FISCAL NOTE HOUSE FILE 150

Date Prepared February 10, 1977

Requested by Representative John Clark

Prepared in regard to H.F. 150, An Act to repeal provisions relating to the compensation of first deputy county officers in counties having dual county seats. Following is the fiscal effect in dollars of the legislative proposal as required by Joint Rule 16:

H.F. 150 repeals the provision that restricts the compensation of first deputy county auditor, treasurer, clerk of the district court and recorder in counties having two county seats and where the district court is held in two locations to not more than seventy-five percent of his or her principal county officer's compensation. The first deputy, the second deputy, and the deputy in charge of motor vehicle registration offices in other counties may receive up to eighty percent of his or her principal officer's compensation. The deputy officers in counties having dual county seats will be subject to the eighty percent restriction in lieu of the seventy-five percent restriction.

This proposal would allow, but not require a 5% increase in the compensation of county employees serving as deputies in Lee County only. The actual increase would be tied to the recommended and adopted schedules of the county compensation board in Lee County. Maximum increase in 1977 could be \$9,000.
