HF 2208

1 Section 1. Section 111A.4, subsection 3, Code 1985, is  
2 amended to read as follows:

3 3. The county conservation board shall file with and  
4 obtain approval of the state conservation commission on all  
5 proposals for acquisition or exchange of land, and all general  
6 development plans before any such program is executed.  
7 Approval of the state conservation commission shall not be  
8 necessary unless the value of the proposed exchange property  
9 or the cost of the proposed acquisition or development program  
10 exceeds twenty-five hundred thousand dollars.

11 EXPLANATION

12 Currently, the law requires that county conservation board  
13 projects involving the acquisition or exchange of land or  
14 general development programs where the cost of the project  
15 exceeds \$2,500 be submitted to the state conservation  
16 commission for its approval. The bill increases the project  
17 costs from \$2,500 to \$25,000 before county conservation board  
18 projects involving the acquisition or exchange of property or  
19 general development programs require the approval of the state  
20 conservation commission.
