1 Section 1. There is appropriated to the state conservation
2 commission from the general fund of the state of Iowa for the
3 biennium beginning July 1, 1973 and ending June 30, 1975, the
4 sum of three million (3,000,000) dollars, or so much thereof
5 as may be necessary, to be used for construction, replacement,
6 development, and alterations to state parks and preserves, state
7 forests, and state waters including artificial lake development;
8 erosion and siltation control; river, stream and lake access;
9 and engineering services; or to supplement any prior appro-
10 priation for such purposes.

11 Sec. 2. The state conservation commission, the governor,
12 and the state comptroller are authorized to obtain and accept
13 federal grants to the state to be used in connection with the
14 funds appropriated in this Act and federal funds in addition
15 thereto.

16 Sec. 3. When the state conservation commission has approved
17 a project to be financed with funds herein appropriated, a
18 description of said project and estimated cost shall be reported
19 to the governor and state comptroller.

20 Sec. 4. Any unencumbered balance of the funds appropriated
21 by section one (1) of this Act remaining as of June 30, 1977
22 shall revert to the general fund of the state as of June 30,
23 1977.

24 Sec. 5. When any of the laws of this state are in conflict
25 with this Act, the provisions of this Act shall govern for the
26 biennium.
