HF 142

1 Section 1. Section 106.31, subsection 1, paragraph b, Code
2 1987, is amended to read as follows:

3 b. A motorboat equipped with any power unit mounted or
4 carried aboard the vessel may be operated at a no-wake speed
5 on all artificial lakes of more than one hundred acres in size
6 under the custody of the commission department. However, on
7 Big Creek lake and lake Macbride, a motorboat with a power
8 unit exceeding ten horsepower may be operated only when
9 permitted by rule and the rule shall not authorize such use
10 during the period beginning on the Friday before Memorial Day
11 and ending on Labor Day inclusively. This paragraph does not
12 limit motorboat horsepower on natural lakes under the custody
13 of the commission department or limit the commission's
14 department's authority to establish special speed zoning
15 regulations.

16 Sec. 2. Section 106.31, Code 1987, is amended by adding
17 the following new subsection:

18 NEW SUBSECTION. 5. As provided in section 111A.5, county
19 conservation boards may make regulations concerning horsepower
20 limits and no-wake speeds on artificial lakes under their
21 jurisdiction, except for state-owned artificial lakes managed
22 by a county conservation board under a management agreement.

23 EXPLANATION

24 This bill provides that county conservation boards may
25 establish the horsepower limits and no-wake speed regulations
26 on their own artificial lakes and changes agency references to
27 conform with reorganization.

SUB COMMITTEE ASSIGNMENTS
CHAIR: *Schrader*
COMMITTEE: *Natural Resources*
1-21-87

22

1 Section 1. Section 106.31, subsection 1, paragraph b, Code
2 1987, is amended to read as follows:

3 b. A motorboat equipped with any power unit mounted or
4 carried aboard the vessel may be operated at a no-wake speed
5 on all artificial lakes of more than one hundred acres in size
6 ~~under-the-custody-of-the-commission~~. However, on Big Creek
7 lake and lake Macbride, a motorboat with a power unit
8 exceeding ten horsepower may be operated only when permitted
9 by rule and the rule shall not authorize such use during the
10 period beginning on the Friday before Memorial Day and ending
11 on Labor Day inclusively. This paragraph does not limit
12 motorboat horsepower on natural lakes under the custody of the
13 ~~commission~~ department or limit the ~~commission's~~ department's
14 authority to establish special speed zoning regulations.

15 EXPLANATION

16 This change provides that motorboats with any power unit
17 may be operated at no-wake speed on any artificial lake of
18 more than one hundred acres in size, not under the custody of
19 the department, as well as on most one hundred acre artificial
20 lakes under custody of the department. There are many
21 artificial lakes which are legally under the jurisdiction of
22 the department, but not under the custody of the department.
