AN ACT

PROVIDING FOR THE RECEIPT OF AND COSTS RELATING TO PUBLIC RECORDS REQUESTS.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

Section 1. Section 22.3, Code 2005, is amended to read as follows:

22.3 SUPERVISION -- FEES.

1. Such The examination and copying of public records shall be done under the supervision of the lawful custodian of the records or the custodian's authorized designee. The lawful custodian shall not require the physical presence of a person requesting or receiving a copy of a public record and shall fulfill requests for a copy of a public record received in writing, by telephone, or by electronic means. Fulfillment of a request for a copy of a public record may be contingent upon receipt of payment of expenses to be incurred in fulfilling the request and such estimated expenses shall be communicated to the requester upon receipt of the request. The lawful custodian may adopt and enforce reasonable rules regarding the work examination and copying of the records and the protection of the records against damage or disorganization. The lawful custodian shall provide a suitable place for the work examination and copying of the records, but if it is impracticable to do the work examination and copying of the records in the office of the lawful custodian, the person desiring to examine or copy shall pay any necessary expenses of providing a place for the work.

2. All expenses of the work shall be paid by the person desiring to examine or copy. The lawful custodian may charge

a reasonable fee for the services of the lawful custodian or the custodian's authorized designee in supervising the examination and copying of the records during the work. If copy equipment is available at the office of the lawful custodian of any public records, the lawful custodian shall provide any person a reasonable number of copies of any public record in the custody of the office upon the payment of a fee. The fee for the copying service as determined by the lawful custodian shall not exceed the actual cost of providing the service. Actual costs shall include only those expenses directly attributable to supervising the examination of and making and providing copies of public records.
