report for the Iowa health information network to the governor, the department of public health, the department of management, the chairs and ranking members of the legislative government oversight standing committees, and the legislative services agency. The report shall also include information about the services provided through the network and information on the participant usage of the network.

2015 Acts, ch 73, §6, 9

Section is effective March 31, 2017; Code editor received notice from the Iowa department of public health that assumption of administration and governance of the Iowa health information network by the designated entity occurred on that date; 2015 Acts, ch 73, §9

135D.7 Legal and policy — liability — confidentiality.

1. The board shall implement industry-accepted security standards, policies, and procedures to protect the transmission and receipt of protected health information exchanged through the Iowa health information network, which shall, at a minimum, comply with HIPAA and shall include all of the following:

a. A secure and traceable electronic audit system to document and monitor the sender and recipient of health information exchanged through the Iowa health information network.

b. A required standard participation agreement which defines the minimum privacy and security obligations of all participants using the Iowa health information network and services available through the Iowa health information network.

c. The opportunity for a patient to decline exchange of the patient's health information through the record locator service of the Iowa health information network.

(1) A patient shall not be denied care or treatment for declining to exchange the patient's health information, in whole or in part, through the network.

(2) The board shall provide the means and process by which a patient may decline participation. The means and process utilized shall minimize the burden on patients and health care professionals.

(3) Unless otherwise authorized by law or rule, a patient's decision to decline participation means that none of the patient's health information shall be accessible through the record locator service function of the Iowa health information network. A patient's decision to

decline having health information shared through the record locator service function shall not limit a health care professional with whom the patient has or is considering a treatment relationship from sharing health information concerning the patient through the secure messaging function of the Iowa health information network.

(4) A patient who declines participation in the Iowa health information network may later decide to have health information shared through the network. A patient who is participating in the network may later decline participation in the network.

2. A participant shall not be compelled by subpoena, court order, or other process of law to access health information through the Iowa health information network in order to gather records or information not created by the participant.

3. A participant exchanging health information and data through the Iowa health information network shall grant to other participants of the network a nonexclusive license to retrieve and use that information in accordance with applicable state and federal laws, and the policies and standards established by the board.

4. A health care professional who relies reasonably and in good faith upon any health information provided through the Iowa health information network in treatment of a patient who is the subject of the health information shall be immune from criminal or civil liability arising from the damages caused by such reasonable, good-faith reliance. Such immunity shall not apply to acts or omissions constituting negligence, recklessness, or intentional misconduct.

5. A participant who has disclosed health information through the Iowa health information network in compliance with applicable law and the standards, requirements, policies, procedures, and agreements of the network shall not be subject to criminal or civil liability for the use or disclosure of the health information by another participant.

6. The following records shall be confidential records pursuant to chapter 22, unless otherwise ordered by a court or consented to by the patient or by a person duly authorized to release such information:

a. The health information contained in, stored in, submitted to, transferred or exchanged by, or released from the Iowa health information network.

b. Any health information in the possession of the board due to its administration of the Iowa health information network.

7. Unless otherwise provided in this chapter, when sharing health information through the Iowa health information network or a private health information network maintained in this state that complies with the privacy and security requirements of this chapter for the purposes of patient treatment, payment or health care operations, as such terms are defined in HIPAA, or for the purposes of public health activities or care coordination, a participant authorized by the designated entity to use the record locator service is exempt from any other state law that is more restrictive than HIPAA that would otherwise prevent or hinder the exchange of patient information by the participant.

8. A patient aggrieved or adversely affected by the designated entity's failure to comply with subsection 1, paragraph "c", may bring a civil action for equitable relief as the court deems appropriate.

2015 Acts, ch 73, §7, 9

Section is effective March 31, 2017; Code editor received notice from the Iowa department of public health that assumption of administration and governance of the Iowa health information network by the designated entity occurred on that date; 2015 Acts, ch 73, §9

135G.1 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Advanced registered nurse practitioner*” means a person currently licensed as a registered nurse under chapter 152 or 152E who is licensed by the board of nursing as an advanced registered nurse practitioner.
2. “*Department*” means the department of inspections and appeals.
3. “*Direction*” means authoritative policy or procedural guidance for the accomplishment of a function or an activity.
4. “*Licensee*” means the holder of a license issued to operate a subacute care facility for persons with serious and persistent mental illness.
5. “*Mental health professional*” means the same as defined in section 228.1.
6. “*Mental health services*” means services provided by a mental health professional operating within the scope of the professional’s practice which address mental, emotional, medical, or behavioral problems.
7. “*Physician*” means a person licensed under chapter 148.
8. “*Physician assistant*” means a person licensed to practice under the supervision of a physician as authorized in chapters 147 and 148C.
9. “*Rehabilitative services*” means services to encourage and assist restoration of a resident’s optimum mental and physical capabilities.
10. “*Resident*” means a person who is eighteen years of age or older and has been determined by a mental health professional to need subacute mental health services.
11. “*Subacute care facility for persons with serious and persistent mental illness*” or “*subacute care facility*” means an institution, place, building, or agency with restricted means of egress providing subacute mental health services for a period exceeding twenty-four consecutive hours to persons in need of the services.
12. “*Subacute mental health services*” means the same as defined in section 225C.6.
13. “*Supervision*” means direct oversight and inspection of the act of accomplishing a function or activity.
14. “*Treatment care plan*” means a plan of care and services designed to eliminate the need for acute care by improving the condition of a person with serious and persistent mental illness. Services must be based upon a diagnostic evaluation, which includes an examination of the medical, psychological, social, behavioral, and developmental aspects of the person’s situation, reflecting the need for inpatient care.

2012 Acts, ch 1120, §40; 2015 Acts, ch 56, §2

135G.2 Purpose.

The purpose of this chapter is to provide for the development, establishment, and enforcement of basic standards for the operation, construction, and maintenance of a subacute care facility which will ensure the safe and adequate diagnosis, evaluation, and

treatment of persons with serious and persistent mental illness so that the persons are able to experience recovery and live successfully in the community.

2012 Acts, ch 1120, §41

135G.3 Nature of care — seclusion room — admissions.

1. A subacute care facility shall utilize a team of professionals to direct an organized program of diagnostic services, subacute mental health services, and rehabilitative services to meet the needs of residents in accordance with a treatment care plan developed for each resident under the supervision of a mental health professional. The goal of a treatment care plan is to transition residents to a less restrictive environment, including a home-based community setting. Social and rehabilitative services shall also be provided under the direction of a mental health professional.

2. The mental health professional providing supervision of the subacute care facility's treatment care plans shall evaluate the condition of each resident as medically necessary and shall be available to residents of the facility on an on-call basis at all other times. Additional evaluation and treatment may be provided by a mental health professional. The subacute care facility may employ a seclusion room meeting the conditions described in 42 C.F.R. §483.364(b) with approval of a licensed psychiatrist or by order of the resident's physician, a physician assistant, or an advanced registered nurse practitioner.

2012 Acts, ch 1120, §42; 2013 Acts, ch 19, §4, 6, 7

135G.4 Licensure.

1. A person shall not establish, operate, or maintain a subacute care facility unless the person obtains a license for the subacute care facility under this chapter.

2. An intermediate care facility for persons with mental illness licensed under chapter 135C may convert to a subacute care facility by submitting an application for a license in accordance with section 135G.5 accompanied by written notice to the department that the facility has employed a mental health professional and desires to make the conversion. An intermediate care facility for persons with mental illness applying for a license under this subsection remains subject to subsection 1 until a license is issued.

2012 Acts, ch 1120, §43; 2013 Acts, ch 19, §5 – 7

135G.5 Application for license.

An application for a license under this chapter shall be submitted on a form requesting information required by the department, which may include affirmative evidence of the applicant's ability to comply with the rules for standards adopted pursuant to this chapter. An application for a license shall be accompanied by the required license fee which shall be credited to the general fund of the state. The initial and annual license fee is twenty-five dollars.

2012 Acts, ch 1120, §44

Referred to in §135G.4

135G.6 Inspection — conditions for issuance.

The department shall issue a license to an applicant under this chapter if the department has ascertained that the applicant's facilities and staff are adequate to provide the care and services required of a subacute care facility.

2012 Acts, ch 1120, §45; 2015 Acts, ch 61, §1; 2018 Acts, ch 1056, §4

135G.7 Denial, suspension, or revocation of license.

The department may deny an application or suspend or revoke a license if the department finds that an applicant or licensee has failed or is unable to comply with this chapter or the rules establishing minimum standards pursuant to this chapter or if any of the following conditions apply:

1. It is shown that a resident is a victim of cruelty or neglect due to the acts or omissions of the licensee.

2. The licensee has permitted, aided, or abetted in the commission of an illegal act in the subacute care facility.

3. An applicant or licensee acted to obtain or to retain a license by fraudulent means, misrepresentation, or submitting false information.

4. The licensee has willfully failed or neglected to maintain a continuing in-service education and training program for persons employed by the subacute care facility.

5. The application involves a person who has failed to operate a subacute care facility in compliance with the provisions of this chapter.

2012 Acts, ch 1120, §46

135G.8 Provisional license.

The department may issue a provisional license, effective for not more than one year, to a licensee whose subacute care facility does not meet the requirements of this chapter if, prior to issuance of the license, the applicant submits written plans to achieve compliance with the applicable requirements and the plans are approved by the department. The plans shall specify the deadline for achieving compliance.

2012 Acts, ch 1120, §47

135G.9 Notice and hearings.

The procedure governing notice and hearing to deny an application or suspend or revoke a license shall be in accordance with rules adopted by the department pursuant to chapter 17A. A full and complete record shall be kept of the proceedings and of any testimony. The record need not be transcribed unless judicial review is sought. A copy or copies of a transcript may be obtained by an interested party upon payment of the cost of preparing the transcript or copies.

2012 Acts, ch 1120, §48

135G.10 Rules.

1. The department of inspections and appeals and the department of human services shall collaborate in establishing standards for licensing of subacute care facilities to achieve all of the following objectives:

a. Subacute mental health services are provided based on sound, proven clinical practice.

b. Subacute mental health services are established in a manner that allows the services to be included in the federal medical assistance state plan.

2. It is the intent of the general assembly that subacute mental health services be included in the Medicaid state plan adopted for the implementation of the federal Patient Protection and Affordable Care Act, benchmark plan.

3. The department of inspections and appeals, in consultation with the department of human services and affected professional groups, shall adopt and enforce rules setting out the standards for a subacute care facility and the rights of the residents admitted to a subacute care facility. The department of inspections and appeals and the department of human services shall coordinate the adoption of rules and the enforcement of the rules in order to prevent duplication of effort by the departments and of requirements of the licensee.

2012 Acts, ch 1120, §49

Responsibility of department of human services to adopt standards in coordination with department of inspections and appeals for facility-based and community-based, subacute mental health services; §225C.6

135G.11 Complaints alleging violations.

1. A person may request an inspection of a subacute care facility by filing with the department a complaint of an alleged violation of an applicable requirement of this chapter or a rule adopted pursuant to this chapter. The complaint shall state in a reasonably specific manner the basis of the complaint. A statement of the nature of the complaint shall be delivered to the subacute care facility involved at the time of or prior to the inspection.

2. Upon receipt of a complaint made in accordance with subsection 1, the department shall make a preliminary review of the complaint. Unless the department concludes that the complaint is intended to harass a subacute care facility or a licensee or is without reasonable basis, it shall within twenty working days of receipt of the complaint make or cause to be made

an on-site inspection of the subacute care facility which is the subject of the complaint. The department of inspections and appeals may refer to the department of human services any complaint received by the department of inspections and appeals if the complaint applies to rules adopted by the department of human services. The complainant shall also be notified of the name, address, and telephone number of the designated protection and advocacy agency if the alleged violation involves a facility with one or more residents with a developmental disability or mental illness. In any case, the complainant shall be promptly informed of the result of any action taken by the department in the matter.

3. An inspection made pursuant to a complaint filed under subsection 1 need not be limited to the matter or matters referred to in the complaint; however, the inspection shall not be a general inspection unless the complaint inspection coincides with a scheduled general inspection. Upon arrival at the subacute care facility to be inspected, the inspector shall show identification to the person in charge of the subacute care facility and state that an inspection is to be made, before beginning the inspection. Upon request of either the complainant or the department, the complainant or the complainant's representative or both may be allowed the privilege of accompanying the inspector during any on-site inspection made pursuant to this section. The inspector may cancel the privilege at any time if the inspector determines that the privacy of a resident of the subacute care facility to be inspected would be violated. The dignity of the resident shall be given first priority by the inspector and others.

2012 Acts, ch 1120, §50

135G.12 Information confidential.

1. The department's final findings regarding licensure shall be made available to the public in a readily available form and place. Other information relating to the subacute care facility is confidential and shall not be made available to the public except in proceedings involving licensure, a civil suit involving a resident, or an administrative action involving a resident.

2. The name of a person who files a complaint with the department shall remain confidential and is not subject to discovery, subpoena, or any other means of legal compulsion for release to a person other than an employee of the department or an agent involved in the investigation of the complaint.

3. Information regarding a resident who has received or is receiving care shall not be disclosed directly or indirectly except as authorized under section 217.30.

2012 Acts, ch 1120, §51

135G.13 Judicial review.

Judicial review of the action of the department may be sought pursuant to the Iowa administrative procedure Act, chapter 17A. Notwithstanding chapter 17A, a petition for judicial review of the department's actions under this chapter may be filed in the district court of the county in which the related subacute care facility is located or is proposed to be located. The status of the petitioner or the licensee shall be preserved pending final disposition of the judicial review.

2012 Acts, ch 1120, §52

135G.14 Penalty.

A person who establishes, operates, or manages a subacute care facility without obtaining a license under this chapter commits a serious misdemeanor. Each day of continuing violation following conviction shall be considered a separate offense.

2012 Acts, ch 1120, §53

135G.15 Injunction.

Notwithstanding the existence or pursuit of another remedy, the department may maintain an action for injunction or other process to restrain or prevent the establishment, operation, or management of a subacute care facility without a license.

Referred to in §249A.30A

135H.2 Purpose.

The purpose of this chapter is to provide for the development, establishment, and enforcement of basic standards for the operation, construction, and maintenance of a psychiatric medical institution for children which will ensure the safe and adequate diagnosis and evaluation and treatment of the residents.

89 Acts, ch 283, §3

135H.3 Nature of care.

1. A psychiatric medical institution for children shall utilize a team of professionals to direct an organized program of diagnostic services, psychiatric services, nursing care, and rehabilitative services to meet the needs of residents in accordance with a medical care plan developed for each resident. The membership of the team of professionals may include but is not limited to an advanced registered nurse practitioner or a physician assistant. Social and rehabilitative services shall be provided under the direction of a qualified mental health professional.

2. If a child is diagnosed with a biologically based mental illness as defined in section 514C.22 and meets the medical assistance program criteria for admission to a psychiatric medical institution for children, the child shall be deemed to meet the acuity criteria for medically necessary inpatient benefits under a group policy, contract, or plan providing for third-party payment or prepayment of health, medical, and surgical coverage benefits issued by a carrier, as defined in section 513B.2, that is subject to section 514C.22. Such medically necessary benefits shall not be excluded or denied as care that is substantially custodial in nature under section 514C.22, subsection 8, paragraph “b”.

89 Acts, ch 283, §4; 2009 Acts, ch 179, §182; 2011 Acts, ch 121, §7; 2011 Acts, ch 131, §151, 153; 2017 Acts, ch 148, §29

135H.4 Licensure.

A person shall not establish, operate, or maintain a psychiatric medical institution for children unless the person obtains a license for the institution under this chapter and either holds a license under section 237.3, subsection 2, paragraph “a”, as a comprehensive residential facility for children or holds a license under section 125.13, if the facility provides substance abuse treatment.

89 Acts, ch 283, §5; 93 Acts, ch 53, §6; 93 Acts, ch 172, §29; 93 Acts, ch 180, §79

135H.5 Application for license.

An application for a license under this chapter shall be submitted on a form requesting information required by the department, which may include affirmative evidence of the applicant’s ability to comply with the rules for standards adopted pursuant to this chapter. An application for a license shall be accompanied by the required license fee which shall be credited to the general fund of the state. The initial and annual license fee is twenty-five dollars.

89 Acts, ch 283, §6

135H.6 Inspection — conditions for issuance.

1. The department shall issue a license to an applicant under this chapter if all the following conditions exist:

a. The department has ascertained that the applicant’s medical facilities and staff are adequate to provide the care and services required of a psychiatric institution.

b. The proposed psychiatric institution is accredited by the joint commission on the accreditation of health care organizations, the commission on accreditation of rehabilitation facilities, the council on accreditation of services for families and children, or by any other recognized accrediting organization with comparable standards acceptable under federal regulation.

c. The applicant complies with applicable state rules and standards for a psychiatric institution adopted by the department in accordance with federal requirements under 42 C.F.R. §441.150 – 441.156.

d. The applicant has been awarded a certificate of need pursuant to chapter 135, unless exempt as provided in this section.

e. The department of human services has submitted written approval of the application based on the department of human services' determination of need. The department of human services shall identify the location and number of children in the state who require the services of a psychiatric medical institution for children. Approval of an application shall be based upon the location of the proposed psychiatric institution relative to the need for services identified by the department of human services and an analysis of the applicant's ability to provide services and support consistent with requirements under chapter 232, particularly regarding community-based treatment. If the proposed psychiatric institution is not freestanding from a facility licensed under chapter 135B or 135C, approval under this paragraph shall not be given unless the department of human services certifies that the proposed psychiatric institution is capable of providing a resident with a living environment similar to the living environment provided by a licensee which is freestanding from a facility licensed under chapter 135B or 135C.

f. The proposed psychiatric institution is under the direction of an agency which has operated a facility licensed under section 237.3, subsection 2, paragraph "a", as a comprehensive residential facility for children for three years or of an agency which has operated a facility for three years providing psychiatric services exclusively to children or adolescents and the facility meets or exceeds requirements for licensure under section 237.3, subsection 2, paragraph "a", as a comprehensive residential facility for children.

g. If a child has an emotional, behavioral, or mental health disorder, the psychiatric institution does not require court proceedings to be initiated or that a child's parent, guardian, or custodian must terminate parental rights over or transfer legal custody of the child for the purpose of obtaining treatment from the psychiatric institution for the child. Relinquishment of a child's custody shall not be a condition of the child receiving services.

2. The department of human services shall not give approval to an application which would cause the total number of beds licensed under this chapter for services reimbursed by the medical assistance program under chapter 249A to exceed four hundred thirty beds.

3. In addition to the beds authorized under subsection 2, the department of human services may establish not more than thirty beds licensed under this chapter at the state mental health institute at Independence. The beds shall be exempt from the certificate of need requirement under subsection 1, paragraph "d".

4. The department of human services may give approval to conversion of beds approved under subsection 2, to beds which are specialized to provide substance abuse treatment. However, the total number of beds approved under subsection 2 and this subsection shall not exceed four hundred thirty. Conversion of beds under this subsection shall not require a revision of the certificate of need issued for the psychiatric institution making the conversion. Beds for children who do not reside in this state and whose service costs are not paid by public funds in this state are not subject to the limitations on the number of beds and certificate of need requirements otherwise applicable under this section.

5. A psychiatric institution licensed prior to July 1, 1999, may exceed the number of beds authorized under subsection 2 if the excess beds are used to provide services funded from a source other than the medical assistance program under chapter 249A. Notwithstanding subsection 1, paragraphs "d" and "e", and subsection 2, the provision of services using those excess beds does not require a certificate of need or a review by the department of human services.

Referred to in §226.9B

135H.7 Personnel.

1. A person shall not be allowed to provide services in a psychiatric institution if the person has a disease which is transmissible to other persons through required contact in the

workplace, which presents a significant risk of infecting other persons, which presents a substantial possibility of harming other persons, or for which no reasonable accommodation can eliminate the risk of infecting other persons.

2. *a.* If a person is being considered for licensure under this chapter, or for employment involving direct responsibility for a child or with access to a child when the child is alone, by a licensed psychiatric institution, or if a person will reside in a facility utilized by a licensee, and if the person has been convicted of a crime or has a record of founded child abuse, the department of human services and the licensee, for an employee of the licensee, shall perform an evaluation to determine whether the crime or founded child abuse warrants prohibition of licensure, employment, or residence in the facility. The department of human services shall conduct criminal and child abuse record checks in this state and may conduct these checks in other states. The evaluation shall be performed in accordance with procedures adopted for this purpose by the department of human services.

b. If the department of human services determines that a person has committed a crime or has a record of founded child abuse and is licensed, employed by a psychiatric institution licensed under this chapter, or resides in a licensed facility, the department shall notify the program that an evaluation will be conducted to determine whether prohibition of the person's licensure, employment, or residence is warranted.

c. In an evaluation, the department of human services and the licensee for an employee of the licensee shall consider the nature and seriousness of the crime or founded child abuse in relation to the position sought or held, the time elapsed since the commission of the crime or founded child abuse, the circumstances under which the crime or founded child abuse was committed, the degree of rehabilitation, the likelihood that the person will commit the crime or founded child abuse again, and the number of crimes or founded child abuses committed by the person involved. The department may permit a person who is evaluated to be licensed, employed, or to reside, or to continue to be licensed, employed, or to reside in a licensed facility, if the person complies with the department's conditions relating to the person's licensure, employment, or residence, which may include completion of additional training. For an employee of a licensee, these conditional requirements shall be developed with the licensee. The department of human services has final authority in determining whether prohibition of the person's licensure, employment, or residence is warranted and in developing any conditional requirements under this paragraph.

3. If the department of human services determines that the person has committed a crime or has a record of founded child abuse which warrants prohibition of licensure, employment, or residence, the person shall not be licensed under this chapter to operate a psychiatric institution and shall not be employed by a psychiatric institution or reside in a facility licensed under this chapter.

4. In addition to the record checks required under subsection 2, the department of human services may conduct dependent adult abuse record checks in this state and may conduct these checks in other states, on a random basis. The provisions of subsections 2 and 3, relative to an evaluation following a determination that a person has been convicted of a crime or has a record of founded child abuse, shall also apply to a random dependent adult abuse record check conducted under this subsection.

5. Beginning July 1, 1994, a licensee shall inform all new applicants for employment of the possibility of the performance of a record check and shall obtain, from the applicant, a signed acknowledgment of the receipt of the information.

6. On or after July 1, 1994, a licensee shall include the following inquiry in an application for employment:

Do you have a record of founded child or dependent adult abuse
or have you ever been convicted of a crime, in this state or any other
state?

135H.8 Denial, suspension, or revocation of license.

The department may deny an application or suspend or revoke a license if the department finds that an applicant or licensee has failed or is unable to comply with this chapter or the rules establishing minimum standards pursuant to this chapter or if any of the following conditions apply:

1. It is shown that a resident is a victim of cruelty or neglect due to the acts or omissions of the licensee.
2. The licensee has permitted, aided, or abetted in the commission of an illegal act in the psychiatric institution.
3. An applicant or licensee acted to obtain or to retain a license by fraudulent means, misrepresentation, or submitting false information.
4. The licensee has willfully failed or neglected to maintain a continuing in-service education and training program for persons employed by the psychiatric institution.
5. The application involves a person who has failed to operate a psychiatric institution in compliance with the provisions of this chapter.

89 Acts, ch 283, §9

135H.8A Provisional license.

The department may issue a provisional license, effective for not more than one year, to a licensee whose psychiatric institution does not meet the requirements of this chapter, if, prior to issuance of the license, written plans to achieve compliance with the applicable requirements are submitted to and approved by the department. The plans shall specify the deadline for achieving compliance.

95 Acts, ch 51, §2

135H.9 Notice and hearings.

The procedure governing notice and hearing to deny an application or suspend or revoke a license shall be in accordance with rules adopted by the department pursuant to chapter 17A. A full and complete record shall be kept of the proceedings and of any testimony. The record need not be transcribed unless judicial review is sought. A copy or copies of a transcript may be obtained by an interested party upon payment of the cost of preparing the transcript or copies.

89 Acts, ch 283, §10

135H.10 Rules.

1. The department of inspections and appeals, in consultation with the department of human services and affected professional groups, shall adopt and enforce rules setting out the standards for a psychiatric medical institution for children and the rights of the residents admitted to a psychiatric institution. The department of inspections and appeals and the department of human services shall coordinate the adoption of rules and the enforcement of the rules in order to prevent duplication of effort by the departments and of requirements of the licensee.

2. This chapter shall not be construed as prohibiting the use of funds appropriated for foster care to provide payment to a psychiatric medical institution for children for the financial participation required of a child whose foster care placement is in a psychiatric medical institution for children. In accordance with established policies and procedures for foster care, the department of human services shall act to recover any such payment for financial participation, apply to be named payee for the child's unearned income, and recommend parental liability for the costs of a court-ordered foster care placement in a psychiatric medical institution.

89 Acts, ch 283, §11; 2001 Acts, ch 135, §30; 2012 Acts, ch 1133, §94

135H.11 Complaints alleging violations — confidentiality.

A person may request an inspection of a psychiatric medical institution for children by filing with the department a complaint of an alleged violation of an applicable requirement of this chapter or a rule adopted pursuant to this chapter. The complaint shall state in a reasonably

specific manner the basis of the complaint. A statement of the nature of the complaint shall be delivered to the psychiatric institution involved at the time of or prior to the inspection. The name of the person who files a complaint with the department shall be kept confidential and shall not be subject to discovery, subpoena, or other means of legal compulsion for its release to a person other than department employees involved in the investigation of the complaint.

89 Acts, ch 283, §12

Referred to in §135H.12

135H.12 Inspections upon complaints.

1. Upon receipt of a complaint made in accordance with section 135H.11, the department shall make a preliminary review of the complaint. Unless the department concludes that the complaint is intended to harass a psychiatric institution or a licensee or is without reasonable basis, it shall within twenty working days of receipt of the complaint make or cause to be made an on-site inspection of the psychiatric institution which is the subject of the complaint. The department of inspections and appeals may refer to the department of human services any complaint received by the department if the complaint applies to rules adopted by the department of human services. The complainant shall also be notified of the name, address, and telephone number of the designated protection and advocacy agency if the alleged violation involves a facility with one or more residents with developmental disabilities or mental illness. In any case, the complainant shall be promptly informed of the result of any action taken by the department in the matter.

2. An inspection made pursuant to a complaint filed under section 135H.11 need not be limited to the matter or matters referred to in the complaint; however, the inspection shall not be a general inspection unless the complaint inspection coincides with a scheduled general inspection. Upon arrival at the psychiatric institution to be inspected, the inspector shall show identification to the person in charge of the psychiatric institution and state that an inspection is to be made, before beginning the inspection. Upon request of either the complainant or the department, the complainant or the complainant's representative or both may be allowed the privilege of accompanying the inspector during any on-site inspection made pursuant to this section. The inspector may cancel the privilege at any time if the inspector determines that the privacy of a resident of the psychiatric institution to be inspected would be violated. The dignity of the resident shall be given first priority by the inspector and others.

89 Acts, ch 283, §13

135H.13 Information confidential.

1. The department's final findings and the survey findings of the joint commission on the accreditation of health care organizations regarding licensure or program accreditation shall be made available to the public in a readily available form and place. Other information relating to the psychiatric institution is confidential and shall not be made available to the public except in proceedings involving licensure, a civil suit involving a resident, or an administrative action involving a resident.

2. The name of a person who files a complaint with the department shall remain confidential and is not subject to discovery, subpoena, or any other means of legal compulsion for release to a person other than an employee of the department or an agent involved in the investigation of the complaint.

3. Information regarding a resident who has received or is receiving care shall not be disclosed directly or indirectly except as authorized under section 217.30, 232.69, or 237.21.

89 Acts, ch 283, §14

135H.14 Judicial review.

Judicial review of the action of the department may be sought pursuant to the Iowa administrative procedure Act, chapter 17A. Notwithstanding the Iowa administrative procedure Act, chapter 17A, a petition for judicial review of the department's actions under this chapter may be filed in the district court of the county in which the related psychiatric

medical institution for children is located or is proposed to be located. The status of the petitioner or the licensee shall be preserved pending final disposition of the judicial review.

89 Acts, ch 283, §15; 2003 Acts, ch 44, §114

135H.15 Penalty.

A person who establishes, operates, or manages a psychiatric medical institution for children without obtaining a license under this chapter commits a serious misdemeanor. Each day of continuing violation following conviction shall be considered a separate offense.

89 Acts, ch 283, §16

135H.16 Injunction.

Notwithstanding the existence or pursuit of another remedy, the department may maintain an action for injunction or other process to restrain or prevent the establishment, operation, or management of a psychiatric medical institution for children without a license.

CHAPTER 135I

SWIMMING POOLS AND SPAS

Referred to in §89.4, 669.14, 670.4

For provisions relating to requirement that department of public health regulate certain residential swimming pools used for private swimming lessons, see 2015 Acts, ch 138, §97, 98

135I.1	Definitions.	135I.4	Powers and duties.
135I.2	Applicability.	135I.5	Penalty.
135I.3	Registration required.	135I.6	Enforcement.

135I.1 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Department*” means the Iowa department of public health.
2. “*Local board of health*” means a city, county, or district board of health as defined in section 137.102.
3. “*Spa*” means a bathing facility such as a hot tub or whirlpool designed for recreational or therapeutic use.
4. “*Swimming pool*” means an artificial basin and its appurtenances, either constructed or operated for swimming, wading, or diving, and includes a swimming pool, wading pool, waterslide, or associated bathhouse. “*Swimming pool*” does not include a decorative fountain which does not serve primarily as a wading or swimming pool and the drain of which fountain is not connected to any type of suction device for removing or recirculating the water.
5. “*Swimming pool or spa water heater*” means an appliance designed for heating nonpotable water stored at atmospheric pressure, such as water in a swimming pool, spa, hot tub, or for similar uses.

89 Acts, ch 291, §1; 91 Acts, ch 75, §1; 92 Acts, ch 1194, §1; 2001 Acts, ch 58, §5; 2010 Acts, ch 1036, §20

Referred to in §669.14, 670.4

For provisions relating to requirement that department of public health regulate certain residential swimming pools used for private swimming lessons, see 2015 Acts, ch 138, §97, 98

135I.2 Applicability.

This chapter applies to all swimming pools and spas owned or operated by local or state government, or commercial interests or private entities including but not limited to facilities operated by cities, counties, public or private school corporations, hotels, motels, camps, apartments, condominiums, and health or country clubs. This chapter does not apply to facilities intended for single family use or to a swimming pool or spa operated by a homeowners’ association representing seventy-two or fewer dwelling units if the

association's bylaws, which also apply to a rental agreement relative to any of the dwelling units, include an exemption from the requirements of this chapter, provide for inspection of the swimming pool or spa by an entity other than the department or local board of health, and assume any liability associated with operation of the swimming pool or spa. This chapter does not apply to a swimming pool or spa used exclusively for therapy under the direct supervision of qualified medical personnel. To avoid duplication and promote coordination of inspection activities, the department may enter into written agreements with a local board of health to provide for inspection and enforcement in accordance with this chapter.

89 Acts, ch 291, §2; 92 Acts, ch 1194, §2; 92 Acts, ch 1237, §8; 96 Acts, ch 1097, §1; 2001 Acts, ch 58, §6; 2008 Acts, ch 1058, §5

For provisions relating to requirement that department of public health regulate certain residential swimming pools used for private swimming lessons, see 2015 Acts, ch 138, §97, 98

135I.3 Registration required.

A person shall not operate a swimming pool or spa without first having registered with the department. Registration shall be renewed annually.

89 Acts, ch 291, §3

For provisions relating to requirement that department of public health regulate certain residential swimming pools used for private swimming lessons, see 2015 Acts, ch 138, §97, 98

135I.4 Powers and duties.

The department is responsible for registering and regulating the operation of swimming pools, spas, and, notwithstanding chapter 89, swimming pool or spa water heaters. The department shall conduct seminars and training sessions, and disseminate information regarding health practices, safety measures, and operating procedures required under this chapter. The department may:

1. Inspect, at the time of installation and periodically thereafter, all swimming pools and spas for the purpose of detecting and eliminating health or safety hazards.

2. Establish minimum safety and sanitation criteria for the operation and use of swimming pools and spas.

3. Establish minimum qualifications for swimming pool, spa, and waterslide operators and lifeguards. Swimming pools operated by apartments, condominiums, country clubs, neighborhoods, or manufactured home communities or mobile home parks are exempt from requirements regarding lifeguards.

4. Establish and collect fees to defray the cost of administering this chapter. It is the intent of the general assembly that fees collected under this chapter be used to defray the cost of administering this chapter. However, the portion of fees needed to defray the costs of a local board of health in implementing this chapter shall be established by the local board of health. A fee imposed for the inspection of a swimming pool or spa shall not be collected until the inspection has actually been performed.

5. Adopt rules in accordance with chapter 17A for the implementation and enforcement of this chapter and the establishment of fees.

6. Enter into agreements with a local board of health to implement the inspection and enforcement provisions of this chapter. The agreements shall provide that the fees established by the local board of health for inspection and enforcement shall be retained by the local board. However, inspection fees shall not be charged by the department for facilities which are inspected by third-party authorities. Third-party authorities shall be approved by the department. The department shall monitor and certify the inspection and enforcement programs of local boards of health and approved third-party authorities.

For provisions relating to requirement that department of public health regulate certain residential swimming pools used for private swimming lessons, see 2015 Acts, ch 138, §97, 98

135I.5 Penalty.

A person who violates a provision of this chapter commits a simple misdemeanor. Each day upon which a violation occurs constitutes a separate violation.

89 Acts, ch 291, §5

For provisions relating to requirement that department of public health regulate certain residential swimming pools used for private swimming lessons, see 2015 Acts, ch 138, §97, 98

135I.6 Enforcement.

If the department or a local board of health acting pursuant to agreement with the department determines that a provision of this chapter or a rule adopted pursuant to this chapter has been or is being violated, the department may withhold or revoke the registration of a swimming pool or spa, or the department or the local board of health may order that a facility or item of equipment not be used, until the necessary corrective action has been taken. The department or the local board of health may request the county attorney to bring appropriate legal proceedings to enforce this chapter, including an action to enjoin violations. The attorney general may also institute appropriate legal proceedings at the request of the department. This remedy is in addition to any other legal remedy available to the department or a local board of health.

CHAPTER 135J

LICENSED HOSPICE PROGRAMS

Referred to in §10A.104, 135P.1, 714H.4

135J.1	Definitions.	135J.5	Denial, suspension, or revocation of licenses.
135J.2	Licenses — fees — criteria.	135J.6	Limitation, expiration, and renewal of licenses.
135J.3	Basic requirements.	135J.7	Rules.
135J.4	Inspection.		

135J.1 Definitions.

For the purposes of this chapter unless otherwise defined:

1. “*Core services*” means physician services, nursing services, medical social services, counseling services, and volunteer services. These core services, as well as others deemed necessary by the hospice in delivering safe and appropriate care to its case load, can be provided through either direct or indirect arrangement by the hospice.

2. “*Department*” means the department of inspections and appeals.

3. “*Hospice patient*” or “*patient*” means a diagnosed terminally ill person with an anticipated life expectancy of six months or less, as certified by the attending physician, who, alone or in conjunction with a unit of care as defined in subsection 8, has voluntarily requested and received admission into the hospice program. If the patient is unable to request admission, a family member may voluntarily request and receive admission on the patient’s behalf.

4. “*Hospice patient’s family*” means the immediate kin of the patient, including a spouse, parent, stepparent, brother, sister, stepbrother, stepsister, child, or stepchild. Additional relatives or individuals with significant personal ties to the hospice patient may be included in the hospice patient’s family.

5. “*Hospice program*” means a centrally coordinated program of home and inpatient care provided directly or through an agreement under the direction of an identifiable hospice administration providing palliative care and supportive medical and other health services to terminally ill patients and their families. A licensed hospice program shall utilize a medically directed interdisciplinary team and provide care to meet the physical, emotional, social, spiritual, and other special needs which are experienced during the final stages of illness,

dying, and bereavement. Hospice care shall be available twenty-four hours a day, seven days a week.

6. “*Interdisciplinary team*” means the hospice patient and the hospice patient’s family, the attending physician, and all of the following individuals trained to serve with a licensed hospice program:

- a. A licensed physician pursuant to chapter 148.
- b. A licensed registered nurse pursuant to chapter 152.
- c. An individual with at least a baccalaureate degree in the field of social work providing medical-social services.
- d. Trained hospice volunteers.
- e. As deemed appropriate by the hospice, providers of special services including but not limited to a spiritual counselor, a pharmacist, or professionals in the fields of mental health may be included on the interdisciplinary team.

7. “*Palliative care*” means care directed at managing symptoms experienced by the hospice patient, as well as addressing related needs of the patient and family as they experience the stress of the dying process. The intent of palliative care is to enhance the quality of life for the hospice patient and family unit, and is not treatment directed at cure of the terminal illness.

8. “*Unit of care*” means the patient and the patient’s family within a hospice program.

9. “*Volunteer services*” means the services provided by individuals who have successfully completed a training program developed by a licensed hospice program.

135J.2 Licenses — fees — criteria.

A person or governmental unit, acting severally or jointly with any other person may establish, conduct, or maintain a hospice program in this state and receive a license from the department after meeting the requirements of this chapter. The application shall be on a form prescribed by the department and shall require information the department deems necessary. Nothing in this chapter shall prohibit a person or governmental unit from establishing, conducting, or maintaining a hospice program without a license. Each application for license shall be accompanied by a nonrefundable biennial license fee determined by the department.

The hospice program shall meet the criteria pursuant to section 135J.3 before a license is issued. The department of inspections and appeals is responsible to provide the necessary personnel to inspect the hospice program, the home care and inpatient care provided and the hospital or facility used by the hospice to determine if the hospice complies with necessary standards before a license is issued. Hospices that are certified as Medicare hospice providers by the department of inspections and appeals or are accredited as hospices by the joint commission on the accreditation of health care organizations, shall be licensed without inspection by the department of inspections and appeals.

135J.3 Basic requirements.

A licensed hospice program shall include:

1. A planned program of hospice care, the medical components of which shall be under the direction of a licensed physician.

2. Centrally administered, coordinated hospice core services provided in home, outpatient, or institutional settings.

3. A mechanism that assures the rights of the patient and family.

4. Palliative care provided to a hospice patient and family under the direction of a licensed physician.

5. An interdisciplinary team which develops, implements, and evaluates the hospice plan of care for the patient and family.

6. Bereavement services.

7. Accessible hospice care twenty-four hours a day, seven days a week in all settings.

8. An ongoing system of quality assurance and utilization review.

135J.5 Denial, suspension, or revocation of licenses.

The department may deny, suspend, or revoke a license if the department determines there is failure of the program to comply with this chapter or the rules adopted under this chapter. The suspension or revocation may be appealed under chapter 17A. The department may reissue a license following a suspension or revocation after the hospice corrects the conditions upon which the suspension or revocation was based.

135J.6 Limitation, expiration, and renewal of licenses.

Licenses for hospice programs shall be issued only for the premises, person, hospital, or facility named in the application and are not transferable or assignable. A license, unless sooner suspended or revoked, shall expire two years after the date of issuance and shall be renewed biennially upon an application by the licensee. Application for renewal shall be made in writing to the department at least thirty days prior to the expiration of the license. The fee for a license renewal shall be determined by the department. Licensed hospice programs which have allowed their licenses to lapse through failure to make timely application for renewal shall pay an additional fee of twenty-five percent of the biennial license fee.

BACKFLOW PREVENTION ASSEMBLY TESTERS

135K.1	Definitions.	135K.4	Powers and duties.
135K.2	Applicability.	135K.5	Penalty.
135K.3	Registration and approval required.	135K.6	Enforcement.

135K.1 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Approved course*” means a course covering the testing and repair of backflow prevention assemblies which has been approved by the department.

2. “*Backflow prevention assembly*” means a device or means to prevent backflow into the potable water system.

3. “*Department*” means the Iowa department of public health.

4. “*Registered backflow prevention assembly tester*” means a person who has successfully completed an approved course and has registered with the department.

92 Acts, ch 1204, §1

135K.2 Applicability.

This chapter applies to all persons who test or repair backflow prevention assemblies.

92 Acts, ch 1204, §2

135K.3 Registration and approval required.

A person shall not test or repair backflow prevention assemblies without first having registered with and having been approved by the department.

92 Acts, ch 1204, §3

135K.4 Powers and duties.

The department shall adopt rules in accordance with chapter 17A, which provide for all of the following:

1. The establishment of minimum qualifications for registered backflow prevention assembly testers.

2. The establishment of minimum standards for approved courses.

3. The establishment and collection of fees to defray the cost of administering this chapter.

4. The provision of a listing of registered backflow prevention assembly testers to local health officials.

5. The administration and enforcement of this chapter.

92 Acts, ch 1204, §4

135K.5 Penalty.

A person who violates this chapter is guilty of a simple misdemeanor.

92 Acts, ch 1204, §5

135K.6 Enforcement.

1. The department shall investigate complaints regarding backflow prevention assembly

testers. If the department determines that a provision of this chapter regarding the requirements for a backflow prevention assembly tester has been violated, the department may order a person not to test or repair backflow prevention assemblies or may revoke the registration of a registered backflow prevention assembly tester until the necessary corrective action has been taken.

2. The department shall investigate complaints regarding courses covering the testing and repair of backflow prevention assemblies. If the department determines that a provision of this chapter regarding approved courses has been violated, the department may revoke the approval of a course until the necessary corrective action has been taken.

NOTIFICATION REQUIREMENTS REGARDING PREGNANT MINORS

135L.1	Definitions.	135L.5	Medical emergency exception
135L.2	Prospective minor parents decision-making assistance program established.		— alternative procedure. Repealed by 97 Acts, ch 173, §17.
135L.3	Notification of parent prior to the performance of abortion on a pregnant minor — requirements — criminal penalty.	135L.6	Fraudulent practice.
		135L.7	Immunities.
		135L.8	Adoption of rules — implementation and documents.
135L.4	Prospective minor parents program advisory committee created. Repealed by 97 Acts, ch 203, §19.		

135L.1 Definitions.

As used in this chapter unless the context otherwise requires:

1. “*Abortion*” means an abortion as defined in chapter 146.
2. “*Adult*” means a person eighteen years of age or older.
3. “*Child-placing agency*” means any agency, public, semipublic, or private, which represents itself as placing children, receiving children for placement, or actually engaging in placement of children and includes the department of human services.
4. “*Court*” means the juvenile court.
5. “*Grandparent*” means the parent of an individual who is the parent of the pregnant minor.
6. “*Medical emergency*” means a condition which, based upon a physician’s judgment, necessitates an abortion to avert the pregnant minor’s death, or for which a delay will create a risk of serious impairment of a major bodily function.
7. “*Minor*” means a person under eighteen years of age who has not been and is not married.
8. “*Parent*” means one parent or a legal guardian or custodian of a pregnant minor.
9. “*Responsible adult*” means an adult, who is not associated with an abortion provider, chosen by a pregnant minor to assist the minor in the decision-making process established in this chapter.

96 Acts, ch 1011, §1, 14; 97 Acts, ch 173, §1

135L.2 Prospective minor parents decision-making assistance program established.

1. A decision-making assistance program is created to provide assistance to minors in making informed decisions relating to pregnancy. The program shall offer and include all of the following:

- a. (1) A video, to be developed by a person selected through a request for proposals process or other contractual agreement, which provides information regarding the various

options available to a pregnant minor with regard to the pregnancy, including a decision to continue the pregnancy to term and retain parental rights following the child's birth, a decision to continue the pregnancy to term and place the child for adoption following the child's birth, and a decision to terminate the pregnancy through abortion. The video shall provide the information in a manner and language, including but not limited to the use of closed captioning for the deaf and hard of hearing, which could be understood by a minor.

(2) The video shall explain that public and private agencies are available to assist a pregnant minor with any alternative chosen.

(3) The video shall explain that if the pregnant minor decides to continue the pregnancy to term, and to retain parental rights to the child, the father of the child is liable for the support of the child.

(4) The video shall explain that tendering false documents is a fraudulent practice in the fourth degree pursuant to section 135L.6.

b. Written decision-making materials which include all of the following:

(1) Information regarding the options described in the video including information regarding the agencies and programs available to provide assistance to the pregnant minor in parenting a child; information relating to adoption including but not limited to information regarding child-placing agencies; and information regarding abortion including but not limited to the legal requirements relative to the performance of an abortion on a pregnant minor. The information provided shall include information explaining that if a pregnant minor decides to continue the pregnancy to term and to retain parental rights, the father of the child is liable for the support of the child and that if the pregnant minor seeks public assistance on behalf of the child, the pregnant minor shall, and if the pregnant minor is not otherwise eligible as a public assistance recipient, the pregnant minor may, seek the assistance of the child support recovery unit in establishing the paternity of the child, and in seeking support payments for a reasonable amount of the costs associated with the pregnancy, medical support, and maintenance from the father of the child, or if the father is a minor, from the parents of the minor father. The information shall include a listing of the agencies and programs and the services available from each.

(2) A workbook which is to be used in viewing the video and which includes a questionnaire and exercises to assist a pregnant minor in viewing the video and in considering the options available regarding the minor's pregnancy.

(3) A detachable certification form to be signed by the pregnant minor certifying that the pregnant minor was offered a viewing of the video and the written decision-making materials.

2. a. The video shall be available through the state and local offices of the Iowa department of public health, the department of human services, and the judicial branch and through the office of each licensed physician who performs abortions.

b. The video may be available through the office of any licensed physician who does not perform abortions, upon the request of the physician; through any nonprofit agency serving minors, upon the request of the agency; and through any other person providing services to minors, upon the request of the person.

3. During the initial appointment between a licensed physician from whom a pregnant minor is seeking the performance of an abortion and a pregnant minor, the licensed physician shall offer the viewing of the video and the written decision-making materials to the pregnant minor, and shall obtain the signed and dated certification form from the pregnant minor. A licensed physician shall not perform an abortion on a pregnant minor prior to obtaining the completed certification form from a pregnant minor.

4. A pregnant minor shall be encouraged to select a responsible adult, preferably a parent of the pregnant minor, to accompany the pregnant minor in viewing the video and receiving the decision-making materials.

5. To the extent possible and at the discretion of the pregnant minor, the person responsible for impregnating the pregnant minor shall also be involved in the viewing of the video and in the receipt of written decision-making materials.

6. Following the offering of the viewing of the video and of the written decision-making materials, the pregnant minor shall sign and date the certification form attached to the

materials, and shall submit the completed form to the licensed physician. The licensed physician shall also provide a copy of the completed certification form to the pregnant minor.

Subsection 1, paragraph a, subparagraph (1) amended

135L.3 Notification of parent prior to the performance of abortion on a pregnant minor — requirements — criminal penalty.

1. A licensed physician shall not perform an abortion on a pregnant minor until at least forty-eight hours' prior notification is provided to a parent of the pregnant minor.

2. The licensed physician who will perform the abortion shall provide notification in person or by mailing the notification by restricted certified mail to a parent of the pregnant minor at the usual place of abode of the parent. For the purpose of delivery by restricted certified mail, the time of delivery is deemed to occur at 12:00 noon on the next day on which regular mail delivery takes place, subsequent to the mailing.

3. If the pregnant minor objects to the notification of a parent prior to the performance of an abortion on the pregnant minor, the pregnant minor may petition the court to authorize waiver of the notification requirement pursuant to this section in accordance with the following procedures:

a. The court shall ensure that the pregnant minor is provided with assistance in preparing and filing the petition for waiver of notification and shall ensure that the pregnant minor's identity remains confidential.

b. The pregnant minor may participate in the court proceedings on the pregnant minor's own behalf. The court may appoint a guardian ad litem for the pregnant minor and the court shall appoint a guardian ad litem for the pregnant minor if the pregnant minor is not accompanied by a responsible adult or if the pregnant minor has not viewed the video as provided pursuant to section 135L.2. In appointing a guardian ad litem for the pregnant minor, the court shall consider a person licensed to practice psychology pursuant to chapter 154B, a licensed social worker pursuant to chapter 154C, a licensed marital and family therapist pursuant to chapter 154D, or a licensed mental health counselor pursuant to chapter 154D to serve in the capacity of guardian ad litem. The court shall advise the pregnant minor of the pregnant minor's right to court-appointed legal counsel, and shall, upon the pregnant minor's request, provide the pregnant minor with court-appointed legal counsel, at no cost to the pregnant minor.

c. The court proceedings shall be conducted in a manner which protects the confidentiality of the pregnant minor and notwithstanding section 232.147 or any other provision to the contrary, all court documents pertaining to the proceedings shall remain confidential and shall be sealed. Only the pregnant minor, the pregnant minor's guardian ad litem, the pregnant minor's legal counsel, and persons whose presence is specifically requested by the pregnant minor, by the pregnant minor's guardian ad litem, or by the pregnant minor's legal counsel may attend the hearing on the petition.

d. Notwithstanding any law or rule to the contrary, the court proceedings under this section shall be given precedence over other pending matters to ensure that the court reaches a decision expeditiously.

e. Upon petition and following an appropriate hearing, the court shall waive the notification requirements if the court determines either of the following:

(1) That the pregnant minor is mature and capable of providing informed consent for the performance of an abortion.

(2) That the pregnant minor is not mature, or does not claim to be mature, but that notification is not in the best interest of the pregnant minor.

f. The court shall issue specific factual findings and legal conclusions, in writing, to support the decision.

g. Upon conclusion of the hearing, the court shall immediately issue a written order which shall be provided immediately to the pregnant minor, the pregnant minor's guardian ad litem,

the pregnant minor's legal counsel, or to any other person designated by the pregnant minor to receive the order.

h. An expedited, confidential appeal shall be available to a pregnant minor for whom the court denies a petition for waiver of notification. An order granting the pregnant minor's application for waiver of notification is not subject to appeal. Access to the appellate courts for the purpose of an appeal under this section shall be provided to a pregnant minor twenty-four hours a day, seven days a week.

i. A pregnant minor who chooses to utilize the waiver of notification procedures under this section shall not be required to pay a fee at any level of the proceedings. Fees charged and court costs taxed in connection with a proceeding under this section are waived.

j. If the court denies the petition for waiver of notification and if the decision is not appealed or all appeals are exhausted, the court shall advise the pregnant minor that, upon the request of the pregnant minor, the court will appoint a licensed marital and family therapist to assist the pregnant minor in addressing any intrafamilial problems. All costs of services provided by a court-appointed licensed marital and family therapist shall be paid by the court through the expenditure of funds appropriated to the judicial branch.

k. Venue for proceedings under this section is in any court in the state.

l. The supreme court shall prescribe rules to ensure that the proceedings under this section are performed in an expeditious and confidential manner. The rules shall require that the hearing on the petition shall be held and the court shall rule on the petition within forty-eight hours of the filing of the petition. If the court fails to hold the hearing and rule on the petition within forty-eight hours of the filing of the petition and an extension is not requested, the petition is deemed granted and waiver of the notification requirements is deemed authorized. The court shall immediately provide documentation to the pregnant minor and to the pregnant minor's legal counsel if the pregnant minor is represented by legal counsel, demonstrating that the petition is deemed granted and that waiver of the notification requirements is deemed authorized. Resolution of a petition for authorization of waiver of the notification requirement shall be completed within ten calendar days as calculated from the day after the filing of the petition to the day of issuance of any final decision on appeal.

m. The requirements of this section regarding notification of a parent of a pregnant minor prior to the performance of an abortion on a pregnant minor do not apply if any of the following applies:

(1) The abortion is authorized in writing by a parent entitled to notification.

(2) (a) The pregnant minor declares, in a written statement submitted to the attending physician, a reason for not notifying a parent and a reason for notifying a grandparent of the pregnant minor in lieu of the notification of a parent. Upon receipt of the written statement from the pregnant minor, the attending physician shall provide notification to a grandparent of the pregnant minor, specified by the pregnant minor, in the manner in which notification is provided to a parent.

(b) The notification form shall be in duplicate and shall include both of the following:

(i) A declaration which informs the grandparent of the pregnant minor that the grandparent of the pregnant minor may be subject to civil action if the grandparent accepts notification.

(ii) A provision that the grandparent of the pregnant minor may refuse acceptance of notification.

(3) The pregnant minor's attending physician certifies in writing that a medical emergency exists which necessitates the immediate performance of an abortion, and places the written certification in the medical file of the pregnant minor.

(4) The pregnant minor declares that the pregnant minor is a victim of child abuse pursuant to section 232.68, the person responsible for the care of the child is a parent of the child, and either the abuse has been reported pursuant to the procedures prescribed in chapter 232, subchapter III, part 2, or a parent of the child is named in a report of founded child abuse. The department of human services shall maintain confidentiality under chapter 232 and shall not release any information in response to a request for public records, discovery procedures, subpoena, or any other means, unless the release of information is

expressly authorized by the pregnant minor regarding the pregnant minor's pregnancy and abortion, if the abortion is obtained. A person who knowingly violates the confidentiality provisions of this subparagraph is guilty of a serious misdemeanor.

(5) The pregnant minor declares that the pregnant minor is a victim of sexual abuse as defined in chapter 709 and has reported the sexual abuse to law enforcement.

n. A licensed physician who knowingly performs an abortion in violation of this section is guilty of a serious misdemeanor.

o. All records and files of a court proceeding maintained under this section shall be destroyed by the clerk of court when one year has elapsed from any of the following, as applicable:

(1) The date that the court issues an order waiving the notification requirements.

(2) The date after which the court denies the petition for waiver of notification and the decision is not appealed.

(3) The date after which the court denies the petition for waiver of notification, the decision is appealed, and all appeals are exhausted.

p. A person who knowingly violates the confidentiality requirements of this section relating to court proceedings and documents is guilty of a serious misdemeanor.

CHAPTER 135M

PRESCRIPTION DRUG DONATION REPOSITORY

135M.1	Purpose.	135M.5	Exemption from disciplinary action, civil liability, and criminal prosecution.
135M.2	Definitions.	135M.6	Sample prescription drugs.
135M.3	Prescription drug donation repository program authorized.	135M.7	Resale prohibited.
135M.4	Prescription drug donation repository program requirements.		

135M.1 Purpose.

The purpose of this chapter is to improve the health of low-income Iowans and Iowans who have been victims of a state of disaster emergency proclaimed by the governor pursuant to section 29C.6 or a public health disaster as defined in section 135.140, subsection 6, through a prescription drug donation repository that authorizes medical facilities, pharmacies, and the department to redispense prescription drugs and supplies that would otherwise be destroyed.

2005 Acts, ch 97, §1; 2009 Acts, ch 127, §1

135M.2 Definitions.

1. “*Anti-rejection drug*” means a prescription drug that suppresses the immune system to prevent or reverse rejection of a transplanted organ.

2. “*Cancer drug*” means a prescription drug that is used to treat any of the following:

a. Cancer or the side effects of cancer.
b. The side effects of any prescription drug that is used to treat cancer or the side effects of cancer.

3. “*Controlled substance*” means the same as defined in section 155A.3.

4. “*Department*” means the Iowa department of public health.

5. “*Indigent*” means a person with an income that is below two hundred percent of the federal poverty level as defined by the most recently revised poverty income guidelines published by the United States department of health and human services.

6. “*Medical facility*” means any of the following:

a. A physician’s office.
b. A hospital.
c. A health clinic.
d. A nonprofit health clinic which includes a federally qualified health center as defined in 42 U.S.C. §1396d(l)(2)(B); a rural health clinic as defined in 42 U.S.C. §1396d(l)(1); and a nonprofit health clinic that provides medical care to patients who are indigent, uninsured, or underinsured.

e. A free clinic as defined in section 135.24.

f. A charitable organization as defined in section 135.24.

g. A nursing facility as defined in section 135C.1.

7. “*Pharmacy*” means a pharmacy as defined in section 155A.3.

8. “*Prescription drug*” means the same as defined in section 155A.3, and includes cancer drugs and anti-rejection drugs, but does not include controlled substances.

9. “*Supplies*” means the supplies necessary to administer the prescription drugs donated.
2005 Acts, ch 97, §2

135M.3 Prescription drug donation repository program authorized.

1. The department, in cooperation with the board of pharmacy, may establish and maintain a prescription drug donation repository program under which any person may donate prescription drugs and supplies for use by an individual who meets eligibility criteria specified by the department by rule. The department may contract with a third party to implement and administer the program.

2. Donations of prescription drugs and supplies under the program may be made on the

premises of a medical facility or pharmacy that elects to participate in the program and meets the requirements established by the department.

3. The medical facility or pharmacy may charge an individual who receives a prescription drug or supplies a handling fee that shall not exceed an amount established by rule by the department.

4. *a.* A medical facility or pharmacy that receives prescription drugs or supplies may distribute the prescription drugs or supplies to another eligible medical facility or pharmacy for use pursuant to the program.

b. The department may receive prescription drugs or supplies directly from the prescription drug donation repository contractor and may distribute such prescription drugs and supplies through persons licensed to dispense prescription drugs and supplies to an eligible individual for use by the individual pursuant to the program. The department may receive and distribute such prescription drugs or supplies under this paragraph during or in preparation for a state of disaster emergency proclaimed by the governor pursuant to section 29C.6 or during or in preparation for a public health disaster as defined in section 135.140, subsection 6.

5. Participation in the program shall be voluntary.

2005 Acts, ch 97, §3; 2007 Acts, ch 10, §22; 2009 Acts, ch 127, §2

135M.4 Prescription drug donation repository program requirements.

1. A prescription drug or supplies may be accepted and dispensed under the prescription drug donation repository program if all of the following conditions are met:

a. The prescription drug is in its original sealed and tamper-evident packaging. However, a prescription drug in a single-unit dose or blister pack with the outside packaging opened may be accepted if the single-unit dose packaging remains intact.

b. The prescription drug bears an expiration date that is more than six months after the date the prescription drug was donated. However, a donated prescription drug bearing an expiration date that is six months or less after the date the prescription drug was donated may be accepted and distributed if the drug is in high demand and can be dispensed for use prior to the drug's expiration date.

c. The prescription drug or supplies are inspected before the prescription drug or supplies are dispensed by a licensed pharmacist employed by or under contract with the medical facility or pharmacy, and the licensed pharmacist determines that the prescription drug or supplies are not adulterated or misbranded.

d. The prescription drug or supplies are prescribed by a health care practitioner for use by an eligible individual and are dispensed by a pharmacist or are dispensed to an eligible individual by the prescribing health care practitioner or the practitioner's authorized agent.

2. A prescription drug or supplies donated under this chapter shall not be resold.

3. *a.* If a person who donates prescription drugs under this chapter to a medical facility or pharmacy receives a notice from a pharmacy that a prescription drug has been recalled, the person shall inform the medical facility or pharmacy of the recall.

b. If a medical facility or pharmacy receives a recall notification from a person who donated prescription drugs under this chapter, the medical facility or pharmacy shall perform a uniform destruction of all of the recalled prescription drugs in the medical facility or pharmacy.

4. A prescription drug dispensed through the prescription drug donation repository program shall not be eligible for reimbursement under the medical assistance program.

5. The department shall adopt rules establishing all of the following:

a. Requirements for medical facilities and pharmacies to accept and dispense donated prescription drugs and supplies, including all of the following:

(1) Eligibility criteria for participation by medical facilities and pharmacies.

(2) Standards and procedures for accepting, safely storing, and dispensing donated prescription drugs and supplies.

(3) Standards and procedures for inspecting donated prescription drugs to determine if the prescription drugs are in their original sealed and tamper-evident packaging, or if the

prescription drugs are in single-unit doses or blister packs and the outside packaging is opened, if the single-unit dose packaging remains intact.

(4) Standards and procedures for inspecting donated prescription drugs and supplies to determine that the prescription drugs and supplies are not adulterated or misbranded.

b. (1) Eligibility criteria for individuals to receive donated prescription drugs and supplies dispensed by medical facilities and pharmacies under the program. The standards shall prioritize dispensing to individuals who are indigent or uninsured, but may permit dispensing to other individuals if an uninsured or indigent individual is unavailable.

(2) Eligibility criteria for individuals to receive donated prescription drugs and supplies dispensed directly by the department through persons licensed to dispense prescription drugs and supplies. The department shall accept and dispense donated prescription drugs and supplies received from the prescription drug donation repository contractor during or in preparation for a state of disaster emergency proclaimed by the governor pursuant to section 29C.6 or during or in preparation for a public health disaster as defined in section 135.140, subsection 6.

c. Necessary forms for administration of the prescription drug donation repository program, including forms for use by individuals who donate, accept, distribute, or dispense the prescription drugs or supplies under the program.

d. A means by which an individual who is eligible to receive donated prescription drugs and supplies may indicate such eligibility.

e. The maximum handling fee that a medical facility or pharmacy may charge for accepting, distributing, or dispensing donated prescription drugs and supplies under the program.

f. A list of prescription drugs that the prescription drug donation repository program will accept.

2005 Acts, ch 97, §4; 2007 Acts, ch 159, §24; 2008 Acts, ch 1058, §6; 2009 Acts, ch 127, §3

135M.5 Exemption from disciplinary action, civil liability, and criminal prosecution.

1. A drug manufacturer acting reasonably and in good faith, is not subject to criminal prosecution or civil liability for injury, death, or loss to a person or property for matters related to the donation, acceptance, or dispensing of a prescription drug manufactured by the drug manufacturer that is donated under this chapter, including liability for failure to transfer or communicate product or consumer information or the expiration date of the donated prescription drug.

2. Except as provided in subsection 3, a person including the department or the department's employees, agents, or volunteers, but not a drug manufacturer subject to subsection 1, acting reasonably and in good faith, is immune from civil liability and criminal prosecution for injury to or the death of an individual to whom a donated prescription drug is dispensed under this chapter and shall be exempt from disciplinary action related to the person's acts or omissions related to the donation, acceptance, distribution, or dispensing of a donated prescription drug under this chapter.

3. The immunity and exemption provided in subsection 2 do not extend to any of the following:

a. The donation, acceptance, distribution, or dispensing of a donated prescription drug under this chapter by a person if the person's acts or omissions are not performed reasonably and in good faith.

b. To acts or omissions outside the scope of the program.

2005 Acts, ch 97, §5; 2009 Acts, ch 127, §4

135M.6 Sample prescription drugs.

This chapter shall not be construed to restrict the use of samples by a physician or other person legally authorized to prescribe drugs under state and federal law during the course of the physician's or other person's duties at a medical facility or pharmacy.

2005 Acts, ch 97, §6; 2005 Acts, ch 179, §119

135M.7 Resale prohibited.

This chapter shall not be construed to authorize the resale of prescription drugs by any person.

2005 Acts, ch 97, §7

CHAPTER 135N**DIRECT PRIMARY CARE AGREEMENTS**

135N.1 Direct primary care agreements.

135N.1 Direct primary care agreements.

1. *Definitions.* For the purpose of this section:

a. “*Direct patient*” means an individual, or an individual and the individual’s immediate family, that is party to a direct primary care agreement.

b. “*Direct patient’s representative*” means a parent, guardian, or an individual holding a durable power of attorney for health care for a direct patient.

c. “*Direct primary care agreement*” means an agreement between a direct provider and a direct patient, or the direct patient’s representative, in which the direct provider agrees to provide primary care health services for a specified period of time to the direct patient for a direct service charge.

d. “*Direct provider*” means a health care professional licensed, accredited, registered, or certified to perform specified primary care health services consistent with the law of this state. “*Direct provider*” includes an individual health care professional or other legal health care entity alone or with other health care professionals professionally associated with the individual health care professional or other legal health care entity.

e. “*Direct service charge*” means a charge for primary care health services provided by a direct provider to a direct patient covered by a direct primary care agreement. “*Direct service charge*” may include a periodic retainer, a membership fee, a subscription fee, or a charge in any other form paid by a direct patient to a direct provider under a direct primary care agreement.

f. “*Durable power of attorney for health care*” means the same as defined in section 144B.1.

g. “*Primary care health services*” means general health care services of the type provided at the time a patient seeks preventive care or first seeks health care services for a specific health concern. “*Primary care health services*” include all of the following:

(1) Care which promotes and maintains mental and physical health and wellness.

(2) Care which prevents disease.

(3) Screening, diagnosing, and treatment of acute or chronic conditions caused by disease, injury, or illness.

(4) Patient counseling and education.

(5) Provision of a broad spectrum of preventive and curative health care over a period of time.

(6) Coordination of care.

2. *Requirements for a valid direct primary care agreement.*

a. In order to be a valid agreement, a direct primary care agreement must meet all of the following requirements:

(1) Be in writing.

(2) Be signed by the direct provider, or an agent of the direct provider, and the direct patient or the direct patient’s representative.

(3) Describe the scope of the primary care health services covered by the direct primary care agreement.

(4) State each of the direct provider’s locations where a direct patient may obtain primary care health services and specify any out-of-office primary care health services that are covered under the direct primary care agreement.

(5) Specify the direct service charge and the frequency at which the direct service charge must be paid by the direct patient. A direct patient shall not be required to pay more than twelve months of a direct service charge in advance.

(6) Specify any additional costs for primary care health services not covered by the direct service charge for which the direct patient will be responsible.

(7) Specify the duration of the direct primary care agreement, whether renewal is automatic, and if required the procedure for renewal of the direct primary care agreement.

(8) Specify the terms and conditions under which the direct primary care agreement may be terminated by the direct provider. A termination of the direct primary care agreement by the direct provider shall include a minimum of a thirty-calendar-day advance, written notice to the direct patient or to the direct patient's representative.

(9) Specify that the direct primary care agreement may be terminated at any time by the direct patient upon written notice to the direct provider.

(10) State that if the direct primary care agreement is terminated by either the direct patient or the direct provider all of the following apply:

(a) Within thirty calendar days of the date of the notice of termination from either party, the direct provider shall refund all unearned direct service charges to the direct patient.

(b) Within thirty calendar days of the date of the notice of termination from either party, the direct patient shall pay all outstanding earned direct service charges to the direct provider.

(11) Include a notice in bold, twelve-point font that states substantially as follows:

NOTICE. This direct primary care agreement is not health insurance and is not a plan that provides health coverage for purposes of any federal mandates. This direct primary care agreement only covers the primary care health services described in this agreement. It is recommended that you obtain health insurance to cover health care services not covered under this direct primary care agreement. You are personally responsible for the payment of any additional health care expenses you may incur.

b. The direct provider shall provide the direct patient, or the direct patient's representative, with a fully executed copy of the direct primary care agreement at the time the direct primary care agreement is executed.

3. *Application for a direct primary care agreement.* If a direct provider requires a prospective direct patient to complete an application for a direct primary care agreement, the direct provider shall provide a written disclaimer on each application that informs the prospective direct patient of the direct patient's financial rights and responsibilities and that states that the direct provider will not bill a health insurance carrier for primary care health services covered under the direct primary care agreement. The disclaimer shall also include the identical notice required by subsection 2, paragraph "a", subparagraph (11).

4. *Notice required for changes to the terms or conditions of a direct primary care agreement.*

a. A direct provider shall provide at least a sixty-calendar-day advance, written notice to a direct patient of any of the following changes to a direct primary care agreement:

(1) Any change in the scope of the primary care health services covered under the agreement.

(2) Any change in the direct provider's locations where the direct patient may access primary care health services.

(3) Any change in the out-of-office services that are covered under the direct primary care service agreement.

(4) Any change in the direct service charge.

(5) Any change in the additional costs for primary care health services not covered by the direct service charge.

(6) Any change in the renewal terms.

(7) Any change in the terms to terminate the agreement.

b. A direct provider shall provide the notice by mailing a letter to the address of the direct

patient that the direct provider has on file. The postmark date on the letter shall be the first day of the required sixty-calendar-day notice period.

5. *Discrimination based on an individual’s health status.* A direct provider shall not refuse to accept a new direct patient or discontinue care of an existing direct patient based solely on the new direct patient’s or the existing direct patient’s health status.

6. *A direct primary care agreement is not insurance.*

a. A direct primary care agreement is not insurance and shall not be subject to the authority of the commissioner of insurance. Neither a direct care provider, nor an agent of a direct care provider, shall be required to be licensed by the commissioner to transact the business of insurance in this state or to obtain a certificate issued by the commissioner to market or offer a direct primary care agreement.

b. A direct provider shall not bill an insurer for a service provided under a direct primary care agreement. A direct patient may submit a request for reimbursement to an insurer if permitted under the direct patient’s policy of insurance. This paragraph does not prohibit a direct provider from billing a direct patient’s insurance for a service provided to the direct patient by the direct provider that is not provided under the direct primary care agreement.

7. *Third-party payment of a direct service charge.* A direct provider may accept payment of a direct service charge for a direct patient either directly or indirectly from a third party. A direct provider may accept all or part of a direct service charge paid by an employer on behalf of an employee who is a direct patient of the direct provider. A direct provider shall not enter directly into an agreement with an employer relating to a direct primary care agreement between the direct provider and employees of the employer, other than an agreement to establish the timing and method of the payment of a direct service charge paid by the employer on behalf of the employee.

8. *Sale or transfer of a direct primary care agreement.* A direct primary care agreement shall not be sold or transferred by a direct care provider without the prior written consent of the direct patient who is a party to the direct primary care agreement. A direct patient shall not sell or transfer a direct primary care agreement to which the direct patient is a party.

CHAPTER 135O

BOARDING HOMES

Referred to in §10A.104, 16.49

135O.1	Definitions.	135O.3	Response to allegations.
135O.2	Required registration and reporting — rules — penalty.	135O.4	Public disclosure of findings.

135O.1 Definitions.

For the purposes of this chapter unless the context otherwise requires:

1. *“Boarding home”* means a premises used by its owner or lessee for the purpose of letting rooms for rental to three or more persons not related within the third degree of consanguinity to the owner or lessee where supervision or assistance with activities of daily living is provided to such persons. A boarding home does not include a facility, home, or program otherwise subject to licensure or regulation by the department of human services, department of inspections and appeals, or department of public health.

2. *“Department”* means the department of inspections and appeals.

3. *“Premises”* means the same as defined in section 562A.6.

2009 Acts, ch 136, §3

135O.2 Required registration and reporting — rules — penalty.

1. The owner or lessee of a boarding home in this state shall register with and submit occupancy reports to the department. The content of the required occupancy reports shall

include but is not limited to the number of individuals living in the boarding home and the supervision or assistance with activities of daily living being provided to the individuals.

2. The department of inspections and appeals shall adopt rules to administer this chapter in consultation with the departments of human services and public safety.

3. *a.* The owner or lessee of a boarding home who fails to register with the department or to timely submit occupancy reports required by this section and rules adopted pursuant to this chapter is subject to a civil penalty of not more than five hundred dollars.

b. The department may reduce, alter, or waive a penalty under paragraph “*a*” upon the owner’s or lessee’s showing of good faith compliance with the department’s request to immediately cease and desist from conduct in violation of this chapter.

2009 Acts, ch 136, §4

1350.3 Response to allegations.

1. If the department or other state agency receives an allegation of a violation of this chapter by a boarding home or an allegation regarding the care or safety of an individual living in a boarding home, a coordinated, interagency approach shall be used to respond to the allegation.

2. *a.* The interagency approach may involve a multidisciplinary team consisting of employees of the department of inspections and appeals, the department of human services, the state fire marshal, and the division of criminal investigation of the department of public safety, or other local, state, and federal agencies.

b. The multidisciplinary team may consult with local, state, and federal law enforcement agencies, first responders, health and human services professionals, and governmental and nongovernmental advocacy organizations, and other appropriate persons.

3. The name of a person who files an allegation shall be kept confidential and shall not be subject to discovery, subpoena, or other means of legal compulsion for its release to a person other than department employees or the members of a multidisciplinary team involved in the investigation of the allegation.

4. If the department or a multidisciplinary team has probable cause to believe that a boarding home is in violation of this chapter or licensing or other regulatory requirements of the department of human services, department of inspections and appeals, or department of public health, or that dependent adult abuse of any individual living in a boarding home has occurred, and upon producing proper identification, is denied entry to the boarding home or access to any individual living in the boarding home for the purpose of making an inspection or conducting an investigation, the department or multidisciplinary team may, with the assistance of the county attorney of the county in which the boarding home is located, apply to the district court for an order requiring the owner or lessee to permit entry to the boarding home and access to the individuals living in the boarding home.

2009 Acts, ch 136, §5

1350.4 Public disclosure of findings.

Following an inspection or investigation of a boarding home under this chapter by the department or a multidisciplinary team, the final findings with respect to compliance by the boarding home shall be made available to the public. Other information relating to a boarding home obtained by the department or a multidisciplinary team which does not constitute the findings from an inspection or investigation of the boarding home shall not be made available to the public except in proceedings involving the denial, suspension, or revocation of a boarding home registration under this chapter. The information made available to the public pursuant to this section shall not include information which is kept confidential under section 22.7.

2009 Acts, ch 136, §6

CHAPTER 135P

ADVERSE HEALTH CARE INCIDENTS — COMMUNICATIONS — CONFIDENTIALITY

135P.1	Definitions.	135P.3	Engaging in an open discussion.
135P.2	Confidentiality of open discussions.	135P.4	Payment and resolution.

135P.1 Definitions.

For the purposes of this chapter, unless the context otherwise requires:

1. “*Adverse health care incident*” means an objective and definable outcome arising from or related to patient care that results in the death or physical injury of a patient.

2. “*Health care provider*” means a physician or osteopathic physician licensed under chapter 148, a physician assistant licensed and practicing under a supervising physician pursuant to chapter 148C, a podiatrist licensed under chapter 149, a chiropractor licensed under chapter 151, a licensed practical nurse, a registered nurse, or an advanced registered nurse practitioner licensed under chapter 152 or 152E, a dentist licensed under chapter 153, an optometrist licensed under chapter 154, a pharmacist licensed under chapter 155A, or any other person who is licensed, certified, or otherwise authorized or permitted by the law of this state to administer health care in the ordinary course of business or in the practice of a profession.

3. “*Health facility*” means an institutional health facility as defined in section 135.61, a hospice licensed under chapter 135J, a home health agency as defined in section 144D.1, an assisted living program certified under chapter 231C, a clinic, a community health center, or the university of Iowa hospitals and clinics, and includes any corporation, professional corporation, partnership, limited liability company, limited liability partnership, or other entity comprised of such health facilities.

4. “*Open discussion*” means all communications that are made under section 135P.3, and includes all memoranda, work products, documents, and other materials that are prepared for or submitted in the course of or in connection with communications under section 135P.3.

5. “*Patient*” means a person who receives medical care from a health care provider, or if the person is a minor, deceased, or incapacitated, the person’s legal representative.

2015 Acts, ch 33, §1; 2017 Acts, ch 107, §1, 5; 2020 Acts, ch 1045, §7

Referred to in §147.136A

2017 amendment to subsections 1 and 2 applies to causes of action that accrue on or after July 1, 2017; 2017 Acts, ch 107, §5

Subsection 3 amended

135P.2 Confidentiality of open discussions.

1. Open discussion communications and offers of compensation made under section 135P.3:

- a. Do not constitute an admission of liability.
- b. Are privileged, confidential, and shall not be disclosed.
- c. Are not admissible as evidence in any subsequent judicial, administrative, or arbitration proceeding and are not subject to discovery, subpoena, or other means of legal compulsion for release and shall not be disclosed by any party in any subsequent judicial, administrative, or arbitration proceeding.

2. Communications, memoranda, work products, documents, and other materials, otherwise subject to discovery, that were not prepared specifically for use in a discussion under section 135P.3, are not confidential.

3. The limitation on disclosure imposed by this section includes disclosure during any discovery conducted as part of a subsequent adjudicatory proceeding, and a court or other adjudicatory body shall not compel any person who engages in an open discussion under this chapter to disclose confidential communications or agreements made under section 135P.3.

4. This section does not affect any other law, regulation, or requirement with respect to confidentiality.

2015 Acts, ch 33, §2

135P.3 Engaging in an open discussion.

1. If an adverse health care incident occurs in a health facility, the health care provider, the health care facility, or the health care provider jointly with the health facility, may provide the patient with written notice of the desire of the health care provider, the health care facility, or of the health care provider jointly with the health facility, to enter into an open discussion under this chapter. A health care facility may designate a person or class of persons who have authority to provide such notice on behalf of the facility. If the health care provider or health facility provides such notice, such notice must be sent within one year after the date on which the health care provider knew, or through the use of diligence should have known, of the adverse health care incident. The notice must include all of the following:

a. Notice of the desire of the health care provider, or of the health care provider jointly with the health facility, to proceed with an open discussion under this chapter.

b. Notice of the patient's right to receive a copy of the medical records related to the adverse health care incident and of the patient's right to authorize the release of the patient's medical records related to the adverse health care incident to any third party.

c. Notice of the patient's right to seek legal counsel.

d. A copy of section 614.1, subsection 9, and notice that the time for a patient to bring a lawsuit is limited under section 614.1, subsection 9, and will not be extended by engaging in an open discussion under this chapter unless all parties agree to an extension in writing.

e. Notice that if the patient chooses to engage in an open discussion with the health care provider or health facility, that all communications made in the course of such a discussion under this chapter, including communications regarding the initiation of an open discussion, are privileged and confidential, are not subject to discovery, subpoena, or other means of legal compulsion for release, and are not admissible in evidence in a judicial, administrative, or arbitration proceeding.

2. If the patient agrees in writing to engage in an open discussion, the patient, health care provider, or health facility engaged in an open discussion under this chapter may include other persons in the open discussion. All additional parties shall also be advised in writing prior to the discussion that discussions are privileged and confidential, are not subject to discovery, subpoena, or other means of legal compulsion for release, and are not admissible in evidence in a judicial, administrative, or arbitration proceeding. The advice in writing must indicate that communications, memoranda, work products, documents, and other materials, otherwise subject to discovery, that were not prepared specifically for use in a discussion under this section, are not confidential.

3. The health care provider or health facility that agrees to engage in an open discussion may do all of the following:

a. Investigate how the adverse health care incident occurred and gather information regarding the medical care or treatment provided.

b. Disclose the results of the investigation to the patient.

c. Openly communicate to the patient the steps the health care provider or health facility will take to prevent future occurrences of the adverse health care incident.

d. Determine either of the following:

(1) That no offer of compensation for the adverse health care incident is warranted and orally communicate that determination to the patient.

(2) That an offer of compensation for the adverse health care incident is warranted and extend such an offer in writing to the patient.

4. If a health care provider or health facility makes an offer of compensation under subsection 3 and the patient is not represented by legal counsel, the health care provider or health facility shall advise the patient of the patient's right to seek legal counsel regarding the offer of compensation.

5. Except for offers of compensation under subsection 3, discussions between the health care provider or health facility and the patient about the compensation offered under subsection 3 shall remain oral.

2015 Acts, ch 33, §3; 2020 Acts, ch 1045, §8

Referred to in §135P.1, 135P.2, 135P.4

Subsection 1, unnumbered paragraph 1 amended

135P.4 Payment and resolution.

1. A payment made to a patient pursuant to section 135P.3 is not a payment resulting from any of the following:

- a. A written claim or demand for payment.
- b. A claim for purposes of section 272C.9.
- c. A claim for purposes of section 505.27.

2. A health care provider or health facility may require the patient, as a condition of an offer of compensation under section 135P.3, to execute all documents and obtain any necessary court approval to resolve an adverse health care incident. The parties shall negotiate the form of such documents or obtain court approval as necessary.

CHAPTER 136

STATE BOARD OF HEALTH

Referred to in §125.2

136.1	Composition of board.	136.6	Reserved.
136.2	Appointment.	136.7	Chairperson — staff assistance.
136.3	Duties.	136.8	Supplies.
136.4	Questions submitted.	136.9	Compensation and expenses.
136.5	Meetings.	136.10	Publication of proceedings.

136.1 Composition of board.

- 1. The state board of health shall consist of the following members:
 - a. Two members learned in health-related disciplines.
 - b. Three members who have direct experience with public health.
 - c. Two members who have direct experience with substance abuse treatment or prevention.
 - d. Four members representing the general public.
- 2. At least one of such members shall be licensed in the practice of medicine and surgery or osteopathic medicine and surgery under chapter 148.

[S13, §2564-a; C24, 27, 31, 35, 39, §2218; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §136.1]

136.2 Appointment.

1. All members of the state board of health shall be appointed by the governor to three-year staggered terms which shall expire on June 30.

2. Each year, the governor shall appoint successors to the board members whose terms expire that year. A vacancy occurring on the board shall be filled by the governor for the unexpired term of the vacancy.

[C24, 27, 31, 35, 39, §2219; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §136.2]

89 Acts, ch 83, §27; 2018 Acts, ch 1026, §50

136.3 Duties.

The state board of health shall provide a forum for the development of public health policy in the state of Iowa and shall have the following powers and duties:

- 1. Consider and study legislation and administration concerning public health.
- 2. Advise the department on any issue related to the promotion and protection of the health of Iowans including but not limited to:
 - a. Prevention of epidemics and the spread of disease, including communicable and

infectious diseases such as zoonotic diseases, quarantine and isolation, sexually transmitted diseases, and antitoxins and vaccines.

- b. Protection against environmental hazards.
- c. Prevention of injuries.
- d. Promotion of healthy behaviors.
- e. Preparing for, responding to, and recovering from public health emergencies and disasters.
3. Establish policies governing the performance of the department in the discharge of any duties imposed on it by law.
4. Provide guidance to the director in the discharge of the director's duties.
5. Assure that the department complies with Iowa Code and administrative rules. For this purpose the board shall have access at any time to all documents and records of the department.
6. Assure that the department prepares and distributes an annual report.
7. Advise or make recommendations to the director of public health, governor, and general assembly relative to public health and advocate for the importance of public health standards for state and local public health.
8. Offer consultation to the governor in the appointment of the director of the department.
9. Adopt, promulgate, amend, and repeal rules and regulations consistent with law for the protection of the public health and prevention of substance abuse, and for the guidance of the department. All rules adopted by the department are subject to approval by the board.
10. Act by committee, or by a majority of the board.
11. Keep minutes of the transactions of each session, regular or special, which shall be public records and filed with the department.
12. Perform those duties authorized pursuant to chapter 125. The board may appoint a substance abuse and gambling treatment program committee to approve or deny applications for licensure received from substance abuse programs pursuant to chapter 125 and gambling treatment programs pursuant to chapter 135 and to perform any other function authorized by chapter 125 or 135 and delegated to the committee.

CHAPTER 136A

CENTER FOR CONGENITAL AND INHERITED DISORDERS

Referred to in §135.11

136A.1	Purpose.	136A.5A	Newborn critical congenital heart disease screening.
136A.2	Definitions.	136A.5B	Cytomegalovirus public health initiative.
136A.3	Establishment of center for congenital and inherited disorders — duties.	136A.6	Central registry.
136A.4	Genetic health services.	136A.7	Confidentiality.
136A.5	Newborn metabolic screening.	136A.8	Rules.
		136A.9	Cooperation of other agencies.

136A.1 Purpose.

To reduce and avoid adverse health conditions of inhabitants of the state, the Iowa department of public health shall initiate, conduct, and supervise screening and health care programs in order to detect and predict congenital or inherited disorders. The department shall assist in the translation and integration of genetic and genomic advances into public

health services to improve health outcomes throughout the life span of the inhabitants of the state.

2004 Acts, ch 1031, §2, 12

136A.2 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Attending health care provider*” means a licensed physician, nurse practitioner, certified nurse midwife, or physician assistant.

2. “*Congenital disorder*” means an abnormality existing prior to or at birth, including a stillbirth, that adversely affects the health and development of a fetus, newborn, child, or adult, including a structural malformation or a genetic, chromosomal, inherited, or biochemical disorder.

3. “*Department*” means the Iowa department of public health.

4. “*Disorder*” means a congenital or inherited disorder.

5. “*Genetics*” means the study of inheritance and how genes contribute to health conditions and the potential for disease.

6. “*Genomics*” means the functions and interactions of all human genes and their variation within human populations, including their interaction with environmental factors, and their contribution to health.

7. “*Inherited disorder*” means a condition caused by an abnormal change in a gene or genes passed from a parent or parents to their child. Onset of the disorder may be prior to or at birth, during childhood, or in adulthood.

8. “*Stillbirth*” means an unintended fetal death occurring after a gestation period of twenty completed weeks, or an unintended fetal death of a fetus with a weight of three hundred fifty or more grams.

2004 Acts, ch 1031, §3, 12

Referred to in §144.31A

136A.3 Establishment of center for congenital and inherited disorders — duties.

A center for congenital and inherited disorders is established within the department. The center shall do all of the following:

1. Initiate, conduct, and supervise statewide screening programs for congenital and inherited disorders amenable to population screening.

2. Initiate, conduct, and supervise statewide health care programs to aid in the early detection, treatment, prevention, education, and provision of supportive care related to congenital and inherited disorders.

3. Develop specifications for and designate a central laboratory in which tests conducted pursuant to the screening programs provided for in subsection 1 will be performed.

4. Gather, evaluate, and maintain information related to causes, severity, prevention, and methods of treatment for congenital and inherited disorders in conjunction with a central registry, screening programs, genetic health care programs, and ongoing scientific investigations and surveys.

5. Perform surveillance and monitoring of congenital and inherited disorders to determine the occurrence and trends of the disorders, to conduct thorough and complete epidemiological surveys, to assist in the planning for and provision of services to children with congenital and inherited disorders and their families, and to identify environmental and genetic risk factors for congenital and inherited disorders.

6. Provide information related to severity, causes, prevention, and methods of treatment for congenital and inherited disorders to the public, medical and scientific communities, and health science disciplines.

7. Implement public education programs, continuing education programs for health practitioners, and education programs for trainees of the health science disciplines related to genetics, congenital disorders, and inheritable disorders.

8. Participate in policy development to assure the appropriate use and confidentiality of genetic information and technologies to improve health and prevent disease.

9. Collaborate with state and local health agencies and other public and private

organizations to provide education, intervention, and treatment for congenital and inherited disorders and to integrate genetics and genomics advances into public health activities and policies.

2004 Acts, ch 1031, §4, 12

Referred to in §136A.5B

136A.4 Genetic health services.

The center may initiate, conduct, and supervise genetic health services for the inhabitants of the state, including the provision of regional genetic consultation clinics, comprehensive neuromuscular health care outreach clinics, and other outreach services and clinics as established by rule.

2004 Acts, ch 1031, §5, 12

136A.5 Newborn metabolic screening.

1. All newborns born in this state shall be screened for congenital and inherited disorders in accordance with rules adopted by the department.

2. An attending health care provider shall ensure that every newborn under the provider's care is screened for congenital and inherited disorders in accordance with rules adopted by the department.

3. This section does not apply if a parent objects to the screening. If a parent objects to the screening of a newborn, the attending health care provider shall document the refusal in the newborn's medical record and shall obtain a written refusal from the parent and report the refusal to the department as provided by rule of the department.

2004 Acts, ch 1031, §6, 12; 2005 Acts, ch 19, §33

Referred to in §136A.5A

136A.5A Newborn critical congenital heart disease screening.

1. Each newborn born in this state shall receive a critical congenital heart disease screening by pulse oximetry or other means as determined by rule, in conjunction with the metabolic screening required pursuant to section 136A.5.

2. An attending health care provider shall ensure that every newborn under the provider's care receives the critical congenital heart disease screening.

3. This section does not apply if a parent objects to the screening. If a parent objects to the screening of a newborn, the attending health care provider shall document the refusal in the newborn's medical record and shall obtain a written refusal from the parent and report the refusal to the department.

4. Notwithstanding any provision to the contrary, the results of each newborn's critical congenital heart disease screening shall only be reported in a manner consistent with the reporting of the results of metabolic screenings pursuant to section 136A.5 if funding is available for implementation of the reporting requirement.

5. This section shall be administered in accordance with rules adopted pursuant to section 136A.8.

2013 Acts, ch 140, §91

136A.5B Cytomegalovirus public health initiative.

1. In accordance with the duties prescribed in section 136A.3, the center for congenital and inherited disorders shall collaborate with state and local health agencies and other public and private organizations to develop and publish or approve and publish informational materials to educate and raise awareness of cytomegalovirus and congenital cytomegalovirus among women who may become pregnant, expectant parents, parents of infants, attending health care providers, and others, as appropriate. The materials shall include information regarding all of the following:

a. The incidence of cytomegalovirus and congenital cytomegalovirus.

b. The transmission of cytomegalovirus to a pregnant woman or a woman who may become pregnant.

c. Birth defects caused by congenital cytomegalovirus.

d. Methods of diagnosing congenital cytomegalovirus.

e. Available preventive measures to avoid cytomegalovirus infection by women who are pregnant or who may become pregnant.

f. Early interventions, treatment, and services available for children diagnosed with congenital cytomegalovirus.

2. An attending health care provider shall provide to a pregnant woman during the first trimester of the pregnancy the informational materials published under this section. The center for congenital and inherited disorders shall make the informational materials available to attending health care providers upon request.

3. The department shall publish the informational materials on its internet site and shall specifically make the informational materials available electronically to child care facilities and child care homes as defined in section 237A.1, school nurses, hospitals, attending health care providers, and other health care providers offering care to pregnant women and infants.

2017 Acts, ch 77, §1; 2018 Acts, ch 1026, §51

136A.6 Central registry.

The center for congenital and inherited disorders shall maintain a central registry, or shall establish an agreement with a designated contractor to maintain a central registry, to compile, evaluate, retain, and disseminate information on the occurrence, prevalence, causes, treatment, and prevention of congenital disorders. Congenital disorders shall be considered reportable conditions in accordance with rules adopted by the department and shall be abstracted and maintained by the registry.

2004 Acts, ch 1031, §7, 12

Referred to in §144.13A

136A.7 Confidentiality.

The center for congenital and inherited disorders and the department shall maintain the confidentiality of any identifying information collected, used, or maintained pursuant to this chapter in accordance with section 22.7, subsection 2.

2004 Acts, ch 1031, §8, 12

136A.8 Rules.

The center for congenital and inherited disorders, with assistance provided by the Iowa department of public health, shall adopt rules pursuant to chapter 17A to administer this chapter.

2004 Acts, ch 1031, §9, 12

Referred to in §136A.5A

136A.9 Cooperation of other agencies.

All state, district, county, and city health or welfare agencies shall cooperate and participate in the administration of this chapter.

2004 Acts, ch 1031, §10, 12

CHAPTER 136B

RADON TESTING

136B.1	Radon testing and abatement program.	136B.3	Testing and reporting of radon level.
136B.2	Radon testing information — disclosure.	136B.4	Fees — rules.
		136B.5	Penalty for violation.

136B.1 Radon testing and abatement program.

1. As used in this chapter, unless the context otherwise requires, “department” means the Iowa department of public health.

2. The department shall establish programs and adopt rules for the certification of persons

who test for the presence of radon gas and radon progeny in buildings, the credentialing of persons abating the level of radon in buildings, and standards for radon abatement systems.

3. Following the establishment of the certification and credentialing programs by the department, a person who is not certified, as appropriate, shall not test for the presence of radon gas and radon progeny, and a person who is not credentialed, as required, shall not perform abatement measures. This section does not apply to a person performing the testing or abatement on a building which the person owns, or to a person performing testing or abatement without compensation.

4. For the purposes of this section, radon abatement systems shall be classified as mechanical ventilation systems.

88 Acts, ch 1237, §1; 89 Acts, ch 224, §1; 2004 Acts, ch 1168, §4

Referred to in §136B.2, 136B.3, 136B.4

136B.2 Radon testing information — disclosure.

1. a. A person certified or credentialed pursuant to section 136B.1 shall, within thirty days of the provision of any radon testing services or abatement measures or at the request of the department prior to testing or abatement, disclose to the department the address or location of the building, the name of the owner of the building where the services or measures were or will be provided, and the results of any tests or abatement measures performed.

b. A person shall not disclose to any other person, except to the department, the results of a test or the address or the name of the owner of a nonpublic building that the person tested for the presence of radon gas and radon progeny, unless the owner of the building waives, in writing, this right of confidentiality. However, a person certified or credentialed pursuant to section 136B.1 may disclose the results of a test performed by the person for the presence of radon and radon progeny to a potential buyer of a nonpublic building when an offer to purchase has been presented by the buyer and if the potential buyer paid for the testing. Any test results disclosed shall be results of a test performed within the five years prior to the date of the disclosure.

2. a. Notwithstanding the requirements of this section, disclosure to any person of the results of a test performed on a nonpublic building for the presence of radon gas and radon progeny is not required if the results do not exceed the currently established United States environmental protection agency action guidelines, except as required during a real estate transaction pursuant to section 558A.4, subsection 2.

b. A person who tests a nonpublic building which the person owns is not required to disclose to any person the results of a test for the presence of radon gas or progeny if the test is performed by the person who owns the nonpublic building, except as required during a real estate transaction pursuant to section 558A.4, subsection 2.

136B.3 Testing and reporting of radon level.

The department or its duly authorized agents shall from time to time perform inspections and testing of the premises of a property to determine the level at which it is contaminated with radon gas or radon progeny as a spot-check of the validity of measurements or the adequacy of abatement measures performed by persons certified or credentialed under section 136B.1. Following testing the department shall provide the owner of the property with a written report of its results including the concentration of radon gas or radon progeny contamination present, an interpretation of the results, and recommendation of appropriate action. A person certified or credentialed under section 136B.1 shall also be advised of the department's results, discrepancies revealed by the spot-check, actions required of the person, and actions the department intends to take with respect to the person's continued certification or credentialing.

136B.4 Fees — rules.

The department shall establish a fee schedule to defray the costs of the certification and credentialing programs established pursuant to section 136B.1 and the testing conducted and the written reports provided pursuant to section 136B.3.

The department shall adopt rules, pursuant to chapter 17A, to implement this chapter.

136C.1 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Decommissioning*” means final operational activities at a site to dismantle site structures, to decontaminate site surfaces and remaining structures, to stabilize and contain residual radioactive material, and to carry out any other activities to prepare the site for postoperational care.

2. “*Department*” means the Iowa department of public health.

3. “*Director*” means the director of public health or the director’s designee.

4. “*Licensed professional*” means a person licensed or otherwise authorized by law to practice medicine, osteopathic medicine, podiatry, chiropractic, dentistry, dental hygiene, or veterinary medicine.

5. “*Radiation*” means energy forms capable of causing ionization including alpha particles, beta particles, gamma rays, X rays, neutrons, high-speed protons, and other atomic particles, but does not include sound or radio waves, or visible light, or infrared or ultraviolet light.

6. “*Radiation machine*” means a device capable of producing radiation except those that produce radiation solely from radioactive material.

7. “*Radioactive material*” means a solid, liquid, or gaseous material that emits radiation spontaneously including accelerator-produced and naturally occurring material, and byproduct, source, and special nuclear material as defined in the Atomic Energy Act of 1954 as amended to July 1, 1984.

136C.2 Applicability.

This chapter applies to radiation machines and radioactive material located in this state. The provisions of this chapter do not supersede or duplicate the authority and programs of any

other agency of the state or the United States government. To avoid duplication and promote coordination of radiation protection activities, the department may enter into agreements pursuant to chapter 28E with other state and federal agencies, or with private organizations or individuals, to administer this chapter.

[C79, 81, §136C.2]

84 Acts, ch 1286, §11

136C.3 Duties of department.

The department is designated the state radiation control agency and is responsible for regulating the installation and use of radiation machines and the use of radioactive materials in this state as provided in this chapter. The department shall:

1. Establish minimum criteria and safety standards for the installation, operation, and use of radiation machines and radioactive materials.

2. Establish minimum training standards including continuing education requirements, and administer examinations and disciplinary procedures for operators of radiation machines and users of radioactive materials. A state of Iowa license to practice medicine, osteopathic medicine, chiropractic, podiatry, dentistry, dental hygiene, or veterinary medicine, or licensure as a physician assistant pursuant to chapter 148C, or certification by the dental board in dental radiography, or by the board of podiatry in podiatric radiography, or enrollment in a program or course of study approved by the Iowa department of public health which includes the application of radiation to humans satisfies the minimum training standards for operation of radiation machines only.

3. Develop programs for evaluation and control of hazards associated with the use of sources of radiation with due regard for compatibility of a proposed program with federal programs regulating byproduct, source, and special nuclear materials and considering consistency of a proposed program with federal programs for regulation of radiation machines.

4. Adopt, publish, and amend rules in accordance with chapter 17A as necessary for the implementation and enforcement of this chapter. The rules may provide for the licensing and control of radioactive materials with due regard for compatibility with federal regulatory programs.

5. Issue orders as necessary in connection with licensing and registration of radiation machines and radioactive materials and the operators or users thereof.

6. Advise, consult, and cooperate with other agencies of the state, the federal government, other states and interstate agencies, political subdivisions, and other organizations concerned with control of sources of radiation.

7. Encourage, participate in, or conduct studies, investigations, training, research, and demonstrations relating to control of sources of radiation.

8. Collect and disseminate information relating to control of sources of radiation. The department shall maintain the following information on file:

a. License applications, issuances, denials, amendments, transfers, renewals, modifications, suspensions, and revocations.

b. A list of persons possessing sources of radiation requiring registration under this chapter and any administrative or judicial action involving each person.

c. Departmental rules relating to regulation of sources of radiation, existing or pending, and related actions.

9. Adopt rules requiring the keeping of such records with respect to activities under licenses and registration certificates issued pursuant to this chapter as the department determines necessary to effect the purposes of this chapter.

10. a. Adopt rules specifying the minimum training and performance standards for an individual using a radiation machine for mammography, and other rules necessary to implement section 136C.15. The rules shall complement federal requirements applicable to similar radiation machinery and shall not be less stringent than those federal requirements.

b. (1) Adopt rules, in collaboration with appropriate stakeholders, to require that, by January 1, 2018, a facility at which mammography services are performed shall include information on breast density in mammogram reports sent to all mammography patients,

pursuant to regulations implementing the federal Mammography Quality Standards Act of 1992, Pub. L. No. 102-539, as amended. The mammogram report shall include information on a patient's breast density, as categorized by an interpreting physician at the facility based on standards as defined in nationally recognized guidelines or systems for breast imaging reporting of mammography screening, including the breast imaging reporting and data system of the American college of radiology. For patients categorized as having heterogeneously dense breasts or extremely dense breasts, or an equivalent determination by another nationally recognized density gradient system, the report to the patient shall include evidence-based information on dense breast tissue, the increased risk associated with dense breast tissue, and the effects of dense breast tissue on screening mammography.

(2) Nothing in this paragraph "b" shall be construed to modify the existing liability of a facility where mammography services are performed beyond the duty to provide the information set forth in this paragraph "b". Notwithstanding any other provision of law to the contrary, this paragraph "b" shall not create a cause of action or create a standard of care, obligation, or duty that provides grounds for a cause of action.

(3) Nothing in this paragraph "b" shall be deemed to require a notice or the provision of information that is inconsistent with the provisions of the federal Mammography Quality Standards Act of 1992, Pub. L. No. 102-539, as amended, or any regulations promulgated pursuant to that Act.

Referred to in §136C.5, 136C.10

136C.4 Penalties.

1. It is unlawful to operate or use radiation machines or radioactive material in violation of this chapter or of any rule adopted pursuant to this chapter. Persons convicted of violating a provision of this chapter are guilty of a serious misdemeanor.

2. In addition to criminal penalties, the department may impose a civil penalty not to exceed one thousand dollars on a person who violates a provision of this chapter or a rule or order issued under this chapter, or a term, condition, or limitation of a license or registration certificate issued under this chapter, or who commits a violation for which a license or registration certificate may be revoked under rules issued pursuant to this chapter. Each day of continuing violation constitutes a separate offense in computing the civil penalty.

3. The department shall notify a person of the intent to impose a civil penalty against the person. The notice shall be by registered or certified mail to the person's last known address and shall state the date, facts, the nature of the act or omission leading to the charge, the specific statute, rule, or license or registration provision involved, and the amount of the penalty the department proposes to impose. The notice shall advise the person that upon failure to pay the civil penalty, the penalty may be collected by civil action. The person shall have the opportunity to respond in writing, within a reasonable time as the department shall establish by rule, why the civil penalty should not be imposed.

4. The department may compromise, mitigate, or remit a civil penalty imposed under this section. A person upon whom a civil penalty is imposed may appeal the action pursuant to chapter 17A. The department shall remit moneys collected from civil penalties to the treasurer of state who shall deposit the moneys in the general fund of the state.

[C79, 81, §136C.4]

84 Acts, ch 1286, §12; 2002 Acts, ch 1108, §10

136C.5 Enforcement.

1. Upon determination by the department that this chapter or any rule adopted pursuant to this chapter has been or is being violated, the department may order that the radiation machine or radioactive material not be used until the necessary corrective action has been taken. If the use of the radiation machine or radioactive material continues in violation of

the order of the department, the department may request the county attorney or the attorney general to make an application in the name of the state to the district court of the county in which the violations may have occurred for an order to enjoin the violations or practices.

2. The department may impound or order the impounding of radioactive material in the possession of a person who is not equipped to observe or fails to observe a provision of this chapter or of a rule adopted under this chapter.

3. The department may enter at reasonable times any private or public property to determine whether there is a violation of a provision of this chapter or of a rule issued under this chapter. However, the department must have the consent of the federal government before entering an area under the jurisdiction of the federal government.

4. The department may inspect records required to be kept under section 136C.3, subsection 9. Upon request of the department a person shall submit the records to the department for inspection.

136C.7 Acceptance of funds.

The department may accept from any source loans, grants, gifts, or other funds to be used for programs authorized by this chapter.

84 Acts, ch 1286, §2

136C.8 Inspections.

The department may inspect radiation machines and radioactive materials located in this state, for the purpose of detecting, abating, or eliminating excessive radiation exposure hazards. The inspection shall include but shall not be limited to an evaluation of the radiation machine or radioactive material as well as the immediate environment to ensure that in using the machines or materials all unnecessary hazards for patients, personnel, and other persons who may be exposed to radiation produced by the machine or materials are avoided. All defects and deficiencies noted by the inspector shall be fully disclosed and discussed with the responsible persons at the time of inspection. The department shall establish rules prescribing operating procedures for radiation machines and radioactive materials which ensure minimum radiation exposure to patients, personnel, and other persons in the immediate environment.

84 Acts, ch 1286, §3; 2012 Acts, ch 1113, §26

136C.9 Registration and license requirements.

1. The department shall establish by rule a system for the registration of the possession of radiation machines and for the licensing of radioactive materials in the state. The rules may provide for the issuance of the following licenses:

a. General licenses which do not require the filing of an application or the issuance of a document but do permit designated persons to transfer, acquire, own, possess, or use quantities of or equipment using radioactive materials.

b. Specific licenses issued upon application to a person named in the license to use, manufacture, produce, transfer, receive, acquire, or possess quantities of or equipment using radioactive material. Applicants requesting radioactive materials in quantities of concern, as identified by the United States nuclear regulatory commission, shall submit fingerprints to the United States nuclear regulatory commission for a background check of all individuals authorized for unescorted access to such material.

2. The department may exempt certain sources of radiation or kinds of uses or users from the licensing or registration requirements when the department finds that the exemption of the source of radiation, use, or users will not pose a significant risk to the health and safety of the public. The rules may provide for recognition of other state or federal licenses as the department may allow, subject to registration requirements as the department may prescribe.

3. A person shall not use, manufacture, produce, distribute, sell, transport, transfer, install, repair, receive, acquire, own, or possess any radioactive material without a license from the department as provided in this chapter.

84 Acts, ch 1286, §4; 2008 Acts, ch 1058, §7

136C.10 Fees.

1. *a.* The department shall establish and collect fees for the licensing and amendment of licenses for radioactive materials, the registration of radiation machines, the periodic inspection of radiation machines and radioactive materials, and the implementation of section 136C.3, subsection 2. Fees shall be in amounts sufficient to defray the cost of administering this chapter. The license fee may include the cost of environmental surveillance activities to assess the radiological impact of activities conducted by licensees.

b. When a registrant or licensee fails to pay the applicable fee the department may suspend or revoke the registration or license or may issue an appropriate order. Fees for the license, amendment of a license, and inspection of radioactive material shall not exceed the fees prescribed by the United States nuclear regulatory commission.

2. The department may establish and collect a fee related to transporting radioactive material if the fee is used for a purpose related to transporting radioactive material, including enforcement and planning, developing, and maintaining a capability for emergency response. The fees shall be established by rules adopted pursuant to chapter 17A.

3. The department may establish and collect fees from persons providing mammography services to assure compliance with applicable rules and the federal Mammography Quality Standards Act of 1992, Pub. L. No. 102-539, as amended. Fees shall be in an amount determined by the department by rule and all fees collected shall be used to support the department's mammography program.

4. Fees collected pursuant to this section shall be retained by the department, shall be considered repayment receipts as defined in section 8.2, and shall be used for the purposes described in this section, including but not limited to the addition of full-time equivalent positions for program services and investigations. Notwithstanding section 8.33, moneys retained by the department pursuant to this subsection are not subject to reversion to the general fund of the state.

84 Acts, ch 1286, §5; 86 Acts, ch 1217, §2; 2004 Acts, ch 1167, §3; 2005 Acts, ch 175, §81; 2006 Acts, ch 1155, §1, 15

Referred to in §136C.15

136C.11 Federal-state agreements.

1. The governor, on behalf of the state, may enter into an agreement with the United States nuclear regulatory commission pursuant to section 274b of the Atomic Energy Act of 1954, as amended to July 1, 1984, providing for the discontinuation of certain federal licensing and related regulatory authority over byproduct, source, and special nuclear material and the assumption of regulatory authority over these materials by the state.

2. A person who, on the effective date of an agreement made under subsection 1, possesses a license issued by the United States nuclear regulatory commission for radioactive material that comes under the agreement is considered to possess the license required under this chapter. The license shall expire either ninety days after receipt from the department of a notice of expiration of the license, or on the date of expiration specified in the license issued by the nuclear regulatory commission, whichever is earlier.

84 Acts, ch 1286, §6

136C.12 Conflicting laws.

This chapter does not preempt ordinances, resolutions, or rules of a local government or of a state agency relating to radioactive material that are consistent with this chapter. This chapter does not give the department the authority to regulate a facility for the disposal of low-level radioactive waste as defined in article II of section 457B.1.

84 Acts, ch 1286, §7

136C.13 Emergencies.

If the department finds that an emergency exists involving radioactive material or radiation machines that requires immediate action to protect the public health and safety, the department may, without notice or hearing, issue an order stating that an emergency exists and requiring that action be taken as necessary to meet the emergency. An emergency order shall be effective immediately. A person to whom the order is directed shall comply with the order immediately, but on application to the department shall be afforded a hearing within ten days of the date application is made. The emergency order may be continued, modified, or revoked within thirty days after the hearing, based on the evidence presented at the hearing.

84 Acts, ch 1286, §8

136C.14 Qualified operators — credentials available upon request.

1. A person, other than a licensed professional, shall not operate a radiation machine or use radioactive materials for medical treatment or diagnostic purposes unless that person has completed a course of instruction approved by the department or has otherwise met the minimum training requirement established by the department.

2. A person, other than a licensed professional, who operates a radiation machine or uses radioactive materials for medical treatment or diagnostic purposes shall make available upon request the credentials which indicate that person's qualification to operate the machine or use the materials. A person who owns or controls the machine or materials shall not employ a person to operate the machine or use the materials for medical treatment or diagnostic purposes except as provided in this section.

84 Acts, ch 1286, §9; 85 Acts, ch 195, §17; 2012 Acts, ch 1113, §27

136C.15 Radiation machines used for mammography — registration standards and requirements — application for authority — inspection.

1. A person shall not use a radiation machine to perform mammography unless the radiation machine is registered with the department pursuant to the department's rules and is specifically authorized for use for mammography as provided in this section.

2. The department shall authorize a radiation machine for use for mammography if the radiation machine meets all of the following:

a. The radiation machine meets the criteria for a mammography accreditation program approved by the United States food and drug administration. The department shall make copies of those criteria available to the public and may by rule adopt modified criteria. The department may accept an evaluation report issued by such an approved accreditation program as evidence that a radiation machine meets those criteria. If at any time the department determines that it will not accept any evaluation reports issued by such an approved accreditation program as evidence that a radiation machine meets those criteria, the department shall promptly notify each person who has registered a radiation machine under this paragraph.

b. The radiation machine, the film or other image receptor used in the radiation machine, and the facility where the radiation machine is used meet the requirements set forth in department rules for radiation machines.

c. The radiation machine is specifically designed to perform mammography.

d. The radiation machine is used in a facility that does all of the following:

(1) At least annually has a qualified radiation physicist provide on-site consultation to the facility, including, but not limited to, a complete evaluation of the entire mammography system to ensure compliance with this section and the rules adopted pursuant to this section.

(2) Maintains for at least seven years, records of the consultation required in subparagraph (1) and the findings of the consultation.

e. The radiation machine is used according to the department rules on patient radiation exposure and radiation dose levels.

f. The radiation machine is operated only by an individual who can demonstrate to the department that the individual is specifically trained in mammography and meets the

standards established in this section, or an individual who is a physician or an osteopathic physician.

3. The department may issue a nonrenewable temporary authorization for a radiation machine for use for mammography if additional time is needed to allow submission of evidence satisfactory to the department that the radiation machine meets the standards set forth in subsection 2 for approval for mammography. A temporary authorization granted under this subsection shall be effective for no more than twelve months. The department may withdraw a temporary authorization prior to its expiration if the radiation machine does not meet one or more of the standards set forth in subsection 2.

4. To obtain authorization from the department to use a radiation machine for mammography, the person who owns or leases the radiation machine or an authorized agent of the person shall apply to the department for mammography authorization on an application form provided by the department and shall provide all of the information required by the department as specified on the application form. A person who owns or leases more than one radiation machine used for mammography shall obtain authorization for each radiation machine. The department shall process and respond to an application within thirty days after the date of receipt of the application. Upon determining to grant mammography authorization for a radiation machine, the department shall issue a certificate of registration specifying the mammography authorization. A mammography authorization is effective for three years.

5. The department shall annually inspect each authorized radiation machine and may inspect the radiation machine more frequently. The department shall make reasonable efforts to coordinate the inspections under this section with the department's other inspections of the facility in which the radiation machine is located.

6. After each satisfactory inspection by the department, the department shall issue a written proof of inspection or a similar document identifying the facility and radiation machine inspected and providing a record of the date the radiation machine was inspected.

7. The department may withdraw the mammography authorization for a radiation machine if it does not meet one or more of the standards set forth in subsection 2.

8. The department shall provide an opportunity for a hearing in connection with a denial or withdrawal of mammography authorization.

9. Upon a finding that a deficiency in a radiation machine used for mammography or a violation of this section or the rules adopted pursuant to this section seriously affects the health, safety, and welfare of individuals upon whom the radiation machine is used for mammography, the department may issue an emergency order summarily withdrawing the mammography authorization of the radiation machine. The department shall incorporate its findings in the order and shall provide an opportunity for a hearing within five working days after issuance of the order. The order shall be effective during the proceedings.

10. If the department withdraws the mammography authorization of a radiation machine, the radiation machine shall not be used for mammography. An application for reinstatement of a mammography authorization shall be filed and processed in the same manner as an application for mammography authorization under subsection 4, except that the department shall not issue a reinstated certificate of registration specifying the mammography authorization until the department inspects the radiation machine and determines that it meets the standards set forth in subsection 2. The department shall conduct an inspection required under this subsection no later than sixty days after receiving a proper application for reinstatement of a mammography authorization.

11. The department shall establish fees pursuant to section 136C.10 for the application for authorization and the inspection related to a radiation machine used for mammography.

CHAPTER 136D

TANNING FACILITIES

136D.1	Short title.	136D.6	Permits.
136D.2	Definitions.	136D.7	Duties of the department.
136D.3	Application of chapter.	136D.8	Inspections — violations — prohibited acts — injunctions.
136D.4	Warning signs — written warning statements.	136D.9	Penalties.
136D.5	Reserved.		

136D.1 Short title.

This chapter may be cited as the “*Tanning Facility Regulation Act.*”
90 Acts, ch 1220, §1

136D.2 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Department*” means the Iowa department of public health.
2. “*Director*” means the director of public health, or the director’s designee.
3. “*Phototherapy device*” means a piece of equipment that emits ultraviolet radiation and that is used by a health care professional in the treatment of disease.
4. “*Tanning device*” means any equipment that emits electromagnetic radiation with wavelengths in the air between 200 and 400 nanometers and that is used for tanning of human skin, such as tanning booths or tanning beds.

5. “*Tanning facility*” means a location, place, area, structure, or business, or a part thereof, which provides access to a tanning device for compensation. “*Tanning facility*” may include but is not limited to a tanning salon, health club, apartment, and condominium.

90 Acts, ch 1220, §2; 2012 Acts, ch 1113, §28

136D.3 Application of chapter.

1. This chapter does not apply to a phototherapy device used by or under the supervision of a licensed physician trained in the use of phototherapy devices. A tanning device used by a tanning facility must comply with all applicable federal laws and regulations.

2. This chapter shall not supersede or duplicate the authority and programs of any other agency of the state or the United States. To avoid duplication and promote coordination of radiation protection activities, the department may enter into written agreements with other state or federal agencies, with local boards of public health, or with private organizations or individuals, to administer this chapter.

90 Acts, ch 1220, §3; 2008 Acts, ch 1058, §10

136D.4 Warning signs — written warning statements.

1. A tanning facility shall post the following warning signs that describe the hazards associated with the use of tanning devices:

a. A warning sign in a conspicuous location readily visible to persons entering the establishment. The signs shall comply with rules adopted by the department.

b. A warning sign for each tanning device, in a conspicuous location readily visible to a person preparing to use the device. The sign shall comply with rules adopted by the department.

2. A tanning facility shall provide each customer with a written warning statement that complies with rules adopted by the department.

90 Acts, ch 1220, §4

136D.5 Reserved.

136D.6 Permits.

1. A person shall not operate a tanning facility without a current and valid permit to operate the facility, issued by the department.

2. The permit shall be displayed in an open public area of the tanning facility.
 3. Permits shall be renewed annually upon acceptance of an application provided by the department and upon receipt of a permit fee.
 4. The department may revoke, cancel, or suspend a permit to operate a tanning facility based upon criteria adopted by rule of the department.
- 90 Acts, ch 1220, §5

136D.7 Duties of the department.

The department shall do all of the following:

1. Establish requirements for the operation of tanning facilities, including but not limited to, proper sanitation of tanning devices, provisions of proper equipment, the presence of knowledgeable operators during operating hours, and the use of accurate timers and temperature controls.
 2. Adopt rules, in accordance with chapter 17A, as necessary for the implementation and enforcement of this chapter, including but not limited to rules relating to the operation and use of tanning devices, rules regarding the warning signs required to be posted by a tanning facility, and rules prescribing the criteria for revocation, cancellation, or suspension of a tanning facility permit.
 3. Establish and collect fees to defray the costs of administering the program established in this chapter. Fees collected shall be deposited in the general fund of the state.
- 90 Acts, ch 1220, §6

136D.8 Inspections — violations — prohibited acts — injunctions.

1. The director or an authorized agent shall have access at all reasonable times to any tanning facility to inspect the facility to determine if this chapter is being violated.
 2. A tanning facility shall not claim, or distribute promotional materials that claim, that using a tanning device is safe or free from risk.
 3. *a.* If the director finds that a person has violated, or is violating or threatening to violate this chapter and that the violation creates an immediate threat to the health and safety of the public, the director may petition the district court for a temporary restraining order to restrain the violation or threat of violation.
 - b.* If a person has violated, or is violating or threatening to violate this chapter, the director may petition the district court for an injunction to prohibit the person from continuing the violation or threat of violation.
 - c.* On application for injunctive relief and a finding that a person is violating or threatening to violate this chapter, the district court shall grant any injunctive relief warranted by the facts.
- 90 Acts, ch 1220, §7; 2012 Acts, ch 1113, §29

136D.9 Penalties.

1. The department may impose a civil penalty not to exceed one thousand dollars on a person who violates a provision of this chapter, a rule adopted or order issued under this chapter, or a term, condition, or limitation of a registration certificate issued pursuant to this chapter, or who commits a violation for which a registration certificate may be revoked under rules issued pursuant to this chapter. Each day of continuing violation constitutes a separate offense in computing the civil penalty. However, the maximum civil penalty for a continuing violation shall not exceed five thousand dollars.
 2. The department shall notify a person of the intent to impose a civil penalty against the person. The department shall establish the notification process to include an opportunity for the person to respond in writing, within a reasonable time as the department shall establish by rule, regarding reasons why the civil penalty should not be imposed.
 3. The department may compromise, mitigate, or refund a civil penalty imposed under this section. A person upon whom a civil penalty is imposed may appeal the action pursuant to chapter 17A. The department shall remit moneys collected from civil penalties to the treasurer of the state who shall deposit the moneys in the general fund of the state.

Subsection 1, paragraph d amended

137.106 District boards of health — request to form.

The county boards of any two or more geographically contiguous counties may at any time submit a request to form a district board to the state department. The formation request shall be in writing, shall be executed by the county boards of supervisors and the county boards of health for each county comprising the proposed district board, and shall include but not be limited to the following required elements:

1. A written narrative that explains how a district board will attain the capability to provide population-based and personal public health services.

2. The composition of the district board, including the number of members each county shall appoint pursuant to section 137.105 and the total number of members on the district board.

3. Proof of approval by all county boards of supervisors and county boards of health involved in the request to form a district board and of the elements included in the formation plan.

4. The service delivery plan.

5. The budget and fiscal plan for the proposed district board. The budget plan shall include an estimate of proposed expenditures and revenues and an allocation of the revenue responsibilities of each of the counties participating in the proposed district board.

6. A table of organization.

7. A personnel system description, including identification of the district treasurer and district auditor and a section which addresses the employment issues contained in section 137.110.

8. The location of the district board offices and workforce throughout the jurisdiction.

9. An inventory of the property and equipment in the custody of each county board and a description as to whether such property and equipment shall remain in the custody of the county or shall be transferred to the district board to become property of the district board.

10. A timeline for the adoption of district board rules and regulations.

11. Other criteria as established by rule of the state department.

2010 Acts, ch 1036, §6; 2016 Acts, ch 1026, §12

Referred to in §137.107, 137.110, 137.113, 137.114, 137.115

137.107 Request reviewed by state department.

The state department shall review requests submitted pursuant to section 137.106. The state department, upon finding that all required elements are present, shall present findings to the state board. The state board may approve the formation of a district board and if the formation is approved, shall notify the county boards from whom the request was received.

2010 Acts, ch 1036, §7

Referred to in §137.113, 137.114

137.108 Initial appointment of district board of health.

Upon receipt of notice of approval as a district board, district board members shall be appointed as specified in section 137.105.

2010 Acts, ch 1036, §8

137.109 Organizational structure of district board.

A district board is a governing body for purposes of chapter 670 and a district health department is a municipality for purposes of chapter 670. All meetings of a district board shall comply with the requirements of chapter 21 and all records of a district board and a district health department shall be maintained in accordance with chapter 22.

2010 Acts, ch 1036, §9

137.110 District personnel.

1. A district board may employ persons as necessary for the efficient discharge of its duties. A district board shall have all the duties and powers in employing such persons as a county board of supervisors is granted pursuant to section 331.324, with the exception of the authority to provide for support of the civil service commission for deputy sheriffs as specified in section 331.324, subsection 1, paragraph “k”. A district board may employ persons who were employed at the time of the formation of the district board by the counties represented by the district board, or may employ persons who were not employed by such counties. The county boards involved shall specify in the request submitted pursuant to section 137.106 whether the individual counties or the district board will be responsible for payment of unemployment compensation for any county employees employed by the county board at the time of formation of the district board but not employed by the district board following formation.

2. If the district board employs persons who were employed by the counties represented by the district board at the time of formation of the district board, the district board shall recognize the term of service of the former county employees for purposes of all employee benefits offered by the district board to such employees and such employees shall not forfeit accrued vacation, accrued sick leave, or longevity by becoming district board employees.

3. Persons who were covered by county employee life insurance, accident insurance, and health insurance plans prior to becoming district board employees pursuant to this chapter shall be permitted to apply prior to becoming district board employees for life, accident, and health insurance plans that are available to district board employees so that those persons do not suffer a lapse of insurance coverage as a result of becoming district board employees.

4. The district board may employ or contract with legal counsel to enforce this chapter and district board rules, represent and defend the district board and its officers and employees, provide legal advice to the district board, and perform any other legal duties required by law or assigned by the district board. The district board may employ or contract with the county attorney of a county within its jurisdiction.

2010 Acts, ch 1036, §10

Referred to in §137.106

137.111 District treasurer and auditor.

Upon establishment of a district board, the district board shall designate a treasurer to serve as treasurer of the district health department, and shall designate an auditor to serve as auditor of the district health department. A treasurer or auditor of any county within the district may also serve in the capacity of treasurer or auditor of the district health department, respectively, or the district board may contract with a third party to act as the treasurer or auditor of the district health department. A county treasurer’s or county auditor’s official bond may extend to cover their respective duties performed on behalf of the district health department.

2010 Acts, ch 1036, §11; 2016 Acts, ch 1026, §13

137.112 District public health fund — budget.

1. The district treasurer shall establish a district public health fund from which

disbursements may be made in the manner specified for disbursements by law for the disbursement of county funds.

2. All moneys received by a district board or district health department for local public health purposes from federal appropriations, state appropriations, local appropriations, fees, gifts, grants, bequests, or other sources shall be deposited in the district public health fund. Expenditures shall be made from the fund on order of the district board for the purpose of carrying out its duties. No more than twenty percent of the unexpended balance remaining in the fund at the end of each fiscal year shall be maintained in the district public health fund. The remainder of the unexpended balance shall revert to the general funds of the member counties in the manner determined by the district board.

3. The district board shall adopt and certify an annual budget in accordance with section 24.17 relating to certification of budgets and section 24.27 relating to protesting budgets.

4. This section does not apply to any district board of health or district health department in existence prior to July 1, 2010.

2010 Acts, ch 1036, §12; 2012 Acts, ch 1113, §17, 20, 21

137.113 Adding to district.

A county may be added to an existing district board by submission and approval of a request, as specified in sections 137.106 and 137.107.

2010 Acts, ch 1036, §13

137.114 Withdrawal from district.

A county may withdraw from an existing district board upon submission of a request for withdrawal to and approval by the state department. The request shall include a plan to reform its county board or join a different district board, information specified in section 137.106, and approval of the request by the district board and, at the recommendation of the state department, the state board. Any county choosing to withdraw from the district board shall commit to the continuity of services in its county by reestablishing its county board or joining a different district board. The remaining counties in the district shall submit an application including the information specified in section 137.106 to the state department for review as provided in section 137.107.

2010 Acts, ch 1036, §14

137.115 Dissolution of county boards.

Upon appointment of a district board, the county boards involved shall be dissolved and their powers and duties specified in section 137.104 transferred to the district board. All property and equipment in the custody of the county board shall either remain the property of the county or shall become the property of the district board, as so provided in the district board formation request submitted pursuant to section 137.106.

2010 Acts, ch 1036, §15

137.116 Emergency request for funds.

A local board of health may, during a public health disaster as defined in section 135.140 or in preparation for or response to such disaster, request additional appropriations which may upon approval of the director be allotted from the funds reserved for that purpose to the extent that funds are appropriated and available. Upon termination of the disaster response, the local board of health shall report its expenditures of emergency funds to the director.

2010 Acts, ch 1036, §16

137.117 Penalties — criminal and civil.

1. Any person who violates any provision of this chapter or the rules of a local board of health or any lawful order of the board, its officers, or authorized agents is guilty of a simple misdemeanor. Each additional day of neglect or failure to comply with such provision, rule, or lawful order after notice of violation by the local board of health shall constitute a separate offense.

2. A local board of health may impose a civil penalty not to exceed seven hundred fifty

dollars for each violation of this chapter or the rules of the local board of health or any lawful order of the board, its officers, or authorized agents. If the violation is a repeat offense, a civil penalty not to exceed one thousand dollars may be imposed. The local board of health shall impose and enforce such penalties in the manner provided in section 331.307 for county infractions.

2010 Acts, ch 1036, §17

137.118 Individual choice of treatment.

Nothing in this chapter shall be construed to impede, limit, or restrict the right of free choice by an individual to the health care or treatment that the individual may select.

2010 Acts, ch 1036, §18

137.119 Adoption of rules.

The state board of health shall adopt rules to implement this chapter. The department is vested with discretionary authority to interpret the provisions of this chapter.

 90 Acts, ch 1204, §66
 C91, §137C.1
 2018 Acts, ch 1041, §44

137C.2 Definitions.

For purposes of the Iowa hotel sanitation code, unless a different meaning is clearly indicated by the context:

1. “*Bed and breakfast inn*” means a hotel which has nine or fewer guest rooms.
2. “*Director*” means the director of the department of inspections and appeals or the director’s designee.
3. “*Department*” means the department of inspections and appeals.
4. “*Guest room*” shall mean any bedroom or other sleeping quarters for transient guests in a hotel.
5. “*Hotel*” shall mean any building or structure, equipped, used, advertised as, or held out to the public to be an inn, hotel, motel, motor inn, or place where sleeping accommodations are furnished transient guests for hire.
6. “*Local board of health*” means a county, city, or district board of health.
7. “*Municipal corporation*” means a political subdivision of this state.
8. “*Regulatory authority*” means the department or a local board of health that has entered into an agreement with the director pursuant to section 137C.6 for authority to enforce the Iowa hotel sanitation code in its jurisdiction.

[S13, §2514-h; C24, 27, 31, 35, 39, §2808; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, §170.1; C79, 81, §170B.2]

 2004 Acts, ch 1026, §3

137C.3 through 137C.5 Reserved.

SUBCHAPTER II
LICENSES AND INSPECTIONS

137C.6 Authority to enforce.

1. The director shall regulate, license, and inspect hotels and enforce the Iowa hotel

sanitation code in Iowa. Municipal corporations shall not regulate, license, inspect, or collect license fees from hotels except as provided for in the Iowa hotel sanitation code.

2. If a municipal corporation wants its local board of health to license, inspect, and otherwise enforce the Iowa hotel sanitation code within its jurisdiction, the municipal corporation may enter into an agreement to do so with the director. The director may enter into the agreement if the director finds that the local board of health has adequate resources to perform the required functions. A municipal corporation may only enter into an agreement to enforce the Iowa hotel sanitation code if it also agrees to enforce the rules setting minimum standards to protect consumers from foodborne illness adopted pursuant to section 137F.2.

3. A local board of health that is responsible for enforcing the Iowa hotel sanitation code within its jurisdiction pursuant to an agreement shall make an annual report to the director providing the following information:

- a. The total number of hotel licenses granted or renewed during the year.
- b. The amount of money collected in license fees during the year.
- c. Other information the director requests.

4. The director shall monitor local boards of health to determine if they are enforcing the Iowa hotel sanitation code within their respective jurisdictions. If the director determines that the Iowa hotel sanitation code is enforced by a local board of health, such enforcement shall be accepted in lieu of enforcement by the department in that jurisdiction. If the director determines that the Iowa hotel sanitation code is not enforced by a local board of health, the director may rescind the agreement after reasonable notice and an opportunity for a hearing. If the agreement is rescinded, the director shall assume responsibility for enforcement in the jurisdiction involved.

SUBCHAPTER V
RIGHTS AND OBLIGATIONS

137C.25 Right of hotel operator to deny services.

1. A person operating a hotel has the right to refuse or deny the use of a room, accommodations, facilities, or other privileges of the hotel to any of the following:

- a. An individual unwilling or unable to pay for the room, accommodations, facilities, or other privileges of the hotel.
- b. An individual who is visibly publicly intoxicated or under the influence of alcohol or some other illegal drug, or who is disorderly so as to create a public nuisance.
- c. An individual the hotel operator reasonably believes is seeking to use a room, accommodations, facilities, or other privileges of the hotel for an unlawful purpose.
- d. An individual the hotel operator reasonably believes is bringing in anything which may create an unreasonable danger or risk to other persons, including but not limited to firearms or explosives.
- e. An individual whose use of the room, accommodations, facilities, or other privileges of the hotel would result in a violation of the maximum capacity of such hotel.

2. A hotel operator who reasonably refuses or denies the use of a room, accommodations, facilities, or other privileges of the hotel pursuant to this section is not subject to any civil or criminal action or any fine or other penalty, unless the refusal or denial is a violation of state or federal law.

94 Acts, ch 1032, §1
Referred to in §137C.25D

137C.25A Right to require financial guarantee.

The hotel operator has the right to require a person seeking the use of a room, accommodations, facilities, or other privileges of the hotel to demonstrate the ability to pay for such use by cash, credit card, or approved check. The hotel operator may require the parent or guardian of a minor to do all of the following:

1. Accept in writing the liability for the cost of the room, accommodations, facilities, or other privileges of the hotel used by the minor, and for the cost of any damages to the room, furnishings in the room, or other facilities of the hotel caused by the minor while the minor is using the room, accommodations, facilities, or other privileges of the hotel.

2. Provide the hotel operator with one of the following:

a. The authority to charge any amount due for the cost of the room, accommodations, facilities, or other privileges of the hotel used by the minor, and for the cost of any damages to the room, furnishings in the room, or other facilities of the hotel caused by the minor while the minor is using the room, accommodations, facilities, or other privileges of the hotel to a credit card as defined in section 537.1301, subsection 17.

b. An advance cash payment sufficient to cover the cost of the room, accommodations, facilities, or other privileges of the hotel used by the minor, and a reasonable amount as a deposit toward the cost of any damages to the room, furnishings in the room, or other facilities of the hotel caused by the minor while the minor is using the room, accommodations, facilities, or other privileges of the hotel. A cash deposit for any damages required by the hotel operator shall be refunded to the extent not used to cover the cost of any such damages as

determined by the hotel operator following an inspection of the room, accommodations, or facilities of the hotel used by the minor at the end of the minor's stay.

94 Acts, ch 1032, §2

Referred to in §137C.25D

137C.25B Restitution.

In addition to any other applicable penalties, a court may order a person to pay restitution for any damages caused by such person which are suffered by the owner or operator of the hotel. Damages for which restitution may be ordered, in addition to physical damages, may include the loss of revenue resulting from the hotel being unable to rent or lease the room, accommodation, or facility during any time of repair, and restitution to any other individual who is injured or whose property is damaged as a result of the violation. The parent or guardian of a minor shall be liable to the owner or operator for the acts of the minor which result in damage to the room, accommodation, or facility, and for restitution to any other individual who is injured or whose property is damaged as a result of such acts.

94 Acts, ch 1032, §3

Referred to in §137C.25D, 232D.504

137C.25C Right to eject.

An owner or operator of a hotel may eject a person from the hotel for any of the following reasons:

1. Nonpayment of charges incurred by the individual renting or leasing a room, accommodations, or facilities of the hotel when the charges are due and owing.
2. The individual renting or leasing a room, accommodations, or facilities of the hotel is visibly intoxicated, or is disorderly so as to create a public nuisance.
3. The owner or operator reasonably believes that the individual is using the premises for an unlawful purpose including, but not limited to, the unlawful use or possession of controlled substances or the use of the premises for the consumption of alcohol by an individual in violation of section 123.47.
4. The owner or operator reasonably believes that the individual has brought anything into the hotel which may create an unreasonable danger or risk to other persons, including but not limited to firearms or explosives.
5. The individual is in violation of any federal, state, or local laws or regulations relating to the hotel.
6. The individual is in violation of any rule of the hotel which is posted as provided in section 137C.25D.

94 Acts, ch 1032, §4; 97 Acts, ch 126, §8

Referred to in §137C.25D

137C.25D Posting rules by owner or operator.

An owner or operator of a hotel shall post a copy of sections 137C.25 through 137C.25C, in addition to any rules established by the owner or operator of the hotel, in a conspicuous place at or near the guest registration desk and in each room of the hotel.

94 Acts, ch 1032, §5

Referred to in §137C.25C

137C.25E Documentation and registration requirements.

1. A hotel shall keep and maintain for a period of three years, a guest register which shall show the name, residence, date of arrival, and date of departure of each individual renting or leasing a room, accommodations, or facilities of the hotel.
2. Each individual renting or leasing a room, accommodations, or facilities of the hotel shall register, and may be required by the owner or operator of the hotel to show proof of identity by producing a valid driver's license, or other identification satisfactory to the owner or operator. The identification shall have a photograph of the individual and include the name and residence of the individual. If the individual is a minor, the owner or operator may also require a parent or guardian of the minor to register.
3. The guest register may be kept and maintained by recording, copying, or reproducing

the register by any photographic, photostatic, microfilm, microcard, miniature photographic, electronic imaging, electronic data processing, or other process which accurately reproduces or forms a durable medium for accurately and legibly reproducing an unaltered image or reproduction of the original.

SUBCHAPTER VII EXEMPTION — APPLICABILITY

137C.35 Bed and breakfast homes and inns.

1. This chapter does not apply to bed and breakfast homes as defined in section 137F.1.

However, a bed and breakfast home shall have a smoke detector in proper working order in each sleeping room and a fire extinguisher in proper working order on each floor. A bed and breakfast home which does not receive its drinking water from a public water supply shall have its drinking water tested at least annually by the state hygienic laboratory or the local board of health.

2. A bed and breakfast inn is subject to regulation, licensing, and inspection under this chapter, but separate toilet and lavatory facilities shall not be required for each guest room. Additionally, a bed and breakfast inn is exempt from fire safety rules adopted pursuant to section 100.35 and applicable to hotels, but is subject to fire safety rules which the state fire marshal shall specifically adopt for bed and breakfast inns.

3. A violation of this section is punishable as provided in section 137C.28.

NEW subsection 14 and former subsections 14 – 17 renumbered as 15 – 18

137F.2 Adoption by rule.

1. The department shall, in accordance with chapter 17A, adopt rules setting minimum standards for entities covered under this chapter to protect consumers from foodborne illness. In so doing, the department may adopt by reference, with or without amendment, the United States food and drug administration food code, which shall be specified by title and edition, date of publication, or similar information. The rules and standards shall be formulated in consultation with municipal corporations under agreement with the department, affected state agencies, and industry, professional, and consumer groups.

2. In establishing minimum standards as described in subsection 1, the department shall adopt rules for the sale at a farmers market of culinary mushrooms commonly referred to as a variety of wild golden oyster and classified as *pleurotus ostreatus*, *pleurotus populinus*, or *pleurotus pulmonarius*.

98 Acts, ch 1162, §7, 30; 99 Acts, ch 208, §29 – 32; 2001 Acts, ch 81, §3; 2007 Acts, ch 215, §212; 2019 Acts, ch 73, §1, 2

Referred to in §137C.6, 137F.3, 331.756(28)

137F.3 Authority to enforce.

1. The director shall regulate, license, and inspect food establishments and food processing plants and enforce this chapter pursuant to rules adopted by the department in accordance with chapter 17A. Municipal corporations shall not regulate, license, inspect, or collect license fees from food establishments and food processing plants, except as provided in this section.

2. A municipal corporation may enter into an agreement with the director to provide that the municipal corporation shall license, inspect, and otherwise enforce this chapter within its jurisdiction. The director may enter into the agreement if the director finds that the municipal corporation has adequate resources to perform the required functions. A municipal corporation may only enter into an agreement to enforce the rules setting minimum standards to protect consumers from foodborne illness adopted pursuant to section 137F.2 if it also agrees to enforce the Iowa hotel sanitation code pursuant to section 137C.6. However, the department shall license and inspect all food processing plants which manufacture, package, or label food products. A municipal corporation may license and

inspect, as authorized by this section, food processing plants whose operations are limited to the storage of food products.

3. If the director enters into an agreement with a municipal corporation as provided by this section, the director shall provide that the inspection practices of a municipal corporation are spot-checked on a regular basis.

4. A municipal corporation that is responsible for enforcing this chapter within its jurisdiction pursuant to an agreement shall use the data system prescribed by the director for activities governed by an agreement executed pursuant to this section.

5. The director shall monitor municipal corporations which have entered into an agreement pursuant to this section to determine if they are enforcing this chapter within their respective jurisdictions. If the director determines that this chapter is not enforced by a municipal corporation, the director may rescind the agreement after reasonable notice and an opportunity for a hearing. If the agreement is rescinded, the director shall assume responsibility for enforcement in the jurisdiction involved.

6. The inspection staff of a municipal corporation that has entered into an agreement with the director to enforce this chapter shall be required by the department to apply the current rules setting minimum standards to protect consumers from foodborne illness adopted pursuant to section 137F.2 to ensure consistency in application of the rules. A municipal corporation's failure to comply may result in the department rescinding the agreement with the municipal corporation, after reasonable notice and an opportunity for a hearing.

Referred to in §137F.1

137F.3A Municipal corporation inspections — contingent appropriation.

1. *a.* The department of inspections and appeals may employ additional full-time equivalent positions to enforce the provisions of this chapter and chapters 137C and 137D, with the approval of the department of management, if either of the following apply:

(1) A municipal corporation operating pursuant to a chapter 28E agreement with the department of inspections and appeals to enforce the chapters either fails to renew the agreement effective after April 1, 2007, or discontinues, after April 1, 2007, enforcement activities in one or more jurisdictions during the agreement time frame.

(2) The department of inspections and appeals cancels an agreement after April 1, 2007, due to noncompliance with the terms of the agreement.

b. Before approval may be given, the director of the department of management must have determined that the expenses exceed the funds budgeted by the general assembly for food inspections to the department of inspections and appeals. The department of inspections and appeals may hire no more than one full-time equivalent position for each six hundred inspections required pursuant to this chapter and chapters 137C and 137D.

2. Notwithstanding chapter 137D, and sections 137C.9 and 137F.6, if the conditions described in this section are met, fees imposed pursuant to that chapter and those sections shall be retained by and are appropriated to the department of inspections and appeals each fiscal year to provide for salaries, support, maintenance, and miscellaneous purposes associated with the additional inspections. The appropriation made in this subsection is not applicable in a fiscal year for which the general assembly enacts an appropriation made for the purposes described in this subsection.

2006 Acts, ch 1185, §46, 53; 2007 Acts, ch 215, §214, 221; 2009 Acts, ch 133, §39

For certain fiscal years, certain fees collected by the department of inspections and appeals as a result of licensing and registration activities under chapters 99B, 137C, 137D, and 137F shall be retained by the department for purposes of enforcing those chapters and certain fees collected on behalf of a municipal corporation shall be remitted to the municipal corporation; 2016 Acts, ch 1130, §12; 2017 Acts, ch 171, §13, 40; 2018 Acts, ch 1164, §11; 2019 Acts, ch 136, §13; 2020 Acts, ch 1121, §1

137F.4 License required.

A person shall not operate a food establishment or food processing plant to provide goods or services to the general public, or open a food establishment to the general public, until the appropriate license has been obtained from the regulatory authority. Sale of products at wholesale to outlets not owned by a commissary owner requires a food processing plant license. A license shall expire one year from the date of issue. A license is renewable if

application for renewal is made prior to expiration of the license or within sixty days of the expiration date of the license. All licenses issued under this chapter that are not renewed by the licensee on or before the expiration date shall be subject to a penalty of ten percent per month of the license fee if the license is renewed at a later date.

98 Acts, ch 1162, §9, 30; 2018 Acts, ch 1144, §11, 16

Referred to in §135.16A

137F.5 Application for license.

1. An application form prescribed by the department for a license under this chapter shall be obtained from the department or from a municipal corporation which is a regulatory authority. A completed application shall be submitted to the appropriate regulatory authority.

2. A person conducting an event shall submit a license application and an application fee of fifty dollars to the appropriate regulatory authority at least sixty days in advance of the event. An “*event*” for purposes of this subsection does not include a function with ten or fewer temporary food establishments, a fair as defined in section 174.1, or a farmers market.

3. The dominant form of business shall determine the type of license for establishments which engage in operations covered under both the definition of a food establishment and of a food processing plant.

4. The regulatory authority where the unit is domiciled shall issue a license for a mobile food unit.

98 Acts, ch 1162, §10, 30; 2017 Acts, ch 54, §76; 2018 Acts, ch 1144, §12, 16

137F.6 License fees.

1. The regulatory authority shall collect the following annual license fees:

a. For a mobile food unit or pushcart, two hundred fifty dollars.

b. For a temporary food establishment per fixed location for a single event, fifty dollars.

c. For a temporary food establishment for multiple nonconcurrent events during a calendar year, one annual license fee of two hundred dollars for each establishment on a countywide basis.

d. For a vending machine, fifty dollars for the first machine and ten dollars for each additional machine.

e. For a food establishment which prepares or serves food for individual portion service intended for consumption on-the-premises, the annual license fee shall correspond to the annual gross food and beverage sales of the food establishment, as follows:

(1) Annual gross sales of less than one hundred thousand dollars, one hundred fifty dollars.

(2) Annual gross sales of at least one hundred thousand dollars but less than five hundred thousand dollars, three hundred dollars.

(3) Annual gross sales of five hundred thousand dollars or more, four hundred dollars.

f. For a food establishment which sells food or food products to consumer customers intended for preparation or consumption off-the-premises, the annual license fee shall correspond to the annual gross food and beverage sales of the food establishment, as follows:

(1) Annual gross sales of less than two hundred fifty thousand dollars, one hundred fifty dollars.

(2) Annual gross sales of at least two hundred fifty thousand dollars but less than seven hundred fifty thousand dollars, three hundred dollars.

(3) Annual gross sales of seven hundred fifty thousand dollars or more, four hundred dollars.

g. For a food processing plant, the annual license fee shall correspond to the annual gross food and beverage sales of the food processing plant, as follows:

(1) Annual gross sales of less than two hundred thousand dollars, one hundred fifty dollars.

(2) Annual gross sales of at least two hundred thousand dollars but less than two million dollars, three hundred dollars.

(3) Annual gross sales of two million dollars or more, five hundred dollars.

h. For a farmers market where time/temperature control for safety food is sold or

distributed, one annual license fee of one hundred fifty dollars for each vendor on a countywide basis.

i. For a certificate of free sale or sanitation, thirty-five dollars for the first certificate and ten dollars for each additional identical certificate requested at the same time.

j. For a food establishment covered by both paragraphs “e” and “f”, the applicant shall pay the licensee fee based on the dominant form of business plus one hundred fifty dollars.

k. For an unattended food establishment, the annual license fee shall correspond to the annual gross food and beverage sales, as follows:

(1) Annual gross sales of less than one hundred thousand dollars, seventy-five dollars.

(2) Annual gross sales of one hundred thousand dollars or more, one hundred fifty dollars.

2. Fees collected by the department shall be deposited in the general fund of the state. Fees collected by a municipal corporation shall be retained by the municipal corporation for regulation of food establishments and food processing plants licensed under this chapter.

3. Each vending machine licensed under this chapter shall bear a readily visible identification tag or decal provided by the licensee, containing the licensee’s business address and phone number, and a company license number assigned by the regulatory authority.

98 Acts, ch 1162, §11, 30; 2002 Acts, ch 1149, §2, 3; 2003 Acts, ch 108, §128, 132; 2007 Acts, ch 215, §215; 2009 Acts, ch 133, §40; 2012 Acts, ch 1064, §2, 3; 2018 Acts, ch 1144, §13, 14, 16
Referred to in §137E.3A

137E.7 Suspension or revocation of licenses.

1. The regulatory authority may suspend or revoke a license issued to a person under this chapter pursuant to rules adopted by the department if any of the following occurs:

a. The person’s food establishment or food processing plant does not conform to a provision of this chapter or a rule adopted pursuant to this chapter.

b. The person conducts an activity constituting a criminal offense in the food establishment or food processing plant and is convicted of a serious misdemeanor or a more serious offense as a result.

2. A licensee may appeal a suspension or revocation in accordance with rules adopted by the department.

98 Acts, ch 1162, §12, 30; 2009 Acts, ch 41, §263

137E.8 Farmers markets.

A vendor who offers a product for sale at a farmers market shall have the sole responsibility to obtain and maintain any license required to sell or distribute the product.

98 Acts, ch 1162, §13, 30

137E.8A Stand operated by a minor.

A municipal corporation or regulatory authority shall not adopt or enforce an ordinance or rule that requires a license, permit, or fee to sell or otherwise distribute food at a stand operated by a minor.

2020 Acts, ch 1084, §3

NEW section

137E.9 Operation without inspection prohibited.

1. A person shall not open or operate a food establishment or food processing plant until an inspection has been made and a license has been issued by the regulatory authority. Inspections shall be conducted according to standards adopted by rule of the department pursuant to chapter 17A.

2. A person who opens or operates a food establishment or food processing plant without a license is subject to a penalty of up to twice the amount of the annual license fee.

98 Acts, ch 1162, §14, 30

137E.10 Regular inspections.

The appropriate regulatory authority shall provide for the inspection of each food establishment and food processing plant in this state in accordance with this chapter and

with rules adopted pursuant to this chapter in accordance with chapter 17A. A regulatory authority may enter a food establishment or food processing plant at any reasonable hour to conduct an inspection. The manager or person in charge of the food establishment or food processing plant shall afford free access to every part of the premises and render all aid and assistance necessary to enable the regulatory authority to make a thorough and complete inspection. As part of the inspection process, the regulatory authority shall provide an explanation of the violation or violations cited and provide guidance as to actions for correction and elimination of the violation or violations.

98 Acts, ch 1162, §15, 30; 2007 Acts, ch 215, §216

137F.11 Inspection upon complaint.

Upon receipt of a complaint by a customer of a food establishment or food processing plant stating facts indicating the premises are in an unsanitary condition, the regulatory authority may conduct an inspection.

98 Acts, ch 1162, §16, 30

137F.11A Posting of inspection reports.

An establishment inspected under this chapter shall post the most recent routine inspection report, along with any current complaint or reinspection reports, in a location at the establishment that is readily visible to the public.

2007 Acts, ch 215, §217

137F.12 Plumbing.

A food establishment or food processing plant shall have an adequately designed plumbing system conforming to at least the minimum requirements of the state plumbing code, or local plumbing code, whichever is more stringent. The plumbing system shall have a connection to a municipal water and sewer system or to a benefited water district or sanitary district if such facilities are available.

98 Acts, ch 1162, §17, 30

137F.13 Water and waste treatment.

If a food establishment or food processing plant is served by privately owned water or waste treatment facilities, those facilities shall meet the technical requirements of the local board of health and the department of natural resources.

98 Acts, ch 1162, §18, 30

137F.14 Toilets and lavatories.

A food establishment or food processing plant shall provide toilet and lavatory facilities in accordance with rules adopted by the department pursuant to this chapter in accordance with chapter 17A.

98 Acts, ch 1162, §19, 30

137F.15 Fire safety.

A violation of a fire safety rule adopted pursuant to section 100.35 and applicable to food establishments or food processing plants which occurs on the premises of a food establishment or food processing plant is a violation of this chapter.

98 Acts, ch 1162, §20, 30

137F.16 Conflicts with state building code.

Provisions of this chapter in conflict with the state building code, as adopted pursuant to section 103A.7, shall not apply where the state building code has been adopted or when the state building code applies throughout the state.

98 Acts, ch 1162, §21, 30; 2004 Acts, ch 1086, §40

137F.17 Penalty. Repealed by 2018 Acts, ch 1144, §15, 16.

137F.18 Injunction.

A person opening or operating a food establishment or food processing plant in violation of this chapter may be enjoined from further operation of the establishment or plant. If an imminent health hazard exists, the establishment or plant must cease operation. Operation shall not be resumed until authorized by the regulatory authority.

98 Acts, ch 1162, §23, 30

137F.19 Duty of county or city attorney.

The county attorney in each county or city attorney in each city shall assist in the enforcement of this chapter.

138.4	Permit not assignable.	138.14	Communicable diseases reported.
138.5	Revocation or suspension of permit.	138.15	Notice of intent to construct or alter a camp.
138.6	Notice of intention.	138.16	Cleanliness and repair required.
138.7	Appeal to director.	138.17	Rental charges or wage deductions.
138.8	Place — evidence — record.	138.18	Rules promulgated.
138.9	Liberal rules to prevail.	138.19	Penalties.
138.10	Judicial review.		

138.1 Definitions.

When used in this chapter unless the context otherwise requires:

1. “*Camp operator*” means the person who has been granted a permit, in accordance with the provisions of this chapter, to operate a migrant labor camp, or portion thereof.
2. “*Chemical toilet*” means a nonwater carriage toilet facility where human waste is collected in a container charged with a chemical solution for the purpose of disinfecting and deodorizing such waste.
3. “*Communicable disease*” means any of those diseases regulated by state or local communicable disease laws, ordinances, or regulations.
4. “*Department*” means the Iowa department of public health.
5. “*Director*” means the director of public health or the director’s designee.
6. “*Garbage*” means all putrescible animal or vegetable wastes resulting from the handling, preparation, cooking, or consumption of food at a migrant labor camp.
7. “*Migrant*” means any individual who customarily and repeatedly travels from state to state for the purpose of obtaining seasonal employment in agriculture, including the spouse and children of such individuals, whether or not authorized by law to engage in such employment.
8. “*Migrant labor camp*” means one or more buildings, structures, shelters, tents, trailers, or vehicles or any other structure or a combination thereof together with the land appertaining thereto, established, operated, or maintained as living quarters for seven or more migrants or two or more shelters. A camp shall include such land or quarters separate from one another if the migrants housed therein work at any time for the same person and the total number of migrants in all such camps is seven or more. Such separate camps shall constitute a portion of a migrant labor camp.
9. “*Person*” means an individual, group of individuals, firm, association, partnership, or corporation.

10. “*Privy*” means a portable or fixed sanitary facility used for excretion in a shelter separate and apart from any building and without water-borne disposal.

11. “*Refuse*” means all putrescible and nonputrescible solid waste except human body wastes, including garbage, rubbish, and ashes.

12. “*Service building*” means any building provided for the common use, welfare, and comfort of persons occupying or using the migrant labor camp.

13. “*Shelter*” means any conventional or unconventional building of one or more rooms, or any tent, trailer, railroad car, or any other enclosure or structure used for sleeping or living purposes.

14. “*Toilet room*” means an enclosure containing one or more toilet facilities or water closet facilities.

15. “*Urinal*” means a sanitary fixture or structure installed for the purpose of urination.

16. “*Water closet*” means a sanitary fixture, within a toilet room, used for excretion and equipped with a bowl and device for flushing the bowl contents into a disposal system.

[C71, 73, 75, 77, 79, 81, §138.1]

138.2 Permit required.

No person shall establish, maintain, or operate a migrant labor camp, or portion thereof, directly or indirectly, until the person has obtained a permit to operate such camp from the department and unless the permit is in full force and effect and is posted and remains posted in the camp, or portion thereof, to which it applies at all times during the maintenance and operation of such camp.

[C71, 73, 75, 77, 79, 81, §138.2]

138.3 Written application.

Written application to operate a migrant labor camp, or portion thereof, shall be made to the department upon forms approved by the department at least sixty days prior to the first day of the intended operation of such camp. The application shall state the name and address of the person requesting a permit; and name and address of the owner of the camp, or portion thereof; approximate number of persons to be lodged in such camp; approximate period during which the migrant labor camp, or portion thereof, is to be operated; the location of such camp, or portion thereof; and any other information required by the department. A separate application shall be submitted for each camp, or portion thereof, and a separate permit shall be issued annually for each such camp, or portion thereof.

[C71, 73, 75, 77, 79, 81, §138.3]

138.4 Permit not assignable.

If the department finds, after investigation, that the migrant labor camp, or portion thereof, conforms to the minimum standards required by this chapter, it shall issue a permit for operation of such camp, or portion thereof. A permit shall not be assignable or transferable. It shall expire one year after the date of issuance, or upon a change of operator of the camp or upon revocation.

[C71, 73, 75, 77, 79, 81, §138.4]

138.5 Revocation or suspension of permit.

If the holder of any permit under the provisions of this chapter fails to maintain and operate a migrant labor camp in accordance with the provisions of this chapter and the rules of the department relating thereto, the director shall revoke or suspend the permit for the operation and maintenance of such camp.

[C71, 73, 75, 77, 79, 81, §138.5]

138.6 Notice of intention.

The director shall serve written notice upon the holder of the permit, by restricted certified mail, return receipt requested, specifying the manner in which the holder of the permit has failed to comply with the provisions of this chapter or any rules of the department and shall fix a reasonable time within which the objectionable condition or conditions must be removed or

corrected. If the holder of the permit fails to remove or correct such objectionable condition or conditions within the time fixed by the director, the director shall revoke or suspend such permit. However, if the objectionable condition or conditions endanger the health, safety, or welfare of any inhabitants of a migrant labor camp, the director shall immediately suspend or revoke such permit.

[C71, 73, 75, 77, 79, 81, §138.6]

138.7 Appeal to director.

When any person applying for a permit to operate a migrant labor camp is denied a permit, or when a permit is suspended or revoked, such person may appeal such denial, suspension, or revocation to the director. The director, after reasonable notice to all interested parties, shall hold a hearing upon such denial, suspension, or revocation. At the hearing all parties involved shall be entitled to be present and represented by counsel and to present such evidence as they desire as to why a permit should, or should not, be issued, suspended, or revoked. The director shall render a decision within thirty days after the termination of the hearing, and a copy of the decision shall be sent by restricted certified mail, return receipt requested, to all parties given notice of the appeal and hearing. Notice of appeal shall be sent in writing to the department by restricted certified mail, return receipt requested, by the aggrieved party. In the event such appeal is taken from a notice of suspension or revocation, such appeal shall be made prior to the date set for such suspension or revocation.

[C71, 73, 75, 77, 79, 81, §138.7]

138.8 Place — evidence — record.

The hearing shall be conducted at the office of the department or at such other place convenient for the aggrieved party or for the attendance of witnesses and receipt of evidence. The director, when requested in writing by any party to the appeal, shall compel by subpoena the attendance and testimony of witnesses and the production of books, papers, and documents. All testimony and evidence shall be received under oath administered by the director. In the event any party fails to attend who has been properly served with a subpoena, application shall be made to the district court in the county where such hearing is to be held, to enforce the subpoena issued by the director. The director shall cause a record of the proceedings at the hearing to be kept and shall provide any interested party to the hearing a transcript of the evidence presented, upon payment of the cost thereof. The hearing may be continued from time to time at the discretion of the director.

[C71, 73, 75, 77, 79, 81, §138.8]

138.9 Liberal rules to prevail.

Technical errors in the proceeding or failure to observe the technical rules of evidence shall not constitute grounds for reversal of any decision unless it shall appear to the reviewing court that such error or failure materially affects the rights of any party and results in substantial injustice to any interested party.

[C71, 73, 75, 77, 79, 81, §138.9]

138.10 Judicial review.

Judicial review of actions of the director may be sought in accordance with the terms of the Iowa administrative procedure Act, chapter 17A. Notwithstanding the terms of said Act, petitions for judicial review may be filed in the district court of the county wherein the license was to be issued or wherein such license is to be revoked or suspended, and such a petition for judicial review shall not operate to stay any order or final determination of the director unless the district court finds upon hearing after reasonable notice to all interested parties, that substantial damage would result to the appealing party unless such order or final determination was stayed and such a stay would not endanger the health, safety, or welfare of any inhabitants of a migrant labor camp.

[C71, 73, 75, 77, 79, 81, §138.10]

2003 Acts, ch 44, §114

138.11 Access to camp for inspection.

The director may enter and inspect migrant labor camps at any reasonable time and may question persons, and investigate facts, conditions, practices, or any other matters as are necessary or appropriate to determine compliance with the provisions of this chapter and any rules made pursuant to this chapter, or in the formulation of any additional rules. The director may, to the extent appropriate, utilize the services of any other state department or agency or any local agency for assistance in inspections and investigations.

[C71, 73, 75, 77, 79, 81, §138.11]

138.12 Variations permitted.

1. The director may grant written permission to individual camp operators to vary from the provisions of this chapter or the rules of the department when the extent of the variation is clearly specified and it is demonstrated to the director's satisfaction that:

- a. Such variation is necessary to obtain a beneficial use of an existing facility.
- b. The variation is necessary to prevent a substantial difficulty or unnecessary hardship.
- c. Appropriate alternative measures have been taken to protect the health, safety, and welfare of any inhabitants of a migrant labor camp and assure that the purpose of the provisions for which variation is sought will be observed.

2. Written application for such variations shall be filed with the director and local board of health serving the area in which the migrant labor camp is situated. No such variation shall be effective until granted in writing by the director.

[C71, 73, 75, 77, 79, 81, §138.12]

2009 Acts, ch 41, §263

138.13 Conditions for permit.

To be eligible for a permit, a migrant labor camp, or portion thereof, shall meet each and all of the following requirements:

1. *Site.*

a. Sites for migrant labor camps shall be adequately drained. Such sites shall not be subject to periodic flooding, nor located within two hundred feet of swamps, pools, sinkholes, or other quiescent surface collections of water unless the water surfaces can be subjected to mosquito and pest control measures. Sites shall be located so that drainage from and through the camp will not endanger any domestic or public water supply. Sites shall be graded, ditched, and rendered free from depressions in which water may collect and become a nuisance.

b. Sites shall be adequate in size to prevent overcrowding of necessary structures and to minimize the hazards of fire. Housing shall not be subject to, or in proximity to, conditions that create or are likely to create offensive odors, flies, noise, traffic, or attract rats or other rodents, or any other similar conditions.

c. The grounds and open areas surrounding the shelters, buildings, or structures, shall be maintained in a clean and sanitary condition free from rubbish, debris, wastepaper, garbage, and other refuse.

d. All camps shall provide space for recreation, commensurate with size of the camp and type of occupancy.

e. Whenever a camp is permanently closed or closed for the season, all garbage, manure, and other refuse shall be collected and disposed of to prevent a nuisance. All abandoned privy pits shall be filled with earth and the grounds and buildings left in a clean and sanitary condition. If privy buildings remain, then such buildings shall be locked or otherwise secured to prevent entrance.

2. *Shelter.*

a. Shelters shall be structurally sound and shall provide protection to the occupants.

b. At least one-half of the floor area in each living unit shall have a minimum ceiling height of seven feet. No floor space shall be counted toward minimum requirements where the ceiling height is less than five feet.

c. Sleeping facilities shall be provided for each person. Such facilities shall consist of comfortable beds, cots, or bunks, provided with clean mattresses.

- d. Any bedding provided by the camp operator shall be clean and sanitary.
 - e. Triple deck bunks shall not be allowed.
 - f. The clear space above the top of the lower mattress of a double deck bunk and the bottom of the upper bunk shall be a minimum of twenty-seven inches. The distance from the top of the upper mattress to the ceiling shall be a minimum of thirty-six inches.
 - g. Beds used for double occupancy may be provided only in family accommodations.
 - h. Floors of buildings used as living quarters or shelters shall be constructed of wood, asphalt, concrete, or other comparable material. Wooden floors shall be of smooth and tight construction and shall be elevated not less than one foot above the ground level at all points to prevent dampness and to permit free circulation of air beneath. Floors shall be kept in good repair.
 - i. Nothing in this chapter shall prohibit banking with earth or other suitable material around the outside walls of shelters and other structures in areas subject to extremely low temperatures.
 - j. Living quarters of shelters shall be provided with windows and doors which shall be in total area not less than one-tenth of the floor area. At least one-half of each window shall be constructed so that it can be opened for purposes of ventilation.
 - k. Exterior openings shall be effectively screened with sixteen mesh material. Screen doors shall be equipped with self-closing devices.
 - l. In a room where people cook, live, and sleep, a minimum of sixty square feet per occupant shall be provided. Sanitary facilities shall be provided for storing and preparing food.
 - m. When a camp is operated during a season requiring artificial heating, living quarters with a minimum of one hundred square feet per occupant shall be provided and such living quarters or shelters shall, also, be provided with properly installed heating equipment of adequate capacity to maintain a room temperature of at least 70 degrees Fahrenheit. A stove or other source of heat shall be installed and vented in a manner to avoid both a fire hazard and a concentration of fumes or gas within such living quarters and shelters. In a room with wooden or combustible flooring, there shall be a concrete slab, metal sheet, or other fire-resistant material, on the floor under each stove, extending at least eighteen inches beyond the perimeter of the base of the stove. Any wall or ceiling not having a fire-resistant surface, within twenty-four inches of a stove or stovepipe, shall be protected by a metal sheet or other fire-resistant material. Heating appliances, other than electrical, shall be provided with a stovepipe or vent connected to the appliance and discharging to the outside air or chimney. The vent or chimney shall extend above the peak of the roof. Stovepipes shall be insulated with fire-resistant material where they pass through walls, ceilings, or floors.
3. *Water supply.*
- a. An adequate and convenient water supply, approved by the department, shall be provided in each camp for drinking, cooking, bathing, and laundry purposes.
 - b. Each water supply shall be inspected at the time of occupancy of the camp and as frequently thereafter as is necessary to insure its continued suitability.
 - c. Distribution lines shall be capable of supplying water at normal operating pressures to all fixtures for simultaneous operation. Water outlets shall be distributed throughout the camp in such a manner that no shelter or living quarter is more than one hundred feet from a yard hydrant if water is not piped to the shelters.
 - d. A cold water tap shall be available within one hundred feet of each individual living unit when water is not provided in the unit. Adequate drainage facilities shall be provided for overflow and spillage.
 - e. Common drinking cups shall not be allowed or permitted.
 - f. Wells or springs used as sources of water supply shall have tight covers and be constructed and located to preclude pollution by seepage from cesspools, privies, sewers, sewage treatment works, stables or manure piles, or surface drainage. The water from such sources shall be obtained by free gravity flow or by an approved metal pump securely mounted on a concrete slab covering the well or spring. If the pump is adjacent to the well or spring, it shall be located and connected to prevent any pollution of such water supply.
4. *Toilet facilities.*

- a. Approved toilet facilities adequate for the capacity of the camp shall be provided.
 - b. Each toilet facility shall be located so as to be accessible to the inhabitants of the camp without any individual passing through any sleeping room. Toilet rooms shall have a window not less than six square feet in area opening directly to the outside or shall otherwise be satisfactorily ventilated. All outside openings shall be screened with sixteen mesh material. No water closet, chemical toilet, or urinal shall be located in a room used for other than toilet purposes.
 - c. A toilet room shall be located within two hundred feet of each sleeping room. No privy existing on May 23, 1969, shall be nearer than fifty feet from any sleeping room, dining room, lunch area, or kitchen. No privy constructed after May 23, 1969, shall be nearer than one hundred feet from any sleeping room, dining room, lunch area, or kitchen.
 - d. Separate facilities shall be provided for men and women and such facilities shall be clearly marked by signs printed in English and in the native language of the persons occupying the camp, or marked with easily understood pictures or symbols, when men and women, not members of the same immediate family, are housed in the same camp.
 - e. Where toilet facilities are shared, the number of water closets or privy seats provided for each sex shall be based on the maximum number of persons of that sex which the camp is designed to house at any one time, in the ratio of one unit for each fifteen persons, with a minimum of two units for any shared facility.
 - f. Urinals, constructed of nonabsorbent materials, may be substituted for men's toilet seats on the basis of one urinal or twenty-four inches of trough-type urinal for one toilet seat up to a maximum of one-third of the required toilet seats.
 - g. Each toilet room or facility shall be lighted naturally, or artificially, by a safe type of lighting at all hours of the day and night.
 - h. An adequate supply of toilet paper shall be provided in each privy, water closet, or chemical toilet compartment.
 - i. Toilet seats, privies, and toilet rooms or facilities shall be kept in a sanitary condition and cleaned daily.
 - j. Each privy shall have a pit initially at least five feet deep.
 - k. Privy pits shall be constructed and maintained so that flies cannot gain access to the human waste.
 - l. A privy pit shall not be filled with human waste to a point nearer than one foot from the surface of the ground; the human waste in the pit shall then be covered with earth, ashes, lime, or other similar material.
 - m. Seat openings in privies shall be covered with tight-fitting, hinged lids.
5. *Sewage disposal facilities.*
 - a. In camps where public sewers are available, all sewer lines and floor drains from buildings and shelters shall be connected to the sewers.
 - b. All human waste, sewage, or liquid waste from camps not discharged into public sewers shall be disposed of in accordance with the provisions of this chapter or the rules of the department.
 6. *Laundry, handwashing, and bathing facilities.*
 - a. Laundry, handwashing, and bathing facilities shall be provided as follows:
 - (1) One handwash basin for each immediate family shelter or dwelling for every fifteen individuals or fraction thereof in shared facilities.
 - (2) One shower head for every fifteen or fraction thereof individuals. Separate facilities for men and women shall be provided in shared facilities.
 - (3) One laundry tray or tub for every twenty-five persons or fraction thereof.
 - (4) One slop sink in each building used for laundry, handwashing, or bathing.
 - b. Floors shall be of smooth finish but not of slippery materials and they shall be impervious to moisture. Floor drains shall be provided in all shower baths, shower rooms, or laundry rooms to remove waste water and facilitate cleaning. Junctions of the curbing and the floor shall be covered. Walls and partitions of shower rooms shall be smooth and impervious to moisture to the height of splash.
 - c. A supply of hot and cold running water conforming to the provisions of this chapter

or the rules and regulations of the department shall be provided for bathing and laundry purposes.

d. Every service building used during periods requiring artificial heating shall be provided with equipment capable of maintaining a room temperature of at least 70 degrees Fahrenheit.

e. Facilities for drying clothes shall be provided.

f. Service buildings shall be kept clean.

g. Waste water shall be disposed of so as not to form pools on the ground nor create a nuisance, nor pollute any drinking water supply. Toilet drainage shall be carried through a covered drain into a covered septic tank that conforms to standards established by the department.

7. *Lighting.*

a. All housing sites, quarters, and shelters shall be provided with electric service.

b. Each habitable room and common use rooms, and areas including, but not limited to, laundry rooms, toilets, privies, hallways, and stairways shall contain adequate ceiling or wall-type light fixtures. At least one wall-type electrical convenience outlet shall be provided in each individual living room.

c. Adequate lighting shall be provided for the yard area and pathways to common use facilities.

d. All wiring and lighting fixtures shall be installed and maintained in a safe condition.

e. Where electric service is not available, gas lighting will be acceptable. Hallways and stairways to upper floors shall be lighted at night. Electric lighting shall be provided in all camps or additions to camps constructed after May 23, 1969.

8. *Refuse disposal.*

a. Durable, fly-tight, clean containers in good condition of a minimum capacity of twenty gallons, shall be provided adjacent to each housing unit or shelter for the storage of garbage and other refuse. Such containers shall be provided in a minimum ratio of one per fifteen persons or fraction thereof.

b. Provisions shall be made for collection of refuse at least twice a week, or more often if necessary.

c. The disposal of refuse shall be in accordance with state and local laws.

9. *Construction and operation of kitchens, dining halls, and feeding facilities.*

a. Every camp shall be provided with adequate gas stoves or electrical stoves for cooking.

b. Utensils in which food is prepared or kept, or from which food is to be eaten, and implements used in the preparation and eating of food shall be kept in a clean, unbroken, and sanitary condition.

c. Adequate refrigeration for perishable foods, cooked or raw, shall be provided in every kitchen or wherever food is prepared. Tables, benches, or chairs shall be provided.

d. Cooking of meals by an immediate family unit within its assigned living quarters may be permitted, provided that safe and adequate areas are available, but a separate kitchen in each shelter is desirable.

e. In camps where cooking facilities are used in common, stoves, in ratio of one stove to ten persons or one stove to two immediate families or fraction thereof, shall be provided in a central kitchen room or building separate and distinct from sleeping quarters and toilet facilities. Floors, walls, ceilings, tables and shelves of kitchens, dining rooms, refrigerators and food storage rooms shall be constructed so that they can always be maintained in a clean and sanitary condition. Exterior wall openings of all rooms shall be screened and rendered fly-tight at all times during the period that the camp is in operation. Screen doors shall be self-closing and installed to open outward from the area to be protected.

f. In camps where meals are furnished by the operator, manager, or concessionaire, the requirements of the department shall be met.

g. No person with any communicable or venereal disease shall be employed or permitted to work at preparation, cooking, serving, or other handling of food, foodstuffs, or other materials, in any kitchen or dining room operated in connection with a camp or regularly used by persons living in a camp.

10. *Insect and rodent control.*

a. Effective measures shall be taken to control rats, mice, flies, mosquitoes; bedbugs, and all other insects, rodents, and parasites within the camp premises.

b. Pesticides and pest control equipment shall be stored and used in a safe manner.

11. *Safety and fire prevention.*

a. No flammable or volatile liquids or materials shall be stored in or adjacent to rooms used for living purposes, except for those needed for current household use.

b. First aid facilities shall be provided and readily accessible for use at all times. Such facilities shall be equivalent to the sixteen unit first aid kit recommended by the American Red Cross, and provided in a ratio of one per fifty persons or fraction thereof.

c. Buildings and structures of a camp shall be maintained and used in accordance with state and local law relative to fire prevention.

d. Units of approved fire-extinguisher equipment shall be located so that a person will not have to travel more than one hundred feet from any point to reach the nearest unit, and at least one unit shall be provided for each one thousand square feet of floor space or fraction thereof.

e. Appliances of the type, number, and size indicated below shall constitute one unit of fire-extinguisher equipment:

(1) *Soda and acid.* One appliance of two and one-half gallon capacity, or two appliances of one and one-half gallon capacity in each appliance.

(2) *Foam.* One appliance of two and one-half gallon capacity, or two appliances of one and one-half gallon capacity in each appliance.

(3) *Water type.* One stored pressure appliance of two and one-half gallon capacity, or two pump-type appliances of five gallon capacity.

f. Fire fighting equipment shall be maintained in good operating condition so that it may be used instantly when the need arises.

g. Adult occupants shall be properly instructed in fire prevention and in the proper use of equipment.

h. Agricultural pesticides and toxic chemicals shall not be stored in the housing area.

[C71, 73, 75, 77, 79, 81, §138.13]

2013 Acts, ch 30, §35, 36

138.14 Communicable diseases reported.

The camp operator shall report immediately to the local board of health the name and address of any individual in the camp known to have or suspected of having a communicable disease. Whenever there shall occur in any camp, or portion thereof, a case of suspected food poisoning or an unusual prevalence of any illness in which fever, diarrhea, sore throat, vomiting, or jaundice is a prominent symptom, the camp operator shall report immediately the existence of the condition to the local board of health and the director.

[C71, 73, 75, 77, 79, 81, §138.14]

138.15 Notice of intent to construct or alter a camp.

Any person who is planning to construct, reconstruct, or enlarge a camp or any portion thereof, or facility of a camp, or to convert a property for use or occupancy as a camp, shall give notice in writing of the person's intent to do so to the director at least fifteen days prior to the date of the commencement of any major construction, reconstruction, enlargement, or conversion. The notice shall give the name of the city, village, and county in which the property is located; the location of the property within that area; a brief description of the proposed major construction, reconstruction, enlargement, or conversion; the name and mailing address of the person giving such notice; and the person's telephone number. The director, upon receipt of such notice, shall promptly send to such person by ordinary mail a copy of this chapter and all rules of the department applicable to migrant labor camps.

[C71, 73, 75, 77, 79, 81, §138.15]

138.16 Cleanliness and repair required.

Every migrant or inhabitant of a migrant labor camp shall use the sanitary and other facilities provided and shall keep that part of the living quarters or shelter which the

migrant’s or inhabitant’s immediate family occupies and controls as well as the premises immediately adjacent thereto in a clean condition comparable to normal domestic standards. Every camp operator or permit holder shall be responsible for the providing of and proper maintenance and repair of the premises, all shelters, structures, facilities, and service buildings of the camp, or portion thereof, for which the camp operator or permit holder was issued a permit as well as proper garbage and refuse collection, privy openings and closings, maintenance of water supply, pest and rodent control, toilet facilities, sewage disposal, laundry, handwashing and bathing facilities, lighting, operation of common kitchens, dining halls, and feeding facilities, and safety and fire prevention.

[C71, 73, 75, 77, 79, 81, §138.16]

138.17 Rental charges or wage deductions.

A rental charge or deduction from any wages due a migrant shall not be made by any camp operator or person for providing any of the facilities required by this chapter unless such migrant is fully informed of all such rental charges or deductions to be made prior to the time the migrant contracts for employment as an agricultural or migrant worker.

[C71, 73, 75, 77, 79, 81, §138.17]

138.18 Rules promulgated.

The director shall make such rules necessary for carrying out the purposes and provisions of this chapter, subject to the requirements of chapter 17A.

[C71, 73, 75, 77, 79, 81, §138.18]

138.19 Penalties.

Any person failing to comply with any provision of this chapter, or with any rule or order issued pursuant to the provisions of this chapter, or interfering with, impeding, or obstructing in any manner, the director, department, or any of its employees in the performance of official duties pursuant to this chapter, shall be guilty of a simple misdemeanor. If any person further fails to comply with any provisions of this chapter, or with any rule or order issued pursuant to the provisions of this chapter, the director shall enforce such provision, rule, or order by filing an action for injunction against such person in the district court in the county wherein such violation or violations occur.

SUBCHAPTER II

CONTROL OF SEXUALLY TRANSMITTED DISEASES AND INFECTIONS

SUBCHAPTER I

GENERAL PROVISIONS

139A.1 Title.

This chapter shall be known as the “*Communicable and Infectious Disease Reporting and Control Act*”.

2000 Acts, ch 1066, §1

139A.2 Definitions.

For purposes of this chapter, unless the context otherwise requires:

1. “*Area quarantine*” means prohibiting ingress and egress to and from a building or buildings, structure or structures, or other definable physical location, or portion thereof, to prevent or contain the spread of a suspected or confirmed quarantinable disease or to prevent or contain exposure to a suspected or known chemical, biological, radioactive, or other hazardous or toxic agent.

2. “*Business*” means and includes every trade, occupation, or profession.

3. “*Care provider*” means an individual who is trained and authorized by federal or state law to provide health care services or services of any kind in the course of the individual’s official duties, for compensation or in a voluntary capacity, who is a health care provider, emergency medical care provider as defined in section 147A.1, fire fighter, or peace officer. “*Care provider*” also means an individual who renders emergency care or assistance in an emergency or due to an accident as described in section 613.17.

4. “*Communicable disease*” means any disease spread from person to person or animal to person.

5. “*Contagious or infectious disease*” means hepatitis in any form, meningococcal disease, AIDS or HIV as defined in section 141A.1, tuberculosis, and any other disease determined to be life-threatening to a person exposed to the disease as established by rules adopted by the department, based upon a determination by the state epidemiologist and in accordance with guidelines of the centers for disease control and prevention of the United States department of health and human services.

6. “*Department*” means the Iowa department of public health.

7. “*Designated officer*” means a person who is designated by a department, agency, division, or service organization to act as an infection control liaison officer.

8. “*Exposure*” means a specific eye, mouth, other mucous membrane, nonintact skin, or parenteral contact with blood or other potentially infectious bodily fluids.

9. “*Exposure-prone procedure*” means a procedure performed by a health care provider which presents a recognized risk of percutaneous injury to the health care provider and if such an injury occurs, the health care provider’s blood is likely to contact a patient’s body cavity, subcutaneous tissues, or mucous membranes, or an exposure-prone procedure as defined by the centers for disease control and prevention of the United States department of health and human services.

10. “*HBV*” means hepatitis B virus.

11. “*Health care facility*” means a health care facility as defined in section 135C.1, an ambulatory surgical center, or a clinic.

12. “*Health care provider*” means a person licensed to practice medicine and surgery, osteopathic medicine and surgery, chiropractic, podiatry, nursing, dentistry, optometry, or as a physician assistant, dental hygienist, or acupuncturist.

13. “*HIV*” means HIV as defined in section 141A.1.

14. “*Hospital*” means hospital as defined in section 135B.1.

15. “*Isolation*” means the separation of persons or animals presumably or actually infected with a communicable disease or who are disease carriers for the usual period of communicability of that disease in such places, marked by placards if necessary, and under such conditions as will prevent the direct or indirect conveyance of the infectious agent or contagion to susceptible persons.

16. “*Local board*” means the local board of health.

17. “*Local department*” means the local health department.

18. “*Placard*” means a warning sign to be erected and displayed on the periphery of a quarantine area, forbidding entry to or exit from the area.

19. “*Public health disaster*” means public health disaster as defined in section 135.140.

20. “*Quarantinable disease*” means any communicable disease designated by rule adopted by the department as requiring quarantine or isolation to prevent its spread.

21. “*Quarantine*” means the limitation of freedom of movement of persons or animals that have been exposed to a quarantinable disease within specified limits marked by placards for a period of time equal to the longest usual incubation period of the disease in such manner as to prevent the spread of a quarantinable disease which affects people.

22. “*Reportable disease*” means any disease designated by rule adopted by the department requiring its occurrence to be reported to an appropriate authority.

23. “*Sexually transmitted disease or infection*” means a disease or infection as identified by rules adopted by the department, based upon a determination by the state epidemiologist and in accordance with guidelines of the centers for disease control and prevention of the United States department of health and human services.

24. “*Significant exposure*” means a situation in which there is a risk of contracting disease through exposure to a person’s infectious bodily fluids in a manner capable of transmitting an infectious agent as determined by the centers for disease control and prevention of the United States department of health and human services and adopted by rule of the department.

25. “*Terminal cleaning*” means cleaning procedures defined in the isolation guidelines issued by the centers for disease control and prevention of the United States department of health and human services.

2000 Acts, ch 1066, §2; 2001 Acts, ch 24, §29; 2001 Acts, ch 157, §1 – 3; 2003 Acts, ch 33, §9, 11; 2004 Acts, ch 1168, §6; 2006 Acts, ch 1079, §2; 2008 Acts, ch 1088, §141; 2011 Acts, ch 63, §18, 19

Referred to in §135.144, 141A.9, 356.48

139A.3 Reports to department — immunity — confidentiality — investigations.

1. The health care provider or public, private, or hospital clinical laboratory attending a person infected with a reportable disease shall immediately report the case to the department. However, when a case occurs within the jurisdiction of a local health department, the report

shall be made to the local department and to the department. A health care provider or public, private, or hospital clinical laboratory who files such a report which identifies a person infected with a reportable disease shall assist in the investigation by the department, a local board, or a local department. The department shall publish and distribute instructions concerning the method of reporting. Reports shall be made in accordance with rules adopted by the department and shall require inclusion of all the following information:

- a. The patient's name.
- b. The patient's address.
- c. The patient's date of birth.
- d. The sex of the patient.
- e. The race and ethnicity of the patient.
- f. The patient's marital status.
- g. The patient's telephone number.
- h. The name and address of the laboratory.
- i. The date the test was found to be positive and the collection date.
- j. The name of the health care provider who performed the test.
- k. If the patient is female, whether the patient is pregnant.

2. a. Any person who, acting reasonably and in good faith, files a report, releases information, or otherwise cooperates with an investigation under this chapter is immune from any liability, civil or criminal, which might otherwise be incurred or imposed for such action.

b. A report or other information provided to or maintained by the department, a local board, or a local department, which identifies a person infected with or exposed to a reportable or other disease or health condition, is confidential and shall not be accessible to the public.

c. Notwithstanding paragraph "b", information contained in the report may be reported in public health records in a manner which prevents the identification of any person or business named in the report. If information contained in the report concerns a business, information disclosing the identity of the business may be released to the public when the state epidemiologist or the director of public health determines such a release of information necessary for the protection of the health of the public.

3. A health care provider or public, private, or hospital clinical laboratory shall provide the department, local board, or local department with all information reasonably necessary to conduct an investigation pursuant to this chapter upon request of the department, local board, or local department. The department may also subpoena records, reports, and any other evidence necessary to conduct an investigation pursuant to this chapter from other persons, facilities, and entities pursuant to rules adopted by the department.

2000 Acts, ch 1066, §3; 2006 Acts, ch 1079, §3, 4

Referred to in §139A.19

139A.3A Investigation and control.

When the department receives a report under this chapter or acts on other reliable information that a person is infected with a disease, illness, or health condition that may be a potential cause of a public health disaster, the department shall identify all individuals reasonably believed to have been exposed to the disease, illness, or health condition and shall investigate all such cases for sources of infection and ensure that such cases are subject to proper control measures. Any hospital, health care provider, or other person may provide information, interviews, reports, statements, memoranda, records, or other data related to the condition and treatment of any individual, if not otherwise prohibited by the federal Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191, to the department to be used for the limited purpose of determining whether a public health disaster exists.

2003 Acts, ch 33, §10, 11

139A.4 Type and length of isolation or quarantine.

1. The type and length of isolation or quarantine imposed for a specific communicable disease shall be in accordance with rules adopted by the department.

2. The department and the local boards may impose and enforce isolation and quarantine restrictions.

3. The department shall adopt rules governing terminal cleaning.

4. The department and local boards may impose and enforce area quarantine restrictions according to rules adopted by the department. Area quarantine shall be imposed by the least restrictive means necessary to prevent or contain the spread of the suspected or confirmed quarantinable disease or suspected or known hazardous or toxic agent.

2000 Acts, ch 1066, §4; 2006 Acts, ch 1079, §5

139A.5 Isolation or quarantine signs erected.

When isolation or a quarantine is established, appropriate placards prescribed by the department shall be erected to mark the boundaries of the place of isolation or quarantine.

2000 Acts, ch 1066, §5

139A.6 Communicable diseases.

If a person, whether or not a resident, is infected with a communicable disease dangerous to the public health, the local board shall issue orders in regard to the care of the person as necessary to protect the public health. The orders shall be executed by the designated officer as the local board directs or provides by rules.

2000 Acts, ch 1066, §6

139A.7 Diseased persons moving — record forwarded.

If a person known to be suffering from a communicable disease dangerous to the public health moves from the jurisdiction of a local board into the jurisdiction of another local board, the local board from whose jurisdiction the person moves shall notify the local board into whose jurisdiction the person is moving.

2000 Acts, ch 1066, §7

139A.8 Immunization of children.

1. A parent or legal guardian shall assure that the person's minor children residing in the state are adequately immunized against diphtheria, pertussis, tetanus, poliomyelitis, rubeola, rubella, and varicella, according to recommendations provided by the department subject to the provisions of subsections 3 and 4.

2. a. A person shall not be enrolled in any licensed child care center or elementary or secondary school in Iowa without evidence of adequate immunizations against diphtheria, pertussis, tetanus, poliomyelitis, rubeola, rubella, and varicella.

b. Evidence of adequate immunization against haemophilus influenza B and invasive pneumococcal disease shall be required prior to enrollment in any licensed child care center.

c. Evidence of hepatitis type B immunization shall be required of a child born on or after July 1, 1994, prior to enrollment in school in kindergarten or in a grade.

d. Immunizations shall be provided according to recommendations provided by the department subject to the provisions of subsections 3 and 4.

e. A person shall not be enrolled in school in the seventh grade or twelfth grade in Iowa without evidence of adequate immunization against meningococcal disease in accordance with standards approved by the United States public health service of the United States department of health and human services for such biological products and in accordance with immunization practices recommended by the advisory committee on immunization practices of the centers for disease control and prevention.

3. Subject to the provision of subsection 4, the state board of health may modify or delete any of the immunizations in subsection 2.

4. a. Immunization is not required for a person's enrollment in any elementary or secondary school or licensed child care center if either of the following applies:

(1) The applicant, or if the applicant is a minor, the applicant's parent or legal guardian,

submits to the admitting official a statement signed by a physician, advanced registered nurse practitioner, or physician assistant who is licensed by the board of medicine, board of nursing, or board of physician assistants that the immunizations required would be injurious to the health and well-being of the applicant or any member of the applicant's family.

(2) The applicant, or if the applicant is a minor, the applicant's parent or legal guardian, submits an affidavit signed by the applicant, or if the applicant is a minor, the applicant's parent or legal guardian, stating that the immunization conflicts with the tenets and practices of a recognized religious denomination of which the applicant is an adherent or member.

b. The exemptions under this subsection do not apply in times of emergency or epidemic as determined by the state board of health and as declared by the director of public health.

5. A person may be provisionally enrolled in an elementary or secondary school or licensed child care center if the person has begun the required immunizations and if the person continues to receive the necessary immunizations as rapidly as is medically feasible. The department shall adopt rules relating to the provisional admission of persons to an elementary or secondary school or licensed child care center.

6. The local board shall furnish the department, within sixty days after the first official day of school, evidence that each person enrolled in any elementary or secondary school has been immunized as required in this section subject to subsection 4. The department shall adopt rules pursuant to chapter 17A relating to the reporting of evidence of immunization.

7. Local boards shall provide the required immunizations to children in areas where no local provision of these services exists.

8. The department, in consultation with the director of the department of education, shall adopt rules for the implementation of this section and shall provide those rules to local school boards and local boards.

139A.8A Vaccine shortage — department order — immunity.

1. In the event of a shortage of a vaccine, or in the event a vaccine shortage is imminent, the department may issue an order controlling, restricting, or otherwise regulating the distribution and administration of the vaccine. The order may designate groups of persons which shall receive priority in administration of the vaccine and may prohibit vaccination of persons who are not included in a priority designation. The order shall include an effective date, which may be amended or rescinded only through a written order of the department. The order shall be applicable to health care providers, hospitals, clinics, pharmacies, health care facilities, local boards of health, public health agencies, and other persons or entities that distribute or administer vaccines.

2. A health care provider, hospital, clinic, pharmacy, health care facility, local board of health, public health agency, or other person or entity that distributes or administers vaccines shall not be civilly liable in any action based on a failure or refusal to distribute or administer a vaccine to any person if the failure or refusal to distribute or administer the vaccine was consistent with a department order issued pursuant to this section.

3. The department shall adopt rules to administer this section.

2005 Acts, ch 89, §10

139A.9 Forcible removal — isolation — quarantine.

The forcible removal and isolation or quarantine of any infected person shall be accomplished according to the rules and regulations of the local board or the rules of the state board of health.

2000 Acts, ch 1066, §9

139A.10 Fees for removing.

The officers designated shall receive reasonable compensation for their services as determined by the local board. The amount determined shall be certified and paid in the same manner as other expenses incurred under this chapter.

2000 Acts, ch 1066, §10; 2002 Acts, ch 1119, §133

139A.11 Services and supplies — isolation — quarantine.

If the person under isolation or quarantine or the person liable for the support of the person, in the opinion of the local board, is financially unable to secure proper care, provisions, or medical attendance, the local board shall furnish supplies and services during the period of isolation or quarantine and may delegate the duty, by rules, to one of its designated officers.

2000 Acts, ch 1066, §11

139A.12 County liability for care, provisions, and medical attendance.

The local board shall provide proper care, provisions, and medical attendance for any person removed and isolated or quarantined in a separate house or hospital for detention and treatment, and the care, provisions, and medical attendance shall be paid for by the county in which the infected person has residence, if the patient or legal guardian is unable to pay.

2000 Acts, ch 1066, §12; 2018 Acts, ch 1137, §23

139A.13 Rights of isolated or quarantined persons.

Any person removed and isolated or quarantined in a separate house or hospital may, at the person's own expense, employ the health care provider of the person's choice, and may provide such supplies and commodities as the person may require.

2000 Acts, ch 1066, §13

139A.13A Employment protection.

1. An employer shall not discharge an employee, or take or fail to take action regarding an employee's promotion or proposed promotion, or take action to reduce an employee's wages or benefits for actual time worked, due to the compliance of an employee with a quarantine or isolation order or voluntary confinement request issued by the department, a local board, or the centers for disease control and prevention of the United States department of health and human services.

2. An employee whose employer violates this section may petition the court for imposition of a cease and desist order against the person's employer and for reinstatement to the person's previous position of employment. This section does not create a private cause of action for relief of money damages.

2006 Acts, ch 1184, §85; 2007 Acts, ch 159, §25

139A.14 Services or supplies — authorization.

All services or supplies furnished to persons under this chapter must be authorized by the local board or an officer of the local board, and a written order designating the person employed to furnish such services or supplies, issued before the services or supplies are furnished, shall be attached to the bill when presented for audit and payment.

2000 Acts, ch 1066, §14

139A.15 Filing of bills.

All bills incurred under this chapter in establishing, maintaining, and terminating isolation and quarantine, in providing a necessary house or hospital for isolation or quarantine, and in making terminal cleanings, shall be filed with the local board. The local board at its next regular meeting or special meeting called for this purpose shall examine and audit the bills and, if found correct, approve and certify the bills to the county board of supervisors for payment.

2000 Acts, ch 1066, §15

139A.16 Allowing claims.

All bills for supplies furnished and services rendered for persons removed and isolated or quarantined in a separate house or hospital, or for persons financially unable to provide their own sustenance and care during isolation or quarantine, shall be allowed and paid for only on a basis of the local market price for such provisions, services, and supplies in the locality furnished. A bill for the terminal cleaning of premises or effects shall not be allowed, unless the infected person or those liable for the person's support are financially unable to pay.

2000 Acts, ch 1066, §16

139A.17 Approval and payment of claims.

The board of supervisors is not bound by the action of the local board in approving the bills, but shall pay the bills for a reasonable amount and within a reasonable time.

2000 Acts, ch 1066, §17

139A.18 Reimbursement from county.

If any person receives services or supplies under this chapter who does not have residence in the county in which the bills were incurred and paid, the amount paid shall be certified to the board of supervisors of the county in which the person claims residence or owns property, and the board of supervisors of that county shall reimburse the county from which the claim is certified, in the full amount originally paid.

2000 Acts, ch 1066, §18; 2018 Acts, ch 1137, §24; 2019 Acts, ch 59, §50

139A.19 Care provider notification.

1. a. Notwithstanding any provision of this chapter to the contrary, if a care provider sustains a significant exposure from an individual while rendering health care services or other services, the individual to whom the care provider was exposed is deemed to consent to a test to determine if the individual has a contagious or infectious disease and is deemed to consent to notification of the care provider of the results of the test, upon submission of a significant exposure report by the care provider to the hospital, clinic, other health facility, or other person specified in this section to whom the individual is delivered by the care provider as determined by rule.

b. The hospital, clinic, or other health facility in which the significant exposure occurred or other person specified in this section to whom the individual is delivered shall conduct the test. If the individual is delivered by the care provider to an institution administered by the Iowa department of corrections, the test shall be conducted by the staff physician of the institution. If the individual is delivered by the care provider to a jail, the test shall be conducted by the attending physician of the jail or the county medical examiner. The sample and test results shall only be identified by a number.

c. A hospital, clinic, or other health facility, institutions administered by the department of corrections, and jails shall have written policies and procedures for notification of a care provider under this section. The policies and procedures shall include designation of a representative of the care provider to whom notification shall be provided and who shall, in turn, notify the care provider. The identity of the designated representative of the care provider shall not be revealed to the individual tested. The designated representative shall inform the hospital, clinic, or other health facility, institution administered by the department of corrections, or jail of those parties who received the notification, and following receipt of this information and upon request of the individual tested, the hospital, clinic, or other health facility, institution administered by the department of corrections, or jail shall inform the individual of the parties to whom notification was provided.

d. Notwithstanding any other provision of law to the contrary, a care provider may transmit cautions regarding contagious or infectious disease information, with the exception of AIDS or HIV pursuant to section 80.9B, in the course of the care provider's duties over the police radio broadcasting system under chapter 693 or any other radio-based communications system if the information transmitted does not personally identify an individual.

2. a. If the test results are positive, the hospital, clinic, other health facility, or other person performing the test shall notify the subject of the test and make any required reports to the department pursuant to sections 139A.3 and 141A.6. The report to the department shall include the name of the individual tested.

b. If the individual tested is diagnosed or confirmed as having a contagious or infectious disease, the hospital, clinic, other health facility, or other person conducting the test shall notify the care provider or the designated representative of the care provider who shall then notify the care provider.

c. The notification to the care provider shall be provided as soon as is reasonably possible following determination that the subject of the test has a contagious or infectious disease. The notification shall not include the name of the individual tested for the contagious or infectious disease unless the individual consents. If the care provider who sustained a significant exposure determines the identity of the individual diagnosed or confirmed as having a contagious or infectious disease, the identity of the individual shall be confidential information and shall not be disclosed by the care provider to any other person unless a specific written release is obtained from the individual diagnosed with or confirmed as having a contagious or infectious disease.

3. This section does not preclude a hospital, clinic, other health facility, or a health care provider from providing notification to a care provider under circumstances in which the hospital's, clinic's, other health facility's, or health care provider's policy provides for notification of the hospital's, clinic's, other health facility's, or health care provider's own employees of exposure to a contagious or infectious disease that is not life-threatening if the notice does not reveal a patient's name, unless the patient consents.

4. A hospital, clinic, other health facility, or health care provider, or other person participating in good faith in complying with provisions authorized or required under this section is immune from any liability, civil or criminal, which might otherwise be incurred or imposed.

5. A hospital's, clinic's, other health facility's, or health care provider's duty to notify under this section is not continuing but is limited to a diagnosis of a contagious or infectious disease made in the course of admission, care, and treatment following the rendering of health care services or other services to the individual who was the source of the significant exposure.

6. Notwithstanding subsection 5, the hospital, clinic, or other health facility may provide a procedure for notifying the exposed care provider if, following discharge from or completion of care or treatment by the hospital, clinic, or other health facility, the individual who was the source of the significant exposure, and for whom a significant exposure report was submitted that did not result in notification of the exposed care provider, wishes to provide information regarding the source individual's contagious or infectious disease status to the exposed care provider.

7. A hospital, clinic, other health facility, health care provider, or other person who is authorized to perform a test under this section who performs the test in compliance with this section or who fails to perform the test authorized under this section, is immune from any liability, civil or criminal, which might otherwise be incurred or imposed.

8. A hospital, clinic, other health facility, health care provider, or other person who is authorized to perform a test under this section has no duty to perform the test authorized.

9. The department shall adopt rules pursuant to chapter 17A to administer this section. The department may determine by rule the contagious or infectious diseases for which testing is reasonable and appropriate and which may be administered under this section.

10. The employer of a care provider who sustained a significant exposure under this section shall pay the costs of testing for the individual who is the source of the significant exposure and of the testing of the care provider, if the significant exposure was sustained during the course of employment. However, the department shall assist an individual who is the source of the significant exposure in finding resources to pay for the costs of the testing

and shall assist a care provider who renders direct aid without compensation in finding resources to pay for the cost of the test.

2000 Acts, ch 1066, §19; 2001 Acts, ch 157, §4; 2011 Acts, ch 63, §20; 2011 Acts, ch 131, §54, 158

139A.20 Exposing to communicable disease.

A person who knowingly exposes another to a communicable disease or who knowingly subjects another to a child or other legally incapacitated person who has contracted a communicable disease, with the intent that another person contract the communicable disease, shall be liable for all resulting damages and shall be punished as provided in this chapter.

2000 Acts, ch 1066, §20

139A.21 Reportable poisonings and illnesses.

1. If the results of an examination by a public, private, or hospital clinical laboratory of a specimen from a person in Iowa yield evidence of or are reactive for a reportable poisoning or a reportable illness from a toxic agent, including methemoglobinemia, the results shall be reported to the department on forms prescribed by the department. If the laboratory is located in Iowa, the person in charge of the laboratory shall report the results. If the laboratory is not in Iowa, the health care provider submitting the specimen shall report the results.

2. The health care provider attending a person infected with a reportable poisoning or a reportable illness from a toxic agent, including methemoglobinemia, shall immediately report the case to the department. The department shall publish and distribute instructions concerning the method of reporting. Reports shall be made in accordance with rules adopted by the department.

3. A person in charge of a poison control information center shall report to the department cases of reportable poisoning, including methemoglobinemia, about which inquiries have been received.

4. The department shall adopt rules designating reportable poisonings, including methemoglobinemia, and illnesses which must be reported under this section.

5. The department shall establish and maintain a central registry to collect and store data reported pursuant to this section.

6. The department shall timely provide copies of all reports of pesticide poisonings or illnesses received pursuant to this section to the secretary of agriculture who shall timely forward these reports and any reports of pesticide poisonings or illnesses received pursuant to section 206.14 to the registrant of a pesticide which is the subject of any reports.
