SENATE FILE 481 FISCAL NOTE

REQUESTED BY SENATOR DOYLE

In compliance with a written request there is hereby submitted a Fiscal Note for Senate File 481 pursuant to Joint Rule 17.

Senate File 481 would allow the charge for the journal publication fee to be raised from one dollar to five dollars in counties having a population of one hundred thousand or over.

Fiscal Impact: According to the 1980 census, five Iowa counties have populations in excess of 100,000. Civil filings for 1982, with uniform support filings excluded, totaled 18,429 for these five counties. Raising the fee to five dollars would generate \$73,716 additional revenue to be distributed among the five counties for the purpose of paying for daily publication of docketing information. There will be no affect on the general fund.
