Rules adopted in accordance with this paragraph shall provide that in determining whether a person should be denied a license or that a practitioner's license should be revoked, the board shall consider the nature and seriousness of the founded abuse or crime in relation to the position sought, the time elapsed since the crime was committed, the degree of rehabilitation which has taken place since the incidence of founded abuse or the commission of the crime, the likelihood that the person

will commit the same abuse or crime again, and the number of founded abuses committed by or criminal convictions of the person involved.

A certified copy of the final order or judgment of conviction or plea of guilty in this state or in another state constitutes conclusive evidence of the conviction.

Sec. 26. NEW SECTION. 272C.12 **Licensure of persons licensed in other jurisdictions.**

1. Notwithstanding any other provision of law, an occupational or professional license, certificate, or registration, including a license, certificate, or registration issued by the board of educational examiners, shall be issued without an examination to a person who establishes residency in this state or to a person who is married to an active duty member of the military forces of the United States and who is accompanying the member on an official permanent change of station to a military installation located in this state if all

of the following conditions are met:

*a.* The person is currently licensed, certified, or registered by at least one other issuing jurisdiction in the occupation or profession applied for with a substantially similar scope of practice and the license, certificate, or registration is in good standing in all issuing jurisdictions in which the person holds a license, certificate, or registration.

*b.* The person has been licensed, certified, or registered by another issuing jurisdiction for at least one year.

*c.* When the person was licensed by the issuing jurisdiction, the issuing jurisdiction imposed minimum educational requirements and, if applicable, work experience and clinical supervision requirements, and the issuing jurisdiction verifies that the person met those requirements in order to be licensed in that issuing jurisdiction.

*d.* The person previously passed an examination required by the other issuing jurisdiction for licensure, certification, or registration, if applicable.

*e.* The person has not had a license, certificate, or registration revoked and has not voluntarily surrendered a license, certificate, or registration in any other issuing jurisdiction or country while under investigation for unprofessional conduct.

*f.* The person has not had discipline imposed by any other regulating entity in this state or another issuing jurisdiction or country. If another jurisdiction has taken disciplinary action against the person, the appropriate licensing board shall determine if the cause for the action was corrected and the matter resolved. If the licensing board determines that the matter has not been resolved by the jurisdiction imposing discipline, the licensing board shall not issue or deny a license, certificate, or registration to the person until the matter is resolved.

*g.* The person does not have a complaint, allegation, or investigation pending before any regulating entity in another issuing jurisdiction or country that relates to unprofessional conduct. If the person has any complaints, allegations, or investigations pending, the appropriate licensing board shall

not issue or deny a license, certificate, or registration to the person until the complaint, allegation, or investigation is resolved.

*h.* The person pays all applicable fees.

*i.* The person does not have a criminal history that would prevent the person from holding the license, certificate, or registration applied for in this state.

2. A person licensed pursuant to this section is subject to the laws regulating the person's practice in this state and is subject to the jurisdiction of the appropriate licensing board.

3. This section does not apply to any of the following:

*b.* Criteria for a license, certificate, or registration that is established by an interstate compact.

*c.* The ability of a licensing board, agency, or department to require a person to take and pass an examination specific to the laws of this state prior to issuing a license. A licensing board, agency, or department that requires an applicant to take and pass an examination specific to the laws of this state shall issue an applicant a temporary license that is valid for a period of three months and may be renewed once for an additional period of three months.

*d.* A license issued by the department of transportation.

*e.* A person who is licensed by another issuing jurisdiction and is granted a privilege to practice in this state by another provision of law without receiving a license in this state.

*f.* A person applying for a license through a national licensing organization.

4. A license, certificate, or registration issued pursuant to this section does not grant the person receiving the license, certificate, or registration eligibility to practice pursuant to an interstate compact. A licensing board shall determine eligibility for a person to hold a license, certificate, or registration pursuant to this section regardless of the person's eligibility to practice pursuant to an interstate compact.

5. For the purposes of this section, "*issuing jurisdiction*"

means the duly constituted authority in another state that has issued a professional license, certificate, or registration to a person.

**Sec. 27. NEW SECTION. 272C.13 Educational requirements — work experience.**

1. Except as provided in subsection 2, a person applying for a professional or occupational license, certificate, or registration in this state who relocates to this state from another state that did not require a professional or occupational license, certificate, or registration to practice the person's profession or occupation may be considered to have met any education, training, or work experience requirements imposed by a licensing board in this state if the person has three or more years of related work experience with a substantially similar scope of practice within the four years preceding the date of application as determined by the board.

2. This section does not apply to a license, certificate, or registration issued by the board of medicine, the board of nursing, the dental board, the board of pharmacy, or the board of educational examiners.

3. If this Code or administrative rules require a person applying for a professional or occupational license, certificate, or registration in this state to pass an examination to obtain the license, certificate, or registration, a person applying for licensure, certification, or registration under this section shall be required to pass the same examination.

**Sec. 28. NEW SECTION. 272C.14 Waiver of fees.**

A licensing board, agency, or department shall waive any fee charged to an applicant for a license if the applicant's household income does not exceed two hundred percent of the federal poverty income guidelines and the applicant is applying for the license for the first time in this state.

**Sec. 29. NEW SECTION. 272C.15 Disqualifications for criminal convictions limited.**

1. Notwithstanding any other provision of law to the contrary, except for chapter 272, a person's conviction of a crime may be grounds for the denial, revocation, or suspension of a license only if an unreasonable risk to public safety

exists because the offense directly relates to the duties and responsibilities of the profession and the appropriate licensing board, agency, or department does not grant an exception pursuant to subsection 4.

2. A licensing board, agency, or department that may deny a license on the basis of an applicant's conviction record shall provide a list of the specific convictions that may disqualify an applicant from receiving a license. Any such offense shall be an offense that directly relates to the duties and responsibilities of the profession.

3. A licensing board, agency, or department shall not deny an application for a license on the basis of an arrest that was not followed by a conviction or based on a finding that an applicant lacks good character, suffers from moral turpitude, or on other similar basis.

4. A licensing board, agency, or department shall grant an exception to an applicant who would otherwise be denied a license due to a criminal conviction if the following factors establish by clear and convincing evidence that the applicant is rehabilitated and an appropriate candidate for licensure:

*a.* The nature and seriousness of the crime for which the applicant was convicted.

*b.* The amount of time that has passed since the commission of the crime. There is a rebuttable presumption that an applicant is rehabilitated and an appropriate candidate for licensure five years after the date of the applicant's release from incarceration, provided that the applicant was not convicted of sexual abuse in violation of section 709.4, a sexually violent offense as defined in section 229A.2, dependent adult abuse in violation of section 235B.20, a forcible felony as defined in section 702.11, or domestic abuse assault in violation of section 708.2A, and the applicant has not been convicted of another crime after release from incarceration.

*c.* The circumstances relative to the offense, including any aggravating and mitigating circumstances or social conditions surrounding the commission of the offense.

*d.* The age of the applicant at the time the offense was committed.

*e.* Any treatment undertaken by the applicant.

*f.* Whether a certification of employability has been issued to the applicant pursuant to section 906.19.

*g.* Any letters of reference submitted on behalf of the applicant.

*h.* All other relevant evidence of rehabilitation and present fitness of the applicant.

5. An applicant may petition the relevant licensing board, agency, or department, in a form prescribed by the board, agency, or department, for a determination as to whether the applicant's criminal record will prevent the applicant from receiving a license. The board, agency, or department shall issue such a determination at the next regularly scheduled meeting of the board, agency, or department or within thirty days of receiving the petition, whichever is later. The board, agency, or department shall hold a closed session while determining whether an applicant's criminal record will prevent the applicant from receiving a license and while determining whether to deny an applicant's application on the basis of an applicant's criminal conviction. A board, agency, or department may charge a fee to recoup the costs of such a determination, provided that such fee shall not exceed twenty-five dollars.

6. *a.* A licensing board, agency, or department that denies an applicant a license solely or partly because of the applicant's prior conviction of a crime shall notify the applicant in writing of all of the following:

(1) The grounds for the denial or disqualification.

(2) That the applicant has the right to a hearing to challenge the licensing authority's decision.

(3) The earliest date the applicant may submit a new application.

(4) That evidence of rehabilitation of the applicant may be considered upon reapplication.

*b.* A determination by a licensing board, agency, or department that an applicant's criminal conviction is specifically listed as a disqualifying conviction and the offense directly relates to the duties and responsibilities of the applicant's profession must be documented in written

findings for each factor specified in subsection 4 sufficient for a review by a court.

c. In any administrative or civil hearing authorized by this section or chapter 17A, a licensing board, agency, or department shall carry the burden of proof on the question of whether the applicant's criminal offense directly relates to the duties and responsibilities of the profession for which the license is sought.

7. A board, agency, or department may require an applicant with a criminal record to submit the applicant's complete criminal record detailing an applicant's offenses with an application. A board, agency, or department may also require an applicant with a criminal record to submit a personal statement regarding whether each offense directly relates to the duties and performance of the applicant's occupation. For the purposes of this subsection, "*complete criminal record*" includes the complaint and judgment of conviction for each offense of which the applicant has been convicted.

Sec. 30. RULEMAKING PROCEDURES AND APPLICABILITY.

1. The boards designated in section 147.13 other than the board of medicine, the board of nursing, the dental board, and the board of pharmacy, when carrying out rulemaking pursuant to chapter 17A to implement the provisions of this division of this Act, shall each adopt the same rules, which shall be applicable to all such boards. The professional licensing bureau of the department of commerce shall assist the boards and the real estate commission in carrying out such rulemaking.

3. This section shall not apply to any rulemaking pursuant to chapter 17A by a board or commission to implement the
