## A BILL FOR

An Act relating to driver instruction permits.

*Be It Enacted by the General Assembly of the State of Iowa:*

1 Section 1. Section three hundred twenty-one point one  
2 hundred eighty (321.180), Code 1966, is hereby amended by  
3 striking all of such section after the word "driver." in  
4 line twenty-seven (27) and inserting in lieu thereof the  
5 following:  
6 "A permit issued under this section shall entitle the  
7 permit holder when he has such a permit in his immediate  
8 possession and is enrolled in an approved driver education  
9 course, to operate a motor vehicle when accompanied by an  
10 approved driver education instructor."

### EXPLANATION

This bill will allow a student holding a regular instruction permit to drive with an approved driver education instructor as well as with his parent or guardian or a person over 25 years of age.

In addition, the proposal deletes the requirement that a student driver furnish the department of public safety with a certificate of eligibility, a document which serves no useful purpose.
