2 hereby fixed at fifty senators and one hundred representa-  
3 tives. The general assembly declares that in establishing

26 city, town, or township means the city, town, or township  
27 so identified as its boundaries existed on April 1, 1970,  
28 the official date of the 1970 United States decennial census.  
29 Unless otherwise stated in this Act, territory added to or  
30 taken from any city, town, or township after April 1, 1970  
31 shall be regarded as a part of the city, town, or township  
32 to which the territory belonged on that date, for the pur-  
33 poses of this Act.

34 Sec. 3. The membership of the senate and house of repre-
