1 Section 1. Section 384.15, Code 1983, is amended by adding  
2 the following new subsection:

5383, 5348

3 NEW SUBSECTION. Administer a law enforcement officer  
4 training reimbursement program. The program shall provide  
5 reimbursement to a city for necessary and actual expenses  
6 incurred in training a law enforcement officer who resigns  
7 from law enforcement service with the city within four years  
8 after completion of the law enforcement training. The  
9 reimbursable training expenses include mileage, food, lodging,  
10 tuition, replacement of an officer while the officer is in  
11 training, salary paid to the officer while in training, and  
12 other related costs as determined by the committee. The law  
13 enforcement training eligible for reimbursement is the minimum  
14 law enforcement officer training required under chapter 80B  
15 and, if funding is available, approved advanced law enforcement  
16 training. The committee shall adopt rules prescribing  
17 application forms, expense documentation, and procedures  
18 necessary to administer the reimbursement program.

19 a. The amount of reimbursement shall be determined as  
20 follows:

21 (1) If a law enforcement officer resigns less than one  
22 year following completion of approved training, one hundred  
23 percent.

24 (2) If a law enforcement officer resigns one year or more  
25 but less than two years after completion of approved training,  
26 seventy-five percent.

27 (3) If a law enforcement officer resigns two years or  
28 more but less than three years after completion of the approved  
29 training, fifty percent.

30 (4) If a law enforcement officer resigns three years or  
31 more but not more than four years after completion of the  
32 approved training, twenty-five percent.

33 b. A law enforcement training reimbursement fund is created  
34 in the state treasury. The proceeds of the fund shall be  
35 used by the committee to reimburse cities for eligible law

1 enforcement training expenses incurred as provided in this  
2 subsection.

3 Sec. 2. Section 911.2, Code 1983, is amended to read as  
4 follows:

5 911.2 ~~TEN-PERCENT~~ SURCHARGE. When a court imposes a fine  
6 or forfeiture for a violation of a state law, or of a city  
7 or county ordinance except an ordinance regulating the parking  
8 of motor vehicles, the court shall assess an additional penalty  
9 in the form of a surcharge equal to ~~ten~~ fifteen percent of  
10 the fine or forfeiture imposed. In the event of multiple  
11 offenses, the surcharge shall be based upon the total amount  
12 of fines or forfeitures imposed for all offenses. When a  
13 fine or forfeiture is suspended in whole or in part, the  
14 surcharge shall be reduced in proportion to the amount  
15 suspended. This section applies only with respect to criminal  
16 actions commenced on or after July 1, 1982.

5421 17 Sec. 3. Section 911.3, Code Supplement 1983, is amended  
18 to read as follows:

19 911.3 DISPOSITION OF SURCHARGE. When a court assesses  
20 a surcharge under section 911.2, the clerk of the district  
21 court shall transmit ninety percent of the surcharge collected  
22 to the treasurer of state by the fifteenth day of the following  
23 month. The treasurer of state shall deposit one-third of  
24 the money in the law enforcement training reimbursement fund  
25 established under section 384.15 and the remaining two-thirds  
26 of the money in the general fund of the state. The clerk  
27 of the district court shall transmit ten percent of the  
28 surcharge to the county treasurer or shall remit ten percent  
29 of the surcharge to the city that was the plaintiff in any  
30 action for deposit in the general fund of the city.

31 EXPLANATION

32 This bill provides for a law enforcement officer training  
33 reimbursement program to be administered by the city finance  
34 committee. The program will provide reimbursement to cities  
35 who lose police officers by resignation within four years

1 after law enforcement training has been completed. If a law  
2 enforcement officer resigns within one year after completion  
3 of training, one hundred percent of the necessary and actual  
4 expenses incurred are reimbursable. If resignation occurs  
5 after one year but before two years after completion of  
6 training, seventy-five percent of the costs are reimbursable;  
7 fifty percent of the cost is reimbursable for resignations  
8 two years or more but less than three years; and twenty-five  
9 percent is reimbursable for resignations three years or more  
10 but not more than four years after training.

11 The reimbursement program is to be financed by an increase  
12 in the criminal penalty surcharge from ten percent to fifteen  
13 percent.

14 The bill takes effect July 1 following its enactment.

The reimbursable training expenses include mileage, food, lodging, tuition, replacement of an officer while the officer is in training if the replacement officer is a temporary employee hired for that purpose only or is on overtime status, and salary costs of the officer while in training. The law enforcement training eligible for reimbursement is the minimum law enforcement officer training required under chapter 80B and, if funding is available, approved advanced law enforcement training. The committee shall adopt rules prescribing application forms, expense documentation, and procedures necessary to administer the reimbursement program.

a. The amount of reimbursement shall be determined as follows:

(1) If a law enforcement officer resigns less than one year following completion of approved training, one hundred percent.

(2) If a law enforcement officer resigns one year or more but less than two years after completion of approved training, seventy-five percent.

(3) If a law enforcement officer resigns two years or more but less than three years after completion of the approved training, fifty percent.

(4) If a law enforcement officer resigns three years or more but not more than four years after completion of the approved training, twenty-five percent.

b. A law enforcement training reimbursement fund is created in the state treasury. The proceeds of the fund shall be used by the committee to reimburse cities or counties for eligible law enforcement training expenses incurred as provided in this subsection. If the proceeds of the fund are insufficient to reimburse the total amount of all claims made during a fiscal year, the reimbursements shall be prorated. Any unencumbered or unobligated money remaining in the fund on June 30 of each fiscal year shall revert to the general fund of the state.

Sec. 2. Section 911.2, Code 1983, is amended to read as follows:

911.2 ~~TEN-PERCENT~~ SURCHARGE. In the event of multiple offenses, the surcharge shall be based upon the total amount of fines or forfeitures imposed for all offenses. When a fine or forfeiture is suspended in whole or in part, the surcharge shall be reduced in proportion to the amount suspended. This section applies only with respect to criminal actions commenced on or after July 1, 1982.

Sec. 3. Section 911.3, Code Supplement 1983, is amended to read as follows:

The clerk of the district court shall transmit ten percent of the surcharge to the county treasurer or shall remit ten percent of the surcharge to the city that was the plaintiff in any action for deposit in the general fund of the city.
