SPECIAL APPROPRIATIONS

GENERAL FUND

Sec. 4. DAIRY REGULATION. There is appropriated from the general fund of the state to the department of agriculture and land stewardship for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

1. For purposes of performing functions pursuant to section 192.109, including conducting a survey of grade "A" milk and certifying the results to the secretary of agriculture:

..... \$ 189,196

2. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available to be used for the purposes designated until the close of the succeeding fiscal year.

Sec. 5. LOCAL FOOD AND FARM PROGRAM. There is appropriated from the general fund of the state to the department of agriculture and land stewardship for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

1. For purposes of supporting the local food and farm program pursuant to chapter 267A:

..... \$ 75,000

2. The department shall enter into a cost-sharing agreement with Iowa state university to support the local food and farm program coordinator position as part of the university's cooperative extension service in agriculture and home economics pursuant to chapter 267A.

3. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available to be used for the purposes designated until the close of the succeeding fiscal year.

Sec. 6. AGRICULTURAL EDUCATION. There is appropriated from

the general fund of the state to the department of agriculture and land stewardship for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

1. For purposes of allocating moneys to an Iowa association affiliated with a national organization which promotes agricultural education providing for future farmers:
..... \$ 25,000

2. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available to be used for the purposes designated until the close of the succeeding fiscal year.

Sec. 7. FARMERS WITH DISABILITIES PROGRAM.

1. There is appropriated from the general fund of the state to the department of agriculture and land stewardship for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For purposes of supporting a program for farmers with disabilities:
..... \$ 130,000

2. The moneys appropriated in subsection 1 shall be used for the public purpose of providing a grant to a national nonprofit organization with over 80 years of experience in assisting children and adults with disabilities and special needs.

a. The moneys shall be used to support a nationally recognized program that began in 1986 and has been replicated in at least 30 other states, but which is not available through any other entity in this state, and that provides assistance to farmers with disabilities in all 99 counties to allow the farmers to remain in their own homes and be gainfully engaged in farming through provision of agricultural worksite and home modification consultations, peer support services, services to families, information and referral, and equipment loan services.

b. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

GENERAL FUND
DEPARTMENT OF AGRICULTURE AND LAND STEWARDSHIP
WATER QUALITY
APPROPRIATIONS FOR FY 2013-2014

Sec. 8. WATER QUALITY INITIATIVE — GENERAL.

1. There is appropriated from the general fund of the state to the department of agriculture and land stewardship for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For deposit in the water quality initiative fund created in section 466B.45, as enacted by this Act, for purposes of supporting the water quality initiative administered by the soil conservation division as provided in section 466B.42, as enacted by this Act, including salaries, support, maintenance, miscellaneous purposes, and for not more than the following full-time equivalent positions:

.....	\$	2,400,000
.....	FTEs	1.00

2. The moneys appropriated in subsection 1 shall be used to support reducing nutrients in subwatersheds as designated by the division that are part of high-priority watersheds identified by the water resources coordinating council established pursuant to section 466B.3. In supporting reducing nutrients in subwatersheds, the division shall establish and administer demonstration projects as follows:

a. The demonstration projects shall utilize water quality practices as described in the latest revision of the document entitled "Iowa Nutrient Reduction Strategy" initially presented in November 2012 by the department of agriculture and land stewardship, the department of natural resources, and Iowa state university of science and technology.

b. The division shall implement demonstration projects as provided in paragraph "a" by providing for participation by persons who hold a legal interest in agricultural land used in farming. To every extent practical, the division shall provide for collaborative participation by such persons who hold a legal interest in agricultural land located within the same subwatershed.

c. The division shall implement a demonstration project on a cost-share basis as determined by the division. However, the state's share of the amount shall not exceed 50 percent of the estimated cost of establishing the practice as determined by

the division or 50 percent of the actual cost of establishing the practice, whichever is less.

d. The demonstration projects shall be used to educate other persons about the feasibility and value of establishing similar water quality practices. The division shall promote field day events for purposes of allowing interested persons to establish water quality practices on their agricultural land.

e. The division shall conduct water quality evaluations within supported subwatersheds. Within a reasonable period after accumulating information from such evaluations, the division shall create an aggregated database of water quality practices. Any information identifying a person holding a legal interest in agricultural land or specific agricultural land shall be a confidential record under section 22.7.

3. The moneys appropriated in subsection 1 shall be used to support education and outreach in a manner that encourages persons who hold a legal interest in agricultural land used for farming to implement water quality practices, including the establishment of such practices in watersheds generally, and not limited to subwatersheds or high-priority watersheds.

4. The moneys appropriated in subsection 1 may be used to contract with persons to coordinate the implementation of efforts provided in this section. Not more than \$150,000 shall be used to support the administration of this section by a full-time equivalent position.

5. Notwithstanding any other provision of law to the contrary, the department may use moneys appropriated in subsection 1 in combination with other moneys appropriated to the department from the environment first fund created in section 8.57A for cost sharing to match the United States department of agriculture, natural resources conservation service, wetland reserve enhancement program.

Sec. 9. IOWA NUTRIENT RESEARCH CENTER.

1. There is appropriated from the general fund of the state to Iowa state university of science and technology for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For purposes of supporting an Iowa nutrient research center as established in section 466B.47, as enacted in this Act:
..... \$ 1,500,000

2. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the

close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the fiscal year beginning July 1, 2014.

Sec. 10. WATER QUALITY INITIATIVE APPROPRIATIONS — FEDERAL MONEYS. The department of agriculture and land stewardship, and its soil conservation division, may use moneys appropriated in this division of this Act to support the water quality initiative, including its projects, as provided in this division of this Act, in combination with other moneys provided by the United States government.

Sec. 11. WATER QUALITY INITIATIVE — REPORT. The department of agriculture and land stewardship shall prepare a preliminary report and final report regarding its efforts to administer the water quality initiative as provided in this division. Each report shall include information regarding the establishment of water quality practices, including demonstration projects. The department shall deliver the preliminary report to the governor and general assembly not later than January 15, 2014, and shall deliver the final report to the governor and general assembly not later than January 15, 2015. A report shall not identify an individual or specific agricultural land.

DIVISION III

DEPARTMENT OF NATURAL RESOURCES

GENERAL APPROPRIATIONS FOR FY 2013-2014

Sec. 12. GENERAL FUND — DEPARTMENT.

1. There is appropriated from the general fund of the state to the department of natural resources for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For purposes of supporting the department, including its divisions, for administration, regulation, and programs; for salaries, support, maintenance, and miscellaneous purposes; and for not more than the following full-time equivalent positions:
..... \$ 12,766,700
..... FTEs 1,145.95

2. Of the number of full-time equivalent positions authorized to the department pursuant to subsection 1, 50.00 full-time equivalent positions shall be allocated by the department for seasonal employees for purposes of providing maintenance, upkeep, and sanitary services at state parks. This subsection shall not impact park ranger positions within the department.

3. The department shall submit a report each quarter of the fiscal year to the legislative services agency, the department of management, the members of the joint appropriations subcommittee on agriculture and natural resources, and the chairpersons and ranking members of the senate and house committees on appropriations. The report shall describe in detail the expenditure of moneys appropriated under this section to support the department's administration, regulation, and programs.

Sec. 13. STATE FISH AND GAME PROTECTION FUND — REGULATION AND ADVANCEMENT OF OUTDOOR ACTIVITIES.

1. There is appropriated from the state fish and game protection fund to the department of natural resources for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For purposes of supporting the regulation or advancement of hunting, fishing, or trapping, or the protection, propagation, restoration, management, or harvest of fish or wildlife, including for administration, regulation, law enforcement, and programs; and for salaries, support, maintenance, equipment, and miscellaneous purposes:

..... \$ 41,078,234

2. Notwithstanding section 455A.10, the department may use the unappropriated balance remaining in the state fish and game protection fund to provide for the funding of health and life insurance premium payments from unused sick leave balances of conservation peace officers employed in a protection occupation who retire, pursuant to section 97B.49B.

3. Notwithstanding section 455A.10, the department of natural resources may use the unappropriated balance remaining in the state fish and game protection fund for the fiscal year beginning July 1, 2013, and ending June 30, 2014, as is necessary to fund salary adjustments for departmental employees which the general assembly has made an operating budget appropriation for in subsection 1.

Sec. 14. GROUNDWATER PROTECTION FUND — WATER QUALITY. There is appropriated from the groundwater protection fund created in section 455E.11 to the department of natural resources for the fiscal year beginning July 1, 2013, and ending June 30, 2014, from those moneys which are not allocated pursuant to that section, the following amount, or so much thereof as is necessary, to be used for the purposes

designated:

For purposes of supporting the department's protection of the state's groundwater, including for administration, regulation, and programs, and for salaries, support, maintenance, equipment, and miscellaneous purposes:

..... \$ 3,455,832

DESIGNATED APPROPRIATIONS

2. The moneys appropriated in subsection 1 shall be used for the public purpose of providing a grant to a national nonprofit organization with over 80 years of experience in assisting children and adults with disabilities and special needs.

a. The moneys shall be used to support a nationally recognized program that began in 1986 and has been replicated in at least 30 other states, but which is not available through any other entity in this state, and that provides assistance to farmers with disabilities in all 99 counties to allow the farmers to remain in their own homes and be gainfully engaged

in farming through provision of agricultural worksite and home modification consultations, peer support services, services to families, information and referral, and equipment loan services.

b. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

DIVISION VIII
GENERAL FUND
DEPARTMENT OF AGRICULTURE AND LAND STEWARDSHIP
WATER QUALITY
APPROPRIATIONS FOR FY 2014-2015

Sec. 34. WATER QUALITY INITIATIVE — GENERAL.

1. There is appropriated from the general fund of the state to the department of agriculture and land stewardship for the fiscal year beginning July 1, 2014, and ending June 30, 2015, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For deposit in the water quality initiative fund created in section 466B.45, as enacted by this Act, for purposes of supporting the water quality initiative administered by the soil conservation division as provided in section 466B.42, as enacted by this Act, including salaries, support, maintenance, miscellaneous purposes, and for not more than the following full-time equivalent positions:

.....	\$ 4,400,000
.....	FTEs 1.00

2. The moneys appropriated in subsection 1 shall be used to support reducing nutrients in subwatersheds as designated by the division that are part of high-priority watersheds identified by the water resources coordinating council established pursuant to section 466B.3. In supporting reducing nutrients in subwatersheds, the division shall establish and administer demonstration projects as follows:

a. The demonstration projects shall utilize water quality practices as described in the latest revision of the document entitled "Iowa Nutrient Reduction Strategy" initially presented in November 2012 by the department of agriculture and land stewardship, the department of natural resources, and Iowa state university of science and technology.

b. The division shall implement demonstration projects as

provided in paragraph "a" by providing for participation by persons who hold a legal interest in agricultural land used in farming. To every extent practical, the division shall provide for collaborative participation by such persons who hold a legal interest in agricultural land located within the same subwatershed.

c. The division shall implement a demonstration project on a cost-share basis as determined by the division. However, the state's share of the amount shall not exceed 50 percent of the estimated cost of establishing the practice as determined by the division or 50 percent of the actual cost of establishing the practice, whichever is less.

d. The demonstration projects shall be used to educate other persons about the feasibility and value of establishing similar water quality practices. The division shall promote field day events for purposes of allowing interested persons to establish water quality practices on their agricultural land.

e. The division shall conduct water quality evaluations within supported subwatersheds. Within a reasonable period after accumulating information from such evaluations, the division shall create an aggregated database of water quality practices. Any information identifying a person holding a legal interest in agricultural land or specific agricultural land shall be a confidential record under section 22.7.

3. The moneys appropriated in subsection 1 shall be used to support education and outreach in a manner that encourages persons who hold a legal interest in agricultural land used for farming to implement water quality practices, including the establishment of such practices in watersheds generally, and not limited to subwatersheds or high-priority watersheds.

4. The moneys appropriated in subsection 1 may be used to contract with persons to coordinate the implementation of efforts provided in this section. Not more than \$150,000 shall be used to support the administration of this section by a full-time equivalent position.

5. Notwithstanding any other provision of law to the contrary, the department may use moneys appropriated in subsection 1 in combination with other moneys appropriated to the department from the environment first fund created in section 8.57A for cost sharing to match the United States department of agriculture, natural resources conservation service, wetland reserve enhancement program.

Sec. 35. IOWA NUTRIENT RESEARCH CENTER.

1. There is appropriated from the general fund of the state to Iowa state university of science and technology for the fiscal year beginning July 1, 2014, and ending June 30, 2015, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For purposes of supporting an Iowa nutrient research center as established in section 466B.47, as enacted in this Act:

..... \$ 750,000

2. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the fiscal year beginning July 1, 2015.

Sec. 36. WATER QUALITY INITIATIVE APPROPRIATIONS — FEDERAL MONEYS. The department of agriculture and land stewardship, and its soil conservation division, may use moneys appropriated in this division of this Act to support the water quality initiative, including its projects, as provided in this division of this Act, in combination with other moneys provided by the United States government.

The division shall establish a water quality initiative in order to assess and reduce nutrients in this state's watersheds, including subwatersheds, and regional watersheds. The division shall establish and administer projects to reduce nutrients in surface waters from nonpoint sources in a scientific, reasonable, and cost-effective manner. The division shall utilize a pragmatic, strategic, and coordinated approach with the goal of accomplishing reductions over time.

Sec. 61. NEW SECTION. 466B.45 Water quality initiative fund.

1. A water quality initiative fund is created in the state treasury under the management and control of the division.

2. The fund shall include moneys appropriated by the general assembly. The fund may include other moneys available to and obtained or accepted by the division, including moneys from public or private sources.

3. Moneys in the fund are appropriated to the division and shall be used exclusively to carry out the provisions of this subchapter as determined by the division, and shall not require

further special authorization by the general assembly.

4. *a.* Notwithstanding section 12C.7, interest or earnings on moneys in the fund shall be credited to the fund.

b. Notwithstanding section 8.33, moneys appropriated or otherwise credited to the fund for a fiscal year shall not revert to the fund from which appropriated at the close of the fiscal year for which the appropriation was made but shall remain available for expenditure for the purposes designated until the close of the fiscal year that begins three years from the beginning date of the fiscal year for which the appropriation was made.

Sec. 62. NEW SECTION. 466B.47 Iowa nutrient research center — establishment and purpose.

1. The state board of regents shall establish and maintain in Ames as part of Iowa state university of science and technology an Iowa nutrient research center.

2. The purpose of the center shall be to pursue a science-based approach to nutrient management research that may include but is not limited to evaluating the performance of current and emerging nutrient management practices, and using an adaptive management framework for providing recommendations for the implementation of nutrient management practices and the development of new nutrient management practices.

3. The center shall be administered by a director who shall be appointed by the dean of the college of agriculture and life sciences of Iowa state university of science and technology.

4. The center shall facilitate collaboration among appropriate institutions of higher education governed by the state board of regents, including but not limited to institutes, departments, and centers.

5. Any information collected or received by the center that identifies a person holding a legal interest in agricultural land or specific agricultural land shall be a confidential record under section 22.7.

Sec. 63. NEW SECTION. 466B.48 Iowa nutrient research center advisory council — establishment and purpose.

1. The state board of regents shall establish and maintain in Ames as part of Iowa state university of science and technology an Iowa nutrient research center advisory council.

2. The council shall consist of the following members:

a. The dean of the college of agriculture and life sciences of Iowa state university of science and technology, or the dean's designee.

b. The director of the Iowa state university of science and technology extension service, or the director's designee.

c. A representative of the IIHR — hydroscience and engineering within the college of engineering of the university of Iowa who shall be appointed by the president of the university.

d. A person knowledgeable in an area related to nutrient research who shall be appointed by the president of the university of northern Iowa.

e. A person knowledgeable in an area related to nutrient research who shall be appointed by the state association of private colleges and universities.

f. The secretary of agriculture or the secretary's designee.

g. The administrative director of the soil conservation division of the department of agriculture and land stewardship as provided in chapter 161A, or the administrative director's designee.

h. The director of the department of natural resources, or the director's designee.

3. *a.* An appointed or designated member of the council shall serve at the pleasure of the person making the appointment or designation.

b. A majority of the members of the council as provided in subsection 2 constitutes a quorum. Any action taken by the council must be adopted by the affirmative vote of a majority of its members present, except that a lesser number may adjourn a meeting. The majority shall not include any member who has a conflict of interest and a statement by a member of a conflict of interest shall be conclusive for this purpose.

c. The council shall elect a chairperson and any other officers from the membership of the council as the council determines necessary. An officer shall serve for a term required by rules adopted by the council. A vacancy in the membership does not impair the right of a quorum to exercise all rights and perform all duties of the council.

d. The council shall adopt rules that it determines are necessary for the conduct of business.

e. Only the member appointed by the state association of private colleges and universities is eligible for reimbursement of actual expenses as provided in section 7E.6. However, no member is eligible for a payment of a per diem.

4. The council shall function on a continuing basis for the study, and recommendation of solutions for consideration by the

Iowa nutrient research center in carrying out its purpose as provided in section 466B.47.
