22 EXPLANATION

23 This bill appropriates funds to the office of the governor,  
24 lieutenant governor, department of justice, merit department,  
25 labor department, and the office for planning and programming  
26 to maintain current programs and provide funds for census  
27 purposes. It increases the time available for tours at the  
28 governor's mansion and appropriates funds to the office of  
29 the administrative rules coordinator, which was previously  
30 funded from section 14.22 of the Code.

31 This bill also appropriates funds to various executive,  
32 legislative, and judicial departments and agencies for salaries  
33 and support of current levels and programs and includes  
34 authorized expenditures for the revolving fund accounts.  
35 This bill also appropriates additional funds to the Citizen's

1 Privacy Task Force and establishes a risk management division.  
 2 The bill extends the 1978 appropriation for a data  
 3 processing interactive decision evaluation action system and  
 4 changes the term of members of the commission on interstate  
 5 cooperation, which members normally participate in activities  
 6 of the council of state governments, and which council receives  
 7 funds appropriated by this Act. The terms are changed in  
 8 order that appointment and participation can be made on a  
 9 more current basis and at the same time legislative council  
 10 members are appointed.

3 new sections:

4 "Sec. \_\_\_\_\_.

5 1. For the fiscal biennium beginning July 1, 1979  
6 and ending June 30, 1981, there is appropriated from  
7 the general fund of the state to the office for  
8 planning and programming for use by youth services  
9 in the division of manpower, the amount of one hundred  
10 fifty thousand (150,000) dollars for the fiscal year  
11 1979-1980 and the amount of two hundred fifty thousand  
12 (250,000) dollars for the fiscal year 1980-1981, or  
13 so much thereof as is necessary, for the purpose of  
14 carrying out the juvenile victim restitution program  
15 created by this Act.

16 2. The office for planning and programming shall  
17 contract to provide administrative services in carrying  
18 out the juvenile victim restitution program. Not  
19 more than twenty thousand (20,000) dollars may be  
20 paid for the fiscal year beginning July 1, 1979, and  
21 not more than twenty-five thousand (25,000) dollars  
22 may be paid for the fiscal year beginning July 1,  
23 1980, for the purpose of providing administrative  
24 services. The office for planning and programming  
25 shall not expend any additional funds appropriated  
26 by this Act for administration of the juvenile victim  
27 restitution program.

28 3. After deducting funds provided in subsection  
29 two (2) of this section for administrative services,  
30 the remaining funds shall be available for the salaries  
31 of juveniles in each judicial district based upon  
32 a percentage determined by dividing the per capita  
33 population of the judicial district by the total per  
34 capita population of the state. Within each judicial  
35 district the funds shall be available to each juvenile  
36 probationary district on a per capita basis.  
37 Notwithstanding section eight point thirty-three  
38 (8.33) of the Code, unobligated or unencumbered funds  
39 appropriated by this Act remaining on June 30, 1979  
40 may be carried forward and be available for expenditure  
41 in the fiscal year beginning July 1, 1980.

42 Sec. \_\_\_\_\_.

43 1. There is created a juvenile victim restitution  
44 program which shall be funded through funds  
45 appropriated by the general assembly to the office  
46 for planning and programming. The primary purpose  
47 of the program is to provide funds to compensate  
48 victims for losses due to the delinquent acts of  
49 juveniles.

50 2. If a judge of a juvenile court finds that a

1 juvenile has committed a delinquent act and requires  
 2 the juvenile to compensate the victim of that act  
 3 for losses due to the delinquent act of the juvenile,  
 4 or if a juvenile enters into an informal adjustment  
 5 agreement pursuant to section two hundred thirty-two  
 6 point twenty-nine (232.29) of the Code to make such  
 7 restitution, the juvenile shall make such restitution  
 8 according to a schedule established by the judge from  
 9 funds earned by the juvenile pursuant to employment  
 10 engaged in by the juvenile at the time of disposition.  
 11 The restitution shall be made under the direction  
 12 of a probation officer working under the direction  
 13 of the juvenile court. However, if the juvenile  
 14 offender does not have employment at the time of  
 15 disposition, the judge may direct the juvenile offender  
 16 to perform work pursuant to section two hundred thirty-  
 17 two point fifty-two (232.52), subsection two (2),  
 18 paragraph a of the Code, and arrange for compensation  
 19 of the juvenile in the manner provided in subsection  
 20 three (3) of this section.

21 3. The contract for administrative services shall  
 22 provide payroll services in carrying out the payment  
 23 of juvenile offenders who are required to provide  
 24 restitution to victims of their acts as provided in  
 25 subsection two (2) of this section and who are ordered  
 26 to perform public service work pursuant to section  
 27 two hundred thirty-two point fifty-two (232.52),  
 28 subsection two (2), paragraph a of the Code. The  
 29 probation officer responsible for a juvenile offender  
 30 shall maintain time sheets and other documents  
 31 necessary to determine and process the payment of  
 32 juvenile offenders. Remuneration for the services  
 33 provided by the juvenile offender in a public service  
 34 job shall be made on the basis of a wage payment and  
 35 by check, with the juvenile offender listed as the  
 36 payee. However, the check shall be mailed to the  
 37 juvenile's probation officer. The juvenile offender  
 38 shall pay the victim of his or her delinquent acts  
 39 seventy-five percent of each payment and twenty-five  
 40 percent of the payment shall be retained by the  
 41 juvenile. This same percentage shall apply to the  
 42 juvenile offender who is employed at the time of  
 43 disposition. The payment of the percentages provided  
 44 in this subsection is required in order to engage  
 45 in the juvenile victim restitution program."

 47 references as necessary pursuant to this amendment.
