## A BILL FOR

An Act relating to the importation of swine into Iowa.

*Be It Enacted by the General Assembly of the State of Iowa:*

- 1 Section 1. Section one hundred sixty-three point thirty
- 2 (163.30), Code 1962, is amended by striking from subsection
- 3 three (3) line ten (10) the word "immunized" and inserting in
- 4 lieu thereof the words "officially vaccinated".
- 5 Further amend said subsection three (3) by striking from
- 6 line fourteen (14) the word "immunization" and inserting in
- 7 lieu thereof the words "official vaccination".
- 8 Further amend said subsection three (3) by striking from
- 9 line sixteen (16) the word "immunized" and inserting in lieu
- 10 thereof the words "officially vaccinated".
- 11 Said section one hundred sixty-three point thirty (163.30),
- 12 Code 1962, is further amended by striking the remainder of sub-
- 13 section three (3) beginning with the words "Such health" in line
- 14 twenty-six (26) and inserting in lieu thereof the following:
- 15 "Such health certificate shall show that the swine have been
- 16 inspected within forty-eight hours prior to the time of importa-
- 17 tion, and that they are apparently free of symptoms of infections,
- 18 contagious or communicable diseases and shall include a record
- 19 of official vaccination, when applicable. Swine shall not be
- 20 imported when treated with anti-hog-cholera serum or antibody
- 21 concentrate alone."

22 Said section one hundred sixty-three point thirty (163.30),  
23 Code 1962, is further amended by striking all of subsections  
24 four (4), five (5), six (6) and seven (7) and inserting in lieu  
25 thereof the following:

26 "4. All feeding and breeding swine having been officially  
27 vaccinated not less than twenty-one days nor more than one year  
28 with modified line virus vaccine, or not less than twenty-one  
29 days nor more than six months with killed virus vaccine prior  
30 to importation, moved to a livestock market for the purpose of  
31 resale, may be exchanged freely provided that such swine are  
32 inspected for contagious and infectious diseases by a qualified  
33 veterinarian prior to release from such market.

34 Results of such inspection and proof of official vaccination  
35 shall be reported on a certificate supplied by the department  
36 and such certificate forwarded immediately to the division of  
37 animal industry of the department of agriculture.

38 "5. Swine may be imported into Iowa that have been officially  
39 vaccinated less than twenty-four hours by a licensed veterinarian  
40 with anti-hog-cholera serum or antibody concentrate and modified  
41 live virus vaccine, but must be quarantined twenty-one days at  
42 the point of destination, but in no case shall such swine be in  
43 transit from point of origin to point of destination more than  
44 forty-eight hours after vaccination.

45 "6. Swine may be imported into this state subject to official  
46 vaccination upon arrival and held under quarantine twenty-one  
47 days from date of vaccination.

48 "7. Unvaccinated swine imported to a state-federal approved  
49 market may be held up to seventy-two hours after importation,

50 during which time such swine must be officially vaccinated and  
51 delivered immediately to the purchaser's premises. All swine  
52 held longer than the seventy-two hours period will be subject  
53 to twenty-one days quarantine on the market premises.

54 Proof of official vaccination and quarantine shall be for-  
55 warded immediately to the division of animal industry of the  
56 department of agriculture."

57 Said section one hundred sixty-three point thirty (163.30),  
58 Code 1962, is further amended by striking subsections eight (8)  
59 and nine (9) and inserting in lieu thereof a paragraph as follows:

60 "The provisions of this section shall not apply to the intra-  
61 state movement of native Iowa swine."
