- 3 Section 1. Section five hundred fifty point two (550.2),
- 4 Code 1966, is hereby amended by adding thereto the following
- 5 new subsection:
- 6 "In sales made to an institution under the jurisdiction
- 7 of the state board of regents."

EXPLANATION

The provisions of chapter 550 are aimed at certain practices in the competitive market. These provisions are not applicable to sales to state institutions required by law to purchase under specified provisions. The use of this chapter against state institutions by dealers costs the state a substantial amount of money. The majority of states with such laws do exempt state institutions from coverage because of the economic factor.
