Such certification shall include all amounts which qualify for payment from the special fund referred to in subsection 2 during the next fiscal year and all amounts which qualify for payment from the special fund in any subsequent fiscal year. If any loans, advances, indebtedness, or bonds are issued which qualify for payment from the special fund and which are in addition to amounts already certified, the municipality shall certify the amount of the additional obligations on or before December 1 of the year such obligations were issued, and the filing of the certificate shall make it a duty of the auditor to provide for the division of taxes in each subsequent year without further certification,

except as provided in paragraphs "b" and "c", until the amount of the loans, advances, indebtedness, or bonds is paid to the special fund. Any subsequent certifications under this subsection shall not include amounts previously certified.

Sec. 18. Section 403.19, subsection 6, Code Supplement 2011, is amended by adding the following new paragraph:

NEW PARAGRAPH. *d.* For purposes of this section, "indebtedness" includes but is not limited to written agreements whereby the municipality agrees to exempt, rebate, refund, or reimburse property taxes, provide a grant for property taxes paid, or make a direct payment of taxes, with moneys in the special fund referred to in subsection 2, and bonds, notes, or other obligations that are secured by or subject to payment from moneys appropriated by the municipality from moneys in the special fund referred to in subsection 2.

Sec. 19. Section 403.19, Code Supplement 2011, is amended by adding the following new subsection:

NEW SUBSECTION. 9. *a.* Moneys from any source deposited into the special fund created in this section shall not be expended for or otherwise used in connection with an urban renewal project approved on or after the effective date of this Act that includes the relocation of a commercial or industrial enterprise not presently located within the municipality, unless one of the following occurs:

(1) The local governing body of the municipality where the commercial or industrial enterprise is currently located and the local governing body of the municipality where the commercial or industrial enterprise is proposing to relocate have either entered into a written agreement concerning the relocation of the commercial or industrial enterprise or have entered into a written agreement concerning the general use of economic incentives to attract commercial or industrial development within those municipalities.

(2) The local governing body of the municipality where the commercial or industrial enterprise is proposing to relocate finds that the use of deposits into the special fund for an urban renewal project that includes such a relocation is in the public interest. A local governing body's finding that an urban renewal project that includes a commercial or industrial enterprise relocation is in the public interest shall include written verification from the commercial or industrial enterprise that the enterprise is actively considering moving all or a part of its operations to a location outside the state

and a specific finding that such an out-of-state move would result in a significant reduction in either the enterprise's total employment in the state or in the total amount of wages earned by employees of the enterprise in the state.

b. For the purposes of this subsection, "*relocation*" means the closure or substantial reduction of an enterprise's existing operations in one area of the state and the initiation of substantially the same operation in the same county or a contiguous county in the state. This subsection does not prohibit an enterprise from expanding its operations in another area of the state provided that existing operations of a similar nature are not closed or substantially reduced.

Sec. 20. Section 403.19, Code Supplement 2011, is amended by adding the following new subsection:

NEW SUBSECTION. 10. *a.* Interest or earnings received on amounts deposited into the special fund created in this section and the net proceeds from the sale of assets purchased using amounts deposited into the special fund created in this section shall be credited to the special fund and shall be used solely for the purposes specified in this section.

b. Moneys in the special fund created in this section shall not be transferred to another fund of the municipality except for the payment of loans, advances, indebtedness, or bonds that qualify for payment from the special fund.

Sec. 21. Section 403.19, Code Supplement 2011, is amended by adding the following new subsection:

NEW SUBSECTION. 11. For any fiscal year, a municipality may certify to the county auditor for instructional support program property tax revenue necessary for payment of principal and interest on bonds issued or other indebtedness incurred for an urban renewal project on or before April 24, 2012. If for any fiscal year a municipality fails to certify to the county auditor by July 1 the amount of instructional support program property tax revenue necessary for payment of principal and interest on such bonds, as provided in subsection 2, the school district is not required to pay over the revenue to the municipality. If a school district and a municipality are unable to agree on the amount of instructional support program property tax revenue certified by the municipality, either party may request that the state appeal board review and finally pass upon the amount that may be certified. Such appeals must be presented in writing to the state appeal board no later than July 31 following certification. The burden

shall be on the municipality to prove that the instructional support program property tax revenue is necessary to pay principal and interest on the applicable bonds. A final decision must be issued by the state appeal board no later than the following October 1.

For any year in which the municipality is audited in accordance with section 11.6, such certification shall be audited as part of the municipality's audit.

2. The certification required under this section shall include such information or documentation deemed appropriate by the auditor of state including but not limited to the information required to be reported under section 331.403, subsection 3, or section 384.22, subsection 2, as applicable.

The designated amount may be all or a portion of such increased revenues.

b. A city shall not adopt an ordinance under paragraph "a" unless the board of supervisors of each county where the urban renewal area from which such local sales and services tax revenues are to be collected and used to fund urban renewal projects is located first adopts a resolution approving the collection and use of such local sales and services tax revenues.
