14 *Be It Enacted by the General Assembly of the State of Iowa:*

15 Section 1. The general assembly hereby determines that
 16 the annual revenues of the state are insufficient to finance
 17 the immediate building requirements and other facilities and
 18 utilities services requirements of the institutions of higher
 19 learning under the jurisdiction of the state board of regents
 20 and in order to provide these buildings, facilities and utili-
 21 ties services when they are needed, it is necessary to autho-
 22 rize the issuance of revenue bonds by the state board of regents,
 23 subject to the restrictions and limitations hereinafter set
 24 forth. It is the intent of the general assembly that revenue
 25 bonds issued for academic and administrative buildings and

1 facilities and utilities services shall supplement and not
2 supplant legislative appropriations for the same or similar
3 purposes.

4 Sec. 2. The following words or terms, as used in this
5 Act, shall have the respective meanings as stated:

6 1. "Board" shall mean the state board of regents.

7 2. "Institution" or "institutions" shall mean the state
8 university of Iowa, the Iowa state university of science and
9 technology, the university of northern Iowa, and any other
10 institution of higher learning under the jurisdiction of the
11 state board of regents which offers a college program of four
12 (4) years or more, including any such institution the creation
13 of which is hereafter authorized by the general assembly or
14 which is placed under the jurisdiction of said board. Whenever
15 an institution has or administers a branch campus or separate
16 facility, such campus or facility shall be regarded for the
17 purposes of this Act as part of such institution.

18 3. "Buildings and facilities" shall mean those academic
19 buildings and other facilities used primarily for instruc-
20 tional and research purposes, including libraries, and such
21 other administrative and service buildings and facilities
22 as are deemed necessary by the board to provide supporting
23 services to the instructional and research programs and ac-
24 tivities of the institutions, including, without limiting
25 the generality of the foregoing, administrative offices, fa-
26 cilities for business services, student services and extension
27 and continuing education services, off-street parking areas
28 and structures incidental to other buildings and facilities
29 which are not primarily for parking purposes, garages, and
30 storage and warehouse facilities, or any combination thereof.
31 This phrase shall also include works and facilities deemed
32 necessary by the board for furnishing utilities services to
33 any buildings or structures operated by the institutions,
34 including, without limiting the generality of the foregoing,
35 water, electric, gas, communications, sewer and heating fa-

1 cilities, together with all necessary structures, buildings,
2 tunnels, lines, reservoirs, mains, filters, pipes, sewers,
3 boilers, generators, fixtures, wires, poles, equipment, treat-
4 ment facilities and all other appurtenances in connection
5 therewith, or any combination of the foregoing.

6 4. "Project" shall mean the acquisition by gift, purchase,
7 lease or construction of buildings and facilities which are
8 deemed necessary by the board for the proper performance of
9 the instructional, research and service functions of the in-
10 stitutions, and additions to buildings and facilities, the
11 reconstruction, completion, equipment, improvement, repair
12 or remodeling of buildings and facilities, including the de-
13 molition of existing buildings and facilities which are to
14 be replaced, the acquisition of air rights and the construc-
15 tion of projects thereon, and the acquisition of property
16 of every kind and description, whether real, personal or mixed,
17 for buildings and facilities by gift, purchase, lease, con-
18 demnation or otherwise and the improvement of the same, or
19 any combination of the foregoing.

20 5. "Student fees and charges" shall mean all tuitions,
21 fees and charges for general or special purposes levied against
22 and collected from students attending the institutions except
23 rates, fees, rentals or charges imposed and collected under
24 the provisions of (1) sections two hundred sixty-two point
25 thirty-five (262.35) through two hundred sixty-two point forty-
26 two (262.42) of the Code, (2) sections two hundred sixty-
27 two point forty-four (262.44) through two hundred sixty-two
28 point fifty-three (262.53) of the Code, and (3) sections two
29 hundred sixty-two point fifty-five (262.55) through two hun-
30 dred sixty-two point sixty-six (262.66) of the Code.

31 6. "Institutional income" shall mean income received by
32 an institution from sources other than (1) student fees and
33 charges, (2) rates, fees, rentals or charges imposed and col-
34 lected under the provisions of (a) sections two hundred sixty-
35 two point thirty-five (262.35) through two hundred sixty-

1 two point forty-two (262.42) of the Code, (b) sections two
2 hundred sixty-two point forty-four (262.44) through two hun-
3 dred sixty-two point fifty-three (262.53) of the Code, and
4 (c) sections two hundred sixty-two point fifty-five (262.55)
5 through two hundred sixty-two point sixty-six (262.66) of
6 the Code, (3) state appropriations, and (4) "hospital income,"
7 as that term is defined in subsection five (5) of section
8 one (1) of chapter two hundred thirty-five (235), Acts of
9 the Sixty-second General Assembly.

10 7. "Bonds" shall mean revenue bonds which are payable
11 solely and only from student fees and charges and institu-
12 tional income received by the institution at which the proj-
13 ect is being undertaken.

14 Sec. 3. The board shall prepare and submit to the general
15 assembly for review a proposed ten-year building program for
16 each institution, including an estimate of the maximum amount
17 of bonds which the board expects to issue under the provisions
18 of this Act during each year of the ensuing biennium. Such
19 program and estimate shall be submitted no later than seven
20 (7) days after the passage of this Act by the general assembly
21 and thereafter no later than seven (7) days after the convening
22 of each regular annual session of the general assembly. The
23 building program shall contain a list of the buildings and
24 facilities which the board deems necessary to further the
25 educational objectives of the institutions. This list shall
26 be revised annually, but no project shall be eliminated from
27 the list when bonds have previously been issued by the board
28 to pay the cost thereof. Each such list shall contain an
29 estimate of the cost of each of the buildings and facilities
30 referred to therein.

31 Sec. 4. Subject to and in accordance with the provisions
32 of this Act, the state board of regents after authorization
33 by a constitutional majority of each house of the general as-
34 sembly may undertake and carry out any project as defined
35 in this Act at the institutions now or hereafter under the

1 jurisdiction of the board. The state board of regents is
2 authorized to operate, control, maintain, and manage build-
3 ings and facilities and additions to such buildings and fa-
4 cilities at each of said institutions. All contracts for
5 the construction, reconstruction, completion, equipment, im-
6 provement, repair or remodeling of any buildings, additions,
7 or facilities shall be let in accordance with the provisions
8 of section two hundred sixty-two point thirty-four (262.34)
9 of the Code. The title to all real estate acquired under
10 the provisions of this Act and the improvements erected thereon
11 shall be taken and held in the name of the state of Iowa.

12 Sec. 5. The board is authorized to borrow money under
13 the provisions of this Act, and the board may issue and sell
14 negotiable bonds to pay all or any part of the cost of carry-
15 ing out any project at any institution and may refund and
16 refinance bonds issued for any project or for refunding pur-
17 poses at the same rate or at a higher or lower rate or rates
18 of interest. Bonds issued under the provisions of this Act
19 shall be sold by said board at public sale on the basis of
20 sealed proposals received pursuant to a notice specifying
21 the time and place of sale and the amount of bonds to be sold
22 which shall be published at least once not less than seven
23 (7) days prior to the date of sale in a newspaper published
24 in the state of Iowa and having a general circulation in said
25 state. The provisions of chapter seventy-five (75) of the
26 Code shall not apply to bonds issued under authority contained
27 in this Act, but such bonds shall be sold upon terms of not
28 less than par plus accrued interest. Bonds issued to refund
29 other bonds issued under the provisions of this Act may either
30 be sold in the manner hereinbefore specified and the proceeds
31 thereof applied to the payment of the obligations being re-
32 funded, or the refunding bonds may be exchanged for and in
33 payment and discharge of the obligations being refunded. The
34 refunding bonds may be sold or exchanged in installments at
35 different times or an entire issue or series may be sold or

1 exchanged at one time. Any issue or series of refunding bonds
2 may be exchanged in part or sold in parts in installments
3 at different times or at one (1) time. The refunding bonds
4 may be sold or exchanged at any time on, before, or after
5 the maturity of any of the outstanding bonds or other obliga-
6 tions to be refinanced thereby and may be issued for the pur-
7 pose of refunding a like or greater principal amount of bonds,
8 except that the principal amount of the refunding bonds may
9 exceed the principal amount of the bonds to be refunded to
10 the extent necessary to pay any premium due on the call of
11 the bonds to be refunded or to fund interest in arrears or
12 about to become due.

13 All bonds issued under the provisions of this Act shall
14 be payable solely and only from and shall be secured by an
15 irrevocable pledge of a sufficient portion of the student
16 fees and charges and institutional income received by the
17 particular institution. All bonds issued under the provi-
18 sions of this Act shall have all the qualities of a negoti-
19 able investment security under the laws of this state.

20 Sec. 6. Such bonds may bear such date or dates, may bear
21 interest at such rate or rates, payable semiannually, may
22 mature at such time or times, may be in such form and denom-
23 inations, may carry such registration privileges, may be pay-
24 able at such place or places, may be subject to such terms
25 of redemption prior to maturity with or without premium, if
26 so stated on the face thereof, and may contain such terms
27 and covenants, including the establishment of reserves, all
28 as may be provided by the resolution of the board authorizing
29 the issuance of the bonds. In addition to the estimated cost
30 of construction, including site costs, the cost of the proj-
31 ect may include interest upon the bonds during construction
32 and for six (6) months after the estimated completion date,
33 the compensation of a fiscal agent or adviser, engineering,
34 architectural, administrative and legal expenses and provision
35 for contingencies. Such bonds shall be executed by the presi-

1 dent of the state board of regents and attested by the execu-
2 tive secretary, secretary or other official thereof performing
3 the duties of secretary, and the coupons thereto attached
4 shall be executed with the original or facsimile signatures
5 of said president, executive secretary, secretary or other
6 official; provided, however, that the facsimile signature
7 of either of such officers executing such bonds may be im-
8 printed on the face of the bonds in lieu of the manual signa-
9 ture of such officer, but at least one (1) of the signatures
10 appearing on the face of each bond shall be a manual signa-
11 ture. Any bonds bearing the signatures of officers in office
12 on the date of the signing thereof shall be valid and binding
13 for all purposes, notwithstanding that before delivery thereof
14 any or all such persons whose signatures appear thereon shall
15 have ceased to be such officers. Each such bond shall state
16 upon its face the name of the institution on behalf of which
17 it is issued, that it is payable solely and only from the
18 student fees and charges and institutional income received
19 by such institution as hereinbefore provided, and that it
20 does not constitute a debt of or charge against the state
21 of Iowa within the meaning or application of any constitutional
22 or statutory limitation or provision. The issuance of such
23 bonds shall be recorded in the office of the treasurer of
24 the institution on behalf of which the same are issued, and
25 a certificate by such treasurer to this effect shall be printed
26 on the back of each such bond.

27 Sec. 7. Upon the determination by the state board of
28 regents to undertake and carry out any project or to refund
29 outstanding bonds, said board shall adopt a resolution de-
30 scribing generally the contemplated project and setting forth
31 the estimated cost thereof, or describing the obligations to
32 be refunded, fixing the amount of bonds to be issued, the
33 maturity or maturities, the interest rate or rates and all
34 details in respect thereof. Such resolution shall contain
35 such covenants as may be determined by the board as to the

1 issuance of additional bonds that may thereafter be issued
2 payable from the student fees and charges and institutional
3 income received by the particular institution, the amendment
4 or modification of the resolution authorizing the issuance
5 of any bonds, the manner, terms, and conditions and the amount
6 or percentage of assenting bonds necessary to effectuate such
7 amendment or modification, and such other covenants as may
8 be deemed necessary or desirable. In the discretion of the
9 board any bonds issued under the terms of this Act may be
10 secured by a trust indenture by and between the board and
11 a corporate trustee, which may be any trust company or bank
12 having the powers of a trust company within or without the
13 boundaries of the state of Iowa, but no such trust indenture
14 shall convey or mortgage the buildings and facilities or any
15 part thereof. The provisions of this Act and of any resolution
16 or other proceedings authorizing the issuance of bonds and
17 providing for the establishment and maintenance of adequate
18 student fees and charges and the application of the proceeds
19 thereof, together with institutional income, shall constitute
20 a contract with the holders of such bonds.

21 Sec. 8. Whenever bonds are issued by the state board of
22 regents, it shall be the duty of said board to establish,
23 impose, and collect student fees and charges at the institution
24 on behalf of which such bonds are issued, and to adjust such
25 student fees and charges from time to time, in order always
26 to provide amounts which, together with the institutional
27 income, will be sufficient to pay the principal of and in-
28 terest on such bonds as the same become due and to maintain
29 a reserve therefor, and said board is authorized to pledge
30 a sufficient amount of the student fees and charges and in-
31 stitutional income received by such institution for this pur-
32 pose. Student fees and charges and institutional income re-
33 ceived by one institution shall not be used to discharge bonds
34 issued for or on account of another institution. All bonds
35 issued under the terms of this Act shall be exempt from taxa-

1 tion by the state of Iowa and the interest thereon shall be
2 exempt from the state income tax.

3 Sec. 9. A certified copy of each resolution providing for
4 the issuance of bonds under this Act shall be filed with the
5 treasurer of the institution on behalf of which the bonds
6 are issued and it shall be the duty of said treasurer to
7 keep and maintain separate accounts for each issue of bonds
8 in accordance with the covenants and directions set out in
9 the resolution providing for the issuance thereof. A suf-
10 ficient portion of the student fees and charges and institu-
11 tional income received by each institution shall be held in
12 trust by the treasurer thereof, separate and apart from all
13 other funds, to be used solely and only for the purposes
14 specified in this Act and as may be required and provided
15 for by the proceedings of the board authorizing the issuance
16 of bonds. It shall be the duty of the treasurer of each in-
17 stitution to disburse funds from the proper account for the
18 payment of the principal of and interest on the bonds in
19 accordance with the directions and covenants of the resolu-
20 tion authorizing the issuance thereof.

21 Sec. 10. Under no circumstances shall any bonds issued
22 under the terms of this Act be or become or be construed to
23 constitute a debt of or a charge against the state of Iowa
24 within the purview of any constitutional or statutory limita-
25 tion or provision. No taxes, appropriations, or other funds
26 of the state of Iowa may be pledged for or used to pay such
27 bonds or the interest thereon but any such bonds shall be
28 payable solely and only as to both principal and interest
29 from the student fees and charges and institutional income
30 received by the institutions of higher learning under the
31 control of the state board of regents as provided in this
32 Act, and the sole remedy for any breach or default of the
33 terms of any such bonds or proceedings for their issuance
34 shall be a proceeding either in law or in equity by suit,
35 action, or mandamus to enforce and compel performance of

1 the duties required by this Act and the terms of the resolu-
2 tion under which such bonds are issued.

3 Sec. 11. All banks, trust companies, bankers, savings
4 banks and institutions, building and loan associations, sav-
5 ings and loan associations, investment companies and other
6 persons carrying on a banking or investment business, all
7 insurance companies, insurance associations, and other per-
8 sons carrying on an insurance business and all executors,
9 administrators, guardians, trustees, and other fiduciaries
10 may legally invest any sinking funds, moneys, or other funds
11 belonging to them or within their control in any bonds issued
12 pursuant to this Act; provided, however, that nothing con-
13 tained in this section may be construed as relieving any persons
14 from any duty of exercising reasonable care in selecting secu-
15 rities for purchase or investment.

16 Sec. 12. The state board of regents is authorized to apply
17 for and accept federal or non-federal gifts, loans, or grants
18 of funds and to use the same to pay all or any part of the
19 cost of carrying out any project at any institution under
20 the terms of this Act or to pay any bonds and interest thereon
21 issued for any purposes specified in this Act.

22 Sec. 13. This Act shall be construed as providing an al-
23 ternative and independent method for carrying out any project
24 at any institution of higher learning under the control of
25 the state board of regents, for the issuance and sale or ex-
26 change of bonds in connection therewith and for refunding
27 bonds pertinent thereto, without reference to any other statute,
28 and shall not be construed as an amendment of or subject to
29 the provisions of any other law, and no publication of any
30 notice, whether under section twenty-three point twelve (23.12)
31 of the Code or otherwise, and no other or further proceedings
32 in respect to the issuance or sale or exchange of bonds under
33 this Act shall be required except such as are prescribed by
34 this Act, any provisions of other statutes of the state to
35 the contrary notwithstanding.

1 Sec. 14. If any provisions of this Act or the applica-
2 tion thereof to any person or circumstances is held to be
3 invalid, such invalidity shall not affect other provisions
4 or applications of the Act which can be given effect with-
5 out the invalid provisions or application, and to this end
6 the provisions of this Act are declared to be severable.

7 Sec. 15. This Act being deemed of immediate importance
8 shall be in full force and effect from and after its pass-
9 age and publication in The Muscatine Journal, a newspaper
10 published at Muscatine, Iowa, and in The Clinton Herald,
11 a newspaper published at Clinton, Iowa.

EXPLANATION OF SENATE FILE 537

Estimated capital needs of the state universities in the next decade exceed the capacity of the state to finance through direct appropriations. This bill will authorize the Board of Regents to issue bonds to defray a portion of this cost for academic and administrative facilities including utilities at these institutions. Student fees and charges and other institutional income will be pledged to pay the bonds and interest. Each of the universities will be a separate "system" for the issuance of bonds, and student fees and charges and institutional income of one institution cannot be pledged for buildings and other facilities at another institution.

The bill requires the Regents to prepare and submit to the General Assembly for review a ten-year building program for each institution and an estimate of the maximum amount of bonds which the Board expects to issue any year. The building program and estimates will be up-dated annually and will be submitted to each regular session of the General Assembly for review and for approval of projects.
