A BILL FOR

An Act to furnish medical care and services to individuals and families whose income and resources are insufficient to meet the cost of necessary medical care and services, and further to provide rehabilitation and other services to help such families and individuals to attain and retain capability for independence and self-care.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Title. This chapter may be cited as the

2 "Medical Assistance Act".

1 Sec. 2. Repeal. Chapter two hundred forty-nine A (249A),
2 Code 1966, is hereby repealed.

1 Sec. 3. Definitions. When used herein:

2 1. The term "state board" shall mean the state board of
3 social welfare created by chapter two hundred thirty-four (234)
4 of the Code.

5 2. The term "county board" shall mean the county board of
6 social welfare created by chapter two hundred thirty-four (234)
7 of the Code.

8 3. "Recipient" shall mean a person who receives medical
9 assistance under this chapter.

1 Sec. 4. Eligibility. Medical assistance may be provided
2 under the provisions of this chapter to, or on behalf of, any
3 individual or family residing in the state of Iowa, including
4 those residents who are temporarily absent from the state,
5 whose income and resources are insufficient to meet the cost
6 of necessary medical care and services, and who has no spouse
7 or parent responsible under the law of this state and found
8 by the county board to be able to provide him or them with
9 such needed medical care and services.

10 No assistance shall be granted to:

11 1. Any individual whose income, after deduction of health
12 care expenses incurred by the applicant, exceeds one thousand
13 six hundred dollars (\$1,600) annually, or any family living
14 together whose combined income, after deduction of health care
15 expenses incurred by the family, exceeds one thousand six
16 hundred dollars (\$1,600) for the first adult member plus eight
17 hundred dollars (\$800) for the second member and six hundred
18 dollars (\$600) for each additional member of the family. Income
19 shall not include the value of gifts or services contributed in
20 kind to the individual or family.

21 2. Any individual whose resources, after deduction of health
22 care expenses incurred by the applicant, exceeds two thousand
23 dollars (\$2,000), or any family living together whose combined
24 resources exceed two thousand dollars (\$2,000) for the first
25 member, one thousand dollars (\$1,000) for the second member,
26 plus two hundred dollars (\$200) for each additional member. The
27 value of resources shall be the current market value minus any
28 encumbrances against such resource or resources. In determining
29 the foregoing, the following resources shall be excluded: Real
30 property occupied as a residence, household goods and furnishings,
31 an automobile, personal effects and tools necessary for the
32 pursuit of a trade, occupation or profession and the cash
33 surrender value of life insurance not to exceed one thousand
34 dollars (\$1,000).

1 Sec. 5. Duties of state board. The state board:

2 1. Shall be the responsible authority for the effective and
3 impartial administration of this chapter. To this end the state
4 board shall formulate and establish such rules and regulations,
5 outline such policies and prescribe such procedures as may be
6 necessary or desirable to carry out the provisions of this
7 chapter. Without limiting the generality of the foregoing, the
8 state board may:

9 a. Define "medical assistance" by specifying the items for
10 which assistance may be granted.

11 b. Determine the amount, duration and scope of such
12 medical assistance, provided, however, that the duration
13 of inpatient hospital services shall not be less than that
14 provided under Title XVIII of the federal Social Security
15 Act, as amended, so long as funds are available.

16 c. Define the terms "health care", "family",
17 "institution", "provider" and "resident".

18 d. Establish standards of, or qualifications for,
19 eligibility which are more restrictive than those authorized
20 by section four (4).

21 e. Provide for payment of medical assistance rendered to
22 any applicant prior to the date his application is filed.

23 2. Shall, to the extent possible, contract with a private
24 organization or organizations whereby such organization will
25 handle the processing of and the payment of claims for
26 services rendered under the provisions of this chapter and
27 under such rules and regulations as shall be promulgated
28 by said board. The state board shall give due consideration
29 to the advantages of contracting with any organization which
30 may be serving in Iowa as "intermediary" or "carrier" under
31 Title XVIII of the federal Social Security Act, as amended.

32 3. Shall cooperate with any agency of the state or federal
33 government in any manner as may be necessary to qualify for
34 federal aid and assistance for medical assistance in
35 conformity with the provisions of this chapter and Title XIX
36 of the federal Social Security Act, as amended.

37 4. Shall provide for the professional freedom of those
38 licensed practitioners who determine the need for or provide
39 medical care and services, freedom of choice to recipients
40 to select the provider of such care and services, and for
41 medical direction and supervision as needed.

42 5. Shall advise and consult at least semiannually with
43 a council composed of the president, or his or her
44 representative who is a member of the professional organization

45 represented by the president, of the Iowa Medical Society,
46 the Iowa Society of Osteopathic Physicians and Surgeons,
47 the Iowa State Dental Society, the Iowa State Nurses
48 Association, the Iowa Pharmaceutical Association, the Iowa
49 Podiatry Society, the Iowa Optometric Association, the Iowa
50 Hospital Association, the Iowa Osteopathic Hospital
51 Association, and the Iowa Nursing Home Association, together
52 with one person designated by the Iowa state board of
53 chiropractic examiners; one state representative from each
54 of the two major political parties appointed by the speaker of
55 the house, one state senator from each of the two major
56 political parties appointed by the lieutenant governor, one
57 public representative appointed by the governor, each for a
58 period of two years; the commissioner of public health, or
59 representative designated by him, and the dean of the College
60 of Medicine, University of Iowa, or a representative
61 designated by him.

62 6. Shall take such action as may be necessary to assure
63 that licensed practitioners of the healing arts who provide
64 professional services under this chapter shall be paid
65 their reasonable, usual and customary charges. Payment for
66 other medical assistance under this chapter shall be the
67 usual and customary fees, charges and rates, provided, however,
68 that if such payments are otherwise limited by federal law,
69 such payment shall be as near the usual and customary fees,
70 charges or rates as may be permitted by federal law.

71 7. Shall provide for granting an opportunity for a fair
72 hearing before the state board to any individual whose claim
73 for medical assistance under this chapter is denied or is not
74 acted upon with reasonable promptness.

1 Sec. 6. Recovery of payment. Medical assistance paid to,
2 or on behalf of, any recipient cannot be recovered from such
3 beneficiary unless such benefit had been incorrectly paid.

4 If, while receiving assistance, the recipient becomes
5 possessed of any resource or income in excess of the amount
6 stated in the application provided for in this chapter,
7 it shall be the duty of the recipient immediately to notify
8 the county board of the receipt or possession of such
9 resource or income. When it is found that any person has
10 failed to so notify the board that he is or was possessed of
11 any resource or income in excess of the amount allowed,
12 or when it is found that, within five years prior to the
13 date of his application, a recipient made an assignment or
14 transfer of property for the purpose of rendering himself
15 eligible for assistance under this chapter, any amount of
16 assistance paid in excess of the amount to which the
17 recipient was entitled shall constitute benefits incorrectly
18 paid. Any benefits incorrectly paid shall be recoverable
19 from the recipient, while living, as a debt due the state
20 and, upon his death, as a claim classified with taxes having
21 preference under the laws of this state.

1 Sec. 7. Claim against estate. On the death of a recipient,
2 the state shall be entitled to file a claim against the
3 estate of the recipient for the total amount paid for
4 medical assistance under this chapter for the period during
5 which such recipient was sixty-five years of age or older.
6 Such claim shall be classified with taxes having preference
7 under the laws of this state. No such claim shall be
8 allowed, however, if the recipient left surviving a spouse
9 or a child who is under twenty-one, or blind or permanently
10 and totally disabled. The right to a claim, existing at
11 the effective date of this Act, against the estate of any
12 person who had, prior to the effective date of this Act,
13 received medical assistance pursuant to Chapter 249A shall
14 be preserved and continued under this Act.

1 Sec. 8. Penalty. Any person who shall obtain assistance
2 or payments for medical assistance under this chapter by

3 misrepresentation or failure with fraudulent intent to
4 bring forth all the facts required of an applicant for aid
5 under the provisions of this chapter and any person who shall
6 knowingly make false statements concerning the applicant's
7 eligibility for aid under this chapter shall be guilty of a
8 misdemeanor, punishable as such.

1 Sec. 9. Confidential records. All applications, information,
2 and records concerning any applicant or recipient of medical
3 assistance shall be confidential and shall not be disclosed
4 nor used for any purpose not directly connected with the
5 administration of the provisions of this chapter. The violation
6 of this provision shall be punishable by a fine of not to exceed
7 one hundred dollars.

EXPLANATION

This bill is necessary for Iowa to participate in the medical assistance program authorized by Title XIX of the Social Security Act. A state plan for medical assistance under Title XIX consolidates the multiple separate medical program for recipients of OAA, AB, ADC and AD, and establishes a single program making medical care available to all eligible needy individuals.
