27 program in a judicial district holding public office or being  
28 a public employee and permits one half of the membership to  
29 hold public office or be a public employee.

30 The bill also requires that the guidelines for complying  
31 with the requirements relating to a community-based  
32 correctional program provide for community participation in  
33 the planning and programming of the program.

34 The bill takes effect July 1 following its enactment.
