Whether the grandparent or great-grandparent previously has been convicted of or pleaded guilty to any criminal offense involving any act that resulted in a child being an abused child or a neglected child; whether the grandparent or great-grandparent previously has been convicted of or pleaded guilty to a crime involving a victim who at the time of the commission of the offense was a member of the family or household that is the subject of the current proceeding; and whether there is reason to believe that the grandparent or great-grandparent has acted in a manner resulting in a child having ever been found to be an abused child or a neglected child.

i. The wishes and concerns of the child's parent, as expressed by the parent to the court.

j. Any other factor in the best interest of the child.

5. For the purposes of this subsection "*substantial relationship*" includes but is not limited to any of the

6. If the court interviews any child concerning the child's wishes and concerns regarding parenting time or visitation, the interview shall be conducted in chambers, and only the child, the child's attorney, the judge, any necessary court personnel, and, in the judge's discretion, the attorney of the parent shall be permitted to be present in the chambers during the interview. A person shall not obtain or attempt to obtain from a child a written or recorded statement or affidavit setting forth the wishes and concerns of the child regarding parenting time or visitation.

7. For the purposes of [this section](#), "court" means the district court or the juvenile court if that court currently has jurisdiction over the child in a pending action. If an action is not pending, the district court has jurisdiction.

If any other custodial proceeding is pending when an action to establish, enforce, or modify visitation under [this section](#) is filed, venue shall be located exclusively in the county where the pending custodial proceeding was filed.

12. A grandparent or great-grandparent shall not petition for visitation under this section more than once every two years absent a showing of good cause.

13. The court shall not issue an order restricting the movement of the child if such restriction is solely for the purpose of allowing the grandparent or great-grandparent the opportunity to exercise the grandparent's or great-grandparent's visitation under this section.

1. a. For the purpose of securing one or more issues of bonds for the fund, the authority treasurer of state, with the approval of the board, may authorize the establishment of one or more special funds, called "*capital reserve funds*". The authority treasurer of state may pay into the capital reserve funds the proceeds of the sale of its bonds and other money which may be made available to the authority treasurer of state from other sources for the purposes of the capital reserve funds. Except as provided in [this section](#), money in a capital reserve fund shall be used only as required for any of the following:

~~a.~~ (1) The payment of the principal of and interest on bonds or of the sinking fund payments with respect to those bonds.

~~b.~~ (2) The purchase or redemption of the bonds.

~~c.~~ (3) The payment of a redemption premium required to be

paid when the bonds are redeemed before maturity.

b. However, money in a capital reserve fund shall not be withdrawn if the withdrawal would reduce the amount in the capital reserve fund to less than the capital reserve fund requirement, except for the purpose of making payment, when due, of principal, interest, redemption premiums on the bonds, and making sinking fund payments when other money pledged to the payment of the bonds is not available for the payments. Income or interest earned by, or increment to, a capital reserve fund from the investment of all or part of the capital reserve fund may be transferred by the authority treasurer of state to other accounts of the fund if the transfer does not reduce the amount of the capital reserve fund below the capital reserve fund requirement.

2. If the authority treasurer of state decides to issue bonds secured by a capital reserve fund, the bonds shall not be issued if the amount in the capital reserve fund is less than the capital reserve fund requirement, unless at the time of issuance of the bonds the authority treasurer of state deposits in the capital reserve fund from the proceeds of the bonds to be issued or from other sources, an amount which, together with the amount then in the capital reserve fund, is not less than the capital reserve fund requirement.

3. In computing the amount of a capital reserve fund for the purpose of [this section](#), securities in which all or a portion of the capital reserve fund is invested shall be valued by a reasonable method established by the authority treasurer of state. Valuation shall include the amount of interest earned or accrued as of the date of valuation.

4. In [this section](#), "*capital reserve fund requirement*" means the amount required to be on deposit in the capital reserve fund as of the date of computation.

5. To assure maintenance of the capital reserve funds, the authority treasurer of state shall, on or before July 1 of each calendar year, make and deliver to the governor the authority's treasurer of state's certificate stating the sum, if any, required to restore each capital reserve fund to the capital reserve fund requirement for that fund. Within thirty days after the beginning of the session of the general assembly next following the delivery of the certificate, the governor may submit to both houses printed copies of a budget including the sum, if any, required to restore each capital reserve fund to the capital reserve fund requirement for that fund. Any sums

appropriated by the general assembly and paid to the authority treasurer of state pursuant to this section shall be deposited in the applicable capital reserve fund.

6. All amounts paid by the state pursuant to this section shall be considered advances by the state and, subject to the rights of the holders of any bonds of the authority treasurer of state that have previously been issued or will be issued, shall be repaid to the state without interest from all available revenues of the fund in excess of amounts required for the payment of bonds of the authority treasurer of state, the capital reserve fund, and operating expenses.

7. If any amount deposited in a capital reserve fund is withdrawn for payment of principal, premium, or interest on the bonds or sinking fund payments with respect to bonds thus reducing the amount of that fund to less than the capital reserve fund requirement, the authority treasurer of state shall immediately notify the governor and the general assembly of this event and shall take steps to restore the capital reserve fund to the capital reserve fund requirement for that fund from any amounts designated as being available for such purpose.

Sec. 192. Section 455G.8, subsection 2, Code 2009, is amended to read as follows:

2. *Statutory allocations fund.* The moneys credited from the statutory allocations fund under section 321.145, subsection 2, paragraph "a", shall be allocated, consistent with this chapter, among the fund's accounts, for debt service and other fund expenses, according to the fund budget, resolution, trust agreement, or other instrument prepared or entered into by the board or authority treasurer of state under direction of the board.
