SENATE FILE 2051  
FISCAL NOTE

DATE: JANUARY 25, 1980  
REQUESTED BY: SENATOR DRAKE

In compliance with a written request received January 16, 1980, there is hereby submitted a Fiscal Note for S.F. 2051 pursuant to Joint Rule 16. Background information used in developing this Fiscal Note is available from the Legislative Fiscal Bureau, to members of the Legislature upon request.

S.F. 2051, An Act relating to the registration and licensing of Class A motor homes.

The concept of three classes of motor homes and the related fees became effective on December 1, 1979, for the current registration year. Therefore, motor vehicle records are not available to provide a complete data base on which to make an accurate fiscal compact statement.

When Chapter 70 of the Laws of the 68th G.A., 1979 session was adopted, the fiscal impact statement was based upon an estimated number of 14,000 Class A motor homes. For the purpose of this fiscal note, the estimates are based upon the same number of Class A motor homes.

<u>Proposed fees:</u>	<u>No. of Vehicles</u>	<u>Fee</u>	<u>Total</u>
Value less than \$19,000	13,300	X \$120	= \$1,596,000
Value greater than \$20,000, less than \$35,000	490	\$140	= 68,600
		Total	<u>\$1,664,600</u>
<u>Current Fee</u>			
Value up to \$35,000	14,000	X \$140	= \$1,960,000
		Income loss	<u>\$ (295,400)</u>

(Note: For the purposes of this note, all vehicles are considered to be under 10 years old.)

Currently no information is available on the number of busses converted to motor homes because they were currently registered as truck, however the number is estimated to be negligible.

It should be noted that this proposed bill creates a more complex registration system for Class A motor homes than is provided for in Chapter 70 of the laws of the 68th G.A., 1979 session. Consequently, the County and Department of Transportation administration costs will be increased. The increase is difficult to estimate.
