or deposit form. In addition, the amount of rebates required¹ to be repaid shall constitute a lien upon the real property² that comprises the raceway facility that was the subject of³ the rebate regardless of the identity of the owner or operator⁴

of said raceway facility, and the liability shall be collected⁵ in the same manner as provided in section 422.26. Amounts⁶ required to be repaid pursuant to this paragraph shall accrue⁷ interest at the rate in effect under section 421.7 from the⁸

date of the warrant issued under paragraph "f".⁹
i. The director shall adopt rules for the administration of¹⁰

this subsection.¹¹

EXPLANATION¹²

The inclusion of this explanation does not constitute agreement with¹³ the explanation's substance by the members of the general assembly.¹⁴

This bill authorizes the department of revenue to rebate¹⁵ sales and use tax for certain transactions related to a¹⁶ raceway facility. To be eligible for the rebate the raceway¹⁷ facility must be located on fairgrounds, and must be located¹⁸ in a city with a population between 7,000 and 7,500, which¹⁹ city is located in a county with a population between 33,000²⁰ and 33,450. In addition, the raceway facility must have been²¹ placed in service before the effective date of the bill.²²

The person eligible to receive the rebate is the owner or²³

operator of the raceway facility. "Owner or operator" means24
 a fair that is the owner or operator of a raceway facility and25
 is the promoter of races. "Fair" means the same as defined26
 in Code section 174.1 and generally means an organization27
 incorporated under the laws of Iowa that holds fair events and28
 meets certain property ownership requirements.29

The rebate applies to two types of transactions. One, the30
 state sales tax collected upon tangible personal property or31
 services furnished to purchasers at the raceway facility. Two,32
 the state sales or use tax paid in fulfillment of a written33
 contract with the owner or operator if the property becomes an34
 integral part of the project under contract and upon completion35

of the project becomes part of the raceway facility. This1

rebate is limited to one project per raceway facility. The2
rebates only apply to transactions occurring on or after3
January 1, 2015, but before January 1, 2025, and are limited4
to a maximum of \$2 million or an amount equal to 25 percent of5
the project costs if such a project is undertaken, whichever is6
less. "Project costs" is defined in the bill.7
With regard to the rebate of sales tax revenues collected8
upon tangible personal property or services furnished to9
purchasers at the raceway facility, the bill creates a raceway10
facility tax rebate fund consisting of the remaining amount11
of state sales tax revenue from these transactions after12
subtracting the local option sales tax under Code chapter 423B,13
the natural resources and outdoor recreation trust transfer14
pursuant to Article VII, section 10, of the Constitution of15
the State of Iowa if applicable, the secure an advanced vision16
for education fund transfer pursuant to Code section 423F.2,17
and any transfers required, if applicable, to a baseball and18
softball tournament facility and movie site sales tax rebate19
fund, flood mitigation sales tax increment fund, or Iowa20
reinvestment Act sales tax increment fund. Rebates from these21
transactions are paid only from this rebate fund, are limited22
to the amounts in the fund, and are made on forms furnished by23
the department of revenue.24
With regard to the rebate of sales or use tax paid in25
fulfillment of a written contract with the owner or operator,26

the bill specifies that the rebate of sales tax shall not27
 exceed the amount remaining after the transfers listed above28
 have been subtracted from the total amount of the sales tax29
 rebate requested, as applicable. The bill also specifies that30
 the rebate of use tax shall not exceed the amount remaining31
 after subtracting the local option taxes under Code chapter32
 423B and the secure an advanced vision for education fund33
 transfer pursuant to Code section 423F.2. A contractor34
 that has a written contract with the owner or operator is35

required to provide information under oath to the owner or1
 operator regarding the amount of property or services used in2
 performance of the contract upon which sales or use tax has3
 been paid. A contractor who willfully makes a false report is4
 guilty of a simple misdemeanor and is liable for the payment5

of the tax and any applicable penalty and interest. A simple6
misdemeanor is punishable by confinement for no more than7
30 days or a fine of at least \$65 but not more than \$625 or8

by both. Rebates from these transactions are made on forms9
furnished by the department of revenue.10

The rebate ceases if control of the facility changes. A11

change in control will occur when the fair that is the owner12

or operator on the effective date of the bill ceases to own a13

majority of the equity interests in the raceway facility. The14

rebate provision is repealed June 30, 2025, or 30 days after15

a total of \$2 million or an amount equal to 25 percent of the16

project costs if such a project is undertaken, whichever is17

less, have been rebated, or 30 days following the change of18

control causing the rebates to cease, whichever occurs earlier.19

If the amount of rebates issued exceed the amount of20

rebates allowed under the bill, the department of revenue21

shall seek repayment from the person who received the excess22

rebates in the same manner as it does other tax payments. The23

excess rebates shall also be a lien on the real property that24

comprises the raceway facility, regardless of the identity of25

the owner or operator.26

days following the date on which twelve million five hundred1
thousand dollars in total rebates have been provided, or thirty2
days following the date on which rebates cease as provided in3
paragraph "c", subparagraph (4), whichever is the earliest.4

Sec. 4. EFFECTIVE UPON ENACTMENT. This Act, being deemed of5

immediate importance, takes effect upon enactment.⁶
Sec. 5. RETROACTIVE APPLICABILITY. This Act applies⁷
retroactively to November 1, 2013.⁸

EXPLANATION⁹

The inclusion of this explanation does not constitute agreement with¹⁰

the explanation's substance by the members of the general assembly.¹¹

This bill relates to the rebate of sales tax imposed¹²
and collected at certain automobile racetrack facilities¹³
(facility).¹⁴

Under current law, the owner or operator of a facility may¹⁵
receive a rebate of the sales tax imposed and collected by¹⁶
retailers at the facility. The rebate is limited to sales¹⁷
occurring before January 1, 2016, and is limited to a total of¹⁸
\$12.5 million. The rebate ceases if a "change in control", as¹⁹
defined in statute, occurs. A change in control occurs when²⁰
the original owners cease to own at least 25 percent of the²¹
voting equity interests in the legal entity that is the owner²²
or operator of the facility or when less than 25 percent of²³
the equity interests in the legal entity that is the owner²⁴
or operator of the facility are owned by individuals who are²⁵
residents of Iowa or an Iowa corporation or a combination²⁶
of both. "Iowa corporation" is defined in statute as a²⁷
corporation incorporated under the laws of Iowa where at least²⁸
25 percent of the corporation's equity interests are owned by²⁹

individuals who are residents of Iowa.30

The bill extends the rebate by 10 years to sales occurring31

before January 1, 2026, and extends the repeal date of the32

rebate to the same date. The bill changes the definition33

of "change in control" by removing the requirement that the34

original owners retain at least 25 percent of the voting equity35

interests in the legal entity that is the owner or operator of1
the facility. The bill also changes the definition of "Iowa2
corporation" by renaming it as "Iowa business", allowing a3
limited liability company formed under the laws of Iowa to4

qualify, and removing the requirement that at least 25 percent5
of the corporation's or limited liability company's equity6
interests be owned by individuals who are residents of Iowa.7
The bill takes effect upon enactment and applies8

retroactively to November 1, 2013.9

loan association, credit union, or trust company in this state¹
to finance the purchase of a principal residence in this state.²
"First-time homebuyer" and "principal residence" are defined in³
the bill. The account is required to be an interest-bearing⁴

savings account. The account may be established individually⁵
or jointly with the resident's spouse. However, married⁶
taxpayers electing to file separate tax returns or separately⁷
on a combined tax return shall not establish or maintain a⁸

joint account.⁹

There is no limitation on the amount of contributions that¹⁰

may be made to or retained in a first-time homebuyer savings¹¹

account. An account holder is required to use the funds in¹²

an account for eligible costs related to the purchase of a¹³

principal residence within 10 years following the year in which¹⁴

the account is first established.15

“Eligible costs” are defined in the bill and include the down16
payment and allowable closing costs of a principal residence17
that was purchased after the establishment of the account.18
If the account holder withdraws funds for any purpose other19
than the payment of eligible costs, the account holder is20
subject to a penalty equal to 10 percent of the amount of the21
withdrawal that represents earnings in the account, unless the22
withdrawal occurs on the last business day of the calendar23
year or was because of the death of the account holder. The24
penalty amounts are required to be withheld by the account25
administrator and remitted to the department of revenue in26
the same manner as Code section 422.16(2), relating to the27
withholding of income tax. A person ceases to be an account28
holder following the purchase of a principal residence after29
the establishment of an account.30

Accounts are required to be administered by an account31
administrator who will have a fiduciary duty to the account32
holder. An account administrator may be a state or federally33
chartered bank, savings and loan association, credit union, or34
trust company in this state; a certified public accountant or35

licensed public accountant; or the account holder. The account1
administrator is required within 30 days of beginning account2
administration to notify the account holder, in writing, of3
the last business day of the calendar year. The account4

administrator shall use account funds only for the purpose of5
making withdrawals at the request of the account holder and6
for the payment of the expenses of administering the account.7
An account administrator shall not be held personally,8

individually, or corporately liable for the failure to withhold9
and remit a withdrawal penalty if the account administrator10

relied in good faith on documentation submitted by the account11

holder of eligible costs paid or owed by the account holder.12

The burden of proving that a withdrawal from an account was13

made for eligible costs is upon the account holder. Within 3014

days of being furnished proof of death of the account holder,15

the account administrator shall distribute funds in an account16

to the estate of the account holder or to a transfer on death17

or pay on death beneficiary properly designated by the account18
holder with the financial institution where the account is19
held.20

Special rules apply to an account administrator that is21
also the account holder. First, notice of the last business22
day of the calendar year is not required to be given. Second,23
administration expenses shall not be paid, except that a24
service fee may be charged to the account by the financial25
institution where the account is held. Third, documentation26
regarding the segregation of funds in the account from other27
funds and documentation regarding eligible costs shall28
be maintained by the account administrator. Fourth, the29
account holder is required to file reports as required by the30
department of revenue and to remit any assessed penalties in31
the same manner a third-party account holder would be required.32
An account administrator that is also the account holder may33
not rely on the good-faith exception to personal liability for34
failure to withhold and remit the penalty.35

The bill provides for two individual income tax incentives¹ relating to first-time homebuyer savings accounts. First,² an account holder is allowed to subtract from net income the³ amount of contributions made during the year to the account⁴

holder's account, not to exceed \$3,000 per individual, or⁵ \$6,000 for a married couple with a joint account and filing a⁶ joint income tax return. If the account holder contributes⁷ more than that amount, the excess may be subtracted in a⁸

subsequent tax year provided the total exemption in any one⁹ tax year does not exceed \$3,000 or \$6,000, as applicable.¹⁰

Second, the bill exempts from income tax any interest or¹¹ earnings received from an account holder's account. Both the¹² contribution exclusion and interest exemption only apply for¹³ the first 10 years after the account holder establishes an¹⁴ account.¹⁵

The bill requires an account holder to add to net income the¹⁶ amount of withdrawal from an account that was made for purposes¹⁷ other than eligible costs of the account holder to the extent¹⁸ it was previously subtracted from net income as a contribution.¹⁹

Any amount remaining in an account on the day after an account²⁰

holder purchases a principal residence or on the last business21
 day of the 10th calendar year following the calendar year the22
 account holder first establishes an account, whichever occurs23
 first, shall be considered a withdrawal that must be added24
 to net income to the extent it was previously subtracted.25

However, amounts transferred between different accounts of the26
 same account holder by a person other than the account holder27
 or amounts withdrawn pursuant to an order in bankruptcy shall28
 not be considered withdrawals that must be added to net income.29

The bill makes it a serious misdemeanor to knowingly prepare30
 or cause to be prepared a false claim, statement, or billing31
 to justify the withdrawal of money from a first-time homebuyer32
 savings account. A serious misdemeanor is punishable by33
 confinement for no more than one year and a fine of at least34
 \$315 but not more than \$1,875.35

credit certificate must contain the information required for³¹

the original tax credit certificate and must have the same³²

expiration date that appeared on the transferred tax credit³³

certificate.³⁴

The taxes imposed under this chapter shall be reduced by a¹⁸ historic preservation and cultural and entertainment district¹⁹ tax credit allowed under section 404A.2.20

Sec. 12. APPLICABILITY. Unless otherwise provided in²¹ this Act, this Act applies to agreements entered into by the²² department and an eligible taxpayer on or after the effective²³ date of this Act, and rehabilitation projects for which a²⁴ project application was approved and tax credits reserved prior²⁵ to the effective date of this Act shall be governed by sections²⁶

EXPLANATION²⁸

The inclusion of this explanation does not constitute agreement with²⁹

the explanation's substance by the members of the general assembly.³⁰

This bill changes the historic preservation and cultural³¹

and entertainment district tax credit program (program)³²

administered pursuant to Code chapter 404A.³³

Under current law, a taxpayer may receive a tax credit in³⁴

an amount equal to 25 percent of the qualified rehabilitation³⁵

costs incurred in rehabilitating properties eligible to be¹
listed on the national register of historic places, historic²
properties in areas eligible to be designated local historic³
districts, local landmarks, or barns constructed prior to 1937.⁴

The credit is available against the individual and corporate⁵
income tax, the franchise tax, and the insurance companies⁶

tax. To be eligible for the tax credit, the rehabilitation⁷ costs must exceed certain threshold amounts depending on the⁸ type of property involved. The aggregate amount of tax credits⁹ that may be approved per fiscal year is \$45 million, a certain¹⁰ amount of which is required to be allocated between projects¹¹ with final qualified rehabilitation costs of \$750,000 or less,¹² projects located in certified cultural and entertainment¹³ districts or associated with Iowa great places agreements,¹⁴ disaster recovery projects, and projects that involve the¹⁵ creation of more than 500 new permanent jobs.¹⁶

Under current law, a taxpayer is also required to¹⁷ apply to and receive approval from the state historic¹⁸ preservation office of the department of cultural affairs for a¹⁹ rehabilitation project. The project must meet the statutory²⁰ requirements and the criteria established in administrative²¹ rules by the historic preservation office. Tax credits²² for an approved rehabilitation project may be reserved by a²³ taxpayer for up to three years, but such reservations shall not²⁴ exceed an aggregate of \$45 million per fiscal year. Approved²⁵ rehabilitation projects must be started and completed within²⁶ a certain time period. Upon completion of the rehabilitation²⁷ project a certificate of completion is obtained from the state²⁸ historic preservation office and a tax credit certificate is²⁹

issued. Tax credits are refundable and may be transferred to30
another person.31

Under the bill, an eligible taxpayer may receive a tax32
credit not to exceed 25 percent of the qualified rehabilitation33
expenditures of a qualified rehabilitation project.34

A "qualified rehabilitation project" is defined in the bill35

as a project for the rehabilitation of property that meets1
three requirements. First, it must be property listed on the2
national register of historic places, historic property in an3
area eligible to be designated a local historic district, a4

local landmark, or a barn constructed prior to 1937. Second,5
the property must meet the physical criteria and standards6
for rehabilitation established by the department of cultural7
affairs (department) by administrative rule. To the extent8

applicable, such criteria and standards are required to be9
consistent with United States secretary of the interior's10

standards for rehabilitation. Third, the project must have¹¹ qualified rehabilitation expenditures that, in the case of¹² commercial property, equal or exceed the lesser of at least¹³ \$50,000 or 50 percent of the assessed value of the property,¹⁴ excluding the land, prior to rehabilitation; or in the case of¹⁵ all other property, must equal the lesser of at least \$25,000¹⁶ or 25 percent of the assessed value, excluding the land, prior¹⁷ to rehabilitation.¹⁸

“Qualified rehabilitation expenditures” means the same as¹⁹ defined in section 47 of the Internal Revenue Code (IRC).²⁰ However, the bill provides that if the eligible taxpayer is²¹ a nonprofit corporation, an expenditure will be considered a²² “qualified rehabilitation expenditure” if it is one made for²³ structural components, as defined in 26 C.F.R. §1.48-1(e)(2),²⁴ or if it is an architectural or engineering fee, site survey²⁵ fee, legal expense, insurance premium, or development²⁶ fee. “Qualified rehabilitation expenditures” may include²⁷ expenditures incurred prior to the date the agreement is²⁸ entered into by the eligible taxpayer and the department, but²⁹ excludes expenditures financed by federal, state, or local³⁰ government grants or forgivable loans unless otherwise allowed³¹ under IRC §47. “Eligible taxpayer” and “nonprofit corporation”³²

are both defined in the bill.33

Under the bill, an eligible taxpayer seeking the tax credit34

must apply to the department. The department may prescribe35

the timing, form, content, and method of application, and may1
also establish criteria for the use of electronic or other2
alternative filing methods for applications, documents, or3
payments. The application must contain certain information as4

specified in the bill and the taxpayer making the application5
has the burden of proof to demonstrate eligibility under the6
program. The department is allowed to charge application or7
other fees based on the costs of the department associated with8

the program.9

If the project in the application meets the definition of a10

qualified rehabilitation project, the department may register11

it under the program. The bill requires the department to12

notify the eligible taxpayer of successful registration under13

the program and of the amount of tax credits for which the¹⁴
project has received a tentative award.¹⁵

The bill requires the agreement to cover a number of¹⁶
provisions, including the amount of the tax credit award,¹⁷
the rehabilitation work to be performed, the budget of¹⁸
the qualified rehabilitation project, and the project's¹⁹
commencement and completion dates. The commencement date shall²⁰
not be later than the end of the fiscal year in which the²¹
agreement is entered into, and the completion date, which is²²
the date the property is placed in service, must be within ³⁶²³
months of the commencement date. The agreement shall provide²⁴
that an eligible taxpayer has no right to receive a tax credit²⁵
certificate or claim a tax credit until all requirements of the²⁶
agreement and the program have been satisfied, and that the²⁷
amount of tax credit included on a tax credit certificate shall²⁸
be contingent upon verification by the department of the amount²⁹
of final qualified rehabilitation expenditures. The program³⁰
requires that the eligible taxpayer annually certify to the³¹
department the eligible taxpayer's continuing compliance with³²
the agreement, and timely notify the department of any changes³³
that may negatively impact eligibility under the program. The³⁴
eligible taxpayer will have the burden of proof to demonstrate³⁵

that all requirements of the agreement are satisfied. The1
department may find the eligible taxpayer in default if any of2
the requirements are not met, and may revoke the tax credit3
award. Upon default, the department of revenue is required4

to seek recovery of any tax credit claimed. Finally, upon5
completion of the qualified rehabilitation project, the program6
requires the eligible taxpayer to submit an examination of the7
project conducted by a certified public accountant authorized8

to practice in this state. The department is allowed to9
waive the examination requirement if the final qualified10

rehabilitation expenditures do not exceed \$100,000 and the11
project is exclusively funded by private funding sources.12

After reviewing the examination, if applicable, the13

department shall verify the final qualified rehabilitation14

expenditures and that all requirements of the agreement were15
satisfied. Following that, the department may issue within 6016

days a tax credit certificate stating the amount of tax credit¹⁷
that may be claimed, but such amount shall not exceed the¹⁸
amount of the tax credit award provided for in the agreement.¹⁹

For projects with final qualified rehabilitation²⁰
expenditures of \$750,000 or less, the bill allows the²¹
department to waive the application, registration, agreement,²²
compliance, and other requirements established in the bill and²³
establish different requirements by rule.²⁴

The bill requires the department to allocate at least 5²⁵
percent of the total amount of tax credits it can award per²⁶
fiscal year to new projects with final qualified rehabilitation²⁷
expenditures of \$750,000 or less, and prohibits the department²⁸
from awarding more than \$45 million in tax credits per fiscal²⁹
year, with four exceptions. First, any tax credit that is³⁰
awarded during a fiscal year beginning on or after July 1,³¹
2016, and that is irrevocably declined or revoked on or before³²
June 30 of the next fiscal year, may be awarded during the³³
fiscal year in which the declination or revocation occurs³⁴
without regard to the \$45 million cap. Second, any tax credit³⁵

that was reserved under current law before the effective date¹ of the bill for use in a fiscal year beginning before July 1,² 2016, and that is irrevocably declined or revoked on or after³ the effective date of the bill, but before July 1, 2016, may⁴

be awarded during the fiscal year in which the declination⁵ or revocation occurs, without regard to the \$45 million⁶ cap. However, such credits shall not be claimed before the⁷ fiscal year for which they were originally reserved. Third,⁸

any amount of tax credit that was available for approval⁹ under current law during fiscal years 2010-2011, 2011-2012,¹⁰

2012-2013, or 2013-2014, that was required to be allocated¹¹

to new projects with final qualified rehabilitation costs of¹²

\$500,000 or less, or \$750,000 or less, as the case may be, and¹³

that was not finally approved, may be awarded during fiscal¹⁴

years 2014-2015 and 2015-2016 without regard to the \$45 million¹⁵

cap. Fourth, if the department awards during fiscal year¹⁶

2016-2017, or any fiscal year thereafter, an amount of tax¹⁷

credits that is less than the \$45 million cap, the department¹⁸

may carry forward the difference between the amount so awarded¹⁹

and the \$45 million cap, not to exceed 10 percent of the cap, to20
the succeeding fiscal year for award during that fiscal year,21
without regard to the \$45 million cap.22

The bill makes several technical changes to Code section23
404A.5, which governs the department’s reporting and24
recommendation duties, to reference qualified rehabilitation25
projects and to properly reflect that tax credits will be26
awarded instead of granted and tax credit certificates issued.27

The bill requires the department and the department of28
revenue to adopt rules to jointly administer the program.29

Unless otherwise provided in the bill, the bill applies30
to agreements entered into by the department and an eligible31
taxpayer on or after the effective date of the bill, and32
rehabilitation projects for which a project application was33
approved and tax credits reserved prior to the effective date34
of the bill shall be governed by current law.35
