

Department of Elder Affairs Response to Inquiries Regarding Unmet Needs Report

The Committee asked Director John McCalley, Iowa Department of Elder Affairs (DEA) to provide follow-up information related to unmet service needs. Specifically, the Committee wanted data on unmet needs reported under the Case Management Program for the Frail Elderly (CMPFE) broken down by county and service. DEA responded that the information may be found in the Unmet Needs Report (SFY 08) on the DEA website on pages 29-34 at the following link:
