

Specific Crimes Proposals--October 29, 2009

1. Create a Robbery 3rd Degree offense that is a nonforcible class "D" felony.
2. Add expungment provision to Possession of Alcohol Under Legal Age in Code section 123.47 and mirror the changes in 123.47 with existing expungment provisions in Public Intoxication under 123.46(5).
3. Repeal Code Section 709.7--Detention in a Brothel.
4. Separate "simulated public intoxication" from "public intoxication" in Code Section 123.47(2).
5. 709.18--Abuse of a Corpse. Move Subsection 709.18(2) and (3) to Code Chapter 714 (Assault). The effect of moving these subsections would eliminate the requirement to be on the Sex Offender Registry and the offenses would no longer be subject to Special Sentences under 903B.2.
6. Repeal Code Section 321.406--Cowl Lamps.
7. Develop a consistent definition for "serious injury" under Code Sections 235B.2, 321.261, 321.482A, 321J.1, 462A.2, and 702.18.
8. Develop a consistent definition for "child" throughout the Code.
