## EXPLANATION

34 This Act sets the salaries of various state officers and  
 35 employees. The Code of Iowa provides in some cases that the

1 general assembly set the salaries of a state official. In  
2 other cases the Code provides that a board, department,  
3 commission, division, or committee hire a particular officer  
4 and set his salary, or the officer may serve at the pleasure  
5 of the appointing authority, be it the governor or other  
6 agency. In such case this Act provides a maximum limit for  
7 a salary rather than an exact amount for the salary as is  
8 the case for those officers for whom it is specified that  
9 the general assembly shall set the salary.
