REPORT OF COMMITTEE ON APPROPRIATIONS (House File 291)

COMMISSION ON THE AGING

The committee recommendation is for a budget of \$115,760 for 1973-74 and \$118,980 for 1974-75. This budget consists of a state appropriation of \$35,650 with \$80,000 in Federal Aid for 1973-74, and a state appropriation of \$38,830 with \$80,00 in Federal Aid for 1974-75.

From these totals, \$96,060 for 1973-74 and \$98,460 for 1974-75 is budgeted for salaries. This recommendation allows for no increase in the present personnel level of nine.

\$19,700 in 1973-74 and \$20,520 in 1974-75 is budgeted for travel, office supplies and expense, printing and binding, and telephone and telegraph.

The Governor's budget recommendation, which was accepted by the committee, is based on Federal Funds as they are presently available. In accepting the Governor's budget, however, the intent of the committee was not to preclude the Commission from obtaining any more Federal Funds should they become available, under Title VII of the Older Americans Act-Nutrition for the Elderly Program. A letter was sent to the Executive Council stating this intent.

The letter also stated that it is the intent of the committee that when these Federal Funds become available, the Commission on the Aging should request state matching funds from the Executive Council contingency fund or request a supplemental appropriation if the Legislature is in session.
