10 the territorial jurisdiction and boundary limits of the state
11 of Iowa,".

EXPLANATION OF HOUSE FILE 50

This bill provides that benefited fire districts, townships, and cities and towns may provide for or furnish services outside of the territorial jurisdiction and boundary limits of the state of Iowa. It will enable fire districts, townships, and cities and towns around the borders of the state to make contracts with fire districts, townships, or cities of other states when it is more advantageous and economical to do so.
