2 amended by adding the following new section:

3 NEW SECTION. INCONSISTENCY WITH FEDERAL LAW. If it is
4 determined by the attorney general that any provision of this
5 chapter would cause denial of funds or services from the
6 United States government which would otherwise be available,
7 or would otherwise be inconsistent with requirements of federal
8 law, such provision shall be suspended, but only to the extent
9 necessary to prevent denial of such funds or services or to
10 eliminate the inconsistency with federal requirements.

30 EXPLANATION

31 This bill amends chapter 73 to provide that the preference
32 for Iowa products and labor shall be suspended as against
33 a particular state agency if the attorney general determines
34 that enforcement would result in a denial of federal funds
35 or services to that agency.
