..... \$ 62,157,491
48,697,893

~~2. The amount appropriated in this section shall be allocated as provided in a later enactment of the general assembly.~~

Sec. 48. 2009 Iowa Acts, chapter 179, section 1, as amended by this division of this Act, is amended by adding the following new subsections:

NEW SUBSECTION. 1. Of the amount appropriated in this section, \$12,000,000 shall be distributed as provided in this subsection.

a. To be eligible to receive a distribution under this subsection, a county must meet the following requirements:

(1) The county is levying for the maximum amount allowed for the county's mental health, mental retardation, and developmental disabilities services fund under section 331.424A for taxes due and payable in the fiscal year beginning July 1, 2010, or the county is levying for at least 90 percent of the maximum amount allowed for the county's services fund and that levy rate is more than \$2 per \$1,000 of the assessed value of all taxable property in the county.

(2) In the fiscal year beginning July 1, 2008, the county's mental health, mental retardation, and developmental

disabilities services fund ending balance under generally accepted accounting principles was equal to or less than 15 percent of the county's actual gross expenditures for that fiscal year.

b. A county's allocation of the amount appropriated in this subsection shall be determined based upon the county's proportion of the general population of the counties eligible to receive an allocation under this subsection. The most recent population estimates issued by the United States bureau of the census shall be applied in determining population for the purposes of this paragraph.

c. The allocations made pursuant to this subsection are subject to the distribution provisions and withholding requirements established in this section for the county mental health, mental retardation, and developmental disabilities allowed growth factor adjustment for the fiscal year beginning July 1, 2010.

NEW SUBSECTION. 2. The following amount of the funding appropriated in this section is the allowed growth factor adjustment for fiscal year 2010-2011, and shall be credited to the allowed growth funding pool created in the property tax relief fund and for distribution in accordance with section 426B.5, subsection 1:

..... \$ 36,551,143

NEW SUBSECTION. 3. The following formula amounts shall be utilized only to calculate preliminary distribution amounts for the allowed growth factor adjustment for fiscal year 2010-2011 under this section by applying the indicated formula provisions to the formula amounts and producing a preliminary distribution total for each county:

a. For calculation of a distribution amount for eligible counties from the allowed growth funding pool created in the property tax relief fund in accordance with the requirements in section 426B.5, subsection 1:

..... \$ 49,626,596

b. For calculation of a distribution amount for counties from the mental health and developmental disabilities (MH/DD) community services fund in accordance with the formula provided in the appropriation made for the MH/DD community services fund for the fiscal year beginning July 1, 2010:

..... \$ 14,187,556

NEW SUBSECTION. 4. a. After applying the applicable statutory distribution formulas to the amounts indicated in

subsection 3 for purposes of producing preliminary distribution totals, the department of human services shall apply a withholding factor to adjust an eligible individual county's preliminary distribution total. In order to be eligible for a distribution under this section, a county must be levying 90 percent or more of the maximum amount allowed for the county's mental health, mental retardation, and developmental disabilities services fund under section 331.424A for taxes due and payable in the fiscal year for which the distribution is payable.

b. An ending balance percentage for each county shall be determined by expressing the county's ending balance on a modified accrual basis under generally accepted accounting principles for the fiscal year beginning July 1, 2008, in the county's mental health, mental retardation, and developmental disabilities services fund created under section 331.424A, as a percentage of the county's gross expenditures from that fund for that fiscal year. If a county borrowed moneys for purposes of providing services from the county's services fund on or before July 1, 2008, and the county's services fund ending balance for that fiscal year includes the loan proceeds or an amount designated in the county budget to service the loan for the borrowed moneys, those amounts shall not be considered to be part of the county's ending balance for purposes of calculating an ending balance percentage under this subsection.

c. For purposes of calculating withholding factors and for ending balance amounts used for other purposes under law, the county ending balances shall be adjusted, using forms developed for this purpose by the county finance committee, to disregard the temporary funding increase provided to the counties for the fiscal year through the federal American Recovery and Reinvestment Act of 2009, Pub. L. No. 111-5. In addition, a county may adjust the ending balance amount by rebating to the department all or a portion of the allowed growth and MH/DD services fund moneys the county received for the fiscal year beginning July 1, 2009, in accordance with 2008 Iowa Acts, chapter 1191, as amended by 2009 Iowa Acts, chapter 182, section 55, or from any other services fund moneys available to the county. The rebate must be remitted to the department on or before June 1, 2010, in order to be counted. The amount rebated by a county shall be subtracted dollar-for-dollar from the county's ending balance amount for the fiscal year beginning July 1, 2008, for purposes of calculating the

withholding factor and for other ending balance purposes for the fiscal year beginning July 1, 2010. The rebates received by the department shall be credited to the property tax relief fund and distributed as additional funding for the fiscal year beginning July 1, 2010, in accordance with the formula provisions in this section.

d. The withholding factor for a county shall be the following applicable percent:

(1) For an ending balance percentage of less than 5 percent, a withholding factor of 0 percent. In addition, a county that is subject to this lettered paragraph shall receive an inflation adjustment equal to 3 percent of the gross expenditures reported for the county's services fund for the fiscal year.

(2) For an ending balance percentage of 5 percent or more but less than 10 percent, a withholding factor of 0 percent. In addition, a county that is subject to this lettered paragraph shall receive an inflation adjustment equal to 2 percent of the gross expenditures reported for the county's services fund for the fiscal year.

(3) For an ending balance percentage of 10 percent or more but less than 25 percent, a withholding factor of 25 percent. However, for a county that is subject to this subparagraph, the amount withheld shall be limited to the amount by which the county's ending balance was in excess of the ending balance percentage of 10 percent.

(4) For an ending balance percentage of 25 percent or more, a withholding percentage of 100 percent.

NEW SUBSECTION. 5. The total withholding amounts applied pursuant to subsection 4 shall be equal to a withholding target amount of \$13,075,453. If the department of human services determines that the amount to be withheld in accordance with subsection 4 is not equal to the target withholding amount, the department shall adjust the withholding factors listed in subsection 4 as necessary to achieve the target withholding amount. However, in making such adjustments to the withholding factors, the department shall strive to minimize changes to the withholding factors for those ending balance percentage ranges that are lower than others and shall not adjust the zero withholding factor or the inflation adjustment percentage specified in subsection 4, paragraph "d".

The commissioner shall be the compact administrator, deputy compact administrator, or designee from that state who shall serve on the interstate commission in such capacity under or pursuant to the applicable law of the compacting state.

c. In addition to the commissioners who are the voting representatives of each state, the interstate commission shall include individuals who are not commissioners, but who are members of interested organizations. Such noncommissioner members must include a member of the national organizations of governors, legislators, state chief justices, attorneys general, interstate compact for adult offender supervision, interstate compact for the placement of children, juvenile justice and juvenile corrections officials, and crime victims. All noncommissioner members of the interstate commission shall be ex officio, nonvoting members. All documents considered in connection with any action shall be identified in such minutes.

(1) The commission's executive director and employees shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused or arising out of or relating to any actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided, that any such person shall not be protected from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of any such person.

For purposes of this lettered paragraph, evidence is substantial if it would be considered substantial evidence under the model state administrative procedures Act.

e. If a majority of the legislatures of the compacting states rejects a rule, those states may, by enactment of a statute or resolution in the same manner used to adopt the compact, cause that such rule shall have no further force and effect in any compacting state.

The commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the commission, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the compacting states and

all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of termination.

(4) Within sixty days of the effective date of termination of a defaulting state, the commission shall notify the governor, the chief justice or chief judicial officer, the majority and minority leaders of the defaulting state's legislature, and the state council of such termination.

(6) The interstate commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon in writing between the interstate commission and the defaulting state.

(7) Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the interstate commission pursuant to the rules.

c. Judicial enforcement. The interstate commission may, by majority vote of the members, initiate legal action in the United States district court for the District of Columbia or, at the discretion of the interstate commission, in the federal district where the interstate commission has its offices, to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws, against any compacting state in default. In the event judicial enforcement is necessary the prevailing party shall be awarded all costs of such litigation including reasonable attorney fees.

d. Dissolution of compact.

(4) In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by such provision upon the interstate commission shall be ineffective and such obligations, duties, powers, or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers, or jurisdiction are delegated by law in effect at the time this compact becomes effective.
