2 EXPLANATION

3 This bill relates to appropriations to the department of
4 social services for the 1980-1981 fiscal year. The bill
5 amends certain appropriations provisions affecting the
6 department's budget.

7 Section 1 deletes the six percent increase in aid to
8 dependent children payments, effective October 1, 1980 and
9 provides that the schedule of basic needs effective before
10 October 1, 1980 remains in effect for the 1980-1981 fiscal
11 year.

12 Section 2 deletes certain required payment standards for
13 the aid to dependent children program, effective October 1,
14 1980. The section also requires that specified services under
15 the special needs program of the aid to dependent children
16 program be eliminated, effective April 1, 1981.

17 Section 3 repeals the appropriation language establishing
18 aid to dependent children payments for certain expectant
19 mothers, effective April 1, 1981.

20 Section 4 establishes, for the period from December 1,
21 1980, through June 30, 1981, the financial eligibility level
22 for Title XX services at thirty percent of the federal median
23 income.

24 Section 5 allows the department to eliminate, on or after
25 the effective date of this Act, specified services under the
26 medical assistance (medicaid) program.

27 Section 6 makes sections 1 and 2 of the bill effective
28 October 1, 1980, except for the change in the special needs
29 program which is effective April 1, 1981.

30 Section 7 states that any provisions effective before the
31 publication of the bill apply retroactively.

32 Section 8 allows the department's administrative rules,
33 adopted pursuant to and after the effective date of this Act,
34 to be effective immediately upon filing.

35 Section 9 makes the entire bill effective upon publication.

January 30, 1981

In compliance with a written request there is hereby submitted a Fiscal Note for H. F. 232 pursuant to Joint Rule 16. H.F. 232, An Act relating to the funding of specified programs of the department of social services during the fiscal year beginning July 1, 1980 and ending June 30, 1981, and providing effective dates.

Section 9 - Makes the entire bill effective upon publication.	No Fiscal Impact	
Total Estimated Savings H.F. 232		<u>\$7,070,700</u>

* The \$5.2 million reflects the actual savings associated with the original appropriation made during the 1979 Session (\$47,100,000) plus the 1980 Supplemental (\$9,000,000) based upon an average monthly caseload of 99,000 recipients. The \$5.2 million is the actual dollar amount included in the total FY '81 appropriation of \$56.1 million.

It should be noted that if the six percent increase had become effective October 1, 1980, and based upon the Department of Social Services' latest caseload projections, the approximate cost would have been \$6.4 million (\$5.2 million included in FY '81 appropriation and \$1.2 million associated with increased caseload).

It should be further noted that even without a six percent grant increase, the Department of Social Services is projecting a \$7.5 million deficit in the AFDC program for FY '81.

Total Estimated Savings \$ 7,002,800

*The \$5.2 million reflects the actual savings associated with the original appropriation made during the 1979 Session (\$47,100,000) plus the 1980 Supplemental (\$9,000,000) based upon an average monthly caseload of 99,000 recipients. The \$5.2 million is the actual dollar amount included in the total FY '81 appropriation of \$56.1 million. It should be noted that if the six percent increase had become effective October 1, 1980, and based upon the the Department of Social Services' latest caseload projections, the approximate cost would have been \$6.4 million (\$5.2 million included in FY '81 appropriation and \$1.2 million associated with increased caseload). It should be further noted that even without a six percent grant increase, the Department of Social Services is projecting a \$7.5 million deficit in the AFDC program for FY '81.

Section 1. Acts of the Sixty-eighth General Assembly, 1979 Session, chapter 8, section 10, subsection 1, is amended to read as follows:

1. It is the intent of the general assembly that the schedule of living costs and the payment for persons on the aid to dependent children program shall be increased for all family sizes by six percent commencing October 1, 1979 and ~~by an additional six percent commencing October 1, 1980~~ and that the schedule of basic needs as provided in the Iowa administrative code 770-41.8(2) as published on June 25, 1980, shall remain in effect for the fiscal year ending June 30, 1981.

Sec. 2. Acts of the Sixty-eighth General Assembly, 1979 Session, chapter 8, section 10, subsection 3, is amended to read as follows:

3. ~~It is the intent of the general assembly in appropriating funds in section eight (8), subsection two (2) of this Act that, notwithstanding the provisions of section two hundred thirty nine point eighteen (239.18) of the Code, the department of social services shall not reduce the standards of payment referred to in subsection one (1) of this section, nor establish eligibility criteria for recipients under the aid to dependent children program which are more restrictive than the criteria required by applicable federal regulations. The portion of the special needs program of the aid to dependent children program relating to property repair, tree removal, child care, personal services, special~~

tax assessments, and special child in foster care visits shall be continued eliminated effective April 1, 1981. By April 1, 1981, the department shall delete Iowa administrative code 770-41.8(2)a and implement a rule that the needs of a child in a nonparental home when the relative is not in the eligible group shall be computed on the same basis as if the child were in the home of a parent.

Sec. 3. The department of social services shall establish, effective December 1, 1980, eligibility for Title XX services as funded by the Acts of the Sixty-eighth General Assembly, 1979 Session, chapter 8 and Acts of the Sixty-eighth General Assembly, 1980 Session, chapter 1007, according to monthly gross income and family size, at thirty percent of the federal median income established for the Title XX program under the federal Social Security Act.

Sec. 4. The department of social services may eliminate payments under the medical assistance program pursuant to chapter 249A, as funded by Acts of the Sixty-eighth General Assembly, 1979 Session, chapter 8 and Acts of the Sixty-eighth General Assembly, 1980 Session, chapter 1001, for the following services provided on or after the effective date of this Act: dental services, clinic services, medical supplies, other practitioners, optometric services, podiatric services, and chiropractic services. However, the department shall not eliminate services for persons eligible for early and periodic screening, diagnosis, and treatment. The department may modify the state plan for medical assistance in order to implement changes in services made pursuant to this section.

Sec. 5. Sections 1 and 2 of this Act are effective October 1, 1980, except that the portions of section 2 of this Act which relate to the special needs program and to Iowa administrative code 770-41.8(2)a are effective April 1, 1981.

Sec. 6. If the effective date of any provision in sections 1 through 5 of this Act precedes the effective date of this Act, the provision is retroactive to the date specified in sections 1 through 5 of this Act.

Sec. 7. Any administrative rules adopted pursuant to this Act shall be adopted under section 17A.4, subsection 2 and section 17A.5, subsection 2, paragraph b, subparagraph (1), and shall become effective immediately upon filing, unless a later effective date is specified in the rules.

Sec. 8. This Act, being deemed of immediate importance, takes effect from and after its publication in the Iowa Falls Citizen, a newspaper published in Iowa Falls, Iowa, and in the Ames Daily Tribune, a newspaper published in Ames, Iowa.
