AN ACT

RELATING TO INTERMEDIATE DRIVER'S LICENSES AND SPECIAL MINOR'S LICENSES, MAKING A PENALTY APPLICABLE, AND INCLUDING EFFECTIVE DATE PROVISIONS.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

Section 1. Section 321.180B, subsection 2, Code 2013, is amended to read as follows:

2. *Intermediate license.*

a. The department may issue an intermediate driver's license to a person sixteen or seventeen years of age who possesses an instruction permit issued under subsection 1 or a comparable instruction permit issued by another state for a minimum of ~~six~~ twelve months immediately preceding application, and who presents an affidavit signed by a parent, guardian, or custodian on a form to be provided by the department that the permittee has accumulated a total of twenty hours of street or highway driving of which two hours were conducted after sunset and before sunrise and the street or highway driving was with the permittee's parent, guardian, custodian, instructor, a person certified by the department, or a person at least twenty-five years of age who had written permission from a parent, guardian, or custodian to accompany the permittee, and whose driving privileges have not been suspended, revoked, or barred under this chapter or chapter 321J during, and who has been accident and violation free continuously for, the six-month period immediately preceding the application for an intermediate license. An applicant for an intermediate license must meet the requirements of section 321.186, including satisfactory completion of driver education as required in section 321.178, and payment of the required license fee before

an intermediate license will be issued. A person issued an intermediate license must limit the number of passengers in the motor vehicle when the intermediate licensee is operating the motor vehicle to the number of passenger safety belts. In addition, unless waived by the person's parent or guardian at the time the intermediate license is issued, for the first six months following issuance of the license, a person issued an intermediate license must limit the number of unrelated minor passengers in the motor vehicle when the intermediate licensee is operating the motor vehicle to one, except when the intermediate licensee is accompanied in accordance with subsection 1. For purposes of this subsection, "unrelated minor passenger" means a passenger who is under eighteen years of age and who is not a sibling of the driver, a stepsibling of the driver, or a child who resides in the same household as the driver. The department shall prescribe the form for waiver of the six-month restriction on unrelated minor passengers, which may be in an electronic format, and shall designate characteristics for the intermediate license that shall distinguish between an intermediate license that includes the six-month restriction on unrelated minor passengers and an intermediate license that does not include the six-month restriction on unrelated minor passengers.

b. Except as otherwise provided, a person issued an intermediate license under this subsection who is operating a motor vehicle between the hours of 12:30 a.m. and 5:00 a.m. must be accompanied by a person issued a driver's license valid for the vehicle operated who is the parent, guardian, or custodian of the permittee intermediate licensee, a member of the permittee's intermediate licensee's immediate family if the family member is at least twenty-one years of age, an approved driver education instructor, a prospective driver education instructor who is enrolled in a practitioner preparation program with a safety education program approved by the state board of education, or a person at least twenty-five years of age if written permission is granted by the parent, guardian, or custodian, and who is actually occupying a seat beside the driver. However, a licensee may operate a vehicle to and from school-related extracurricular activities and work without an accompanying driver between the hours of 12:30 a.m. and 5:00 a.m. if ~~such~~ the licensee possesses a waiver on a form to be provided by the department. An accompanying driver is not required between the hours of 5:00 a.m. and 12:30 a.m.

Sec. 2. Section 321.194, subsection 1, Code 2013, is amended by adding the following new paragraph:

NEW PARAGRAPH. *Ob.* Unless accompanied in accordance with section 321.180B, subsection 1, a person issued a driver's license pursuant to this section must limit the number of unrelated minor passengers in the motor vehicle when the licensee is operating the motor vehicle to one. For purposes of this section, "unrelated minor passenger" means a passenger who is under eighteen years of age and who is not a sibling of the driver, a stepsibling of the driver, or a child who resides in the same household as the driver.

Sec. 3. EFFECTIVE DATE. This Act takes effect January 1, 2014.
