Sec. 11. Section 423.46, Code 2009, is amended to read as follows:

423.46 Rate and base changes — liability for failure to collect.

1. The department shall make a reasonable effort to provide sellers with as much advance notice as practicable of a rate change and to notify sellers of legislative changes in the tax base and amendments to sales and use tax rules. Failure of a seller to receive notice or failure of this state to provide notice or limit the effective date of a rate change shall not relieve the seller of its obligation to collect sales or use taxes for this state. Except as provided in subsection 2, a seller shall not be relieved of the obligation to collect sales or use taxes for this state by either a failure to receive such notice or by a failure of the state to provide notice.

2. A seller will be relieved of liability for failing to collect sales or use taxes for this state at the new rate under

all of the following conditions and to the following extent:

a. The department fails to provide for at least thirty days between the enactment of the statute providing for a rate change and the effective date of such rate change.

b. The seller continues to collect sales or use taxes at the rate in effect immediately prior to the rate change.

c. The erroneous collection described in paragraph "b" does not continue for more than thirty days after the effective date of the rate change.

3. The relief from the obligation to collect sales or use taxes described in subsection 2 shall not apply if a seller fraudulently fails to collect tax at the new rate or if a seller has solicited purchasers on the basis of the rate in effect immediately prior to the rate change.

Sec. 12. Section 423.48, subsection 2, Code 2009, is amended by adding the following new paragraph:

NEW PARAGRAPH. *h.* Upon the registration of a seller, the department shall provide to the seller information regarding the options available for the filing of returns and remittances. Such information shall include information on the requirements of filing simplified electronic returns and remittances.

Sec. 13. Section 423.48, subsection 3, Code 2009, is amended by adding the following new paragraph:

NEW PARAGRAPH. *d.* A model 2, model 3, or model 4 seller making no sales sourced in the state in the preceding twelve months may elect to be registered in the state as a seller that anticipates making no sales sourced in the state. Making such an election shall not relieve the seller of the obligation to collect and remit sales or use taxes on sales sourced in the state.

Sec. 14. Section 423.48, Code 2009, is amended by adding the following new subsection:

NEW SUBSECTION. 4. The provisions of this section shall not be construed to relieve a seller of the obligation to register in the state if required to do so, and to collect and remit sales or use taxes for at least thirty-six months and to meet any other requirements necessary for amnesty in Iowa under the terms of an agreement as provided in section 423.54.

Sec. 15. Section 423.49, Code 2009, is amended by striking the section and inserting in lieu thereof the following:

423.49 Return requirements — electronic filing.

1. Except as provided in subsection 7, all sellers

registered under the agreement shall file a single return per month for the state and all taxing jurisdictions within this state.

2. The director shall by rule determine the date on which returns shall be filed. The date shall not be earlier than the twentieth day of the following month.

3. The department shall provide to all registered and unregistered sellers, except sellers of products qualifying for exclusion from the provisions of section 308 of the agreement, a simplified return that can be filed electronically.

a. The simplified return shall be provided in a form approved by the governing board and shall not contain a field unless that field has been approved by the governing board.

b. The simplified return shall contain two parts. The first part shall contain information relating to remittances and allocations. The second part shall contain information relating to exempt sales.

c. The department shall notify the governing board if the submission of the second part of the return is no longer necessary.

d. The department shall not require a model 4 seller to submit the second part of the simplified return but may provide for another means of collecting the information contained in the second part of the return as described in subsection 4, paragraph "e".

4. a. A certified service provider shall file a simplified return electronically on behalf of a model 1 seller and shall file audit reports for the seller as provided for in article V of the rules and procedures of the agreement.

b. A certified service provider shall file the first part of the simplified return, as described in subsection 3, once per month, as required pursuant to subsection 1.

c. A model 1 seller may file both the first and second parts of the simplified return. Model 1 sellers filing both parts shall also file audit reports as described in paragraph "a".

d. A model 4 seller may elect to file a simplified return. Model 4 sellers electing to do so shall file the first part of the return each month.

e. A model 4 seller required to register in the state may submit the information collected in the second part of the return in one of the following ways:

(1) By filing monthly both the first and second parts electronically on a simplified return as described in

subsection 3.

(2) By filing the second part together with the required December filing of the first part. A seller filing the second part of a return pursuant to this subparagraph shall include information for all months of that calendar year and shall report the information in an annual rather than a monthly fashion.

(3) The department shall notify the governing board prior to requiring the submission of the second part of the simplified return pursuant to this paragraph "e".

5. The department shall adopt rules for the filing of returns by a model 4 seller electing not to file a simplified return pursuant to this section.

6. A seller which has previously elected to file a simplified return shall provide at least three months' notice of an intent to discontinue the filing of such returns.

7. *a.* A seller making the election under section 423.48, subsection 3, paragraph "d", is exempt from the requirements of this section and shall not be required to file a return.

b. The exemption allowed under paragraph "a" is only applicable as long as a seller makes no taxable sales in this state. If a seller makes a taxable sale in this state, the seller shall file a return the month after such a sale is made.

8. A seller may file a return for more than one legal entity at the same time only if such entities are affiliated.

9. The department shall adopt a standardized process for the transmission and receipt of returns and related information. The adoption of a procedure pursuant to this subsection is subject to the approval of the governing board.

10. *a.* The department shall notify a seller registered under the agreement that has no obligation to register in this state of a failure to file a return required under this section and allow the seller at least thirty days after such notification to file the return.

b. A liability amount may be established for an assessment of taxes based solely on a seller's failure to timely file a return if such seller has a history of nonfiling or late filing.

Sec. 16. Section 423.50, Code 2009, is amended by adding the following new subsection:

NEW SUBSECTION. 5. The department shall adopt a standardized process for the remittance of tax payments. The procedure shall have the capability of processing multiple

payments and simplified returns by affiliated entities, certified service providers, or tax preparers. The process adopted pursuant to this subsection is subject to the approval of the governing board.

Sec. 17. EFFECTIVE UPON ENACTMENT. This Act, being deemed of immediate importance, takes effect upon enactment.
