(2) For purposes of this paragraph, "*regional service growth factor*" for a fiscal year is an amount equal to the product of the dollar amount used to calculate the regional service payments under this subsection for the immediately preceding fiscal year multiplied by the percent increase, if any, in the amount of sales tax revenue deposited into the general fund of

If the region's remaining quarterly payments are insufficient to effectuate the required reductions under this paragraph, the region is required to pay to the department of human services any amount for which the reduction in quarterly payments could not be made. The amount of reductions to quarterly payments and amounts paid to the department under this paragraph shall be transferred and credited to the region incentive fund under subsection 8.

If the region's remaining quarterly payments are insufficient to effectuate the required reductions under this paragraph, the region is required to pay to the department of human services any amount for which the reduction in quarterly payments could not be made. The amount of reductions to quarterly payments and amounts paid to the department under this paragraph shall be transferred and

credited to the region incentive fund under subsection 8.

8. *a.* A region incentive fund is created in the mental health and disability services regional service fund under subsection 1. The incentive fund shall consist of the moneys appropriated or credited to the incentive fund by law, including amounts credited to the incentive fund under subsection 7. Notwithstanding section 8.33, moneys in the incentive fund at the end of each fiscal year shall not revert to any other fund but shall remain in the incentive fund for use in subsequent fiscal years. (b) For purposes of this subparagraph, the "*incentive fund growth factor*" for each fiscal year is the percent increase, if any, in the amount of sales tax revenue deposited into the general fund of the state under section 423.2A, subsection 1, paragraph "a", less the transfers required under section 423.2A, subsection 2, between the fiscal year beginning three years prior to the applicable fiscal year and the fiscal year beginning two years prior to the applicable year, minus one and one-half percent, and the incentive fund growth factor for any fiscal year shall not exceed three and one-half percent.

b. To receive funding from the incentive fund, a regional administrator must submit to the department sufficient data to demonstrate that the region has met the standards outlined in the region's performance-based contract. The purpose of the incentive fund shall be to provide appropriate financial incentives for outcomes met from services provided by the regional administrator's mental health and disability services region. The department shall make its final decisions on or

before December 15 regarding acceptance or rejection of the submissions for incentive funds applications for assistance and the total amount accepted shall be considered obligated.

(b) For purposes of this subparagraph (2), "*ending balance threshold*" means the following:

(iii) For applications for fiscal years beginning on or after July 1, 2023, five percent of the actual expenditures of the mental health and disability services region for the fiscal year that commenced two years prior to the fiscal year of application for assistance.

d. The department shall review the fiscal year-end financial records for all mental health and disability services regions that are granted incentive funds. If the department determines a mental health and disability services region's actual need for incentive funds was less than the amount of incentive funds

granted to the mental health and disability services region, the mental health and disability services region shall refund the difference between the amount of assistance granted and the actual need. The mental health and disability services region shall submit the refund within thirty days of receiving notice from the department. Refunds shall be credited to the incentive fund.

e. The department shall determine application requirements to ensure prudent use of the incentive fund. The department may accept or reject an application for incentive funds in whole or in part. The decision of the department is final.

f. The total amount of incentive funds approved shall be limited to the amount available in the incentive fund for a fiscal year. Any unobligated balance in the incentive fund at the close of a fiscal year shall remain in the incentive fund for distribution in the succeeding fiscal year.

g. Incentive funds shall only be made available to address one or more of the following circumstances:

The department shall prioritize approval of incentive funds for the circumstances specified in this subparagraph.

(4) To support non-core services to maintain an individual in a community setting or that would create a risk that the individuals needing services and supports would be placed in more restrictive, higher-cost settings.

h. Subject to the amount available and obligated from the incentive fund for a fiscal year, the department shall annually calculate the amount of moneys due to eligible mental health and disability services regions in accordance with the department's decisions and that amount is appropriated from the incentive fund to the department for payment of the moneys due.

The department shall distribute incentive funds payable to the mental health and disability services regions for the amounts due on or before January 1.

i. On or before March 1 and September 1 of each fiscal year, the department shall provide the governor's office and the general assembly with a report of the financial condition of the incentive fund. The report shall include but is not limited to an itemization of the funding source's balances, types and amount of revenues credited, and payees and payment amounts for the expenditures made from the funding source during the reporting period.

j. If the department has made its decisions but has determined that there are otherwise qualifying requests for incentive funds that are beyond the amount available in the incentive fund for a fiscal year, the department shall compile a list of such requests and the supporting information for the requests. The list and information shall be submitted to the commission, the children's behavioral health system state board, and the general assembly.
