# A BILL FOR

*passed on file 5/19*  
*Appropriations 5/20*  
*substituted for SF 156 - 5/25*

An Act to authorize the board of control of state institutions to permit trustworthy boys at the Iowa training school for boys to be assigned to state parks, forest areas, game preserves, and other state-owned lands under the jurisdiction of the conservation commission for work programs therein having inculcation of attitudes, skills, and habit patterns, to provide faciities therefor and to make an appropriation.

WHEREAS, the board of control of state institutions and the state conservation commission feel that the use of Eldora boys in the establishment of such camps will be of great value in the training in skills, attitudes, and gainful employment work habits of such boys and that such program services will greatly benefit their habilitation; and

WHEREAS, the state conservation commission has utilized the inmates of the penitentiary and the reformatory beneficially in their parks-camp programs and are desirous of establishing such a program in other areas and are willing to co-operate with the Iowa training school for boys in such a camp program for the mutual benefits that can be derived therefrom, and use can be made of the presently state-owned mobile housing facilities in establishing such permanent camps, and

WHEREAS, the state owns mobile housing equipment to use as temporary camps (Chapter two (2), Acts 58th General Assembly,) Now, Therefore,

*Be It Enacted by the General Assembly of the State of Iowa:*

This is a Companion Bill; for complete text see Senate File 156.

## EXPLANATION OF HOUSE FILE 162

To authorize the board of control of state institutions to place selected boys from the Iowa training school for boys at Eldora and to use their services by the conservation commission in the establishment of camps and other conservation practices in parks, game and forest areas and other lands under the jurisdiction of said commission, and to permit the use of presently owned mobile units as temporary quarters when feasible.
