Iowa City.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section two hundred twenty-five point nine (225.9),
- 2 Code 1962, is hereby amended by adding thereto the following:
- 3 "The physicians on the hospital staff may charge such patients
- 4 for their medical services under such rules, regulations and
- 5 plan therefor as approved by the state board of regents."

EXPLANATION OF HOUSE FILE 135

To clarify the collection of fees from private patients admitted to the psychopathic hospital this amendment is requested. These fees will go to the partial support of salaries for physicians on the hospital staff and any excess will be used for teaching and research according to regulations established by the board of regents. The money collected will supplement the state appropriations to the psychopathic hospital for the care and treatment of all classes of patients.
