

**REPORT OF THE FISCAL COMMITTEE TO THE
LEGISLATIVE COUNCIL**

November 14, 1994

The Fiscal Committee met November 14, 1994, on the Iowa State University (ISU) Campus in Ames. No formal actions were taken.

The Committee toured the Food Science Building, Center for Crops Utilization Research, Black Engineering Building, Iowa Center for Emerging Manufacturing Technologies and an out-of- doors walking tour on the the west side of the campus, reviewing the fire/environmental safety and deferred maintenance needs of some of the buildings.

The Committee heard presentations on:

- Iowa State University programs - Dr. Martin C. Jischke, President, and Patricia B. Swan, Vice Provost, discussed the technology development and transfer at ISU
- Investment in Agricultural Research by David G. Topel, Dean of the College of Agriculture
- Fire Safety at ISU by Roy Marshall, State Fire Marshal
- Wallace Technology Transfer Foundation by Dan Dittmore
- Iowa Seed Capital Corporation by Greg Barcus

Respectfully submitted,

Senator Larry Murphy
Co-chairperson

Representative Ron Corbett
Co-chairperson
