

R E P O R T  
of the  
LEGISLATIVE SERVICE COMMITTEE

August 8, 1979

The Service Committee met at 9:00 a.m. in Committee Room 22 and although a quorum was not present at all times, the members present submit the following for council action:

1. Following a tour of portions of the Wallace Building, members of the Committee recommend that Mr. McCausland visit with Commissioner Larson concerning the most feasible location for the Capitol Security Division and inform the Service Committee of the results of the conversation.
2. That further action on remodeling of the area presently occupied by the Office of Citizens' Aide and the Capitol Security Division be delayed until members and staff are able to study the text of an Attorney General's Opinion written by Mark Schantz.
3. That Binnie Lehew-Jernigan and Michael Erbschloe be employed by the Legislative Fiscal Bureau as Legislative Program Analysts at grade 27, step 1.
4. That Doneen Woodward be employed by the office of Citizens' Aide. as a General Deputy at grade 24, step x.
5. That Farr Analysts, Consultants and Technical Services be employed by the Legislative Fiscal Bureau on an hourly basis to provide actuarial services for the IPERS and Pension Funds Subcommittee of the Senate and House Committees on State Government and for fiscal note preparation relating to public retirement systems.
6. That the Legislative Service Bureau attempt to contact persons who were recommended to fill a position to be appointed by the Legislative Council to the County Finance Committee to ascertain whether they are willing to serve. Persons recommended are Edgar Bittle, Robert Josten, Roy Miller, Marvin Selden, John M. Whitmer, and Clayton Ringgenberg.

The Service Committee took no action concerning the purchase of a Xerox machine by the Office of Citizens' Aide. The purchase was determined to be inappropriate by the Office of State Comptroller.

Respectfully submitted,

William H. Harbor, Chairperson
