7 Sec. 3.

8 1. There is appropriated from the general fund of the  
9 state for the fiscal year beginning July 1, 1978 and ending  
10 June 30, 1979 to the department of health the sum of two  
11 million two hundred twenty-eight thousand (2,228,000) dollars  
12 or so much thereof as may be necessary to be used to extend  
13 availability of public health nursing services or visiting  
14 nurse services and home health aide services to elderly persons  
15 in this state.

16 2. The department may retain not to exceed one percent  
17 of the amount appropriated by this section, to be used to  
18 pay the costs of administering this section. The remainder  
19 shall be allocated for use in the several counties of the  
20 state as follows:

21 a. One-fourth of the total amount to be allocated shall  
22 be divided so that an equal amount is available for use in  
23 each county in the state; and

24 b. Three-fourths of the total amount to be allocated shall  
25 be divided so that the share available for use in each county  
26 is proportionate to the number of elderly persons living in  
27 that county in relation to the total number of elderly persons  
28 living in the state.

29 3. The department shall make the money allocated for use  
30 in each county under subsection two (2) of this section  
31 available to be expended in that county as follows:

32 a. The local board of health having jurisdiction, after  
33 consultation with any other agencies which provide either  
34 public health nursing service, visiting nurse service, or  
35 homemaker-home health aide service in the jurisdiction, shall

1 prepare a proposal for the use of the funds available for  
2 that jurisdiction which will provide the maximum benefits  
3 of expanded home health care to the elderly persons in the  
4 jurisdiction, and which shall include a statement assuring  
5 that the appropriate local agencies have participated in the  
6 formulation of the proposal. After approval of the proposal  
7 by the department, the department shall enter into a contract  
8 with the local board of health. The local board of health  
9 may subcontract with any nonprofit nurses' association,  
10 independent nonprofit agency, the department of social services

13 boards of health shall make an effort to subcontract with  
14 agencies that are providing existing services to prevent the  
15 duplication of services.

16 b. It is the intent of the general assembly that local  
17 boards of health or subcontracting agencies shall use the  
18 funds received under this section to maintain and expand  
19 existing public health nursing programs, visiting nurses'  
20 services or homemaker-home health aide services. Funds  
21 received under this section shall not be used to replace,  
22 directly or indirectly funds received from taxes levied by  
23 a county.

24 4. If the department has by November 30, 1978 been unable  
25 to conclude contracts for use in any county or counties of  
26 the funds allocated under this section for use therein, the  
27 funds so allocated shall be considered an unallocated pool.  
28 The department shall prior to December 31, 1978 reallocate  
29 any funds in such an unallocated pool among those counties  
30 with respect to which the department has concluded contracts  
31 under subsection three (3) of this section. The realloca-  
32 tion shall be made in substantially the manner prescribed  
33 by subsection two (2) of this section, and the funds shall  
34 be available for use in the counties to which they are so  
35 reallocated during the period beginning January 1, 1979 and

1 ending June 30, 1979.

2 Sec. 4. For the purposes of sections three (3) through  
3 six (6) of this Act, an "elderly person" is a person who is  
4 sixty years of age or older.

5 Sec. 5. The department of health shall within thirty days  
6 after the effective date of this Act promulgate rules not  
7 contrary to sections three (3) through six (6) of this Act  
8 defining eligibility for public health nursing services and  
9 for homemaker-home health aide services paid for by funds  
10 appropriated by section three (3) of this Act, and imposing  
11 a sliding fee scale for those persons deemed able to pay all  
12 or a portion of the cost of such services.

14 the state to the state department of health for the fiscal
