2281

1 Section 1. Section three hundred ten point twenty-seven
2 (310.27), unnumbered paragraph two (2), Code 1979, is amended
3 to read as follows:

4 For the purposes of this section, any sums of the farm-
5 to-market road fund allotted to any county shall be presumed
6 to have been "expended" when a contract ~~shall have~~ has been
7 awarded obligating ~~said~~ the sums. ~~if a county does not plan~~
8 ~~to utilize its allotted funds in any period up to one year,~~
9 ~~the funds may be temporarily allocated to another county,~~
10 ~~at no interest, by written agreement between the counties~~
11 ~~involved. The total of the temporarily allocated funds~~
12 ~~received by a county shall not exceed the total anticipated~~
13 ~~funds to that particular county's farm-to-market fund in the~~
14 ~~succeeding fiscal year and total reimbursement shall be~~
15 ~~completed by the end of the succeeding fiscal year. When~~
16 projects and their estimated costs, which are proposed to
17 be funded from the farm-to-market road fund, are submitted
18 to the department for approval, the department shall estimate
19 the total funding necessary and the period during which claims
20 for the projects will be filed. After anticipating the funding
21 necessary for approved projects, the department may, at its
22 discretion, temporarily allocate additional moneys from the
23 farm-to-market road fund for use in any other farm-to-market
24 projects. However, a county shall not be temporarily allocated
25 funds for projects in excess of the county's anticipated farm-
26 to-market road fund allocation for the current fiscal year
27 plus the two succeeding fiscal years.

28 EXPLANATION

29 Currently under the Code, a county may be temporarily al-
30 located funds from another county's farm-to-market road fund
31 if the two counties agree to do so in writing. This bill
32 allows the state department of transportation to temporarily
33 allocate the funds between counties based upon the department's
34 estimates of funding necessary for approved projects. This
35 bill takes effect July 1, 1980.
