A BILL FOR

1 An Act relating to state per pupil aid for laboratory schools.
 2 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:
 3 Section 1. Section two hundred sixty-five point six (265.6),
 4 Code 1973, is amended by striking the section and inserting in
 5 lieu thereof the following:
 6 265.6 STATE AID TO LABORATORY SCHOOL. The state board of
 7 regents which has established a laboratory school shall receive
 8 state aid pursuant to chapters two hundred eighty-one (281) and
 9 four hundred forty-two (442) of the Code for each pupil enrolled
 10 in the laboratory school in the same amount as the public school
 11 district in which the pupil resides would receive aid for that
 12 pupil and shall transmit the amount received to the institution
 13 of higher education at which the laboratory school has been
 14 established.

EXPLANATION

15
 16 This bill will allow state universities which have laboratory
 17 schools to receive direct state aid for pupils enrolled in the
 18 school. The laboratory schools currently receive tuition from
 19 the school districts in which their pupils reside, which is
 20 less than the state per pupil aid.
