

REPORT OF THE LEGISLATIVE FISCAL COMMITTEE
TO THE
LEGISLATIVE COUNCIL

December 5 & 6, 1988

The Legislative Fiscal Committee met on December 5 and 6, 1988, in the State Capitol Building.

The following items were discussed by the Committee:

1. General Services - Data Processing Capacity
2. Department of Human Services - Response Time on Legislative Requests
3. Collections Services Center - Status of transition to Clerk of District Courts
4. Update on \$1.0M Appropriation to Department of Revenue and Finance
5. Comparable Worth Pay Adjustments

The Fiscal Committee recommended that the Department of Management eliminate all notations concerning Comparable Worth Pay Adjustments in all budgeting documents. All amounts shall be combined into the salaries line item and should not be "line itemed" or requested separately.

6. Capital Budget Subcommittee Recommendations

Fiscal Committee recommended a bill draft to the House and Senate Appropriations Committees.

7. Reversion Proposal

Fiscal Committee recommended that the Governor and the Department of Management not use reversions during the budgeting process in the calculations of the ending balance, but allow reversions to be transferred to the Iowa Economic Emergency Fund.

8. Treasurer's Bonding Report
9. Overview of Regents' Bonding

10. Accepted reports on Mandated Studies:

Department of Public Safety Personnel Study
Department of Transportation Audit
Merged Area School Reclassification Study
Alcoholic Beverages Division Wholesale
Operations-Privatization

11. Recognition of Senator Holden's tenure of service on the
Legislative Fiscal Committee.
