A BILL FOR

An Act relating to the production and sale of a milk-type product to which edible soybean oil has been added.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Section one hundred ninety point five (190.5),
 2 Code 1966, is hereby amended by adding thereto the following:
 3 "Provided however, that it shall be lawful to produce and
 4 sell a condensed or evaporated milk product in which the milk
 5 fat has been replaced by an edible vegetable fat made from
 6 soybean oil. Such a product shall be given a distinctive
 7 name to distinguish it from natural condensed or evaporated
 8 milk, and the label under which such a product is sold at
 9 retail shall clearly state the vegetable fat content of the
 10 product."

Amend Senate File 186 as follows:

1. By striking from line seven (7) the word "condensed" and inserting in lieu thereof the word ", condensed,".
2. By inserting in line eight (8) after the word "milk," the following:
 "which name shall not include the words 'milk' or 'milk products' or any derivative thereof,".
