AN ACT

ALLOWING CERTAIN ASSOCIATION GROUP HEALTH CARE PLANS AND

NEW SUBSECTION. 7A. A policy of group health insurance coverage, as defined in section 513B.2, issued by a small employer carrier, as defined in section 513B.2, to a bona fide association, subject to the following requirements:

a. The policy provides group health insurance coverage to eligible employees of members of a bona fide association that are small employers as defined in section 513B.2, and to the spouses and dependents of such employees.

b. The policy is issued to a bona fide association. For the purposes of this subsection, a bona fide association is an association which meets all of the following requirements:

(1) The association is a trade, industry, or professional association which is organized in good faith as a nonprofit corporation under chapter 504 for purposes other than obtaining insurance and has been in existence and actively maintained for at least five continuous years at the time the policy is issued.

(2) The association does not condition membership in the association on the health status of employees of its members or the health status of the spouses and dependents of such employees.

(3) Group health insurance coverage offered by the association is available to all eligible employees of its members that are small employers as defined in section 513B.2 who choose to participate in the health insurance coverage offered, and to the spouses and dependents of such employees, regardless of the health status of such employees or their spouses and dependents.

(4) Group health insurance coverage offered by the association is available only to persons who are eligible employees of a small employer as defined in section 513B.2 that is a member of the association, or to the spouses or dependents of such employees.

Sec. 2. Section 509.1, subsection 8, unnumbered paragraph 1, Code 2007, is amended to read as follows:

A policy issued to a resident of this state under a group life, accident, or health insurance policy issued to a group other than one described in subsections 1 through 7 7A, subject to the following requirements:

Sec. 3. Section 513B.2, subsection 6, paragraph a, subparagraph (3), Code 2007, is amended by striking the subparagraph and inserting in lieu thereof the following:

(3) The coverages are provided by a policy of group health insurance coverage through a bona fide association as provided in section 509.1, subsection 7A, which meets the requirements for a class of business under section 513B.4. A small employer carrier may condition coverages under such a policy of group health insurance coverage on any of the following requirements:

(a) Minimum levels of participation by employees of each member of a bona fide association that offers the coverage to its employees.

(b) Minimum levels of contribution by each member of a bona fide association that offers the coverage to its employees.

(c) A specified policy term, subject to annual premium rate adjustments as permitted by section 513B.4.

Sec. 4. Section 513B.2, subsection 6, paragraph a, Code 2007, is amended by adding the following new subparagraph:

NEW SUBPARAGRAPH. (4) The coverages are provided by a policy of group health insurance coverage through two or more

bona fide associations as provided in section 509.1, subsection 7A, which a small employer carrier has aggregated as a distinct grouping that meets the requirements for a class of business under section 513B.4. After a distinct grouping of bona fide associations is established as a class of business, the small group carrier shall not remove a bona fide association from the class based on the claims experience of that association. A small employer carrier may condition coverages under such a policy of group health insurance coverage on any of the following requirements:

(a) Minimum levels of participation by employees of each member of a bona fide association in the class that offers the coverage to its employees.

(b) Minimum levels of contribution by each member of a bona fide association in the class that offers the coverage to its employees.

(c) A specified policy term, subject to annual premium rate adjustments as permitted by section 513B.4.

Sec. 5. Section 513B.2, subsection 6, paragraph b, Code 2007, is amended to read as follows:

b. A small employer carrier may establish ~~no-more-than-two~~ additional groupings under each of the subparagraphs in paragraph "a" on the basis of underwriting criteria which are expected to produce substantial variation in the health care costs.
