As used in this section, "*personal information*" means information that identifies a person, including a person's photograph, social security number, driver's license number, name, address, telephone number, electronic mail address, and medical or disability information, but does not include information on vehicular accidents, driving violations, and driver's status or a person's zip code.

4. The department shall not release personal information that is in the form of a person's photograph or digital image or a digital reproduction of a person's photograph, or the person's telephone number or electronic mail address, to a person other than an officer or employee of a law enforcement agency, an employee of a federal or state agency or political subdivision in the performance of the employee's official duties, a contract employee of the department of inspections, appeals, and licensing in the conduct of an investigation, or a licensed private investigation agency or a licensed security service or a licensed employee of either, regardless of whether a person has provided express written consent to disclosure of the information. The department may collect reasonable fees for copies of records or other services provided pursuant to this section or [section 22.3](#), [321.10](#), or [622.46](#).

Sec. 31. NEW SECTION. **321.16A Electronic communications.**

b. "*Electronic communication*" means a document provided electronically by the department and includes any of the following:

(1) Sending a document to an electronic mail address or telephone number at which the recipient has specifically given consent to receive documents.

(2) Posting a document on an electronic network provided by the department that is accessible via the internet, a mobile application, computer, mobile device, tablet, or any other electronic device, or on the department's internet site, along with a separate electronic mail notification of the posting sent to the address at which the recipient has consented to receive notification or by any other delivery method to which the recipient has given consent.

3. The department shall not use electronic communication to deliver notice of a sanction. Notice of a sanction must be delivered in accordance with section 321.16. This subsection does not prohibit the department from using electronic communication to send a courtesy copy of a notice of a sanction by electronic means if the recipient has consented to receive courtesy copies of a notice of a sanction, and if the copy is available for electronic communication.

6. This section does not apply to a document electronically delivered by the department prior to the effective date of this division of this Act if, before the effective date of this division of this Act, the recipient received or consented to receive a document in an electronic form otherwise allowed by law.
