HF 2129

1 Section 1. Section 321.430, subsection 4, paragraph c,  
2 Code 1987, is amended to read as follows:

3 c. Trucks and truck tractors having equipped with three or  
4 more axles and manufactured before July 25, 1980, need not  
5 have brakes on the front wheels, except that such vehicles  
6 equipped with two or more front axles shall be equipped with  
7 brakes on at least one of such the axles; provided-that  
8 however, the service brakes of such the vehicle shall comply  
9 with the performance requirements of section 321.431.

10 EXPLANATION

11 The bill removes the exception for brakes on the front  
12 wheels of trucks and truck tractors having three or more  
13 axles, if they are manufactured on or after July 25, 1980,  
14 which will bring state law into compliance with federal law.

12 wheels of trucks and truck tractors having three or more  
13 axles, if they are manufactured on or after July 25, 1980,  
14 which will bring state law into compliance with federal law.

15 BACKGROUND STATEMENT

16 SUBMITTED BY THE AGENCY

17 The Commercial Motor Vehicle Act of 1986 as passed by  
18 Congress directed the United States department of trans-  
19 portation to change its regulations to require fully operating  
20 brakes on all wheels of trucks and truck trailers with three  
21 or more axles and manufactured after July 25, 1980. The  
22 United States department of transportation revised its  
23 regulations February 27, 1987. The bill brings Iowa into  
24 compliance with the federal regulations requiring operating  
25 brakes on all wheels of trucks and truck trailers.
